In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.

- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.

- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days' notice to Charter School. When 30 days' notice may defeat the purpose of the audit, the District may conduct the audit upon 24-hours' notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). (Ed. Code § 47606.5(b).)

ADMINISTRATIVELY APPROVED AMENDMENT
Effective: 08/30/2023
TERM: 2023-2025

AMENDMENT TO CHARTER OF CRETE ACADEMY

This amendment to the Charter of Crete Academy ("Amendment") is made between the Los Angeles Unified School District ("LAUSD" or "District"), a California public school district, and Crete Academy ("Crete"), a California non-profit public benefit corporation, operating a California public charter school known as Crete Academy ("Charter School"). District and Crete are also referred to individually as "Party," and collectively as "Parties."

This Amendment is to be read in conjunction with and shall expressly amend the charter of Charter School which was originally authorized by the LAUSD Board of Education ("Board of Education") on **November 15, 2016,** for a five-year term, from 2017 to 2022 ("Charter") and was set to expire on June 30, 2022. However, Education Code section 47607.4 extended the terms of all charter schools whose terms expire on or between January 1, 2022, and June 30, 2025, inclusive, by two years, and all charter schools whose terms expires on or before January 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. Thus, by operation of law, the charter term for Charter School expires on **June 30, 2025.**

The effective date of this Amendment is the date of full execution by the Parties and shall be implemented by the start of the second semester of the 2023-24 school year. This Amendment is based upon the following factual recitals:

RECITALS

A. **WHEREAS**, the approval of charter schools is governed by the Charter Schools Act of 1992, as subsequently amended, Education Code sections 47600 et seq;

B. **WHEREAS**, as set forth in Education Code section 47607, material revisions of charters are governed by the standards and criteria described in Section 47605, and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed;

C. **WHEREAS**, if a charter school intends to move outside of the community, the charter school shall request, and must have received, approval of a material revision to its charter before occupying the facility;

D. **WHEREAS**, some proposed changes to a charter may be deemed non-material;

E. **WHEREAS**, regardless of whether a change in the charter is deemed to be "material" or "non-material," the District's Charter Schools Division ("CSD") must review the request using the standards and criteria for consideration of a material revision;

F. **WHEREAS**, if the CSD determines the proposed change(s) do not constitute a material revision of the charter, the requested change(s) may be considered for approval as a non-material amendment to the charter, and therefore, can be handled administratively pursuant to *LAUSD Policy and Procedures for Charter Schools* ("LAUSD Policy");

G. **WHEREAS**, charter schools occupying non-LAUSD facilities must, prior to use, provide the CSD with a current COO or equivalent document issued by the applicable

permitting agency allowing the charter school to use and occupy the site as a charter school for its intended purpose (i.e., applicable grade levels). Charter schools are responsible for ensuring compliance with all applicable building codes, standards, and regulations adopted by the city and/or county agencies with jurisdiction to enforce building and safety standards for the school site, as well as federal and state accessibility requirements, and all other applicable fire, health, and structural safety and access requirements;

H. **WHEREAS**, the Charter School is authorized to serve 363 students in grades TK to 6, in the target community of "90044 zip code, which is the neighborhood of Athens" as memorialized on page 10 of the Charter. For the 2022-23 school year, Charter School operated on two sites: a private facility (non-District property) located at 6103 Crenshaw Blvd., Los Angeles, CA 90043; and another at Budlong Elementary School, where the Charter School was co-located on District property at 5940 S. Budlong Ave, Los Angeles, CA 90044 ("Budlong site") pursuant to Education Code section 47614 ("Proposition 39") and its implementing regulations.

I. **WHEREAS**, the Charter School's governing board convened a meeting on August 8, 2023, and adopted Board Resolution 17 ("Resolution") setting forth that "[Crete] and the District have negotiated the terms of an Alternative Agreement that allows the Charter School to remain at the Budlong [site] for the first semester of 2023-24 and waives the Charter School's Proposition 39 rights for 2023-24 and the subsequent three fiscal years;" The Resolution is attached herewith as **Attachment A** and part of this Amendment;

J. **WHEREAS**, the Charter School's governing board proposes to change the Charter School's location from the Budlong site to a newly leased private site located at "1729 Martin Luther King Jr. Blvd, Los Angeles, CA 90062" ("MLK Facility");

K. **WHEREAS**, Crete has entered into a Lease Agreement with Madison Estate Investment, from January 1, 2024, to June 30, 2025 ("Lease Agreement"), for the MLK Facility. The Lease Agreement, which was executed on August 5, 2023, is attached herewith as **Attachment B** and part of this Amendment;

L. **WHEREAS**, the District deems a change in location by a charter school within the community, as defined by LAUSD Policy[1], to be non-material;

M. **WHEREAS**, the proposed move from the Budlong site to the MLK Facility is considered a move within the "community" approved in the Charter and as defined in LAUSD Policy;

N. **WHEREAS**, the Parties agree to amend the Charter to reflect the changes above, LAUSD Policy and applicable state and federal laws.

[1] A "community" includes families and individuals who reside, work, and/or are served in the identified geographical area, and all public schools (District and charter), serving similar grade levels as the charter school (inclusive of the proposed additional grade levels being requested, if applicable). The identified geographical area will be based on LAUSD Community of Schools and neighborhoods within a three-mile radius from the location identified by the charter school's material revision application.

NOW, THEREFORE, in consideration of the following terms and conditions, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

AMENDMENT

1. The Parties incorporate the above Recitals as if fully restated in this Amendment.

2. **Charter School location:** The Charter shall be revised to reflect that the location(s) for the Charter School are as follows:

> 5940 S. Budlong Ave., (***current through no later than January 3, 2024***) Los Angeles, CA 90044
>
> 1729 Martin Luther King, Jr. Blvd., (***effective January 2024***)
> Los Angeles, CA 90062
>
> 6103 Crenshaw Blvd.,
> Los Angeles, CA 90043

Notwithstanding this non-material Amendment to the Charter, the Charter School warrants that it will continue to serve all students including those in the target community of 90044, as approved in the Charter.

3. The Parties agree that the approval of this Amendment shall be contingent upon Crete and/or Charter School meeting all requirements set forth in this Amendment and the "Proposition 39 Request for Facilities Alternative Agreement" for the 2023-24 school year ("Alternative Agreement") under the terms stated therein, prior to the implementation of this Amendment. The Alternative Agreement incorporated and attached herewith as **Attachment C** and incorporated by reference and part of this Amendment.

4. **Budget**: All prior budgets and cash flow projections submitted for the Charter School shall be replaced by the Charter School's revised budget(s), financial and cash flow projections incorporated and attached herewith as **Attachment D** and incorporated by reference and part of this Amendment.

5. **Updated District Required Language**: The Charter shall be amended to update and incorporate the Board of Education approved "Federal, State, and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions updated August 11, 2020", attached herewith as **Attachment E** and incorporated by reference as part of this Amendment.

6. The Charter School warrants that it is operated by a non-profit corporation in good standing in the State of California.

7. All other provisions set forth in the Charter shall remain in effect and enforceable.

8. The Parties agree that should any of the provisions of this Amendment be judicially determined to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

9. The individuals signing this Amendment warrant that they are authorized to do so, and further, that they are authorized to make the promises in this Amendment on behalf of the respective Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed and delivered in their respective names by their authorized representatives as of the date set forth below.

2.2 **Condition**. Lessor shall deliver the Premises to Lessee broom clean and free of debris on the Commencement Date or the Early Possession Date, whichever first occurs ("**Start Date**"), and, so long as the required service contracts described in Paragraph 7.1(b) below are obtained by Lessee and in effect within thirty days following the Start Date, warrants that the existing electrical, plumbing, fire sprinkler, lighting, heating, ventilating and air conditioning systems ("**HVAC**"), loading doors, sump pumps, if any, and all other such elements in the Premises, other than those constructed by Lessee, shall be in good operating condition on said date, that the structural elements of the roof, bearing walls and foundation of any buildings on the Premises (the "**Building**") shall be free of material defects, and that the Premises do not contain hazardous levels of any mold or fungi defined as toxic under applicable state or federal law. If a non-compliance with said warranty exists as of the Start Date, or if one of such systems or elements should malfunction or fail within the appropriate warranty period, Lessor shall, as Lessor's sole obligation with respect to such matter, except as otherwise provided in this Lease, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, malfunction or failure, rectify same at Lessor's expense. The warranty periods shall be as follows: (i) 6 months as to the HVAC systems, and (ii) 30 days as to the remaining systems and other elements of the Building. If Lessee does not give Lessor the required notice within the appropriate warranty period, correction of any such non-compliance, malfunction or failure shall be the obligation of Lessee at Lessee's sole cost and expense. Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**") that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 50), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning, are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same at Lessor's expense. If Lessee does not give Lessor written notice of a non-compliance with this warranty within 6 months following the Start Date, correction of that non-compliance shall be the obligation of Lessee at Lessee's sole cost and expense. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Unit, Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and an amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not, however, have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) it has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements and the Americans with Disabilities Act), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Real Property Taxes and insurance premiums and to maintain the Premises) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use commercially reasonable efforts to deliver exclusive possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such

failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to tender possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1 **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States, without offset or deduction (except as specifically permitted in this Lease), on or before the day on which it is due. All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent, Insurance and Real Property Taxes, and any remaining amount to any other outstanding charges or costs.

4.3 **Association Fees**. In addition to the Base Rent, Lessee shall pay to Lessor each month an amount equal to any owner's association or condominium fees levied or assessed against the Premises. Said monies shall be paid at the same time and in the same manner as the Base Rent.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**. Lessee shall use and occupy the Premises only for the Agreed Use, or any other legal use which is reasonably comparable thereto, and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvements on the Premises or the mechanical or electrical systems therein, and/or is not significantly more burdensome to the Premises. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, byproducts or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use, ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public,

the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from adjacent properties not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. **No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.**

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which result from Hazardous Substances which existed on the Premises prior to Lessee's occupancy or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee's occupancy, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. In addition, Lessee shall provide Lessor with copies of its business license, certificate of occupancy and/or any similar document within 10 days of the receipt of a written request therefor.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time in the case of an emergency, and otherwise at reasonable times after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see paragraph 9.1(e)) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations**.

(a) **In General**. Subject to the provisions of Paragraph 2.2 (Condition), 2.3 (Compliance), 6.3 (Lessee's Compliance with Applicable Requirements), 7.2

(Lessor's Obligations), 9 (Damage or Destruction), and 14 (Condemnation), Lessee shall, at Lessee's sole expense, keep the Premises, Utility Installations (intended for Lessee's exclusive use, no matter where located), and Alterations in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Lessee, and whether or not the need for such repairs occurs as a result of Lessee's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities, such as plumbing, HVAC equipment, electrical, lighting facilities, boilers, pressure vessels, fire protection system, fixtures, walls (interior and exterior), foundations, ceilings, roofs, roof drainage systems, floors, windows, doors, plate glass, skylights, landscaping, driveways, parking lots, fences, retaining walls, signs, sidewalks and parkways located in, on, or adjacent to the Premises. Lessee, in keeping the Premises in good order, condition and repair, shall exercise and perform good maintenance practices, specifically including the procurement and maintenance of the service contracts required by Paragraph 7.1(b) below. Lessee's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair. Lessee shall, during the term of this Lease, keep the exterior appearance of the Building in a first-class condition (including, e.g. graffiti removal) consistent with the exterior appearance of other similar facilities of comparable age and size in the vicinity, including, when necessary, the exterior repainting of the Building.

(b) **Service Contracts**. Lessee shall, at Lessee's sole expense, procure and maintain contracts, with copies to Lessor, in customary form and substance for, and with contractors specializing and experienced in the maintenance of the following equipment and improvements, if any, if and when installed on the Premises: (i) HVAC equipment, (ii) boiler, and pressure vessels, (iii) fire extinguishing systems, including fire alarm and/or smoke detection, (iv) landscaping and irrigation systems, (v) roof covering and drains, and (vi) clarifiers. However, Lessor reserves the right, upon notice to Lessee, to procure and maintain any or all of such service contracts, and Lessee shall reimburse Lessor, upon demand, for the cost thereof.

(c) **Failure to Perform**. If Lessee fails to perform Lessee's obligations under this Paragraph 7.1, Lessor may enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf, and put the Premises in good order, condition and repair, and Lessee shall promptly pay to Lessor a sum equal to 115% of the cost thereof.

(d) **Replacement**. Subject to Lessee's indemnification of Lessor as set forth in Paragraph 8.7 below, and without relieving Lessee of liability resulting from Lessee's failure to exercise and perform good maintenance practices, if an item described in Paragraph 7.1(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Lessor, and the cost thereof shall be prorated between the Parties and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date on which Base Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (i.e. 1/144th of the cost per month). Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 9 (Damage or Destruction) and 14 (Condemnation), it is intended by the Parties hereto that Lessor have no obligation, in any manner whatsoever, to repair and maintain the Premises, or the equipment therein, all of which obligations are intended to be that of the Lessee. It is the intention of the Parties that the terms of this Lease govern the respective obligations of the Parties as to maintenance and repair of the Premises.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air and/or vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, plumbing, and fencing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "Alterations" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed a sum equal to 3 month's Base Rent in the aggregate or a sum equal to one month's Base Rent in any one year. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal**. By delivery to Lessee of written notice from Lessor not earlier than 90 and not later than 30 days prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing and the

provisions of Paragraph 7.1(a), if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also completely remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Payment For Insurance**. Lessee shall pay for all insurance required under Paragraph 8 except to the extent of the cost attributable to liability insurance carried by Lessor under Paragraph 8.2(b) in excess of $2,000,000 per occurrence. Premiums for policy periods commencing prior to or extending beyond the Lease term shall be prorated to correspond to the Lease term. Payment shall be made by Lessee to Lessor within 10 days following receipt of an invoice.

8.2 **Liability Insurance**.

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "**insured contract**" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value**.

(a) **Building and Improvements**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Premises. The amount of such insurance shall be equal to the full insurable replacement cost of the Premises, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence, and Lessee shall be liable for such deductible amount in the event of an Insured Loss.

(b) **Rental Value**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period. Lessee shall be liable for any deductible amount in the event of such loss.

(c) **Adjacent Premises**. If the Premises are part of a larger building, or of a group of buildings owned by Lessor which are adjacent to the Premises, the Lessee shall pay for any increase in the premiums for the property insurance of such building or buildings if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance**.

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(c) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Lessor. Lessee shall, at least 10 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The

effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions**.

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $10,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds (except as to the deductible which is Lessee's responsibility) as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages

from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definition**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Premises or the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Building address. Real Property Taxes shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Premises, and (ii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease.

10.2 **Payment of Taxes**. In addition to Base Rent, Lessee shall pay to Lessor an amount equal to the Real Property Tax installment due at least 20 days prior to the applicable delinquency date. If any such installment shall cover any period of time prior to or after the expiration or termination of this Lease, Lessee's share of such installment shall be prorated. In the event Lessee incurs a late charge on any Rent payment, Lessor may estimate the current Real Property Taxes, and require that such taxes be paid in advance to Lessor by Lessee monthly in advance with the payment of the Base Rent. Such monthly payments shall be an amount equal to the amount of the estimated installment of taxes divided by the number of months remaining before the month in which said installment becomes delinquent. When the actual amount of the applicable tax bill is known, the amount of such equal monthly advance payments shall be adjusted as required to provide the funds needed to pay the applicable taxes. If the amount collected by Lessor is insufficient to pay such Real Property Taxes when due, Lessee shall pay Lessor, upon demand, such additional sum as is necessary. Advance payments may be intermingled with other moneys of Lessor and shall not bear interest. In the event of a Breach by Lessee in the performance of its obligations under this Lease, then any such advance payments may be treated by Lessor as an additional Security Deposit.

10.3 **Joint Assessment**. If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be conclusively determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available.

10.4 **Personal Property Taxes**. Lessee shall pay, prior to delinquency, all taxes assessed against and levied upon Lessee Owned Alterations, Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services.

11.1 Lessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered or billed to Lessee, Lessee shall pay a reasonable proportion, to be determined by Lessor, of all charges jointly metered or billed. There shall be no abatement of rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

11.2 Within fifteen days of Lessor's written request, Lessee agrees to deliver to Lessor such information, documents and/or authorization as Lessor needs in order for Lessor to comply with new or existing Applicable Requirements relating to commercial building energy usage, ratings, and/or the reporting thereof.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the

Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a non-curable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a non-curable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, i.e. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting.**

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting.** The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach.** A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; the vacating of the Premises prior to the expiration or termination of this Lease without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism; or failure to deliver to Lessor exclusive possession of the entire Premises in accordance herewith prior to the expiration or termination of this Lease.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private

nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 42, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 40 hereof, other than those described in subparagraphs 13.1(a), (b), (c) or (d), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies**. If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges**. Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The Parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive

installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to seek reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the Building, or more than 25% of that portion of the Premises not occupied by any building, is taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

15.1 **Additional Commission**. In addition to the payments owed pursuant to Paragraph 1.9 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires any rights to the Premises or other premises owned by Lessor and located within the same Project, if any, within which the Premises is located, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed. The provisions of this paragraph are intended to supersede the provisions of any earlier agreement to the contrary.

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.9, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Lease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published by AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Premises, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements**. All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice**. Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23.3 **Options.** Notwithstanding the foregoing, in order to exercise any Options (see paragraph 39), the Notice must be sent by Certified Mail (return receipt requested), Express Mail (signature required), courier (signature required) or some other methodology that provides a receipt establishing the date the notice was received by the Lessor.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the

agent may not, without the express permission of the respective Party, disclose to the other Party confidential information, including, but not limited to, facts relating to either Lessee's or Lessor's financial position, motivations, bargaining position, or other personal information that may impact rent, including Lessor's willingness to accept a rent less than the listing rent or Lessee's willingness to pay rent greater than the rent offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Both Lessor and Lessee should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. At or prior to the expiration or termination of this Lease Lessee shall deliver exclusive possession of the Premises to Lessor. For purposes of this provision and Paragraph 13.1(a), exclusive possession shall mean that Lessee shall have vacated the Premises, removed all of its personal property therefrom and that the Premises have been returned in the condition specified in this Lease. In the event that Lessee does not deliver exclusive possession to Lessor as specified above, then Lessor's damages during any holdover period shall be computed at the amount of the Rent (as defined in Paragraph 4.1) due during the last full month before the expiration or termination of this Lease (disregarding any temporary abatement of Rent that may have been in effect), but with Base Rent being 150% of the Base Rent payable during such last full month. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located. Signatures to this Lease accomplished by means of electronic signature or similar technology shall be legal and binding.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination**. This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment**. In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance**. With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. Signs. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Except for ordinary "for sublease" signs, Lessee shall not place any sign upon the Premises without Lessor's prior written consent. All signs must comply with all Applicable Requirements.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published by AIR CRE, and each such Guarantor shall have the same obligations as Lessee under this Lease.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any Option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Multiple Buildings. If the Premises are a part of a group of buildings controlled by Lessor, Lessee agrees that it will abide by and conform to all reasonable rules and regulations which Lessor may make from time to time for the management, safety, and care of said properties, including the care and cleanliness of the grounds and including the parking, loading and unloading of vehicles, and to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessee also agrees to pay its fair share of common expenses incurred in connection with such rules and regulations.

41. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties.

42. Reservations. Lessor reserves to itself the right, from time to time, to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, and to cause the recordation of parcel maps and restrictions, so long as such easements, rights, dedications, maps and restrictions do

not unreasonably interfere with the use of the Premises by Lessee. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate any such easement rights, dedication, map or restrictions.

43. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

44. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

45. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

46. Offer. Preparation of this Lease by either Party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

47. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

48. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS LEASE.

49. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☐ is ☑ is not attached to this Lease.

50. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☐ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

ATTENTION: NO REPRESENTATION OR RECOMMENDATION IS MADE BY AIR CRE OR BY ANY BROKER AS TO THE LEGAL SUFFICIENCY, LEGAL EFFECT, OR TAX CONSEQUENCES OF THIS LEASE OR THE TRANSACTION TO WHICH IT RELATES. THE PARTIES ARE URGED TO:

1. SEEK ADVICE OF COUNSEL AS TO THE LEGAL AND TAX CONSEQUENCES OF THIS LEASE.

2. RETAIN APPROPRIATE CONSULTANTS TO REVIEW AND INVESTIGATE THE CONDITION OF THE PREMISES. SAID INVESTIGATION SHOULD INCLUDE BUT NOT BE LIMITED TO: THE POSSIBLE PRESENCE OF HAZARDOUS SUBSTANCES, THE ZONING OF THE PREMISES, THE STRUCTURAL INTEGRITY, THE CONDITION OF THE ROOF AND OPERATING SYSTEMS, AND THE SUITABILITY OF THE PREMISES FOR LESSEE'S INTENDED USE.

OPTION(S) TO EXTEND TERM
STANDARD LEASE ADDENDUM

Dated: August 4, 2023
By and Between
Lessor: Madison Estate Investment Incorporated
Lessee: Crete Academy a Non Profit Public Benefit Corporation
Property Address: 1729 Martin Luther King Jr. Boulevard, Los Angeles, CA 90062
(street address, city, state, zip)

Paragraph: 51 **OPTION(S) TO EXTEND TERM.** Subject to the terms, conditions and provisions of Paragraph 39, Lessor grants Lessee two (2) option(s) to extend the term of the Lease ("**Extension Option(s)**"), with each Extension Option being for a term of twelve (12) months, commencing when the prior term expires ("**Option Term(s)**"). In order to exercise an Extension Option, Lessee must give written notice of such election to Lessor and Lessor must receive such notice at least 6 but not more than 12 months prior to the date that the applicable Option Term would commence, time being of the essence. If timely and proper notification of the exercise of an Extension Option is not given by Lessee and/or received by Lessor, such Extension Option shall automatically expire. Except as specifically modified, the terms, conditions and provisions of the Lease shall apply during Option Terms but the amount of Rent during Option Terms shall be established by using the method(s) selected below *(check method(s) to be used and fill in appropriately)*:

☐ **I. Consumer Price Index.**

(a) During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term CPI Increase Date(s)**") commensurate with the increase in the Option Term CPI (as herein defined) determined as follows: the monthly Base Rent scheduled for the month immediately preceding the first occurring Option Term CPI Increase Date shall be multiplied by a fraction the denominator of which is the Option Term Base CPI (as herein defined), and the numerator of which is the Option Term Comparison CPI (as herein defined). The amount so calculated shall constitute the new Base Rent until the next Option Term CPI Increase Date during the applicable Option Term, but in no event shall any such new Base Rent be less than the Base Rent for the month immediately preceding the applicable Option Term CPI Increase Date.

(b) The term "**Option Term CPI**" shall mean the Consumer Price Index of the Bureau of Labor Statistics of the U.S. Department of Labor for *(select one)*: ☐ CPI W (Urban Wage Earners and Clerical Workers) or ☐ CPI U (All Urban Consumers), for (*fill in Urban Area*): _____ or ☐ the area in which the Premises is located, All Items (1982-1984 = 100). The term "**Option Term Comparison CPI**" shall mean the CPI of the calendar month which is 2 full months prior to the applicable Option Term CPI Increase Date. The term "**Option Term Base CPI**" shall mean the CPI of the calendar month which is 2 full months prior to (*select one*): ☐ Commencement Date of the Original Term, ☐ start of the applicable Option Term, or ☐ (*fill in month*) _____.

(c) If compilation and/or publication of the CPI is transferred to another governmental department, bureau or agency or is discontinued, then instead the index most nearly the same as the CPI shall be used to calculate the Base Rent increases hereunder. If the Parties cannot agree on such alternative index, then the matter shall be submitted for decision to the American Arbitration Association in accordance with the then rules of said association and the decision of the arbitrators shall be binding upon the parties, with the cost of such arbitration being paid equally by the Parties.

