RISING TO THE CHALLENGE

In this difficult time, LACOE remains committed to improving the lives of students and our educational community through service, leadership and advocacy. Here, we will share best practices, tips and success stories from the county's 80 districts as we innovate and adapt together to ensure continuity of learning and safety of students, staff and families.

LACOE Teams Up with PBS

LACOE has partnered with PBS SoCal to provide educational programming and accompanying resources for children from pre-K through 12th grade. More info and resources for educators and families can be found on LACOE's COVID-19 page.

Open Educational Resources for Parents & Teachers

All in This Together

On Monday, El Segundo USD donated 400 N95 respirator masks to local first responders to support those on the front line putting their lives at risk every day.

In Norwalk-La Mirada USD, a parent took to social media to "commend Benton Middle School and their staff and administration. Almost overnight they have gone all in on their virtual teaching . . . I could not be more impressed and proud of the way the school and teachers have come together to ensure continuity in education."

Meanwhile, teachers, school staff and volunteers across the county are stepping up to make sure children are fed every day. Here, Downey USD delivers meals while practicing social distancing.

Contact your district for local meal distributions.

Greater LA Fund

The Greater LA Education Foundation, the philanthropic arm of LACOE, established the COVID-19 Education Response Fund to immediately respond to the needs of local school districts and families. Contributions already received from the Ballmer Group and California Community Foundation increase access to food, basic needs and academic supports for students and families.

Help Spread the Word

Best Practices: Online Manners Matter!

As schools, families and students adapt to new web-based learning environments, it is important to remember that manners matter as much online as in person. Beverly Hills USD has developed a helpful Netiquette Toolkit for both students and parents.
