Summary of Los Angeles County School District Reorganization Proposals
(excluding those affecting the Los Angeles Unified School District)

February 2008

The following is a summary of school district reorganization proposals (exclusive of those affecting the Los Angeles Unified School District [USD]) that were at various stages in the school district reorganization process as of January 18, 2008.

PROPOSAL TO TRANSFER CERTAIN TERRITORY FROM THE SAN GABRIEL USD TO THE SAN MARINO USD

On July 1, 2005, the Los Angeles County Office of Education (LACOE) received a request for a petition pursuant to Education Code (EC) §35700(a) to transfer certain territory from the San Gabriel USD to the San Marino USD. The request was submitted by chief petitioner Mr. Mike Bagheri. On July 7, 2005, staff forwarded the petition to the Office of the Los Angeles County Counsel (County Counsel) to determine its legal compliance regarding format and content. On July 11, 2005, County Counsel notified staff of the petition’s sufficiency and it was forwarded to the chief petitioner for circulation on July 12, 2005.

On July 25, 2005, the chief petitioner submitted a one part petition to LACOE and it was forwarded to the Los Angeles County Registrar-Recorder/County Clerk (Registrar-Recorder) for signature verification on July 28, 2005. On August 5, 2005, the Registrar-Recorder certified that the petition contained 13 valid signatures, representing 72 percent of the registered voters within the area. Staff presented the petition to the Los Angeles County Committee on School District Organization (County Committee) at its regular meeting on September 19, 2005. Requests For Information (RFIs) were requested from and received by the chief petitioner, San Marino USD, and San Gabriel USD. Staff completed a feasibility study regarding this petition.

Public hearings were held in both districts on November 7, 2005. At its regular meeting on March 1, 2006, staff presented the feasibility study and the County Committee voted to disapprove the petition. On March 5, 2006, the chief petitioner filed a Notice of Appeal, stating that his rationale would be forthcoming. On March 20, 2006, the chief petitioner submitted his rationale for appeal and the request was forwarded to the State Board of Education (SBE) for review, along with copies of relevant documents from the petition file.

Status: Appeal review scheduled before the SBE on March 12-13, 2008.

Status Date: December 19, 2007

PROPOSAL TO TRANSFER CERTAIN TERRITORY FROM THE INGLEWOOD USD TO THE CULVER CITY USD

* Indicates update from previous summary.
On February 3, 2005, LACOE received a request for a petition pursuant to EC §35700(a) to transfer certain territory from the Inglewood USD to the Culver City USD. The request was submitted by chief petitioners Ms. Ronni Cooper, Dr. Allan Boodnick, and Mr. Bud Raymond, representing the Ladera Heights Civic Association (LHCA). On February 10, 2005, staff forwarded the petition to County Counsel to determine its legal compliance regarding format and content. On February 15, 2005, County Counsel notified staff of the petition’s sufficiency and it was forwarded to the chief petitioners for circulation on February 18, 2005. On February 23, 2005, Inglewood USD Superintendent Dr. Pamela Short-Powell requested information on the transfer of territory process and the County Committee. Requested information was forwarded to Dr. Short-Powell on that same day. On May 25, 2005, LACOE received a letter from Dr. Boodnick of the LHCA requesting that Mr. Raymond be replaced with Ms. Cheryl Cook as one of the chief petitioners.

On June 20, 2005, chief petitioners submitted a 106 part petition to LACOE and it was forwarded to the Registrar-Recorder for signature verification on the same day. On July 14, 2005, the Registrar-Recorder certified that the petition contained 1,655 valid signatures, representing 28 percent of the registered voters within the area. Staff presented the petition to the County Committee at its regular meeting on August 3, 2005. RFIs were forwarded to and returned by both school districts and the chief petitioners. Staff began work on a feasibility study following receipt of the RFIs.

On September 19, 2005, public hearings were convened in both the Inglewood USD and the Culver City USD. Due to overcapacity attendance at both hearings, they were adjourned and rescheduled at larger facilities. On October 1, 2005, public hearings were held at auditorium facilities within the Culver City USD (Culver City High School) and the Inglewood USD (Morningside High School). Following the public hearings, staff continued work on the feasibility study.