☐ **II. Fixed Percentage.** During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term Percentage Increase Date(s)**") by _____ percent (_____ %) of the monthly Base Rent scheduled to be paid for the month immediately preceding the applicable Option Term Percentage Increase Date.

☐ **III. Fair Market Value.**

(a) During the Option Term(s) which start(s) on _____, the amount of Rent shall be the amount forecasted to be the fair market rental value of the Premises during such Option Term established pursuant to the procedures, terms, assumptions and conditions set forth herein ("**Fair Market Value**"); provided, however, regardless of such Fair Market Value, Base Rent during an Option Term shall not be less than the Base Rent scheduled as of when the prior term expires. Starting as of Lessee's exercise of the applicable Extension Option (but not earlier than six (6) months before start of the applicable Option Term), the Parties shall for thirty (30) days ("**Negotiation Period**") attempt to agree upon the Fair Market Value. If during the Negotiation Period the Parties do not agree on the Fair Market Value, then the Fair Market Value shall be established pursuant to the procedures set forth herein, which shall be binding.

(b) Each Party shall, within fifteen (15) days after the end of the Negotiation Period, in writing submit to the other Party such Party's determination of the Fair Market Value ("**Submitted Value(s)**"). If a Party fails to timely provide a Submitted Value, then the other Party's Submitted Value shall be the Fair Market Value. If both Parties timely provide Submitted Values, then each Party shall, within fifteen (15) days after both Parties have exchanged Submitted Values, in writing notify the other Party of such Party's selected valuator who shall meet the qualifications set forth herein ("**Advocate Valuator(s)**"). Lessor and Lessee may select an Advocate Valuator who is favorable to such Party's position and may, prior to or after appointment of an Advocate Valuator, consult with such Party's Advocate Valuator. If a Party fails to timely and properly provide notice of such Party's chosen Advocate Valuator, then the other Party's Submitted Value shall be the Fair Market Value.

(c) If both Parties timely and properly designate Advocate Valuators, then such Advocate Valuators shall, within fifteen (15) days after their selection, choose a third (3rd) neutral valuator who shall meet the qualifications set forth herein ("**Neutral Valuator**"). The Neutral Valuator shall be engaged jointly by Lessor and Lessee. If Advocate Valuators fail to agree upon and timely appoint a Neutral Valuator, then the President of AIR CRE shall appoint such Neutral Valuator within fifteen (15) days after request by either Party. If the President of AIR CRE does not timely appoint the Neutral Valuator, then either Party may file an appropriate legal action for a

judge with competent jurisdiction over the Parties to appoint the Neutral Valuator.

(d) The Advocate Valuators and the Neutral Valuator ("**Valuator(s)**") shall be duly licensed real estate brokers or salespersons in good standing in the state in which the Premises is located, shall have been active over the five (5) year period before their appointment in the leasing of properties similar to the Premises within the general real estate market of the Premises. The Neutral Valuator shall additionally not be related to or affiliated with either Party or Advocate Valuator, and shall not have previously represented in a real estate transaction a Party or anyone related to or affiliated with a Party. All matters to be determined by the Valuators shall be decided by a majority vote of the Valuators, with each Valuator having one (1) vote. The Valuators may, as the Valuators determine, hold hearings and require briefs, including market data and additional information.

(e) Within thirty (30) days after selection of the Neutral Valuator, the Valuators shall first determine the Fair Market Value established by taking into account the terms, assumptions and conditions set forth herein ("**Valuators' Market Value**"), then decide which Party's Submitted Value is closer in monetary amount to the Valuators' Market Value ("**Selected Market Value**"), then provide the Parties a copy of the Valuators' Market Value and finally notify the Parties of the Selected Market Value. The Selected Market Value shall be the Fair Market Value. The Valuators shall have no right to decide a Selected Market Value which is a compromise to (or modification of) the Submitted Values. The decision of the Valuators shall be binding upon the Parties. The Party whose Submitted Value is not the Selected Market Value shall, within ten (10) days after the Valuators decide the Selected Market Value, pay the fees and costs of all three (3) Valuators.

(f) If the Fair Market Value has not been established before the start of the applicable Option Term, then Lessee shall continue to pay to Lessor rent in the amount payable for the month immediately preceding the start of such Option Term and Lessor's acceptance of such rent shall not waive, adversely affect or prejudice the Parties' right to complete establishment of the Fair Market Value or Lessor's right to collect the full amount of the Fair Market Value once the Fair Market Value is established. Lessee shall, within ten (10) days after establishment of the Fair Market Value, pay to Lessor any deficiency in rent then due for the Option Term. Following establishment of Fair Market Value, the Parties shall, within ten (10) days after request by either Party, sign an amendment to this Lease to confirm the Fair Market Value and the expiration date of this Lease, but the Parties' failure to request or to sign such an amendment shall not affect establishment of the Fair Market Value or extension of the Lease term.

(g) The Valuators, in deciding the Valuators' Market Value, shall take into account rent rates, rent abatements, periodic rent increases, real property taxes, insurance premiums and other operating expenses, tenant improvement and other applicable allowances, building services, length of lease term and other factors professional real estate brokers and/or appraisers customarily consider in determining fair market rent of property in an arm's length transaction by ready, willing and able parties for space of comparable location, size, age, condition, quality, parking, visibility, view, signage and accessibility if the Premises were marketed in a normal and customary manner for a reasonable length of time on the open market to be leased to a tenant with financial strength and credit worthiness comparable to Lessee and guarantors (if any) of this Lease (as of Lessee's exercise of the Extension Option) for a term comparable to the length of the applicable Option Term and used for the Agreed Use (or other reasonably comparable uses). The Valuators, in deciding the Valuators' Market Value, shall not consider as a comparable transaction any of the following: a sublease, lease assignment, lease renewal or extension; lease with a tenant that has equity, is related to or affiliated with the landlord; or a lease of space that was subject to a right of first refusal, right of first offer, expansion option or other encumbrances. The Valuators, in deciding the Valuators' Market Value, shall reduce the Fair Market Value on account of Alterations and improvements made by Lessee to the extent the cost thereof was paid solely by Lessee (in excess of any applicable improvement allowance, abated rent in lieu of improvement allowance or other consideration provided by Lessor for Lessee's improvement of the Premises), shall not reduce the Fair Market Value on account of any real estate brokerage commission savings by Lessor, and shall not reduce the Fair Market Value on account of deferred maintenance or repair of the Premises for which Lessee was responsible under the Lease but did not perform.

☑ **IV. Fixed Rental Adjustment(s) ("FRA").**

The monthly Base Rent shall be increased to the following amounts on the dates set forth below:

On (fill in FRA Adjustment Date(s)):	The new Base Rent shall be:
July 1, 2025	$16,480.00
July 1, 2026	$16,974.40

☐ **V. Continuation of Original Term Adjustments.**

The monthly Base Rent during the Option Term(s) which start(s) on _____ shall be increased in accordance with the same formula provided in the Lease to be used to calculate increases in the Base Rent during the Original Term of the Lease.

BROKER'S FEE: For each adjustment in Base Rent specified above, the Brokers shall be paid a Brokerage Fee in accordance with paragraph 15 of the Lease or if applicable, paragraph 9 of the Sublease.

RE: PROPOSITION 39 REQUEST FOR FACILITIES ALTERNATIVE AGREEMENT

Dear Charter School Operator,

The Los Angeles Unified School District ("District") has agreed to enter into this alternative agreement, pursuant to California Code of Regulations, title 5, section 11969.1, subdivision (b), with Crete Academy, Inc. ("Crete"), operating that charter school known as Crete Academy ("Charter School"), in connection with Charter School's November 1, 2022 Proposition 39 facilities request for the 2023-24 school year.

1. Allocation of Space

Charter School represents that it intends to move to a newly leased private site (located at 1729 Martin Luther King, Jr. Blvd., Los Angeles, CA 90062 ("MLK")) by the start of the second semester of the 2023-24 school year. Due to this unique and unanticipated circumstance, Charter School has requested and the District has agreed to a one-time allocation of Proposition 39 space at the Budlong Elementary School campus ("Budlong") for a portion of the 2023-24 school year only to accommodate the portion of Charter School's program that previously occupied facilities at Budlong in the 2022-23 school year.

Based on the foregoing, Crete (on behalf of Charter School) has agreed to accept the District's offer of the following space at Budlong for a portion of the 2023-24 school year:

- Charter School's exclusive use of:
  - Ten (10) teaching stations (rooms 12, 13, 14, 15, 28, 58, 60, 61, 62, and 63),
  - One (1) special education space (room 59), and
  - One (1) administrative office (room L); and

- Charter School will have access to the shared use of other non-teaching station spaces, pursuant to the terms and requirements outlined in the District's standard Single-Year Co-Location Charter School Facilities Use Agreement ("Use Agreement") for the 2023-24 school year that the District will provide to Charter School shortly. The terms of this alternative agreement fully set forth all of Charter School's exclusive use and shared use spaces at Budlong in the 2023-24 school year, and Charter School will not occupy any other spaces at Budlong.

No additional facilities modifications (e.g., intrusion alarm, data/internet connectivity, PA/bells, etc.) will be made to any of Crete's exclusive or shared use spaces at Budlong, and they will be furnished and equipped as they were in the 2022-23 school year. Crete (on behalf of Charter School) will execute and return the Use Agreement within seven (7) days of receiving it from the District and will comply with all of its terms, including, but not limited to, the terms regarding payment of the Pro Rata Share Charge.

Charter School shall, with at least thirty (30) days' written notice to the District ("Notification"), terminate Charter School's right to occupy the space allocated in this alternative agreement by no later than January 3, 2024 ("Effective Date"). Under no circumstances shall the Effective Date be after January 3, 2024. If no Notification is provided by December 4, 2023, the Notification will be deemed provided on that date with January 3, 2024 as the Effective Date. Thereafter, (a) Charter School will waive its rights to occupy, and will actually vacate, all District facilities in the 2023-24 school year as of the Effective Date; (b) the District will agree to release Crete (on behalf of Charter School) from its obligation to continue paying the Pro Rata Share Charge set forth in the Use Agreement for the time between the Effective Date (or date Charter School actually fully vacates all District facilities, whichever is later) through June 30, 2024; and (c) for purposes of potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8 only (see Paragraphs 5 and 6 herein), the period for the second principal apportionment (under Education Code section 41601) shall be between July 1, 2023 and April 15, 2024 or the date Charter School actually fully vacates all District facilities (whichever is sooner), inclusive. Crete (on behalf of Charter School) agrees to pay the District a fee (in addition to any other costs, including, but not limited to, the Pro Rata Share Charge) of $1,000.00 for each day after the Effective Date it continues to occupy any of the spaces allocated herein. Payment of the fee shall be made to the District no later than thirty (30) days after the date Charter School fully vacates all of the spaces allocated herein. (For example, if the Notification provides that the Effective Date of Charter School's termination of occupancy is December 18, 2023, but Charter School fully vacates Budlong on January 17, 2024, Crete shall pay a fee of $30,000.00 (30 days x $1,000.00) to the District by no later than February 16, 2024.) If full payment is not timely made, Crete (on behalf of Charter School) authorizes and the District shall have the right, but not the obligation, to deduct any outstanding amounts from Charter School's revenue account.

Crete (on behalf of Charter School): (a) acknowledges that the District is not legally obligated to allocate any facilities to Crete in the 2023-24 school year; (b) waives all rights to any District facilities pursuant to Proposition 39 for the 2024-25, 2025-26, and 2026-27 school years; and (c) acknowledges that in the event Charter School does submit a Proposition 39 facilities request for any such school years for which Crete's rights have been waived (on behalf of Charter School) pursuant to (b) in this paragraph, the District shall not be obligated to offer or provide Charter School with use of any facilities in connection therewith.

2. Preparing Space for Occupancy

Although the District will proceed in good faith to complete all associated work (e.g., separation of the intrusion alarm/PA system for exclusive use spaces, re-keying, etc.), if any, at Budlong as soon as reasonably possible, Crete (on behalf of Charter School) agrees to waive all legal claims against the

District based on any potential failure to timely complete the work at least ten (10) working days before Charter School's first day of instruction. The District will make every reasonable attempt to work with Charter School so as not to interrupt Charter School's operations. Crete (on behalf Charter School) acknowledges, however, that executing all work necessary for Charter School may cause some disruptions and will work with the District to minimize such impacts.

3. Payment Obligations

This alternative agreement does not release, waive, or otherwise impact in any manner Crete's existing obligations (if any) (on behalf of Charter School) to pay the District any and all outstanding amounts due and owing or will become due and owing, for past, present, or future school years, for (a) the Pro Rata Share Charge, (b) Charter School's "after hours" use of District facilities, (c) Charter School's summer occupancy at District facilities (if any), (d) reimbursement obligations for over-allocated space (if any), and/or (e) any other payment obligations Charter School may incur (or have already incurred).

4. Collaboration with the District

As a material term of this alternative agreement, Charter School agrees to collaborate in good faith with the District, including, but not limited to, Charter Schools Division, Community Relations, Region South, Board offices, and District administrators, regarding community engagement/ outreach (such as attending and participating in community meetings) to address questions, concerns, and other issues related to the co-location throughout the term of Charter School's occupancy of the facilities at Budlong. In addition, Charter School's principal and/or designated representative agrees to meet with Budlong's principal and/or designated representative at least once per quarter, as facilitated by Region South, to mutually address issues related to the ongoing co-location and shared use of the Budlong facilities.

5. Reporting ADA

As an additional material term of this alternative agreement, Charter School agrees to comply with all applicable laws and regulations relating to Charter School's reporting of ADA data to the District for the 2023-24 school year. Charter School agrees to record and track student attendance, including Charter School's in-district and total ADA and in-district and total classroom ADA by school site (i.e., at Budlong, and any other location(s) at which Charter School will operate), and to maintain records documenting such data. Charter School agrees that, upon the District's request, it will report such data and provide supporting records to the District.

6. Reimbursement Obligations for Over-Allocated Space

Charter School remains subject to potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8. For purposes of determining whether space is considered to be over-allocated in accordance with California Code of Regulations, title 5, section 11969.8, and for purposes of determining whether fees may be assessed for facilities-related services due to resulting increased impacts and costs as stated in section 9 of

Exhibit C to the applicable Use Agreement, Charter School's projected in- district classroom ADA on which the facility allocation is based for the 2023-24 school year is as follows: 171.0. (Note: No in-district classroom ADA from any location(s) operated by Charter School other than Budlong shall be included when determining potential reimbursement obligations for over-allocated space.)

7. Dismissal, Waivers, and Releases

Within five (5) days of full execution of (a) this alternative agreement, and (b) an administrative amendment to the operative charter for Charter School as described in Section 10 hereinbelow, Crete (on behalf of Charter School), through its counsel, shall dismiss with prejudice the entirety of the pending action entitled, *Crete Academy v. Los Angeles Unified School District, et al.*, commenced by the filing a Verified Petition for Writ of Mandate and Complaint for Injunctive Relief on or about June 22, 2023, in Los Angeles County Superior Court (Case No. 23STCP02190) (the "Action"). Further, Crete (on behalf of Charter School) agrees to perform any and all other acts required by law to have its claims that are the subject of the Action dismissed with prejudice. Each party shall be solely responsible for its own attorneys' fees, costs and expenses incurred in any way related to the Action.

As a result of this alternative agreement, Crete (on behalf of Charter School) does not challenge the District's compliance with Proposition 39 for the 2023-24 school year. Crete (on behalf of Charter School) fully, finally, and without limitation, releases, waives, covenants not to sue, and forever discharges the District from any and all past, present, and future rights, claims, obligations, cross-claims, counter-claims, demands, liabilities, actions, causes of action whether in law or in equity, suits, rights of indemnity (legal and equitable), defenses, damages, losses, attorneys' fees, costs, expenses, consultant and expert fees, interest, penalties, and compensation, of whatever nature, known or unknown, fixed or contingent, suspected or unsuspected, that Crete and/or Charter School now have, or may ever have, against the District that arise out of, or are in any way related to, the District's Proposition 39 compliance for the 2023-24 school year or any previous school years, and the Action. Crete (on behalf of Charter School) acknowledges that it is aware of, and familiar with, section 1542 of the California Civil Code, which states: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party." With full awareness and understanding of this provision, Crete (on behalf of Charter School) waives and relinquishes any and all rights and benefits it may have under section 1542 of the California Civil Code, or common law principles to the same or similar effect. In connection with such waiver and relinquishment, Crete (on behalf of Charter School) hereby acknowledges that it may hereinafter discover claims or facts in addition to or different from those which it now knows and/or believes to exist with respect to the foregoing, but that it hereto intends to and hereby does fully, finally, and forever waive and release all of the disputes and differences against the District, whether known or unknown, suspected or unsuspected, fixed or contingent which concern, arise out of, or are in any way connected with the foregoing.

8. "One-Year Only" Arrangement

Crete (on behalf of Charter School) hereby acknowledges that Charter School's occupancy of the District's facilities identified herein for a portion of the 2023-24 school year does not create any obligation for the District to offer or allocate, or any expectation by Charter School to receive, any of

these same spaces for Charter School's use in subsequent school years. In other words, this is a "one-year only" arrangement for a portion of the 2023-24 school year.

9. Alternative Agreement Supersedes

This alternative agreement supersedes: (a) the District's March 31, 2023 Final Notification of Space Offered to Charter School pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (h); and (b) Charter School's written notification to the District whether or not it intends to occupy the offered space pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (i) (if any), both of which are hereby null and void.

Federal, State and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions

Dear Applicants:

On the following pages, you will find the "Federal, State, and District Required Language" ("FSDRL") that must be included in a comprehensive independent charter school petition.*****

Please follow the instructions below:

- ❒ Check the Charter Schools Division website (http://charterschools.lausd.net) to ensure that this document is the current version of the FSDRL, as it may be changed from time to time.

- ❒ Provide the "Assurances, Affirmations, and Declarations" page (the first two pages of the FSDRL) at the beginning of the petition, immediately after the table of contents.

- ❒ Place the FSDRL for each Element at the beginning of the Element under the Element heading. Use the Element headings provided in the FSDRL, including the statutory language for each Element.

- ❒ Highlight all FSDRL in gray, as shown here, to facilitate easy identification of the FSDRL within the petition. Do not highlight any other text in gray.

- ❒ On the "Assurances, Affirmations, and Declarations" page, replace "[Charter School]" with the name of the proposed charter school and replace "[short form of school name]" with an appropriate identifier.

- ❒ **Do not add, delete, or change any provision of the FSDRL other than the instruction above.**

- ❒ **Ensure that all other provisions in the charter petition do not duplicate and are otherwise consistent with the provisions of the FSDRL.**

***NOTE: Public School Choice (PSC) charter schools seeking renewal must include in their renewal petitions the PSC-specific version of the FSDRL. Other charter schools, such as conversion independent and non-classroom based charter schools, may be required to include context-specific FSDRL as well.**

Assurances, Affirmations, and Declarations

[Charter School] (also referred to herein as "[short form of school name]" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(e)(1).)

- Not charge tuition. (Ed. Code § 47605(e)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, including immigration status. (Ed. Code § 47605(e)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(e)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(e)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(e)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy.. Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the basis for which the pupil is being involuntarily removed and his or her right to request a hearing to challenge the involuntary removal. If a parent, guardian, or educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated in this section.

HOMEWORK TO SUSPENDED STUDENTS

For any student who has been suspended from school for two or more schooldays, Charter School shall provide student with the homework the student would otherwise have been assigned if requested by the student or student's parent/guardian. If a homework assignment is requested and turned in to the student's teacher either upon the student's return to school from suspension or

within the timeframe originally prescribed by the teacher, whichever is later, but it is not graded before the end of the academic term, then that assignment shall not be included in the calculation of the pupil's overall grade in the class. (Ed. Code § 48913.5)

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

B. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation

undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as

other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors:

    (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.

    (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising from the Facilities:

    (i) Pro Rata Share: The District shall collect, and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

    (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

    (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

    (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an

appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. 2.2 **Condition**. Lessor shall deliver the Premises to Lessee broom clean and free of debris on the Commencement Date or the Early Possession Date, whichever first occurs ("**Start Date**"), and, so long as the required service contracts described in Paragraph 7.1(b) below are obtained by Lessee and in effect within thirty days following the Start Date, warrants that the existing electrical, plumbing, fire sprinkler, lighting, heating, ventilating and air conditioning systems ("**HVAC**"), loading doors, sump pumps, if any, and all other such elements in the Premises, other than those constructed by Lessee, shall be in good operating condition on said date, that the structural elements of the roof, bearing walls and foundation of any buildings on the Premises (the "**Building**") shall be free of material defects, and that the Premises do not contain hazardous levels of any mold or fungi defined as toxic under applicable state or federal law. If a non-compliance with said warranty exists as of the Start Date, or if one of such systems or elements should malfunction or fail within the appropriate warranty period, Lessor shall, as Lessor's sole obligation with respect to such matter, except as otherwise provided in this Lease, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, malfunction or failure, rectify same at Lessor's expense. The warranty periods shall be as follows: (i) 6 months as to the HVAC systems, and (ii) 30 days as to the remaining systems and other elements of the Building. If Lessee does not give Lessor the required notice within the appropriate warranty period, correction of any such non-compliance, malfunction or failure shall be the obligation of Lessee at Lessee's sole cost and expense. Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**") that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 50), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning, are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same at Lessor's expense. If Lessee does not give Lessor written notice of a non-compliance with this warranty within 6 months following the Start Date, correction of that non-compliance shall be the obligation of Lessee at Lessee's sole cost and expense. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Unit, Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and an amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not, however, have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) it has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements and the Americans with Disabilities Act), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Real Property Taxes and insurance premiums and to maintain the Premises) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use commercially reasonable efforts to deliver exclusive possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such

failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to tender possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1 **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States, without offset or deduction (except as specifically permitted in this Lease), on or before the day on which it is due. All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent, Insurance and Real Property Taxes, and any remaining amount to any other outstanding charges or costs.

4.3 **Association Fees**. In addition to the Base Rent, Lessee shall pay to Lessor each month an amount equal to any owner's association or condominium fees levied or assessed against the Premises. Said monies shall be paid at the same time and in the same manner as the Base Rent.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**. Lessee shall use and occupy the Premises only for the Agreed Use, or any other legal use which is reasonably comparable thereto, and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvements on the Premises or the mechanical or electrical systems therein, and/or is not significantly more burdensome to the Premises. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, byproducts or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use, ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public,

the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from adjacent properties not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. **No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.**

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which result from Hazardous Substances which existed on the Premises prior to Lessee's occupancy or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee's occupancy, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. In addition, Lessee shall provide Lessor with copies of its business license, certificate of occupancy and/or any similar document within 10 days of the receipt of a written request therefor.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time in the case of an emergency, and otherwise at reasonable times after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see paragraph 9.1(e)) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations**.

(a) **In General**. Subject to the provisions of Paragraph 2.2 (Condition), 2.3 (Compliance), 6.3 (Lessee's Compliance with Applicable Requirements), 7.2

(Lessor's Obligations), 9 (Damage or Destruction), and 14 (Condemnation), Lessee shall, at Lessee's sole expense, keep the Premises, Utility Installations (intended for Lessee's exclusive use, no matter where located), and Alterations in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Lessee, and whether or not the need for such repairs occurs as a result of Lessee's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities, such as plumbing, HVAC equipment, electrical, lighting facilities, boilers, pressure vessels, fire protection system, fixtures, walls (interior and exterior), foundations, ceilings, roofs, roof drainage systems, floors, windows, doors, plate glass, skylights, landscaping, driveways, parking lots, fences, retaining walls, signs, sidewalks and parkways located in, on, or adjacent to the Premises. Lessee, in keeping the Premises in good order, condition and repair, shall exercise and perform good maintenance practices, specifically including the procurement and maintenance of the service contracts required by Paragraph 7.1(b) below. Lessee's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair. Lessee shall, during the term of this Lease, keep the exterior appearance of the Building in a first-class condition (including, e.g. graffiti removal) consistent with the exterior appearance of other similar facilities of comparable age and size in the vicinity, including, when necessary, the exterior repainting of the Building.

