Education Codes Sections 201, 234, 48900

201. (a) All pupils have the right to participate fully in the educational process, free from discrimination and harassment.
   (b) California's public schools have an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity.
   (c) Harassment on school grounds directed at an individual on the basis of personal characteristics or status creates a hostile environment and jeopardizes equal educational opportunity as guaranteed by the California Constitution and the United States Constitution.

234. (a) This article shall be known, and may be cited, as the Safe Place to Learn Act.
   (b) It is the policy of the State of California to ensure that all local educational agencies continue to work to reduce discrimination, harassment, violence, intimidation, and bullying. It is further the policy of the state to improve pupil safety at schools and the connections between pupils and supportive adults, schools, and communities.

234.1. The department, pursuant to subdivision (b) of Section 64001, shall monitor adherence to the requirements of Chapter 5.3 (commencing with Section 4900) of Division 1 of Title 5 of the California Code of Regulations and Chapter 2 (commencing with Section 200) of this part as part of its regular monitoring and review of local educational agencies, commonly known as the Categorical Program Monitoring process. The department shall assess whether local educational agencies have done all of the following:
   (a) Adopted a policy that prohibits discrimination, harassment, intimidation, and bullying based on the actual or perceived characteristics set forth in Section 422.55 of the Penal Code and Section 220 of this code, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. The policy shall include a statement that the policy applies to all acts related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district.
   (b) Adopted a process for receiving and investigating complaints of discrimination, harassment, intimidation, and bullying based on any of the actual or perceived characteristics set forth in Section 422.55 of the Penal Code and Section 220 of this code, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. The complaint process shall include, but not be limited to, all of the following:
      (1) A requirement that, if school personnel witness an act of discrimination, harassment, intimidation, or bullying, they shall take immediate steps to intervene when safe to do so.
      (2) A timeline to investigate and resolve complaints of discrimination, harassment, intimidation, or bullying that shall be followed by all schools under the jurisdiction of the school district.
      (3) An appeal process afforded to the complainant should he or she disagree with the resolution of a complaint filed pursuant to this section.
   (c) Publicized antidiscrimination, antiharassment, anti-intimidation, and antibullying policies adopted pursuant to subdivision (a), including information about the manner in which to file a complaint, to pupils, parents, employees, agents of the governing board, and the general public. The information shall be translated pursuant to Section 48985.
   (d) Posted the policy established pursuant to subdivision (a) in all schools and offices, including staff lounges and pupil government meeting rooms.
   (e) Maintained documentation of complaints and their resolution for a minimum of one review cycle.
   (f) Ensured that complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation, or bullying remains confidential, as appropriate.
   (g) Identified a responsible local educational agency officer for ensuring school district or county office of education compliance with the requirements of Chapter 5.3 (commencing with Section 4900) of Division 1 of Title 5 of the California Code of Regulations and Chapter 2 (commencing with Section 200) of this part.
234.2. The department shall display current information, and periodically update information, on curricula and other resources that specifically address bias-related discrimination, harassment, intimidation, and bullying based on any of the actual or perceived characteristics set forth in Section 422.55 of the Penal Code and Section 220 on the California Healthy Kids Resource Center Internet Web site and other appropriate department Internet Web sites where information about discrimination, harassment, intimidation, and bullying is posted.

234.3. The department shall develop a model handout describing the rights and obligations set forth in Sections 200, 201, and 220 and the policies addressing bias-related discrimination, harassment, intimidation, and bullying in schools. This model handout shall be posted on appropriate department Internet Web sites.

234.5. The Superintendent shall post, and annually update, on his or her Internet Web site and provide to each school district a list of statewide resources, including community-based organizations, that provide support to youth who have been subjected to school-based discrimination, harassment, intimidation, or bullying, and their families.

48900. A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

(r) Engaged in an act of bullying. For purposes of this subdivision, the following terms have the following meanings:

(1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

(A) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.
(B) Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
(C) Causing a reasonable pupil to experience substantial interference with his or her academic performance.
(D) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

(2) (A) "Electronic act" means the transmission, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to:

(i) A message, text, sound, or image.
(ii) A post on a social network Internet Web site including, but not limited to:

(I) Posting to or creating a burn page. "Burn page" means an Internet Web site created for the purpose of having one or more of the effects listed in paragraph (1).
(II) Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in paragraph (1). "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed that the pupil was or is the pupil who was impersonated.
(III) Creating a false profile for the purpose of having one or more of the effects listed in paragraph (1). "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
(B) Notwithstanding paragraph (1) and subparagraph (A), an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

(3) "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.
A pupil shall not be suspended or expelled for any of the acts enumerated in this section unless the act is related to a school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to a school activity or school attendance that occur at any time, including, but not limited to, any of the following:

1. While on school grounds.
2. While going to or coming from school.
3. During the lunch period whether on or off the campus.
4. During, or while going to or coming from, a school-sponsored activity.

For a pupil subject to discipline under this section, a superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion that are age appropriate and designed to address and correct the pupil's specific misbehavior as specified in Section 48900.5.

In addition to the grounds specified in Sections 48900 and 48900.2, a pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.

Suspension, including supervised suspension as described in Section 48911.1, shall be imposed only when other means of correction fail to bring about proper conduct. A school district may document the other means of correction used and place that documentation in the pupil's record, which may be accessed pursuant to Section 49069. However, a pupil, including an individual with exceptional needs, as defined in Section 56026, may be suspended, subject to Section 1415 of Title 20 of the United States Code, for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil's presence causes a danger to persons.

Other means of correction include, but are not limited to, the following:
1. A conference between school personnel, the pupil's parent or guardian, and the pupil.
2. Referrals to the school counselor, psychologist, social worker, child welfare attendance personnel, or other school support service personnel for case management and counseling.
3. Study teams, guidance teams, resource panel teams, or other intervention-related teams that assess the behavior, and develop and implement individualized plans to address the behavior in partnership with the pupil and his or her parents.
4. Referral for a comprehensive psychosocial or psycho educational assessment, including for purposes of creating an individualized education program, or a plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794(a)).
5. Enrollment in a program for teaching prosocial behavior or anger management.
6. Participation in a restorative justice program.
7. A positive behavior support approach with tiered interventions that occur during the schoolday on campus.
8. After-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups.
9. Any of the alternatives described in Section 48900.6.
