SUBJECT: School District Assessed Valuations for Fiscal Year 2023-24

The School District Assessed Valuations are now available on the Los Angeles County Auditor-Controller's website, and can be accessed using the instructions below.

1. Go to: <http://auditor.lacounty.gov>.
2. Click "Property Tax" on the menu bar and select "Property Tax Report Central" from the drop down menu.
3. Make sure the default "Fiscal Year 2023-24" is selected on the left hand side of the page.
4. Scroll down to the "Valuation (Annual Reports)" section.
5. Select the "SV13 Assessed Value Agency Sheet".
6. Click "Open".
7. A text document will download as a compressed zip file. Upon opening, the document will contain assessed valuations for all taxing authorities in the county.
8. Use the "Find" function (Ctrl+F) to easily locate a specific district's data. Place careful attention to the "Direction" of the "Find" when searching in Notepad. Selecting "Up" or "Down" will provide you with different results.

Note: The assessed value area next to each category will be blank if no data exists for that category.