(b) **Service Contracts**. Lessee shall, at Lessee's sole expense, procure and maintain contracts, with copies to Lessor, in customary form and substance for, and with contractors specializing and experienced in the maintenance of the following equipment and improvements, if any, if and when installed on the Premises: (i) HVAC equipment, (ii) boiler, and pressure vessels, (iii) fire extinguishing systems, including fire alarm and/or smoke detection, (iv) landscaping and irrigation systems, (v) roof covering and drains, and (vi) clarifiers. However, Lessor reserves the right, upon notice to Lessee, to procure and maintain any or all of such service contracts, and Lessee shall reimburse Lessor, upon demand, for the cost thereof.

(c) **Failure to Perform**. If Lessee fails to perform Lessee's obligations under this Paragraph 7.1, Lessor may enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf, and put the Premises in good order, condition and repair, and Lessee shall promptly pay to Lessor a sum equal to 115% of the cost thereof.

(d) **Replacement**. Subject to Lessee's indemnification of Lessor as set forth in Paragraph 8.7 below, and without relieving Lessee of liability resulting from Lessee's failure to exercise and perform good maintenance practices, if an item described in Paragraph 7.1(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Lessor, and the cost thereof shall be prorated between the Parties and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date on which Base Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (i.e. 1/144th of the cost per month). Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 9 (Damage or Destruction) and 14 (Condemnation), it is intended by the Parties hereto that Lessor have no obligation, in any manner whatsoever, to repair and maintain the Premises, or the equipment therein, all of which obligations are intended to be that of the Lessee. It is the intention of the Parties that the terms of this Lease govern the respective obligations of the Parties as to maintenance and repair of the Premises.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air and/or vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, plumbing, and fencing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "Alterations" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed a sum equal to 3 month's Base Rent in the aggregate or a sum equal to one month's Base Rent in any one year. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal**. By delivery to Lessee of written notice from Lessor not earlier than 90 and not later than 30 days prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing and the

provisions of Paragraph 7.1(a), if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also completely remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Payment For Insurance**. Lessee shall pay for all insurance required under Paragraph 8 except to the extent of the cost attributable to liability insurance carried by Lessor under Paragraph 8.2(b) in excess of $2,000,000 per occurrence. Premiums for policy periods commencing prior to or extending beyond the Lease term shall be prorated to correspond to the Lease term. Payment shall be made by Lessee to Lessor within 10 days following receipt of an invoice.

8.2 **Liability Insurance**.

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "**insured contract**" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value**.

(a) **Building and Improvements**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Premises. The amount of such insurance shall be equal to the full insurable replacement cost of the Premises, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence, and Lessee shall be liable for such deductible amount in the event of an Insured Loss.

(b) **Rental Value**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period. Lessee shall be liable for any deductible amount in the event of such loss.

(c) **Adjacent Premises**. If the Premises are part of a larger building, or of a group of buildings owned by Lessor which are adjacent to the Premises, the Lessee shall pay for any increase in the premiums for the property insurance of such building or buildings if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance**.

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(c) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Lessor. Lessee shall, at least 10 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The

effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions**.

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $10,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds (except as to the deductible which is Lessee's responsibility) as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages

from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definition**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Premises or the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Building address. Real Property Taxes shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Premises, and (ii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease.

10.2 **Payment of Taxes**. In addition to Base Rent, Lessee shall pay to Lessor an amount equal to the Real Property Tax installment due at least 20 days prior to the applicable delinquency date. If any such installment shall cover any period of time prior to or after the expiration or termination of this Lease, Lessee's share of such installment shall be prorated. In the event Lessee incurs a late charge on any Rent payment, Lessor may estimate the current Real Property Taxes, and require that such taxes be paid in advance to Lessor by Lessee monthly in advance with the payment of the Base Rent. Such monthly payments shall be an amount equal to the amount of the estimated installment of taxes divided by the number of months remaining before the month in which said installment becomes delinquent. When the actual amount of the applicable tax bill is known, the amount of such equal monthly advance payments shall be adjusted as required to provide the funds needed to pay the applicable taxes. If the amount collected by Lessor is insufficient to pay such Real Property Taxes when due, Lessee shall pay Lessor, upon demand, such additional sum as is necessary. Advance payments may be intermingled with other moneys of Lessor and shall not bear interest. In the event of a Breach by Lessee in the performance of its obligations under this Lease, then any such advance payments may be treated by Lessor as an additional Security Deposit.

10.3 **Joint Assessment**. If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be conclusively determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available.

10.4 **Personal Property Taxes**. Lessee shall pay, prior to delinquency, all taxes assessed against and levied upon Lessee Owned Alterations, Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services.

11.1 Lessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered or billed to Lessee, Lessee shall pay a reasonable proportion, to be determined by Lessor, of all charges jointly metered or billed. There shall be no abatement of rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

11.2 Within fifteen days of Lessor's written request, Lessee agrees to deliver to Lessor such information, documents and/or authorization as Lessor needs in order for Lessor to comply with new or existing Applicable Requirements relating to commercial building energy usage, ratings, and/or the reporting thereof.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the

Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a non-curable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a non-curable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, i.e. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting**.

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting**. The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach**. A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; the vacating of the Premises prior to the expiration or termination of this Lease without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism; or failure to deliver to Lessor exclusive possession of the entire Premises in accordance herewith prior to the expiration or termination of this Lease.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private

nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 42, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 40 hereof, other than those described in subparagraphs 13.1(a), (b), (c) or (d), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies**. If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges**. Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The Parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive

installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to seek reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the Building, or more than 25% of that portion of the Premises not occupied by any building, is taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

15.1 **Additional Commission**. In addition to the payments owed pursuant to Paragraph 1.9 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires any rights to the Premises or other premises owned by Lessor and located within the same Project, if any, within which the Premises is located, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed. The provisions of this paragraph are intended to supersede the provisions of any earlier agreement to the contrary.

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.9, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Lease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published by AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Premises, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements**. All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice**. Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23.3 **Options.** Notwithstanding the foregoing, in order to exercise any Options (see paragraph 39), the Notice must be sent by Certified Mail (return receipt requested), Express Mail (signature required), courier (signature required) or some other methodology that provides a receipt establishing the date the notice was received by the Lessor.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the

agent may not, without the express permission of the respective Party, disclose to the other Party confidential information, including, but not limited to, facts relating to either Lessee's or Lessor's financial position, motivations, bargaining position, or other personal information that may impact rent, including Lessor's willingness to accept a rent less than the listing rent or Lessee's willingness to pay rent greater than the rent offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Both Lessor and Lessee should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. At or prior to the expiration or termination of this Lease Lessee shall deliver exclusive possession of the Premises to Lessor. For purposes of this provision and Paragraph 13.1(a), exclusive possession shall mean that Lessee shall have vacated the Premises, removed all of its personal property therefrom and that the Premises have been returned in the condition specified in this Lease. In the event that Lessee does not deliver exclusive possession to Lessor as specified above, then Lessor's damages during any holdover period shall be computed at the amount of the Rent (as defined in Paragraph 4.1) due during the last full month before the expiration or termination of this Lease (disregarding any temporary abatement of Rent that may have been in effect), but with Base Rent being 150% of the Base Rent payable during such last full month. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located. Signatures to this Lease accomplished by means of electronic signature or similar technology shall be legal and binding.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination**. This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment**. In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance**. With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. Signs. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Except for ordinary "for sublease" signs, Lessee shall not place any sign upon the Premises without Lessor's prior written consent. All signs must comply with all Applicable Requirements.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published by AIR CRE, and each such Guarantor shall have the same obligations as Lessee under this Lease.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any Option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Multiple Buildings. If the Premises are a part of a group of buildings controlled by Lessor, Lessee agrees that it will abide by and conform to all reasonable rules and regulations which Lessor may make from time to time for the management, safety, and care of said properties, including the care and cleanliness of the grounds and including the parking, loading and unloading of vehicles, and to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessee also agrees to pay its fair share of common expenses incurred in connection with such rules and regulations.

41. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties.

42. Reservations. Lessor reserves to itself the right, from time to time, to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, and to cause the recordation of parcel maps and restrictions, so long as such easements, rights, dedications, maps and restrictions do

not unreasonably interfere with the use of the Premises by Lessee. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate any such easement rights, dedication, map or restrictions.

43. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

44. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

45. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

46. Offer. Preparation of this Lease by either Party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

47. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

48. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS LEASE.

49. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☐ is ☑ is not attached to this Lease.

50. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☐ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

ATTENTION: NO REPRESENTATION OR RECOMMENDATION IS MADE BY AIR CRE OR BY ANY BROKER AS TO THE LEGAL SUFFICIENCY, LEGAL EFFECT, OR TAX CONSEQUENCES OF THIS LEASE OR THE TRANSACTION TO WHICH IT RELATES. THE PARTIES ARE URGED TO:

1. SEEK ADVICE OF COUNSEL AS TO THE LEGAL AND TAX CONSEQUENCES OF THIS LEASE.

2. RETAIN APPROPRIATE CONSULTANTS TO REVIEW AND INVESTIGATE THE CONDITION OF THE PREMISES. SAID INVESTIGATION SHOULD INCLUDE BUT NOT BE LIMITED TO: THE POSSIBLE PRESENCE OF HAZARDOUS SUBSTANCES, THE ZONING OF THE PREMISES, THE STRUCTURAL INTEGRITY, THE CONDITION OF THE ROOF AND OPERATING SYSTEMS, AND THE SUITABILITY OF THE PREMISES FOR LESSEE'S INTENDED USE.

OPTION(S) TO EXTEND TERM
STANDARD LEASE ADDENDUM

Dated: August 4, 2023
By and Between
Lessor: Madison Estate Investment Incorporated
Lessee: Crete Academy a Non Profit Public Benefit Corporation
Property Address: 1729 Martin Luther King Jr. Boulevard, Los Angeles, CA 90062
(street address, city, state, zip)

Paragraph: 51 **OPTION(S) TO EXTEND TERM.** Subject to the terms, conditions and provisions of Paragraph 39, Lessor grants Lessee two (2) option(s) to extend the term of the Lease ("**Extension Option(s)**"), with each Extension Option being for a term of twelve (12) months, commencing when the prior term expires ("**Option Term(s)**"). In order to exercise an Extension Option, Lessee must give written notice of such election to Lessor and Lessor must receive such notice at least 6 but not more than 12 months prior to the date that the applicable Option Term would commence, time being of the essence. If timely and proper notification of the exercise of an Extension Option is not given by Lessee and/or received by Lessor, such Extension Option shall automatically expire. Except as specifically modified, the terms, conditions and provisions of the Lease shall apply during Option Terms but the amount of Rent during Option Terms shall be established by using the method(s) selected below *(check method(s) to be used and fill in appropriately)*:

☐ **I. Consumer Price Index.**

(a) During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term CPI Increase Date(s)**") commensurate with the increase in the Option Term CPI (as herein defined) determined as follows: the monthly Base Rent scheduled for the month immediately preceding the first occurring Option Term CPI Increase Date shall be multiplied by a fraction the denominator of which is the Option Term Base CPI (as herein defined), and the numerator of which is the Option Term Comparison CPI (as herein defined). The amount so calculated shall constitute the new Base Rent until the next Option Term CPI Increase Date during the applicable Option Term, but in no event shall any such new Base Rent be less than the Base Rent for the month immediately preceding the applicable Option Term CPI Increase Date.

(b) The term "**Option Term CPI**" shall mean the Consumer Price Index of the Bureau of Labor Statistics of the U.S. Department of Labor for *(select one)*: ☐ CPI W (Urban Wage Earners and Clerical Workers) or ☐ CPI U (All Urban Consumers), for (*fill in Urban Area*): _____ or ☐ the area in which the Premises is located, All Items (1982-1984 = 100). The term "**Option Term Comparison CPI**" shall mean the CPI of the calendar month which is 2 full months prior to the applicable Option Term CPI Increase Date. The term "**Option Term Base CPI**" shall mean the CPI of the calendar month which is 2 full months prior to (*select one*): ☐ Commencement Date of the Original Term, ☐ start of the applicable Option Term, or ☐ (*fill in month*) _____.

(c) If compilation and/or publication of the CPI is transferred to another governmental department, bureau or agency or is discontinued, then instead the index most nearly the same as the CPI shall be used to calculate the Base Rent increases hereunder. If the Parties cannot agree on such alternative index, then the matter shall be submitted for decision to the American Arbitration Association in accordance with the then rules of said association and the decision of the arbitrators shall be binding upon the parties, with the cost of such arbitration being paid equally by the Parties.

☐ **II. Fixed Percentage.** During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term Percentage Increase Date(s)**") by _____ percent (_____ %) of the monthly Base Rent scheduled to be paid for the month immediately preceding the applicable Option Term Percentage Increase Date.

☐ **III. Fair Market Value.**

(a) During the Option Term(s) which start(s) on _____, the amount of Rent shall be the amount forecasted to be the fair market rental value of the Premises during such Option Term established pursuant to the procedures, terms, assumptions and conditions set forth herein ("**Fair Market Value**"); provided, however, regardless of such Fair Market Value, Base Rent during an Option Term shall not be less than the Base Rent scheduled as of when the prior term expires. Starting as of Lessee's exercise of the applicable Extension Option (but not earlier than six (6) months before start of the applicable Option Term), the Parties shall for thirty (30) days ("**Negotiation Period**") attempt to agree upon the Fair Market Value. If during the Negotiation Period the Parties do not agree on the Fair Market Value, then the Fair Market Value shall be established pursuant to the procedures set forth herein, which shall be binding.

(b) Each Party shall, within fifteen (15) days after the end of the Negotiation Period, in writing submit to the other Party such Party's determination of the Fair Market Value ("**Submitted Value(s)**"). If a Party fails to timely provide a Submitted Value, then the other Party's Submitted Value shall be the Fair Market Value. If both Parties timely provide Submitted Values, then each Party shall, within fifteen (15) days after both Parties have exchanged Submitted Values, in writing notify the other Party of such Party's selected valuator who shall meet the qualifications set forth herein ("**Advocate Valuator(s)**"). Lessor and Lessee may select an Advocate Valuator who is favorable to such Party's position and may, prior to or after appointment of an Advocate Valuator, consult with such Party's Advocate Valuator. If a Party fails to timely and properly provide notice of such Party's chosen Advocate Valuator, then the other Party's Submitted Value shall be the Fair Market Value.

(c) If both Parties timely and properly designate Advocate Valuators, then such Advocate Valuators shall, within fifteen (15) days after their selection, choose a third (3rd) neutral valuator who shall meet the qualifications set forth herein ("**Neutral Valuator**"). The Neutral Valuator shall be engaged jointly by Lessor and Lessee. If Advocate Valuators fail to agree upon and timely appoint a Neutral Valuator, then the President of AIR CRE shall appoint such Neutral Valuator within fifteen (15) days after request by either Party. If the President of AIR CRE does not timely appoint the Neutral Valuator, then either Party may file an appropriate legal action for a

judge with competent jurisdiction over the Parties to appoint the Neutral Valuator.

(d) The Advocate Valuators and the Neutral Valuator ("**Valuator(s)**") shall be duly licensed real estate brokers or salespersons in good standing in the state in which the Premises is located, shall have been active over the five (5) year period before their appointment in the leasing of properties similar to the Premises within the general real estate market of the Premises. The Neutral Valuator shall additionally not be related to or affiliated with either Party or Advocate Valuator, and shall not have previously represented in a real estate transaction a Party or anyone related to or affiliated with a Party. All matters to be determined by the Valuators shall be decided by a majority vote of the Valuators, with each Valuator having one (1) vote. The Valuators may, as the Valuators determine, hold hearings and require briefs, including market data and additional information.

(e) Within thirty (30) days after selection of the Neutral Valuator, the Valuators shall first determine the Fair Market Value established by taking into account the terms, assumptions and conditions set forth herein ("**Valuators' Market Value**"), then decide which Party's Submitted Value is closer in monetary amount to the Valuators' Market Value ("**Selected Market Value**"), then provide the Parties a copy of the Valuators' Market Value and finally notify the Parties of the Selected Market Value. The Selected Market Value shall be the Fair Market Value. The Valuators shall have no right to decide a Selected Market Value which is a compromise to (or modification of) the Submitted Values. The decision of the Valuators shall be binding upon the Parties. The Party whose Submitted Value is not the Selected Market Value shall, within ten (10) days after the Valuators decide the Selected Market Value, pay the fees and costs of all three (3) Valuators.

(f) If the Fair Market Value has not been established before the start of the applicable Option Term, then Lessee shall continue to pay to Lessor rent in the amount payable for the month immediately preceding the start of such Option Term and Lessor's acceptance of such rent shall not waive, adversely affect or prejudice the Parties' right to complete establishment of the Fair Market Value or Lessor's right to collect the full amount of the Fair Market Value once the Fair Market Value is established. Lessee shall, within ten (10) days after establishment of the Fair Market Value, pay to Lessor any deficiency in rent then due for the Option Term. Following establishment of Fair Market Value, the Parties shall, within ten (10) days after request by either Party, sign an amendment to this Lease to confirm the Fair Market Value and the expiration date of this Lease, but the Parties' failure to request or to sign such an amendment shall not affect establishment of the Fair Market Value or extension of the Lease term.

(g) The Valuators, in deciding the Valuators' Market Value, shall take into account rent rates, rent abatements, periodic rent increases, real property taxes, insurance premiums and other operating expenses, tenant improvement and other applicable allowances, building services, length of lease term and other factors professional real estate brokers and/or appraisers customarily consider in determining fair market rent of property in an arm's length transaction by ready, willing and able parties for space of comparable location, size, age, condition, quality, parking, visibility, view, signage and accessibility if the Premises were marketed in a normal and customary manner for a reasonable length of time on the open market to be leased to a tenant with financial strength and credit worthiness comparable to Lessee and guarantors (if any) of this Lease (as of Lessee's exercise of the Extension Option) for a term comparable to the length of the applicable Option Term and used for the Agreed Use (or other reasonably comparable uses). The Valuators, in deciding the Valuators' Market Value, shall not consider as a comparable transaction any of the following: a sublease, lease assignment, lease renewal or extension; lease with a tenant that has equity, is related to or affiliated with the landlord; or a lease of space that was subject to a right of first refusal, right of first offer, expansion option or other encumbrances. The Valuators, in deciding the Valuators' Market Value, shall reduce the Fair Market Value on account of Alterations and improvements made by Lessee to the extent the cost thereof was paid solely by Lessee (in excess of any applicable improvement allowance, abated rent in lieu of improvement allowance or other consideration provided by Lessor for Lessee's improvement of the Premises), shall not reduce the Fair Market Value on account of any real estate brokerage commission savings by Lessor, and shall not reduce the Fair Market Value on account of deferred maintenance or repair of the Premises for which Lessee was responsible under the Lease but did not perform.

☑ **IV. Fixed Rental Adjustment(s) ("FRA").**

The monthly Base Rent shall be increased to the following amounts on the dates set forth below:

On (fill in FRA Adjustment Date(s)):	The new Base Rent shall be:
August 1, 2025	$16,480.00
August 1, 2026	$16,974.40

☐ **V. Continuation of Original Term Adjustments.**

The monthly Base Rent during the Option Term(s) which start(s) on _____ shall be increased in accordance with the same formula provided in the Lease to be used to calculate increases in the Base Rent during the Original Term of the Lease.

BROKER'S FEE: For each adjustment in Base Rent specified above, the Brokers shall be paid a Brokerage Fee in accordance with paragraph 15 of the Lease or if applicable, paragraph 9 of the Sublease.

Comprehensive School Safety Plan

At Crete Academy, we prioritize the safety and well-being of our students and staff. We believe that a comprehensive safety plan is essential for creating a secure learning environment. To achieve this, we encourage a collaborative approach, engaging parents, students, teachers, administrators, counselors, support staff, and community partners in the development of our safety plan. This plan will undergo annual reviews and updates, with proposed changes subject to approval by the Board. In compliance with California Education Code section 47605(c)(5)(F)(ii), our safety plan will address the required topics outlined in section 32282(a), including strategies and programs that ensure a safe school environment and adherence to existing laws related to school safety.

2024-2025 School Safety Plan Goals and Actions

Safe School Plan Summary

At Crete Academy, fostering a safe and supportive learning environment is a shared priority among staff, parents, students, and the broader school community. Our program's primary objective is to establish a sense of belonging among all students, promoting a culture of safety, well-being, and positive learning experiences. Our dedicated staff are committed to creating a secure and nurturing environment, free from violence, intimidation, fear, and drug use. Through our efforts, we aim to empower students to become self-disciplined and responsible individuals, equipped to thrive in a diverse and ever-changing world. By doing so, we strive to build a harmonious and inclusive community that values social and economic diversity.

24-25 school year, we are focused on achieving the following Safe School Plan goals:

- Crete Academy prioritizes mental health and social-emotional well-being, fostering and supportive environment through evidence-based practices and a commitment to positive school.
- Design and implement positive learning spaces that promote student connection, self-discipline, and personal responsibility for academic and social growth
- To ensure students remain engaged and connected to their school community, consistent attendance support is necessary to sustain the progress made in providing positive learning environments with the goal of decreasing the number of students with chronic absences. Strategies will include weekly check in with parents of chronic students, letters sent home, and parent conferences as needed.

Each year, the administration, teaching staff, and classified personnel work together to develop, assess, and enhance the school's safety protocols.

Earthquake Drill and Procedure

Earthquake Overview

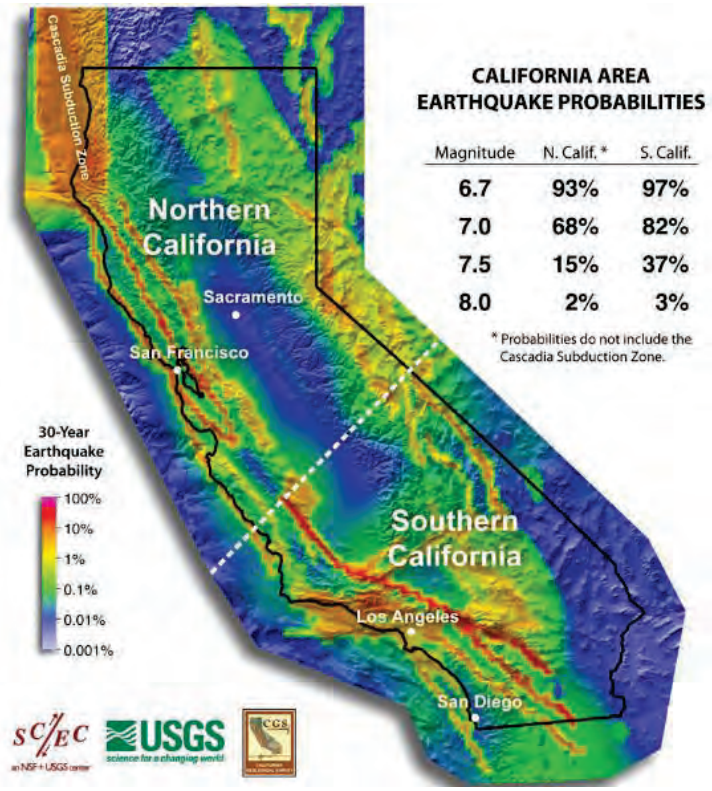
Earthquakes are sudden releases of strain energy stored in the earth's bedrock.
The great majority of earthquakes are not dangerous to life or property either because they occur in sparsely populated areas or because they are small earthquakes that release relatively small amounts of energy. However, where urban areas are located in regions of high seismicity, damaging earthquakes are expectable, if not predictable, events. Every occupant and developer in Los Angeles County assumes seismic risk because the County is within an area of high seismicity. More than ten severe earthquakes have impacted the Los Angeles Region during historic times.

