DESCRIPTION OF BILL

This bill would transfer final authority for review of certain school district organization petitions from the State Board of Education (SBE) to County Committees on School District Organization (County Committees). Currently, petitions related to unifications or the creation of new school districts are eligible for final review by the SBE. Thus, the SBE is designated as the lead agency for review and regulatory purposes. If this bill is passed, County Committees would be the final authorities for such petitions, as they currently are for school district organization petitions involving transfers of territory and changes in district governance structures, provided specified conditions are met. This change would designate County Committees as the lead agencies for all school district organization issues.

POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS

Under current law, the SBE is the lead agency for school district organization petitions involving unifications or the creation of new school districts. The County Committee serves as the lead agency for petitions involving transfers of territory and changes in governance structures. Because of the volume of petition activity in Los Angeles County each year, this change would most likely increase the number of petitions for which the Los Angeles County Committee serves as the lead agency.

This change would also eliminate petitioners' ability to have the decisions of the Los Angeles County Committee reviewed by the SBE. If petitioners (individuals, agencies, school districts or other civic entities) want to challenge a County Committee decision, they would need to seek recourse in the court system.

If this legislation is approved, the Los Angeles County Committee would be designated as the lead agency for all school district organization petitions and thus the lead agency for matters pertaining to the California Environmental Quality Act (CEQA). The CEQA review process, which can sometimes require extensive environmental impact review (and lead to responsibility for the costs associated therewith), has become a complex component of the review process for school district organization petitions. If environmental review is required, the lead agency is responsible for the costs. Currently, for petitions involving unification and the creation of new districts, the SBE is the lead agency, and thus responsible for any environmental review costs. If this bill is approved, the Los Angeles County Committee and the Los Angeles County Office of Education would be responsible for all potential environmental review costs associated with the school district organization process.

The Los Angeles County Committee is currently developing practice templates designed to bring a measure of uniform application of CEQA review standards to the school district organization petition process. However, their process will not be a complete barrier to unpredictable costs associated with CEQA review.
RECOMMENDED POSITION
Staff recommends the following position:

☐ Watch  Bill should be monitored by County Committee staff, but no action should be taken at this time.

☐ Disapprove  The County Committee disapproves of the bill’s concept, but will not actively oppose passage.

AMENDMENTS REQUIRED
If staff’s recommended position is based on the need for amendments to the bill language, suggested alternative language is attached.

CORRESPONDENCE REQUIRED
If staff’s recommended position is based on the need for correspondence to the bill’s author, the Governor or other governmental officials, a draft of suggested language is attached.

Please direct all comments to Daniel Villanueva, Secretary to the County Committee, at (562) 922-6144.

June 2009

The following is a summary of school district reorganization proposals affecting the Los Angeles Unified School District (USD) that were at various stages in the school district organization process as of May 19, 2009.

PROPOSAL TO TRANSFER CERTAIN TERRITORY FROM THE COMPTON USD TO THE LOS ANGELES USD

On May 1, 2007, the Los Angeles County Office of Education received a request to review a draft petition proposing the transfer of certain territory from the Compton USD to the Los Angeles USD. The territory is the portion of the City of Carson that is currently part of the Compton USD. The request was submitted by Ms. Linda Mann, Senior Analyst in the Office of the City Manager, City of Carson. Staff reviewed issues pertaining to the petition with Ms. Mann and she said she will submit a finalized version for review in the near future. When a petition is submitted, staff will forward it to the Office of the Los Angeles County Counsel to review its sufficiency.

June 2009

The following is a summary of school district reorganization proposals (exclusive of those affecting the Los Angeles Unified School District [USD]) that were at various stages in the school district reorganization process as of May 19, 2009.

FORMATION—WISEBURN USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE CENTINELA VALLEY UNION HIGH SD)

On May 16, 2001, the Los Angeles County Office of Education (LACOE) received a request from the Citizens for a Wiseburn Unified School District organization to prepare a petition (25 percent of the registered voters) proposing to form a Wiseburn USD from existing territory of the Wiseburn SD. The proposed formation territory currently lies within the boundaries of the Centinela Valley Union High SD. The petition was provided to the chief petitioners on June 20, 2001.

