DESCRIPTION OF BILL.

Under existing law, the process of school district reorganization begins with the submission of a petition that is reviewed by the county superintendent of schools (county superintendent) and, if sufficient, forwarded to the county committee on school district organization (county committee) and the State Board of Education (SBE) for additional review and public hearings.

The county committee is authorized to formulate plans and recommendations for the reorganization of school districts. The reorganization, if approved by the county committee or the SBE, is required to be voted upon during the next available election.

The reorganization plans are also required to meet specified requirements, and those impacting school districts with more than 500,000 pupils based on average daily attendance are required to satisfy additional conditions.

This bill would require that interim or governing boards of existing school districts (and, where applicable, the administrators of such districts) involved in a reorganization notify the county superintendent, in writing and with relevant documents and information provided, before taking any action on any matter that could have a material fiscal impact or incur debt or liability, including, but not necessarily limited to, the approval of a charter school in the existing, proposed, newly formed, or newly organized school district. The county superintendent’s review would determine whether that action would have a material fiscal impact or incur debt or liability. This notice must be provided to the county superintendent no less than ten school days before any action is proposed to be executed. This bill would provide the county superintendent with the authority to stay or rescind any action that he or she deemed unnecessary for the immediate functioning of the existing or newly formed school district.

This bill was prompted, according to the author, by the actions taken in the Sacramento County reorganization of Grant Union High School District (HSD) and some of its feeder elementary districts into the Twin Rivers Unified SD. The outgoing board of the high school district issued non-voter approved debt, entered into binding construction contracts, and awarded severance bonuses to administrators (which ended up in litigation after the Sacramento County Superintendent of Schools refused to issue warrants for the bonuses).
POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS

This bill provides expanded authority to the county superintendent to review and approve actions that may have a fiscal impact on reorganized school districts. In its role as the body that reviews reorganization petitions, the County Committee is already charged with examining the fiscal status of districts after reorganization but does not have authority to act or review the actions of an existing or newly formed district after reorganization has been approved. This bill highlights the critical component of post-reorganization fiscal oversight and should have no adverse impact on the County Committee, the school district organization process, or Los Angeles County school districts. It does, however, convey additional responsibilities to county superintendents and expands their current fiscal oversight duties required under Assembly Bill 1200.

RECOMMENDED POSITION
Staff recommends the following position:

- Watch  Bill should be monitored by County Committee staff, but no action should be taken at this time.
- Approve The County Committee supports the bill’s concept, but will not actively work for passage.
- Support  The County Committee actively supports the bill.
- Oppose The County Committee actively opposes the bill.
- Disapprove The County Committee disapproves of the bill’s concept, but will not actively oppose passage.

AMENDMENTS REQUIRED

If staff’s recommended position is based on the need for amendments to the bill language, suggested alternative language is attached.

CORRESPONDENCE REQUIRED

If staff’s recommended position is based on the need for correspondence to the bill’s author, the Governor or other governmental officials, a draft of suggested language is attached.

BILL NUMBER/AUTHOR: Assembly Bill 684/Block

INTRODUCTION DATE: 02/17/11

LAST ACTIVITY/DATE: 04/04/11: Re-referred to the Committees on Elections and Redistricting

DESCRIPTION OF BILL
Existing law provides for California community colleges to receive general supervision from the California Board of Governors of the California Community Colleges. In addition, each community college is under the control of its own elected board of trustees. Those independent boards of trustees develop the election structure that each community college uses.

This bill would provide that community colleges adopt trustee area voting plans and that all candidates for election to their boards of trustees be elected by trustee area. It directs boards of trustees to adopt resolutions in support of this trustee area voting methodology and for the reapportionment of any existing trustee areas under the guidance of the 2010 U.S. Census. The deadline for community colleges to set trustee area boundaries is March 1, 2012. If community college districts fail to establish trustee areas by that time, this bill directs the County Committee to do so by April 30, 2012.

POTENTIAL IMPACT OF BILL ON LOS ANGELES COUNTY COMMITTEE, SCHOOL DISTRICT ORGANIZATION PROCESS AND/OR LOS ANGELES COUNTY SCHOOL DISTRICTS
This bill could require community colleges in Los Angeles County to establish a new trustee area voting plan, or to review and revise their existing trustee area plan, so that all community colleges elect boards of trustees by trustee area (as opposed to at-large nomination and/or voting). The cost of any research or analysis of the 2010 U.S. Census and other demographic information (along with any related legal costs) would be borne by community college districts.

