Session Overview:
This session will engage participants in the latest information regarding the new K-12 Assessment Reporting Tool for PSAT/NMSQT and other College Board assessment data. Time will be spent discussing all of the major working parts of the K-12 Assessment Reporting Tool and the resources that work hand in hand with the data. In addition, participants will be engaged in conversations regarding the use of data from these assessments, how this data can be used to grow AP programs and as metrics for site and district LCAP goals, benefits to students and educators, implementation models and long range planning. If possible, bring a laptop device with Wi-Fi access to be able to use your own data.

Target Audience:
AVID Teachers, Content Area Teachers, Test Administrators/Coordinators, Counselors, Site Principals, and District Evaluation, Educational Services and Instruction Administrators.
