3	<i>The calculator is constructed to include all ADA for purposes of calculating the Base, Grade Span adjustment, Supplemental and Concentration grants. The ADA funded under NSS is returned to the calculator as a negative number to allow display of total LCFF-funded ADA. Similarly, the base grant and grade span adjustment grants generated by NSS ADA are returned as negative numbers. The NSS Allowance replaces the base and grade span and is returned as a positive amount. Supplemental and Concentration grants are not affected by this calculation.</i>

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Los Angeles Leadership Academy (the Academy), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Academy as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Los Angeles Leadership Academy and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Academy's financial statements as a whole. The LA Leadership Academy, LA Leadership Primary Academy, CMO, and Eliminations columns in the statements of financial position, activities, and cash flows as well as the supplementary information (as identified in the table of contents) accompanying supplementary schedules, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, which is the responsibility of management, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

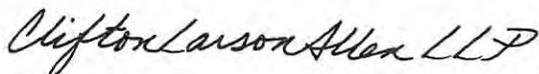

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the local education agency organization structure but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated December 15, 2024 on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Los Angeles Leadership Academy (the Academy) is a California nonprofit charter school organized for the purpose of providing sixth through twelfth grade education to students. In 2011, the Academy was expanded and now includes the Los Angeles Leadership Primary Academy charter which currently serves kindergarten through fifth grade. The Charter Management Organization (CMO) is the cost center for the Academy which holds the two charters. The Academy is economically dependent on state and federal funding.

The charters may be revoked by the Los Angeles Unified School District for material violations of the charters, failure to meet pupil outcomes identified in the charters, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Academy's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The Academy defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Cash Held in Certificates of Deposit

In April 2024 and June 2024 the Academy's Certificates of Deposits (CDs) were automatically renewed at principal value of \$1,000,000 and \$500,000 with maturities of nine months. CDs are recorded at amortized cost and interest accrued. At June 30, 2024, the ending balance of the CDs were \$1,545,541.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2024. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Academy based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for without donor restriction use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as with donor restrictions. Restricted contributions that are received and released in the same period are reported as without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2024, the Academy has conditional grants of \$778,416 of which \$329,435 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Academy is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the Academy. The entire compensated absences liability is reported on the statement of financial position. Employees of the Academy are paid for days or hours worked based upon board-approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Academy is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Academy files an exempt organization return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

The Academy leases facilities and equipment. The Academy determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the Academy's right to use an underlying asset for the lease term and lease liabilities represent the Academy's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the Academy uses its a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Academy will exercise that option. The Academy has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

The Academy has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

The Academy's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, the Academy considers factors such as if the Academy has obtained substantially all of the rights to the underlying asset through exclusivity, if the Academy can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Academy has elected to use a risk-free rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Subsequent Events

The Academy has evaluated subsequent events through December 15, 2024, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of the following as of June 30, 2024:

	LA Leadership Academy	LA Leadership Primary Academy	CMO	Total
Cash and Cash Equivalents	\$ 1,462,497	\$ 2,294,655	\$ -	\$ 3,757,152
Certificate of Deposits	-	-	1,545,541	1,545,541
Accounts Receivable - Federal and State	1,604,610	1,086,186	30,296	2,721,092
Less: Net Assets With Donor Restriction	(32,885)	(3,819)	-	(36,704)
Total	<u>\$ 3,034,222</u>	<u>\$ 3,377,022</u>	<u>\$ 1,575,837</u>	<u>\$ 7,987,081</u>

As part of the Academy's liquidity management plan, the Academy monitors liquidity required and cash flows to meet operating needs on a monthly basis. The Academy structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Academy maintains cash balances held in banks which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The Academy has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The Academy capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2024 was \$275,963.

The components of property, plant, and equipment as of June 30, 2024 are as follows:

	LA Leadership Academy	LA Leadership Primary Academy	Total
Building	\$ 5,244,129	\$ 3,057,903	\$ 8,302,032
Equipment	514,770	146,092	660,862

Property, Plant, and Equipment, Net	<u>\$ 3,614,453</u>	<u>\$ 2,125,634</u>	<u>\$ 5,740,087</u>

NOTE 5 EMPLOYEE RETIREMENT

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in this multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the Academy chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The Academy has no plans to withdraw from this multiemployer plan.

State Teachers' Retirement System (STRS)

Plan Description

The Academy contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State Statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2023 total STRS plan net assets are \$316.9 billion, the total actuarial present value of accumulated plan benefits is \$455 billion, contributions from all employers totaled \$7.738 billion, and the plan is 75.9% funded. The Academy did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

NOTE 5 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS) (Continued)

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Academy is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2024 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The Academy's contributions to STRS for the past three years are as follows:

Year Ended June 30,	Los Angeles Leadership Academy		LA Leadership Primary Academy		LA Leadership Charter Management Organization	
	Required Contribution	Percent Contributed	Required Contribution	Percent Contributed	Required Contribution	Percent Contributed
2022	\$ 393,430	100%	\$ 258,875	100%	\$ 69,118	100%

2024	\$ 344,362	100%	\$ 290,098	100%	\$ 86,823	100%

NOTE 6 NOTE PAYABLE

In January 2008, the California School Finance Authority (CSFA) granted the Academy \$1,047,000 in order to purchase property from the Florence Crittendon Center (FCC). The purchase price was \$2,096,000, the sum of the CSFA grant and the existing mortgage held by the Community Redevelopment Agency (CRA). As part of the purchase, the Academy assumed the CRA mortgage for \$1,049,000.

In June 2009, the Academy transferred title to this property back to FCC. In exchange, the Academy received an unsecured purchase money note in the amount of \$3,000,000. The note has a term of 10 years and bears an annual interest rate of 5%, with principal and interest payable at maturity. As part of the transfer, FCC assumed the CRA mortgage for \$1,049,000. Due to the continuing involvement in this sale-leaseback, the sale was recorded using the deposit method. Under the deposit method of accounting for the sale-leaseback, the Academy continues to report in its financial statements as the net property and note payable from the CRA mortgage loan until the CRA loan is paid and the full amount of the purchase money note has been received.

The Academy entered into a 120-month operating lease agreement commencing June 5, 2009 with FCC. During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029.

NOTE 7 LEASES – ASC 842

The Academy leases equipment as well as certain school operating facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2029 two facility leases provide for renewal options for 10 years. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Academy to pay real estate taxes, insurance, and repairs.

The following table provides quantitative information concerning the Academy's lease for the year ended June 30, 2024:

Lease Costs	
Finance Lease Costs:	
Amortization of Right-Of-Use Assets	\$ 2,081

NOTE 8 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function(s). Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, office expenses, occupancy, depreciation, and other expenses, which are allocated on the basis of estimates of time and effort.

NOTE 9 NET ASSETS WITH DONOR RESTRICTION

Net assets with donor restriction activity for the year ended June 30, 2024 is as follows:

	June 30, 2023	Additions	Releases	June 30, 2024
Purpose Restrictions:				
HS Student Council	\$ 914	\$ 7,240	\$ (7,292)	\$ 862

NOTE 10 CONTINGENCIES, RISKS AND UNCERTAINTIES

The Academy has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTE 11 EMPLOYEE RETENTION CREDIT

Grants from the government are recognized when all conditions are fulfilled or there is reasonable assurance that they will be fulfilled. During the year ended June 30, 2024, the Academy recognized Employee Retention Credits (ERC) from the Internal Revenue Service (IRS) in the amount of \$938,910, in compliance with the program. The IRS may review funding eligibility for compliance with program requirements. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Academy's financial position.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the Academy and whether the Academy complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the Academy. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURE OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Academy under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the Academy, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the Academy.

NOTE 5 INDIRECT COST RATE

The Academy has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Los Angeles Leadership Academy (the Academy), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 15, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

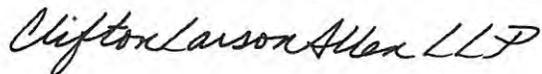

Board of Directors
Los Angeles Leadership Academy

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY THE UNIFORM GUIDANCE**

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Los Angeles Leadership Academy's (the Academy) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Academy's major federal programs for the year ended June 30, 2024. The Academy's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Academy's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Los Angeles Leadership Academy

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The Academy's applicable State compliance requirements are identified in the table below.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that are applicable to the Academy for the year ended June 30, 2024.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2023-2024 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Los Angeles Leadership Academy (the Academy), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Academy as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Los Angeles Leadership Academy and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Academy's financial statements as a whole. The LA Leadership Academy, LA Leadership Primary Academy, CMO, and Eliminations columns in the statements of financial position, activities, and cash flows as well as the supplementary information (as identified in the table of contents) accompanying supplementary schedules, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, which is the responsibility of management, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, except for the portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited", has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated December 12, 2022 on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Los Angeles Leadership Academy (the Academy) is a California nonprofit charter school organized for the purpose of providing sixth through twelfth grade education to students. In 2011, the Academy was expanded and now includes the Los Angeles Leadership Primary Academy charter which currently serves kindergarten through fifth grade. The Charter Management Organization (CMO) is the cost center for the Academy which holds the two charters. The Academy is economically dependent on state and federal funding.

The charters may be revoked by the Los Angeles Unified School District for material violations of the charters, failure to meet pupil outcomes identified in the charters, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Academy's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The Academy defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2022. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Academy based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for without donor restriction use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as with donor restrictions. Restricted contributions that are received and released in the same period are reported as without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2022, the Academy has conditional grants of \$948,742 of which \$375,563 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Academy is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the Academy. The entire compensated absences liability is reported on the statement of financial position. Employees of the Academy are paid for days or hours worked based upon board-approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Academy is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Academy files an exempt organization return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Subsequent Events

The Academy has evaluated subsequent events through December 12, 2022, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of the following as of June 30, 2022:

	LA Leadership Academy	LA Leadership Primary Academy	CMO	Total
Cash and Cash Equivalents	\$ 1,949,387	\$ 1,523,845	\$ 115,936	\$ 3,589,168

Less: Net Assets With Donor Restriction	(15,253)	(22,059)	-	(37,312)
Total	<u>\$ 4,067,361</u>	<u>\$ 3,291,060</u>	<u>\$ 115,936</u>	<u>\$ 7,474,357</u>

As part of the Academy's liquidity management plan, the Academy monitors liquidity required and cash flows to meet operating needs on a monthly basis. The Academy structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Academy maintains cash balances held in banks which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The Academy has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The Academy capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2022 was \$268,443.

The components of property, plant, and equipment as of June 30, 2022 are as follows:

NOTE 5 EMPLOYEE RETIREMENT

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in this multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the Academy chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The Academy has no plans to withdraw from this multiemployer plan.

State Teachers' Retirement System (STRS)

Plan Description

The Academy contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2021 total STRS plan net assets are \$310 billion, the total actuarial present value of accumulated plan benefits is \$414 billion, contributions from all employers totaled \$5.744 billion, and the plan is 73% funded. The Academy did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

NOTE 5 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS) (Continued)

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Academy is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2022 was 16.92% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The Academy's contributions to STRS for the past three years are as follows:

	Required Contribution	Percent Contributed	Required Contribution	Percent Contributed	Required Contribution	Percent Contributed

NOTE 6 OPERATING LEASES

2670 Griffin

In April 2009, the Academy entered into a Commitment Letter with NCB Capital Impact (NCB), pursuant to which NCB would finance a portion of the purchase price of a property located at 2670 Griffin, Los Angeles, California provided that it was purchased by a special purpose entity, 2670 Griffin and then leased back to the Academy.

In June 2009, 2670 Griffin purchased the aforementioned property and became the borrower under the NCB Loan Agreement. The Academy then entered into a 120-month operating lease agreement commencing June 5, 2009 with 2670 Griffin.

During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029. Rent expense associated with the 2670 Griffin lease for the year ended June 30, 2022 was \$732,411.

As part of the lease, the Academy guaranteed 2670 Griffin's obligations under the NCB Loan Agreement and advanced \$266,793 to pay for the closing costs of escrow. As of June 30, 2019, the advance has been fully amortized over the term of the lease.

Florence Crittenton Center (FCC)

In January 2008, the California School Finance Authority (CSFA) granted the Academy \$1,047,000 in order to purchase property from the Florence Crittenton Center (FCC). The purchase price was \$2,096,000, the sum of the CSFA grant and the existing mortgage held by the Community Redevelopment Agency (CRA). As part of the purchase, the Academy assumed the CRA mortgage for \$1,049,000.

In June 2009, the Academy transferred title to this property back to FCC. In exchange, the Academy received an unsecured purchase money note in the amount of \$3,000,000. The note has a term of 10 years and bears an annual interest rate of 5%, with principal and interest payable at maturity. As part of the transfer, FCC assumed the CRA mortgage for \$1,049,000. Due to the continuing involvement in this sale-leaseback, the sale was recorded using the deposit method. Under the deposit method of accounting for the sale-leaseback, the Academy continues to report in its financial statements as the net property and note payable from the CRA mortgage loan until the CRA loan is paid and the full amount of the purchase money note has been received.

The Academy entered into a 120-month operating lease agreement commencing June 5, 2009 with FCC. In September 2012, the agreement was amended increasing the required monthly payments to \$264,000 per year. During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029.

Future minimum payments due to FCC under this operating lease agreement are as follows:

NOTE 7 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function(s). Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, office expenses, occupancy, depreciation, and other expenses, which are allocated on the basis of estimates of time and effort.

NOTE 8 NET ASSETS WITH DONOR RESTRICTION

NOTE 9 CONTINGENCIES, RISKS AND UNCERTAINTIES

The Academy has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTE 10 HOLD HARMLESS

On June 30, 2022 California Assembly Bill 181 was passed which requires the Superintendent to calculate an attendance yield for 2019-20 and 2021-22 fiscal years, and to adjust the 2021-22 fiscal year average daily attendance for purposes of apportionments under the local control funding formula (attendance yield provision). The bill further appropriates \$413,000,000 from the general fund to the Superintendent for apportionment to classroom-based charter schools that are continuing operations in the 2022-23 fiscal year (enrollment provision). Both funding provisions are applicable to classroom-based charter schools only. The attendance yield provision met revenue recognition criteria for the year ended June 30, 2022. The enrollment provision will meet the revenue recognition criteria for the following fiscal year ended June 30, 2023 as the School continues its operations.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the Academy and whether the Academy complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the Academy. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURE OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Academy under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the Academy, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the Academy.

NOTE 5 INDIRECT COST RATE

The Academy has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Los Angeles Leadership Academy (the Academy), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 12, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Los Angeles Leadership Academy

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY THE UNIFORM GUIDANCE**

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Los Angeles Leadership Academy's (the Academy) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Academy's major federal programs for the year ended June 30, 2022. The Academy's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Academy's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Los Angeles Leadership Academy

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Opinion on State Compliance

We have audited Los Angeles Leadership Academy's (the Academy) compliance with the types of compliance requirements described in the *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2022. The Academy's State compliance requirements are identified in the table below.

In our opinion, the Academy complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2022.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to below occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit

Appeals Panel will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to below and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Los Angeles Leadership Academy (the Academy), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Academy as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Los Angeles Leadership Academy and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2023 the Academy adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with response to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Academy’s financial statements as a whole. The LA Leadership Academy, LA Leadership Primary Academy, CMO, and Eliminations columns in the statements of financial position, activities, and cash flows as well as the supplementary information (as identified in the table of contents) accompanying supplementary schedules, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, which is the responsibility of management, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, except for the portion marked “unaudited”, was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked “unaudited”, has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated December 13, 2023 on our consideration of the Academy’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy’s internal control over financial reporting and compliance.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Los Angeles Leadership Academy (the Academy) is a California nonprofit charter school organized for the purpose of providing sixth through twelfth grade education to students. In 2011, the Academy was expanded and now includes the Los Angeles Leadership Primary Academy charter which currently serves kindergarten through fifth grade. The Charter Management Organization (CMO) is the cost center for the Academy which holds the two charters. The Academy is economically dependent on state and federal funding.

The charters may be revoked by the Los Angeles Unified School District for material violations of the charters, failure to meet pupil outcomes identified in the charters, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Academy's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The Academy defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Academy based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for without donor restriction use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as with donor restrictions. Restricted contributions that are received and released in the same period are reported as without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, the Academy has conditional grants of \$382,188 of which \$231,150 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Academy is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the Academy. The entire compensated absences liability is reported on the statement of financial position. Employees of the Academy are paid for days or hours worked based upon board-approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

**LOS ANGELES LEADERSHIP ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Academy is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Academy files an exempt organization return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

The Academy leases facilities and equipment. The Academy determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the Academy's right to use an underlying asset for the lease term and lease liabilities represent the Academy's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the Academy uses its a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Academy will exercise that option. The Academy has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

The Academy has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

The Academy's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, the Academy considers factors such as if the Academy has obtained substantially all of the rights to the underlying asset through exclusivity, if the Academy can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Academy has elected to use a risk-free rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Adoption of New Accounting Standards

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the statement of financial position. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The Academy adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption.

The Academy has elected to adopt the package of practical expedients available in the year of adoption. The School has elected not to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of the Academy's ROU assets.

The Academy elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of the new lease accounting guidance, the School recognized on July 1, 2022 a ROU asset at the carrying amount of the operating lease asset of \$7,145,041. The Academy also recognized on July 1, 2022 a lease liability of \$7,145,041, which represents the present value of the remaining finance lease payments discounted using a risk-free rate ranging from 2.85% to 2.92%.

Subsequent Events

The Academy has evaluated subsequent events through December 13, 2023, the date these financial statements were available to be issued.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Academy maintains cash balances held in banks which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The Academy has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The Academy capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2023 was \$268,443.

The components of property, plant, and equipment as of June 30, 2023 are as follows:

NOTE 5 EMPLOYEE RETIREMENT

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in this multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the Academy chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The Academy has no plans to withdraw from this multiemployer plan.

State Teachers' Retirement System (STRS)

Plan Description

The Academy contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022 total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$6.513 billion, and the plan is 74.4% funded. The Academy did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Academy is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The Academy's contributions to STRS for the past three years are as follows:

Year Ended June 30,	Los Angeles Leadership Academy		LA Leadership Primary Academy		LA Leadership Charter Management Organization

NOTE 6 NOTE PAYABLE

In January 2008, the California School Finance Authority (CSFA) granted the Academy \$1,047,000 in order to purchase property from the Florence Crittendon Center (FCC). The purchase price was \$2,096,000, the sum of the CSFA grant and the existing mortgage held by the Community Redevelopment Agency (CRA). As part of the purchase, the Academy assumed the CRA mortgage for \$1,049,000.

In June 2009, the Academy transferred title to this property back to FCC. In exchange, the Academy received an unsecured purchase money note in the amount of \$3,000,000. The note has a term of 10 years and bears an annual interest rate of 5%, with principal and interest payable at maturity. As part of the transfer, FCC assumed the CRA mortgage for \$1,049,000. Due to the continuing involvement in this sale-leaseback, the sale was recorded using the deposit method. Under the deposit method of accounting for the sale-leaseback, the Academy continues to report in its financial statements as the net property and note payable from the CRA mortgage loan until the CRA loan is paid and the full amount of the purchase money note has been received.

The Academy entered into a 120-month operating lease agreement commencing June 5, 2009 with FCC. During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029.

NOTE 7 LEASES – ASC 842

The Academy leases equipment as well as certain school operating facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2029 two facility leases provide for renewal options for 10 years. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Academy to pay real estate taxes, insurance, and repairs.

The following table provides quantitative information concerning the Academy's lease for the year ended June 30, 2023:

NOTE 10 CONTINGENCIES, RISKS AND UNCERTAINTIES

The Academy has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTE 11 EMPLOYEE RETENTION CREDIT

Grants from the government are recognized when all conditions are fulfilled or there is reasonable assurance that they will be fulfilled. During the year ended June 30, 2023, the Academy received the Employee Retention Credit (ERC) from the Internal Revenue Service (IRS) in the amount of \$514,767 in compliance with the program. The IRS may review funding eligibility for compliance with program requirements. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Academy's financial position.

YEAR ENDED JUNE 30, 2023**

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the Academy and whether the Academy complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the Academy. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURE OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Academy under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the Academy, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the Academy.

NOTE 5 INDIRECT COST RATE

The Academy has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Los Angeles Leadership Academy (the Academy), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 13, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. **INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY THE UNIFORM GUIDANCE**

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Los Angeles Leadership Academy's (the Academy) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Academy's major federal programs for the year ended June 30, 2023. The Academy's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Academy's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Los Angeles Leadership Academy

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors
Los Angeles Leadership Academy
Los Angeles, California

Report on Compliance

Opinion on State Compliance

We have audited Los Angeles Leadership Academy's (the Academy) compliance with the types of compliance requirements applicable to the Academy described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The Academy's applicable State compliance requirements are identified in the table below.

In our opinion, the Academy complied, in all material respects, with the compliance requirements referred to above that are applicable to the Academy for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Academy's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. GENERAL ACCOUNTING POLICIES AND PROCEDURES MANUAL

ACCOUNTING POLICIES

OVERVIEW

GENERAL

The Governing Board of Los Angeles Leadership Academy has reviewed and adopted the following Fiscal Policies to support the mission of the school and ensure the most effective use of resources. These processes are designed to ensure that resources are budgeted, properly accounted for, and safeguarded. The Policies are also designed to ensure that expenses are properly authorized and in accordance with the school's budget and mission. These Policies serve as the internal controls over the fiscal activities of the school.

All processes are designed with key accounting rules in mind. Financial duties and responsibilities are separated so that no one employee has sole control over cash receipts, disbursements, payroll processing, reconciliation of bank accounts, or safeguarding of assets.

LEGAL STRUCTURE

Los Angeles Leadership Academy ("LALA") is a California Corporation and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. As of 7/1/10, LALA operates two charter schools in two locations in Los Angeles, California, sponsored by LAUSD. Los Angeles Leadership Academy has offices at each site and operates one middle school and one high school under Los Angeles Leadership Academy (charter #461) and one elementary school under Los Angeles Leadership Primary Academy (charter #1333)

<i>Los Angeles Leadership Primary Academy (LAPA)</i>	<i>1333</i>	<i>Los Angeles</i>	<i>7/1/2021</i>	<i>6/30/2026</i>

METHOD OF ACCOUNTING

The books and records of Los Angeles Leadership Academy are prepared using the accrual method of accounting. Under this method, revenues are recognized when earned and expenses are recognized when incurred.

ACCOUNTING SYSTEM

LALA follows the Standardized Account Code Structure (SACS) and utilizes Resources to track restricted activities. All daily accounting transactions are processed in house. Director of Finance manages all financial daily operations to ensure accurate and timely processing of accounting transactions, budgets, cash flow projections, and financial reporting and compliance. Effective 7/1/14, LALA uses NetSuite for maintaining its general ledger activities and has contracted with EdTec, as a third-party service provider, to ensure accurate and timely financial reporting and fiscal compliance and provides integral support with month-end reporting, cash flow, budgeting and compliance reporting.

CASH ACCOUNTS

LALA obtains board approval before opening or closing any bank or investment accounts. LALA currently maintains the following bank accounts:

Checking Account		- PacWest Bank
Fundraising Account		- CHASE School Fundraising Account
Main Checking Account		- CHASE Operating Account
Savings Account		- CHASE Savings Account

All bank accounts are reconciled on a monthly basis by Director of Finance. All accounting records are kept in a secured location.

CERTIFICATE OF DEPOSIT (CD) ACCOUNTS

LALA opened two CD accounts in October 2023:

ANNUAL FINANCIAL AUDIT

The Governing Board will annually appoint an audit committee by February 1st to select an auditor by March 1st for that year’s audit (year-ending June 30). Any persons with expenditure authorization or recording responsibilities within the school may not serve on the committee.

The annual audit shall include the following:

- Audit of the accuracy of the financial statements
- Audit of attendance accounting and revenue accuracy practices
- Audit of internal control processes

The annual audit report will be presented to the Governing Board by December 1st of each year and distributed to required third parties no later than December 15th following year-end.

AUTHORIZED CHECK SIGNERS

The following parties are authorized to sign checks for the main checking accounts, savings account, and fundraising account:

**Chief Executive Officer/Superintendent
Chief Operations Officer**

There is dual signature requirement for the checks more \$10,000. Authorization limits and approvals must be followed. Authorization limits apply to specific individuals for purchases.

Reimbursements to any members with check signing ability must be approved by an authorized individual other than the person being reimbursed.

Signers allow the use of rubber signature stamps.

CASH RECEIPTS AND DEPOSITS

The School receives checks and cash throughout the year. The main source of cash receipts is State and Federal revenue and fundraising income. The following processes are followed to ensure effective, timely, and accurate reporting of cash receipts in the general ledger, safeguarding of assets, and ensuring adequate separation of duties.

Mail delivered to the Central Office is opened by designated staff members and delivered to the Office managers. Office managers prepare a Cash Receipts Form, including details of the source of funds and proper coding per chart of accounts.

All checks to be deposited are placed in a secured Location until remotely deposited or delivered to the bank by the designated person.

All deposit information is reviewed by Director of Finance to ensure timely entry in the accounting system. Records of deposits are filed at the school. Each record of deposit should include the following items: cash receipts form signed by preparer, remote deposit verification or receipt of deposit from the bank, supporting documentation for the deposit, and copies of checks deposited.