This bill also requires the County Committee to develop and implement trustee area voting plans in any community college district that fails to do so by March 1, 2012. The County Committee and LACOE would bear the cost of these efforts, if necessary, along with any related legal costs.

RECOMMENDED POSITION
Staff recommends the following position:

Summary of Los Angeles County School District Reorganization Proposals
(Excluding those affecting the Los Angeles Unified School District)

May 2011

The following is a summary of school district reorganization proposals (exclusive of those affecting the Los Angeles Unified School District [USD]) that were at various stages in the school district reorganization process as of April 20, 2011.

FORMATION—WISEBURN USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE CENTINELA VALLEY UNION HIGH SD)

On May 16, 2001, the Los Angeles County Office of Education (LACOE) received a request from the Citizens for a Wiseburn Unified School District organization to prepare a petition (25 percent of the registered voters) proposing to form a Wiseburn USD from existing territory of the Wiseburn SD. The proposed formation territory currently lies within the boundaries of the Centinela Valley Union High SD. The petition was provided to the chief petitioners on June 20, 2001.

On November 9, 2001, the chief petitioners submitted a signed petition to the Los Angeles County Superintendent of Schools (County Superintendent) to determine if the petition was sufficient and signed as required by law pursuant to Education Code (EC) §35700(a). In accordance with EC §35704, the County Superintendent found the petition to be sufficient and signed as required by law on December 4, 2001. On December 5, 2001, the petition was presented to the Los Angeles County Committee on School District Organization (County Committee) at its regular meeting and transmitted to the State Board of Education (SBE). Pursuant to EC §35705, a public hearing was conducted within the Wiseburn SD and Centinela Valley Union High SD on January 23, 2002, at Richard Henry Dana Middle School in the Wiseburn SD.

At its regular meeting on March 6, 2002, the County Committee was presented with a preliminary feasibility report concerning this proposal. The final feasibility report was presented to the County Committee at its regular meeting on May 1, 2002. At that meeting, the County Committee recommended approval and took action to recommend approval of the proposal to the SBE to form a Wiseburn USD from the existing boundaries of the Wiseburn SD within the Centinela Valley Union High SD. The County Committee further recommended that the election area be the entire Centinela Valley Union High SD.

The County Committee’s plans and recommendations were transmitted to the SBE and the California Department of Education (CDE) on June 18, 2002. On June 19, 2003, the CDE requested additional statistical information from the impacted districts and notified LACOE staff that the petition would be heard in November 2003.

On September 2, 2003, the CDE notified LACOE that the petition hearing before the SBE would be delayed until January 7-8, 2004. The CDE cited budget constraints and staff cutbacks as reasons for the hearing delay. On December 1, 2003, the CDE notified LACOE of a second delay for the petition hearing before the SBE, postponing it until March 10-11, 2004. The CDE cited current state fiscal circumstances as the reason for the further delay. On January 21, 2004, the CDE notified LACOE of a third delay for the petition hearing before the SBE, postponing it until May 12-13, 2004. On April 16, 2004, the CDE notified LACOE that the petition hearing would be held on May 13, 2004.

On April 27, 2004, LACOE received a copy of the CDE's final feasibility study. On April 29, 2004, LACOE received notice from the CDE that the petition hearing had been delayed indefinitely at the request of the Wiseburn SD. Subsequently, the Wiseburn SD requested that the SBE hear the petition, along with its request for two waivers. A hearing was scheduled for July 7, 2004. On July 7, 2004, staff was notified by the CDE that Centinela Valley Union High SD requested a delay in review by the SBE. Wiseburn SD agreed to withdraw its petition for consideration before the SBE to accommodate additional review requested by Centinela Valley Union High SD. Subsequent to granting this delay, legal counsel to Wiseburn SD and Centinela Valley Union High SD presented additional information (at the CDE's request) regarding the legality of Wiseburn SD residents maintaining responsibility to pay Centinela Valley Union High SD tax obligations following any unification of a Wiseburn SD.

On August 31, 2004, staff received notice that Ms. Karen Steentofte, Chief Counsel for the SBE, recommended that certain waivers submitted with the Wiseburn SD petition could be determined by the SBE at the time of the hearing. Subsequently, the CDE rescheduled the petition to be heard before the SBE on September 9, 2004.

