SUBJECT: Charter Schools 2013-14 Expense Reimbursement to the  
          Los Angeles County Office of Education

The expense reimbursement schedule for the 2013-14 fiscal year has been established. The fee structure, Exhibit 1, is provided as an attachment to this bulletin, which reflects a cost savings from the 2012-13 fiscal year.

Type I and Type I-PS schools will be assessed an annual flat fee. Type II, III, and IV (retirement reporting charters) will be assessed an annual base, plus a retirement reporting line fee, based on the number of lines reported to CalSTRS/CalPERS in a given quarter. New to this year’s model is a volume discount, which is detailed in Exhibit 1. Your average monthly reporting lines may be obtained from the LACOE Business Charters School Unit or your retirement data processor. Inquiries regarding your school’s estimated savings can be directed to Sylvia Carrillo at 562-401-5574 or via email at carrillo_sylvia@lacoe.edu.

LACOE will issue the 2013-14 contracts and schedules via email to charter schools in Los Angeles County that will be operational during fiscal year 2013-14. New schools starting on or after July 1, 2013, will be sent a contract and schedule at a later date. Fees for new charters are effective with the first day of operation of the charter. LACOE reserves the right to assess additional fees to any charter as outlined in the Charter Schools Contract.

Electronic Funds Transfer (EFT)

Informational Bulletin No. 340 dated May 21, 2010, announced that Electronic Funds Transfer (EFT) is being offered as an optional payment method for apportionment disbursements to Type I and II charter schools. Schools that select this optional service are subject to the above-baseline charge of $10.00 per fiscal year.
All payments will be made to LACOE through quarterly journal vouchers (JV), i.e., an electronic withdrawal from each charter’s revenue account. For fiscal year 2013-14, the JV is estimated to be withdrawn from revenues as follows:
