19 Pandemic to Exploit Increased Use of Coronavirus Pandemic

Resources for Educators During the Time of Distance Learning

Comprehensive School Suicide Prevention in a County. If there are staff, parents or students with immediate needs, please contact the County Ongoing communication about available resources for families and caregivers can help minimize stigma mental health or social services. Rely on your counseling teams for strategies to address stigma and mental health and access to basic needs. It is also important to address the stigma related to accessing major programs at this time prevention and homelessness funding.

There will be an “August Revision” of the 2020-21 state budget due to the delay in personal income tax To meet the June 15 constitutional deadline for the legislature to pass the state budget, Asm. Phil Ting, State Budget districts may apply for a waiver of meal pattern requirements Due to the COVID-19 emergency, school districts do not need to go through the formal procurement According to the CDE, schools or other community organizations can contract with food vendors or other Nutrition/Meal Service recovery web page (including LEAs) on the RPA application process and federal procurement rules on their COVID-19 The Governor's Office of Emergency Services has information and training for local governments be eligible for reimbursement. Examples are provided in FEMA's FEMA Funding Assistance The deadline for LEAs to file an online Request for Public Assistance with the Federal Emergency Deliveries can be scheduled by calling Delivery Service for Older Adults required but items must be pre-paid and ready for pickup. Delivery will be available 24 hours a day, 7 days a week, at no extra cost. No application process is

Contact: Jema Estrella, (562) 577-4603 or Operational Area Response and Recovery System. Supplies may take a long time to arrive. School LACOE is the conduit for school districts to make written requests for resources or assistance from the Deliveries can be scheduled by calling
