ISTE Teacher Standards

Scott Moss
Consultant
Instructional Technology Outreach
Considerations

Teacher Standards must support the new 2016 Student Standards

- Empowered Learner
- Digital Citizen
- Knowledge Constructor
- Innovative Designer
- Computational thinker
- Creative Communicator
- Global Collaborator
Teaching Standards

- Learner
- Leader
- Citizen
- Collaborator
- Designer
- Facilitator
- Analyst

Empowered Educator

Learning Catalyst
Citizen

• Advocate for critical evaluation and consumption of media.
• Model digital literacy.
• Protect student data.
• Build a culture of shared responsibility and ethics.
• Model responsible management of digital identity and intellectual property.
Learner

• “Apply evolving pedagogical Strategies,” & “reflect on progress and impact.”
• Local and Global PLNs.
• Research from learning sciences.
• Shape & advance a shared vision...in their school, district and community.

• Advocate of equitable access of digital content and learning opportunities.

• Identify, test and curate digital tools...share knowledge.
Collaborator

• Collaborate with colleagues, experts, and students.
• Exhibit cultural competency.
• Co-learn with Students.
  • Explore Digital Tools
  • Troubleshooting
• Design activities that empower students to achieve the 2016 ISTE-S.
• Personalize learning and foster student agency.
• Employ instructional design principles– for online, mobile, blended and face-to-face environments.
Facilitator

• Foster a culture of student agency.
• Opportunities for students to use design process and/or computational thinking.
• Cultivate student expression... and publishing.
• Cultivate collaborative groups.
Analyst

• Design and implement assessments.
• Provide alternate ways for students to demonstrate competency.
• Use assessment data to guide students...
Teacher Standards Timeline

- Jun-Dec 2016: Framework Data Collection
- Jan 2017: Release of Draft 1
- Jan-Mar 2017: Data Collection/Iteration
- Release of new standards - June 2017
## Standards Change As Environments Change
