INTERDISTRICT ATTENDANCE APPEALS

The Los Angeles County Board of Education (County Board) believes that interdistrict permit appeals are among the most important business that the County Board undertakes. Therefore, every County Board member present for such an appeal should, absent some disqualifying conflict of interest, participate in the decision on such appeals. Accordingly, the County Board strongly discourages abstentions on appeal decisions. Four affirmative votes of the County Board are required for the interdistrict appeal to be granted.

The County Board shall consider an appeal against any school district within the county for its failure or refusal to issue an interdistrict attendance permit to a student, or for its failure or refusal to enter into an interdistrict attendance agreement with another school district for the student’s attendance. (Education Code 46601)

If the request for interdistrict attendance involves a school district located within the county and a school district located in a different county, the County Board shall have jurisdiction if the denial of the permit, or the refusal or failure to enter into an agreement, is by the school district within the county. If both school districts deny the permit or refuse or fail to enter into an agreement, the County Board shall have jurisdiction only if the school district within the county is the student’s district of residence. (Education Code 46601)

The appeal shall be filed in writing, by a person having legal custody of the student, within 30 calendar days of the district’s failure or refusal to issue a permit, or to enter into an agreement allowing the interdistrict attendance. Failure to appeal within the required time is good cause for denial of an appeal. (Education Code 46601)

The appeal shall be accepted only upon verification by the County Superintendent of Schools or designee that appeals within the districts have been exhausted. (Education Code 46601)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

Hearing

The County Board may appoint a hearing officer or an impartial administrative panel to hear appeals on behalf of the County Board. Delegation of such authority shall be determined by the County Board based upon the number of cases (25 families) that can reasonably be heard at any one County Board meeting. This number shall be reflected in the minutes of the County Board’s meeting. Even when a hearing officer or an administrative panel is appointed, the following timelines must be complied with. (Education Code 46601)
INTERDISTRICT ATTENDANCE APPEALS (continued)

The County Board shall conduct a hearing within 40 school days after the appeal is filed, to determine whether the student should be permitted to attend school in the district of his/her choice. If it is impractical for the County Board to comply with the time requirement for the hearing, the County Board may extend the time period for up to an additional five school days. (Education Code 46601)

When the County Board authorizes an administrative panel to hear an appeal on its behalf, a hearing consultant from the Child Welfare and Attendance (CWA) Unit will schedule a meeting to conduct a fact-finding session within 20 school days. The purpose of the fact-finding is to gather evidence to assist the administrative panel in determining whether to grant or deny an appeal based on its merits. The hearing consultant shall not serve on the administrative panel that will either recommend or render a final decision on the matter. A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. The hearing consultant will rule on matters of procedure.

The administrative panel shall consist of three or more certificated persons. No member of the impartial administrative panel shall be a member of the County Board, nor be employed by the school district or residence or the district of desired attendance.

Final Order of the County Board

The County Board shall render a decision within 10 calendar days of receiving the hearing consultant’s findings of fact. (Education Code 46601)

When the County Board authorizes a hearing officer or administrative panel to render a final decision on its behalf, the hearing officer/administrative panel shall render its decision within three school days of the hearing unless the appellant requests a postponement. (Education Code 46601)

In cases where the administrative panel has been authorized to render a final decision on behalf of the County Board, two affirmative votes of the administrative panel are required for the interdistrict appeal to be granted. The administrative panel’s final decision, together with the record of proceeding, shall be filed with the secretary to the County Board within three days after such decision is rendered.

The interdistrict appeal shall be either granted or denied on its merits. However, if new evidence or grounds for the request are introduced, the matter may be remanded for further consideration by the district or districts. (Education Code 46601)
INTERDISTRICT ATTENDANCE APPEALS (continued)

If the County Board determines that the student should be permitted to attend school in the district of choice, the student shall be admitted to a school in that district without delay. The County Board is not authorized to order the specific school placement for the student. School placement, even after a successful appeal, is determined by the district of attendance. (Education Code 46601, 46602)

All parties shall be notified in writing of the decision of the County Board/administrative panel/hearing officer. (Education Code 46601)

Once a pupil in kindergarten or any of grades 1 to 12, inclusive, is enrolled in a school, the pupil shall not have to reapply for an interdistrict transfer, and the governing board of the school district of enrollment shall allow the pupil to continue to attend the school in which he or she is enrolled unless an agreement between the district of residence and the district of enrollment states otherwise. (Education Code 46600)
