Instructional and Assessment Practices to Enhance Learning Opportunities for ALL Students

September 25, 2017

Presenters: Dr. James Mckenna, Consultant II, Special Education, Ruth Baskett, Project Director III, Multilingual Academic Support Unit, LACOE and Dr. Kathryn Edwards, Consultant III, Curriculum Support and Assessment, LACOE

This session focuses on strategies, tools and resources for maximizing learning opportunities for ALL students and for enhancing their ability to perform well in varied assessment environments. As a critical component of the assessment process, formative assessment practices will be explored along with a myriad of factors that potentially impact student performance on assessments. Additionally, Interim Assessments (ICAs and IABs) will be discussed as tools for providing insights into CAASPP assessment item structure and format and for use in monitoring student progress. Throughout this workshop, implications for meeting the instructional and assessment needs of Students with Disabilities and English Language Learners will be emphasized. Collaborative planning time will be provided to facilitate the practical application of strategies learned.