For any checks received that do not clearly indicate their source or nature by the supporting documentation, the Chief Executive Officer/Superintendent or Principal will include sufficient coding or explanation to ensure proper coding in the accounting system.

The school will collect cash from time to time. Cash received is segregated as to type (fundraising, etc.) and tallied. Total amounts by type are verified by a second person and a deposit form is prepared. If the cash cannot be deposited the same day, it is stored in a locked cabinet.

Deposits should never be held at the school site more than week. All money a waiting for deposit must be stored in a locked and secure location with limited access for only authorized employee.

*Chief Operations Officer: \$50,000.00
Chief Executive Officer/Superintendent: \$20,000.00*

The credit card activities are reviewed by the Director of Finance, Chief Operations Officer, and Chief Executive Officer/Superintendent as a part of the Accounts Payable check review process to ensure all transactions are valid and there are no fraudulent, inappropriate, or unauthorized transactions, and balances for all valid transactions are paid in full each month. The scope of review will include any rewards program associated with credit cards to ensure that the benefits of any such program will inure to LALA not to any individual. The Chairman of the Academy's Board reviews activities of the credit card issued under the name of the Chief Executive Officer/Superintendent.

All original credit card receipts with expense reports are provided to the accounting department for review and payment. If any purchase is not pre-approved, school related, or containing original receipts or affidavit of purchases in lieu of receipts, the purchase and the subsequent payment will be the credit card holder's responsibility.

Any travel expenses greater than the per diem rate must be preapproved by the Chief Executive Officer/Superintendent.

Mileage is also reimbursable for necessary business travel that takes an employee further from their home than their usual commute to work or that requires an employee to travel to an additional location beyond their normal work location. Mileage will be reimbursed at the prevailing Federal mileage reimbursement rate.

Overnight hotel stays are only approved in cases where an employee is attending a conference or event that is outside of the greater Los Angeles area. Any overnight travel must be approved in advance by the Chief Operations officer or Chief Executive Officer/Superintendent.

TRAVEL EXPENSE REIMBURSEMENT POLICY (continued)

Reimbursement requests must be submitted within 30 days of travel for payment to be honored. Additional approval of Chief Operations Officer required if reimbursement request past 30 days. The school reserves the right to refuse reimbursement for any requests not submitted in a timely manner. If travel occurs in June, reimbursement requests must be received no later than July 31st in order to be included in the proper fiscal year.

FUNDRAISING ACTIVITIES

The school conducts fundraising activities from time to time that generate cash income. All fundraising activities have to be approved by Principals.

Whenever cash fundraising income is received, the following processes are followed:

- Fundraising activities are overseen by the Principals, with prior approval by the Chief Operations Officer or Chief Executive Officer/Superintendent.
- At least two individuals are designated as responsible staff for the collection and reporting of cash proceeds.
- Cash collected is always safeguarded by being kept in an envelope or cash box in secure location with responsibility over the cash resting with one or two specific individuals.
- At the end of the day, cash is counted by one staff member while a 2nd staff member observes. The counter uses a Cash Receipts Form (obtained from Director of Finance or Office Technician) to count and verify cash proceeds.
- When count is completed, the 2nd person re-counts the deposit and signs off authorizing correctness of amount.
- The Cash Receipts form and all proceeds are delivered to the Director of Finance at the end of the day for safeguarding in a locked cabinet.
- If the fundraising activity spans across more than one day, counts should be made daily and delivered to the Director of Finance or Office Technician. If counts cannot be made on a daily basis, the funds should be placed in a sealed envelope with purpose and date indicated and delivered to the Director of Finance or Office Technician for safekeeping until proceeds can be counted.

Under NO circumstances should the following occur:

- Fundraising activities and cash proceeds received for events or program that Principal have NOT given express permission to conduct
- Cash collected and not delivered to the Director of Finance or Office Technician the same day (cash should NEVER be stored in a classroom or location other than the locked cabinet in the main office)

Important: All money collected must be turned into the Director of Finance or Office Manager daily in a sealed envelope, with amount, date and source of money clearly marked on the outside.

ATTENDANCE AND STUDENT DATA REPORTING

LALA utilizes PowerSchool to track student data and attendance and to compile data for required reporting to the District and State. LALA is responsible for completing the monthly attendance reports as well as the P1, P2 and annual attendance reports. LALA is responsible for the accurate and timely reporting of CALPADS data.

CASH MANAGEMENT

At times, cash balances may get very low due to State cash flow deferrals and revenue cycles. Because of this, Director of Finance with EdTec's support, performs detailed procedures to always ensure knowledge of cash balances and forecast cash flow needs into the future.

Each week, cash balances are reviewed in conjunction with AP batch approvals.

PAYROLL

A personnel file will be maintained for each employee by the Chief Operations Officer and will be kept in a locked file cabinet or other secure location at the Los Angeles Leadership Academy office.

Payroll is processed for Los Angeles Leadership Academy via Paychex, a third-party payroll processing company. Payroll registers and all other required reports are maintained by LALA.

PAYROLL (continued)

Pay dates are as follows:

<u>Pay Date</u>		<u>Pay Period Covered</u>
5 th	=	16 th -31 st of previous month
20 th	=	1 st – 15 th of current month

Salaried employees, including teachers, are paid on a 12-month cycle. Year-round employees are paid July – June of each year, while teachers are paid August – July of each year. Hourly employees are paid based on hours worked as submitted on recalculated and approved time cards. The Principals/Assistant Principal and/or Chief Operations Officer review & approve time cards prior to submitting for processing. All overtime should be approved by the school's Principal or AP prior to being incurred. Time sheets are submitted each pay period in accordance with the payroll calendar delivered to Los Angeles Leadership Academy in June of each year. An Employee Handbook will outline other policies related to hours worked, vacation and sick time.

For certificated employees, a log of credential expiration dates will be maintained by the HR Clerk and will be monitored on a monthly basis to ensure valid status at all times.

State Teachers' Retirement System

All employees in credentialed positions are required to participate in the State Teachers' Retirement System (STRS) for retirement benefits. As such, these employees contribute 10.25% of eligible pay, and the employer pays 16.15% of eligible pay (rates subject to change annually). STRS reporting must be done through the Los Angeles County's Access-based system, and reports and payments are due to the County by the 5th business day of each month for the prior month's contributions.

Alternative Retirement System

LALA does not have an alternative retirement system currently but does provide voluntary deduction options to employees for retirement contributions and other voluntary benefits.

CONTRACTS AND AGREEMENTS

Agreements entered into by LALA which obligate LALA to more than \$25,000 must be approved by the Board of Directors. All other authorization rules of purchases apply to contracts.

INDEPENDENT CONTRACTORS

The Director of Finance understands the rules regarding independent contractors, and it is a LALA practice to obtain a completed Form W9 for all service contracts in excess of \$600 in any calendar year prior to releasing payment to the vendor.

Los Angeles Leadership Academy contracts with several people for various services including accounting, security, visiting artists, etc. If the cost of services is expected to exceed \$600 in any calendar year and the independent contractor is not known to be a corporation, the Director of Finance will request a completed Form W-9 before issuing the first payment. This information will then be used to complete Form CA DE 542 – Report of Independent Contractors (Required by Employment Development Department) within time frame required by State. Forms 1099M for applicable service providers will be prepared and filed by Director of Finance each year in accordance with IRS deadlines.

CAPITAL ASSETS

Individual assets purchased or acquired with an original cost of \$5,000 or more and a useful life exceeding one year are capitalized and reported at historical cost or estimated historical cost. This includes new or replacement items such as computers, furniture, equipment, fixtures, etc. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the various estimated useful lives ranging from 3 to 39 years.

CAPITAL ASSETS (continued)

Contributed assets are reported at fair market value as of the date received.

Physical inventories are maintained on all capital assets and computer equipment by the IT department and overseen by Chief Operations Officer.

NON-CASH DONATIONS

All non-cash donations of equipment, books, or other supplies received by LALA shall be recorded at their fair market value at the time of donation.

RECORD RETENTION POLICY

LALA maintains a policy of retaining all accounting records for a minimum of 7 years. Accounting documents include:

Cancelled checks (where applicable) and supporting documentation for all check requests

- *Deposits*
- *Bank reconciliations and supporting documentation*
- *Journal entries*
- *Payroll registers and pays records, including quarterly and annual tax filings*
- *Capital additions schedules and supporting documentation*
- *Depreciation schedules*
- *Grants and other pertinent financial correspondence from third parties*
- *Year-end work papers and audit correspondence*
- *IRS correspondence*

CONFLICTS OF INTEREST

Any Board member with a financial interest in a matter presented to the Board shall fully disclose such interest prior to Board discussion on the issue and shall recuse themselves from the discussion and voting on the matter. The Board shall develop a separate more comprehensive policy on conflict of interest, hiring of relatives, and compliance with Government Code 1090 and the Fair Political Practices Act.

FISCAL REVIEW AND BUDGET PROCESS

A Finance Committee consisting of the Director of Finance, Chief Executive Officer/Superintendent, two board members reviews financial reports each month. Monthly financial reports consist of:

- *Balance Sheet*
- *Budget vs. Actual – Year to Date - compares budget to actual activities*
- *Month-by-month cash flow report that is re-forecasted each month.*
- *Check Register for the Month*
- *Financial Summary highlighting key financial indicators and variances and State Budget info*

Any material variances between budget and actual/forecasted amounts are reviewed and discussed with the Finance Committee and actions are proposed as needed to keep the school within budget overall.

BUDGET PROCESS

The budget process begins in March-April of each year for the following year. During initial budget discussions, the current year forecast is reviewed in detail, and key assumptions are discussed and gathered.

The Director of Finance and Chief Operations Officer work with the Chief Executive Officer/Superintendent to develop initial draft and back office providers. The draft is then reviewed with the Finance Committee prior to being presented to the Board for approval. The preliminary budget is approved by the Board by June 30th of each year.

In the fall of each year, generally mid-October, forecast is reviewed and a revised budget may be drafted (when material assumptions have changed) with newest assumptions and latest enrollment info. The same process as above is followed and a revised budget may be approved, generally by November 30th.

BUDGET PROCESS (continued)

In January, when the Governor's budget review is conducted, the budget is again reviewed and revisions are made only if budget changes are material.

MONTHLY AND YEAR-END FINANCIAL PROCEDURES

At the end of each month, the following procedures are completed by Director of Finance:

- *Reconcile all bank and credit card accounts*
- *Reconcile all balance sheet accounts with activity or large balances*
- *Review all revenue and expense activities for accuracy*
- *Review revenues and expenses against current year budget and research large variances*
- *Prepare financial statements for distribution to the Finance Committee*

Financial statements will be prepared and presented to the Finance Committee each month and to the Board of Directors as requested by the Board, but no less than once per year.

At the end of each fiscal year, all balance sheet accounts are reconciled. Accounts receivable is determined and accrued based on those revenues for the current year that have been apportioned but not received as of June 30th. Director of Finance communicates directly with the auditors on all financial matters affecting the audit.

LALA Request for Proposal (RFP) Process

OVERALL PROCESS

Use of the RFP Process:

Los Angeles Leadership Academy (LALA) will leverage the RFP process whenever contracting external parties to provide services on behalf of the LALA organization. RFP's should be used for work that requires knowledge over and above what is currently within the organization, in order to ensure that LALA gets the best results by soliciting proposals from several experts.

EXTERNAL PARTIES

Recipients of the RFP:

The RFP should be sent to a variety of providers (generally at least three) external service providers who are qualified to perform the work and who are compliant with relevant laws and regulations. The recipients of the RFP should be carefully determined by the Chief Executive Officer/Superintendent and the Director who will be most involved with the project. This discussion should take place prior to distributing the RFP to external parties. Once a Director and the Chief Executive Officer/Superintendent have approved the RFP recipients, the external parties should be contacted to determine interest in submitting a proposal to LALA.

Responding to the RFP:

The external service provider should be allowed sufficient time to respond to the RFP. The amount of time external service providers are given will vary based on the project.

Deadline for submission:

In general, the deadline for receipt of proposals should be in line with the urgency of the request, after the RFP has been submitted.

RFP Criteria:

Proposals are generally judged on:

- **Quality:** The proposal should indicate what type of work or service the external party will provide. The proposal should be detailed and well thought out and is a reflection of the approach the third-party will take to the project.
- **Relevant Experience:** LALA should review any track record available for the external party to demonstrate past success in performing similar work or projects. This work should have been performed within the last year, preferably.
- **Time and Cost:** The external party must be able to complete the work within the requested time frame specified within the RFP, and the cost of the work should be in line with the time, staff, and production costs associated with the work.
- **Referrals:** Completed projects in the past that are referenced as a component of the external party's track record should be confirmed.

RFP REQUIREMENTS

Overall scope:

When an RFP is sent to an external party, the following information must be included:

- The type of service or product desired (e.g. catering, after-school sports program).
- The date proposals are due, expected start date of work, as well as the timing of the overall project.
- A LALA contact to whom the third party can submit questions during the RFP process.

RFP format:

When sending the RFP to an external party, the following should be included:

- Title Sheet: The title sheet should include LALA's name, an indication of the project, and the date of submission.
- Introduction: The introduction summarizes the project for which the external service provider will be hired.
- Objectives: Define objectives and purpose for the proposal with measurable outcomes.
- Scope of Services: The scope of services should describe the parties involved, phasing (if applicable), as well as the time schedule. It should describe the relationship of the external party's work to the project, the end user(s) of the product, the specific audience to be addressed, and most importantly, the purpose of the external party's work.

PROPOSAL REQUIREMENTS

Cover Letter:

The cover letter should include a brief introduction to the project.

Summary of Work:

This should provide a high level description of each component of the project/services to be performed.

Scope of Work:

This is the area where the external party should include information related to how the purpose and the objective of the project within the RFP will be addressed. The scope of services may include items such as, raw data, planning analysis, implementation strategies, designs or sketches.

Communication:

The manner in which communication will be maintained should be specified, as well as who the responsible individuals are that can be contacted for questions during the proposal process, as well as the implementation of the services/project.

Timeline and Phasing:

This section should outline all work tasks and their approximate completion dates. The timetable would preferably include mid-project evaluations, as appropriate.

Fees:

The external party may break down expenses by employee or by phases on a lump sum basis. If the external party chooses to be paid on a lump sum basis, it is suggested that

the bulk of the payment be made at the end of the project, after the work is satisfactorily completed. A maximum price for the work should be provided.

Qualifications:

- a. Resume or bio of those involved in the project.
- b. Description of expertise in relevant areas.

Final Product:

A detailed description of the final product to be provided should be included at the end of the proposal. It should respond directly to the products specified in the RFP.

Vendor Management:

LALA should review and approve the RFP policy and vendor inventory, at least yearly, as well as establish Key Performance Indicators and metrics for the third parties to report to LALA on a periodic basis to ensure compliance and operations in line with stipulated agreements.

Suspension and debarment

LEAs should only award contracts with federal funds to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources. An LEA may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000, an LEA verifies that the vendor with whom the LEA intends to do business is not excluded or disqualified (2 CFR Part 200, Appendix II [1] and 2 CFR 180.220 and 180.300). LALA will check the excluded parties list on Sam.gov and explain **COO** will be responsible for the verification and the documentation will be maintained in company file and that **COO** will check vendor contracts to see if they include clause that certifies that they are not suspended or debarred.

NOTE 6 NOTE PAYABLE

In January 2008, the California School Finance Authority (CSFA) granted the Academy \$1,047,000 in order to purchase property from the Florence Crittendon Center (FCC). The purchase price was \$2,096,000, the sum of the CSFA grant and the existing mortgage held by the Community Redevelopment Agency (CRA). As part of the purchase, the Academy assumed the CRA mortgage for \$1,049,000.

In June 2009, the Academy transferred title to this property back to FCC. In exchange, the Academy received an unsecured purchase money note in the amount of \$3,000,000. The note has a term of 10 years and bears an annual interest rate of 5%, with principal and interest payable at maturity. As part of the transfer, FCC assumed the CRA mortgage for \$1,049,000. Due to the continuing involvement in this sale-leaseback, the sale was recorded using the deposit method. Under the deposit method of accounting for the sale-leaseback, the Academy continues to report in its financial statements as the net property and note payable from the CRA mortgage loan until the CRA loan is paid and the full amount of the purchase money note has been received.

The Academy entered into a 120-month operating lease agreement commencing June 5, 2009 with FCC. During the year ended June 30, 2019, the Academy exercised an option to extend the lease for ten additional years through June 2029.

NOTE 7 LEASES – ASC 842

The Academy leases equipment as well as certain school operating facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2029 two facility leases provide for renewal options for 10 years. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Academy to pay real estate taxes, insurance, and repairs.

The following table provides quantitative information concerning the Academy's lease for the year ended June 30, 2024:

A. Grant to Client. Subject to compliance by Client with the terms of the MSA, the SOW and this Agreement, including the Terms of Service contained on Exhibit B, EdTec hereby grants to Client, solely for the Term of the SOW (the "Term"), a revocable, non-exclusive, nontransferable, and restricted right to access, via the Internet, and use the Service and the Documentation, solely by Designated Users and solely for Client's internal business purposes only for its existing charter school in operation as of the Effective Date as described below. The rights granted hereunder (the "Access Right") shall be subject to the restrictions set forth below.

B. Access Right Restrictions. The Access Right is subject to the following restrictions:

- (i) The Service and Documentation may be used solely by Designated Users.
- (ii) Client may use the Service and the Documentation solely for Client's internal business purposes only for its existing charter school that is in operation during the Term and only by Designated Users.
- (iii) Client may not use, sell, sublicense, convey, transfer, assign, make available for time-sharing, service bureau, or application service provider purposes, or otherwise provide access to the Service or Documentation to any third party, including affiliates.
- (iv) Except for this Access Right, Client shall not have any rights to the Service, Documentation or any other Confidential Information of EdTec, its licensors and/or suppliers, and EdTec, its licensors and/or suppliers retain all right, title, and interest in and to all rights not expressly granted hereunder, including without limitation (a) the copyright for the Service and Documentation, (b) all copies of the Documentation delivered or otherwise made available to Client, (c) any other documentation made by Client in its use of the Service or Documentation or other Confidential Information, (d) any changes, modifications, or corrections to the Service or Documentation arising during the Term, and (e) any and all patents, trademarks, trade names, trade secrets, or any other intellectual property or proprietary rights in any of the foregoing.
- (v) Client shall not, and shall not permit any other person to, directly or indirectly (a) modify, copy, translate, reverse compile, disassemble, decompile or otherwise reverse engineer or attempt to determine source code of the Service, (b) create any derivative works or attempt to develop software or services containing any of the concepts or ideas contained in, or with functionality comparable to that of the Service, on the basis of any information furnished by EdTec, its licensors and/or suppliers hereunder, including without limitation the Service, the Documentation or any other Confidential Information, (c) make any copies of any part of the Service or Documentation or other Confidential Information other than as expressly provided in this Agreement, or (d) use any part of the Service, Documentation or other Confidential Information for any purpose other than for Client's internal business purposes in accordance with this Agreement.
- (vi) Client shall be responsible for (a) the selection, efficiency, and suitability of the Service and Documentation for Client's purposes, (b) the use of the Service and Documentation in accordance with the Documentation furnished by EdTec, its licensors and/or suppliers, (c) any claim arising from Client's failure to comply with laws, rules, or regulations regarding the use of telecommunications devices or the protection of Client staff and/or students or their right to privacy or any other applicable laws, rules, or regulations, (d) any claim of infringement based upon Client's combination of the Service or Documentation with data

or other software, services or devices not furnished or approved in advance and in writing by EdTec, failure to use the Service and Documentation in accordance with the Documentation, or failure to obtain the necessary third-party licenses as described in clause (e), and (e) obtaining the licenses to any third-party software necessary to access and use the Service and for compliance with the terms of any such third-party licenses.

C. Grant to EdTec and NetSuite. Subject to the terms and conditions of this Agreement, Client grants EdTec and NetSuite the non-exclusive right and license to copy, store, record, transmit, maintain, display, view, print, or otherwise use Client Data to the extent necessary to provide the Service to Client. Client agrees that the foregoing license to Client Data shall survive the termination of this Agreement for one year, solely for the purpose of storing backup Client Data at an offsite storage facility. In addition, Client hereby grants EdTec a perpetual, irrevocable, transferable, fully paid-up and royalty-free license to use such Client Data, solely on a non-personally identifiable basis, for any purpose other than a purpose designed to have a material adverse impact on charter schools.

D. Audit and Disclaimer. Client shall keep accurate records concerning the Designated Users and access to the Service, and shall permit reasonable examination by authorized representatives of EdTec of such records. EdTec assumes no liability for any act or omission by Client, or for the quality or accuracy of any Client Data provided by Client for use in connection with the Service. EdTec assumes no liability for damages caused by unauthorized access to the Service, and Client shall be solely responsible for adequately protecting its user names and passwords for accessing the Service.

3. Proprietary Rights; Confidentiality; Indemnification.

A. Acknowledgment of Proprietary Materials. Client acknowledges and agrees that the Confidential Information, which includes the Service and Documentation, is valuable and proprietary to EdTec, its licensors and/or suppliers, developed by EdTec, its licensors and/or suppliers after incurring substantial time and expense. Client agrees that the Confidential Information is the copyrighted or trade secret property of EdTec, its licensors and/or suppliers and that all right, title, and interest in and to the Confidential Information are and shall remain solely in EdTec, its licensors and/or suppliers.

B. Limitations on Use. Client shall maintain the Confidential Information in the strictest confidence and, unless otherwise provided for herein, shall not sell, transfer, publish, disclose, display, or otherwise make available the Confidential Information, or any part thereof, to third parties, including affiliates, without the prior written permission of EdTec. Notwithstanding the foregoing, Client's confidentiality obligations hereunder shall not apply to the following types of information, if so demonstrated by Client with legally sufficient evidence: (i) information that was in Client's possession without proprietary restrictions prior to the date of disclosure to Client; (ii) information that is published or otherwise becomes available to the general public as part of the public domain without breach of this Agreement or fault on the part of Client; (iii) information that is rightfully obtained by Client from a third party without restriction as to disclosure; or (iv) information that has been approved for release by written authorization of EdTec. Client shall not be in breach of its obligations under this Section 3.B. if it is required to disclose the Confidential Information by court order or government action, provided, that Client first provides EdTec with written notice and reasonably assists EdTec in its efforts to seek a protective order and/or to limit the extent of the disclosure. In the event of a violation of this Section 3.B., Client shall indemnify EdTec for any and all liabilities, damages, and costs (including attorneys' fees) suffered or incurred by EdTec as a result of such violation. Client acknowledges and agrees that the unauthorized disclosure, use, access, copying, or disposition of Confidential Information could cause irreparable harm and significant injury which may be difficult to ascertain, and accordingly, that EdTec shall have the right to an immediate injunction in the event of any breach of Client's obligations regarding Confidential Information, in addition to any other remedies that may be available to EdTec at law or in equity, without the posting of bond or demonstrating the monetary value of the Confidential Information. Client's obligations of confidentiality and limitation of use shall survive the termination of this Agreement for a period of five years.

C. Proprietary Legends. Client shall not remove any copyright notice or other proprietary or restrictive legends or notices contained or included in the Service, any Documentation or other Confidential

The Los Angeles Leadership Academy

Information, and Client shall not reproduce or copy any Confidential Information except with the prior written authorization of EdTec.

D. Client Obligations and Responsibilities Respecting Access and Data. Client shall limit use of and access to the Confidential Information, including the Service and the Documentation as provided above, to Designated Users as permitted hereunder, and Client shall prevent all Client personnel other than Designated Users from having access to any such information. Client shall take appropriate action with respect to any Designated Users to enable Client to satisfy its obligations under this Agreement with respect to use, copying, protection, and security of the Service, Documentation, and other Confidential Information, including informing all Designated Users of the confidential nature of the Confidential Information. Client shall be liable for any failure on the part of any Designated User to comply with the terms of this Section 3. Client agrees that it shall have the sole responsibility for protecting Client Data used in connection with the Service, and further acknowledges and agrees that EdTec shall have no responsibility to review Client Data except to the extent otherwise specifically provided for in a separate Statement of Work executed by the parties.

E. Client Indemnification. Client shall defend and hold EdTec and NetSuite harmless from and against any and all costs, liabilities, losses and expenses (including, but not limited to, reasonable attorneys' fees)(collectively, "Losses") arising out of or in connection with a claim, suit, action, or proceeding brought by any party against EdTec and/or NetSuite (including without limitation a claim brought by NetSuite against EdTec) which arise out of or result from a claim (i) alleging that the Client Data or any trademarks, or any use thereof, infringes the intellectual property rights or other rights, or has caused harm to a third party, or (ii) arising out of Client's breach of the terms of this Agreement, including without limitation the Terms of Service on Exhibit B, provided that EdTec (a) promptly provides Client notice of the claim, suit, action, or proceeding; (b) gives Client sole control of the defense; and (c) provides Client with all reasonably available information and assistance necessary to perform Client's obligations under this Section 3.E.; provided, however, that any proposed settlement shall not be entered into by Client without the prior, written consent of EdTec and/or NetSuite, as applicable, which either EdTec or NetSuite may withhold in their respective sole discretion. The indemnification obligations contained in this Section 3.E. shall survive the termination or expiration of this Agreement for five years.

