The workshop will be designed to provide an overview of the LCFF concepts for school districts and charter schools including the following:

- LCFF Calculator structure, navigation, and data entry
- LCFF Entitlement including base, supplemental, and concentration grant funding, add-ons, and economic recovery target (ERT) funding
- In-Lieu of Tax transfers to charter schools
- Necessary small school funding concepts
- Basic Aid/Excess Tax funding concepts
- State Aid and Minimum State Aid calculations
- Education Protection Account (EPA) calculations
- LCFF Calculator navigation, data entry, and interpreting results

A hands-on exercise will follow during the second half of the workshop to help reinforce the covered concepts.