The major effects of earthquakes are ground shaking and ground failure. Severe earthquakes are characteristically accompanied by surface faulting. Flooding may be triggered by dam or levee failure resulting from an earthquake, or by seismically induced settlement or subsidence. All of these geologic effects are capable of causing property damage and, more importantly, risks to life and safety of persons.
A fault is a fracture in the earth's crust along which rocks on opposite sides have moved relative to each other. Active faults have a high probability of future movement. Fault displacement involves forces so great that the only means of limiting damage to man-made structures is to avoid the traces of active faults.
Any movement beneath a structure, even on the order of an inch or two, could have catastrophic effects on the structure and its service lines.

The overall energy release of an earthquake is its most important characteristic.
Other important attributes include an earthquake's duration, its related number of significant stress cycles, and its accelerations.

Earthquake Size:

Earthquake Size Descriptions		
Descriptive Title	**Richter Magnitude**	**Intensity Effects**
Minor Earthquake	1 to 3.9	Only observed instrumentally or felt only near the epicenter.
Small Earthquake	4 to 5.9	Surface fault movement is small or does not occur. Felt at distances of up to 20 or 30 miles from the epicenter. May cause damage.
Moderate Earthquake	6 to 6.9	Moderate to severe earthquake range; fault rupture probable.
Major Earthquake	7 to 7.9	Landslides, liquefaction and ground failure triggered by shock waves.
Great Earthquake	8 to 8+	Damage extends over a broad area, depending on magnitude and other factors.



Earthquake drill:

Standards for a Successful Earthquake Drill:
The Earthquake Alarm can be heard by all staff and students.
Immediately after the earthquake alarm sounds, all students, teachers and other employees shall:

- DUCK, or DROP down on the floor.

- Take COVER under a sturdy desk, table or other furniture with backs to the windows.
- Protect head and neck with arms.
- HOLD onto the furniture and be prepared to move with it.

Evacuations shall occur when directed over the loudspeaker by the Principal/designee. When evacuations are included as part of the drill, appropriate nonhazardous alternate routes, avoiding building overhangs, electrical wires, large trees, covered walkways, etc., shall be utilized by staff and students in order to reach the designated evacuation areas.
Teachers have taken roll once in the evacuation area. Any missing students are immediately reported to the Principal/designee.
Upon sounding of the all clear students and staff return to their appropriate classroom and the teacher takes roll once more. Missing students are reported to the attendance office.

Earthquake Procedure

In a major quake, you may experience gentle shaking at first and then more violent shaking within a few seconds. You may find it difficult to maintain your balance or it may even knock you off your feet. Or, you may be shaken by a sudden and violent jolt. It may be difficult or impossible to move from one room to the next. Within seconds, you'll feel the shaking stop.

Don't Panic:

- Remain calm and reassure students or staff.
- Act decisively; your action will set the tone for others around you.

If you are indoors when shaking starts:

- “DROP, COVER AND HOLD ON.” If you are not near a strong table or desk, drop to the floor against an interior wall and cover your head and neck with your arms or stand in a doorway and direct students to do the same.
- Stay away from windows, bookcases, cabinets, outside walls and other heavy objects until the shaking stops.
- Do not try to run out of the structure during strong shaking.
- Stay away from buildings. Glass from tall buildings does not always fall straight down; it can catch a wind current and travel great distances.
- Do not use elevators.
- If you use a wheelchair, lock the wheels and cover your head.
- Protect your head and eyes from falling debris.
- Stay in the building.
- Don't be surprised if the electricity goes out or the fire alarms sound.

If you are outdoors when shaking starts:

- Move to a clear area if you can safely walk. Avoid power lines, buildings and trees.

The Shaking Has Stopped. Now What?

Immediately after the quake, the greatest danger is from falling objects, followed by fire.

- Make sure you are safe and not injured.
- Remain calm.
- Check those around you, looking for those trapped or injured; administer first aid. Do not move seriously injured persons unless they are in immediate danger.
- Check around you for dangerous conditions, such as fires or possible fire hazards, downed power lines and structure damage.
- If you suspect danger, evacuate.
- Don't use the elevator, use the stairs.

If at a testing site, calmly walk students to the evacuation meeting site, bringing a student list.

- Take attendance to verify ALL students who were with you are accounted for in the line.
- Wait for instructions.
- Turn on battery powered radios or a car radio.
- Check the building for damage.
- Assemble emergency supplies, water, food, and first aid supplies.
- Telephone for emergencies only.
- Be prepared for aftershocks; they are usually not as strong as the initial earthquakes.
- Cooperate with public safety officials.
- If faculty and students are released back to the building, return and verify attendance once more (if students are present).

If you are trapped in debris:

- Move as little as possible so that you don’t kick up dust. Cover your nose and mouth with a handkerchief or clothing.
- Tap on a pipe or wall so that rescuers can hear where you are. Use a whistle if one is available. Shout only as a last resort.

Prepare Now Before the Shaking Starts

- Please discuss all our emergency procedures with students as soon as possible.
- Participate in practice drills and maintain knowledge of emergency procedures.
- Become familiar with evacuation routes.

- Maintain evacuation backpack, bucket and clipboard in a visible & easily accessible location adjacent to the evacuation exit.
- Discuss plans and know what to do.
- Check areas for earthquake hazards and recommend measures to correct them.
- Brace or anchor high shelves, cabinets, or other things that could fall, do not store unsecured heavy items above 72 inches.
- Ensure tall furnishings are secured to the walls to prevent them from falling on individuals and potentially obstructing exits or walk paths.
- Be trained in CPR and first aid.
- Plan alternate routes of evacuation.
- Plan for disabled employees and/or students.
- You may not be able to leave the premises for 72 hours, so keep a battery-powered radio, extra batteries, flashlights, and first aid supplies on hand

Lockdown

Lockdown/Reverse Evacuation Procedures:

Some emergencies may prevent safe evacuation and require steps to isolate staff from danger by instituting a lockdown. Other emergencies may occur prior to the workday, during break or lunch periods, or after the workday. When staff may be outside the school building or work site, a reverse evacuation should be initiated.
All employees and must be familiar with the specific actions they must take during a lockdown or reverse evacuation. Discussions, training, and practice drills are essential to make these procedures workable.
In the event of a lockdown or reverse evacuation, work area supervisors must utilize the following procedures:

- If outside, move to the nearest building or room providing it is a safe route and that you are not moving in the direction of danger.
- If inside, stay inside.
- Lock door(s) to buildings and or work areas.
- If possible, quickly close all windows and then move away from the windows.
- Use caution when allowing late reporting staff to enter a classroom.
- Have staff hide, if appropriate.
- Await further instructions from the Incident Commander via public address system, phone or an e-mail notification to all staff.
- DO NOT use the telephone to call out as all lines must be keep open, unless there is a dire emergency in your work area.
- Remain in the room/office until a member of the Emergency Management Team or a law enforcement officer arrives with directions.

Procedures for Conducting a "Size-Up"

A "SIZE-UP" is a nine-step continual data gathering process that determines if it is safe to perform a certain emergency task, whether fire suppression, search and rescue, facilities assessment, etc. A size-up enables first responders to make decisions and respond appropriately in the areas of greatest need. The nine steps in a "size-up" are:

1. **Gather Facts:**
    - What has happened?
    - How many people are involved?
    - What is the current situation?
    - Does the time of day or week affect this situation?
    - Do weather conditions affect the situation (e.g., forecast, temperature, wind, rain)?

- What type(s) of structures are involved?
- Are buildings occupied? If yes, how many?
- Are there special considerations involved (e.g., children, elderly, disabled)?
- Are hazardous materials involved at or near the situation?
- Are other types of hazards likely to be involved?

2. **Assess and Communicate the Damage:**
   - Take a lap around each building and try to determine what has happened, what is happening now, and what may happen next.
   - Are normal communications channels functioning (e.g., ICS, radios, e-mail, phones).

3. **Consider Probabilities:**
   - What is likely to happen?
   - What is the worst-case scenario?

4. **Assess Your Own Situation:**
   - Are you in immediate danger?
   - Have you been trained to handle this situation?
   - What resources are available which can assist with your current situation?

5. **Establish Priorities:**
   - Are lives at risk? Remember, life safety is the first priority!
   - Can you and available resources handle this situation SAFELY without putting others at risk?
   - Are there more pressing needs at the moment? If yes, what are they?

6. **Make Decisions:**
   - Base decisions on the answers to Steps 1 through 3 and the priorities that your team has established.
   - Where will deployment of resources do the best while maintaining an adequate margin of safety?

7. **Develop an Incident Action Plan:**
   - Develop a plan that will help you accomplish your priorities.
   - Simple plans may be verbal, but more complex plans should always be written.

- Determine how personnel and other resources should be deployed.

8. **Take Action:**
    - Execute your plan, documenting deviations and status changes so that you can accurately report the situation to first responders, the Incident Command Post, the EOC, or other agencies that respond to the scene (e.g., fire, law enforcement, medical, media, coroner, parents).

9. **Evaluate Progress:**
    - At reasonable intervals, evaluate progress in accomplishing the objectives in the plan of action.
    - (Incident Action Plan) to determine what is working and what changes you may have to make to stabilize the situation.

Flooding

According to the Federal Emergency Management Agency, flooding is the most common natural disaster in the United States. Floods can develop gradually due to prolonged rain or thawing snow, while flash floods can occur suddenly without warning. Catastrophic floods can result from dam or levee failures, hurricanes, storm surges, tsunamis, and earthquakes. It's essential for schools to be prepared for flooding, especially if located in low-lying or coastal areas, near water sources, or downstream from dams, as these areas are more prone to flooding.

What flooding can do:

Flooding can cause site erosion, structural and nonstructural building damage, the destruction or impairment of utilities and mechanical equipment, damage to or loss of contents, health threats from contaminated floodwater, and temporary or permanent closure.

Site damage: School grounds may be subject to erosion and scour, with the possible loss of soil and damage to paved areas, including access roads. Large amounts of debris and sediment can accumulate on the site, especially against fences.

Structural damage: Foundations can be eroded, destabilizing or collapsing walls and heaving floors.

Saturation damage: Saturated walls and floors can lead to plaster, drywall, insulation, and tile damage, mold and moisture problems, wood decay, and metal corrosion.

Utility system damage: Electrical wiring and equipment can be shorted and their metal components corrode. Ductwork can be fouled and expensive heating and cooling equipment ruined. Oil storage tanks can be displaced and leak, polluting the areas around them.
Sewers can back up and contaminate the water supply and building components.

Contents damage: School furniture, computers, files, books, lab materials and equipment, and kitchen goods and equipment can be damaged or contaminated.

Health threats: Mold growth and contaminants in flooded schools can pose significant health threats to students and staff.

School closure: Flooded schools must be closed during cleanup and repair. The length of closure and the ability of the school district to return to teaching depends on the severity of the damage and lingering health hazards. It may also depend on whether the school is fully insured or how quickly disaster assistance is made available for cleaning and repair. If the school is located in a flood plain, it may be permanently closed.

Preventing or Mitigating Flood Damage

Reducing or eliminating damage is difficult in schools not built to withstand flooding, but a number of practical measures may be undertaken:

- Improve site drainage by re-grading, adding or enlarging storm drains or culverts, and, where the site permits, adding a storm water retention area.
- Provide fail-safe backup power for sump pumps to keep them functioning during electrical outages.
- Add, clean, or repair check valves in sewer lines to prevent sewage from backing up into the school.
- Provide off-site computer backup storage for electronic school records.
- When replacing mechanical and electrical equipment, devise ways of elevating or otherwise flood-proofing it.
- If the school is multistory, consider relocating the library/media center to a higher floor.

Preparing for and Responding to Flood Emergencies

Plan what to do before, during, and after a flood. Think about which staff, materials, procedures, and equipment are absolutely necessary to protect your school and keep it operating.

Include flood preparedness in your school's crisis plan. See Practical Information on Crisis Planning by the U.S. Department of Education's Office of Safe and Drug-Free Schools, and Mitigating Hazards in School Facilities by the National Clearing house for Educational Facilities. Refer to Severe Weather Planning for Schools for detailed information about preparing for and responding to floods and other weather emergencies. For anticipating and recovering from

hurricane-related flooding, see the Council of Educational Facility Planners' Disaster Planning, Management, and Recovery Guide.
Continually monitor Weather Radio All-Hazards on your school's public alert radio for information about potential floods and other hazards.

Familiarize school staff with these terms:

- **Flood watch and flash flood watch**: Flooding or flash flooding is possible in your area.
- **Flood warning:** Flooding is imminent or occurring now; if advised to evacuate, do so immediately.
- **Flash flood warning**: A flash flood is imminent or occurring now; seek higher ground on foot immediately.

Recovering from a Flood

Do not enter the school if:

floodwater remains in or around the building. It may be electrically charged from underground or downed power lines, or it may be contaminated by oil, gasoline, or raw sewage;

- the building appears to be damaged.
- you smell gas or hear a hissing or blowing sound.
- there are downed electrical wires in the vicinity.

There may be unseen damage, particularly soil erosion and scour that undermines foundations, sidewalks, and roads.

Natural gas: If possible, turn off the main gas valve from outside. Do not smoke or use oil, gas lanterns, candles, or torches for lighting inside a flooded or damaged school until you are sure there is no leaking gas or other flammable material present. When in doubt, call the gas company.

Electrical system: If there is standing water in the building or any sign of electrical damage, call the power company. Do not enter the building until it has been declared safe.

Structural damage: If there are signs of masonry cracking, wall or roof sagging, or other structural distress, have a building professional assess the situation.

Flooding could threaten the safety of students and staff whenever storm water or other sources of water threaten to inundate school grounds or buildings. Flooding may occur if a water pipe breaks or prolonged rainfall causes urban streams to rise. Flooding may also occur as a result of

damage to water distribution systems such as failure of a dam or levee. If weather-related, an alert message will be broadcast over the weather radio station. In the event of a flood, the following guidelines should be followed as much as possible:

Staff Responsibilities

Emergency Response Team (Incident Commander)

- Determine if evacuation is required.
- Notify Crete academy of intent to evacuate, the location of the safe evacuation site and the route to be taken to that site.
- Instruct on the means of which students will be evacuated to a safer location. Other guidelines should be kept in mind if students are going to be transported by buses or cars.
- Notify Crete Academy of school status and action taken.
- Post a notice on the office door stating where the school has relocated and inform the Crete Academy.
- Monitor local radio and television stations for flood information.
- Delegate a search team if students or staff have been determined to be missing.
- If water has entered the premises, do not walk through it – it may contain hazardous materials.
- Do not allow staff and students to return to the building until proper authorities have determined that it is safe to do so.

General Staff:

- If warranted, evacuate students using evacuation plan.
- Stay calm and remain SILENT. If teachers and students are talking, directions and other information cannot be heard.
- Teachers will supervise egress from the classrooms into the designated Evacuation Area according to the established Emergency Evacuation maps posted in every classroom and office.
- Teachers will take their student list to the evacuation site, and complete an attendance report.
- Teachers will submit report and identify any missing student(s), staff buddies, or other staff to the principal.
- If students or staff have been determined to be missing, a search & rescue team will conduct their duties.
- Follow the Student Request and Release Procedures if school dismissal is warranted by the Crete Academy.

Students and staff will be notified if and when it is safe to return to the school site and/or building under the direction of emergency responders and in consultation with the CEO, Managing Director

of Operation or designee. Do not return to school building until it has been inspected and determined safe by property authorities.

Most areas of Los Angeles are susceptible to some form of flooding. Whether it is from a storm, river overflowing, or from a wildfire changing the landscape, it is important to stay informed. To check for flood hazards in your area, you can visit the Federal Emergency Management Agency (FEMA) Flood Map Service Center. As a safety measure, federal and state agencies have information on what to do before, during, and after a flood.

Fire Drills

California Code of Regulations. Tit. 5, § 550

A fire drill shall be conducted in each elementary, secondary and high schools not less than twice every school year. The fire drill shall be conducted in accordance with either (a) or (b).

a) Crete Academy may arrange for a fire department to conduct fire drills for the school.
b) The principal of each school shall conduct the fire drills. In this case, all pupils, teachers, and other employees shall be required to leave the building.

- Whenever the fire alarm is given, all students, teachers and other employees shall quickly leave the building in an orderly manner. Teachers shall ascertain that no student remains in the building.
- Order a verbal evacuation if the fire alarm does not sound.
- **Call 911** to report all known information about the incident.

- Designated evacuation routes shall be posted in each room. Teachers shall be prepared to select alternate exits and direct their classes to these exits in the event the designated evacuation route is blocked.
- Evacuation areas will be established away from fire lanes.
- Students are to remain with their teacher in the evacuation area. Teachers shall take their roll books, take roll once in the evacuation area and be prepared to identify missing students to administrators and/or fire marshals/designees.
- The principal or designee shall keep a copy of each drill conducted on the Emergency Drill Report form and file a copy with the Superintendent/designee.

Standards for a Successful Fire Drill:

- The Fire Alarm can be heard by all staff and students.
- Orderly evacuation begins immediately and is completed within 5 minutes of the initial alarm, with minimal congestion at exit gates.
- Teachers and students are staged in an orderly fashion away from fire lanes.
- Teachers have taken roll once in the evacuation area. Any missing students are immediately reported to the Principal/designee
- Upon sounding of the all clear students and staff return to their appropriate classroom and the teacher takes roll once more. Missing students are reported to the attendance office.

Bomb Threat

Most likely, threats of a bomb or other explosion device will be received by telephone.

The person receiving the bomb threat will:

- Attempt to gain as much information as possible when the threat is received.

Do not hang up on the caller.

- Use the **"bomb threat checklist"** form below as a guide to collect the information needed. Don't be bashful about asking direct, specific questions about the threat. Keep the caller on the phone as long as possible. If the threat is received by phone, attempt to gain more information.

The most important information is:

- When will the bomb explode and where is the bomb located?
- Immediately after receiving the bomb threat, the person receiving the call will verbally notify the Principal of the threat received. Principal warns students and staff, do not mention “Bomb Threat”. Use standard fire drill procedures Complete the "bomb threat checklist" form below.

- Students and staff must be evacuated to a safe distance outside of school building(s). After consulting with Principal.
- Teachers take roll after being evacuated.
- Direct students to take their belongings.
- No one may reenter building(s) until entire building(s) is declared safe by fire or police personnel.
- Turn off cellular phones and/or radios (transmits radio waves--could trigger a bomb).
- Principal notifies students and staff of termination of emergency. Resume normal operations.

BUILDING ADMINISTRATOR WILL (IF NECESSARY):

- Call 9-1-1. Give the following information:
    - Your name.
    - Your call-back phone number
    - Exact street location with the nearest cross street.
    - Nature of incident.
    - Number and location of people involved and/or injured.
    - Notify the Superintendent's Office.
    - Evacuate involved buildings using fire drill procedures.
    - Principal's permission to evacuate the entire site.
    - Implement a systematic inspection of the facilities to determine if everyone is out.
    - Fire Department or Police Officers shall organize a search team to check for suspicious objects; a bomb can be disguised to look like any common object.
    - Site employees should be ready to assist as needed.
    - Maintain an open telephone line for communications.
    - Secure all exits to prevent re-entry to buildings during the search period.
    - Be certain people stay clear of all buildings; a bomb(s) may be planted against an outside wall. The blast will be directed in large part away from the building.
    - Re-occupy buildings only when proper authorities give clearance

Bomb Threat Procedures and Checklist:

BOMB THREAT CALL PROCEDURES

Most bomb threats are received by phone. Bomb threats are serious until proven otherwise. Act quickly, but remain calm and obtain information with the checklist on the reverse of this card.

If a bomb threat is received by phone:

2. Listen carefully. Be polite and show interest.
3. Try to keep the caller talking to learn more information.
4. If possible, write a note to a colleague to call the authorities or, as soon as the caller hangs up, immediately notify them yourself.
5. If your phone has a display, copy the number and/or letters on the window display.
6. Complete the Bomb Threat Checklist (reverse side) immediately. Write down as much detail as you can remember. Try to get exact words.
7. Immediately upon termination of the call, do not hang up, but from a different phone, contact FPS immediately with information and await instructions.

If a bomb threat is received by handwritten note:

- Call _____
- Handle note as minimally as possible.

If a bomb threat is received by email:

- Call _____
- Do not delete the message.

Signs of a suspicious package:

- No return address
- Excessive postage
- Stains
- Strange odor
- Strange sounds
- Unexpected delivery
- Poorly handwritten
- Misspelled words
- Incorrect titles
- Foreign postage

Homeland Security

Airborne Contaminants

Background

A comprehensive study conducted by the US EPA's National Homeland Security Research Center (NHSRC) has validated the effectiveness of the US Department of Homeland Security's guidelines for creating safe havens to protect against hazardous airborne releases during emergencies.

These guidelines include:

- Securing doors and windows
- Closing air vents
- Turning off HVAC systems
- Seeking shelter in an interior room with minimal windows
- Sealing windows, doors, and vents with plastic sheeting and duct tape

By following these guidelines, sheltering in place can be up to 500 times safer than remaining outside under certain conditions.

For safe sheltering in place, it's recommended to allocate at least 10 square feet of floor space per person in the sealed room. Occupants should minimize physical activity to keep breathing rates low. If the room is properly sealed following DHS guidelines, it's safe to stay inside for approximately three hours. However, individuals with pre-existing respiratory issues may need to exit sooner. Keep in mind that weather conditions and geography can impact the movement of airborne contaminants, affecting decisions on:

- Whether to shelter in place or evacuate
- When to enter the shelter
- When to exit the shelter

General Procedures

a. Notify Crete Academy Administration
b. Turn off all fans, close the windows and doors, shut down the building's air handling system.

Emergency Response Team Responsibilities (Incident Command)

- Immediately direct staff to remove students to shelter in place. Utilize classrooms, offices, and other rooms within the school with the fewest number of windows (if possible).
- Instruct staff to lock all doors, close windows and air vents.
- Direct School Emergency Response Team members (search & rescue, police/fire/medical coordinator) to turn off fans, air conditioning and forced heating systems.

- Take emergency supplies kits unless you have reason to believe it has been contaminated.
- Instruct all staff members to seal all windows, doors and air vents with plastic sheeting and duct tape. Consider measuring and cutting the sheeting in advance to save time.
- Be prepared to improvise and use what you have on hand to seal gaps so that you create a barrier between yourself and any contamination.
- Local authorities may not immediately be able to provide information on what is happening and what you should do. However, you should watch TV, listen to the radio or check the Internet often for official news and instructions as they become available
- Call 911
- Contact Crete Academy Administration.

Wildfires in California

California, home to six national forests and vast desert areas, is prone to widespread wildfires. The state's national forests include:

- Apache-Sit greaves (East-Central CA): 2 million acres, 450 miles of rivers and streams (managed as one forest)
- Coconino (North-Central CA): 1.8 million acres, elevations up to 12,643 feet (highest peak in CA), featuring Oak Creek Canyon in Sedona
- Coronado (Southern CA): 1.7 million acres, elevations from 3,000 to 10,000 feet, with 8 wilderness areas
- Kaibab (North-Western CA): 1.6 million acres, elevations from 5,500 to 10,418 feet, with 4 wilderness areas
- Prescott (Central CA): 1.25 million acres, with 8 wilderness areas
- Tonto (Central CA): 3 million acres, elevations from 1,300 to 8,000 feet, with 8 wilderness areas, ranking among the top 10 most visited forests in the nations.

