Chapter 12 - Types of Programs

Program 1: English Language Arts Basic Program, Kindergarten Through Grade Eight (Program 1 Basic ELA)

This basic grade-level program is the comprehensive curriculum in English language arts for kindergarten through grade eight. It provides the foundation for instruction and is intended to ensure that all students master the CA CCSS for ELA adopted by the SBE August 2010 and modified March 2013. It addresses the needs of students working at or near grade level. Publishers may submit any combination of grade levels in this program category although no partial grade levels may be submitted.

Program 2: English Language Arts/English Language Development Basic Program, Kindergarten Through Grade Eight (Program 2 Basic ELA/ELD)

This basic grade-level program provides the comprehensive curriculum in English language arts for kindergarten through grade eight with integration of the CA ELD Standards that were adopted by the SBE November 2012. It provides the foundation for instruction and is intended to ensure that all students master the CA CCSS for ELA and the corresponding CA ELD Standards and includes materials necessary for designated English language development instruction. Publishers may submit any combination of grade levels in this program category although no partial grade levels may be submitted.

Program 3: Biliteracy Language Arts/English Language Development Basic Program, Kindergarten Through Grade Eight (Program 3 Basic Biliteracy)

This basic grade-level biliteracy language program provides instructional materials in English and in a language other than English, is consistent with the content of the CA CCSS for ELA, and includes linguistic modifications for the non-English language.¹ These materials are designed to ensure that students are successful in developing literacy in English and another language. The materials also provide instruction consistent with the CA ELD Standards. English language development instruction should assist students acquiring English as quickly and efficiently as possible. Publishers may submit any combination of grade levels in this program category although no partial grade levels may be submitted.

¹ Spanish translations of the CCSS for ELA/Literacy are posted at http://commoncore.org/espanol/; the CCSS for ELA/Literacy are available in English at http://www.corestandards.org/. Linguistic augmentations for Spanish are indicated in the document in blue text. Also see the Optional Criteria for developing a Program 3 Basic Biliteracy: Spanish/English Language Development Program in Appendix 12-A.
Program 4: Intensive Intervention Program in English Language Arts, Grades Four Through Eight (Program 4 Intensive Intervention ELA)

This program supports a basic program and provides an accelerated, intensive intervention pathway that supports the needs of students in grades four through eight whose academic performance, including proficiency in English language arts and literacy in reading and writing, is two or more years below grade level. This program could be used as a temporary replacement core where students are non-readers in the first- or second grade-level as evidenced in a broad set of measures. The materials are not intended to be a substitute for English language development instruction. The materials in this program are designed for students to gain two grade levels for each year of instruction while providing a rich curriculum supporting the five themes: meaning making, language development, effective expression, content knowledge, and foundational skills. The materials are designed to accelerate students' successful reentry into a basic program and include clear instructional plans and tools for entering and exiting the program.

Program 5: Specialized Designated English Language Development Program, Grades Four Through Eight (Program 5 Specialized ELD)

This program for a specialized designated ELD instructional period provides an intensive, accelerated pathway that supports the needs of English learners, including those at risk of becoming or who are long-term English learners\(^2\), whose academic performance is below grade level, who are making minimal progress towards English proficiency, and whose lack of language proficiency precludes them from performing at grade level. The materials in this program are designed to support students in their movement to grade-level proficiency in English within 12–18 months and include clear instructional plans and tools for entering and exiting the program.

\(^2\) See California Education Code Section 313.1 for the definition of long-term English learner and English learner at risk of becoming a long-term English learner.
