The federal Carl D. Perkins Career Technical Education Improvement Act of 2006 (Perkins IV) requires:

- Each local educational agency (LEA) receiving Perkins IV funds must involve parents, students, academic and CTE teachers, faculty, administrators, career guidance and academic counselors, representatives of tech prep consortia (if applicable), representatives of business and industry, labor organizations, representatives of special populations, and other interested individuals in the development, implementation, and evaluation of CTE programs. (20 U.S.C. § 2354 (b)(5).)

California Education Code specifies:

- “The governing board of each school district participating in a career technical education program shall appoint a career technical education advisory committee to develop recommendations on the program and to provide liaison between the district and potential employers. The committee shall consist of one or more representatives of the general public knowledgeable about the disadvantaged, students, teachers, business, industry, school administration, and the field office of the Employment Development Department (EDD).” (EC § 8070.)

The State Plan for Career Technical Education specifies:

- “Each CTE program assisted with Section 131 or 132 funds must have extensive business and industry involvement, as evidenced by not less than one annual business and industry advisory committee meeting and planned business and industry involvement in program activities as described in the Guidelines for the 2008—2012 Local Plan for Career Technical Education and instructions for the annual application for funds.” (2008—2012 CA CTE State Plan, Ch. 5 (2).)