While wildfires are unlikely to directly affect major cities like Phoenix and Tucson, they can still have indirect consequences on these metropolitan areas.

Air quality

Wildfire smoke can pose a significant health risk to many individuals, particularly those with respiratory issues. During wildfire season, smoke can travel vast distances, so it's crucial to stay informed about fires burning in California if you have health concerns. Authorities will typically issue advisories when air quality is hazardous. Additionally, wildfires have far-reaching economic impacts, including the costs of firefighting, increased insurance rates, and a decline in summer tourism in California. Furthermore, forest fires also have devastating environmental consequences, resulting in loss of habitat and ecosystem disruption

Smoke can be hazardous to many people, and it can drift very far during wildfire season, if you have respiratory problems, make sure you keep current on any wildfires burning in California. Authorities will generally let you know when there are advisories for smoky air.

For updates on the wildfires, click on this link and then select the California Fire Management Daily Activity Report for the latest information.

www.azsf.az.gov/fire management (current fire information/wildfire situation reports as soon as possible.

Shelter-in-place

Shelter in Place may be directed should there be a danger in the community that could present a danger to the school community or a situation at the school that could harm students or staff if they are outdoors. Incidents could include airborne contaminants, wild fire, gas leaks, chemical spills.

When instructed or when an alerting system triggers a Shelter in Place:

- SHELTER, go inside the nearest building or classroom and remain there. Lock the door. You are looking for enclosed protection from the outside. Teachers should quickly check halls and get students into classrooms. Teachers will keep all students in the classroom until the emergency is resolved or directed to evacuate by the Principal and/or Public Safety Responders.
- SHUT, Close all doors and windows. The tighter and more complete the seal the better. Close as many windows and doors between the outside and your shelter-in-place room as possible.
- LISTEN, remain quiet to hear critical instructions from school officials.
    - If there is no direction, continue instructional/work activities until the situation resolves or you are directed to do otherwise

Additional Steps for Teachers and Staff if Appropriate:

- Advise students to cover their mouth and nose with a damp cloth or handkerchief to protect from any airborne hazards.
- A school official (or student if no official present) should close all vents and turn off ventilation systems. The goal is to keep inside air in and outside air out. Air conditioners and heating systems bring outside air in.
- Turn off all motors and fans. Still, non-moving air is best. Turn off anything that creates wind, generates extra heat, or could generate sparks.
- Advise students to remain sheltered until the “all-clear” signal is given by a school or local official

Power Outage

Emergency Action Plan (Unplanned Power Outage)

The classification of unplanned power outages depends on several factors (expected duration of outage, time of day, time of year, etc…). In general, unplanned power outages can be broken down in terms of severity and probable emergency actions, as follows:

- **Level 1 Outage**—those that involve minor impacts to individual rooms or small building, for periods usually not exceeding 1 day. Emergency actions typically include the temporary relocation of directly affected personnel (as necessary) until repairs can be made by Physical Plant.
- **Level 2 Outage**—those that involve impacts to a small number of buildings for periods exceeding 1 day, or where the outage impairs life safety or heating system needs. Assuming the needs of displaced or impacted personnel can be met on campus, emergency actions typically include the temporary relocation of students in affected buildings to other on-campus facilities, and employees being given alternative work assignments or sent home until repairs can be made by Physical Plant.
- **Level 3 Outage**—those that involve multi-day or multi-building impacts, where the outage impairs life safety or heating system needs. Assuming the needs of displaced or impacted personnel cannot be met on campus, emergency actions typically include the temporary relocation of students in affected buildings to other off-campus facilities, and employees being given alternative work assignments or sent home until repairs can be made by Physical Plant or the utility supply vendor.

During any given year, schools may experience a power failure at various locations ranging from a few minutes to several days. Typically, we do not close school unless there are compelling reasons to do so.

Classrooms are equipped with emergency supplies, flashlights, and walkie-talkies. In most short-term power outage situations, there is adequate light from windows and emergency lighting, as well as warm enough conditions for instruction to continue. Teachers are prepared to cope with a short-term power failure and will continue their regular curriculum and/or appropriate substitute assignments.

PREPARING FOR AN OUTAGE

- Find out that when power is lost, do emergency lights go on and do the "Exit" signs remain lit?
- Determine availability of portable lighting at site, i.e. flashlights & batteries.
- Clear away materials and boxes from hallways and pathways.
- Conduct a survey of your site for the classrooms and offices with no windows and prepare relocation plans.

- Plan alternative communication methods that suit your site, such as runners, cell phones, or radios.
- Have flashlights & replacement batteries available for the restrooms and other locations with no windows.
- Use surge protectors for all computer equipment, major appliances and electronic devices.
- If you have electric smoke detectors, use a battery-powered smoke detector as a back-up.

DURING AN OUTAGE

- CONTACT MAINTENANCE & OPERATIONS IMMEDIATELY IF YOUR SITE IS EXPERIENCING A BLACKOUT.
- If an outage lasts more than 30 minutes, have pre-designated people walk through the campus and check on the status of individuals in each building.
- DO NOT USE candles or gas lanterns.
- Turn off PCs, monitors, printers, copiers, major appliances and lights when not in use or not needed.
- Shut off lights in unoccupied rooms.

The rolling outages should not last more than two hours and, with some preparation, business can be conducted as close to normal as possible.

If a power outage is prolonged, the principal should contact Crete Academy Administration for directions (release students/staff, evacuation to another site, etc.).

Suspension and Explosion

California Education Code 48900 EC grants public schools the authority to suspend or recommend expulsion for students who engage in violent crimes, drug or weapon possession, theft, bullying, hazing, obscene behavior, threats of physical harm, or property damage.

Crete Academy - School Wide Discipline Plan

At Crete Academy, we believe that discipline is not about punishment, but rather about behavior adaptation, redirection and the development of personal accountability. Students experience various developmental stages during the growing years. The school community is an informed community, which promotes among its staff, an understanding of age- appropriate behaviors. In order to support personal responsibility and positive social interactions school-wide, Crete Academy has developed a school wide plan for positive behavior intervention and support. Together, students, staff, and families will build a foundation that students will need in order to function harmoniously throughout the school day with their peers and teachers. The effectiveness of the school-wide plan requires the participation and support of all staff members and families. In order to be truly effective, there must be continuity in the home environment.

Components of CRETE ACADEMY's DISCIPLINE Plan

Crete Academy Discipline Plan

School Wide Expectations:

Crete Academy is instituting a school wide behavior expectation plan that focuses on a student first approach. Our staff is committed to serving our students with the finest performance character education possible. The Crete staff will exhibit and teach these desired behaviors and attitudes through the Crete Core Value System.

We expect students to exhibit high Character in all that they do, take Responsibility for their actions, appreciate everyone's differences and treat them Equally, approach each day with a Teachable growth mindset, while demonstrating Excellence at all times.

The enclosed chart provides the specific behaviors that students must exhibit while they are in the office, hallways, and bathrooms, assemblies, eating areas and on the playground. To create a productive and safe learning environment for all learners, it is also important to have clear policies and consequences for behavior that is not consistent with good citizenship or interferes with the creation of a positive and safe learning environment. Students who do not adhere to the expectations and/or who violate them repeatedly may expect consequences for their behavior, including but not limited to the following:

- Warnings
- Loss of privileges such as time outs, detentions, restrictions from field trips and student activities
- Notices to parents/guardians by telephone or letter Request for parent conference
- Suspension
- Expulsion

Discipline Policy

Crete Academy will create a safe, peaceful and nurturing environment where learning is paramount. To achieve this, we have adapted the LAUSD Discipline Foundation Policy adopted by the district in February 2007. With the guiding principles of the policy as a foundation, teacher leaders and administration have crafted a formal discipline policy with an effective school-wide positive behavior support system.

Crete Academy teachers and staff members will engage in conscious classroom management strategies to ensure scholarly student behavior and on task learning each day. Professional development will be provided before school begins each summer with ongoing opportunities for additional techniques. It is the goal of Crete Academy to have at least 95% of all students in school, every day, because the environment is conducive to learning. We will also develop a tiered approach to ensuring that the emotional and social needs of students are met through universal, selected and intensive strategies.

At Crete Academy, we will make every effort to avoid suspensions and expulsions, but in the event a suspension or expulsion is necessitated, all state and federal laws pertaining to suspensions and expulsions will be upheld. Students who present an immediate threat to the health and safety of others will be suspended or expelled. A written remediation plan will clearly describe progressive discipline measures, grounds for suspension and expulsion, minimum/maximum number of consecutive days of suspension, notification process to parents of suspension, reasons for suspension, appeal process, and provision for student's education while suspended.

Grounds for Suspension & Expulsion

A student shall not be suspended from school or recommended for expulsion unless the Chief Executive/Academic Officer or Dean of Students of Crete Academy determines that the student has:

While on school grounds;

- While going to or coming from school.
- During lunch period, whether on or off the school campus; or
- During, or while going to or coming from, a school-sponsored activity,
- Caused, attempted to cause, or threatened to cause physical injury to another person.
- Willfully used force or violence upon the person of another, except in self- defense.

Process for Suspension and/or Expulsion

Notice to Parents

Parents and students will have due process rights with regards to suspensions and expulsions. At the time of a student's suspension, the Dean of Students ("DS") shall make a reasonable effort to contact the parents by telephone or in person. Initial contact will be followed by written notice. This notice will state the specific offense committed by the student. In addition, the notice will also state the date and time the student may return to school.

Informal Conference

An informal conference conducted by the Chief Executive/Academic Officer ("CEO") and/or DS will be held, with the student and the student's parent to discuss the circumstances relevant to the suspension. This conference may be omitted if the CEO and/or DS determine that an emergency exists. An emergency involves a clear and present danger to the lives, safety or health of students or school personnel. If the student is suspended without a conference, the parents will be notified of the suspension and a conference will be conducted when the parent comes to pick up the student from school. If the school is unable to reach a parent or guardian after all avenues are exhausted, a notice may inform the parents that they are required to respond without delay.

Determination of Length of Suspension

The CEO will determine the length of the suspension and/or DS based on the severity of the offense(s), as evidenced by witness statements, physical evidence, and other relevant factors. The length of suspension for students may not exceed a period of 5 consecutive school days unless the suspension is extended pending an expulsion hearing. A student may be suspended from school for not more than 20 school days in any school year; this restriction on the number of days of suspension does not apply, however, when the suspension is extended pending an expulsion.

Arrangements shall be made to provide the student with classroom material and current assignments to be completed at home during the length of the suspension or pending an expulsion hearing. These materials will include in-class written assignments and homework; however, any written assessments missed by the student must be made up within a reasonable amount of time, determined by the teacher, if and when the student returns to his/her classroom.

Recommendations for Expulsion

If the CEO and/or DS recommends expulsion, the student and the student's parents will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing conducted by an Administrative Panel. The CEO and/or DS will make this determination upon either of the following findings:

- The student's presence will likely be disruptive to the educational process.

- The student poses a threat or danger to others.

Upon this determination, the student's suspension will be extended pending the results of an expulsion hearing.

Expulsion Hearing

Students recommended for expulsion will be entitled to a hearing before an Administrative Panel to determine whether or not the student should be expelled. Unless postponed for good cause, the hearing will be held within 30 days after the CEO and/or DS determines that the student has committed an expellable offense. A student may be expelled following a hearing before an Administrative Panel to be assigned by the Board. The Administrative Panel will consist of 3-5 certificated administrators from other charter schools or teachers from the school site who are not teachers of the pupil or teachers involved in the incident, and 1-2 Board members of the Charter School Board of Directors. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the Pupil makes a written request for a public hearing three (3) days prior to the hearing. Written notice of the hearing will be forwarded by the CEO/DS to the student and the student's parents, by email and certified mail, at least 10 calendar days before the date of the hearing. This notice will include:

- The date and place of the hearing.
- A statement of the specific facts, charges and offense upon which the proposed expulsion is based.
- A copy of the disciplinary rules that relate to the alleged violation.
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment.
- Notice of the opportunity for the student and/or the student's parents to appear in person at the hearing.
- Notice of the opportunity for the student to be represented by legal counsel or a non- attorney advisor.
- Notice of the right to examine and acquire copies of all documents to be used at the hearing.
- Notice of the opportunity to confront and question all witnesses that testify at the hearing; and
- Notice of the opportunity to question all evidence presented and to present oral and documentary evidence and witnesses on behalf of the student.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Crete Academy may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the CEO and Administrative Panel.

Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

- The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to receive a five-day notice of his/her scheduled testimony,
- have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and elect to have the hearing closed while testifying.
- Crete Academy must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
- At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The person or panel conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The person or panel conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person or panel presiding over the hearing from removing a support person whom the presiding entity finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
- If one or both of the support persons is also a witness, Crete Academy must present.
- Evidence that the witness 'presence is both desired by the witness and will be helpful to Crete Academy. The person or panel presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person or

panel conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. If the Board of Directors decides not to expel, the pupil shall immediately be returned to his/her educational program.

Written Notice to Expel

The CEO or administrative designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Director's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- Notice of the specific offense committed by the student;
- Notice of appeal rights/procedures
- Notice of the student's or parent/guardian 's obligation to inform any new district in which the student seeks to enroll of the student 's status with the Charter School; Notice of any appeal options; information about alternative placement options; the reinstatement eligibility review date and a copy of the Rehabilitation Plan.

Upon expelling any student, Crete shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Crete's policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:

    - Was the misconduct caused by, or directly and substantially related to the student's disability?
    - Was the misconduct a direct result of Charter School's failure to implement 504 Plan?

Notwithstanding the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

Appeals Process

Parents/Guardians may appeal the expulsion decision of the Administrative Panel by making a written request and submitting it to the Board within fifteen (15) school days of the expulsion decision. The student will be considered suspended until a Board meeting is convened [within thirty (30) days] at which time the parent(s)/guardian(s) (or student aged 18 or over) must attend to present their appeal. Hearing procedures will be substantially similar to those offered during the original hearing. Reasonable accommodations will be made, and language support offered, for students and parents/guardians who wish to appeal. Following the appeal hearing, the Board will make a final decision based on the information presented at the appeal hearing by the parent(s)/guardian(s) (or student aged 18 or over) and information from the original expulsion hearing. The Principal or designee will send written notice to the student or parent/guardian of the Board's decision within seven (7) calendar days of the appeal hearing. The Charter School Board's decision to uphold the administrative panel's decision to expel shall be final. If the Board overturns the expulsion, the pupil shall immediately be returned to his/her educational program.

Discrimination and Harassment

Unlawful Harassment Policy

It is the policy of Crete Academy to ensure equal employment opportunity without discrimination or harassment on the basis of race, color, religion, sex, sexual orientation, age, disability, marital status, citizenship or any other characteristic protected by law. Crete Academy prohibits any such discrimination or harassment. It is Crete Academy's mission to provide a professional work and learning environment free of harassment, that maintains equality, dignity, and respect for all. It is a violation of this policy for any student, teacher, administrator or other employee of Crete Academy to harass a student, teacher, administrator, or other employee through conduct or communication. This policy applies to all applicants and employees, whether related to conduct engaged in by fellow employees or someone not directly connected to Crete Academy (e.g., an

outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings and business-related social events.

What is Harassment?

Harassment can take many forms. As used in the CSSP, the term “harassment” includes:

a. Offensive remarks, comments, jokes, or slurs pertaining to an individual’s race, religion, sex, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status defined by law.
b. Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors, regardless of the gender of the individuals involved.
c. Offensive physical conduct, including touching, regardless of the gender of the individuals involved, including threats of harm, violence or assault.
d. Offensive pictures, drawings, photographs, or other communications, including email.
e. Threatening reprisals of an employee’s refusal to respond to requests for sexual favors or for reporting a violation of this policy.
f. Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
    - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment.
    - Submission to, or rejection of, such conduct by an individual is used as a basis of employment decisions affecting such individuals.
    - Such conduct has the purpose or effect of substantially interfering with the individual’s work performance or creating an intimidating, hostile or offensive working environment.

Responsibility

All Crete Academy students, staff, and administrators have a responsibility for keeping their work and educational environment free of harassment.

Reporting

Crete Academy encourages reporting of all actual or perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. However, Crete Academy cannot resolve a harassment claim that has not been reported. Employees are responsible for reporting claims to the school, and the school in turn will take any and all necessary steps to address the employee’s concerns. Individuals who believe that they have been the victim of such conduct should discuss their concerns with their immediate supervisor, and/or the school administration. In addition, Crete Academy encourages individuals who believe they are being subjected to such conduct promptly to advise the offender that their behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. Crete Academy recognizes, however, that an individual may prefer to pursue the matter through informal or formal complaint procedures. Every effort will be made to keep such reports as

confidential as possible, although it is understood that an investigation will normally require the involvement of third parties.

Investigation/Complaint Procedure

All complaints of harassment will be promptly investigated. If the investigation substantiates the accusations, the appropriate corrective action will be taken. This may include, but is not limited to, reprimand, suspension, or dismissal, depending on the nature and severity of the offense. Additionally, appropriate action will also be taken in the event the accusations are intentionally false or malicious in intent.

Informal Procedure

If for any reason an individual does not wish to address their offender directly, or if such action does not successfully end the offensive conduct, the individual should notify their immediate supervisor and/or the Office Manager who may, if the individual so requests, talk to the alleged offender on the individual's behalf. In addition, there may be instances in which an individual seeks only to discuss matters with one of the school's designated representatives, and such discussion is encouraged. An individual reporting harassment, discrimination or retaliation should be aware; however, that Crete Academy may decide it is necessary to take action to address such conduct beyond an informal discussion. This decision will be discussed with the individual. The best course of action in any case will depend on many factors and, therefore, the informal procedure will remain flexible. Moreover, the informal procedure is not a required first step for the reporting individual.

Formal Procedure

As noted above, individuals who believe they have been the victims of conduct prohibited by this policy statement, or believe they have witnessed such conduct, should discuss their concerns with their supervisor, school administrator or the Director of Human Resources. Crete Academy encourages the prompt reporting of complaints or concerns so that rapid and constructive action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality and discretion will be maintained throughout the investigation process to the extent consistent with adequate investigation and appropriate corrective action. Misconduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, or termination as Crete Academy believes appropriate under the circumstances. If a party to a complaint does not agree with the school's resolution, that party may appeal to the Crete Academy Managing Director of Operation or Director of Human Resources. False and malicious complaints of harassment, discrimination or retaliation as opposed to complaints which, even if erroneous are made in good faith, may be the subject of appropriate disciplinary action.

Retaliation

Retaliation against an individual for reporting harassment or discrimination or for participating in the investigation into a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

Conclusion

This policy was developed to ensure that all employees can work in an environment free from harassment, discrimination and retaliation. Crete Academy will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has any questions or concerns about these policies may speak with their supervisor or the Director of Human Resources. Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of Crete Academy prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges, and prerequisites of employment. The prohibitions against harassment, discrimination, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

Cyberbullying

Crete Academy expects its students to use all electronic communication methods in a responsible, ethical, and legal manner in order to ensure that offensive, harassing, or other communication jeopardizing the integrity of Crete Academy has not been made available to other students. By accepting the invitation to Instant Message with others, students are agreeing that they will use Instant Message properly for school-related purposes only, will communicate with faculty and students appropriately, and will not take part in cyberbullying or any other forms of harassment. While communicating via email or in Live Sessions, students are agreeing that they will use the email or chatting properly for school, will communicate with faculty and students appropriately, and will not take part in cyberbullying or any other form of harassment. Harassment and cyberbullying of or by students or teachers will not be tolerated in any environment. Harassment is defined as unwanted conduct based on protected class (e.g., race, color, national origin, religion, gender, age, disability, or sexual orientation). Cyberbullying, otherwise known as electronic bullying, is defined as the use of electronic communications to bully others (via email, chat rooms, instant messaging, cell phones, threaded discussions, websites, or through other forms of electronic communication). “Unwanted conduct” includes but is not limited to: threats, insults, verbal abuse, racial slurs, or any other hostile communications designed to cause harm to others. “Offensive content” includes, but is not limited to: sexual comments or images, racial slurs, gender-specific comments, or any comments that would offend someone on the basis of age, race, sex, color, religion, national origin, handicap, disability, or veteran status. Harassment

and cyberbullying are actions that interfere with school success and/or create a hostile environment and will not be permitted. The use of offensive content motivated by unwanted conduct will hereafter be referred to as “abusive communication.”

Steps for Students to Follow

Students who believe that they are victims of cyberbullying or harassment should follow the steps below:

- Do not respond to the person engaging in the alleged harassment or cyberbullying.
- Document specific instances of alleged cyberbullying or harassment (i.e., keep a record of abusive correspondences and save the documents or communications).
- If the abusive communication is from another student and occurs as part of coursework (i.e., as part of any class activity such as a threaded discussion, live session, or group assignment), report the situation to the teacher and send the teacher the documentation.
- If the abusive communication is from another student and occurs in any other school setting (i.e., not as part of a specific class), report the situation to the Guidance Counselor and send the Guidance Counselor the documentation.
- If the abusive communication is from a staff member, report the situation to the School Principal.
- If the abusive communication is from a school administrator, report the situation to the Managing Director of Operation who will report it to the Chief Executive Officer

Administrative Action Plan

When a student reports an incident of cyberbullying or harassment to a teacher:

- The teacher will collect and review documentation if the abusive communication occurs as part of coursework.
- The teacher will discuss the incident with the accused student and decide if the incident warrants a loss of points in the course and/or referral to a school administrator. This will depend on the severity of the incident and if this is a first time or repeat offense. Records of the actions taken will be appended to the student’s electronic file.
- The teacher will warn the student about possible expulsion for repeated offenses.
- The teacher will arrange a parent conference to discuss the matter.
- If the student is referred to a school administrator, the student may be a candidate for expulsion.

When a student reports an incident of cyberbullying or harassment to a Guidance Counselor:

- The Guidance Counselor will collect and receive documentation if the abusive communication occurs in any other school setting (i.e., not as part of a specific class).
- The Guidance Counselor will discuss the incident with the accused student and decide if the incident warrants referral to the School Principal. This will depend on the severity of the incident and if this is a first time or repeat offense. Records of the actions taken will be

appended to the student's electronic file. When a student reports an incident of cyberbullying or harassment by a staff member to the School Principal or Chief Executive Officer that person will discuss the incident with the accused and will take necessary actions to address the complaint.

Disciplinary Action

Students engaging in harassment or cyberbullying:

- may lose points for coursework.
- will have a parent conference scheduled to discuss the matter.
- will receive a warning about possible expulsion for a repeated offense.
- will be candidates for expulsion dependent on the severity or frequency of the offense.

Staff Member Responsibilities Regarding Harassment or cyberbullying:

- The School Principal or designee shall ensure that staff receive appropriate training to recognize hate-motivated behavior and methods of handling such behavior in appropriate ways.

Dress Code

DRESS CODE POLICY

The Crete community, including parents and staff, have come to a consensus that implementing uniforms would have a positive impact on students, families, and the community as a whole. Uniforms foster a sense of unity and teamwork, emphasizing the importance of character and achievement over material possessions. Research has shown that well-implemented uniform policies promote discipline, pride, and a sense of belonging, while reducing peer pressure and jealousy. Although state law prohibits us from mandating uniforms with the Crete logo due to funding constraints, we strongly encourage students to showcase their school spirit by wearing attire featuring the logo.

