FIRE SAFETY RESOURCES

The following is a list of resources to assist you during the difficult wildfire season. For further information, contact the Community Health and Safe Schools (CHSS) Unit, Susan Chaides, Project Director III chaides_susan@lacoe.edu or Jewel Forbes, Coordinator II, forbes_jewel@lacoe.edu (562) 922-6233

Los Angeles County

- The Red Cross Los Angeles Region provides access to shelter locations, evacuation updates and safety information for residents of L.A. County.
- 211 L.A. County timely access to emergency, health and human service information and referrals for L.A. County residents.
- FEMA Disaster Assistance -https://www.fema.gov/
- Ready Set Go an Action Plan
- Wild Fire Safety Tips

Region-wide

- The CCF Wildfire Relief Fund supports intermediate and long-term recovery efforts for major California wildfires, as well as preparedness efforts.
- The State of California’s Guide to Disaster Assistance Services for Immigrant Californians provides information on health, housing, emergency supplies, employment and other services available to all Californians, regardless of their immigration status.
- The California Governor’s Office of Emergency Services connects residents with a wide range of services and programs targeted specifically at those who have been affected by wildfires.
- The Federal Emergency Management Agency (FEMA) provides emergency medical, housing and other types of assistance for those affected by disasters.
- The California Fire Foundation provides emotional and financial support to fallen firefighters and the communities they protect.
- Wildfire Fact Sheet
- Wildfires: Families and Educators
- Relief Funding from the California Department of Education