On November 9, 2001, the chief petitioners submitted a signed petition to the Los Angeles County Superintendent of Schools (County Superintendent) to determine if the petition was sufficient and signed as required by law pursuant to Education Code (EC) §35700(a). In accordance with EC §35704, the County Superintendent found the petition to be sufficient and signed as required by law on December 4, 2001. On December 5, 2001, the petition was presented to the Los Angeles County Committee on School District Organization (County Committee) at its regular meeting and transmitted to the State Board of Education (SBE). Pursuant to EC §35705, a public hearing was conducted within the Wiseburn SD and Centinela Valley Union High SD on January 23, 2002, at Richard Henry Dana Middle School in the Wiseburn SD.

At its regular meeting on March 6, 2002, the County Committee was presented with a preliminary feasibility report concerning this proposal. The final feasibility report was presented to the County Committee at its regular meeting on May 1, 2002. At that meeting, the County Committee recommended approval and took action to recommend approval of the proposal to the SBE to form a Wiseburn USD from the existing boundaries of the Wiseburn SD within the Centinela Valley Union High SD. The County Committee further recommended that the election area be the entire Centinela Valley Union High SD.

The County Committee’s plans and recommendations were transmitted to the SBE and the California Department of Education (CDE) on June 18, 2002. On June 19, 2003, the CDE requested additional statistical information from the impacted districts and notified LACOE staff that the petition would be heard in November 2003.

* Indicates update from previous summary.
On September 2, 2003, the CDE notified LACOE that the petition hearing before the SBE would be delayed until January 7-8, 2004. The CDE cited budget constraints and staff cutbacks as reasons for the hearing delay. On December 1, 2003, the CDE notified LACOE of a second delay for the petition hearing before the SBE, postponing it until March 10-11, 2004. The CDE cited current state fiscal circumstances as the reason for the further delay. On January 21, 2004, the CDE notified LACOE of a third delay for the petition hearing before the SBE, postponing it until May 12-13, 2004. On April 16, 2004, the CDE notified LACOE that the petition hearing would be held on May 13, 2004.

On April 27, 2004, LACOE received a copy of the CDE’s final feasibility study. On April 29, 2004, LACOE received notice from the CDE that the petition hearing had been delayed indefinitely at the request of the Wiseburn SD. Subsequently, the Wiseburn SD requested that the SBE hear the petition, along with its request for two waivers. A hearing was scheduled for July 7, 2004. On July 7, 2004, staff was notified by the CDE that the Wiseburn SD had once again withdrawn its petition for consideration before the SBE.

On August 31, 2004, staff received notice that Ms. Karen Steentofte, Chief Counsel for the SBE, recommended that certain waivers submitted with the Wiseburn USD petition could be determined by the SBE at the time of the hearing. Subsequently, the CDE rescheduled the petition to be heard before the SBE on September 9, 2004.

On September 9, 2004, staff attended the SBE hearing. CDE staff recommended that the SBE adopt the proposal approving the petition to form a Wiseburn USD and to set the election area as the area of the Wiseburn SD only on the condition that the property owners within the Wiseburn SD retain current levels of responsibility for repayment of existing bonded indebtedness of the Centinela Valley Union High SD upon successful formation of a Wiseburn USD. The SBE voted unanimously to approve the proposal and established that territory within the Wiseburn SD be the area of election. Statutory requirements provide that, following approval by the SBE, an election shall be called on the next available regular election date (March 8, 2005) in the territory determined by the SBE.

On October 19, 2004, at the direction of the SBE, the County Superintendent forwarded an order for special election to the Los Angeles County Registrar-Recorder/County Clerk’s (Registrar-Recorder) office, to be held in conjunction with the March 8, 2005, regular election. A ballot measure to approve or disapprove the formation of a Wiseburn USD and to elect a governing board will be placed before the electorate. The election will be held within the boundaries of the proposed Wiseburn USD. Should the electorate approve the proposal, the new district could become effective July 1, 2006.