• White or Grey polo • Navy blue cotton twill pants * Navy blue shorts or skirts. • Navy blue plaid pleated skirt with shorts underneath (heather plaid) • Dark (Black, brown, blue) Shoes with flat, rubber soles – NO OPEN TOED SHOES • No sweats or jeans (Jeans acceptable on College Day w/College shirt/sweater • No layered shirts over shirt – all shirts worn under the required white or grey. Undershirts MUST be white, or a complimentary color Prefer navy blue, or white jackets, sweaters or sweatshirts.	

In addition to the above, please note that the following expectations are part of our dress code policy:

- All pants, shorts, skirts, and skorts will be worn at the waistline and secured to prevent any sagging. Shirts must be tucked in at the waistline.
- All shorts, skirts and skorts will be worn at the appropriate length, no more than 2” above the knee.
- Students should refrain from wearing any hats, bandanas, scarves, caps, gloves or string belts. Headgear or accessories worn as part of a religious practice are permitted. * All earrings must be small posts (hanging earrings, large zirconia or diamonds are not acceptable).
- Haircuts and hairstyles must not be distracting to the learning environment, as determined by the school administration.

DRESS CODE VIOLATIONS

When a child is not dressed according to code, he or she will be required to change and/or make adjustments before entering the classroom. Parents will receive a “Dress Code Violation” notice each time the child is not adhering to the dress code. The notice should be returned to the school with the parent’s signature. If this becomes a habitual problem, the Crete Staff will hold a meeting with the child and his/her parent to determine a resolution that remains beneficial to the entire Crete family.

General Prohibited Apparel

No student may wear articles of clothing, jewelry, paraphernalia, hair styles, nails or accessories which pose a threat to the physical and/or emotional well-being and safety of the student or others on campus or at school activities. All students shall wear shoes at all times.

Crete Academy in collaboration with the Parent Leadership Advisory Council has established a mandatory uniform policy. **The Uniform Compliance Policy will be strictly enforced**. There will be uniform sales at the beginning of the year and several times during the year. If there are special circumstances regarding the uniform enforcement, please speak to an administrator.

(Education Code 35294.1)

- The staff member(s) who notice the violation shall bring it to the attention of the school leader or designee, who will determine if action is required to ensure a safe, hazard –free educational environment.
- If it is determined that the student's dress code violation poses a threat to the safety and wellbeing of the student population or the student themselves, the student shall be quietly asked to step outside the learning environment, wherein they will be informed of the dress code violation.

It is recommended that schools identify the location of potential evacuation sites based on the potential circumstances that may cause movement/relocation of the school population in the event of an emergency.

- At elementary schools, encourage parents to walk their children to school
- Inform students, staff and parents of designated student drop-off and pick-up points, and safety procedures to be observed whenever there are moving vehicles in or around the school. This information should be distributed to students and parents at the start of the school year. This information should be distributed to students and parents at the start of the school year

Visitor to school campuses policy

Policy Statement

Crete Academy is committed to providing a safe and secure learning environment for all of its students and staff. The following guidelines are intended to ensure the safety of our school community, monitor movement within our school campuses, and minimize disruption to the educational and learning processes.

Visitor Check-in Procedures

- Upon entering campus, all visitors must check-in at the school's main office where they must present a valid identification card.

- All visitors will be given a Visitor's Pass, which they must wear during the entire duration of the visit. Individuals on campus who are not wearing a Visitor's Pass will be immediately escorted out.
- All visitors must return to the main office and check-out when leaving the school. Visits to school premises may be prohibited at certain times (i.e. during standardized testing), as deemed necessary by the School Principal. In such instances, school administrators will provide prior parent notification, indicating dates, times, and any reason(s) why school visitors will not be allowed.

Background Check

At Crete Academy, we prioritize the safety and well-being of our students. Therefore, all employees, vendors, counselors, social workers, and anyone who interacts with our children are required to undergo a thorough registration process. This includes providing proof of a negative TB test result and undergoing a background check through the Department of Justice (DOJ). This ensures that our students are surrounded by trusted and cleared individuals who can provide a safe and supportive learning environment.

Visitor's Conduct

All visitors must follow school rules and model appropriate behavior. All visitors must be respectful to school staff, students, other parents/guardians and volunteers during all visits, meetings, and events. In keeping with our student dress code, visitors should present themselves in a mature and sensible manner during any school visits, meetings, and events. Correspondingly, school personnel will ensure that all visitors are courteously received and that sincere efforts are made to provide visitors with assistance.

Parents/guardians are welcomed to express any questions and concerns, provided that it is done in a calm, logical, and respectful manner. Rude, lewd, or hostile behavior (such as yelling, name calling, or threats, etc.) is counterproductive in resolving issues and will not be tolerated from visitors. Visitors who willfully violate the code of conduct, school rules and policies, interfere with the discipline, order or activity with the intent to disrupt, obstruct, or inflict damage to property or cause bodily injury upon anyone, may be asked to leave and will be restricted from entering school premises in the future.

Prohibited Behavior by School Visitors on Crete Academy Campuses

- Use of profanity and being disrespectful to any school staff, student, or parent/guardian.
- Being hostile or intimidating to any teacher, staff, student, or parent/guardian.
- Assault and/or battery of school staff, student or parents/guardian.
- Fighting on or near school campus.
- Unlawful possession and/or being under the influence of any illicit drug(s) or alcohol while on school campus
- Unlawful possession of any weapons on school campus

- Any acts of vandalism
- Inciting an unlawful riot or public disturbance.

Adults and minors over 16 years of age who enter a school campus and fail to adhere to the aforementioned guidelines may be reported to the appropriate police agency and may be subject to criminal charges.

Emergency Lock-Down

Visitors will not be allowed to enter the school during an Emergency Lock Down situation. During such an event, visitors inside of the school must remain inside of the classroom or take shelter in the nearest classroom. Visitors must follow instructions provided by school personnel.

Parent/Guardian Classroom Observations

Parent/guardian involvement is highly encouraged at all Crete Academy campuses. One way for parents/guardians to become involved in their child's school is by conducting a classroom observation. A classroom observation is a planned or unplanned classroom visitation of no more than 20 minutes that allows parents/guardians to observe their child in their learning environment. If a parent/guardian would like to observe for longer periods of the school day, they must first make an appointment with the office manager and obtain approval from the School Principal. Unless proof of a court order that restricts contact with the student has been provided to the school's office, both custodial and non-custodial parents have rights to visit their child's school.

It is very important that parents/guardians adhere to the following regulations when conducting a classroom observation:

- Parents/guardians must first report to the school's main office before proceeding to the student's classroom.
- Other family members/visitors will not be allowed to accompany parents/guardians in the classroom observations. Please make childcare arrangements ahead of time, as small children are not allowed in the classroom observation.
- Parents/guardians must ensure cell phones and electronics are turned off or put in silent mode before entering any classroom.
- Parents/guardians must enter and leave the classroom quietly.
- Parents/guardians cannot speak with the teacher or students during class time.
- Parents/guardians cannot stay longer than the allotted 20 minutes without the School Principal’s permission.

Tips on How to Implement a Safe Learning Environment in Your Classroom.

1. **Hold a Regular Morning Meeting.**
   The morning meeting model is a classroom practice where teachers begin each day with a class-wide gathering designed to address the emotional needs of learners. Adding a morning meeting to your class schedule helps set the tone for yourself and your students, creates feelings of trust, helps students feel important, inspires empathy and collaboration between students, and supports emotional and academic learning.

2. **Provide a Safe Space for Students.**
   The classroom should be a 100% safe space for all students. Some of your students might come from tumultuous home environments and school is one of their few escapes, which is why it's important that you make it the haven those students need. One way to do this is by diligently monitoring for bullying and extinguishing every instance. That way, all students can feel comfortable and empowered to learn and express themselves.

3. **Adapt to Each Class: One Size Doesn't Fit All**

It's no secret that the school system favors some learning styles over others. In a world of vast learning experiences, you have the responsibility and privilege to meet your students' needs. An effective way to approach this is simply by asking your students how they would prefer to learn. Offering a choice rather than providing a one-size-fits-all method is important to catering to different learning styles.

4. **Develop a Culture of Representation**
   Students come in all colors, shapes, and sizes—and they all deserve to feel a sense of belonging in the classroom. Historically, marginalized groups of students have been underrepresented and underserved in academic spaces, which has resulted in lower graduation rates. If you create a culture of diversity, inclusion, and belonging in your classroom, you can set each and every one of your students up for success.

5. **Celebrate Achievements and Work on an Asset Model**
   The asset model values students for what they bring to the classroom rather than characterizing them based on what they're missing or need to work on. Implementing this approach in your classroom means celebrating your students' big and small wins alike. Positive reinforcement is also a big component of this classroom approach. By praising your students' strengths, you help build their confidence over time.

6. **Build Trusting Relationships**
   It's very important to create trusting relationships with your students. A study by the American Psychological Association found that teachers who forge positive relationships with their students create a classroom atmosphere that encourages learning and better meets students' developmental, emotional, and academic needs. Providing positive reinforcement and celebrating your students' unique qualities through the asset model helps build these trusting relationships.

7. **Read and Write with Your Students**
   The more you read and write with your students, the more vocabulary they'll learn and the better they'll be at communicating. Studies show that students with advanced reading and writing skills are better at critical thinking and have access to more opportunities. Prioritizing these things in your curriculum will give your students the ability to solve interpersonal problems and express themselves for a lifetime.

8. **Create a Judgment-Free Zone**
   It's important to shape your classroom into a judgment-free zone so that students can focus on learning instead of worrying about being accepted by their classmates. You should carve out time every week for ice breakers and open discussions for students to get to know each other.

9. **Incorporate Music**

The benefits of incorporating music in your lesson plan are numerous. When used in the classroom, it's been shown to reduce anxiety and stress, help students regulate their emotions, improve focus, and help children process language.

10. **Smile Often**

As the teacher, you'll have students look to you for reassurance and guidance. When you make a point to smile, it can give students a sense of ease and make them feel safe. Smiling also makes you more likable, which can assist in building trusting, positive relationships with your students.

11. **Create Supportive Classroom Environments**

Creating supportive educational environments provides the foundation for emotional, physical, and academic wellness. You should collaborate with students to brainstorm parameters for creating a supportive, active learning environment. When students can rely on you to uphold this kind of environment, they can focus on learning and freely expressing themselves.

12. **Stay Calm**

There are many instances where the classroom environment can get hectic or stressful. One common example is when two students get into a heated argument. It's important that you help resolve the conflict between students calmly so that the two students can de-escalate and other students don't get upset by the situation. As with all other moments in the classroom, your demeanor will set the tone.

13. **Respect Differences**

You can respect the differences of your students by treating each of them fairly and acknowledging their unique needs. If you must reprimand a student, do it in private so as not to embarrass or humiliate the student in front of their classmates. Also be aware of the spectrum of cultures represented in your classroom, so you can respect your students accordingly. As the leader of the classroom, you can provide cues to your students by modeling respectful language when speaking to and of students.

14. **Respect Their Space**

Everyone has a different personal bubble. To err on the side of caution, be sure to keep a safe physical distance from each of your students and allow them to define their personal space. You should also practice respecting their privacy. Some students will feel more comfortable sharing their personal details than others.

15. **Make Mistakes a Learning Opportunity**

As the teacher you have the power to frame your students' mistakes as learning opportunities. By painting mistakes in a positive light, you remove the shame from making errors, which empowers your students to learn. When a student makes a mistake, you

should go over what went wrong and provide the student with resources, knowledge, and tools to improve.

By creating a positive and trusting classroom environment, teachers can provide their students the safety and support they need for academic, personal, and professional development.

Health and Safety

Public Health Emergency

A public health emergency involves a large-scale emergency need for medical health care services, often for an influenza outbreak or other infectious disease that affects a school community. During a suspected public health emergency, the principal or designee will consult with the Crete Academy Home office.

During public health emergencies, schools will be faced with parents, teachers, and staff who are concerned about the health and safety of students. Experience has shown that public health emergencies can create a great deal of anxiety and misinformation. Healthy Habits to Reduce Public Health Emergency Impact Schools can reduce the impact and spread of a public health emergency by reinforcing basic healthy habits. These habits include:

- Wash hands often. Require that students wash their hands with soap and water after visiting the restroom and before and after eating. If soap and water are not available, schools can purchase non-alcohol waterless hand cleaner. Schools may not use alcohol-based hand cleaner. Schools must stock adequate hand washing supplies for all restrooms
- Cover nose and mouth when coughing or sneezing. Germs are spread when people cough and sneeze. Require that students cough or sneeze into a tissue or, lacking that, into a sleeve or elbow. Classrooms should be stocked with tissue to facilitate this activity. When possible, schools can practice social distancing to reduce the spread of airborne germs. Keeping students at least three feet apart greatly reduces the spread of germs from an uncovered cough or sneeze
- Exclude students and staff that are symptomatic. In the event of any public health outbreak, limit contact with people who are symptomatic. This means that students and staff who come to school with obvious symptoms such as an elevated temperature, cough, runny nose, or other symptoms, should be separated from the general population and sent home until they recover. Students who develop these symptoms at school should be isolated to contain germs, and then sent home with a parent or guardian
- Activate the School's Business Continuity Plan in the event of a wide-scale or pandemic illness, critical school employees could be absent for days, weeks, or months. Such a reduction in available staff will challenge the continuity of school operations and services because there will not be enough substitutes for absent employees. Site administrators must consider how to carry on school operations without, for example, their SOM,

Operations Coordinator, CRC, or School Leader. Every school should have a plan to make sure that important tasks normally performed by critical employees can still be done when those employees are absent. School sites are asked to cross-train on basic operations to fill in for missing co-workers

Develop Alternate Lessons. During major health emergencies, students may be absent for weeks. Schools should have multiple means of communicating lesson content to students and parents.

Crete's Wellness Home Visit Checklist:

Things to look for during visit:

- Check for Unsafe or Unhealthy Conditions Pest infestation, rodent infestation, cockroach infestation, bed bugs, fleas and lice.
- Look for Physical Hazards. Look for trip hazards, fall hazards, sharp edges on furniture and any other items that could cause injury to children. Make sure there is nothing in the home that poses an electrical hazard. Check for cords that are frayed or near something that could cause them to be pulled over (such as a table leg or child's toy).
- Ask about non-Family Members in the home. Ask family members about their living situation.
- Check for working utilities (lights, heat, etc.)

Things to know before visit:

- Know the neighborhood you are visiting.
- Visit high risk areas early in the day.
- Make sure supervisor/team know your location.
- If possible if the resident has a dog
- Best practice, go with another staff member

Arrival:

- Drive around the block to check out the neighborhood.
- Park vehicle in an open area and open exit
- Personal items in a secure location (not visible)

Inside the home:

- Show ID and explain reason for visit.
- Upon entering the home inquire as to who is currently in the home
- Beware of surroundings
- Keep personal items (Identification, wallet, purse, phone, etc.) close.
- Ask for permission to be seated.

Health Screening

Evidence of provision and documentation of health screenings of its students, including but not limited to screening for vision, hearing and scoliosis.

Mandated Vision and Hearing Screenings:

Implement screening protocols in a staggered approach, dividing students into small cohorts (3-5) from the same classroom, and relocating them to a designated area or room that facilitates physical distancing. Ensure floor markings indicate 6-foot intervals for students to stand or sit. Alternatively, conduct screenings within individual classrooms if space permits. Please note that this process may require additional time, emphasizing the importance of clear communication. Adhere to strict hygiene practices, disinfecting equipment between uses and requiring students to sanitize their hands before handling screening materials. Utilize disposable supplies, such as individual eye coverings, to prevent cross-contamination. The level of community transmission will dictate the necessary level of personal protective equipment (PPE). School nurses may employ tools that maintain physical distancing during screenings. In cases of low transmission, physical distancing measures may be sufficient. However, with moderate to high transmission rates, school nurses may opt for gloves and masks. If outsourcing screenings to a contractor, ensure students are screened in a designated area, such as a mobile health van, maintaining 6-foot distancing and disinfecting between groups. Consider postponing screenings to a later date if community transmission rates are high to minimize transmission risk.

Additional Suggestions:

- Assign school staff to facilitate traffic control and student transportation to and from classrooms.
- Allocate additional time for thorough cleaning and disinfection between students, or reduce the number of classes screened per day, or add extra days for mandated screenings, or allow for extended time at the end of screenings for breakdown and cleaning.
- Require school nurses to wear gloves and masks during screenings.
- Mandate masks for students and school staff during screenings; refusal to wear a mask will result in an automatic referral to the student's private medical provider for assessment.
- Ensure school nurses have access to a restroom and handwashing facilities.
- Secure a well-ventilated space (with windows) that accommodates a quiet testing area for hearing assessments.
- Designate a space that allows for 2 nurses and 2 students at a time, maintaining a minimum of 6-foot social distance and 10 feet for the distant vision chart.
- Preferably use a separate room for screenings, rather than a classroom, to minimize disruptions and ensure a quiet environment for hearing assessments; if a classroom is used, limit it to 2 students at a time.

- Ensure students wear their glasses during screenings; if they don't, refer them for further evaluation and do not allow them to return for a "rescreen".
- Implement these measures to minimize exposure and optimize the efficiency of screenings.
- Refuse screening for any student appearing ill and redirect them to the school office to be sent home."

Parent and/or Guardian,

During the 2024-2025 academic year, Crete Academy will conduct mandatory vision, hearing, for all students, as required by Education Code 49451. We are pleased to offer these essential health services at no cost to all our students. Qualified medical professionals will perform the screenings, and the results will be included in each student's cumulative file. If potential health issues are detected, parents will be notified accordingly. Parents may opt their child out of these screenings by submitting a written request. No response is required from parents who grant consent for their child to participate in the aforementioned health screenings.

If a student misses their testing date, parents should contact the school to determine alternative testing dates and locations

Heat Procedures

When the Heat Index exceeds 95°, exercise intensity must be reduced or activities must be adapted to ensure safety. For guidance on heat safety and heat index calculation, utilize the OSHA Heat Safety Tool App. Additionally, all Air Quality Advisories issued by the South Coast Air Quality Management District (SCAQMD) must be strictly followed.

Adjusting Sports Practices for Extreme Heat

During periods of extreme heat, the following precautions are essential for outdoor physical activity, including recess, physical education, recreation, and competitive sports:

- Ensure access to sufficient water. If water is scarce, modify physical activity accordingly.
- Encourage water breaks every 15-30 minutes during activity.
- Staff and personnel supervising physical activities must closely monitor students and adapt activities as needed.
- Pay special attention to students with known health issues, modifying or restricting their activity to ensure their safety.

Heat Stress Prevention Techniques for Schools

To minimize heat-related risks:

- Schedule events indoors whenever possible.
- Utilize current medical history and physical examinations to identify students vulnerable to heat-related injuries, including those with:
    - Previous heat illness
    - Current illnesses or health-sensitive medical conditions
    - Recent injuries

Students deemed high-risk should be excluded from participation at a lower Heat Index to ensure their safety."

EpiPen

California Education Code (EC) Section 49414, as amended by Senate Bill 1266 (effective January 1, 2017), mandates that school districts provide emergency epinephrine auto-injectors to school nurses or trained volunteers. This legislation authorizes school nurses and trained personnel to administer epinephrine auto-injectors to individuals experiencing or suspected to be experiencing anaphylactic reactions.

Anaphylaxis is a severe, potentially life-threatening allergic reaction that can occur within minutes of exposure to an allergen, such as insect stings, food, medications, or exercise.

To ensure preparedness, all schools must stock at least one epinephrine auto-injector pen and one junior epinephrine auto-injector pen on campus. A qualified health supervisor must obtain a prescription from a physician for each school, which includes:

- For elementary schools: one regular and one junior epinephrine auto-injector
- For junior high, middle, and high schools: at least one regular epinephrine auto-injector (and a junior epinephrine auto-injector if necessary)

Prescriptions:

A designated health supervisor at a school district, county office of education, or charter school is responsible for ensuring the epinephrine auto-injector is stocked and replenished as needed. Orders for free stock can be placed on the EpiPen Website. Regularly review expiration dates and submit any requests for replacement.

Forms:

- Epinephrine Standing Order Protocol
- Standing Order Certification Form
- Replenishment Offer

Storage and Disposal:

Used Epinephrine Auto-Injectors Disposal: Empty Epinephrine Auto-Injectors that have been dispensed in the care of a patient may be disposed of as regular medical waste, that is, placed in a Sharps container or a medical red bag.

Unused EpiPen Disposal: Unused Epinephrine Auto-Injectors that contain only epinephrine salt as the active ingredient may also be disposed of as medical waste.

Annual Notice:

A school district, county office of education, or charter school shall distribute a notice at least once per school year to all staff that contains; a description of the volunteer request stating that the request is for volunteers to be trained to administer an epinephrine auto-injector to a person if the person is suffering, or reasonably believed to be suffering, from anaphylaxis, as specified, and a description of the training that the volunteer will receive pursuant to California Education Code (EC) Section 49414.

The National Association of School Nurses (NASN) has compiled the checklists, trainings and other resources.

Training:

A school district, county office of education, or charter school shall conduct initial training and annual refresher training, pursuant to California Education Code (EC) Section 49414, for all identified volunteers. A free EpiPen training video from Mylan Pharmaceuticals is available on YouTube.

The National Association of School Nurses (NASN) has prepared guidance and template documents including training packets.

Documentation that school maintains an epinephrine

Auto injector (epi-pens) onsite and has provided training to volunteer staff in the storage and use of the epi-pen.

Procedures for Conducting Tactile Responses to Criminal Incidents

Preventing Targeted School Violence

Crete Academy schools prioritize safety through a multifaceted approach, encompassing physical security, emergency management, and violence prevention strategies. A crucial aspect of this approach is the threat assessment process, which begins with the development of a comprehensive targeted violence prevention plan. This plan comprises:

- Establishing a multidisciplinary threat assessment team.
- Creating centralized reporting mechanisms.
- Identifying concerning behaviors.
- Defining the threshold for law enforcement involvement.
- Developing risk management strategies.
- Fostering a safe school climate.
- Providing training for stakeholders

Threat Assessment Team

Name	Role
Brett Mitchell	Executive Director
Behzad Sadeghi	Director of Operations
Crystal Tung	Principal

1. **Establish a multidisciplinary threat assessment team**
   The first step in developing a comprehensive targeted violence prevention plan is to establish a multidisciplinary threat assessment team (hereafter referred to as the “Team”) of individuals who will direct, manage, and document the threat assessment process. The Team will receive reports about concerning students and situations, gather additional information, assess the risk posed to the school community, and develop intervention and management strategies to mitigate any risk of harm.

2. **Define prohibited and concerning behaviors**
   Schools need to establish policies defining prohibited behaviors that are unacceptable and therefore warrant immediate intervention. These include threatening or engaging in

violence, bringing a weapon to school, bullying or harassing others, and other concerning or criminal behaviors. Keep in mind that concerning behaviors occur along a continuum. School policies should also identify behaviors that may not necessarily be indicative of violence, but also warrant some type of intervention. These include a marked decline in performance; increased absenteeism; withdrawal or isolation; sudden or dramatic changes in behavior or appearance; drug or alcohol use; and erratic, depressive, and other emotional or mental health symptoms.

If these behaviors are observed or reported to the Team, schools can offer resources and supports in the form of mentoring and counseling, mental health care, tutoring, or social and family services.

3. **Create a central reporting mechanism**

   Students may elicit concern from those around them in a variety of ways. They may make threatening or concerning statements in person, online, or in text messages; they may engage in observable risky behavior; or they may turn in assignments with statements or content that is unusual or bizarre. When this occurs, those around the student need a method of reporting their concerns to the Team.

4. **Determine the threshold for law enforcement intervention**

   The vast majority of incidents or concerns that are likely to be reported can be handled by school personnel using school or community resources. For example, the most common types of reports submitted were related to suicide, bullying, drugs, cutting (self-harm), and depression. Some of these common reports may not require the involvement of law enforcement. Report those that do warrant law enforcement intervention include threats of violence and planned school attacks.