4. WARRANTIES; EXCLUSIVE REMEDY.

A. EdTec Warranty. EdTec warrants to Client that EdTec shall use commercially reasonable efforts to cause NetSuite, in accordance with the terms of EdTec's agreement with NetSuite, to correct any nonconformity between the Documentation and the operation of the Service at no cost to Client, as Client's sole and exclusive remedy, when given timely written notice by Client of such nonconformance and provided that such nonconformance is not caused by Client.

B. DISCLAIMER OF WARRANTIES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, EDTEC DOES NOT REPRESENT OR WARRANT THAT CLIENT'S USE OF THE SERVICE, DOCUMENTATION OR OTHER CONFIDENTIAL INFORMATION WILL BE SECURE, TIMELY, UNINTERRUPTED, OR ERROR-FREE OR THAT THE SERVICE WILL MEET CLIENT'S REQUIREMENTS OR THAT ALL ERRORS IN THE SERVICE, DOCUMENTATION AND/OR OTHER CONFIDENTIAL INFORMATION WILL BE CORRECTED OR THAT THE SYSTEM THAT MAKES THE SERVICE AVAILABLE WILL BE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. EDTEC IS PROVIDING ACCESS TO THE SERVICE, DOCUMENTATION, AND ANY OTHER CONFIDENTIAL INFORMATION TO CLIENT ON AN "AS IS, AS AVAILABLE" BASIS. NEITHER EDTEC NOR ITS AFFILIATES, LICENSORS OR SUPPLIERS MAKES ANY OTHER WARRANTY WHATSOEVER, EXPRESS, IMPLIED (EITHER IN FACT OR BY OPERATION OF LAW), STATUTORY, CONTRACTUAL, OR OTHERWISE WITH RESPECT TO THE SERVICE, DOCUMENTATION, AND/OR CONFIDENTIAL INFORMATION, AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT AND ANY WARRANTIES ARISING BY VIRTUE OF CUSTOM OF TRADE OR COURSE OF DEALING. CLIENT EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE WARRANTY AND REMEDIES PROVIDED BY EDTEC IN THIS AGREEMENT SHALL NOT BE DEEMED TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE SO

LONG AS EDTEC HAS MADE GOOD FAITH EFFORTS TO CAUSE NETSUITE, IN ACCORDANCE WITH THE TERMS OF EDTEC'S AGREEMENT WITH NETSUITE, TO CORRECT ANY NONCONFORMITY BETWEEN THE DOCUMENTATION AND THE OPERATION OF THE SERVICE AT NO COST TO CLIENT, AND THAT THE FOREGOING DISCLAIMERS ARE REASONABLE AND REPRESENT A BARGAINED-FOR ALLOCATION OF RISK BETWEEN THE PARTIES. CERTAIN STATES AND/OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE EXCLUSIONS SET FORTH HEREIN MAY NOT APPLY TO CLIENT.

5. LIMITATION OF LIABILITY.

CLIENT ACKNOWLEDGES AND AGREES THAT THE CONSIDERATION TO BE RECEIVED BY EDTEC IN CONNECTION WITH CLIENT'S USE OF THE SERVICE HEREUNDER DOES NOT INCLUDE CONSIDERATION FOR ASSUMPTION BY EDTEC, ITS AFFILIATES, LICENSORS AND/OR SUPPLIERS OF THE RISK OF CLIENT'S INCIDENTAL OR CONSEQUENTIAL DAMAGES. IN NO EVENT SHALL EDTEC, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, AFFILIATES, LICENSORS AND/OR SUPPLIERS HAVE ANY LIABILITY TO CLIENT OR ANY THIRD PARTY FOR ANY DAMAGES, INCLUDING WITHOUT LIMITATION, DIRECT, INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE PERFORMANCE OF, OR CLIENT'S USE OF OR INABILITY TO USE, THE SERVICE AND/OR DOCUMENTATION, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST REVENUE, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, OR OTHER ECONOMIC ADVANTAGE, WHETHER SUCH LIABILITY ARISES FROM ANY CLAIM BASED UPON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE. IN NO EVENT SHALL EDTEC'S MAXIMUM AGGREGATE LIABILITY ARISING OUT OF OR IN CONNECTION WITH ANY USE BY CLIENT OF THE SERVICE, DOCUMENTATION OR OTHER CONFIDENTIAL INFORMATION EXCEED THE EQUIVALENT OF THREE MONTHS IN FEES ALLOCABLE TO THE USE OF THE SERVICE UNDER THE SOW APPLICABLE AT THE TIME OF THE EVENT. THE ESSENTIAL PURPOSE OF THIS PROVISION IS TO LIMIT THE POTENTIAL LIABILITY OF EDTEC, ITS AFFILIATES, LICENSORS AND/OR SUPPLIERS, AS CLIENT ACKNOWLEDGES AND AGREES THAT THESE LIMITATIONS ARE INTEGRAL TO THE AMOUNT OF CONSIDERATION LEVIED IN CONNECTION WITH THE USE OF THE SERVICE, DOCUMENTATION AND OTHER CONFIDENTIAL INFORMATION AND THAT, WERE EDTEC, ITS AFFILIATES, LICENSORS AND/OR SUPPLIERS TO ASSUME ANY FURTHER LIABILITY OTHER THAN AS SET FORTH HEREIN, SUCH CONSIDERATION WOULD OF NECESSITY BE SET SUBSTANTIALLY HIGHER. THE FOREGOING LIMITATION OF LIABILITY IS COMPLETE AND EXCLUSIVE, SHALL APPLY EVEN IF EDTEC HAS BEEN ADVISED OF THE POSSIBILITY OF CLAIMS, LOSSES, OR DAMAGES, AND SHALL APPLY REGARDLESS OF THE SUCCESS OR EFFECTIVENESS OF ANY OTHER REMEDIES POSSESSED BY CLIENT OR THIRD PARTIES. CLIENT EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE FOREGOING LIMITATIONS OF LIABILITY ARE REASONABLE AND REPRESENT A BARGAINED-FOR ALLOCATION OF RISK BETWEEN THE PARTIES. CERTAIN STATES AND/OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE EXCLUSIONS SET FORTH HEREIN MAY NOT APPLY TO CLIENT.

6. Termination.

A. Term and Termination. This Agreement shall terminate upon the expiration of the Term. Either party may terminate this Agreement by written notice if the other party: (i) commits a material breach of this Agreement, which breach, if capable of being cured, is not cured within thirty (30) days after receipt of a written notice of termination, unless a shorter period of time is provided for specifically elsewhere in this Agreement; or (ii) becomes insolvent, makes a general assignment for the benefit of creditors, files a voluntary petition of bankruptcy, suffers or permits the appointment of a receiver for its business or assets, or becomes subject to any proceedings under any bankruptcy or insolvency law, whether domestic or foreign, or has wound up or liquidated, voluntarily or otherwise. This Agreement will also terminate

automatically, without liability to EdTec, upon any termination or expiration of EdTec's agreement with NetSuite.

B. Return of Materials. Upon termination or expiration of this Agreement for any reason, Client shall immediately discontinue use of the Service and Documentation and, within ten (10) days thereafter, certify in writing to EdTec that all copies, extracts, or derivatives of the Service, Documentation, and any other Confidential Information, in whole or in part, in any form, have either, at EdTec's option, been returned to EdTec or destroyed in accordance with EdTec's instructions.

C. Handling of Client Data. Client acknowledges and agrees that following termination of Client's rights hereunder, EdTec may immediately deactivate Client's account and that following a reasonable period of not less than 90 days shall be able to delete Client's account and related Client Data. Upon such termination, EdTec will use reasonable commercial efforts to retrieve, at Client's expense on a time and materials basis, lawful Client Data from the Service and provide such retrieved data to Client in a format to be designated by EdTec, provided that Client has paid in full all good faith undisputed amounts owed to EdTec.

D. Survival. The provisions of Sections 2.C., 2.D, 3, 4, 5, 6 and 7 herein shall survive the termination or expiration of this Agreement for any reason.

7. Miscellaneous.

A. Intended Third-Party Beneficiary. Client acknowledges and agrees that NetSuite is an intended third-party beneficiary of the provisions of this Agreement.

B. Successors and Assigns. None of the rights granted by EdTec or obligations assumed by Client hereunder may be assigned, sold, delegated or otherwise transferred by Client without the prior written consent of EdTec, which may be withheld by EdTec in its sole and absolute discretion. Any attempt by Client to assign, sell, delegate or transfer any of its rights, duties, or obligations under this Agreement in contravention of this Section 7.B. shall be void and shall have no effect. EdTec shall have the right to freely assign or delegate its rights or obligations under this Agreement.

C. Notices. Any and all written notices permitted or required to be given hereunder shall be deemed duly given: (i) upon actual delivery, if delivery is by hand; (ii) upon receipt by the transmitting party of confirmation or answer back if delivery is by facsimile or electronic mail; or (iii) upon delivery into the United States mail if delivery is by registered or certified mail, return receipt requested. Each such notice shall be sent to the address indicated below or to any other address as the respective party may designate by written notice delivered pursuant to this Section 7.

D. Entire Agreement. This Agreement (including the Exhibits attached hereto) constitutes the entire agreement between the parties with respect to the subject matter contained herein and supersedes all previous agreements, negotiations, proposals, or other communications and may only be modified by an agreement executed in writing by both parties hereto.

E. Governing Law. This Agreement will be governed in all respects by the laws of the State of California, without regard to any conflicts of law principles, decisional law, or statutory provision which would require or permit the application of another jurisdiction's substantive law.

F. Jurisdiction. Any dispute arising out of this Agreement shall be adjudicated in Oakland, California in accordance with the provisions of the MSA.

G. Independent Contractors. The relationship of EdTec and Client established by this Agreement is that of independent contractors, and nothing contained in this Agreement shall be construed (i) to give either party the power to direct or control the day-to-day activities of the other, or (ii) to constitute the parties as partners, joint venturers, co-owners or otherwise as participants in a joint or common undertaking.

H. Severability. In the event that a provision of this Agreement shall be held to be invalid, illegal or unenforceable in any respect, the remaining provisions shall remain in full force and effect.

I. No Waiver. The failure of either party to enforce at any time any of the provisions of this Agreement shall not be deemed to be a waiver of the right of either party thereafter to enforce any such provisions.

J. Force Majeure. Except for the obligation to make payments, nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, governmental acts or orders or restrictions, failure of suppliers or licensors, or any other reason where failure to perform is beyond the control and not caused by the gross negligence of the nonperforming party.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized officers, effective as of the Effective Date.

EXHIBIT B

TERMS OF SERVICE

Client acknowledges and agrees to the following terms of service. In addition, Client agrees that unless explicitly stated otherwise, any new features that augment or enhance the Service or Documentation, and/or any related new service(s) subsequently purchased by Client will be subject to the Agreement.

B.1. Client Must Have Internet Access. In order to use the Service, Client must have or must obtain access to the World Wide Web, either directly or through devices that access Web-based content. Client must also provide all equipment necessary to make such (and maintain such) connection to the World Wide Web.

B.2. Accuracy of Client's Registration Information. Client agrees to provide accurate, current and complete information regarding its Designated Users and Client ("Registration Data") as requested by EdTec. Client further agrees to use commercially reasonable efforts to maintain and promptly update the Registration Data to keep it accurate, current and complete. Client acknowledges and agrees that if Client provides information that is intentionally inaccurate, not current or incomplete in a material way, or EdTec or NetSuite has reasonable grounds to believe that such information is untrue, inaccurate, not current or incomplete in a material way, EdTec and/or NetSuite has the right to suspend Client's account.

B.3. Email And Notices. Client agrees to provide EdTec with Client's e-mail address, to promptly provide EdTec with any changes to Client's e-mail address, and to accept emails (or other electronic communications) from EdTec and/or NetSuite at the e-mail address Client specifies. Client further agrees that EdTec and/or NetSuite may provide any and all notices, statements, and other communications to Client through either e-mail, posting on the Service (or other electronic transmission) or by mail or express delivery service.

B.4. Passwords, Access, And Notification. Client may designate up to the number of Designated Users under Exhibit A, which corresponds to the number of Seats granted to Client, and Client may provide and assign unique passwords and user names to each Designated User for each Seat. Client acknowledges and agrees that Client is prohibited from sharing passwords and/or user names with unauthorized users. Client will be responsible for the confidentiality and use of Client's (including its employees') passwords and user names. Client will also be responsible for all Electronic Communications, including those containing business information, account registration, account holder information, financial information, Client Data, and all other data of any kind contained within emails or otherwise entered electronically through the Service or under Client's account. EdTec and/or NetSuite will act as though any Electronic Communications it receives under Client's passwords, user name, and/or account number will have been sent by Client. Client agrees to immediately notify EdTec if Client becomes aware of any loss or theft or unauthorized use of any of Client's passwords, user names, and/or account number. Client also agrees to not attempt to access in any way any data in the Service other than Client Data.

B.5. Client's Lawful Conduct. The Service allows Client to send Electronic Communications directly to EdTec, NetSuite and to third parties. Client agrees to comply with all applicable local, state, federal, and foreign laws, treaties, regulations, and conventions in connection with its use of the Service, including without limitation those related to privacy, confidentiality of student and employee data, electronic communications, and anti-spam legislation. Client will not send any Electronic Communications from the Service that is unlawful, harassing, libelous, defamatory, or threatening. Except as permitted by the Agreement, no part of the Service may be copied, reproduced, distributed, republished, displayed, posted or transmitted in any form or by any means. Client agrees not to access the Service by any means other than through the interfaces that are provided by EdTec and/or NetSuite. Client shall not license, rent, sell, lease, transfer, assign, distribute, display, host, outsource, disclose, or otherwise commercially exploit or make the Service available to any party other than a Designated User, including but not limited to, creating Internet Links to the Service which include log-in information, including but not limited to, user names, passwords, secure cookies, and/or "mirroring" or "framing" any part of the Service. Client will not upload, post, reproduce or distribute any information, software or other material protected by copyright or any other

intellectual property right (including rights of publicity and privacy) without first obtaining the permission of the owner of such rights. Client will not in any way express or imply that any opinions contained in Client's Electronic Communications are endorsed by EdTec or NetSuite. Neither Client, nor someone acting on Client's behalf, will use the Service to target for solicitation any EdTec or NetSuite customers for purposes of providing any competitive product or service. Client will ensure that any use of the Service by Client's Designated Users is in accordance with the terms and conditions of the Agreement.

B.6. Third-Party Software. Client agrees to use software produced by third parties, including, but not limited to, "browser" software that supports a data security protocol compatible with the protocol used by EdTec and/or NetSuite. Until notified otherwise by EdTec and/or NetSuite, Client agrees to use software that supports the Secure Socket Layer (SSL) protocol or other protocols accepted by EdTec and/or NetSuite and to follow logon procedures for services that support such protocols. Client acknowledges that neither EdTec nor NetSuite is responsible for notifying Client of any upgrades, fixes or enhancements to any such software or for any compromise of data transmitted across computer networks not owned or operated by EdTec or NetSuite or telecommunications facilities, including, but not limited to, the Internet.

B.7. Transmission Of Data. Client understands that the technical processing and transmission of Client's Electronic Communications is fundamentally necessary to Client's use of the Service. Client expressly consents to EdTec's and NetSuite's interception and storage of Electronic Communications and/or Client Data, and Client acknowledges and understands that Client's Electronic Communications will involve transmission over the Internet, and over various networks, only part of which may be owned and/or operated by EdTec and/or NetSuite. Client acknowledges and understands that changes to Client's Electronic Communications may occur in order to conform and adapt such data to the technical requirements of connecting networks or devices. Client further acknowledges and understands that Electronic Communications may be accessed by unauthorized parties when communicated across the Internet, network communications facilities, telephone, or other electronic means. Client agrees that neither EdTec nor NetSuite is responsible for any Electronic Communications and/or Client Data which are lost, altered, intercepted or stored without authorization during the transmission of any data whatsoever across networks not owned and/or operated by EdTec and/or NetSuite.

B.8. Links. The Service may provide, or third parties may provide, links to other World Wide Web sites or resources. Because EdTec and NetSuite have no control over such sites and resources, Client acknowledges and agrees that neither EdTec nor NetSuite is responsible for the availability of such external sites or resources, and does not endorse and is not responsible or liable for any content, advertising, products, or other materials on or available from such sites or resources.

B.9 Support. Client ACKNOWLEDGES AND AGREES THAT ALL SUPPORT REQUESTS SHALL BE MADE TO EDTEC, AND NOT TO NETSUITE. EdTec will make commercially reasonable efforts during EdTec's normal business hours to secure support from NetSuite, in accordance with the terms of EdTec's agreement with NetSuite, to promote Client's utilization of the Service. Client acknowledges that not following the advice of EdTec and/or NetSuite in use of the Service may substantially undermine Client's utilization of the Service.

B.10 Proprietary Rights. Client acknowledges and agrees that the Service and any necessary software used in connection with the Service contain proprietary and confidential information that is protected by applicable intellectual property and other laws. Client further acknowledges and agrees that content or information presented to Client through the Service or by advertisers may be protected by copyrights, trademarks, service marks, patents or other proprietary rights and laws.

B.11 Trademark Information. EdTec™, EdTec School Portal™, and the EdTec logo™, and other EdTec service marks, logos and product and service names are marks of EdTec (the "EdTec Marks"). NetSuite™, the NetSuite logo™, NetCRM™, NetERP™, NetFlex, the NetCRM logo™, and other NetSuite service marks, logos and product and service names are marks of NetSuite (the "NetSuite Marks"). Client agrees not to display or use the EdTec Marks or NetSuite Marks in any manner without the owner's express prior written permission.

B.12. Provisioning Of Account. To the extent applicable, Client agrees to be bound by the provisions of any "click wrap" agreement that it must agree to pertaining to "Terms of Service" before Client can begin use of the Service. EdTec and Client hereby expressly agree that to the extent that such click wrap Terms of Service differ from the terms of the Agreement, that the verbiage of the Agreement exclusively controls the obligations of the parties.

B.13 Suspension For Ongoing Harm. Client agrees that EdTec and/or NetSuite may with reasonably contemporaneous telephonic notice to Client suspend Client's access to the Service if EdTec and/or NetSuite reasonably concludes that Client's use of the Service is causing immediate and ongoing harm to EdTec, NetSuite or others. In the event that Client's access to the Service is suspended, EdTec will use commercially reasonable efforts to cause NetSuite to resolve the issues causing the suspension of Service in accordance with the terms of the agreement between EdTec and NetSuite. Client agrees that neither EdTec nor NetSuite shall be liable to Client or to any third party for any suspension of the Service under such circumstances as described in this Section B.13.

B.14 Modification To Or Discontinuation Of The Service. EdTec and/or NetSuite reserve the right at any time and from time to time to modify, temporarily or permanently, the Service (or any part thereof). In the event that EdTec or NetSuite modifies the Service in a manner which removes or disables a feature or functionality on which Client materially relies, EdTec or NetSuite, as applicable, at Client's request shall use commercially reasonable efforts to substantially restore such functionality to Client. In the event that EdTec and/or NetSuite is unable to substantially restore such functionality, Client shall have the right to terminate the Agreement and receive a pro-rata refund of the fees paid under the Agreement for use of the Service which was paid for by Client but not yet furnished as of the date of such termination. Client acknowledges that EdTec reserves the right to discontinue offering the Service to Client upon the expiration or termination of EdTec's agreement with NetSuite or at the conclusion of Client's then-current Term. Client agrees that neither EdTec nor NetSuite shall be liable to Client or to any third party for any modification or discontinuance of the Service as described in this Section B.14.

B.15 Service Level. EdTec warrants to Client during the Term that EdTec shall use commercially reasonable efforts to cause NetSuite, in accordance with the terms of EdTec's agreement with NetSuite, to have the Service meet the service levels outlined in Exhibit C in any month. In the event that the service levels outlined in Exhibit C are not met, Client's sole and exclusive remedy is that EdTec will provide Client with a credit as described in Exhibit C, which is hereby incorporated by reference. Any credit is expressly conditioned upon Client providing EdTec written notice of such failure by the fifth day of the month following such service level failure.

- **Customized financial analysis** – EdTec performs reasonable financial analysis that the staff or board requests, e.g., providing a comparative analysis of the school's budget relative to industry norms, scenario modeling (within reason), or fulfilling a request from the authorizing entity. However, if the Parties, at the time of execution of this MSA or an Ordering Document, expressly agree in writing to supersede such PowerSchool State DPA with a separately negotiated data privacy agreement executed by and between the Parties ("**Negotiated DPA**"), such Negotiated DPA shall govern the Customer Data processed under this Agreement. Such Negotiated DPA, if existing, shall be executed and either submitted with the applicable Ordering Document or separately returned to PowerSchool as a stand-alone document. The Parties agree to comply with the PowerSchool State DPA or the Negotiated DPA, as applicable, and such applicable DPA shall supplement the terms of this Agreement.

3.4 Security Training. Customer agrees to require annual cyber security training for User(s) when reasonably applicable. Customer will also require User(s) to utilize multi-factor authentication to access computer systems with the Services when available within the applicable Service. Customer agrees to keep a record of such training and PowerSchool may request to see them as part of compliance verification.

4. PROPRIETARY RIGHTS

4.1 PowerSchool Services and Software. 4.4 Feedback. If Customer or any User provides PowerSchool with any suggestions, comments,

enhancement requests, or other feedback relating to the PowerSchool Services or any other PowerSchool's products or services (collectively, "**Feedback**"), Customer grants to PowerSchool a worldwide, perpetual, irrevocable, royalty-free, and transferable license to use and incorporate into PowerSchool Services and PowerSchool Software such Feedback (excluding any Customer Confidential Information contained in the Feedback).

4.6 No Use of Trademarks. Except as set forth below, neither Party nor its affiliates shall use the other Party's Trademarks in any form or substance in any medium or for any purpose without the other Party's prior written consent (which consent can be via e-mail if such e-mail is from an authorized representative of the consenting Party).

4.7 Marketing. Subject to Customer's trademark usage guidelines, Customer grants PowerSchool a non-exclusive, worldwide, royalty-free right to include Customer's Trademark and other related transactional information (including enrollment count, names of the Services ordered by Customer, etc., but excluding pricing) in any customer listing appearing on or in any PowerSchool websites, brochures, fliers, presentations, press releases, annual reports and any other marketing materials. Customer may withdraw or terminate the foregoing license at any time by providing PowerSchool with thirty (30) days' prior written notice of its intent to terminate. Such notice of withdrawal or termination must be sent via e-mail to champions@powerschool.com with a copy to legalnotices@powerschool.com, and the email subject line must state "Trademark Consent Withdrawal". After such thirty (30) day period, the foregoing license will terminate, and PowerSchool will remove Customer's Trademarks from its website and cease from creating any new marketing material containing the same. However, PowerSchool's right to continue to use any marketing materials produced, published, or disseminated prior to such termination will continue until the supply, publication, dissemination and/or use of such materials is exhausted or terminates.

5. CONFIDENTIALITY.

5.1 Confidential Information. Each Party (as may disclose or make available Confidential Information to the other Party. "**Confidential Information**" means non-public information disclosed by a Party (the "**Disclosing Party**") to the other Party (the "**Receiving Party**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, including business and marketing plans, technology and technical information, product plans, roadmaps, and designs, and business processes. Confidential Information of Customer includes Customer Data; and Confidential Information of PowerSchool includes the Services, PowerSchool Software, and, subject to Section 5.4 (Public Records Act), the terms of this Agreement and each Ordering Document (including pricing). However, Confidential Information does not include any information that the Receiving Party can reasonably demonstrate by written or other documentary records: (i) is or becomes publicly known or available without breach of any obligation owed to the Disclosing Party; (ii) was known by the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (iii) is received from a third party without knowledge of any breach of any obligation owed to the Disclosing Party; or (iv) is independently developed by the Receiving Party without the aid, application or use of the Confidential Information. For the avoidance of doubt, the non-disclosure obligations set forth in this "Confidentiality" section apply to Confidential Information exchanged between the Parties in connection with the evaluation of additional PowerSchool services.

5.2 Protection of Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its affiliates' employees, contractors, sub-processors and agents who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. The Receiving Party's obligations under Section 5 (Confidentiality) shall survive the termination or expiration of this Agreement and continue in effect thereafter for a period of five (5) years with respect to Confidential Information that does not qualify as a trade secret under applicable law, and, with respect to Confidential Information that qualifies as a trade secret under applicable law, in perpetuity after the termination or expiration of the Agreement.

5.3 Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure.

5.4 Public Record Act. Notwithstanding anything herein to the contrary, PowerSchool acknowledges that, to the extent Customer is subject to public record acts or freedom of information acts, (a) PowerSchool will reasonably work with Customer to provide appropriate information in response to such requests, to the extent such requested information is not PowerSchool's proprietary information or otherwise exempted from disclosure; and (b) Customer shall provide PowerSchool a reasonable opportunity to object to any such request as permitted under applicable law.

6. FEES AND PAYMENT.

6.1 Fees. Customer agrees to pay PowerSchool for all fees charged for the Services consistent with the terms on the Quote and invoice. Unless Customer provides PowerSchool with evidence of its tax-exemption status, Customer will be responsible for paying all applicable sales, use, value-added, or other taxes or duties, however designated, except for taxes based on PowerSchool's net income. Customer agrees to pay for PowerSchool's pre-approved reasonable travel and lodging expenses for Professional Services performed at Customer's premises. All fees set forth in any Quote or invoice will be in the currency set forth in the applicable Quote.

6.2 Enrollment Increases. If fees for any of the Services are based on quantity or student count and Customer accesses such Services with more than the quantity identified in the applicable Quote, then Customer will pay the fees for the excess usage based on its then-current per individual and support fees. Any such increase in quantity will be maintained through the end of the then-current subscription period.

6.3 Payment. Unless otherwise set forth in the applicable Quote or invoice, Customer shall make all payments on or before the due date specified on the applicable invoice by the method specified on the invoice. PowerSchool may accept credit card payment; however, credit card payments shall subject Customer to a transaction fee and a \$250,000 transaction limit. Subject to the "Payment Disputes" section below, if an invoiced amount is overdue by thirty (30) or more days, PowerSchool reserves the right to charge a late fee of 1.5% monthly (18% annually) or the maximum rate allowed by law, whichever is lower, on the amounts overdue.

6.4 Payment Disputes. If Customer reasonably and in good faith disputes all or any portion of any invoice, Customer shall notify PowerSchool in writing of its objection within twenty (20) days from the date of the applicable invoice, provide a detailed description of the reasons for the objection, and pay the portion of the invoice which is not in dispute. If Customer does not object in a timely manner within this time period, the amount invoiced shall be conclusively deemed correct by the Parties. If the Parties are unable to resolve such payment dispute within thirty (30) days from PowerSchool's receipt of Customer's written objection, each Party shall have the right to seek any remedies it may have under this Agreement, at law or in equity, irrespective of any terms that would limit remedies on account of a dispute. For clarity, any undisputed amounts must be paid in full.

6.5 No Deductions or Setoffs. Subject to Customer's right to dispute an invoice under Section 6.4 (Payment Dispute), all amounts payable to PowerSchool under this Agreement shall be paid by Customer to PowerSchool in full without any setoff, deduction, or withholding for any reason.

7. PRODUCT-SPECIFIC AND PASS-THROUGH TERMS.

7.1 Licensed Applications. If the Services include Licensed Applications, provision of such Licensed Applications may be subject to additional license terms identified at https://www.powerschool.com/Product-Specific-Terms_2024/, which terms are incorporated herein by reference and are required by PowerSchool's licensors to pass through to Customer without any modification. Such licensors audit PowerSchool to ensure compliance with this requirement.,

7.2 Third-Party Software. Third-Party Software is licensed directly to the Customer pursuant to separate license terms between Customer and a third-party supplier. All support, warranties, and services related to Third-Party Software are provided by the supplier of the Third-Party Software under such third party's terms and conditions, and not by PowerSchool. PowerSchool will have no obligations or liability regarding any Third-Party Software.

7.3 Product-Specific Terms. Certain Services may be subject to additional product-specific terms identified at https://www.powerschool.com/Product-Specific-Terms_2024/, which are incorporated herein by reference.

8. LIMITED WARRANTY.

PowerSchool warrants that the PowerSchool Software included in the Services will operate in substantial conformity with the applicable Documentation under normal use and circumstances. If Customer notifies PowerSchool in writing of a breach of this warranty, PowerSchool will, at its option, either: (a) use commercially reasonable efforts to correct the reported non-conformity, at no charge to Customer, or (b) if PowerSchool determines such remedy to be impracticable, issue Customer a credit of a portion of the fees pre-paid by Customer for the nonconforming Subscription Service that fairly reflects (at PowerSchool's reasonable determination) the diminished value of the non-conforming Subscription Service. The foregoing constitutes Customer's sole and exclusive remedy for any breach of this limited warranty. This warranty will not apply: (i) unless Customer makes a claim within thirty (30) days of the date on which Customer first noticed the non-conformity, or (ii) if the non-conformity was caused by misuse, unauthorized modifications, or third-party hardware, software, or services.

9. DISCLAIMER OF WARRANTIES. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 8 (WARRANTIES), THE SERVICES, POWERSCHOOL SOFTWARE AND THIRD-PARTY SOFTWARE ARE PROVIDED "AS IS", AND POWERSCHOOL AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT, AND ALSO ANY WARRANTIES THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. CUSTOMER MAY HAVE OTHER STATUTORY RIGHTS, BUT THE DURATION OF STATUTORILY REQUIRED WARRANTIES, IF ANY, SHALL BE LIMITED TO THE SHORTEST PERIOD PERMITTED BY LAW. THE ABOVE DISCLAIMER APPLY TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW.

10. INDEMNIFICATION.

10.1 PowerSchool Indemnity. PowerSchool will defend Customer and its board members, officers, staff, employees and representatives ("**Customer Indemnitees**") from and against any claim, demand, suit or proceeding brought by a third party against Customer Indemnitee (a "**Claim Against Customer**"): (i) alleging any Service, when used as authorized under this Agreement, infringes or misappropriates a third party's Intellectual Property Rights; (ii) to the extent arising from the Services being provided in an unlawful manner or in violation of the Agreement or regulations; (iii) alleging a confirmed data breach (as defined by the applicable state law) to the extent attributable to PowerSchool resulting from PowerSchool's violation of the data security provisions expressly set forth in this Agreement or the DPA executed between the Parties; or (iv) to the extent arising out of death, personal injury or damage to tangible property to the extent caused by PowerSchool personnel or subcontractors in their performance of the Services. PowerSchool will indemnify and hold Customer harmless from any damages, attorney fees, and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by PowerSchool in writing of, a Claim Against Customer.

10.1.1 Mitigation. If Customer's use of the Services is enjoined or, in PowerSchool's reasonable opinion, is likely to be enjoined, PowerSchool may (i) substitute for the Services, a substantially and functionally similar product(s) and documentation; (ii) procure for Customer the right to continue using the Services; or if (i) or (ii) is not possible after reasonable commercial efforts from PowerSchool, then PowerSchool may terminate this Agreement and credit a pro-rated return of unused portion of the fees prepaid by Customer for the applicable Services.

10.1.2 Exclusions. The above defense and indemnification obligations do not apply to the extent the Claim Against Customer arises from: (i) modifications to the Services by any party other than PowerSchool or its subcontractor; (ii) the combination of the Services with software, hardware, data, products or processes not provided by PowerSchool, if the Services or use thereof would not infringe without such combination; (iii) Customer's breach of this Agreement or violation of applicable law; or (iv) Customer Data, or any deliverables or components not provided by PowerSchool or its subcontractor.

10.2 Indemnification by Customer. To the extent permitted under applicable law, Customer will defend PowerSchool and its affiliates and each of their respective directors, officers, employees, representatives and agents (collectively, "**PowerSchool Indemnitees**") from and against any claim, demand, suit or proceeding brought by a third party against a PowerSchool Indemnitee (a "**Claim Against PowerSchool**") to the extent arising out of: (a) any Customer Data or use of Customer Data with the Services; (b) any information or content (other than PowerSchool-provided content) transmitted or submitted by Customer or its Users through the Services or shared with any third party; or (c) Customer's use of the Services or content therein in an unlawful manner or in violation of the Agreement. Customer will indemnify and hold PowerSchool harmless from any damages, attorney fees, and costs finally awarded against PowerSchool as a result of, or for amounts paid by PowerSchool under a

settlement approved by Customer in writing of, a Claim Against PowerSchool. The above defense and indemnification obligations do not apply if a Claim Against PowerSchool arises from PowerSchool's breach of the Agreement or violation of applicable law.

10.3 Procedure. The indemnifying Party's obligations are expressly conditioned upon the following: (a) the indemnified Party will promptly notify the indemnifying Party in writing of any Claim Against Customer or Claim against PowerSchool, as applicable (the "Claim"); (b) the indemnifying Party will have sole control of the defense and settlement of the Claim; (c) the indemnified Party gives all reasonable assistance, at the indemnifying Party's expense, to facilitate the settlement or defense of the Claim; and (d) the indemnifying Party will not settle any claim or suit in a manner that results in an admission of liability by the indemnified Party, without the indemnified Party's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

10.4 Sole and Exclusive Remedy. THIS "INDEMNIFICATION" SECTION STATES THE INDEMNIFYING PARTY'S SOLE LIABILITY TO, AND THE INDEMNIFIED PARTY'S EXCLUSIVE REMEDY AGAINST, THE OTHER PARTY FOR ANY THIRD-PARTY CLAIM DESCRIBED IN THIS SECTION.

11. LIMITATION OF LIABILITY.

11.1 EXCLUSION OF DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE TO THE OTHER PARTY FOR ANY LOST PROFITS OR FUNDING, REVENUES, GOODWILL, OR INDIRECT, INCIDENTAL, CONSEQUENTIAL, COVER, BUSINESS INTERRUPTION OR PUNITIVE DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, AND EVEN IF A PARTY OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF A PARTY'S OR ITS AFFILIATES' REMEDY OTHERWISE FAILS OF ITS ESSENTIAL PURPOSE. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

11.2 CAP ON MONETARY LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY LAW AND EXCEPT AS STATED HEREIN, IN NO EVENT SHALL THE AGGREGATE LIABILITY OF EACH PARTY TOGETHER WITH ALL OF ITS AFFILIATES ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER AND ITS AFFILIATES HEREUNDER FOR THE SERVICES GIVING RISE TO THE LIABILITY IN THE TWELVE (12) MONTHS PRECEDING THE FIRST INCIDENT OUT OF WHICH THE LIABILITY AROSE. NOTWITHSTANDING THE FOREGOING, IN NO EVENT SHALL THE AGGREGATE LIABILITY OF EACH PARTY TOGETHER WITH ALL OF ITS AFFILIATES ARISING OUT OF OR RELATED TO THE EXCLUDED CLAIMS EXCEED TWO TIMES (2X) THE TOTAL AMOUNT PAID BY CUSTOMER AND ITS AFFILIATES HEREUNDER FOR THE SERVICES GIVING RISE TO THE LIABILITY IN THE TWELVE (12) MONTHS PRECEDING THE FIRST INCIDENT OUT OF WHICH THE LIABILITY AROSE. THE FOREGOING LIMITATION WILL APPLY WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY BUT WILL NOT LIMIT CUSTOMER'S AND ITS AFFILIATES' PAYMENT OBLIGATIONS UNDER THE "FEES AND PAYMENT" SECTION ABOVE.

11.3 EXCEPTIONS. THE FOREGOING LIMITATIONS SHALL NOT APPLY TO LIABILITY ARISING OUT OF A PARTY'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR FRAUD.

12. INSURANCE. Each Party will maintain, at its own expense during the Term, insurance appropriate to its obligations under this Agreement, including as applicable general commercial liability, errors and omissions, employer liability, cyber liability, automobile liability, and worker's compensation insurance as required by applicable law. PowerSchool's current certificate of insurance ("COI") is found at <https://www.powerschool.com/Certificate of Insurance 2024/>, which will be updated annually and not subject to any modifications by Customer. Upon Customer's request, PowerSchool agrees to include Customer as a certificate holder (but not as additional insured) on such COI. PowerSchool will provide notice and an updated COI to Customer in the event of a cancellation or other material change to the insurance coverage described in such COI. The obligation for PowerSchool to maintain insurance coverage as set forth herein shall in no way impact the terms of the "Limitation of Liability" Section.

13. TERM AND TERMINATION

13.1 Agreement Term. This Agreement commences on the Effective Date and continues until all the Services hereunder have expired or terminated pursuant to the terms of this Agreement (the "Term").

13.2 Subscription Term. The subscription term of each Subscription Service (the "Subscription Term") will be as specified in the applicable Quote. The start date of the Subscription Term shall be the later of (i) the start date specified on the Quote, or (ii) the date last signed on the Quote (or if the Quote is not signed, then the date

of the Customer purchase order received by PowerSchool referencing the applicable Quote number). Except as otherwise specified in the applicable Quote, Subscription Services will automatically renew for successive twelve (12) month periods, unless either Party gives the other Party written notice (email acceptable) at least sixty (60) days before the end date specified on the applicable Quote. Customer shall send any notice of non-renewal to nonrenewal@powerschool.com. Except as otherwise specified in the applicable Quote, renewal of Subscription Services will be subject to an uplift, and renewal of promotional or one-time priced subscriptions or licenses will be at PowerSchool's applicable list price in effect at the time of the applicable renewal.

13.3 Suspension. If Customer's account is thirty (30) days or more overdue for any PowerSchool product or service (except with respect to charges then under reasonable and good faith dispute), PowerSchool reserves the right, in addition to any of its other rights or remedies, to suspend any of Customer's Services until such amounts are paid in full, provided that, other than for customers paying by credit card or direct debit and whose payment has been declined, PowerSchool has given Customer at least ten (10) business days' prior notice that its account is overdue in accordance with the "Notices" section below. In addition, PowerSchool will have the right to suspend provision of the Services under this Agreement if: (a) Customer or User accessed or used the Services beyond the scope of the rights granted or for purpose not authorized under this Agreement; (b) Customer or any User is or has been involved in any fraudulent, misleading or unlawful activities relating to or in connection with any of the Services; or (c) Customer is notified that an objective security threat arises so great as to warrant immediate action by PowerSchool to protect the security of Customer Data and the PowerSchool systems, including if the Subscription Services are experiencing denial of service attacks, mail flooding, or other attacks or disruptions outside of PowerSchool's control.

13.4 Termination for Breach. A Party may terminate this Agreement for cause (i) upon 30 days written notice to the other Party of a material breach if such breach remains uncured at the expiration of such 30-day period, or (ii) if the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

13.5 Termination for Non-Appropriation for Governmental Entities Only. The Parties acknowledge and agree that if Customer is a governmental entity that is bound to statutory provisions that prevent it from committing to the payment of funds beyond its fiscal year, and if funds are not allocated for the Services specified on a Quote following the commencement of any succeeding fiscal year during which the Quote may continue, then Customer may terminate the Quote without liability for any termination charges or penalties at the end of its last fiscal period or the Subscription Term for which funds were appropriated, subject to Customer's providing the required notice herein. Customer will pay all charges incurred through the end of the last fiscal period or Subscription Term for which funds were appropriated. Customer will give PowerSchool written notice that funds have not been appropriated and that Customer wants to terminate the Agreement: (a) immediately after Customer receives notice of such non-appropriation; and (b) at least thirty (30) days prior to the end of the applicable fiscal period or Subscription Term. Customer will not utilize this clause as a right to terminate any Quote or this Agreement for convenience. PowerSchool reserves the right to request, and Customer shall provide, documentation deemed reasonably sufficient by PowerSchool evidencing such non-appropriation of funds.

13.6 Mutual Termination. The Parties may terminate this Agreement by mutual written agreement.

13.7 No Other Termination Right. Except as expressly set forth in this Agreement, neither Party has a right to terminate this Agreement or any Quote prior to its expiration.

13.8 Effect of Termination. In the event of any termination of all or any portion of this Agreement, Customer will not be relieved of any obligation to pay any sums of money that have accrued prior to the date of termination. In addition, the provisions of Sections 1 (Definitions), 4 (Proprietary Rights), 6 (Fees and Payment), 7 (Product-Specific and Pass-Through Terms), 9 (Disclaimer of Warranties), 10 (Indemnification), 11 (Limitation of Liability), 13.8 (Effect of Termination), and 14 (General Provisions) will survive termination or expiration of this Agreement. The protection of Customer Data as stated in the applicable DPA will survive any termination or expiration of this Agreement for so long as PowerSchool retains possession of Customer Data. Once the Customer Data has been made available to return to Customer and is permanently deleted, the executed DPA associated with this Agreement will automatically expire.

13.9 Return or Disposal of Customer Data. Upon termination or expiration of the Agreement, PowerSchool shall return to Customer or delete the Customer Data in its possession, custody or control in accordance with the terms of the DPA, unless otherwise required by applicable law.

14. GENERAL PROVISIONS

14.1 Governing Law. This Agreement will be governed by the laws of the country, territory, province, or

14.4 Force Majeure. Neither Party will be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees owed) if the delay or failure results from any cause beyond such Party's reasonable control, including acts of God or of a public enemy, acts of terrorism, war, United States or foreign governmental acts or restrictions in either a sovereign or contractual capacity, labor strikes, fire, power outages, road icing or inclement conditions, flood, epidemic or pandemic as designated by the World Health Organization, earthquakes, or tsunamis.

14.5 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision will be deemed null and void, and the remaining provisions of this Agreement will remain in effect.

14.6 No Waiver. No failure or delay by either party in exercising any right under this Agreement will constitute a waiver of that right.

14.7 Notices. All notices under this Agreement must be in writing and delivered and will be deemed to have been received by the addressee: (i) if given by hand, immediately upon receipt; (ii) if given by overnight courier service, the first business day following dispatch; (iii) if given by registered or certified mail, postage prepaid and return receipt requested (or the equivalent delivery method in an international jurisdiction), the second business day after such notice is deposited in the mail; or (iv) if given by email, immediately upon confirmed receipt. 14.8 Assignment. Neither PowerSchool nor Customer shall assign or transfer this Agreement or any interest herein, by operation of law or otherwise, without the prior written consent of the other Party; provided, however, that PowerSchool may assign its rights and obligations under this Agreement without the consent of the Customer in the event PowerSchool hereafter effects a corporate reorganization, consolidates with, or merges into, any entity or transfers all or substantially all of its properties or assets to any entity. This Agreement will inure to the benefit of and be binding upon the Parties, their respective successors and permitted assigns.

14.9 No Reliance. Each Party acknowledges that it has not made any promise or representation that is not expressed in this Agreement; and that it has not been induced into entering this Agreement by any representation about the nature and extent of its existing or potential claims or damages made by the other Party or by the other Party's attorney, representative, or agent.

14.10 Export Compliance. Customer shall not use the Services for any reason if Customer or any User is subject to sanctions or otherwise designated on any list of prohibited or restricted parties, including but not limited to the lists maintained by the U.S. Government (e.g., the Specially Designated Nationals List and Foreign Sanctions Evaders List of the U.S. Department of Treasury, and the Entity List of the U.S. Department of Commerce), the European Union or its Member States, or other applicable government authority. 14.11 Anti-Corruption. Neither Party has received or been offered any illegal or improper bribe, kickback, payment, gift, or thing of value from an employee or agent of the other party in connection with this Agreement. Reasonable gifts and entertainment provided in the ordinary course of business do not violate the above restriction.

The Parties acknowledge and understand that the disclaimers and limitations of liability set forth in this Agreement form an essential basis of the agreement between the Parties. The Parties agree that any term or condition stated in a Customer purchase order or in any other Customer order documentation (excluding Quotes and SOWs) is void. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) the applicable executed Quote, (2) the body of this Agreement; and (3) any referenced and applicable exhibit, schedule, addendum, or amendment to this Agreement. Titles and headings of sections of this Agreement are for convenience only and shall not affect the construction of any provision of this Agreement.

Customer understands and agrees that Scoot employees are assigned to Customer to render temporary services and, absent a written agreement stating otherwise, are not assigned to become employed directly by Customer. Customer acknowledges the considerable expense incurred by Scoot to advertise, recruit, evaluate, train, and place its employees.

Customer agrees it will not, without prior written consent from Scoot, hire a Scoot employee, interfere with the employment relationship between Scoot and its employees, or directly or indirectly cause a Scoot employee to become employed by Customer or another temporary service provider.

If Customer, either directly or indirectly, solicits, offers employment, and/or hires a Scoot employee as an employee or consultant in any position, or utilizes the person's services through another temporary or outsourcing service company, or any person or entity affiliated with Customer refers a Scoot employee to any other employer and the employee becomes employed by that employer: (i) at any time from the date such employee is introduced to or placed with Customer by Scoot until twelve (12) months thereafter or (ii) within twelve (12) months after termination of employee's temporary assignment through Scoot with Customer, whichever is later, Customer agrees to pay Scoot a placement fee as outlined in Exhibit A (the "Substitute Placement Fee").

**EXHIBIT A
FEES FOR SUBSTITUTES**

This Exhibit A is incorporated and made part of the Agreement between Scoot and Customer. The pricing in Exhibit A is confidential and proprietary, to the extent allowable by applicable law. Customer agrees not to disclose the contents of Exhibit A to persons or entities not party to this Agreement without Scoot's written permission, to the extent allowable by applicable law.

School Bill Rate*	Half-day rate (4 hours or less)	Half-day long-term rate (4 hours or less)	Short-term day rate (up to 8.5 hours/day)	Long-term day rate (up to 8.5 hours/day)#
Support Position	\$200	\$220	\$299	\$329
Substitute Teacher	\$220	\$242	\$329	\$362
TeachStart Fellow	N/A	N/A	N/A	\$362
Special Education Credential in SpEd role	N/A	N/A	\$411	\$452

* Because Scoot Substitutes are non-exempt hourly employees, additional charges over and above the standard School Bill Rate will apply in the event that a Substitute is called upon to work overtime meaning working more than eight (8) hours in a workday or more than 40 hours in a work week for the same Customer. Overtime is charged at 1.5x the prorated hourly bill rate according to the above table (e.g., overtime for a Support Position is charged at \$299/8.5*1.5 per hour). Substitutes are instructed by Scoot that they should seek the approval of a duly designated supervisor at the Customer site before incurring overtime but, of course, the need to ensure proper supervision of pupils may necessitate a Substitute staying over even if the designated supervisor is not immediately available. Consistent with professional best practices, Scoot Substitutes are directed to maintain supervision over assigned students until they are relieved by appropriate school personnel.

A Substitute will be considered in long-term status if the same substitute has been scheduled at a Customer school for an assignment that is for more than 15 consecutive work days or an assignment has extended beyond 15 consecutive work days (half-days and full-days are counted the same) in the same academic year.

FEES FOR TEMP-TO-PERM

Scoot pricing for temp-to-perm placements is based upon the category of the Substitute, timing of hire, or number of days the Scoot employee has worked at the hiring school during a single school year.:

TEMP TO PERM FEES FOR TEACHING ASSISTANTS AND TEACHERS (NON TEACHSTART FELLOWS)	
Days worked in school year	Fee^
1 - 90 days worked	10% of AGS to a minimum of \$5,000
91 - 180 days worked	5% of AGS to a minimum of \$2,500
180+ days worked	\$1,000

^Fee is based upon the total, annualized gross salary (AGS), including any additional allowances or benefits that can be monetized listed on contract between Customer and Scoot employee.

TEMP TO PERM FEES FOR TEACHSTART FELLOWS	
Hire date	Fee
September 1 to March 1	\$10,000
March 2 to May 31	\$5,250
June 1 to August 31	Delayed fee of \$5,250*

+ When hiring a TeachStart Fellow for a full-time teacher of record position, the temp-to-perm fee will be due after six months of direct employment with Customer.

**EXHIBIT B
SUBSTITUTE CANCELLATION POLICY**

Customer must cancel a substitute assignment no later than midnight before the assignment. If a cancellation is made before this time, no fee will be charged to the school. Cancellations made on the same day of the shift will result in a half-day charge according to the pricing in Exhibit A.

SCOOT GUARANTEE

Scout stands behind the quality and appropriateness of any candidate we recommend or assign to Customer school. However, Scout understands that at times unforeseen circumstances can deliver undesirable results.

SUBSTITUTE TEACHERS

Should a Scout substitute not satisfy requirements of the assigned position within the first 90 minutes of a half-day shift or the first four hours of a full-day shift, there will be no fee charged to the school or Scout will diligently work to replace the substitute as quickly as possible by another suitably skilled and qualified substitute teacher.

To avoid a charge, the school must:

- (a) Inform Scout of the termination of the shift before the substitute leaves the school grounds
- (b) Allow Scout a reasonable opportunity to resolve matters directly with the substitute teacher
- (c) The school must provide feedback on the reason(s) for the termination/cancellation

DRAFT

2023-24 ANNUAL REPORT

Executive Summary

The Los Angeles County Office of Education (LACOE) 2023-24 Annual Report provides a comprehensive overview of student outcomes and program effectiveness across its diverse educational initiatives. This report analyzes three years of data, including demographics, academic performance (CAASPP, local assessments), graduation rates, and suspension data, highlighting LACOE's commitment to continuous improvement. LACOE serves a diverse student population through specialized programs, including Juvenile Court Schools (JCS) for justice-involved youth, County Community Schools (CCS) and Independent Study (IS) for expelled or at-risk students, and specialized high schools for emerging artists and college-bound students. Guided by a mission of ensuring student success through quality academics and a data-driven, PLC-focused culture, all LACOE schools maintain WASC accreditation, reflecting a dedication to service, leadership, and advocacy for all students in Los Angeles County.

2023-24

EDUCATIONAL PROGRAMS

LACOE's specialized programs address the unique needs of a wide range of students from various communities throughout the county. These programs include:

- Specialized High Schools: Fostering the development of emerging young artists in visual and performing arts, as well as providing innovative, project-based college preparatory learning.
- County Community Schools (CCS) and Independent Study (IS): Offering alternative educational pathways and support for students expelled from or at high risk of dropping out.
- Juvenile Court Schools (JCS): Providing educational and rehabilitative services to justice-involved youth residing in County Probation Facilities.

LACOE is committed to fostering a culture of excellence through data analysis, Professional Learning Communities (PLCs), and a focus on service, leadership, and advocacy. This report demonstrates LACOE's dedication to preparing students for success in school and life, guided by its core values of integrity, respect, collaboration, open communication, responsiveness, and equity.

