RISING TO THE CHALLENGE

In this difficult time, LACOE remains committed to improving the lives of students and our educational community through service, leadership and advocacy. Here, we will share best practices, tips and success stories from the county's 80 districts as we innovate and adapt together to ensure continuity of learning and safety of students, staff and families.

Distance Learning

Teachers are finding ways to connect with their students from home. Here, students from Inglewood USD participate in at-home learning. See below for more resources you can use at home with children of all ages.

Free Meals

Schools across the county are stepping up with grab-and-go meals to ensure students do not go hungry. Here, volunteers and staff prepare meals at Hudnall Elementary in partnership with their local food pantry. Contact your local district for more info.

COVID-19 Resources for Schools & Families

This easy-to-navigate information hub is thanks to Glendale USD. It includes learning resources and important information about technology access, meal services and mental health support. LACOE also provides a regularly updated resource page for planning, guidance, online learning, communications, meal services and more.
