#### **WEB BASED APPLICATION**

Beginning fiscal year 2021-22, the Principal Apportionment Data Collection (PADC) software transitioned from desktop software to a web based application. Please review the Web Application Resources section of the website linked above for the user manual, known issues and tips document, and video guides. LACOE has also prepared a PADC web application guide for use by SELPAs. This guide may be used in addition to the resources provided by the CDE. To access the LACOE guide, navigate to the website below and enter 'PADC' in the search box:
