# 1.4 Million Students

**What defines a relevant, effective  
business & industry partnership?**

**What are the most crucially relevant  
skill sets potential employees  
need to have?**

**What are some distinct industry changes coming down the pipeline?**

**Advisors:  
What can your industry sector  
offer educators?**

**Educators:**  
**What do you need from potential  
Advisor Committee members?**

**Educators:  
Something you need now that you  
didn't need five years ago?**

**Industry Partners:  
Something you need now that you  
didn't need five years ago?**

# **How to best find and make connections?**

Particularly during this extended time of social distancing protocols and mandates?

# Reflection into Action

Please share a **key takeaway** that you will put into action.

# CTE Newsletter

- Student Opportunities
- Lights! Camera! Action!
- “Spotlight”
- Coordinator’s Corner
- “Where Are They Now”
- LACOE CTE Staff
- CTE Professional Development Calendar

The collage features several pages from the CTE Newsletter, including:

- Volume 2, Issue 2** cover with a table of contents:
 

Coordinator's Corner	2
CTE Credentialing	2
Spotlight	3
Where Are They Now?	3
CTE Staff Directory	4
CTE 2022 PD Series	4
- Director's Chair Action!** by **Reina Flores-Hansen, M.Ed.**, CTE Project Director III. The article discusses the impact of climate change and the need for innovative ways to support more sustainable energy systems. It mentions that California is investing in clean energy and green infrastructure, and encourages individuals to get involved in apprenticeships and skill development.
- Coordinator's Corner** by **Anne Welsh-Teglin, Ed.D.**, CTE Coordinator II. The article discusses the Energy and Utilities Occupations Symposium on Thursday, January 6, 2022, from 10:00 am to 12:00 pm. It highlights the demand for energy professionals in Los Angeles and provides information on how to register.
- Spotlight: Delete The Divide** by **Gina M. Newton, Ph.D.**, CTE Coordinator II. The article discusses the "Delete the Divide" campaign, which aims to encourage students to pursue careers in STEM fields. It mentions that the campaign is a partnership between the County of Los Angeles and the Department of Education.
- Where Are They Now?** by **Linda Maresk**, CTE Coordinator II. The article features a "Professional Roundup" of former CTE staff members who have gone on to successful careers in various fields.
- CTE Credential Updates!** by **Linda Maresk**, CTE Coordinator II. The article provides information on the CTE Credential Fee Waiver and the CCTC Basic Skill Requirement.
- CTC Basic Skill Requirement (CCTC) Meet the Basic Skills Requirement by Coursework**. This section provides details on the requirements for students to receive a CTE credential.
