SUBJECT: Changes to State School Building Lease-Purchase Interest Reporting Requirement on Interest Earned on School Facility Program

The purpose of this letter is to provide an update on the changes to State School Building Lease-Purchase Reporting Requirement. With the sunset of Lease Purchase Program, school districts and county offices of education are no longer required to report quarterly interest earned in Fund 30 (Form SAB 180) to the State Allocation Board and the Office of Public School Construction.

It is important to note that the requirement to report interest earned in Fund 35 for programs such as School Facility Program, Full-Day Kindergarten Program is still required on the Expenditure Report (Form SAB 50-06). Attached, is a blank form of the Expenditure Report with instructions. School districts that are participating in School Facility Program will need to complete Form SAB 50-06 and submit the completed form directly to Department of General Services Office of Public School Construction.

If you have any questions regarding completing form SAB 50-06, please contact SFP Expenditure Review Audit team member with Office of Public School Construction at (916) 375-4503 or (916) 376-5486.

If you have questions regarding this memorandum, please contact Christina Huang at (562) 922-6451 or Huang_Christina@lacoe.edu.