   Reports regarding student behaviors **involving weapons,** • If a school resource officer is not available to serve on **threats of violence, physical violence, or concerns** the Team, schools should set a clear threshold for times **about an individual's safety** should immediately be and situations when **law enforcement will be asked to** reported to local law enforcement.

5. **Establish assessment procedures**

   Teams need to establish clearly defined processes and procedures to guide their assessments. Note that any safety concerns should be immediately addressed before the procedures described below take place. When followed, the procedures should allow the Team to form an accurate picture of the student's thinking, behavior, and circumstances to inform the Team's assessment and identify appropriate interventions.

   - Maintain documentation
   - Examine online social media pages, conduct interviews, review class assignments, and consider searching the student's locker or desk.
   - Use a community systems approach.
   - Evaluate the student's concerning behaviors and communications in the context of his/her age and social and emotional development such as inappropriate interest, weapons access, stressors, Emotional and developmental issues, desperation or despair, violence as option, etc.

6. **Develop risk management options**

   Once the Team has completed a thorough assessment of the student, it can evaluate whether the student is at risk for self-harm or harming someone else at school. Concern may be heightened if the student is struggling emotionally, having trouble overcoming setbacks or losses, feeling hopeless, preoccupied with others who engaged in violence to solve problems, or has access to weapons. Remember, the Team is not attempting to predict with certainty if violence will happen. Instead, evaluate the presence of factors that indicate violence might be a possibility. Teams can then develop risk management strategies that reduce the student's risk for engaging in violence and make positive outcomes for the student more likely.

   - Notify law enforcement immediately if a student is thinking about or planning to engage in violence
   - Make efforts to address the safety of any potential targets
   - Create a situation that is less prone to violence
   - Remove or redirect the student's motive
   - Reduce the effect of stressors

7. **Create and promote safe school climates**

   Schools can also support positive school climates by implementing school-wide Positive Behavioral Interventions and Supports (PBIS) programs. These programs actively teach students what appropriate behavior looks like in a variety of settings, including in the classroom, with their friends, or among adults. Teachers frequently praise prosocial behavior they observe and encourage students' good behavior. PBIS can improve academic outcomes for schools and has been shown to reduce the rates of school bullying.

   While teachers and staff can foster relationships and connectedness among the student body, students themselves have a role to play in sustaining safe school climates. They should be actively engaged in their schools, encouraged to reach out to classmates who might be lonely or isolated, and empowered to intervene safely when they witness gossiping, teasing, and bullying.

8. **Conduct training for all stakeholders**

   School safety is everyone's responsibility. Despite having a comprehensive targeted violence prevention plan in place, and despite a school and Team's best efforts at prevention, incidents of targeted school violence may still occur. It is critical to develop and implement emergency response plans and procedures and provide training on them to all stakeholders.

Active shooter/Lockdown Drills

Elementary schools should conduct safety drills every month. These drills should be coordinated with School Resource or Liaison Officers. To ensure a successful drill, the following steps are recommended, as outlined in the Active Shooter Training:

a. Conduct a staff meeting. Plan on a 20-minute time frame to review expectations and standards in terms of:
    - Locking doors
    - Covering windows
    - Turning off lights
    - Building barricades
    - Reviewing classroom and all clear procedures
    - Reviewing off site evacuation locations.
b. Send a follow-up reminder memo to your staff.
c. Organize your assessment team. This also provides an excellent opportunity for your Critical Response Team to work together with police participants in the drill.
d. Conduct the assessment.
e. Complete follow-up tasks.

Remember, you are setting the tone for the importance of safety for students and staff on your campus.

Hostage Situation

In the event of an armed intruder, staff and students should remain calm and silent if the situation unfolds in their presence. Staff members should set a calm example and take all possible actions to ensure the survival of themselves and their students. If gunfire erupts, staff and students should immediately seek cover or initiate rapid evacuation procedures to ensure their safety.

- **Do not engage in a conversation or try to persuade the intruder to leave your classroom or school.** Remember, you are in an illogical situation so any logical argument may go unheard. The intruder is probably aware of the potential danger that he/she would be facing if he/she left the classroom. The intruder may perceive himself/ herself as being sane.
- If the intruder speaks to you or to your students, then answer him or her**. Do not provoke him or her.** Don't try to take matters into your own hands. Students should be told not to whisper to one-another, laugh, or to make fun of the intruder. Remember, the intruder is disturbed and probably mentally ill, and more than likely paranoid. Any whispering or laughter may be perceived by the intruder as directed at him or her.
- Students should be taught to respond on their own when threatened. Incidents can occur which leave no time for signals. If students are outside unable to find access

a room, they should, depending on the situation, initiate an Action "**TAKE COVER**" position or run in a zig-zag fashion to the staging areas and **STAY CALM**.

- If and when possible, call Administration and/or 9-1-1.

Crete Academy Volunteers

Crete Academy embraces its parents as partners in the academic, emotional and social growth of their children. With their contributions at school and in the home, students will have a powerful educational experience that demonstrates how people work together for important efforts. We encourage our parents to be Crete Volunteers in classrooms, on the playground and even from home. For our parents who can be on site, we will train several to provide tutoring in reading and mathematics.
Others who prefer to help on site, but not in the classroom, will be trained to monitor the playground, act as crossing guards and safety monitors and lead after-school program activities contributing their expertise in a relevant area of knowledge and skills (e.g., Ballet, yoga, soccer, knitting, drawing/painting, cooking, singing, etc.).

Volunteers are valued and welcomed members of the Crete family. Please read below and familiarize yourself with the policy.

The following volunteer clearance must be provided prior volunteering at Crete Academy:

CRETE ACADEMY POLICIES, PROCEDURES AND EXPECTATIONS

DRESS CODE POLICY

Parents and staff have agreed that uniforms would benefit the students, families and the Crete community. Uniforms promote a team spirit and the idea that the mind and body are more important than clothes. Evidence suggests that uniform policies, if applied fairly, instill a sense of unity, pride, and discipline while reducing jealousy and peer pressure. State law prohibits Crete from requiring uniforms with the Crete logo, as we cannot provide each student with them; however, we strongly encourage our children to share their school pride through wearing attire with the logo.

* White or Grey polo * Navy blue cotton twill pants * Navy blue shorts or skirts. * Navy blue plaid pleated skirt with shorts underneath (heather plaid) * Dark (Black, brown, blue) Shoes with flat, rubber soles – NO OPEN TOED SHOES *No sweats or jeans (Jeans acceptable on College Day w/College shirt/sweater * No layered shirts over shirt – all shirts worn under the required white or grey. Undershirts MUST be white or a complimentary color Prefer navy blue, or white jackets, sweaters or sweatshirts.	

In addition to the above, please note that the following expectations are part of our dress code policy:

* All pants, shorts, skirts, and skorts will be worn at the waistline and secured to prevent any sagging. Shirts must be tucked in at the waistline.
* All shorts, skirts and skorts will be worn at the appropriate length, no more than 2" above the knee.
* Students should refrain from wearing any hats, bandanas, scarves, caps, gloves or string belts. Headgear or accessories worn as part of a religious practice are permitted.
* All earrings must be small posts (hanging earrings, large zirconia or diamonds are not acceptable).
* Haircuts and hairstyles must not be distracting to the learning environment, as determined by the school administration.

DRESS CODE VIOLATIONS

When a child is not dressed according to code, he or she will be required to change and/or make adjustments before entering the classroom. Parents will receive a "Dress Code Violation" notice each time the child is not adhering to the dress code. The notice should be returned to the school with the parent's signature. If this becomes a habitual problem, the Crete Staff will hold a meeting with the child and his/her parent to determine a resolution that remains beneficial to the entire Crete family.

LOST AND FOUND

ANY ITEMS FOUND ON CAMPUS SHOULD BE TAKEN TO THE LOST AND FOUND IN THE MAIN OFFICE. The item(s) found on campus may belong to someone else. It does not automatically belong to the person who found it. The lost and found will be cleaned out every 2 weeks. Items not claimed will be donated or discarded. All items brought to school should be clearly labeled with the child's name. The school is not responsible for replacing any lost or damaged student belongings.

SNACK POLICY

Crete Academy respectfully requests that children not bring snacks to school since we do provide a healthy breakfast AND lunch, which everyone is welcome to eat. We do not feel that snacks from home are necessary. However, if a child has become accustomed to eating a snack at home between breakfast and lunch, parents may provide only the healthy snacks from this list:

Fruits (fresh, dried or in cups), vegetables, granola, cereal bars, muffins, crackers, yogurt, cheese, or baked chips/pretzels. Please do not send your child to school with pre-packaged chips that contain flavors that are considered detrimental to their health (e.g., "flaming' hot").

Please contact your child's teacher or an administrator, if you have any questions or want to check the nutritional appropriateness of a snack not listed. Finally, please tell your child that he/she should NOT share his/her snack with another child.

Crete Academy may make individual exceptions to this policy based on a child's dietary needs.

ATTENDANCE POLICY

No Show Students at the Beginning of the School Year

When students are not in attendance on the first five (5) days of school, the Crete Academy will attempt to reach the parent/guardian on a daily basis for each of the first five days to determine whether the student has an excused absence, consistent with the process outlined in the Attendance Policy. If the student has a basis for an excused absence, parents must notify the school of the absence and provide documentation consistent with this policy. However, consistent with process below, students who are not in attendance due to an unexcused absence by the fifth day of school could be disenrolled from the school roster, as it will be assumed that the student has chosen another

school option.

1. Students who are not in attendance on the first day of school will be contacted by phone to ensure their intent to enroll.
2. Students who have indicated their intent to enroll, but have not attended by the third day will receive a letter indicating the student will be disenrolled after the fifth day of school if the student has not attended school without valid excuse.
3. Students who have indicated their intent to enroll, but have not attended by the fifth day will receive a phone call reiterating the content of the letter.
4. Students who have not attended by the sixth day, and do not have an excused absence as defined above for not being in attendance will be disenrolled from the roster.
5. The School will use the contact information provided by the parent/guardian in the registration packet.
6.

The District of Residence will be notified of the student's failure to attend Crete Academy and the disenrollment.

Absence Notification

School administration must be contacted for students with extenuating circumstances and cases will be reviewed on an individual basis. As parents, you are a vital part of your child's success and future achievement. We encourage all parents to support their children in attending school daily and on time. Students who are absent from school miss important instruction and assignments. Students who develop patterns of good attendance are much more likely to be successful both academically and socially, as well as later in life in the workforce. Please call the appropriate school office, no later than 9:00 AM to report an absence, when you know your child will be absent.

Excused Absences for Classroom Based Attendance

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law or Board policy.
A student's absence shall be excused for the following reasons:

1. Personal illness;

2. Quarantine under the direction of a county or city health officer;

3. Medical, dental, eye or chiropractic appointments;

4. Attendance at funeral services for a member of the immediate family:
   a. Excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state.
   b. "Immediate family" shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/ daughter-in-law, brother, sister, step-brother, stepsister or any relative living in the student's immediate household.

5. Jury duty in the manner provided by law;

6. Spending time with a member of the pupil's immediate family, who is an active-duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position.
7.Attending the pupil's naturalization ceremony to become a Unite States citizen.
8. Justifiable personal reasons, with advance written request by the parent/guardian and approval of the Principal or designee including, but not limited to:

a. Appearance in court;
b. Attendance at a funeral;
c. Observation of a holiday or ceremony of his/her religion;
d. Attendance at religious retreats (not to exceed four hours per semester)

Method of Verification

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian;

2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian. The employee shall subsequently record the following:
a. Name of student;
b. Name of parent/guardian;
c. Name of verifying employee;
d. Date or dates of absence; and
e. Reason for absence.

3. Visit to the student's home by the verifying employee, or any other reasonable method, which establishes the fact that the student was absent for the reasons stated. A written recording shall be made, including information outlined above.

4. Physician's verification
a. When excusing students for confidential medical services or verifying such appointments, School staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.
b. When a student has had 11 absences in the school year for illness verified by methods listed in #1-#3 above, any further absences for illness must be verified by a physician.

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Attendance Tips for Parents/Guardians

- Plan vacations for non-school days only.
- Schedule all appointments for your child after school, on weekend days or during your child's vacation.
- Make sure your child's school has your accurate daytime contact information, including cell phone number and/or email address.
- Communicate with your child's school often and monitor your child's attendance and school progress online Illuminate.
- Make the school aware of any problems that may be causing your child to miss school.

Punctuality

Students should arrive at least 15 minutes before the start of each school day. Tardiness is disruptive to the class and places a burden on the teacher as well as the student who is entering class after morning activities have begun. Anytime a student arrives late to class, valuable instructional time is lost. School campus supervision begins at 7:30 a.m. and students should not arrive before that time.

Unexcused Absences/Truancy for Classroom Based Attendance

The Dean of Culture, or designee, shall implement positive steps to reduce truancy. Students who are habitual truants may be referred to the appropriate law enforcement agency. When the student's attendance problems cannot be resolved or the student and parent/guardian have failed to respond to directives to correct the problem, a student who has been classified as truant may be referred to the district attorney or probation officer for truancy mediation. Further, the school attendance review board or probation officer may request a juvenile court petition on behalf of the student. A student's grades may be affected by excessive unexcused absences in accordance with Board policy.
A student shall be classified as a habitual truant if he or she is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Principal or designee.

The parent/guardian of a student classified as a truant shall be notified of the following:

a. The student is truant;
b. The parent/guardian is obligated to compel the student to attend school;
c. The parent/guardian who fails to meet this obligation may be guilty of an infraction of the law and subject to prosecution;
d. The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy;
e. It is recommended that the parent/guardian accompany the student to school and attend classes with the student for one day.

A habitual truant may be referred to a school attendance review board or to the probation department. When a student is referred to a school attendance review board or to the probation department, the Dean of Culture or designee shall provide the student

and parent/guardian, in writing, the name and address of the school attendance review board or probation department and the reason for the referral. This notice shall indicate that the student and parent/guardian will be required, along with a school staff member, to meet with the school attendance review board or probation officer to consider a proper disposition of the referral. If the school attendance review board or probation officer determines that available community services can resolve the problem of the truant or insubordinate students, then the school attendance review board or probation officer shall direct the student and/or the student's parents/guardians to make use of these resources. If the school attendance review board or probation officer determines that available community services cannot resolve the problem of the truant or insubordinate student or if the student and/or student's parents/guardians have failed to respond to the directives of the school attendance review board or probation officer or to services provided, the school attendance review board and/or probation officer may notify the county district attorney.

Tardy Policy

School begins at 8:15 a.m., students who arrive after 8:15am will sign in via our visitu system and are considered tardy. Tardies are marked as excused, unexcused or truant. Parents/guardians shall write a note of explanation when they have knowledge of their child's tardiness. Any unexcused tardy in excess of 30 minutes will be counted toward truancy. Five unexcused tardies equals one absence and disqualifies the student for perfect attendance awards.

Attendance Intervention

The assistant principal of culture may recommend students with chronic absences not participate in school field trips and focus on academic studies. Education is a partnership between parents, students and the school. The attendance policy is not intended to be punitive for the parent or student. The school will work with you to address issues or concerns, which may be preventing your child from attending school regularly. The school will perform due diligence in addressing students with attendance problems and will work collaboratively with students, parent/guardian(s) and school officials in order to decrease barriers to regular school attendance. Attendance interventions that may be used by the school in order to reduce barriers to regular school attendance may include:

a. Phones calls
b. Letters home
c. Parent Conferences
d. Home visits
e. Parent Attendance Assemblies
f. Case management services
g. Referral to school and community resources

Attendance Incentives

Crete Academy acknowledges students with good attendance. Perfect Attendance Certificates, participation in special activities, attendance assemblies and other rewards and special recognitions are used to motivate all students and reward those with good

attendance. At the end of the school year Crete Academy will identify and announce the special Perfect Attendance reward for the school year.

Students Leaving Early from School

When picking up a student early, the parent or authorized adult must sign the student out in the main office. Parents may not enter the classroom without approval from the office. In the event that a parent would like to take a student home early from a field trip, the parent must sign the student out of school and into parental care prior to leaving for the trip.

Homework Policy

Crete Academy believes homework is an integral part of our instructional program. It is a valuable extension of our classroom teaching and should reinforce, extend, or enrich the concepts that our students have been taught in class.
Homework is assigned in all grades and should be returned per the instructions from your child's teacher. Students will be expected to turn in all homework assignments in a neat and legible manner. You can help your son/daughter by being aware of what their homework consists of and looking over the assignments when completed. Students should attempt to complete their homework independently, but may need assistance. If your child needs assistance, PLEASE DO NOT COMPLETE THE HOMEWORK FOR HIM/HER. As a parent, please guide your child(ren), allowing them every opportunity to do their own work. We encourage you to speak with the teacher, if your child is experiencing consistent and continuous difficulty.

Textbooks and School Materials Policy

Students will receive books and materials required for instruction. These textbooks and materials become the responsibility of the student and will be returned at the end of the school year. Parents will be charged for a lost, damaged, or stolen book limited to the value of the book at the time of its loss or damage or the cost to repair the book, whichever is less.

Loss or Damaged School Property Policy

Parent(s)/Guardian(s) will be charged for any items lost or damaged by their child/children limited to the value of the property at the time of its loss or damage or the cost to repair the book, whichever is less. This applies to property on the campus that may need to be replaced or repaired due to damage incurred through the irresponsible and/or destructive behavior of a child.

Electronic Devices and Non-School Related Property

Personal property not related to the school's programs is not to be brought to school and may be confiscated by staff. Personal property not related to the school's programs may include, but are not limited to, Fidget Spinners, cell phones, IPods, CD's, cameras, pagers, card collections, marbles, toys, hand-held video game systems, video games, laser pointers, permanent markers. If you are not sure about any other items, please ask. Devices, including those from the list above that are related to accommodations, modifications, or services provided by student's Individualized Education Program or Section 504 Plan are permitted

to the extent they are used in accordance with that accommodation, modification, or service. Crete Academy is not responsible for any personal property items brought on campus. The loss of items or stolen property will not necessarily be investigated. This is at the discretion of administration. Confiscated personal properties will require a parent to come in for conference and retrieval. Teachers, yard supervisors, administrators and other adult staff will confiscate electronic devices being used or played with on campus. As stated above, a device that is confiscated, will not be returned until a parent conference has been scheduled. If the behavior continues, a behavior contract will be instituted to address the problem. If a student refuses to comply with the staff member's request to physically hand over the electronic device, this will be considered an act of defiance and an appropriate consequence will follow.

Birthday Celebrations Policy

Crete Academy respects the importance of celebrating our student's birthdays; however, protecting instructional time is our top priority. We do allow a parent to celebrate their child's birthday by visiting during the final fifteen minutes of class, in agreement with the classroom teacher, engaging in an appropriate celebration of his/her choosing. Due to student allergy and health concerns, if a parent is interested in bringing food or treats for the celebration, the parent must first get approval of the treat from the Principal.

Treatment and School Related Injuries Procedures

It is the policy of the school to treat minor injuries/administer first aid (scrapes, paper cuts, bumps) with ice packs, compresses, or band aids as needed. The school staff will contact the parent or guardian when more serious injuries occur. If a student needs further treatment, the parent, or ambulance will transport the student to the doctor or hospital. In the event that a parent/guardian cannot be reached, the school will contact the physician listed on the emergency card to make whatever arrangements necessary to provide health service to the student. It is very important that parents/guardians fill out the emergency card. A new card is sent home at the beginning of each school year. Any change during the year should be forwarded to the school's office. The emergency numbers (someone who can be responsible for a student in the absence of the parent/guardian) should be local numbers.

In the event of an emergency, as deemed by the Principal or his or her designee, Crete Academy will contact emergency services for treatment. If you do not wish for your child to receive medical treatment other than first aid, you must submit a written objection to medical services to the Principal.

Report Cards & Progress Reports

Students will receive report cards two (2) times per year with progress reports after each benchmark period (4 times per year). Parents are encouraged to review these reports with the child; then sign and return one copy within the noted time frame. To ensure parents are aware of their child's progress, parents will be contacted should the student not return the report card.

California Assessment of Student Performance and Progress ("CAASPP")

The School shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress.) Notwithstanding any other provision of law, a parent's or guardian's written request to School officials to excuse his or her child from any or all parts of the state assessments shall be granted.

Meeting with Teachers

Parents/guardians are encouraged to meet with their children's teachers. Meetings can be scheduled through the Main Office, emailing your child's teacher or by speaking with your child's teacher during non-instructional hours. Please let the Main Office know if translation is needed.

Crete Academy - School Wide Discipline Plan

At Crete Academy, we believe that discipline is not about punishment, but rather about behavior adaptation, redirection and the development of personal accountability. Students experience various developmental stages during the growing years. The school community is an informed community, which promotes among its staff, an understanding of age-appropriate behaviors. In order to support personal responsibility and positive social interactions school-wide, Crete Academy has developed a school wide plan for positive behavior intervention and support. Together, students, staff, and families will build a foundation that students will need in order to function harmoniously throughout the school day with their peers and teachers. The effectiveness of the school-wide plan requires the participation and support of all staff members and families. In order to be truly effective, there must be continuity in the home environment.

Components of CRETE ACADEMY's DISCIPLINE Plan

Crete Academy Discipline Plan

School Wide Expectations
Crete Academy is instituting a school wide behavior expectation plan that focuses on a student first approach. Our staff is committed to serving our students with the finest performance character education possible. The Crete staff will exhibit and teach these desired behaviors and attitudes through the Crete Core Value System.

We expect students to exhibit high Character in all that they do, take Responsibility for their actions, appreciate everyone's differences and treat them Equally, approach each day with a Teachable growth mindset, while demonstrating Excellence at all times.

The enclosed chart provides the specific behaviors that students must exhibit while they are in the office, hallways, and bathrooms, assemblies, eating areas and on the playground. To

create a productive and safe learning environment for all learners, it is also important to have clear policies and consequences for behavior that is not consistent with good citizenship or interferes with the creation of a positive and safe learning environment. Students who do not adhere to the expectations and/or who violate them repeatedly may expect consequences for their behavior, including but not limited to the following:

- Warnings
- Loss of privileges such as time outs, detentions, restrictions from field trips and student activities
- Notices to parents/guardians by telephone or letter Request for parent conference
- Suspension
- Expulsion

Discipline Policy

Crete Academy will create a safe, peaceful and nurturing environment where learning is paramount. To achieve this, we have adapted the LAUSD Discipline Foundation Policy adopted by the district in February 2007. With the guiding principles of the policy as a foundation, teacher leaders and administration have crafted a formal discipline policy with an effective school-wide positive behavior support system.

Crete Academy teachers and staff members will engage in conscious classroom management strategies to ensure scholarly student behavior and on task learning each day. Professional development will be provided before school begins each summer with ongoing opportunities for additional techniques. It is the goal of Crete Academy to have at least 95% of all students in school, every day, because the environment is conducive to learning. We will also develop a tiered approach to ensuring that the emotional and social needs of students are met through universal, selected and intensive strategies.

At Crete Academy, we will make every effort to avoid suspensions and expulsions, but in the event a suspension or expulsion is necessitated, all state and federal laws pertaining to suspensions and expulsions will be upheld. Students who present an immediate threat to the health and safety of others will be suspended or expelled. A written remediation plan will clearly describe progressive discipline measures, grounds for suspension and expulsion, minimum/maximum number of consecutive days of suspension, notification process to parents of suspension, reasons for suspension, appeal process, and provision for student's education while suspended.

Process for Suspension and/or Expulsion

Notice to Parents

Parents and students will have due process rights with regards to suspensions and expulsions. At the time of a student's suspension, the Dean of Students ("DS") shall make a reasonable effort to contact the parents by telephone or in person. Initial contact will be followed by written notice. This notice will state the specific offense committed by the student. In addition, the notice will also state the date and time the student may return to school.