At its November 2, 2005, meeting, the County Committee discussed the possibility of obtaining a timeline waiver from the SBE for an additional 24 months if needed to address the environmental concerns related to this petition. The County Committee decided to proceed with its past practice and timeline and to complete the feasibility study for the January 2006 review. However, they elected to request that the LACOE Board of Education (Board) submit the waiver (as is required under the Education Code) just in case it is necessary to complete the feasibility study.

The LACOE Board reviewed the waiver request at its regular meeting on November 15, 2005, and approved forwarding the request to the SBE. The SBE reviewed the waiver request at its January 11-12, 2006, meeting and approved it. On January 18, 2006, several members of the County Committee toured the Frank Parent Elementary School, located adjacent to the petition area in the Inglewood USD.

At its January 18, 2006, meeting, the County Committee reviewed the feasibility study completed for them by Dr. Michael Winters, Caldwell Flores Winters, Inc., heard presentations from the chief petitioners and the Inglewood USD, and received input from members of the public. The County Committee voted to disapprove the petition.

On January 26, 2006, the chief petitioners submitted a Notice of Appeal to the SBE, and submitted their appeal request on February 7, 2006. Staff assembled the petition record as required under EC §35710.5 and forwarded it to the SBE.

* Indicates update from previous summary.
On January 10, 2008, the SBE denied the appeal, concluding this petition process.

*Status: The SBE denied the appeal; petition process ends.

**FORMATION—ALTADENA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE PASADENA USD)**

On April 17, 2007, LACOE received a request for a petition from chief petitioners Mr. Steve Lamb and Mr. Justin Chapman, two community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. Staff reviewed the request and forwarded a draft petition to County Counsel on April 20, 2007, for a legal compliance review regarding format and content. Staff received notification on April 26, 2007, from County Counsel that the draft petition was legally acceptable.

The petition was mailed to the chief petitioners on April 30, 2007, for circulation within the petition area. Please note that this is a different petition from the one previously requested in March 2006 to form an Altadena USD. This petition retains the same petition area (as identified in the previous petition and refined in a map developed by the Registrar-Recorder) and rationale as the one submitted previously, but it was submitted by a different group of petitioners. Regarding this petition area, the Registrar-Recorder has previously estimated that approximately 7,000 valid signatures will be necessary in order to meet the criteria set forth in EC §35700(a).

Upon receipt of the signed petitions, staff will forward them to the Registrar-Recorder for signature verification. If the petitions contain a sufficient number of valid signatures, staff will present the petition to the County Committee and commence a feasibility study.

**FORMATION—WISEBURN USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE CENTINELA VALLEY UNION HIGH SD)**

On May 16, 2001, LACOE received a request from the Citizens for a Wiseburn Unified School District organization to prepare a petition (25 percent of the registered voters) proposing to form a Wiseburn USD from existing territory of the Wiseburn SD. The proposed formation territory currently lies within the boundaries of the Centinela Valley Union High SD. The petition was provided to the chief petitioners on June 20, 2001.

On November 9, 2001, the chief petitioners submitted a signed petition to the Los Angeles County Superintendent of Schools (County Superintendent) to determine if the petition was sufficient and signed as required by law pursuant to EC §35700(a). In accordance with EC §35704, the County Superintendent found the petition to be sufficient and signed as required by law on December 4, 2001. On December 5, 2001, the petition was presented to the County Committee at its regular meeting and

transmitted to the SBE. Pursuant to EC §35705, a public hearing was conducted within the Wiseburn SD and Centinela Valley Union High SD on January 23, 2002, at Richard Henry Dana Middle School in the Wiseburn SD.

At its regular meeting on March 6, 2002, the County Committee was presented with a preliminary feasibility report concerning this proposal. The final feasibility report was presented to the County Committee at its regular meeting on May 1, 2002. At that meeting, the County Committee recommended approval and took action to recommend approval of the proposal to the SBE to form a Wiseburn USD from the existing boundaries of the Wiseburn SD within the Centinela Valley Union High SD. The County Committee further recommended that the election area be the entire Centinela Valley Union High SD.

The County Committee’s plans and recommendations were transmitted to the SBE and the California Department of Education (CDE) on June 18, 2002. On June 19, 2003, the CDE requested additional statistical information from the impacted districts and notified LACOE staff that the petition would be heard in November 2003.

