SUBJECT: 2022-23 Mandate Block Grant Application for Funding

The 2022 Budget Act (Chapter 43, Statutes of 2022) appropriates approximately \$242.2 million for the Mandated Block Grant (MBG) program. This allows eligible agencies including school districts, charter schools, and county offices of education (COE) to elect to receive funding for 2022-23 mandated activities via the MBG program, or through the traditional claims reimbursement process. MBG funds are specifically intended to fund the costs of mandated programs and activities identified in *Government Code (GC)* Section 17581.6(f). Attachment No. 1 is the official Mandate Block Grant Application Funding letter. Attachment No. 2 shows the list of mandated programs and activities funded by the MBG. Attachment No. 3 shows a list of mandated programs suspended by the Department of Finance. Additional information, including links to correspondence, frequently asked questions, and other fiscal information is available at:

<https://www.cde.ca.gov/fg/aa/ca/mandatebg.asp>

SPENDING CONSTRAINTS AND AUDIT REQUIREMENTS

MBG funds are unrestricted. Per Education Code 41020, however, districts are still required to perform the mandated activities.

FUNDING

Funding for 2022-23 is calculated based on 2021-22 Second Principal Apportionment (P-2) average daily attendance (ADA) using the funding rates listed below. Funds will be apportioned in November.

Grade Span	School District Rates	Charter School Rates	COE Rates
K-8	\$34.94	\$18.34	\$34.94
9-12	\$67.31	\$50.98	\$67.31

PARTICIPATION IN THE MBG

The election to participate in the MBG is done annually by submission of the web-based MBG Application, which serves as the Letter Requesting Funding. The application is due to the California Department of Education (CDE) by **August 30, 2022**, to receive the 2022-23 funding. The letter, application to participate, and other information regarding the MBG is found on the CDE's website at:

<https://www.cde.ca.gov/fg/fo/r14/mandatebg22rfa.asp>

CHARTER SCHOOLS

Charter schools are eligible to participate in the MBG. They should have received the same letter of intent from the CDE as the districts and should follow the same application process. The traditional claim reimbursement process is not available for charter schools, therefore the MBG is the only means for charter schools to receive this funding. New charter schools that started in 2022-23 will not receive MBG funds as funding is based on 2021-22 P-2 ADA.

**California Department of Education
Official Letter**

August 4, 2022

Dear County and District Superintendents and Charter School Administrators:

**Mandate Block Grant Application for Funding
Fiscal Year 2022–23**

The purpose of this letter is to notify local educational agencies (LEAs) that the 2022–23 Mandate Block Grant (MBG) Application has been released. The MBG funding is available to county offices of education (COEs), school districts, and charter schools (both direct and locally funded) that elect to participate. MBG funds are specifically intended to fund the costs of mandated programs and activities identified in *Government Code* (GC) Section 17581.6(f); there are no changes to the list of programs in 2022-23.

The MBG Application and other important details, including this informational letter, the list of mandated programs and activities supported by the MBG, and the notification of suspended mandates, may be accessed on the MBG Request for Application (RFA) web page at <https://www.cde.ca.gov/fg/fo/r14/mandatebg22rfa.asp>.

Pursuant to GC Section 17581.6, LEAs make an annual choice to receive funds for specified mandated programs and activities, either through the MBG or through the claim reimbursement process pursuant to GC Section 17560. Because the claims process does not include charter schools, the MBG is the only vehicle for charter schools to receive such funding.

In fiscal year 2022–23, each LEA will notify the California Department of Education (CDE) of its decision to participate in the MBG by submission of the web-based MBG Application, which serves as the Letter Requesting Funding. On the MBG RFA web page, LEAs will select the link titled “MBG Application” to find logon instructions or to request a new password. LEAs that have maintained their prior year password for the MBG Application may use the same password to access the 2022–23 application.

Submission of the MBG Application must be completed by August 30, 2022, to receive 2022–23 MBG funding.

An election **not** to participate may be communicated to the CDE by submitting the MBG Application with a selection of non-participation or by sending an email to mandate@cde.ca.gov with the LEA's name and county-district-school code. Prior to the application deadline, follow-up emails will be sent to LEAs that have not notified the CDE of their election. The participation status of all LEAs eligible for the 2022–23 MBG is available on the MBG web page at <https://www.cde.ca.gov/fg/aa/ca/mandatebg.asp>.

The 2022 Budget Act (Chapter 43, Statutes of 2022) appropriates \$242,252,000 for the MBG program. Allocation of funds is based on average daily attendance (ADA) as of the 2021–22 Second Principal Apportionment. Specific categories of ADA used to calculate funding are available on the CDE's MBG web page.

The 2022–23 funding rates set forth in Item 6100-296-0001 of the 2022 Budget Act, as amended, are displayed in the table below. If available funds are insufficient to apportion funding to participating LEAs at the established rates, funding rates shall be reduced proportionally.

LEA Type	Grade Span	2022–23 Funding Rate
COE	Grades K–8	\$34.94
COE	Grades 9–12	\$67.31
COE	Countywide ¹	\$1.17
School Districts	Grades K–8	\$34.94
School Districts	Grades 9–12	\$67.31
Charter Schools	Grades K–8	\$18.34
Charter Schools	Grades 9–12	\$50.98