On September 9, 2004, staff attended the SBE hearing. CDE staff recommended that the SBE adopt the proposal approving the petition to form a Wiseburn USD and to set the election area as the area of the Wiseburn SD only on the condition that the property owners within the Wiseburn SD retain current levels of responsibility for repayment of existing bonded indebtedness of the Centinela Valley Union High SD upon successful formation of a Wiseburn USD. The SBE voted unanimously to approve the proposal and established that territory within the Wiseburn SD be the area of election. Statutory requirements provided that, following approval by the SBE, an election shall be called on the next available regular election date (March 8, 2005) in the territory determined by the SBE.

On October 19, 2004, at the direction of the SBE, the County Superintendent forwarded an order for special election to the Los Angeles County Clerk/Registrar-Recorder's (Registrar-Recorder) office, to be held in conjunction with the March 8, 2005, regular election. A ballot measure to approve or disapprove the formation of a Wiseburn USD and to elect a governing board was to be placed before the electorate. The election was scheduled to be held within the boundaries of the proposed Wiseburn USD. If the matter had received approval at that election, the new district would have been scheduled to become effective July 1, 2006.

On November 1, 2004, staff received a copy of a lawsuit filed by the Centinela Valley Union High SD against the SBE, seeking to vacate approval of Wiseburn SD's petition to unify based on lack of compliance with the California Environmental Quality Act (CEQA) regulations. On

November 18, 2004, staff received a copy of a second lawsuit filed in this matter, citing flaws in the legality of the SBE’s decisions and naming additional parties, including the County Committee, as defendants in the matter. The Centinela Valley Union High SD, Wiseburn SD, and SBE began negotiations to delay the election in order to revisit the issues underlying the petition and subsequent lawsuits. The SBE requested that the County Superintendent delay the election to allow for this negotiation process to run its course. Staff consulted with the Office of the Los Angeles County Counsel (County Counsel) and was advised that neither the County Superintendent nor the SBE could order a delay of the election.

On Friday, December 10, 2004, in the case of Centinela Valley Union High SD (Petitioners) vs. the SBE, the Los Angeles Superior Court issued a preliminary injunction barring the conduct of the March 8, 2005, scheduled election regarding the formation of the Wiseburn USD. The Petitioners also contacted the Court and requested that the Motion for Preliminary Injunction (Injunction) scheduled for December 13, 2004, vs. the County Committee and County Superintendent, be taken off the calendar. The Petitioners stated that they would consult with the Court’s clerk to re-schedule. This action was taken because the Petitioners received the Injunction that day. A hearing on the motion was scheduled for March 30, 2005. Staff received notice from County Counsel that both the County Committee and the County Superintendent were dropped as parties to the lawsuit in which they were named.

On January 6, 2005, County Counsel met with the County Committee in closed session to discuss the lawsuit. Later at the same meeting, Dr. Don Brann, then Superintendent of Wiseburn SD, appeared before the County Committee to inform them that the SBE would withdraw its approval of the petition, pending a negotiation with petitioners and attorneys for Centinela Valley Union High SD. On January 13, 2005, the CDE withdrew its recommendation to the SBE to approve the Wiseburn USD petition and order the election to be conducted within the territory of the Wiseburn SD. Staff at the CDE informed LACOE staff that they intended to redo the review process related to CEQA and to return the petition to the SBE for action at a later time (not to the County Committee). Subsequently, the SBE rescinded its previous approval of the Wiseburn SD’s unification petition.

On March 13, 2007, the California Department of General Services issued a Notice of Preparation of an Environmental Impact Report (EIR), under CEQA. The CDE held a CEQA scoping hearing on March 28, 2007, within the Wiseburn SD. Staff attended this meeting. A comment period was set by the SBE for March 13, 2007, to April 12, 2007. On April 24, 2007, staff was notified by the SBE that the CEQA comment period had been extended to May 15, 2007, due to a request made at the scoping hearing.

On July 7, 2008, staff received a copy of the draft EIR from Terry A. Hayes Associates LLC, prepared on behalf of the CDE, which is the lead agency for CEQA reviews and thus responsible for completing any environmental review. A comment period for the draft EIR was opened from July 7, 2008, to August 21, 2008. A public hearing on the EIR was held on July 22, 2008, in the Wiseburn SD.

On April 15, 2009, staff provided follow-up information to the CDE regarding the financial status of the Centinela Valley Union High SD. The CDE included this material in its updated feasibility study for the SBE.

