Network Claims: Speed claim based on comparison of national carriers’ average 4G LTE download speeds for AndroidTM and Windows smartphones and iPhone 5. Reliability claim based on on-time completion rates on nationwide 4G LTE network. LTE is a trademark of ETSI. 4G LTE not available everywhere.

Pricing: Prices shown do not include AT&T NextSM. Additional charges for other devices must be paid up front. Additional monthly charge per device, and for additional data. If you exceed the amount of data on your plan during your billing period, an additional $5/MB or $10/GB is automatically billed as specified in your rate plan. All data allowances, including shares, must be used in the billing period in which they are provided or they will be removed from your plan. Additional fees may apply for international roaming (see rate plan details). Additional service charges may apply when roaming on the AT&T pan-Global roaming network. Data usage may impact call quality. Any unused data from any device will not roll over to the next month. The mobile hotspot feature is available to customers on plans with data allowances of 4G LTE. Data caps may apply. For more information on Mobile Hotspot usage, visit att.com/wireless/bruins.