On September 2, 2003, the CDE notified LACOE that the petition hearing before the SBE would be delayed until January 7-8, 2004. The CDE cited budget constraints and staff cutbacks as reasons for the hearing delay. On December 1, 2003, the CDE notified LACOE of a second delay for the petition hearing before the SBE, postponing it until March 10-11, 2004. The CDE cited current state fiscal circumstances as the reason for the further delay. On January 21, 2004, the CDE notified LACOE of a third delay for the petition hearing before the SBE, postponing it until May 12-13, 2004. On April 16, 2004, the CDE notified LACOE that the petition hearing would be held on May 13, 2004.

On April 27, 2004, LACOE received a copy of the CDE’s final feasibility study. On April 29, 2004, LACOE received notice from the CDE that the petition hearing had been delayed indefinitely at the request of the Wiseburn SD. Subsequently, the Wiseburn SD requested that the SBE hear the petition, along with its request for two waivers. A hearing was scheduled for July 7, 2004. On July 7, 2004, staff was notified by the CDE that the Wiseburn SD had once again withdrawn its petition for consideration before the SBE.

On August 31, 2004, staff received notice that Ms. Karen Steentofte, Chief Counsel for the SBE, recommended that certain waivers submitted with the Wiseburn USD petition could be determined by the SBE at the time of the hearing. Subsequently, the CDE rescheduled the petition to be heard before the SBE on September 9, 2004.

On September 9, 2004, staff attended the SBE hearing. CDE staff recommended that the SBE adopt the proposal approving the petition to form a Wiseburn USD and to set the election area as the area of the Wiseburn SD only on the condition that the property owners within the Wiseburn SD retain current levels of responsibility for repayment of existing bonded indebtedness of the Centinela Valley Union High SD upon successful formation of a Wiseburn USD. The SBE voted unanimously to approve the proposal and established that territory within the Wiseburn SD be the area of election.

Statutory requirements provide that, following approval by the SBE, an election shall be called on the next available regular election date (March 8, 2005) in the territory determined by the SBE.

On October 19, 2004, at the direction of the SBE, the County Superintendent forwarded an order for special election to the Registrar-Recorder office, to be held in conjunction with the March 8, 2005, regular election. A ballot measure to approve or disapprove the formation of a Wiseburn USD and to elect a governing board will be placed before the electorate. The election will be held within the boundaries of the proposed Wiseburn USD. Should the electorate approve the proposal, the new district could become effective July 1, 2006.

On November 1, 2004, staff received a copy of a lawsuit filed by the Centinela Valley Union High SD against the SBE, seeking to vacate approval of Wiseburn SD’s petition to unify based on lack of compliance with the California Environmental Quality Act (CEQA) regulations. On November 18, 2004, staff received a copy of a second lawsuit filed in this matter, citing flaws in the legality of the SBE’s decisions and naming additional parties, including the County Committee as defendants. The Centinela Valley Union High SD, Wiseburn SD, and SBE began negotiations to delay the election in order to revisit the issues underlying the petition and subsequent lawsuits. The SBE requested that the County Superintendent delay the election to allow for this negotiation process to run its course. Staff consulted with County Counsel and was advised that neither the County Superintendent nor the SBE could order a delay of the election.

On Friday, December 10, 2004, in the case of Centinela Valley Union High SD (Petitioners) vs. the SBE, the Los Angeles Superior Court issued a preliminary injunction barring the conduct of the election regarding the formation of the Wiseburn USD on March 8, 2005. The Petitioners also contacted the court and requested that the Motion for Preliminary Injunction (Injunction) scheduled for December 13, 2004, vs. the County Committee and County Superintendent, be taken off the calendar. The Petitioners will consult with the court’s clerk to re-schedule. This was done because the Petitioners received the Injunction that day. A hearing on the motion was scheduled for March 30, 2005. Staff received notice from County Counsel that both the County Committee and the County Superintendent were dropped as parties to the lawsuit in which they were named.

On January 6, 2005, County Counsel met with the County Committee in closed session to discuss the lawsuit. Later at the same meeting, Dr. Don Brann, Superintendent of Wiseburn SD, appeared before the County Committee to inform them that the SBE would withdraw its approval of the petition, pending a negotiation with petitioners and attorneys for Centinela Valley Union High SD. On January 13, 2005, the CDE withdrew its approval of the Wiseburn USD petition and its request that an election be ordered. Staff at the CDE have informed us that they intend to redo the review process related to CEQA and to return the petition to the SBE for action (not to the County Committee).