HEAD START

LACOE's Head Start and Early Learning Division (HSEL) works with 17 delegate agencies throughout Los Angeles County, including nonprofits and school districts, to provide comprehensive early learning programs to pregnant women and to children birth to five.

LACOE supports each child's holistic health by focusing on the needs of the whole child, from prenatal development to nutrition, health, mental health, early learning, disabilities or special needs and family and community engagement. LACOE prioritizes serving children from families with incomes under the poverty line, experiencing homelessness, in foster care, receiving public assistance and/or with disabilities or special needs.

In addition to administering the largest Head Start program in California, LACOE also administers California State Preschool and General Child Care and Development programs, Quality Start Los Angeles (QSLA, Los Angeles County's Quality Rating and Improvement System), the Inclusive Early Education Expansion Program (IEEEP), California Preschool Instructional Network (CPIN), Universal PreKindergarten Planning & Implementation and the Universal PreKindergarten Career Development Initiative (UPK-CDI).

CHARTER SCHOOLS

LACOE's Charter Schools Office (CSO) works to improve the quality and equitable access of education while working collaboratively with local, state and national partners within education by increasing the effectiveness and responsiveness of charter schools and authorizing agencies, advocating for policy improvement and upholding the public interest.

The CSO is responsible for the charter petition review process including initial and non-renewal appeals from the 79 school districts within LA County, initial petitions submitted directly to LACOE, and renewals and material revisions for LACBOE-approved charter schools. The CSO also accepts and reviews appeals for revocation and is responsible for ongoing monitoring, oversight, and support of all LACBOE-approved charter schools. Staff also provides technical assistance, training and resources to local, state and national educational partners, through conferences, presentations, associations and group meetings, and one-one-one coaching and training.

During emergencies, such as COVID and the recent wildfires, the CSO supports affected charter schools, coordinating resources and communication between, districts, state agencies, and the 367 charter schools within the county.

Educational Programs

Mental Health & Wellness

LACOE is focused on providing support services, staff training, and mental health consultation to schools.

During the 2023-2024 school year, the School Mental Health (SMH) Program was tasked to continue supporting LACOE Schools during the programs third year in the following ways:

1. Lead staff trainings and provide mental health consultation to school sites;
2. Coordinate mental health support services for students; and
3. Provide direct support services to sites that do not have Los Angeles County Department of Mental Health (DMH) services on site.

The School Mental Health (SMHP) Program consisted of a Coordinator-Psychiatric Social Worker, a Research and Evaluation Coordinator, a Senior Program Specialist, three School Social Workers and ten graduate level university mental health interns. The coordinator was tasked to provide programmatic support to all the school sites. SMHP staff supported specific school sites and provided supervision for the interns at those sites. The three Social Workers and the Interns were assigned to Renaissance Principal Administrative Unit (PAU) school sites and the two specialized high schools, Los Angeles County High School for the Arts (LACHSA) and International Polytechnic High School (IPOLY) to be able to support both direct and indirect services to follow the program strategies.

The California Healthy Kids Survey (CHKS) was completed by 57% of the total LACOE student population in December of 2023. This survey assists in measuring mental health needs. LACOE's students continued to experience similar negative mental health-related trends across the state due to the pandemic.

There were higher rates of negative mental health indicators reported from students within the specialized high school sites.

Mental health strategies were based on the multi-tiered system of support. The following were strategies implemented throughout the year and their outcomes.

Tier 1 – UNIVERSAL STRATEGIES

Classroom Presentations

Considering the state of the student's mental health as measured by the CHKS survey, the SMH program offered classroom presentations to reach more students. Classroom presentations focused on the following:

- Mental health services available;
- The evidence-based curriculum, Erika's Lighthouse that focuses on mental health, depression, and suicide as a priority; and
- The evidence-informed curriculum, Families Overcoming Under Stress (FOCUS), focuses on helping students identify, manage, and discuss emotions and feel closer and more supported.

All the classroom presentations had an emphasis on promoting inclusive school cultures around mental health.

Mental Health & Wellness

Mental Health Awareness Activities

During 2023-24 Mental Health Awareness Activities were conducted at specialized high schools and Renaissance PAU with the objective of not only reducing mental health stigma but also with the effort of promoting a positive school climate.

IPOLY - There were eight main events throughout the year connected to a monthly theme. These events included Unity T-Shirt Days, Generate Positivity Event, Connectedness Event: Bully Prevention, Inspire Goodness Event, Spread Joy Event, Support Piece “We matter because...” Event, Build Relationships Event, Trust and Partnership Event, Cultivate Collaboration Event.

LACHSA - Throughout the year, there were five mental health awareness activities. These events included Mental Health Awareness Kick off Party, Suicide Awareness Day, Tea with Wellness, Wellness Day, National Coming Out Day and Paws for wellness.

Renaissance PAU – There were three events throughout the year. These events included Mental Health Awareness Month in May, the Mind out Loud Event, and the Wellness Fair.

Staff Training

During the year, staff from all sites were provided mental health training. The training courses were designed to supplement training from the previous year and respond to educational partner feedback. Overall, all staff participated in at least two mental health training courses and of the participants who completed a post workshop survey, on average, 99% reported intent to use the skills they learned within the workshop they attended. Details are provided in the table below.

Site/Staff Trained	Training Topic	Training Objectives	Training Outcomes
All Sites and Staff	Annual AB2246 Suicide Prevention Training (via TargetSolutions)	This training highlighted suicide risk factors, warning signs, and protective factors. Provided tools on how to talk to a student about suicide and how to respond.	All staff completed the training and passed an exam to demonstrate competency of information.
CCS and Specialized High Schools	LACOE Suicide Prevention Policy and Updates	This training reviewed newly adopted changes to LACOE Suicide Prevention Policy and Protocols for schools.	Staff were provided resources around the updated policy and procedures

Mental Health & Wellness

CCS and Specialized High Schools	School Wellness Coordination	School Wellness Coordination Presentations focused on explaining the School Mental Health Program Tier Interventions, how to make referrals for students and introduced resources like Hazel Health, DPH Substance Use resources, and the EASE and Calm Apps.	Presentations were tailored to each school site and a step-by-step referral process was provided.
CCS and Specialized High School Site Administrative Leadership	Center for Trauma Informed Practices (CTIP)- Traumatic Event Systems (TES) Training	This training provided school site administrative leadership and orientation to the TES model, a responsive methodology that addresses the systemic aftermath of a traumatic event on individuals and communities.	School site leadership will begin incorporating this model, along with suicide prevention and crisis response best practices into school safety plans.

Parent/Caregiver Workshops

Families Overcoming Under Stress (FOCUS) for Parents presentations and Active Parenting for Teen Classes were provided to parents at CCS and specialized school sites and at JCS parent meetings. The presentation and classes focused on practical skills to help families overcome common relationship challenges. It helps build on current strengths and build on new strategies to enhance communication and problem solving, goal setting, and creating a shared family story.

Collaborations

SMH program collaborations throughout the year included:

1. Parenting Team
2. Equity and Access
3. Health Services
4. Support staff
5. Community Schools

Mental Health & Wellness

Tier 2 – TARGETED STRATEGIES

Referral Process

Each year, the School Mental Health Program looks at ways it can improve coordination of services at school sites. During its third year of operation and with the addition of several other school support programs, new effort was placed at updating and improving the school site referral process and coordination of services. LACHSA, IPoly, and Renaissance PAU each sought to create and/or strengthen a weekly Coordination of Services Team (COST) in collaboration with administrators and fellow support colleagues to review student referrals for mental health and related support services. Of particular importance was the reinforcement of a closed-loop system where follow-up updates were provided to the referring party. In addition, each site introduced updated referral forms inclusive of QR code submissions to encourage convenient and user-friendly platforms as well as track referrals accordingly. Overall, there were 348 total referrals from all sites.

General Counseling

General counseling is an interaction with a student in which student wellness is discussed and the provider assesses the student's current level of need for, and types of, services. The SMH program conducted a total of 312 general counseling sessions throughout the year.

Group Counseling Sessions

Despite the challenges that all sites faced with forming and finding students interested in group sessions, all sites were able to lead at least one group that met a couple of times. Examples of group topics included: Teen Resilience, Grief and Loss, Substance Use, and College Empowerment. 67 students participated in group sessions. At the end of the groups, all participants were able to report an increase in their:

1. Knowledge on a skill or technique that could help them;
2. Confidence; and
3. Personal support system.

Tier 3 – INTENSIVE INTERVENTION STRATEGIES

Teacher/Staff Mental Health Consultations

The SMH program provided teacher and staff mental health consultations for specific students during the school year. Mental health consultations were designed to:

1. Re-enforce the collaboration between teachers, parents and service providers on ensuring
2. student's success;
3. Help others understand the development of teenagers and how it affects their learning
4. and behaviors; and
5. Help facilitate services and provide resources to school personal with relevant teenage
6. Mental health concerns.

Mental Health & Wellness

Individual and Family Sessions

SMH Program staff were trained in Motivational Interviewing, Cognitive Behavioral Therapy, and Solution Focused Therapy to utilize in clinical sessions. In addition, interns participated in and were guided in supervision with the Psychiatric Social Worker to ensure their clients' success. Mental health services included 358 individual student sessions and 433 family sessions. In addition to providing services, the SMH program linked students to community resources and was part of inter-agency collaborations to help facilitate student and family success.

Mental Health Advocacy

The goal of advocacy is to provide a voice for students with mental health disorders such as anxiety or depression that need assistance. Examples of this assistance include navigating through school systems and policies that are creating challenges for students with depression, anxiety, or another mental health disorder. Mental Health Advocacy was conducted 17 times for students throughout the year.

Crisis Interventions and Suicide Assessments

The SMH program responded to several crises at our schools during the year. In addition, the high rates of suicide ideation on the California Healthy Kids survey were also collaborated in at least 22 suicide assessments conducted to gauge suicide ideation and other imminent risk factors with students throughout the year. Students identified with medium or high-risk were assessed, and a reentry plan was created for them to ensure successful outcomes. Other crisis support provided was in relation to threat assessments, grief and loss issues, personal adjustments to COVID-19, and the continual effects from incidents of civil unrest.

Graduate Level Social Work Mental Health Intern Experience

Ten interns were provided with the opportunities necessary and met their university requirements. For the eight interns that were interested in meeting the requirements for the Pupil Personal Services Credential, the program coordinators were able to continue creating opportunities with the Head Start Program for the interns to gain experience with two different school-aged populations. Interns were able to participate in a minimum of an hour of supervision every week as well as team meetings. Interns were trained as leaders in the following evidence-based and promising practices and curriculum:

1. *Youth Mental Health First Aid (YMHFA);*
2. *Families Overcoming Under Stress (FOCUS);*
3. *Erika's Lighthouse;*
4. *Psychological First Aid; and*

Mental Health & Wellness

All the interns completed an end of the year survey. The following were averages among a five-point scale, five being fully satisfied:

- 1.4.6 average rating for the training opportunities that were provided;
- 2.4.7 average rating for the mentorship received by LACOE staff; and
- 3.4.6 average rating for the skills that were developed from the internship.

Lastly, the interns rated their competence in 13 skills related to social work. All the interns rated improvement in confidence for all skills at the end of the internship.

In addition to the 10 interns, the SMH program led four graduate students from the University of California, Los Angeles, with their Capstone Project using the California Healthy Kids Survey data. The project, "The Impact of a School Mental Health Program on Students' Help-Seeking Behaviors and Mental Well-Being", was created to examine how the School Mental Health Program and school site culture affect student perception of services. Findings from the study are being utilized to inform and strengthen services for year 4 of the SMH program.

School Health and Wellness Services

Health Services

A full-time, credentialed school nurse is assigned to each LACOE school program. The school nurse assigned to JCS acts as a liaison between the schools and Juvenile Court Health Services to address health needs of students are managed so that students can fully participated in their education program. In addition to developing health assessments for students being evaluated for special education services. The school nurses at IPOLY, LACHSA, and Renaissance provide direct services to students in addition to health education, vision/hearing screenings, staff training, and oversight of the school health program.

The work of the School Health and Wellness Services unit is guided by two frameworks: the CDC's Whole School, Whole Community, Whole Child (WSCC) and the National Association of School Nurses (NASN) *School Nursing Practice Framework™*.

Emergency Training

In the 23-24 school year, administration of emergency medication – Narcan – was implemented and staff were trained at BJN, LACHSA, IPOLY, Renaissance, Los Padrinos. 26 trained volunteers are available to administer emergency Narcan. Substance abuse information training was also conducted at BJN and Renaissance in 22-23 school year.

Automated External Defibrillators were installed at Renaissance sites, LACHSA and IPOLY. Over 140 staff have been trained in Hands Only CPR across all programs and 21 students at Renaissance received this lifesaving training.

School Meal Program

LACHSA, IPOLY and Renaissance participate in the National School Breakfast and School Lunch Program, which is called the Universal Meal Program (UMP) in California. UMP allows all students to receive a nutritious breakfast and lunch regardless of family income. The School Health and Wellness Services team oversees this program and provides training to school staff designated to support the meal program at the school. We partner with a local meal program vendor to supply hundreds of nutritious meals to our students during the school year.

Wellness Policy

The Local School Wellness Policy (LSWP) outlines LACOE's approach to ensure safe and healthy environments and opportunities for LACOE students to practice health promoting behaviors throughout the school day. LACOE will establish and maintain an infrastructure for management, oversight, implementation, communication, monitoring, and evaluation of the LSWP and its goals and outcomes. This policy applies to all LACOE students and staff in the Educational Programs and Special Programs Support and transformation (SPST). Specific measurable goals and outcomes are identified within the policy.

California Healthy Youth Act (CHYA)

The California Healthy Youth Act (CHYA), which took effect in January 2016, is a law that requires local education agencies (LEAs) to provide students with comprehensive sexual health education, along with information about HIV prevention, at least once in high school and once in middle school.

CHYA goals include educating students to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy, along with knowledge and skills for healthy attitudes on adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family.

LACOE Educational Programs and SPST utilize the Board approved sexual health education curricula, Teen Talk, that meets the requirements of the California Healthy Youth Act (CHYA, CEC 51930-51939, 2016). The curriculum equips youth with information, skills, and support to make thoughtful choices about their relationships and sexual health throughout their lives. It includes discussion about sexual harassment, sexual assault, adolescent relationship abuse, intimate partner violence, sexual abuse and supports Social Emotional Learning (SEL) through listening, self-awareness, empathy, responsible decision making, fostering healthy relationships. Further, the curriculum develops scientific knowledge through critical thinking skills, team-based problem-solving work with peers, and scientific terminology. Finally, Teen Talk aligns with standards-based instruction and fosters engagement with students, family, and staff.

PARENT EDUCATION PROGRAM

During the 2023-24 school year, the Parent Family Consultation and Education Program (PFCEP) facilitated 191 family engagement opportunities and events. The majority of these offerings were conducted virtually in English, complemented by Spanish interpretation, to ensure accessibility for all families at times that were convenient for them. Parents were invited to engage in a variety of activities, including workshops, consultation meetings, and parenting classes. Each event aimed to provide valuable information and resources covering a wide range of topics, including mental health, self-care, motivation, academic programs and transitions, family dynamics, social-emotional learning, and college and career pathways for students.

In total, 2,309 participants took part in PFCEP's engagement initiatives throughout the year. Some family engagement events, such as workshops and outreach, took place in person. Notably, an in-person workshop series was organized at Camp Rockey on Sundays ahead of visitation, in partnership with Probation. This four-session series focused on building relationships, nurturing community, and fostering healing, led by PFCEP's contracted partners who have firsthand experience with the justice system. The first 30 minutes were dedicated to parents and grandparents, followed by a 45-minute session that included students. Across the four sessions, 58 participants attended.

Additionally, PFCEP staff were actively involved in several resource fairs hosted by Probation at Los Padrinos, where they engaged with parents, shared resources, and gathered feedback through parent surveys.

Throughout the school year, PFCEP conducted 32 town hall meetings, drawing a total of 316 participants. These meetings, led by Parent Liaisons, served as a platform to disseminate information, address questions and concerns related to student achievement and progress, and provide updates from interagency partners, including the Los Angeles County Department of Mental Health and Probation.

Parent engagement at our Specialized Schools featured a range of activities, including workshops on college preparedness and healthy relationships, community building events designed to foster a sense of belonging among families, and parent engagement activities such as Coffee with Academic Counselors. These sessions were facilitated by school administrators, counselors, and Senior Program Activities Specialist. In total, we offered 36 engagement opportunities, reaching 2,656 participants.

Both LACHSA and IPoly have demonstrated an exceptional commitment to academic and artistic excellence. The impressive achievements of their students, both in terms of academic performance and recognition in various competitions, highlights the effectiveness of their programs. These schools continue to set high standards and serve as exemplary models.

On April 16, 2024, the Los Angeles County Board of Education announced the formation of the Ad Hoc Committee to examine student admissions and diversity at the LACOE’s two specialized schools – the Los Angeles County High School for the Arts (LACHSA) and the International Polytechnic High School (IPoly).

COUNTY COMMUNITY SCHOOLS

OVERVIEW

During the 2023-2024 school year, Renaissance County Community Schools Principal Administrative Unit (PAU) served students throughout Los Angeles County. Renaissance County Community Schools consist of three County Community Schools and four Independent Studies programs. All students who attend County Community Schools (CCS) and Independent Study (IS) programs are referred by local districts (school attendance review boards and/or expulsion boards). Additionally, the Department of Probation refers students to our programs where they are provided with a smaller school setting with a student/teacher ratio of two adults per 20-25 students. Using the Road to Success Academies (RTSA) framework, CCS students attend school daily and participate in interdisciplinary, project-based learning focused on themes that address students’ academic and mental health needs. Independent Studies programs are geared towards students who cannot attend school daily. Students meet at least one hour per week in-person or virtually with a teacher for tutoring, counseling and instruction to earn credits toward graduation. Renaissance County Community Schools enhances our students’ education by providing field trips, college tours, high school/college dual enrollment, tutoring, and college and career support. Our students benefit from partnerships with community-based organizations such as Theater of Hearts, ArtworxLA, The Beat Within, Dynasty's United Youth Association tutors and Future Stars Tutoring Services. These organizations support students in academic tutoring and arts education, such as script writing, poetry, and painting, as well as character education and personal development. All students are provided academic programs that support student achievement and meet the high school graduation requirements. Our academic programs are designed to assist students with credit recovery, and once caught up, they may successfully mainstream to their home school district or they may also choose to remain at our schools, earn a high school diploma, and participate in our graduation ceremony. We also offer a a multi-tiered system of support to ensure all students are supported with social-emotional and mental health counseling throughout their enrollment at Renaissance PAU.

CCS/IS STAR Test Scores

Average Grade Level Equivalency of Students for Star Tests

The chart above illustrates the Local Measure of Academic Progress scores (STAR Assessment) from 2021-22 school year to the 2023-24 school year for county community schools, Renaissance PAU. In the 2023-24 School year STAR Reading scores increased from 5.6 to 5.8 grade level equivalency. This is a 0.2 grade level increase. In Mathematics STAR scores increased from 5.8 to 6.1. This is a 0.3 grade level increase. The STAR Assessment is administered at the beginning of the student's enrollment. A pre-test and a post-test are administered within 60 days (about 2 months) of each assessment. The results are reflective for students with a pretest and a post test score. Scores reflect only students who have completed a pre and post-test. Many students entering the program are credit deficient and often perform below grade level at the time of enrollment.

HALL SCHOOLS OVERVIEW

The 2023-24 school year saw a significant increase in student enrollment and transiency within our short-term facilities, known as Hall Schools. A total of 1,837 students enrolled and exited throughout the year, with some students experiencing multiple enrollments and exits within the same school year. The average student's stay is brief, at approximately 15 days, reflecting the temporary nature of their housing while awaiting adjudication. Despite the short stays, all students are provided with educational continuity through enrollment in appropriate courses and participation in LACOE’s award-winning Road To Success Academy (RTSA) instructional model. This underscores our commitment to providing quality education even within a highly transient environment.

The 2023-24 school year also marked significant changes in the facility landscape:

- **Facility Restructuring:** Following the closure of Central Juvenile Hall and the repurposing of Barry J. Nidorf Juvenile Hall for Secure Youth Treatment (SYT) youth in 2023-24, Los Padrinos Juvenile Hall opened in the summer of 2023. Students previously housed at Central and Barry J. Nidorf were subsequently transferred to Los Padrinos at the start of the 2023-24 school year.
- **Temporary Reopening:** It is important to note that Central Juvenile Hall briefly reopened for one month in July 2023 during the 2023-24 school year.

This data highlights the high volume and transient nature of the student population served by the Hall Schools, compounded by significant facility changes during the reporting period. The opening of Los Padrinos and the brief reopening of Central Juvenile Hall further contributed to the dynamic environment of the 2023-24 school year.

Key Findings:

- **Reading:** From the 2021-22 school year to the 2023-24 school year, STAR Reading scores remained constant at a 4.3 grade level equivalency.
- **Mathematics:** Over the same period, STAR Mathematics scores increased from 4.4 to 4.6, a gain of 0.2 grade levels.

Barry J. Nidorf Secured Youth Treatment Facility - Local Measure of Academic Progress (STAR Assessment)

Students at the Barry J. Nidorf Secured Youth Treatment Facility (BJN/SYTF) demonstrated remarkable academic progress during the 2023-24 school year, the facility's first year of operation. STAR Reading scores increased by an impressive 2.1 grade levels, rising from 5.3 to 7.4. Even more striking were the gains in STAR Mathematics, where scores jumped by 3.6 grade levels, from 5.0 to 8.6. These significant improvements reflect the positive impact of BJN/SYTF's educational program on students who often enter the facility credit deficient and performing below grade level. The STAR assessment, administered within 60 days of enrollment, measures progress relative to one academic year, establishing a strong baseline for future growth. These results represent the progress of students who completed both pre- and post-tests.

CAMP SCHOOLS OVERVIEW

In 2023-24, the number of students at long-term facilities, Camp Schools, increased from the previous years, with 560 students enrolling and exiting throughout the year. Students at our long-term facilities stay on average five months. All students are enrolled in the appropriate grade level courses and participate in LACOE’s award winning model of instruction, RTSA. RTSA uses a Thematic Interdisciplinary Project-Based (TIP) approach to the curriculum. The curriculum is designed to address the distinct needs of youth in the juvenile justice system. The thematic nature of the curriculum allows for standards-based projects and lessons that incorporate social-emotional skills. RTSA weaves social-emotional themes into the curriculum, so the content feels personally relevant and provides an opportunity for personal growth.

- **Mathematics:** STAR Mathematics scores showed an even greater improvement, rising from 5.2 to 6.0 grade level equivalency in 2023-24, an increase of 0.8 grade levels.

Suspension Rate for Halls and Camps

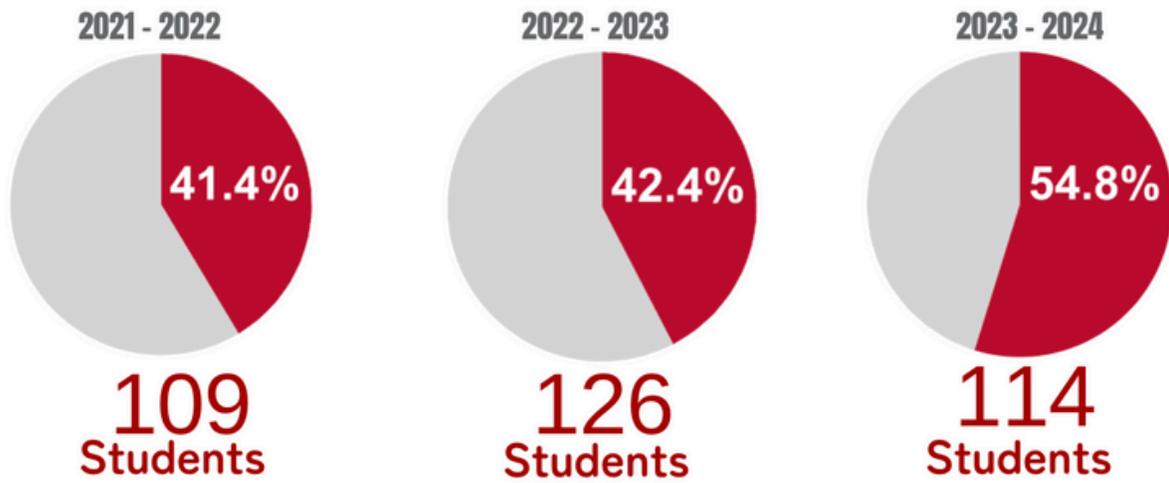

JCS/ CCS High School Graduates

HIGH SCHOOL GRADUATES

The total number of high school graduates for the 2023-24 school year was 114. The decline from 126 to 114 in total graduates is correlative to a slight decline in enrollment of the 2023-24 senior cohort. Due to the transient nature of students within our JCS and CCS sites, the graduation rates presented are the percent of students enrolled for 90 days or more, who have received a high school diploma during the respective school years. The numbers below the percentages represent the number of graduating students. These percentages show an increase in the graduation rates over the past three school years.

JCS Career Technical Education

LACOE Career Technical Education (CTE) pathways give students the chance to explore potential careers while gaining valuable and in-demand technical and soft skills essential for success in college and the workforce.

LACOE's Juvenile Court Schools (JCS) currently offer CTE pathway programs in Culinary Arts and Graphic Communications at several school locations. In collaboration with the Los Angeles Community College District (LACCD) and other local community colleges, some sites provide dual enrollment opportunities, depending on the specific pathway and/or course availability.

LACOE's JCS career technical education pathway courses align with the following industry pathways:

Industry	CTE Pathway	Course Sequence
Arts, Media & Entertainment	Graphic Design	Graphic Communication I, II, & III
Hospitality, Tourism & Recreation	Food Service	Culinary Arts I, II, & III

LACOE's Career and Technical Education (CTE) courses adhere to the California Department of Education's Career Technical Education Model Curriculum Standards and are incorporated into students' academic plans as elective courses. When available, LACOE offers programs that promote leadership, cultivate job-related skills, provide hands-on work experience, and boost student interest in school, college, and career opportunities.

The table below displays the total number of students enrolled in a CTE pathway program, the total number of certifications awarded, and the percentage of industry-recognized certifications earned over a three-year period.

Academic Year	CTE Pathway Enrollments	Total Certifications Awarded	Industry Certifications Earned
2021-2022	63	47	75%
2022-2023	122	27	22%
2023-2024	102	51	50%

JCS Career Technical Education

LACOE remains committed to increasing overall enrollment in CTE pathways and is actively evaluating existing programs while exploring new program offerings. Although overall enrollments declined due to various factors beyond LACOE's control, the number of certifications awarded has increased significantly across all sites, rising from 27 in 2022-2023 to 51 in 2023-2024.

LACOE is continuing its efforts to provide career training opportunities for students across all sites, including Los Padrinos Juvenile Hall and Barry J. Nidorf Secure Youth Treatment Facility, offering them the chance to earn OSHA certification. There are 12 industry areas available, with two certifications offered in Spanish. The following certifications are currently offered:

OSHA Certifications Offered Through CareerSafe

Automotive	Manufacturing	Building and Construction	General Industry
Culinary	Veterinary	Cosmetology	Public Safety-EMS
Health Sciences	Public Safety	Agriculture	Law Enforcement, Corrections, Security
Spanish – Construction	Spanish – General Industry		

The table below outlines the total number of students enrolled to complete an OSHA certification, along with the percentage of completion and total certifications awarded. The main goal of increasing enrollment was to ensure that all students across every site have the opportunity to earn an industry-recognized certification. Additionally, the Department of Justice (DOJ) mandate required a 90% enrollment rate at Los Padrinos Juvenile Hall and Barry J. Nidorf Secure Youth Treatment Facility. Despite ongoing efforts to boost completions, the transient nature of the student population, as well as site-related challenges, and the time commitment for course completion continues to make achieving higher completion rates difficult.

	2021-2022	2022-2023	2023-2024
OSHA Students Enrolled	238	1178	2027
Total Certifications Awarded	77	64	49
Percentage of Completion	32%	5.3%	2.42%

JCS Career Technical Education

LACOE CTE also offers support to its specialized high schools, including assistance with pathway identification, Aeries setup, identifying industry-recognized certifications, and providing OSHA vouchers along with CareerSafe platform training. Between 2021 and 2023, the following programs were implemented at LACHSA and IPoly High Schools.

IPoly CTE Data

Academic Year	CTE Pathway Programs	Total Enrollments	Industry Certifications Earned
2021-2022	Graphic Arts	31	0

LACHSA CTE Data

Academic Year	CTE Pathway Programs	Total Enrollments	Industry Certifications Earned
2022-2023	Production & Managerial Arts (Stagecraft Video Production)	47	0
2023-2024	Production & Managerial Arts (Stagecraft Video Production)	56	52

Transition and Aftercare

Each year, many youths in LACOE Juvenile Court Schools and County Community Schools face significant and complex challenges as they transition back to their families, schools, and communities. These youth are supported with an Individualized Education Plan (IEP) and a continuum of services designed to ensure successful reintegration. LACOE Aftercare continues to develop comprehensive, supportive strategies that foster meaningful relationships with youth and their families. Using a multidisciplinary team approach, the program assists students from Juvenile Court Schools, Halls, Camps, and County Community Schools in making a seamless transition back to their home and school environments.

LACOE Aftercare is a collaborative partnership involving 80 local educational agencies in Los Angeles County, along with the County's Departments of Probation, Health Services, Mental Health, Public Social Services, and Children and Family Services. Together, these agencies focus on creating and monitoring reintegration plans tailored to the needs of each youth and their family.

Additionally, LACOE has established the Education Transition Services (ETS) program, which consists of 10 credentialed school counselors strategically co-located throughout Los Angeles County probation area offices. These counselors provide educational and vocational support and resources to youth in the community and their families. They also work closely with all Juvenile Court judges and court officers across the county, further enhancing the support system for these young individuals and their successful transition.

Transition and Aftercare Data

From July 2023 to June 2024, 255 students exited from Special Programs Support and Transformation Camp Schools. Among those 255 students, 92 (36%) returned to a school or enrolled into community college or vocational program upon release, 3 (1%) graduated after release, 57 (22%) graduated while from LACOE schools prior to release, 0 (0%) detained in the adult system, 17 (5.4%) released to Suitable Placement or DCFS care and 86 (33%) unknown due to termination of probation jurisdiction and/or transiency.

From July 2023 to June 2024, 1491 students exited from Special Programs Support and Transformation Hall Schools. Among those 1491 students, 330 students (22%) returned to a school or enrolled into community college or vocational program upon release, 2 students (.13%) graduated or passed the HiSet after release, and 25 students (1.67%) graduated. From the 1491 students prior to release, 2 students (.13%) were detained in the adult system, 42 students (2.8%) released to Suitable Placement or DCFS care, and 1,090 students (73%) were considered to be "unknown" due to termination of probation jurisdiction and/or transiency.

From July 2023 to June 2024, 225 students exited from Educational Programs County Community Schools. Among those 225 students, 48 students (21%) returned to their school/ district of residence, 75 students (33%) transferred to of the County Community Schools, 48 students (21%) graduated during this time, 6 (2.7%) of the graduates enrolled into community college or vocational program, 2 students (.88%) were detained in the adult system, 0 students(0%) relocated to Suitable Placement or DCFS care, and 46 students (20%) were "unknown" due to termination of probation jurisdiction and/or transiency.

Education Transition Services / Field Counselors

The Los Angeles County Office of Education (LACOE), in partnership with the Los Angeles County Probation Department (LACPD), offers the Education Transition Services Program to support justice-involved youth and those under probation supervision. This program provides Field Transition Counselors (FTCs), who are educational experts as well as credentialed School Counselors, to assist Deputy Probation Officers, parents, caregivers, youth, and Education Rights Holders in navigating Los Angeles County's educational system.

Transition and Aftercare

The program ensures that the educational needs and rights of these youth are met by offering services such as school placement assistance, access to academic resources, credit recovery support, guidance through the special education assessment process, and interventions for at-risk students. Additionally, it fosters collaboration with schools and districts, provides training for stakeholders, and actively participates in case meetings to support youth progress and educational success. In the 2023-2024 school year, LACOE FTCs delivered these services to over 2,400 probation youth across Los Angeles County, ensuring their educational rights and needs are met.

Secured Youth Treatment Facility (SYTF) - Educational Supports

The Los Angeles County Office of Education (LACOE) remains committed to ensuring Secure Youth Treatment Facilities (SYTF) youth receive the educational support and resources they need for success both during their detention and after their release. In collaboration with our partner agencies, the courts, and community-based organizations, LACOE provides a comprehensive multi-tiered system of support to promote academic achievement, rehabilitation, and successful reintegration into society.

LACOE collaborates closely with the juvenile courts, partner agencies, and community-based partners to inform the court of each youth's educational and behavioral progression while enrolled in school. This collaboration is essential for making informed decisions that support the youth's rehabilitation, educational advancement, and overall well-being. Through this system, LACOE works to create individualized education plans that are tailored to the needs of each youth, offering both academic instruction and career-focused opportunities.

Upon a youth's detention at a juvenile facility, LACOE school counselors take the lead in developing an Individual Rehabilitation Plan (IRP). This plan is designed to address the academic needs of each youth, particularly those still requiring high school credits. The IRP is a comprehensive document that includes several key components:

Academic Profile:

1. Total credits earned to date
2. Grade level and credit/age comparison
3. Eligibility for AB216/1806/2306 programs
4. Special education status (IEP or 504)
5. Last school attended
6. Reading and math assessment scores
7. Blended transcripts from previous schools to determine appropriate placement in grade level or coursework

Post-Graduation Opportunities: Access to Higher Education

Upon graduation, youth from the Secure Youth Treatment Facilities (SYTF) are provided with continued educational opportunities through the Los Angeles County Probation Department's educational services. Through the department, graduates gain access to a range of services aimed at supporting their transition into higher education and career pathways. One of the key resources available is the opportunity to take college courses through **Mission College**, a valued partner in helping these youth build a strong foundation for their future success.

Positive Behavior Intervention and Support (PBIS)

The Los Angeles County Office of Education (LACOE) is proud to highlight its ongoing commitment to Positive Behavioral Interventions and Supports (PBIS) within the Juvenile Court and Community Schools. As part of our continued effort to foster a supportive, safe, and engaging learning environment for our students, we implemented PBIS across all our JCS/CCS sites. This year, Barry J. Nidorf and Camp Rockey achieved significant recognition with a **Silver Medal Award** in the state PBIS recognition program, a testament to the effectiveness and commitment of our staff and students toward positive behavior change. This achievement reflects the hard work of the staff, students, and community partners in creating an environment where positive behaviors are encouraged, recognized, and celebrated.

Behavior Expectations: Be Safe, Be Respectful, Be Responsible, Be Well

At the core of the PBIS framework at our JCS/CCS school sites are the **four key behavior expectations** that guide student conduct:

Be Safe

We encourage students to make choices that keep themselves and others safe, both physically and emotionally. This includes following rules, using appropriate language, and maintaining awareness of their surroundings. Being safe also means taking responsibility for their own actions and considering how their behavior impacts others.

Be Respectful

Respect is at the heart of creating a positive school culture. Students are expected to show respect for themselves, their peers, and staff members. This includes listening actively, following directions, treating others with kindness, and valuing diversity within our community.

Be Responsible

Students are encouraged to take responsibility for their actions, choices, and academic progress. Being responsible includes being on time, completing assignments, and holding oneself accountable for both successes and setbacks. Students are also expected to actively engage in their learning and contribute positively to the school community.

Be Well

Promoting student wellness is essential to both academic and behavioral success. This includes maintaining mental and physical health, seeking help when needed, managing stress, and practicing self-care. We also emphasize building healthy relationships, developing coping skills, and fostering emotional resilience.

These core expectations are communicated regularly through school-wide behavior expectations, classroom lessons, and one-on-one interactions, ensuring all students understand what it means to be **safe, respectful, responsible, and well**. Throughout the year, Barry J. Nidorf and Rockey have made significant strides in embedding these behavioral expectations into daily routines and practices. Our staff has been trained in PBIS strategies, creating consistent and proactive approaches to managing behavior. Students who consistently model the expected behaviors are recognized through a variety of reinforcement systems, including praise, awards, and opportunities for leadership roles within the school community. Both sites have also seen a reduction in disciplinary incidents and an increase in student engagement and positive peer interactions. Data collected from behavior tracking systems show a notable improvement in overall school climate, and both students and staff report feeling more supported in creating a safe and respectful learning environment.

- mental health
- family engagement and wellbeing

Additionally, LACOE is committed to supporting early childhood educators by offering workforce supports and professional learning opportunities through the following programs: (1) the California Preschool Instructional Network (CPIN), (2) the Universal PreKindergarten Career Development Initiative (UPK-CDI), (3) Quality Start Los Angeles (QSLA), Los Angeles County's Quality Rating and Improvement System, (4) Universal PreKindergarten Planning & Implementation and (5) the Inclusive Early Education Expansion Program (IEEEP).

LACOE works with 17 delegates, including school districts and nonprofit agencies, to provide direct services to children from birth to age five and pregnant women. Families with incomes below the federal poverty guidelines are eligible for Head Start services, as are families experiencing homelessness, children in foster care and families receiving public assistance, including CalFresh (SNAP), CalWORKs (TANF) and Supplemental Security Income (SSI).

LACOE Head Start and Early Learning Division (HSEL) programs and service delivery models include:

- **Early Head Start (EHS):** Provides family-centered services tailored to the unique needs of pregnant women, infants and toddlers (birth to three years old) in center-based, home-based or family child care settings. These programs are designed to promote the whole child through developmentally enriching caregiving experiences that nurture their physical, cognitive, social and emotional growth and support future school readiness and success. Moreover, EHS provides expectant families prenatal supports and interventions that promote healthy pregnancies and positive parent-child relationships.
- **Head Start Preschool (HSP):** Provides preschool-aged children with comprehensive program support across various domains, including education, health, nutrition, mental health, disabilities and family and community services. These services are provided in center-based, home-based or family child care settings. Head Start Preschool aims to equip children with the essential school-readiness skills needed for success.

HEAD START AND EARLY LEARNING

OVERVIEW

Comprehensive, coordinated programs serving children birth to five, pregnant women and families.

- California State Preschool Program (CSPP):** Serves three-to-five-year-old children in a center-based, part-day early education program. CSPP supports parent education, provides social services referrals, addresses health and nutrition needs of children and offers staff development opportunities.
- General Child Care and Development Program (CCTR):** Provides full-year services to children from birth to three years old in a center-based setting. CCTR offers child development services to families who have an identified need for services, such as families needing services because they are working, going to school, in job training, experiencing homelessness and seeking housing and/or seeking employment.
- Quality Start Los Angeles (QSLA):** Los Angeles's countywide Quality Rating and Improvement system was designed to improve the quality in early care and education centers and family child care homes that serve children birth to five. QSLA helps enhance program quality through coaching, technical assistance, professional development and financial incentives.

LACOE HSEL implements a six-pronged approach that builds infrastructure and capacity through regionalized and comprehensive institutes, practice-based team coaching, practice-based individualized coaching, digital resources, inclusive infrastructure and mobile services.
- California Preschool Instructional Network (CPIN):** Provides technical assistance and support to preschool program administrators and teachers. CPIN serves Los Angeles County to promote age- and developmentally appropriate, research-based teaching and learning strategies conducive to early learning and family engagement. CPIN also works in partnership with QSLA to implement communities of practice and enhanced professional learning sessions to QSLA coaches and providers.
- Universal PreKindergarten Career Development Initiative (UPK-CDI):** An initiative designed to recruit and retain early childhood educators through an innovative, fast-track career development pathway approach. This initiative is funded by state, county and philanthropic organizations. The following career development pathways are underway: (1) Assistant Teacher Pathway, (2) Teacher Pathway, (3) Transitional Kindergarten Teacher Pathway and (4) Family Services Track.
- Universal PreKindergarten Planning and Implementation Grant:** Supports the development and execution of a cohesive preschool through third-grade approach. It focuses on aligning curriculum, instruction and assessment with developmental, cultural and linguistic appropriateness. The grant funds professional development, resources and initiatives to enhance early childhood education, including communities of practice, book studies and transitional kindergarten institutes to ensure high-quality early learning experiences for all children in the county.

DEVELOPMENTAL ASSESSMENT

Measuring developmental progress and using data to support learning.

This report provides children’s developmental progress based on assessment results from the Desired Results Developmental Profile (DRDP) and results on preschool classroom quality based on the Classroom Assessment Scoring System (CLASS). Collectively, the trends and patterns identified in the review and analysis of school readiness data were used to shape individualized training and technical assistance of delegate agencies and LACOE HSEL’s Division Work Plan for the 2024-25 program year.

Desired Results Developmental Profile

The Desired Results Developmental Profile (DRDP) is a research-based instrument developed by the California Department of Education and designed for educators to observe, document and reflect on children’s learning and development. The DRDP results provide teachers and home visitors with information about each child’s level of development and are used to guide curriculum planning for individual children and groups of children, professional learning opportunities and continuous program improvement.

LACOE HSEL uses the DRDP to assess the developmental progress of children from birth to five years old across the following five developmental domains:

- Approaches to Learning – Self-Regulation
- Social and Emotional Development
- Language and Literacy Development
- Cognition – Math and Science
- Physical Development – Health

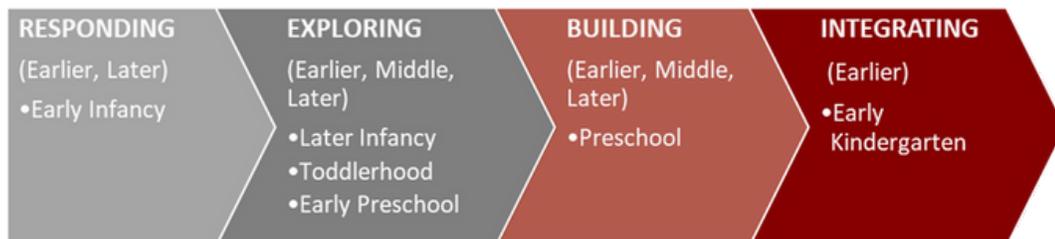

The DRDP consists of two views, an Infant/Toddler View and a Preschool View. The Infant/Toddler View is used to assess infants and toddlers in Early Head Start (EHS) and General Child Care and Development (CCTR) programs. The Preschool View is used to assess preschool-aged children in Head Start Preschool (HSP) and the California State Preschool Program (CSPP). The Preschool View also measures developmental progress across a sixth domain, English Language Development. This measure is only applicable to children residing in homes where a language other than English is spoken.

It is important to note that the DRDP is not a checklist or performance measure used to compare one child’s growth with that of another child. The DRDP is used specifically to determine individual development and progress.

Developmental Progress and Kindergarten Readiness

DRDP ratings are organized under four categories that reflect a developmental continuum from early infancy up to kindergarten entry: Responding, Exploring, Building and Integrating. Children are not expected to be rated at the highest developmental level at the end of their preschool years. However, DRDP research shows that most preschoolers will reach the Building level by the end of preschool.

HEAD START AND EARLY LEARNING

RESULTS: INFANTS AND TODDLERS

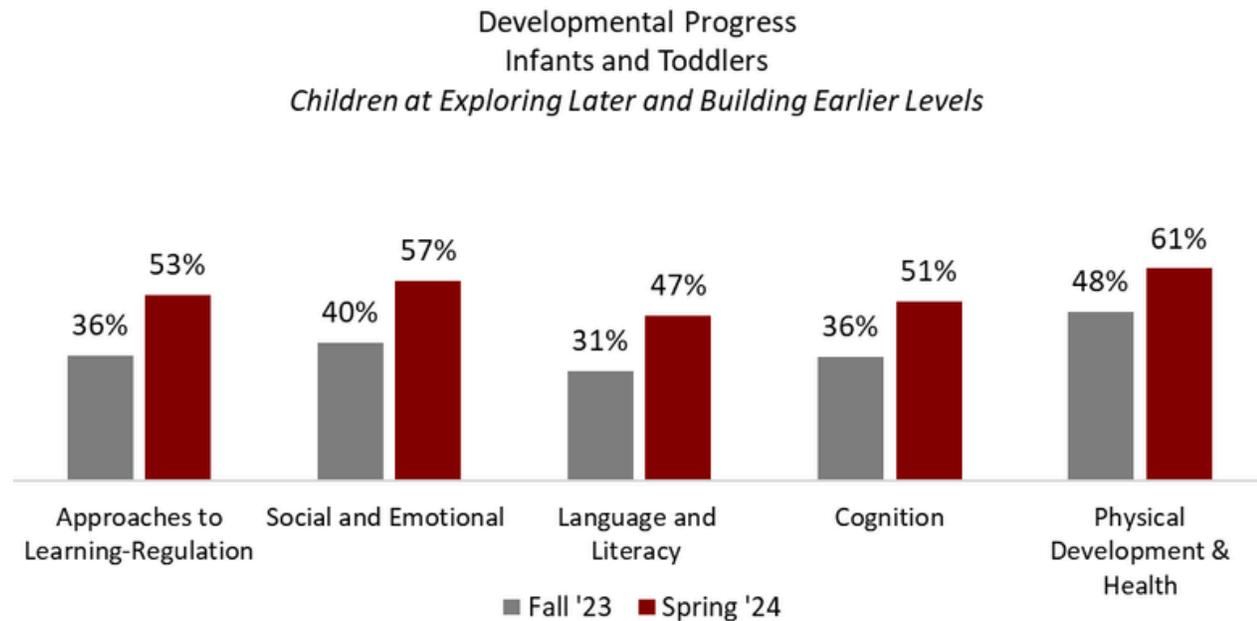

Progress of infants and toddlers across developmental domains.

DRDP Results for Infants and Toddlers

Of the 3,381 children enrolled in EHS in 2023-24, 19% were less than 1 year of age, 39% were 1 year of age, and 43% were 2-3 years of age. Review of fall 2023 (beginning of year) to spring 2024 (end of year) developmental progress of infants and toddlers showed age-appropriate growth in the percentage of children at the Exploring Later and Building Earlier developmental levels across all five domains of development assessed.

In spring 2024, the greatest number of children at Exploring Later and Building Earlier levels was observed in the following domains: (1) Physical Development and Health and (2) Social and Emotional Development. Children rated at these developmental levels display knowledge, skills or behaviors generally observed in later infancy, toddlerhood and early preschool. DRDP results for infants and toddlers were consistent with developmental progress observed in previous years.

Figure 2.

RESULTS: PRESCHOOL CHILDREN

Progress of preschool children across developmental domains.

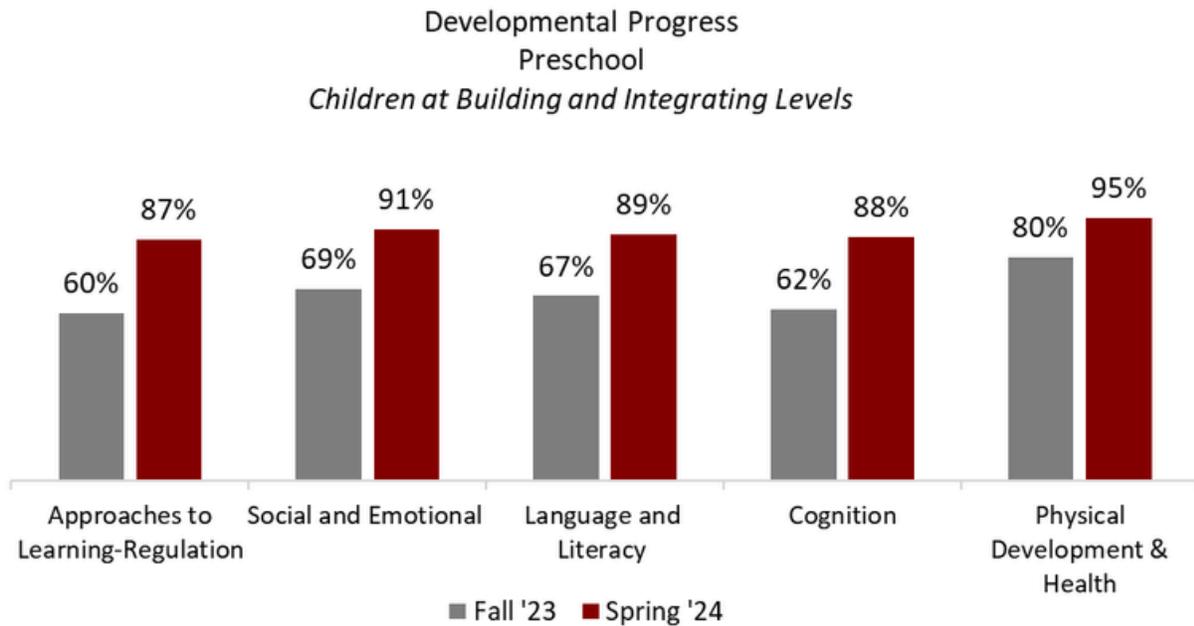

DRDP Results for Preschool Children

Of the 5,510 children enrolled in HSP in 2023-24, 63% were three years of age and 38% were four years of age. Review of fall 2023 (beginning of year) to spring 2024 (end of year) developmental progress of preschool children showed age-appropriate growth in the percentage of children at the Building and Integrating developmental levels across all domains of development assessed.

Results showed that most of the preschool children achieved the Building and Integrating levels by the end of the year (spring) across each of the five developmental domains assessed. In spring 2024, the greatest number of children at Building and Integrating levels was observed in the following domains: (1) Physical Development and Health and (2) Social and Emotional Development.

Children rated at these developmental levels display knowledge, skills or behaviors generally observed in preschool and kindergarten. DRDP results for preschoolers were consistent with developmental progress observed in previous years.

Figure 3.

Dual Language Development

In 2023-24, an estimated 74% (4,098) of children served by LACOE were considered dual language learners. The English Language Development (ELD) domain for dual language learner preschoolers consists of four measures: (1) Comprehension of English, (2) Self-Expression in English, (3) Understanding and Response to English Literacy Activities and (4) Symbol, Letter and Print Knowledge in English. These four ELD measures have six developmental levels. The first two levels—Discovering Language and Discovering English—acknowledge behaviors and skills in the child’s home language. The other four developmental levels describe behaviors and skills in English: Exploring English, Developing English, Building English and Integrating English.