On November 1, 2004, staff received a copy of a lawsuit filed by the Centinela Valley Union High SD against the SBE, seeking to vacate approval of Wiseburn SD’s petition to unify based on lack of compliance with the California Environmental Quality Act (CEQA) regulations. On November 18, 2004, staff received a copy of a second lawsuit filed in this matter, citing flaws in the legality of the SBE’s decisions and naming additional parties, including the County Committee as defendants. The Centinela Valley Union High SD, Wiseburn SD, and SBE began negotiations to delay the election in order to revisit the issues underlying the petition and subsequent lawsuits. The SBE requested that the County Superintendent delay the election to

allow for this negotiation process to run its course. Staff consulted with the Office of the Los Angeles County Counsel (County Counsel) and was advised that neither the County Superintendent nor the SBE could order a delay of the election.

On Friday, December 10, 2004, in the case of Centinela Valley Union High SD (Petitioners) vs. the SBE, the Los Angeles Superior Court issued a preliminary injunction barring the conduct of the election regarding the formation of the Wiseburn USD on March 8, 2005. The Petitioners also contacted the court and requested that the Motion for Preliminary Injunction (Injunction) scheduled for December 13, 2004, vs. the County Committee and County Superintendent, be taken off the calendar. The Petitioners will consult with the court’s clerk to re-schedule. This was done because the Petitioners received the Injunction that day. A hearing on the motion was scheduled for March 30, 2005. Staff received notice from County Counsel that both the County Committee and the County Superintendent were dropped as parties to the lawsuit in which they were named.

On January 6, 2005, County Counsel met with the County Committee in closed session to discuss the lawsuit. Later at the same meeting, Dr. Don Brann, Superintendent of Wiseburn SD, appeared before the County Committee to inform them that the SBE would withdraw its approval of the petition, pending a negotiation with petitioners and attorneys for Centinela Valley Union High SD. On January 13, 2005, the CDE withdrew its approval of the Wiseburn USD petition and its request that an election be ordered. Staff at the CDE have informed us that they intend to redo the review process related to CEQA and to return the petition to the SBE for action (not to the County Committee).

On March 13, 2007, the California Department of General Services issued a Notice of Preparation of an Environmental Impact Report (EIR), under CEQA. The CDE held a CEQA scoping hearing on March 28, 2007, within the Wiseburn SD. Staff attended this meeting. A comment period was set by the SBE for March 13, 2007, to April 12, 2007. On April 24, 2007, staff was notified by the SBE that the CEQA comment period had been extended to May 15, 2007, due to a request made at the scoping hearing.

On July 7, 2008, staff received a copy of the draft EIR from Terry A. Hayes Associates LLC, on behalf of the CDE. A comment period for the draft EIR was opened from July 7, 2008, to August 21, 2008. A public hearing was held on July 22, 2008. Staff will keep the County Committee apprised of any additional developments.

On April 15, 2009, staff provided follow-up information to the CDE regarding the financial status of the Centinela Valley Union High SD.

*Status:  Petition review by the SBE is currently scheduled for September 2009.

FORMATION—MALIBU USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE SANTA MONICA-MALIBU USD)

On September 9, 2004, staff received a request for petition from a community group in Malibu. The group proposes to form a Malibu USD from territory currently within the Santa Monica-Malibu USD and in unincorporated portions of Los Angeles County. A final petition was approved by County Counsel and returned to petitioners for circulation to gather signatures from within the petition area.

On February 1, 2008, staff received a letter dated January 22, 2008, requesting that Ms. Sandy Thacker and Mr. Tom Sorce be removed from the petition process as chief petitioners, and that Ms. Colleen Baum and Dr. Laura Rosenthal be added as the new chief petitioners with Mr. Mitch Clarfield. Staff revised the petition to reflect the change and it was sent to the chief petitioners to continue the circulation process.

Status: Petition currently in circulation.