On March 13, 2007, the California Department of General Services issued a Notice of Preparation of an Environmental Impact Report, under CEQA. The CDE held a CEQA scoping hearing on March 28, 2007, within the Wiseburn SD. Staff attended this meeting. A comment period was set by the SBE for March 13, 2007, to April 12, 2007. On April 24, 2007, staff was notified by the SBE that the CEQA comment period had been extended to May 15, 2007, due to a request made at the scoping hearing. Staff will keep the County Committee apprised of any additional developments.

FORMATION—LA MIRADA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE NORWALK – LA MIRADA USD)

On February 15, 2007, Ms. Dayna Kruger, chief petitioner, requested a petition to form a La Mirada USD, from territory currently within the Norwalk–La Mirada USD, pursuant to EC §35700(a). With her request, the chief petitioner submitted a territory description and map that were not sufficient. Staff conferred with her and advised her to consult with the Registrar-Recorder to determine with specificity which territory was within or outside the proposed petition area. On March 13, 2007, the chief petitioner submitted an amended petition with a new description and map. This petition was deemed sufficient by County Counsel and forwarded to the chief petitioner for circulation on March 20, 2007.

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN, THE ESTABLISHMENT OF TRUSTEE AREAS, AND THE REQUIREMENT OF TRUSTEE AREA VOTING WITHIN THE MOUNT SAN ANTONIO COMMUNITY COLLEGE DISTRICT (CCD)

The request was submitted by chief petitioner Mr. John Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On January 11, 2007, County Counsel notified staff that the petition was sufficient. On January 17, 2007, the petition was forwarded to the chief petitioner for circulation.

Please note that this is an additional petition, separate from other petitions requested by Mr. Mendoza, although it requests the same changes within the Mount San Antonio CCD (the addition of two governing board members and the creation of trustee areas with trustee area voting).

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN WITHIN THE POMONA USD, RETAINING THE AT-LARGE VOTING METHOD

On December 7, 2006, LACOE received a request for a petition pursuant to EC §5019(a) and (c) to increase the number of trustees from five to seven within the Pomona USD, retaining the at-large voting method. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On January 11, 2007, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on January 17, 2007, for circulation.

Please note that this is an additional petition, separate from other petitions requested by Mr. Mendoza, some of which request the addition of two governing board members and some of which request the creation of trustee areas.

On March 21, 2006, LACOE received a request for a petition pursuant to EC §5020 and §5030 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On March 23, 2006, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on April 11, 2006, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5020 and §5030 and requires valid signatures from ten percent of the registered voters within the petition area (approximately 6,000 signatures in the case of the Pomona USD). If valid and certified by the County Committee, this petition would trigger a ballot initiative (as opposed to a reference report and vote by the County Committee).

FORMATION—ALTADENA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE PASADENA USD)

On January 17, 2006, LACOE received a request for a petition from chief petitioners Ms. Maurice Morse, Ms. Shirlee Smith, and Mr. Bruce Wasson, three community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. The petition request was returned to the chief petitioners on January 20, 2006, because it lacked an adequate description of the area pursuant to EC §35700.3.

On February 10, 2006, LACOE received a revised request for a petition. Staff reviewed the request and forwarded a draft petition to County Counsel on February 22, 2006, for a legal compliance review regarding format and content. We received notification on March 6, 2006, from County Counsel informing us that the draft petition was legally acceptable.

On March 7, 2006, staff forwarded the draft petition to the Registrar-Recorder for verification that the description of the proposed boundaries of the Altadena USD was sufficiently clear (so that registered voters residing within the proposed petition area could be identified with specificity). The Registrar-Recorder confirmed that the description was sufficient on March 10, 2006.

The petition was mailed to the chief petitioners on March 14, 2006, for circulation within the petition area. The Registrar-Recorder estimated the chief petitioners will need to collect approximately 7,000 valid signatures in order to meet the criteria set forth in EC §35700(a).

Upon receipt of the signed petitions, staff will forward them to the Registrar-Recorder for signature verification. If the petitions contain a sufficient number of valid signatures, staff will present the petition to the County Committee and commence a feasibility study.
