SUBJECT: 2022-23 Third Quarter Lottery Apportionment

Attached is the notice of apportionment from the California Department of Education detailing the release of the third quarter lottery apportionment for 2022-23 from the State Controller's Office (SCO). The Master Register is not attached, but is available on the SCO's website at:

https://www.sco.ca.gov/ard_payments_lottery.html

The Master Register lists the average daily attendance (ADA), apportionments, adjustments, and net paid amounts on a quarterly and year to date basis, with the unrestricted and restricted Proposition 20 amounts identified separately.

AMOUNT APPORTIONED

The current apportionment totals \$447,181,130.78 statewide, of which Los Angeles County local educational agencies (LEAs) receive \$125,852,022.84. The unrestricted lottery amounts are based on a rate of \$38.68 per unit of ADA, and \$41.46 per unit of ADA for the Proposition 20 apportionment.

SPENDING CONSTRAINTS

The unrestricted portion of the lottery apportionment is available for any educational use, but cannot be used to purchase real property, construct facilities, finance research, or any other non-instructional purpose per Government Code (GC) Section 8880.5. Per Proposition 20, the restricted portion of the lottery apportionment must be used to purchase instructional materials as defined in Education Code (EC) Section 60010(h).

The public hearing requirement established by EC Section 60119 applies to these funds. However, any public hearing held during the year to comply with EC Section 60119 would also satisfy the public hearing requirement for lottery funds.

CHARTER SCHOOLS

Charter schools are listed separately from their chartering agencies on both the Remittance Advice and the Master Register. Locally-funded charter schools will receive their lottery allocations through their chartering agency. Direct-funded charter schools will receive their allocation directly. Charter schools must comply with the spending constraints on lottery funds.

Charter schools should contact their authorizing agency, not the Los Angeles County Office of Education (LACOE), with questions regarding apportionments, timelines, forms, budget assumptions, or other issues. Districts are asked to share this informational bulletin with their charter schools.

ACCOUNTING CONSIDERATIONS

Per GC Section 8880.5, all districts must maintain a separate account to record the receipt and expenditure of lottery funds. Districts should use Resource Code 1100, to track unrestricted lottery funds, and Resource Code 6300, to track restricted lottery funds.
