IMPORTANT INFORMATION ABOUT ADULT EDUCATION TEACHING CREDENTIALS
Please note that, even though your credential has an expiration date in 2016 or beyond, the California Commission on Teacher Credentialing (CCTC) is requiring that all “old” Adult Education Credentials must be cleared by no later than January 1, 2016. Therefore, all Clear Credential applications for the “old regulations” Adult Education Credential must be filed with LACOE-CTE by December 2015. If you do not complete your Level 1 and 2 course requirements, you will need to clear your credential under the “new regulations” Adult Education requirements which will require additional coursework.

Due to the transition from the “old regulations” Adult Education Credential to the “new regulations” Adult Education Credential, LACOE cannot guarantee that there will be sufficient enrollment to continue offering the Level 2 course. If there is insufficient enrollment to offer this course, you will be notified to change over to the new Adult Education program which contains equivalent coursework.

Go to www.lacorop.org and click on Credential Program to check updates on the schedule of courses. For questions, contact us at 562-922-6798.