* Indicates update from previous summary.
On October 22, 2009, the CDE notified LACOE that the petition hearing before the SBE was scheduled for the SBE’s January 7-8, 2010, meeting. On December 8, 2009, the CDE notified LACOE that the petition hearing before the SBE would not be heard until March 11, 2010. On January 6, 2010, the CDE notified LACOE that the petition would not be heard until some time in July 2010. On March 25, 2010, the CDE notified LACOE that the petition would be heard at the May 12-13, 2010, meeting of the SBE. On April 30, 2010, the CDE issued its revised feasibility study on the Wiseburn SD unification petition. On May 3, 2010, the Wiseburn SD requested that the SBE remove the review of the petition from its May 2010 agenda. Presently, there is no date set for this petition to be reviewed by the SBE. The EIR contained in the revised petition has not yet been adopted by the SBE.

On July 23, 2010, Superintendents from the Wiseburn, Hawthorne, Lennox, and Lawndale SDs submitted a request to the County Superintendent to host a joint meeting where they could discuss a local solution to the school district organization issues within the area. The first of these meetings took place on August 19, 2010, with representatives from the four districts in attendance, along with the County Superintendent and LACOE staff serving as facilitators and observers.

On September 16, 2010, LACOE was notified of a change in the chief petitioner for this petition. Mr. Daniel Juarez was replaced by Ms. Shavonda Webber Christmas as one of the chief petitioners for the Wiseburn SD unification petition.

On October 5, 2010, the Superintendent for the Wiseburn SD contacted LACOE to request additional assistance to facilitate a meeting among all five of the impacted school districts (the Centinela Valley Union High SD, Hawthorne, Lawndale, Lennox, and Wiseburn SDs), this time including the Centinela Valley Union High SD. The second joint meeting, at which all five districts were in attendance, was held on December 9, 2010. At that meeting, district representatives discussed the history of school district organization efforts within the region and agreed to meet again at a later time for further discussion. A LACOE staff member facilitated this meeting.

On January 11, 2011, staff was notified that a third meeting was scheduled among the five districts in the region. On February 25, 2011, staff met with representatives of the Wiseburn SD to discuss the petition status.

On March 17, 2011, all five districts attended another regional meeting at the Hawthorne SD. LACOE staff attended to observe and facilitate. At that meeting, representatives from the Wiseburn SD discussed the possibility of a legislative solution, whereby Wiseburn SD would unify and allow all of its commercial property to continue to be assessed within the Centinela Valley Union High SD. They also discussed the option of Wiseburn SD residents continuing to pay on any outstanding debt obligations to the Centinela Valley Union High SD.

On April 4, 2011, LACOE received a copy of draft legislation proposed by Wiseburn SD, which was circulated to all five districts via e-mail from Wiseburn SD’s Superintendent, Mr. Tom Johnstone. Staff discussed this proposed legislation with the County Committee at its April 6, 2011, regular meeting. The County Committee directed staff to prepare correspondence.

to each of the five impacted districts to convey its concerns about the length of time that has elapsed since the original petition and initial approval by the SBE.

**FORMATION—ALTADENA USD (CURRENTLY LIES WITHIN THE BOUNDARIES OF THE PASADENA USD)**

On January 17, 2006, LACOE received a request for a petition from chief petitioners Ms. Maurice Morse, Ms. Shirlee Smith, and Mr. Bruce Wasson, three community members who are residents of the area known as Altadena. The chief petitioners want to form an Altadena USD from territory within the boundaries of the Pasadena USD. The petition request was returned to the chief petitioners on January 20, 2006, because it lacked an adequate description of the area pursuant to EC §35700.3.

On February 10, 2006, LACOE received a revised request for a petition. Staff reviewed the request and forwarded a draft petition to County Counsel on February 22, 2006, for a legal compliance review regarding format and content. We received notification on March 6, 2006, from County Counsel informing us that the draft petition was legally acceptable.

On March 7, 2006, staff forwarded the draft petition to the Registrar-Recorder for verification that the description of the proposed boundaries of the Altadena USD was sufficiently clear (so that registered voters residing within the proposed petition area could be identified with specificity). The Registrar-Recorder confirmed that the description was sufficient on March 10, 2006.

The petition was mailed to the chief petitioners on March 14, 2006, for circulation within the petition area. The Registrar-Recorder estimated the chief petitioners will need to collect approximately 7,000 valid signatures in order to meet the criteria set forth in EC §35700(a).

On September 23, 2010, chief petitioners delivered signed petitions to LACOE. Staff submitted the petitions to the Registrar-Recorder on September 27, 2010, for signature verification. On October 22, 2010, the Registrar-Recorder notified staff that there were insufficient valid signatures (less than the required 25 percent of the registered voters within the petition area). Staff notified the chief petitioners of the insufficiency, and at Mr. Wasson’s request, returned the petitions to the Registrar-Recorder for a signature audit. Staff also advised the chief petitioner regarding the collection of additional signatures. Upon notification by the Registrar-Recorder of a sufficient number of valid signatures, staff will present the petition to the County Committee at the next regular meeting.