Status Date: February 21, 2008

FORMATION—ALTADENA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE PASADENA USD)

On April 17, 2007, LACOE received a request for a petition from chief petitioners Mr. Steve Lamb and Mr. Justin Chapman, two community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. Staff reviewed the request and forwarded a draft petition to County Counsel on April 20, 2007, for a legal compliance review regarding format and content. Staff received notification on April 26, 2007, from County Counsel that the draft petition was legally sufficient regarding format and content.

The petition was mailed to the chief petitioners on April 30, 2007, for circulation within the petition area. Please note that this is a different petition from the one previously requested in March 2006 to form an Altadena USD. This petition retains the same petition area (as identified in the previous petition and refined in a map developed by the Registrar-Recorder and rationale) as the one submitted previously, but it was submitted by a different group of petitioners. Regarding this petition area, the Registrar-Recorder has previously estimated that approximately 7,000 valid signatures will be necessary in order to meet the criteria set forth in EC §35700(a).

Upon receipt of the signed petitions, staff will forward them to the Registrar-Recorder for signature verification. If the petitions contain a sufficient number of valid signatures, staff will present the petition to the County Committee and commence a feasibility study.

FORMATION—LA MIRADA USD (CURRENTLY LIES WITHIN THE BOUNDARIES
OF THE NORWALK – LA MIRADA USD)

On February 15, 2007, Ms. Dayna Kruger, chief petitioner, requested a petition to form a
La Mirada USD, from territory currently within the Norwalk–La Mirada USD, pursuant to
EC §35700(a). With her request, the chief petitioner submitted a territory description and map
that were not sufficient. Staff conferred with her and advised her to consult with the Registrar-
Recorder to determine with specificity which territory was within or outside the proposed
petition area. On March 13, 2007, the chief petitioner submitted an amended petition with a new
description and map. This petition was deemed sufficient by County Counsel and forwarded to
the chief petitioner for circulation on March 20, 2007.

Status: Petition in circulation.

petitioner Mr. John Mendoza. The petition was forwarded to County Counsel to determine its

staff that the petition was sufficient. On January 17, 2007, the petition was forwarded to the
chief petitioner for circulation.

Please note that this is an additional petition, separate from other petitions requested by
Mr. Mendoza, although it requests the same changes within the Mount San Antonio CCD
(the addition of two governing board members and the creation of trustee areas with trustee area
voting).

to increase the number of trustees from five to seven within the Pomona USD, retaining the
at-large voting method. The request was submitted by chief petitioner Mr. Mendoza. The
petition was forwarded to County Counsel to determine its legal compliance regarding format
and content. On January 11, 2007, County Counsel deemed the petition sufficient. Staff
returned the petition to the chief petitioner on January 17, 2007, for circulation.

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN AND THE ESTABLISHMENT OF TRUSTEE AREAS WITHIN THE POMONA USD

On March 21, 2006, LACOE received a request for a petition pursuant to EC §5020 and §5030 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On March 23, 2006, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on April 11, 2006, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5020 and §5030 and requires valid signatures from ten percent of the registered voters within the petition area (approximately 6,000 signatures in the case of the Pomona USD). If valid and certified by the County Committee, this petition would trigger a ballot initiative (as opposed to a reference report and vote by the County Committee).

On January 17, 2006, LACOE received a request for a petition from chief petitioners Ms. Maurice Morse, Ms. Shirlee Smith, and Mr. Bruce Wasson, three community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. The petition request was returned to the chief petitioners on January 20, 2006, because it lacked an adequate description of the area pursuant to EC §35700.3.

On February 10, 2006, LACOE received a revised request for a petition. Staff reviewed the request and forwarded a draft petition to County Counsel on February 22, 2006, for a legal compliance review regarding format and content. Staff received notification on March 6, 2006, from County Counsel informing them that the draft petition was legally acceptable.

On March 7, 2006, staff forwarded the draft petition to the Registrar-Recorder for verification that the description of the proposed boundaries of the Altadena USD was sufficiently clear (so that registered voters residing within the proposed petition area could be identified with specificity). The Registrar-Recorder confirmed that the description was sufficient on March 10, 2006.
