Mr. Crafton reviewed and discussed correspondence contained in the County Committee agenda packets and member folders.

Mr. Crafton stated that most articles that were mentioned were regarding California Voting Rights Act (CVRA) and Trustee Area Issues.

Discussion also occurred regarding a conflict of interest policy. At this time we do not have a policy in place and it was requested by the Committee to bring County Counsel forward to give direction on such a policy.

There were no members of the public to address the County Committee.

Mr. Crafton reported that the Board of Supervisors and Board of Equalization approval was achieved for the Wiseburn unification. We had communication from Assessors office regarding maps and other documents that are required. Staff is still working on the checklist with the assistance of the California Department of Education (CDE). The new board met December 12, 2013.

Dr. Deegan stated that we received a supplemental Environmental Inspection Report (EIR). Staff will email the report to the members.

Mr. Crafton reported that the only update at this time is with regards to the possible legislation that is moving forward in Sacramento involving the Anaheim City trustee issue. No specifics were given at this point.

Dr. Deegan stated that the activity we are seeing involves cities, many cities will have even year elections, so we will expect to see some of the dynamics coming into play.

Dr. Deegan stated that she has been invited to be on a panel at the California County Superintendents Educational Services Association (CCSESA) in February.
Mr. Frank Bostrom suggested the Committee be proactive and warn the districts of what is to come with regards to CVRA.

Dr. Deegan added that there is discussion ongoing with reference to a forum that may take place in order to better inform the districts.

Dr. Deegan stated that the bulletins are being sent to districts to assist in pushing the information out. She also stated that our website has been a good tool to push information out as well.

Mr. John Nunez stated that we should send an updated letter to districts.

Mr. Frank Ogaz stated that if the County Board gets involved in the forum it would provide more of a push for districts to take notice of what is happening with CVRA.

Dr. Deegan stated that we will look at the letter that was previously sent and plan to update it and send it to the districts.

Mr. Eric Hass has been working on placing the most relevant articles on the website.

Mr. Ben Allen stated that the letter to be sent should bring about more traffic to the website.

Mr. AJ Willmer stated that we should time the sending of the letter to when CVRA relevant articles are posted on the website.

Dr. Deegan introduced Mr. Takim Khorrem who is the current County Counsel and Danielle Drossel who will be taking the place of Mr. Khorrem as the new County Counsel.

Mr. Allen stated that we are reviewing our policies and would welcome the assistance of the County Counsel with these issues.

Mr. Willmer added that our policies have not been reviewed in a very long time.

Mr. Willmer stated that the committee has questions regarding filing a Conflict of Interest form.

Mr. Willmer proposed that the subcommittee work with appropriate staff and to put some work in on their own and then request the input of the County Counsel.

Dr. Deegan added that we have access to LACOE Counsel when the issues intersect with the Superintendent’s duties. The goal will be for General Counsel and County Counsel to liaise.
Mr. Willmer stated that he and Mr. Crafton will begin to gather information to begin the process of reviewing policies.

Mr. Joel Peterson reminded the staff that there was the issue of the Bylaws that needs to be reviewed as well.

Each member was requested to complete a performance evaluation form concerning the secretary and staff to the County Committee. Mr. Willmer appointed Ms. Jakubowski as the Chairperson, others to serve on this committee are Mr. Allen and Mr. Edmiston.

The County Committee commended staff on a job well done.

Mr. Crafton stated that we have two bills that are being watched: AB450 and AB59.

Mr. Crafton stated that there is no activity on AB450.

Mr. Crafton stated that AB59 was referred to the Judiciary Committee with regards to its structure.

Dr. Deegan requested Mr. Hass to give additional information.

Mr. Hass stated that after the Revenues and Tax Committees reviewed the bill, they altered the language. The Judiciary Committee will be looking at AB59 and once we see their information, we will have a better idea if this will affect school parcels.

Dr. Deegan stated that this will not affect the Wiseburn unification process.

No updates to report.

No updates to report.

Mr. Bostrom stated that he would like to see the letter state the economic impact on the timelines for the Wiseburn unification process.

Adjourned to closed session at 11:55 a.m.

LEGISLATIVE REVIEW - JUNE 2014

BILL NUMBER/AUTHOR: Assembly Bill 2715 / Hernandez

INTRODUCTION DATE: 02/21/14

DEFINITION OF BILL

This bill would require the members of the legislative body of a city with a population of 100,000 or more, as determined by the most recent federal decennial census, to be elected by district, and require that the legislative body to provide by ordinance, without submitting the ordinance to the electors of the city for approval, for the election of the members in this manner. It would also require that the boundary lines of each district be adjusted in accordance with specified provisions of law.

POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS

This bill is not directly specific to school districts but trailer language in the bill mentions them in regard to potential mandated costs.

RECOMMENDED POSITION

Staff recommends the following position:

- **Watch** Bill should be monitored by County Committee staff, but no action taken at this time.
- **Approve** County Committee supports the bill’s concept, but will not actively work for passage.
- **Support** County Committee actively supports the bill.
- **Oppose** County Committee actively opposes the bill.
- **Disapprove** County Committee disapproves of the bill’s concept, but will not actively oppose passage.
BILL NUMBER/AUTHOR: Senate Bill 1365 / Padilla
INTRODUCTION DATE: 02/21/14
LAST ACTIVITY/DATE: 05/15/14: Passed Senate, now in Assembly Elections and Redistricting Committee for first review.

DESCRIPTION OF BILL

This bill would require a court to implement specified remedies upon a finding that a district-based election was imposed or applied in a manner that impaired the ability of a protected class to elect candidates of its choice or otherwise influence the outcome of an election. It would also direct a court to implement a redistricting plan if it would provide redress, as well as allow the court to increase the size of the governing body, delay an election, or require elections to be held on the same day as a statewide election.

POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS

This bill would likely result in increased activity related to the California Voting Rights Act, which has had significant impact on school districts statewide.

RECOMMENDED POSITION

Staff recommends the following position:

- **Watch** Bill should be monitored by County Committee staff, but no action taken at this time.
- **Approve** County Committee supports the bill’s concept, but will not actively work for passage.

- **Disapprove** County Committee disapproves of the bill’s concept, but will not actively oppose passage.
BILL NUMBER/AUTHOR: Senate Bill 1021 / Wolk
INTRODUCTION DATE: 02/14/14
LAST ACTIVITY/DATE: 05/12/14: Passed Senate, now in Assembly Revenues and Taxes Committee for first review.

DESCRIPTION OF BILL

This bill would provide that special taxes which apply uniformly include any special tax imposed on a per parcel basis, according to the square footage of a parcel or the square footage of improvements on a parcel, according to the classification of a parcel, and at a lower rate on unimproved property. It would authorize a school district to treat multiple parcels of real property as one parcel for purposes of a qualified special tax, where the parcels are contiguous, under common ownership, and constitute one economic unit.

POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS

This bill may impact school districts and their assessed valuations by allowing them to vary their taxation rates among classifications of property within their boundaries.

- **Approve** County Committee supports the bill’s concept, but will not actively work for passage.

- **Disapprove** County Committee disapproves of the bill’s concept, but will not actively oppose passage.
BILL NUMBER/AUTHOR: Assembly Bill 2710 / Muratsuchi
INTRODUCTION DATE: 02/21/14
LAST ACTIVITY/DATE: 05/14/14: Assembly set for hearing on 05/23/14

DESCRIPTION OF BILL

This bill would mandate that county office boards of education and school district governing boards must cover each element of the superintendent’s salary and compensation package in a public meeting for the contract to be valid. The itemized contract must be part of the agenda package published in advance of the meeting, and if any compensatory items are covered at the meeting without having been agendized, the contract shall be null and void. It also mandates ethics training for all local agency officials every two years, and imposes conditions upon when districts may provide home loans to agency officials.

June 2014

The following is a summary of school district reorganization proposals [exclusive of those affecting the Los Angeles Unified School District (USD) that are at various stages in the school district reorganization process as of May 20, 2014.]

FORMATION—WISEBURN USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE CENTINELA VALLEY UNION HIGH SD)

In May of 2001, the Citizens for a Wiseburn Unified School District organization petitioned to form a Wiseburn USD from within the boundaries of the Centinela Valley Union High SD (UHSD). After approval by the County Committee and a long review period by the CDE and SBE, the petition was moved forward via successful legislation, the formation of two related joint power agencies, and final approval by the SBE on May 9, 2013. The voter approval of the proposal and the election of the first governing board for the Wiseburn USD occurred on November 5, 2013. Staff is working on logistics related to the launch of the unified district.

PROPOSED ESTABLISHMENT OF TRUSTEE AREAS AND TRUSTEE AREA VOTING, WITHIN THE ABC USD

On May 20, 2014, LACOE received a request for a petition pursuant to EC §5019 to establish trustee areas and trustee area voting within the ABC USD. The petition was submitted by attorney Warren Kinsler on behalf of the ABC USD governing board, a majority of whom approved...
the petition via resolution. The petition will be presented to the County Committee at the June 4, 2014 regular meeting.