* Indicates update from previous summary.
On January 4, 2011, staff conferred with a representative from the Registrar-Recorder’s office, who informed us that no audit of petition signatures had been done yet, and they clarified the cost of signature verification. On February 15 and March 1, 2011, staff contacted the Registrar-Recorder and were informed that the signature audit had still not been done.

Status: Petition insufficient; chief petitioners may gather additional signatures.

Status Date: March 18, 2011

**PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN AND THE ESTABLISHMENT OF TRUSTEE AREAS WITHIN THE POMONA USD**

On August 18, 2010, LACOE received a request for a petition pursuant to EC §5019 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. John Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On August 27, 2010, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on August 30, 2010, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5019(c) and requires valid signatures from 500 registered voters within the petition area. If valid and certified by the County Committee, this petition would trigger a feasibility study and ultimately a vote by the County Committee.

Status: Petition in circulation.

Status Date: August 30, 2010

**PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN AND THE ESTABLISHMENT OF TRUSTEE AREAS WITHIN THE POMONA USD**

On July 13, 2009, LACOE received a request for a petition pursuant to EC §5019 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On August 7, 2009, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on August 11, 2009, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5019(c) and requires valid signatures from 500 registered voters within the petition area. If valid and certified by the County Committee, this petition would trigger a feasibility study and ultimately a vote by the County Committee.

* Indicates update from previous summary.
On July 14, 2010, the chief petitioner submitted signed petitions in this matter. On July 15, 2010, the chief petitioner submitted additional signed petitions. The petitions were forwarded to the Registrar-Recorder on July 23, 2010, for signature verification.

On August 12, 2010, the Registrar-Recorder completed its review of the petitions submitted. The chief petitioner submitted 733 signatures. Of that group, 680 signatures were found to be sufficient (complete and signed by registered voters). However, under EC §5019(c)(1), a petition seeking to change the trustee areas of a school district must be signed within 180 days of submission to the County Committee. Staff examined the petitions submitted and found that only 84 signatures submitted were signed within the mandated timeline. Thus, the petition is not sufficient and will not move forward. On August 16, 2010, the chief petitioner was notified of the petition insufficiency.

Status: Petition insufficient; action ended.

Status Date: August 16, 2010

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN, THE ESTABLISHMENT OF TRUSTEE AREAS, AND THE REQUIREMENT OF TRUSTEE AREA VOTING WITHIN THE MOUNT SAN ANTONIO COMMUNITY COLLEGE DISTRICT (CCD)

On February 26, 2010, LACOE received a request for a petition pursuant to EC §5019(a) and (c) to increase the number of trustees from five to seven, to establish trustee areas, and to require trustee area voting, within the Mount San Antonio CCD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content. On March 12, 2010, County Counsel notified staff that the petition was sufficient. On March 12, 2010, the petition was forwarded to the chief petitioner for circulation.

Please note that this is a new, additional petition, separate from other petitions requested by Mr. Mendoza, although it requests the same changes within the Mount San Antonio CCD (the addition of two governing board members and the creation of trustee areas with trustee area voting).

Status: Petition in circulation.

Status Date: April 19, 2010

PROPOSED INCREASE IN THE NUMBER OF TRUSTEES FROM FIVE TO SEVEN AND THE ESTABLISHMENT OF TRUSTEE AREAS WITHIN THE POMONA USD

On July 13, 2009, LACOE received a request for a petition pursuant to EC §5019 and §5020 to increase the number of trustees from five to seven and to establish trustee areas within the Pomona USD. The request was submitted by chief petitioner Mr. Mendoza. The petition was forwarded to County Counsel to determine its legal compliance regarding format and content.

* Indicates update from previous summary.
On August 7, 2009, County Counsel deemed the petition sufficient. Staff returned the petition to the chief petitioner on August 11, 2009, for circulation.

Please note that this is a separate petition, distinct from the other petitions requested by Mr. Mendoza, and requests some of the same changes within the Pomona USD (the addition of two governing board members and the creation of trustee areas). It was submitted under EC §5019 and §5020 and requires valid signatures from ten percent of the registered voters within the petition area (approximately 7,000 signatures in the case of the Pomona USD). If valid and certified by the County Committee, this petition would trigger a ballot initiative (as opposed to a reference report and vote by the County Committee).

Status: Petition in circulation.
