SUBJECT: BEST Advantage-Financial System Disbursement Notification for “B” Warrants and ACH-EFT

The current Los Angeles County Office of Education (LACOE) practice of providing check copies and remittance advices will change for Wave 3 Districts using BEST Advantage – Financial (FIN) beginning July 1, 2021.

“B” warrant copies will no longer be provided with “B” warrants. Districts can query **AD** documents in FIN for warrant information such as Check Number, Check Amount, Check Date and Vendor Name.

ACH/EFT vendors with email addresses on the Vendor Table (VCUST) will be emailed a remittance advice with information regarding payments. ACH/EFT vendors without an email address in the Vendor Table will be provided a hardcopy for mailing, although Districts are strongly encouraged to populate vendor email addresses.