Status: Petition submitted
Status Date: May 22, 2014

PROPOSED ESTABLISHMENT OF TRUSTEE AREAS AND TRUSTEE AREA VOTING, WITHIN THE ABC USD

On January 18, 2013, LACOE received a request for a petition pursuant to EC §5019 and §5020 to establish trustee areas, and trustee area voting within the ABC USD. The request was submitted by chief petitioner, Mr. Charles Ara. The petition was forwarded to County Counsel to determine the legal compliance of format and content. On February 21, 2013, County Counsel deemed the petition sufficient; staff returned the petition to the chief petitioner on February 27, 2013, for circulation.

Status: Petition in circulation.
Status Date: April 10, 2013

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN, ESTABLISHMENT OF TRUSTEE AREAS, AND THE REQUIREMENT OF TRUSTEE AREA VOTING, WITHIN THE POMONA USD

On June 6, 2012, LACOE received a request for a petition pursuant to EC §5019 and §5020 to increase the number of trustees from five to seven, to establish trustee areas, and to require trustee area voting within the Pomona USD. The request was submitted by chief petitioner, Mr. John Mendoza. The petition was forwarded to County Counsel to determine the legal compliance of format and content. On June 19, 2012, County Counsel deemed the petition sufficient; staff returned the petition to the chief petitioner on June 20, 2012, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, requesting some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5019 and §5020 and requires valid signatures from ten percent of the registered voters within the petition area (approximately 6,100 signatures in the case of the Pomona USD, based on the most recent count of registered voters). If valid and certified by the County Committee, this petition would trigger a ballot initiative (as opposed to a reference report and vote by the County Committee).

Status: Petition in circulation.
Status Date: June 20, 2012
FORMATION—ALTADENA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE PASADENA USD)

On January 17, 2006, LACOE received a request for a petition from chief petitioners Ms. Maurice Morse, Ms. Shirlee Smith, and Mr. Bruce Wasson, three community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. The petition request was returned to the chief petitioners on January 20, 2006, because it lacked an adequate description of the area pursuant to EC §35700.3.

On February 10, 2006, LACOE received a revised request for a petition. Staff reviewed the request and forwarded a draft petition to County Counsel on February 22, 2006, for a legal compliance review regarding format and content. We received notification on March 6, 2006, from County Counsel informing us that the draft petition was legally acceptable. On March 7, 2006, staff forwarded the draft petition to the Registrar-Recorder for verification that the description of the proposed boundaries of the Altadena USD was sufficiently clear (so that registered voters residing within the proposed petition area could be identified with specificity). The Registrar-Recorder confirmed that the description was sufficient on March 10, 2006.

The petition was mailed to the chief petitioners on March 14, 2006, for circulation within the petition area. The Registrar-Recorder estimated the chief petitioners will need to collect approximately 7,000 valid signatures in order to meet the criteria set forth in EC §35700(a).

On September 23, 2010, chief petitioners delivered signed petitions to LACOE. Staff submitted the petitions to the Registrar-Recorder on September 27, 2010, for signature verification. On October 22, 2010, the Registrar-Recorder notified staff that there were insufficient valid signatures (less than the required 25 percent of the registered voters within the petition area). Staff notified the chief petitioners of the insufficiency, and at Mr. Wasson’s request, returned the petitions to the Registrar-Recorder for a signature audit. Staff also advised the chief petitioner regarding the collection of additional signatures. Upon notification by the Registrar-Recorder of a sufficient number of valid signatures, staff will present the petition to the County Committee at the next regular meeting.

On January 4, 2011, staff conferred with a representative from the Registrar-Recorder’s office, who informed us that no audit of petition signatures had been done yet, and they clarified the cost of signature verification. On February 15 and March 1, 2011, staffs contacted the Registrar-Recorder and were informed that the signature audit had still not been done. On May 12, 2011, staff from the Registrar-Recorder’s office advised LACOE that an audit of the petition’s signatures was underway. On November 28, 2011, the chief petitioner Mr. Wasson notified LACOE of the death of one of the co-chief petitioners, Ms. Morse. Mr. Wasson stated that another chief petitioner would not be named.
PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN AND THE ESTABLISHMENT OF TRUSTEE AREAS WITHIN THE POMONA USD

On July 13, 2009, LACOE received a request for a petition pursuant to EC §5019 and §5020 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On August 7, 2009, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on August 11, 2009, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5019 and §5020 and requires valid signatures from ten percent of the registered voters within the petition area (approximately 7,000 signatures in the case of the Pomona USD). If valid and certified by the County Committee, this petition would trigger a ballot initiative (as opposed to a reference report and vote by the County Committee).