Results showed the percentage of dual language learner preschoolers rated at the Building English to Integrating English levels in the ELD domain was 45% in fall 2023 and 70% in spring 2024. Ratings on the ELD measures were consistent with ratings observed in previous years.

CLASSROOM QUALITY

Progress in improving the quality of teacher-child interactions in preschool classrooms.

Classroom Assessment Scoring System

LACOE HSEL uses the Classroom Assessment Scoring System (CLASS) to assess the quality of teacher-child interactions in center-based Head Start preschool classrooms. CLASS measures the quality of interactions between teachers and children in preschool classrooms across three domains: (1) Emotional Support, (2) Classroom Organization and (3) Instructional Support. LACOE utilizes CLASS data to evaluate school readiness outcomes, create professional learning plans for teaching teams, assign points for tier ratings, inform coaching and plan training and continuous quality improvement efforts throughout the program year.

The Office of Head Start (OHS) uses the CLASS tool as a part of its review of grantees to determine the degree to which grantees are meeting the quality indicators described in Head Start Program Performance Standards § 1304.10–16. OHS conducts a CLASS review once in a five-year grant period on a selected number of classrooms per grantee. The CLASS review is one of the criteria used by OHS to determine whether a grantee must recompete for its grant (OHS Recompensation Trigger). Grantees that have CLASS average scores that fall below the established Competitive Threshold in any of the three CLASS domains will be required to recompete for their Head Start grant. Grantees with scores above the Competitive Threshold but below the Quality Threshold in any domain will receive support from OHS to implement quality improvement efforts.

Preschool Classroom Quality (CLASS) Results

In 2023-24, CLASS observations were completed in two distinct phases:

- Phase 1 CLASS observations were completed in classrooms with new teachers* across Head Start center-based preschool classes to provide baseline data on the quality of teacher-child interactions.
- Phase 2 CLASS observations were completed on a proportional sample* of classrooms with teachers previously observed in 2021. Teachers who had one (or more) CLASS domain scores above the Competitive Threshold but below the Quality Threshold in fall 2021 were selected for observation in spring 2024 to provide data on how the quality of teacher-child interactions has changed over time.

LACOE used this data to determine the allocation of targeted support, resources and professional development such as training, in-person instruction, technical assistance and coaching supports.

*Note: A new teacher refers to any lead teacher hired after 7/1/23. Proportional sampling refers to a sampling technique where data is collected from a subgroup of individuals and the results from this group can be generalized to the larger group.

HEAD START AND EARLY LEARNING

CLASSROOM QUALITY

Progress in improving the quality of teacher-child interactions in preschool classrooms.

Phase 1 – New Teachers (N=36)

CLASS domain average scores for classrooms with new teachers are displayed in the table below. To gauge the relative level of interactions between new teachers and children in preschool classrooms, results were compared to the OHS Designation Renewal System (DRS) Competitive and Quality Thresholds.

Table 1.

CLASS Domain	Spring 2024 LACOE Average (n=36)	OHS Competitive Threshold	OHS Quality Threshold
Emotional Support	6.13	5.00	6.00
Classroom Organization	5.64	5.00	6.00
Instructional Support	2.50	2.30	3.00

Key findings based on the analysis of CLASS domain scores showed that LACOE's new teachers:

- Surpassed the OHS Competitive Threshold in all three domains
- Fell below the OHS Quality Threshold in Classroom Organization and Instructional Support

Phase 2 – Proportional Sample (N=51)

CLASS domain average scores for a matched sample of teachers who were observed in 2021 and 2024 are displayed in the table below.

Table 2.

CLASS Domain	Fall 2021 LACOE Average (n=51)	Spring 2024 LACOE Average (n=51)	Difference between 2021 and 2024	OHS Competitive Threshold	OHS Quality Threshold
Emotional Support	6.36	6.30	- 0.06	5.00	6.00
Classroom Organization	6.07	5.88	- 0.19	5.00	6.00
Instructional Support	2.85	2.99	+0.14	2.30	3.00

Key findings based on the analysis of CLASS domain scores for this proportional sample showed that:

- Spring 2024 scores surpassed the OHS Competitive Threshold in all three domains
- Spring 2024 scores fell below the OHS Quality Threshold in Classroom Organization and Instructional Support
- No statistically significant* differences were found between fall 2021 and spring 2024 for each CLASS domain on this subset of teachers observed

*Note: Statistical significance helps to determine if the differences observed in scores are due to chance or if they represent a real difference between time points.

2024-25 Program Year Strategies

LACOE continues to provide strategies, processes and guidance to support its delegate agencies in the delivery of quality learning environments that nurture children's school readiness. The following are examples of activities LACOE is implementing to support school readiness:

- **Coaching Supports** involve five delegate agencies in a coaching supports pilot to provide intensive coaching to early childhood educators with less than two years of experience. Each educator receives two monthly onsite coach visits and participates in weekly reflective supervision focusing on improving teaching practices and implementing quality improvement plans.
- **Early Head Start Institute** engages the early learning community in the two-day event *Tiny Steps, Big Impact: Shaping the Future of Infants & Toddlers* to discuss innovative practices on a range of topics, including language development in the early years, toddler music and movement, maternal mental health and providing individualized support for infants and toddlers.
- **Universal PreKindergarten (UPK) Institutes** is a series of institutes designed to support high-quality early learning environments. These training opportunities have engaged approximately 350 educators and administrators per institute.
 - *Foundations of Play* emphasized the critical role of play in child development.
 - *The Building Blocks of Play: Where Play Meets Learning* explored the intersection of play and education, offering practical strategies for educators.
 - *Shaping Young Minds: Igniting Curiosity & Inspiring Innovation* will explore innovative approaches to fostering creativity and critical thinking in young learners.
- **Quality Teacher-Child Interactions:** LACOE and delegate agencies are mobilized in a collaborative approach to CLASS through implementation of the Classroom Assessment Scoring System Plan developed for the 2024-2029 project period. The plan provides the infrastructure to establish and sustain continuous quality improvement of educator-child interactions across LACOE programs using the CLASS tool. LACOE utilizes CLASS data to evaluate school readiness outcomes, create professional learning plans for teaching teams, assign tier rating points, guide coaching and plan training and quality improvement efforts throughout the program year.
- **Comprehensive Reviews** assess delegate agencies' ability to achieve child and family outcomes goals by collecting and analyzing current and historical data to understand organizational health, compliance and program effectiveness. The Comprehensive Review includes the review of child files, observations and interviews, as well as data from the Inclusive Classrooms Profiles. Data will enhance delegate agency processes and improve monitoring, technical assistance, program improvements and corrective actions. Comprehensive reviews will take place from January to May 2025.

HEAD START AND EARLY LEARNING

NEXT STEPS

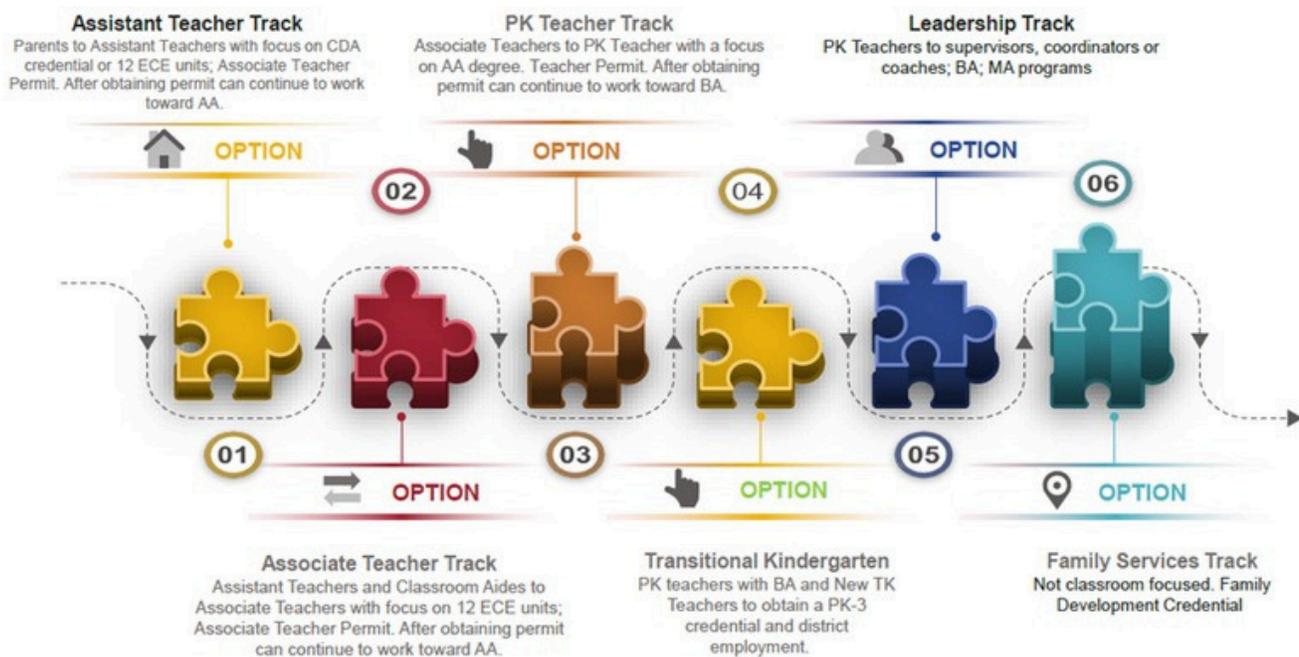

Adaptations and innovations to ensure the provision of quality services.

- Curriculum:** Delegate agencies have self-identified their level of implementation of Conscious Discipline* curriculum—from Level 1 (Exploring) to Level 4 (Deepening the Practice). LACOE will offer a two-day introductory training led by a Conscious Discipline instructor for delegate agencies at Levels 1-2. Delegate agencies at Levels 3-4 receive support from LACOE to continue implementation.

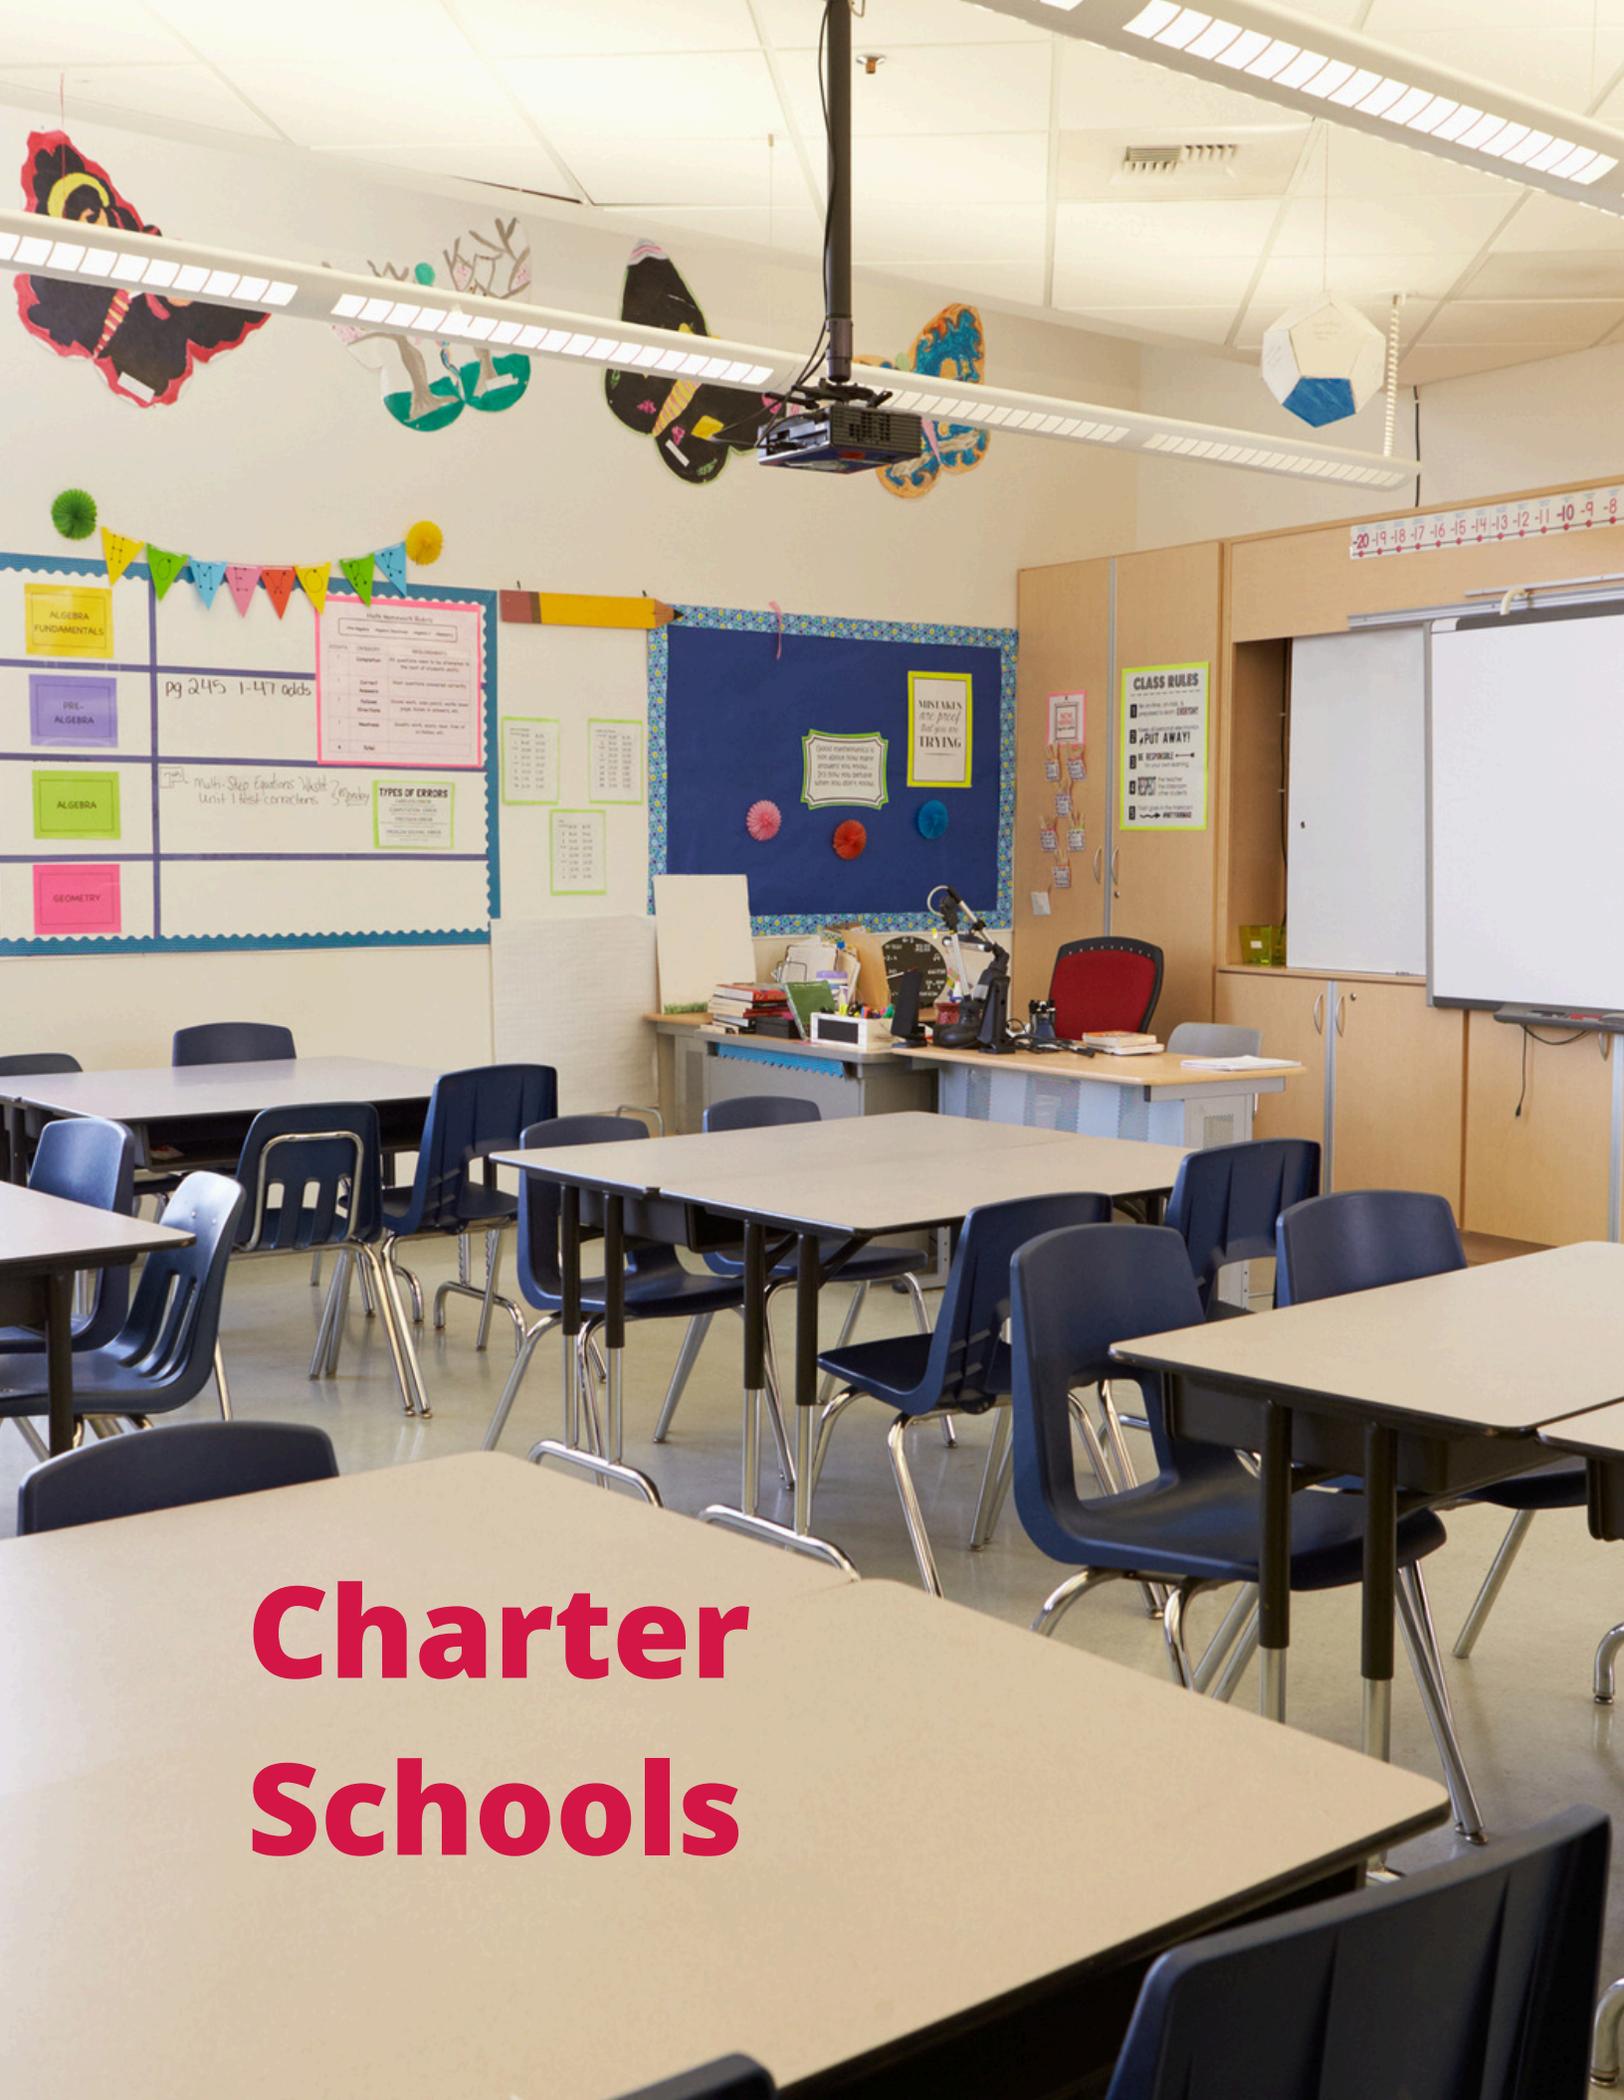

Additionally, LACOE continues to implement Universal PreKindergarten Career Development Initiative (UPK-CDI) to address educator shortages by improving both recruitment and retention of educators through an innovative, fast-track career development pathway approach. UPK-CDI was designed to facilitate access and advancement for current and prospective early educators, parents and staff members through career development programs, mentorships and tuition support. This initiative is funded by state, county and philanthropic organizations.

In 2023-24, 182 Head Start parents and L.A. County residents participated in the Assistant Teacher Pathway, which focuses on preparing participants to become assistant teachers at LACOE HSEL delegate agencies. Of these, 50 parents completed the pathway and 32 (64%) were hired during this period. Additional pathways are underway, including opportunities for current assistant teachers to become qualified to work as lead teachers. Additionally, LACOE is collaborating with West LA College, UCLA and East LA College to provide coursework for participants. Figure 4 provides the pathways that are underway as part of UPK-CDI.

Charter Schools

In the 2023-24 school year, 25 County Board of Education-authorized charter schools operated across the greater Los Angeles County, representing each supervisorial Board District.

One school, the North Valley Military Institute (NVMI), was in the revocation process when they self-closed prior to the first day of school in the 23-24 school year. Four schools, KIPP Poder, Russell Westbrook Why Not? Middle School, Valiente and We The People chose to self-close at the end of the 23-24 academic year.

Of the 25 schools, there were five elementary schools, three TK-8 schools, five middle schools, five were configured as 6-12 span schools, and seven were high schools.

Two of the charter schools were Dashboard Alternative School Status (DASS) schools (schools accountable for modified measurements of performance), with one of them serving students through a hybrid (in-person and online) non-classroom based program.

Actions Taken by County Board of Education 2023-24

Education Code section 47600 provides the County Board of Education with the authority to directly grant a charter for the operation of three types of charter schools:

- o **Direct County Charter** – A charter school that serves pupils for whom LACOE would otherwise be responsible for providing direct education and related services. Students must have been expelled, currently be on probation, and/or meet one of the other criteria to attend a County Community School under Education Code 1981. (Education Code 47605.5)
- o **Countywide Charter** – A charter school that operates at one or more sites within the geographic boundaries of the county and provides instructional services not generally provided by LACOE. There must be reasonable justification for why the charter could not be established by petition to a local school district. (Education Code 47605.6)
- o **County Conversion Charter** – A charter school that changes an existing public school operated by LACOE to charter status. (Education Code 47605)

The County Board of Education also has the authority to hear appeals to establish or renew a charter not authorized by a local school district board. If the County Board of Education grants the charter, it becomes the authorizing entity. (Education Code 47605(j)(1) and 47607.5)

Once the County Board of Education becomes the authorizing entity of a charter school, it has the authority to renew or not renew the charter.

The County Board of Education hears appeals on charter revocation taken by local school district boards. If the County Board of Education reverses the district's action, the district remains the authorizing entity unless there is further appeal to the State Board and the decision is reversed. (Education Code 47607(f))

The County Board of Education also has the authority to revoke the charter of a school it has authorized. (Education Code 47607(c))

Summary of County Board of Education Actions: 2023-2024

The County Board of Education issued decisions in three charter school matters (initial petitions, renewals and material revisions) during the 2023-24 school year (July 2023 through June 2024).

All three actions were taken on charters already authorized by the County Board of Education:

- Three requests for a material revision were considered- three were approved

Enrollment for Charter Schools Authorized by the County Board of Education

LACOE closely monitors the enrollment of each school, as it is directly connected to the fiscal health of the school. Actual student enrollment is compared to the projections included in the school's charter and annual budget. Discrepancies may result in the need for a revised budget.

Of the 25 Los Angeles County Board of Education-monitored charter schools in operation during 2023-24: 15 increased enrollment over the prior year, eight saw enrollment decline and two maintained enrollment numbers (less than 1% change). Five of the 15 schools that showed growth added a grade level that year.

Jardin de la Infancia reported the most significant growth for a school not adding grade levels with a 28.6% increase. Russell Westbrook Why Not? High School experienced the largest enrollment decline at -23.7%. The Charter School Office is monitoring each school's fiscal viability and is encouraging expanded recruitment efforts for schools with enrollment declines.

Student Demographics for Charter Schools Monitored by the County Board of Education

The LA County Office of Education is committed to racial equity and social justice by ensuring equal access and opportunities for all students. Student demographic data is reviewed to determine the extent to which each charter school's student enrollment demographics are equitable and reflective of the district boundaries of the local school district in which it resides.

Combined 2023-24 student demographic data of all LACOE-monitored charter schools reflected that 77% of students were Hispanic/Latino, 12% African American, 7% White, and 1% Asian. This indicates that LACOE-monitored charter schools as a whole serve higher percentages of both African American and Hispanic students than LA County as a whole, with lower percentages of Asian and white students. These LACOE-monitored charter schools also serve slightly higher percentages of Socio-economically Disadvantaged students and students with Disabilities, with slightly lower percentages of English Learners and students experiencing homelessness.

