**TO:** Superintendents and Presidents  
Los Angeles County School and Community College Districts

**FROM:** Octavio Castelo, Secretary  
Los Angeles County Committee on School District Organization  
and  
Director, Business Advisory Services

**SUBJECT:** Los Angeles County Committee on School District Organization –  
Runoff Election in 4<sup>th</sup> Supervisorial District

The annual election for members of the Los Angeles County Committee on School District Organization (County Committee) was held on October 3, 2022. The contest for the seat in the 1<sup>st</sup> Supervisorial District was settled, but the seat in the 4<sup>th</sup> Supervisorial District resulted in the need for a runoff election, due to neither of the top two candidates receiving a majority of the ballots cast.

County Committee elections are at-large, so all districts may cast one ballot in this runoff election, not just those within the 4<sup>th</sup> Supervisorial District. Each district may cast one ballot, which should be done by the voting representative your district's board chose at its annual organizational meeting, as required by California Education Code §§35023/72403.

Below is the link to the online ballot for the runoff election between incumbent Ms. Martha Deutsch, and candidate Ms. Lisa Dabbs. Your board's voting representative should use the link to cast your district's ballot before Wednesday, November 16, 2022.
