How to Use ThoughtExchange

1. Click on the Participate button.

2. Read and accept the Privacy Policy.

3. Click on Ok in the Share dialogue box.

4. Write out one or more of your thoughts to the question and why you think it's important. Click Star on the bottom right to continue.

5. Rate answers from 1-5 stars based on what you think about the response. Rate as many (or as few, or none) as you want then click Discover to continue or Share to add more thoughts.

6. Discover other thoughts and see which thoughts are resonating with others.