Figure 1 below shows student demographic data from 2023-24 for schools monitored by the County Board of Education, and Figure 2 shows the student demographics of the County overall. Figure 3 shows student group demographics for the schools monitored by the County Board of Education, and Figure 4 shows student group demographics for the the County Overall.

California Assessment of Student Performance and Progress (CAASPP) 2019-2024

The California Assessment of Student Performance and Progress (CAASPP) System was established on January 1, 2014, replacing the Standardized Testing and Reporting (STAR) Program, which became inoperative on July 1, 2013. The CAASPP System includes the Smarter Balanced Summative Assessments for English-Language Arts (ELA) and mathematics in grades three through eight and grade eleven.

CAASPP testing for the 2019-2020 school year was suspended due to the Covid-19 pandemic. For the 2020-2021 school year, flexibilities due to Covid-19 were granted to schools, allowing them to use internal assessments if administering CAASPP was not deemed feasible. For this reason, participation in CAASPP for 2021 was less than 25% statewide. Additionally, all accountability measures such as participation rate and Differentiated Assistance (DA) designation were removed from the 2021 CAASPP testing results.

Therefore, the pre- and post-pandemic CAASPP performance for charter schools currently authorized by the County Board of Education is reported in the following table.

Table 3 (below) provides schoolwide CAASPP performance for ELA and mathematics for the 2019 through 2024 administrations represented as Distance from Standard (DFS). A DFS score of zero would mean the average student performance at the school was exactly Standard Met Achievement level based on California State Standards. Negative values indicate the school average is below the Standard Met level and positive values indicate the average school performance is above the Standard Met level.

The average performance of all schools in California is provided as a basis for comparison. In Table 3, charter school scores in **red** indicate performance **below** that of the state. Scores in **green** indicate performance **above** that the state. Scores in black are similar to those of the state (+/- 1).

Renewal Criteria and Tiered Performance Levels

Based on California Dashboard data, California Department of Education (CDE) designates the performance of each charter school as Low, High or Middle performing. A list of these performance levels is published by the CDE each year based on a school's Dashboard (<https://www.cde.ca.gov/sp/ch/performcategory.asp>). This performance classification is a key factor for renewal criteria and is set forth in statute.

To be designated as High Performing, a school must demonstrate all green and blue indicators for all academic metrics within the California Dashboard for two out of the last three years.

To be designated as Low Performing, a school may qualify in two ways. First, it may demonstrate the two lowest performance levels schoolwide on all state indicators for which it receives performance levels for two out of the last three years. Additionally, the school may receive schoolwide performance levels that are the same or lower than the state average as well as performance levels that are lower than the state average, for a majority of subgroups that are performing below the state average, on all academic metrics within the California Dashboard for two out of the last three years.

According to the most recently available performance level designations published on October 15, 2024, Odyssey was designated as High Performing and Alma Fuerte was designated as Low Performing. All other LA County Board of Education-authorized schools were designated as Middle Performing.

Based on 2023-2024 Dashboard data, 2 schools were designated for Differentiated Assistance. The identified schools were Da Vinci RISE and Environmental Charter Middle School Gardena. These schools will receive assistance from Kern County Office of Education during the 24-25 school year.

Item VII. Recommendations

- A. Approval of Second Interim Report 2024-25 with Attached Staff Report (Enclosure)

Pursuant to Education Code (EC) 1240(I), county offices of education are required annually to submit an Interim Financial Report by March 15th. This Report, whose format is prescribed in State Standards and Criteria, presents fiscal year expenditures for the period ending January 31, 2025, projections for the remainder of 2024-25, and projections for 2025-26 and 2026-27. Per EC, this report is presented to the County Board of Education.

The Los Angeles County Office of Education is submitting a “positive certification”, i.e., that we will be able to meet the financial obligations for the remainder of this year and the two subsequent years.

Los Angeles County Office of Education

2024-25 Second Interim Report

Narrative

Karen Kimmel, Chief Financial Officer

&

Division of Accounting & Budget Development

March 4, 2025

Introduction

The Los Angeles County Office of Education (LACOE or Office) is required to file two interim reports each fiscal year on the status of the Office's financial health. The First Interim report is due December 15th for the period ending October 31st. The Second Interim report is due March 15th for the period ending January 31st.

The Criteria and Standards section of the interim reports, codified in Title 5 of the *California Code of Regulations*, is a tool used to monitor the fiscal stability of education agencies. The interim reports must also include a certification of whether the Office is able to meet its financial obligations in the current and two subsequent fiscal years. A positive certification is assigned when LACOE is expected to meet its financial obligations for the current and two subsequent fiscal years. A qualified certification is designated when LACOE may not meet its financial obligations for the current or two subsequent fiscal years. A negative certification is assigned if LACOE is expected to be unable to meet its financial obligations for the remainder of the current year or for the subsequent fiscal year.

LACOE is submitting the 2024-25 Second Interim report with a positive certification, maintaining its reserves above the state-required 2% minimum reserve level, and the Board-required 10% minimum reserve level, for the current and two subsequent fiscal years.

Local Control Funding

LACOE receives its primary funding in three separate funding streams from the Local Control Funding Formula:

- County Operations grant to provide oversight services for districts within the county
- Alternative Education grant for instructional programs operated directly
- Differentiated Assistance to provide assistance to eligible Local Education Agencies (LEA's)

The County Operations grant is based on (1) a minimum grant amount per county, (2) the number of school districts within the county, and (3) the average daily attendance (ADA) attributable to the school districts, charter schools, and schools within Los Angeles County under the jurisdiction of the County Superintendent.

The funding that LACOE receives from the Alternative Education grant is based on the ADA for pupils that receive compulsory education in the Juvenile Court Schools and certain pupils served by LACOE through its County Community Schools who are on probation, probation referred, or mandatorily-expelled.

Beginning with the 2023-24 school year, Differentiated Assistance now includes funding for Charter Schools that meet the eligibility criteria.

LACOE Impact

LCFF revenue is now based on the higher of current year, prior year, or prior three-year average. Since the temporary spike in 2020-21 ADA is outside of the three-year averaging window, LACOE is only gaining minimal benefit from the new options that were implemented in 2023-24.

The Table above summarizes total revenues, expenditures, other financing sources and uses, and fund balance components in the County School Service Fund. Major changes in the budgets which have been incorporated since the First Interim Report are outlined in the paragraphs below.

During the 2024-25 fiscal year, total revenues and other financing sources are projected to increase by an additional \$67.9 million. \$63.1 million of the increase was due to Local Grant partnerships with other COEs for the Children and Youth Behavioral Health Initiative. Federal revenue reflects a decrease in ESSER II spending as the program sunset in fall of 2025. This is net of small increases to Title I, Migrant Ed California Literacy Initiative, and Head Start, and Homeless Education Technical Assistance grants. State revenue increases include \$1 million for the Center for Inclusive College, \$0.71 million for the Classified Employee Teacher Training grant, and \$0.6 million for the Reversing Opioid Overdoses grant. Local revenue also increased by \$0.82 million for the Juvenile Justice Realignment grant.

Expenditures increased by \$72 million from the First Interim budget. The increase reflects the expenses budgeted to operate the grants and contracts received above. No salary and benefit negotiations have been settled for the current year. The Second Interim report reflects an estimate of \$13.4 million in projected annual salary savings due to vacant positions.

Reserve Requirement

The State requires that LACOE maintains a 2% minimum Reserve for Economic Uncertainties (REU). LACOE's Board policy is to maintain a 10% minimum REU. During the 2024-25 budget year and two subsequent years, LACOE projects reserves of 10.07%, 10.02%, and 10.05% in the 2024-25, 2025-26 and 2026-27 fiscal years, respectively.

Future Reports

Business Services will be preparing and submitting an Estimated Actuals financial report for comparison to the proposed budget for the 2025-2026 school year prior to June 30, 2025. In the Estimated Actuals report, additional known information, budget figures, and salary savings from vacancies and other budgetary savings will be captured and projected for the 2024-25 fiscal year.

SECTION IV - Detail of Adjustments to Base Expenditures (used in Section III, Line A.1)

Description of Adjustments	Total Expenditures	Expenditures Per ADA
Total adjustments to base expenditures	0.00	0.00

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 27,480,908.78
- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. _____
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 291,693,891.21

C. Percentage of Plant Services Costs Attributable to General Administration

(Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 9.42%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. 120,000.00
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	35,548,073.24
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	5,379,158.18
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (11.63%) times Part III, Line B19); zero if negative	0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (11.63%) times Part III, Line B19) or (the highest rate used to recover costs from any program (11.94%) times Part III, Line B19); zero if positive	(21,272,988.66)
D. Preliminary carry-forward adjustment (Line C1 or C2)	(21,272,988.66)
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	2.67%
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment (\$-10636494.33) is applied to the current year calculation and the remainder (\$-10636494.33) is deferred to one or more future years:	4.66%
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment (\$-7090996.22) is applied to the current year calculation and the remainder (\$-14181992.44) is deferred to one or more future years:	5.32%
LEA request for Option 1, Option 2, or Option 3	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	(21,272,988.66)

Approved indirect cost rate: 11.63%

Highest rate used in any program: 11.94%

Note: In one or more resources, the rate used is greater than the approved rate.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The county office of education must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the California Department of Education (CDE) with an analysis of the cost of the settlement and its impact on the operating budget.

The CDE shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the governing board and the county superintendent of schools.

S9. Status of Other Funds

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1. Are any funds other than the county school service fund projected to have a negative fund balance at the end of the current fiscal year?

No

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A8; Item A1 is automatically completed based on data from Criterion 7.

- A1. Do cash flow projections show that the county office will end the current fiscal year with a negative cash balance in the county school service fund? (Data from Criterion 7B-1, Cash Balance, are used to determine Yes or No)

- A2. Is the system of personnel position control independent from the payroll system?

- A3. Is the County Operations Grant ADA decreasing in both the prior and current fiscal years?

- A4. Are new charter schools operating in county office boundaries that impact the county office's ADA, either in the prior or current fiscal year?

- A5. Has the county office entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?

- A6. Does the county office provide uncapped (100% employer paid) health benefits for current or retired employees?

- A7. Does the county office have any reports that indicate fiscal distress? (If Yes, provide copies to the CDE.)

- A8. Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

Board Meeting – March 4, 2025

Item VII. Recommendations

- B. Approval of LACOE Legislative Proposal and Position Recommendation Report PRR 1.0 – March 2025

The Superintendent recommends that the County Board approve the following legislative proposal for the 2025 Legislative Year:

1. **AB 51 (McKinnor) Education Finance: Emergency Apportionments: Zero-Percent Interest Rate.** [Introduced: 2/19/2025]

Desired Outcome: To require, commencing January 1, 2026, the interest rate to be 0 percent for the outstanding emergency apportionments to Inglewood Unified School District and Oakland Unified School District.

Summary of the Issue: Existing law authorizes the governing board of a school district that determines during a fiscal year that its revenues are less than the amount necessary to meet its current year expenditure obligations to request an emergency apportionment through the Superintendent of Public Instruction. Existing law authorizes emergency apportionments to be provided through an interim loan from the General Fund and lease financing made available by the California Infrastructure and Economic Development Bank, which is authorized to issue bonds for purposes of the emergency apportionments and related costs, or as an alternative to lease financing, as an emergency apportionment from the General Fund. Existing law prescribes the financing conditions on emergency apportionments, including the calculation of the interest rate. Existing law also includes requirements, including the calculation of the interest rate, for outstanding emergency apportionments made to Inglewood Unified School District and Oakland Unified School District.

2. **AB 320 (Bennett) Public Social Services: Eligibility: Income Exclusions.** [Introduced: 1/24/2025]

Desired Outcome: To amend the Education and Welfare and Institutions Codes to ensure that, to the extent permitted by law, any compensation received by a pupil board member of any county office of education or school district is not considered income or

asset for determining eligibility or benefit amounts for public social services programs.

Summary of the Issue: Since 2019, pupil board members have proven to be an essential addition to school boards in California. Student voice is fundamental to the governance of schools, as students acquire important civic engagement skills. Student leadership and civic engagement should belong to all students, and we should identify and remove barriers to a students' fullest participation.

Under current law, districts and county offices are permitted to pay board allowance stipends or give student school credit for involvement. Students from modest earning families, however, may risk losing food or eligibility for other assistance programs by accepting a student board member stipend, as it may inadvertently change family income. Students may be dissuaded from participating because of the risk to their family's income. Boards lose the value of talented students, and students lose the ability to participate in this important civic engagement opportunity. This bill remedies those barriers, and creates greater opportunity.

3. SB 584 (Limón) Pupil Instruction: Civic Engagement.
[Introduced: 2/20/2025]

Desired Outcome: To require social science instruction in grades 1-12 to include civic engagement experiences with governmental institutions, empower teachers to use existing civic learning resources to integrate civic programming into the curriculum across various subject areas, expand eligibility for the California Serves Grant Program to support professional learning and instructional materials on civic engagement for grades 1-8, and establish a Civic Engagement Pathways Recognition Program to acknowledge progress in civic education.

Summary of the Issue: In October 2017, then-Governor Jerry Brown signed Assembly Bill 24 (Eggman) into law. The law required the State Superintendent of Public Instruction (SSPI), on or before January 1, 2020, to recommend to the State Board of Education (SBE) criteria for awarding a State Seal of Civic Engagement (SSCE) to pupils who have demonstrated excellence in civics education and participation and an understanding of the United States Constitution, the California Constitution, and the democratic system of government. On September 10, 2020, the SBE adopted

criteria and guidance to award a State Seal of Civic Engagement to California students in public schools, grades 11 and 12, who demonstrate excellence in civics education and participation, and an understanding of the United States Constitution, the California Constitution, and the democratic system of government.

According to California Education Code Section 51470:

It is the intent of the Legislature to establish a State Seal of Civic Engagement to encourage, and create pathways for, pupils in elementary and secondary schools to become civically engaged in democratic governmental institutions at the local, state, and national levels. *(Added by Stats. 2017, Ch. 604, Sec. 1. (AB 24) Effective January 1, 2018.)*

However, there currently is no requirement for elementary and middle schools to establish a pathway for students to become civically engaged in democratic governmental institutions in order to prepare them to meet the criteria to earn the State Seal of Civic Engagement in grades 11 or 12.

The proposal aims to bridge gaps in civic knowledge and participation, empowering all students, regardless of their background, to have a comprehensive understanding of democratic institutions and become active participants in their communities and government. This initiative aligns with LACOE's equity goals by promoting civic education as a universal right and a pathway to an informed and engaged citizenry.

The Superintendent recommends that the County Board approve the position recommendations made by Governmental Relations for the following bills:

<u>Bill No.</u>	<u>Author</u>	<u>Topic</u>	<u>Position</u>
AB 2	Lowenthal	Social media platforms: injuries to children: civil penalties.	Support
AB 228	Sanchez	Pupil health: epinephrine delivery systems.	Support

AB 419	Connolly	Educational equity: immigration enforcement.	Support
AB 421	Solache	Immigration enforcement: prohibitions on access, sharing information, and law enforcement collaboration.	Support

SB 334	Reyes	Pupil instruction: sexual harassment: Title IX.	Support

AB 2 (Lowenthal) Social media platforms: injuries to children: civil penalties. [Introduced: 12/2/2024]

Recommended Position: **Support**

Background Information: Existing law provides that everyone is responsible not only for the result of their willful acts, but also for an injury occasioned to another by their want of ordinary care or skill in the management of their property or person.

This bill would state the intent of the Legislature to enact legislation that would make a social media platform liable for specified civil penalties in addition to any other remedy provided by law, if the platform fails to exercise ordinary care or skill toward a child.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Student Support Services: Social media companies must be held responsible and accountable for harm caused to individuals, particularly minors. The impact of social media on youth can be detrimental to their overall health and well-being, as they are especially vulnerable to its harmful effects. These platforms are designed to maximize user engagement and profit, often prioritizing growth over the safety and mental wellness of younger users. Research has linked social media use to increased incidents of cyberbullying, mental health challenges—including suicide—and acts of violence. Establishing a duty of care to act responsibly and prevent harm is essential in policy implementation. Social media companies must be held to the same standards as

institutions and agencies that serve youth, including businesses and public spaces.

AB 228 (Sanchez) Pupil health: epinephrine delivery systems.

[Introduced: 1/13/2025]

Recommended Position: **Support**

Background Information: Existing law requires school districts, county offices of education, and charter schools to provide emergency epinephrine auto-injectors to school nurses or trained volunteer personnel, and authorizes school nurses and trained personnel to use epinephrine auto-injectors to provide emergency medical aid to persons suffering, or reasonably believed to be suffering, from an anaphylactic reaction. Existing law requires school districts, county offices of education, and charter schools to store those emergency epinephrine auto-injectors in an accessible location upon need for emergency use and include that location in annual notices.

Existing law authorizes a pupil to carry and self-administer prescription auto-injectable epinephrine if the school district receives specified written statements from a physician and surgeon or a physician assistant, and from the parent, foster parent, or guardian of the pupil.

This bill would replace all references to epinephrine auto-injectors or auto-injectable epinephrine in the above-described provisions with references instead to epinephrine delivery systems, and would require school districts, county offices of education, and charter schools to instead provide at least one type of United States Food and Drug Administration-approved epinephrine delivery system.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Student Support Services: Current laws related to the use of epinephrine in schools for emergency medical aid are for “epinephrine auto-injectors”. Until recently, epinephrine auto-injectors were the only

available delivery system to administer epinephrine. Currently, another delivery system is commercially available in the form of a needle-free nasal spray that administers epinephrine for life-threatening anaphylaxis. However, the current law does not allow schools to use another delivery system. This bill would change all references in the epinephrine laws from epinephrine auto-injectors to “epinephrine delivery systems.” This bill would allow schools to provide at least one type of FDA approved epinephrine delivery system in schools to administer emergency medical aid for anaphylaxis and would allow students to carry and self-administer a prescribed epinephrine delivery system.

AB 347 (Kalra) Pupil instruction: animal dissection.
[Introduced: 1/29/2025]

Recommended Position: **Support**

Background Information: Existing law authorizes a pupil with a moral objection to dissecting or otherwise harming or destroying an animal to refrain from participation in an educational project that involves the harmful or destructive use of animals. Existing law authorizes, if the pupil chooses to refrain and a teacher believes that an adequate alternative education project is possible, the teacher to work with the pupil to develop and agree upon an alternative education project in order to obtain the knowledge, information, or experience required by the course of study in question. Existing law requires each teacher teaching a course that utilizes live or dead animals or animal parts to inform the pupils of their rights pursuant to these provisions. Existing law applies these provisions to all levels of instruction in all public schools operating programs in kindergarten and grades 1 to 12, inclusive.

Existing law requires the Superintendent of Public Instruction to establish and implement a system of complaint processing, known as the Uniform Complaint Procedures.

This bill, if a pupil chooses to refrain from participation in an assessment, education project, or test involving the dissection of animals, would require a teacher to provide an alternative assessment, education project, or test. The bill would prohibit a pupil’s grades from being impacted as a means of

penalizing the pupil for exercising their rights concerning dissection of animals. The bill would require a teacher to provide, at a pupil's request, any sourcing information provided by the vendor or provider of the animals and information about the chemicals used to preserve the animals for dissection to which the pupil may be exposed. The bill would require a teacher, or a public school on behalf of the teacher, to provide written notice of the pupils' rights that includes information that includes the above-described rights and the complaint procedures described below. The bill would require, by November 1, 2026, the State Department of Education to develop a template that a teacher, or a public school on behalf of the teacher, would be authorized to use to provide this written notice and to make the template available on its internet website. The bill would encourage, by July 1, 2028, public schools to explore using effective alternative methods in lieu of utilizing live or dead animals or animal parts for dissection in a course of study. The bill would require the Uniform Complaint Procedures to apply to pupils' rights to refrain from participation in an assessment, education project, or test involving the dissection of animals and to choose an alternative assessment, education project, or test. By imposing additional duties on public schools, the bill would impose a state-mandated local program.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Curriculum and Instructional Services: A uniformed procedure provides consistency for decisions made at the local level. Consistency in identification for alternatives to actual dissection shall allow for alternative high quality access to content.

AB 419 (Connolly) Educational equity: immigration enforcement.
[Amended: 2/19/2025]

Recommended Position: **Support**

Background Information: Existing law prohibits, except as required by state or federal law or as required to administer a state or federally supported educational program, school officials and employees of a local educational agency from collecting information or documents regarding citizenship or

immigration status of pupils or their family members. Existing law requires the governing board or body of a school district, county office of education, or charter school to perform actions relating to pupils and immigration status, including providing information to parents and guardians, as appropriate, regarding their children’s right to a free public education, regardless of immigration status or religious beliefs.

This bill would require the governing board or body of a local educational agency to post information related to immigration enforcement in the administrative buildings and on the internet websites of the local educational agency and each of its schoolsites.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

General Counsel: This bill would require local educational agencies to post information related to immigration enforcement both in their administrative building and on their website, in both English and Spanish. This bill will make that information more easily accessible to families, and therefore we recommend supporting this bill.

AB 421 (Solache) Immigration enforcement: prohibitions on access, sharing information, and law enforcement collaboration.

[Introduced: 2/5/2025]

Recommended Position: **Support**

Background Information: Existing law, the California Values Act, generally prohibits California law enforcement agencies from investigating, interrogating, detaining, detecting, or arresting persons for immigration enforcement purposes. Existing law provides certain limited exceptions to this prohibition, including transfers of persons pursuant to a judicial warrant and providing certain information to federal authorities regarding serious and violent felons in custody.

This bill would prohibit California law enforcement agencies from collaborating with, or providing any information in writing, verbally, on in

any other manner to, immigration authorities regarding proposed or currently underway immigration enforcement actions when the actions could be or are taking place within a radius of one mile of any childcare or daycare facility, religious institution, place of worship, hospital, or medical office.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

General Counsel: This bill will prohibit California law enforcement from cooperating with immigration enforcement actions occurring within one mile of specific facilities, including childcare and daycare centers. This protection extends to Head Start and early learning sites, ensuring that immigration enforcement collaboration within one mile of these locations is not permitted.

SB 267 (Choi) Personal income tax: credit: qualified teacher: school supplies. [Introduced: 2/3/2025]

Recommended Position: **Support**

Background Information: The Personal Income Tax Law allows various credits against the taxes imposed by that law.

This bill would allow a credit against those taxes for each taxable year beginning on or after January 1, 2026, and before January 1, 2031, in an amount equal to the amount paid or incurred by a qualified teacher during the taxable year for instructional materials and classroom supplies not to exceed \$250. The bill would define qualified teacher as a teacher in a public, charter, or private school offering instruction in kindergarten or any of grades 1 to 12, inclusive, who is within the first three years of employment as a teacher.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Human Resource Services: Teachers spend significantly more than \$250 on classroom supplies, etc. for their classroom, so this tax credit is just be a beginning of hopefully more tax credits to come.

SB 334 (Reyes) Pupil instruction: sexual harassment: Title IX.
[Introduced: 2/12/2025]

Recommended Position: **Support**

Background Information: Existing federal law, known as Title IX, prohibits a person, on the basis of sex, from being excluded from participation in, being denied the benefits of, or being subject to discrimination under, any education program or activity receiving federal financial assistance. Existing state law, the Sex Equity in Education Act, requires public schools, private schools that receive federal funds and are subject to the requirements of Title IX, school districts, county offices of education, and charter schools to post in a prominent and conspicuous location on their internet websites specified information relating to Title IX.

This bill would, upon approval by the Attorney General, require the department to make available on an internet website training materials related to sexual harassment that were developed for use by pupils and pupils' parents or guardians by the Redlands Unified School District pursuant to a stipulated judgment.

Existing law establishes the Instructional Quality Commission and requires the commission to recommend curriculum frameworks to the State Board of Education. Existing law, the California Healthy Youth Act, requires school districts, charter schools, county boards of education, county superintendents of schools, the California School for the Deaf, and the California School for the Blind to ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and human immunodeficiency virus (HIV) prevention education. The act requires that instruction to include information about sexual assault, sexual harassment, sexual abuse, and human trafficking.

This bill would require the commission, when the Health Education Framework for California Public Schools, Kindergarten Through Grade

Twelve is next revised on or after January 1, 2026, to consider including in that curriculum framework information related to the Uniform Complaint Procedures, Title IX, and what a pupil should do if they believe another pupil has been subjected to sexual abuse, sexual assault, sexual harassment, or retaliation. The bill would encourage the same information to also be provided as part of the instruction required under the comprehensive sexual health education and HIV prevention education provisions.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Curriculum and Instructional Services: By incorporating Title IX rights and Uniform Complaint Procedures into the curriculum, students will be better informed about their protections and how to report cases of sexual abuse, harassment, or retaliation, fostering a safer school environment. Because these additions align with existing sexual health education requirements, they can be seamlessly integrated into the current curriculum without placing a significant burden on instructional time.

Ensuring that all students receive comprehensive and standardized information on their rights and available resources strengthens the effectiveness of the California Healthy Youth Act and ideally promotes a uniform message across all schools. Ultimately, providing students with the knowledge to recognize and report misconduct encourages accountability and empowers them to advocate for themselves and others, potentially preventing future incidents of harm.
