This workshop will focus on supporting Newcomer students in K-12 settings who are English learners and will provide participants with an overview of:

- Specific strengths and characteristics among Newcomer students who are English learners
- Creating a safe and accepting environment for Newcomer EL students
- Ways to support the social-emotional needs of Newcomer EL students
- Challenges that Newcomers face in content area learning and effective teaching strategies for ELs.
- AB2121 – the new legislation affecting Newcomer students who are ELs

Cost: $45 (Covers materials, continental breakfast and lunch.)
