SUBJECT: Approved Indirect Cost Rates, Fiscal Year 2022-23

The California Department of Education (CDE) has issued approved indirect cost rates for fiscal year (FY) 2022-23. A listing of California local educational agencies' (LEAs) rates is available on the CDE's website at:

<https://www.cde.ca.gov/fg/ac/ic/index.asp>

Attached is a list of the rates for Los Angeles County School Districts, Regional Occupational Centers/Programs (ROC/Ps), and Joint Powers Authorities (JPAs) for FYs 2018-19 through 2022-23. Also attached is a list of FY 2022-23 rates for all charter schools in the Los Angeles County.

An indirect cost rate is the percentage of an entity's indirect costs compared to its direct costs. Indirect costs are the costs of general management that cannot be directly assigned to a specific program. Conversely, direct costs are those that benefit a specific program directly, such as teacher salaries and textbooks. The approved indirect cost rate provides a mechanism that allows each entity to charge individual programs for their share of the overall indirect costs. Indirect cost rates must be applied in the fiscal year in which the funds are **expended**. This is not necessarily the same year in which the funds are appropriated, received, or encumbered.

The CDE has been granted authority by the United States Department of Education to calculate, review, and approve indirect cost rates for California LEAs. Use the rate from the attached schedule when completing an application for a Federal program that requires a Federally-approved indirect cost rate, and cite the CDE as the approving authority if requested.

## **BASIS OF 2022-23 INDIRECT COST RATES**

The approved indirect cost rates for FY 2022-23 programs were calculated based on the review of 2020-21 Standardized Account Code Structure (SACS) expenditure data that were filed.

## **CHARTER SCHOOLS**

A charter school may use the indirect cost rate of its chartering agency only if the charter school's financial data was included in the General Fund data of the chartering agency's Form ICR.

Charter schools should contact their authorizing agency, not the Los Angeles County Office of Education (LACOE), with questions regarding apportionments, timelines, forms, budget assumptions, or other issues.

## **JOINT POWERS AUTHORITIES**

JPAs rarely meet the guidelines for receiving approved indirect cost rates, and are not given approved rates unless requested during the SACS data submission process. Information about the indirect cost rates that apply to JPAs and the guidelines that must be met to receive an indirect cost rate is outlined in Procedure 805 of the California School Accounting Manual (CSAM), and is available on the CDE's website at:

<https://www.cde.ca.gov/fg/ac/sa/index.asp>

## **INDIRECT COST RATES FOR FOOD SERVICE AND ADULT EDUCATION PROGRAMS**

Education Code (EC) Section 38101(c) allows school districts and charter schools to charge indirect costs to their Food Service program based on the lesser of the entity's approved indirect cost rate, or the statewide average indirect cost rate. **For FY 2022-23, the CDE has calculated the statewide average indirect cost rate to be 5.35 percent.** EC Section 52616.4 allows for the indirect costs of an Adult Education program to be expensed using the same method. Compare your approved rate to the statewide average indirect cost rate to determine the lesser rate for use with these programs. A listing of the statewide rates for the last four years is also available on the CDE's website at:

<https://www.cde.ca.gov/fg/ac/ic/icrfsae.asp>

## **ALLOWABLE INDIRECT COST RATES FOR SPECIFIC PROGRAMS**

The SACS Query System is a useful resource that includes guidelines on allowable indirect cost rates for selected programs. You may access this information for most programs from the CDE's website at:

<https://www.cde.ca.gov/fg/ac/ac/index.asp>

**TONY THURMOND**  
STATE SUPERINTENDENT OF  
PUBLIC INSTRUCTION

April 7, 2022

Dear County Chief Business Officials:

### 2022–23 Approved Indirect Cost Rates

As the agency authorized by the United States Department of Education to approve California kindergarten through grade twelve (K–12) local educational agency (LEA) indirect cost rates, the California Department of Education (CDE) has reviewed the 2020–21 standardized account code structure (SACS) expenditure data and has finalized the approved indirect cost rates. The rates are for use, as allowable, with 2022–23 federal and state programs.

#### Approved Indirect Cost Rates

Please advise the school districts and joint powers agencies (JPAs) in your county that the indirect cost rates are posted on the CDE Indirect Cost Rate (ICR) web page at <https://www.cde.ca.gov/fg/ac/ic/index.asp>.

#### Indirect Cost Rates for JPAs

As a reminder, because JPAs do not generally meet the guidelines for receiving approved indirect cost rates, they are not given an approved rate unless it is requested during the SACS data submission process. For further information on indirect cost rates applicable to JPAs, including the guidelines that must be met to receive an indirect cost rate, see Procedure 805 of the *California School Accounting Manual* which is available on the CDE Accounting Definitions, Instructions & Procedures web page at <https://www.cde.ca.gov/fg/ac/sa/index.asp>.

#### Charter School Indirect Cost Rates

The approved 2022–23 indirect cost rates for charter schools are also posted on the ICR web page listed above. Please share them with the applicable school districts and charter schools.

#### Statewide Average Indirect Cost Rates

The 2022–23 statewide average indirect cost rate is 5.35 percent.

California *Education Code* Section 38101(c) limits food service program indirect costs to amounts derived using the lesser of a school district's approved indirect cost rate or the statewide average indirect cost rate. Each district should compare this statewide average rate with its individual indirect cost rate to determine the lesser rate for use with this program.

A listing showing the statewide average rates for the last five years is also available on the ICR web page listed above.

#### SACS Query Page

To aid staff in identifying the allowable indirect cost rates for various programs, the SACS Query system available on the CDE Standardized Account Code Structure (SACS) web page at <https://www.cde.ca.gov/fg/ac/ac/index.asp> includes this information for most programs.

If you have any questions regarding the indirect cost rates, please contact our office by email at [sacsinfo@cde.ca.gov](mailto:sacsinfo@cde.ca.gov).

Sincerely,

/s/

Fiscal Oversight and Support Office
