Other Local Educational Agencies (LEAs)

**SUBJECT:** Warrant and EFT Advice Change

The Los Angeles County Office of Education has made changes to how the Warrant and EFT advices are printed. These changes will take effect in the next few days.

In the updated version of the Warrant and EFT advice, amounts are consolidated by invoice ID and payment document number. This greatly reduces the number of lines (and pages) to be printed. These changes will make it easier for vendors to match invoice(s) with their respective payments.
