Good day CTE Partners,

We at LACOE’s Office of CTE value your well-being. Accordingly, the CTE IDEA (Inclusion, Diversity, Equity, and Access) Symposium 2020 scheduled for April 28th has been postponed until further notice.

Please refer to this message from our LACOE Superintendent, Dr. Debra Duardo, dated Sunday, March 15th at 9:27pm:

“...following the action of Los Angeles County government, LACOE will close all of its buildings to the public effective Monday, March 16, as a precautionary measure to help slow the spread of COVID-19.”

Henceforth, all registrations for the CTE IDEA Symposium 2020 have been cancelled. This in no way inhibits the initiative, commitment and need for this crucial mission of addressing IDEA in our schools for our students. It is perhaps now, more than ever, that our students need our advocacy the most. We will keep you apprised of social distancing-appropriate alternatives to this event.

As our communities address unprecedented changes in our work and lifestyles, our Office of CTE remains committed to providing technical assistance and professional development to all of our CTE partners. Please continue to share how our Office of CTE can best serve you during this time of transition.

Thank you for all you do on behalf of students.

Best,

Gina M. Newton, PhD