Informal Conference

An informal conference conducted by the Chief Executive/Academic Officer ("CEO") and/or DS will be held, with the student and the student's parent to discuss the circumstances relevant to the suspension. This conference may be omitted if the CEO and/or DS determine that an emergency situation exists. An emergency situation involves a clear and present danger to the lives, safety or health of students or school personnel. If the student is suspended without a conference, the parents will be notified of the suspension and a conference will be conducted when the parent comes to pick up the student from school. If the school is unable to reach a parent or guardian after all avenues are exhausted, a notice may inform the parents that they are required to respond without delay.

Determination of Length of Suspension

The CEO will determine the length of the suspension and/or DS based on the severity of the offense(s), as evidenced by witness statements, physical evidence, and other relevant factors. The length of suspension for students may not exceed a period of 5 consecutive school days unless the suspension is extended pending an expulsion hearing. A student may be suspended from school for not more than 20 school days in any school year; this restriction on the number of days of suspension does not apply, however, when the suspension is extended pending an expulsion.
Arrangements shall be made to provide the student with classroom material and current assignments to be completed at home during the length of the suspension or pending an expulsion hearing. These materials will include in-class written assignments and homework; however, any written assessments missed by the student must be made up within a reasonable amount of time, determined by the teacher, if and when the student returns to his/her classroom.

Recommendations for Expulsion

If the CEO and/or DS recommends expulsion, the student and the student's parents will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing conducted by an Administrative Panel. The CEO and/or DS will make this determination upon either of the following findings:

- The student's presence will likely be disruptive to the educational process
- The student poses a threat or danger to others

Upon this determination, the student's suspension will be extended pending the results of an expulsion hearing.

Expulsion Hearing

Students recommended for expulsion will be entitled to a hearing before an Administrative Panel to determine whether or not the student should be expelled. Unless postponed for good cause, the hearing will be held within 30 days after the CEO and/or DS determines that the student has committed an expellable offense. A student may be expelled following a hearing before an Administrative Panel to be assigned by the Board. The Administrative

Panel will consist of 3-5 certificated administrators from other charter schools or teachers from the school site who are not teachers of the pupil or teachers involved in the incident, and 1-2 Board members of the Charter School Board of Directors. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the Pupil makes a written request for a public hearing three (3) days prior to the hearing. Written notice of the hearing will be forwarded by the CEO/DS to the student and the student's parents, by email and certified mail, at least 10 calendar days before the date of the hearing. This notice will include:

- The date and place of the hearing;
- A statement of the specific facts, charges and offense upon which the proposed expulsion is based;
- A copy of the disciplinary rules that relate to the alleged violation;
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
- Notice of the opportunity for the student and/or the student's parents to appear
- in person at the hearing;
- Notice of the opportunity for the student to be represented by legal counsel or a non-attorney advisor;
- Notice of the right to examine and acquire copies of all documents to be used at the hearing;
- Notice of the opportunity to confront and question all witnesses that testify at the hearing; and
- Notice of the opportunity to question all evidence presented and to present oral and documentary evidence and witnesses on behalf of the student.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Crete Academy may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the CEO and Administrative Panel.
Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to receive a five-day notice of his/her scheduled testimony,
2. have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and elect to have the hearing closed while testifying.
3. Crete Academy must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.

4. At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
5. The person or panel conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
6. The person or panel conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
7. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person or panel presiding over the hearing from removing a support person whom the presiding entity finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
8. If one or both of the support persons is also a witness, Crete Academy must present
9. Evidence that the witness 'presence is both desired by the witness and will be helpful to Crete Academy. The person or panel presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
10. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
11. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
12. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person or panel conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. If the Board of Directors decides not to expel, the pupil shall immediately be returned to his/her educational program.

Written Notice to Expel

The CEO or administrative designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Director's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

a. Notice of the specific offense committed by the student;
b. Notice of appeal rights/procedures
c. Notice of the student's or parent/guardian 's obligation to inform any new district in which the student seeks to enroll of the student 's status with the Charter School; Notice of any appeal options; information about alternative placement options; the reinstatement eligibility review date and a copy of the Rehabilitation Plan.

Upon expelling any student, Crete shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Crete's policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, options for enrollment

- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:

  A. Was the misconduct caused by, or directly and substantially related to the student's disability?

  B. Was the misconduct a direct result of Charter School's failure to implement 504 Plan?

Notwithstanding the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

Appeals Process

Parents/Guardians may appeal the expulsion decision of the Administrative Panel by making a written request and submitting it to the Board within fifteen (15) school days of the expulsion decision. The student will be considered suspended until a Board meeting is convened [within thirty (30) days] at which time the parent(s)/guardian(s) (or student aged 18 or over) must attend to present their appeal. Hearing procedures will be substantially similar to those offered during the original hearing. Reasonable accommodations will be made, and language support offered, for students and parents/guardians who wish to appeal. Following the appeal hearing, the Board will make a final decision based on the information presented at the appeal hearing by the parent(s)/guardian(s) (or student aged 18 or over) and information from the original expulsion hearing. The Principal or designee will send written notice to the student or parent/guardian of the Board's decision within seven (7) calendar days of the appeal hearing. The Charter School Board's decision to uphold the administrative panel's decision to expel shall be final. If the Board overturns the expulsion, the pupil shall immediately be returned to his/her educational program.

Special Education Students

Crete shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, Crete shall identify and provide special education programs and services at an appropriate interim educational placement, pending the completion of the expulsion process, to be coordinated with the LAUSD Special Education Service Center.

In the case of a student who has an IEP, or a student who has a 504 Plan, Crete Academy will ensure that it follows the correct disciplinary procedures to comply with the mandates of state and federal laws, including the IDEA and Section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Crete Academy, an IEP team, including a district representative, will meet to conduct a manifestation determination and to discuss alternative placement utilizing the Crete's Policies and Procedures. Prior to recommending expulsion for a student with an IEP or 504 Plan, Crete Academy administrator will convene a Manifestation Determination Meeting to ask the determine:

A) Was the misconduct caused by, or directly and substantially related to the student's disability?
B) Was the misconduct a direct result of Crete Academy failure to implement the 504 Plan?

There will be adequate notification of the policy to include permanent posters in public areas, offices, and hallways. The policy will be published in the Employee Handbook and described in the Family Handbook. Copies will also be available upon request in the School office.

Administrative Regulation

School administration shall adopt, and from time to time may revise, further procedures as may be necessary to implement this policy and provide for a means of enforcing this policy. Such further procedures may include the following: posting and other means of distributing the policy; a process under which complaints will be handled, formally or informally, an explanation of possible civil proceedings and potential legal consequences of sexual harassment. The school administration will initiate training and education programs to enable all persons, and in particular, supervisors, to better understand the problem of sexual harassment.

Special Assistance

It is expected that questions may arise concerning the interpretation of the prohibition against sexual harassment, the methods and procedures to be following in the investigation of complaints, and the appropriateness of specific solutions in disposition of complaints. For assistance in these matters, individuals may contact the Chief Executive Officer.

CRETE ACADEMY MODEL ANTI-BULLYING POLICY

Crete Academy believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance. Crete Academy Board of Directors' recognizes that a school that is physically and emotionally safe and secure for all students promotes good citizenship, increases student attendance and engagement, and supports academic achievement. To protect the rights of all students and groups for a safe and secure learning environment, the Board of Directors prohibits acts of bullying, harassment, and other forms of aggression and violence. Bullying or harassment, like other forms of aggressive and violent behaviors, interferes with both a school's ability to educate its students and a student's ability to learn. All administrators, faculty, staff, parents, volunteers, and students are expected to refuse to tolerate bullying and harassment and to demonstrate behavior that is respectful and civil. "Bullying" or "harassment" is any gesture or written, verbal, graphic, or physical act (Including electronically transmitted acts – i.e., cyber bullying, through the use of internet, cell phone, personal digital assistant (pda), computer, or wireless handheld device, currently in use or later developed and used by students) that:

- is reasonably perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress; n is directed at one or more pupils;
- is conveyed through physical, verbal, technological or emotional means;
- Substantially interferes with educational opportunities, benefits, or programs of one or more pupils;
- adversely affects the ability of a pupil to participate in or benefit from the school district's or public school's educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing emotional distress; and,
- is based on a pupil's actual or perceived distinguishing characteristic (see above), or is based on an association with another person who has or is perceived to have any of these characteristics.

Crete Academy will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation. Any electronic forms of the above behavior through means of phone, computer or social media is considered cyber-bullying and will be treated the same as in-person bullying.

Crete Academy expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses, Crete Academy will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

Crete Academy has a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal or the Office of Student Services. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behavior include, but are not limited, to the following:

- All staff, students and their parents will receive a summary of this policy prohibiting intimidation and bullying: at the beginning of the school year, as part of the student handbook and/or information packet, as part of new student orientation, and as part of the school system's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of investigation confidential.
- Staff who witness acts of bullying shall take immediate steps to intervene when safe to do so. People witnessing or experiencing bullying are strongly encouraged to report the incident; such reporting will not reflect on the target or witnesses in any way.

Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the Governing Board's approved discipline policy. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act. Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences.

The consequences and remedial measures may include, but are not limited to, the examples listed below:

Examples of Consequences

- Participation in a guided reflection process designed to teach alternative behavior
- Temporary removal from the classroom
- Loss of privileges
- Classroom or administrative detention
- In-school suspension during the school week
- Out-of-school suspension
- Legal action
- Expulsion

The Crete Academy Board of Directors prohibits any person from falsely accusing another as a means of bullying or harassment. The consequences and appropriate remedial action for a person found to have falsely accused another as a means of bullying or harassment may range from positive behavioral interventions up to and including suspension or expulsion.

Student Conflict Resolution Policy

Crete Academy believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, Crete Academy will incorporate conflict resolution education and problem-solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment

Crete Academy will provide training to develop the knowledge, attitudes, and skills students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

The Student Code of Conduct includes, but is not limited to, the following:

- Students are to resolve their disputes without resorting to violence.
- Students, especially those trained in conflict resolution and peer mediation, are encouraged to help fellow students resolve problems peaceably.
- Students can rely on staff trained in conflict resolution and peer mediation strategies to intervene in any dispute likely to result in violence.
- Students needing help in resolving a disagreement, or students observing conflict may contact an adult or peer mediators (*classroom, wellness center, support staff, main office).*
- Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussions confidential.
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

Section 504

The School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to Chief Operating Officer. A copy of the School's Section 504 policies and procedures is available upon request.

SPECIAL EDUCATION POLICIES & PROCEDURES

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), Education Code requirements, and applicable policies and procedures of the Los Angeles Unified School District These services are available for special educations students enrolled at the School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

The special education process determines whether or not your child is eligible for special education and related services and, if so, what special education services are most appropriate for your child.

There are four (4) basic steps in the special education process:
1. Referral for Assessment
2. Assessment
3. Development and Implementation of an INDIVIDUALIZED EDUCATION PROGRAM ("IEP")
4. IEP Review

Step 1: Referral for Assessment

In many cases, parents or guardians refer their child for assessment for special education services. Teachers, other school personnel, and community members may also refer a child for assessment. Within fifteen (15) days, not counting school vacations greater than five (5) days, of the receipt of a referral for assessment, you will receive a written response from the school. If the school determines that an assessment of your child is not appropriate, you will receive a written notice of this decision. If the school determines that an assessment is appropriate, you will receive an Assessment Plan. An Assessment Plan describes the types and purposes of the assessments that may be used to determine your child's eligibility for special education and related services. Before your child can be assessed, you must consent to the assessment by signing the Assessment Plan. You have at least fifteen (15) days from

the receipt of the Assessment Plan to consent to and sign it. The school has sixty (60) days, not counting school vacations greater than five (5) days, from the receipt of your signed Assessment Plan to complete the assessment and hold an Individualized Education Program ("IEP") team meeting.

Step 2: Assessment

An assessment involves gathering information about your child to determine whether your child has a qualifying disability and, if he or she is eligible, the nature and extent of special education services that your child may need. Assessments may include individual testing, observation of the child at school, interviews with the child and school personnel who work with the child, and review of school records, reports and work samples.

Guidelines for Assessment

When your child is assessed, the following guidelines will be followed:

- Your child will be assessed only after you consent to the Assessment Plan. n Your child will be assessed in all areas related to his/her suspected disability.
- The Assessment will be administered in your child's primary language or a qualified interpreter will be provided.
- The assessment will include a variety of appropriate tests to measure your child's strengths and needs. The persons administering these tests will be qualified to do so.
- The assessment will be adapted for students with impaired sensory, physical or speaking skills.
- A multidisciplinary team, including at least one teacher or other specialist with knowledge in the area of your child's suspected disability, will assess your child.
- Testing and assessment materials and procedures must not be racially, culturally or sexually discriminatory.

Step 3: Development and Implementation of an IEP

After your child has been assessed, an IEP meeting will be held. The IEP meeting must be held at a time and place convenient for both you and the school's representatives. At this meeting, the IEP team will discuss the assessment results and determine whether your child is eligible for special education and related services. If your child is eligible, the IEP will be identified during the meeting. The following people are members of the IEP team:

- you, as the child's parent or guardian, and/or your representative; nan interpreter, if requested and your native language is not English; n a school administrator or qualified representative from Crete who is knowledgeable about the program options appropriate for your child;
- no less than one regular education teacher. This will usually be your child's present teacher. If your student does not presently have a teacher, a teacher with the most recent and complete knowledge of the student and who has observed the student's educational performance will participate as an IEP team member;
- an individual who can interpret the instructional implications of evaluation

results; n at the discretion of the parent or the agency, other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate.

What is an IEP?

The IEP is the written plan that describes a child's abilities and needs, and the placement and services designed to meet the child's unique needs. Your child must have an IEP before he or she receives special education services. Your child's IEP must be implemented as soon as possible after the IEP meeting. In addition, your child's IEP must be reviewed and, if necessary, revised once a year or more often upon request. If your child is found to be eligible for special education services, the IEP will contain:

- your child's "present levels of performance" in the specific areas affected by his or her disability;
- appropriately ambitious annual goals and short-term objectives in specific areas affected by your child's disability;
- the services, accommodations and modifications designed to assist your child in meeting those objectives;
- when services will begin, how often they will be provided, and for how long;
- the instructional setting in which these services will be delivered;
- the amount of time your child will spend in general education;
- how the school will measure your child's progress; and
- notes from the IEP meeting.

You will receive a copy of the IEP at the IEP meeting. If you do not attend the IEP meeting, a copy will be mailed to you. You have the right to agree or disagree with any part of the IEP. The school is required to get your consent to the IEP before your child receives special education services. Upon your request, you will be given a copy of the IEP in your primary language.

Will I Receive Notice of the IEP Meeting?

The school must provide you with notice of the IEP meeting within a reasonable time prior to the meeting. This notice will include: the date, time, and place of the meeting; the reason for the meeting; who will be at the meeting; and a statement of the right of participants to electronically record the meeting. If you are unable to attend the meeting, you may call the school to reschedule.

When Must an IEP Meeting be Held?

An IEP meeting must be held:

- once a year to review your child's progress and placement and to make any needed changes to the IEP;
- every three years to review the results of a mandatory comprehensive reevaluation of your child's progress;
- after your child has received a formal assessment or reassessment;

- if you or a teacher feels that your child demonstrates significant educational growth or a lack of anticipated progress;
- when you or a teacher requests a meeting to develop, review, or revise the IEP; to develop a transition plan, beginning at age sixteen (16) or younger, if appropriate; and/or
- to determine whether a student's misconduct was a manifestation of his or her disability before expelling or suspending the student from school for more than ten (10) school days.

If your child is already enrolled in a special education program and you request an IEP meeting, you must do so in writing. If you request the meeting orally, Crete will remind you that the request must be done in writing. Once your request is received, the meeting must be held within thirty (30) days, not counting school vacations greater than five (5) days.

What are Transition Services?

Transition services are a set of coordinated activities to assist a student's movement from school to post-school activities. These services are designed to help your child adjust to life after he or she is no longer eligible for school related services. The law requires that transition services be provided to all students with disabilities, beginning at sixteen (16) years of age or younger, if appropriate. When appropriate, the IEP team will plan and oversee the implementation of these transition services. The law also requires that coordinated activities for transition include instruction, community experiences, and the development of employment and other post-school living skills. If your child does not need services in any of the previously listed areas, your child's IEP must state so and why. The coordinated activities for transition must be based on your child's individual needs and take into account his or her preferences and interests. If appropriate, the coordinated activities may also include the acquisition of daily living skills and/or functional vocational evaluation.

Step 4: IEP Review

If your child is receiving special education and related services, his or her IEP will be reviewed in an IEP meeting at least once a year to determine how well it is meeting his or her needs. In addition, every three years, your child will be reassessed and his or her IEP reviewed as part of an overall comprehensive reevaluation of your child's progress.

If there are concerns that your child's educational needs are not being met, either you or school personnel may request a reassessment or an IEP meeting to review the IEP at any time during the year. You may request an IEP meeting to review the IEP at any time during the year. You may request an IEP meeting by sending a written request to the school. Once your request is received, the meeting must be held within thirty (30) days, not counting school vacations greater than five (5). You may request a reassessment by sending a written request to the school or completing a Request for Special Education Assessment that can be obtained at the Crete Academy main office. The school must get your permission before it reassesses your child.

Assessing & Identifying Students for Gifted Programs

Students may be referred for assessment by a parent, teacher, friend, or by self-referral. However, the referral will be screened and the recommendation must be made by school-certificated personnel and supported by school records. No single test, score or measure may be the determining factor. Students referred for identification will be provided with a multi-dimensional assessment that reflects a broad range of abilities and also the significance of cultural, linguistic, and socioeconomic background. Evidence may include, but is not limited to, test results (such as standardized, norm-referenced and criterion-referenced), subjective indicators (such as teacher checklist, parent inventories, and anecdotal records), and professional judgment by an expert in the given field (such as talent assessment, product review, and evaluation of student experience).

Retention Policy

It is our belief at Crete Academy that students must demonstrate mastery of skills before being promoted to the next grade level. Crete Academy also believes in early identification; therefore, parents will be notified each quarter, if their child is struggling in any academic area. Any child identified in the first semester, as a possible retention candidate, will be brought to the attention of the Crete Academy administration. This administration will notify the child's teachers, parents, and the specific administrator involved. The discussion will include a detailed analysis of the teaching and learning process to date, the intervention utilized and the effects, as well as the various solutions for assisting the child. If retention is decided upon as one of the solutions, the cohort will meet again in March and in June of that year.

Retention for any student at Crete Academy will be based on a summary of the following:

- Consistent achievement marks of "1 or 2" in the areas of math OR language arts;
- Pre- and post-assessments, benchmark scores and formative assessments as documented by his/her teacher;
- Teacher and principal recommendations within an SST;
- Psychological and physical considerations;
- Sibling pathway (is a sibling directly under the student placing both in the same grade); and
- Informed decision of the parent(s)

If you must miss a meeting, we encourage you to contact the school as soon as possible to reschedule the meeting with the Crete Administration. These meetings are critical to your student's academic success.

Pet Policy

Pets, other than service animals, are not allowed on the Crete Academy campus.

Fundraising Policy

1. All fundraising activities are subject to the laws of the Internal Revenue Service, the State

of California, the City of Los Angeles and the policies of Crete Academy.
2. All fundraising for Crete Academy must be approved by the Board before any action is taken.
3. No fundraising for personal gain is permitted.

Family Community – School Partnerships

Crete Academy is committed to developing relationships with all stakeholders in the school. It is crucial that our parents know that the school is a safe, nurturing place for their family and their input and engagement is valued. Sociologist Joyce Epstein states that when "Educators view students as children, they are likely to see both the family and the community as partners with the school in children's education and development. Partners recognize their shared interests in and responsibilities for children, and they work together to create better programs and opportunities for students."

School Community Agreement

At Crete Academy, all members of the school community (faculty, students, and families) are committed to fostering a safe learning environment. Signing the Parent-Student Handbook Agreement Form located at the back of the book signifies that the parent(s)/guardian(s) and student(s) who sign will agree to respect differences among individuals; furthermore, your signature indicates that you will accept responsibility for your words and actions without excuse.
These differences may be physical, mental, social, emotional and/or spiritual. We will use school appropriate language and we will not tolerate any abuse or harassment. Choosing words and actions that help, not hurt others, and will work to keep our school free of verbal and nonverbal put-downs regarding the following:

- Academic progress
- Age
- Gender
- Appearance/body image/mannerisms
- Athletic ability
- Belief systems
- Cultural, ethnic, and/or racial background
- Family background and family composition

Pupil Records, including Challenges and Directory Information

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect.

   The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

   Parents or eligible students who wish to ask the School to amend a record should write the School principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception, which permits disclosure without consent, is disclosure to School officials with legitimate educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student —

1. To other School officials, including teachers, within the educational agency or institution whom the School has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).

2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).

3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).

4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).

5. To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7)).

6. To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8)).

7. To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9)).

8. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
(§99.31(a)(10).

9. Information the School has designated as "directory information" under §99.37. (§99.31(a)(11)).

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks and education or charter school advocacy groups. The School has designated the following information as directory information:

1. Student's name
2. Student's address

3. Parent's/guardian's address
4. Telephone listing
5. Student's electronic mail address
6. Parent's/guardian's electronic mail address
7. Photograph
8. Date and place of birth
9. Dates of attendance
10. Grade level
11. Weight and height of members of athletic teams
12. Degrees, honors, and awards received
13. The most recent educational agency or institution attended
14. Student ID number, user ID, or other unique personal identified used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's social security number, in whole or in part, cannot be used for this purpose.)

If you do not want the School to disclose directory information from your child's education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify:

Community Partnerships

The goal of community partnerships at Crete Academy will be two-fold. The first objective will be to develop our students in a holistic manner, which means using community resources to address the needs that are beyond pure academia.

We will work with community organizations to bring services to the school and develop a process to help parents bring their children to them. The second objective will be to bring community resources to the school that will enhance the academic potential of each student. In particular, we want community resources that make their learning relevant.

Important Medical Information

Immunizations

All students will need to present a written immunization record provided by a physician or the health department prior to the first day of school. Immunizations must be up to date. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines must be excluded from school until the requirements are met.

Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the school. Please check with a doctor to make sure that your child(ren) has been vaccinated and are up to date with all of them.

Tuberculosis Clearance

All kindergarten students, all new first grade students who have never attended kindergarten, must present a written report provided by a health care provider or health department giving the results of a Mantoux test within one year prior to school entry. If the Mantoux test is positive, a diagnostic Chest X-ray will be required.

All new students entering grades 1-5 who have never attended any school in California must present documentation of the results of the Mantoux test done at some previous time. Students entering any grade from any other California school, public, private or parochial are exempt from the requirement.

Physical Examinations

A comprehensive physical examination and health assessment consistent with Child Health and Disability Prevention ("CHDP") guidelines are required for all first-grade students within 18 months prior to entry or up to three months after admission to the first grade. A private physician, or health department clinic may do a CHDP or equivalent examination.

In-School Physical Examinations

Crete Academy complies with all federal and state legal requirements related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the

students were attending a non-charter public school. Crete Academy shall maintain student immunization, health examination, and health screening records on file.
If you do not consent to a physical examination of your child, please submit a statement in writing to that effect to the COO. This denial of consent must happen annually.

Oral Health Assessment

Your child must have an oral health assessment by May 31 in kindergarten or first grade, whichever is his or her first year of public school. A licensed dentist must perform the assessment or other licensed or registered dental health professional. Oral health assessments that have happened within the 12 months before your child enters school also meet this requirement. The assessment/waiver forms are available in the main office or health office.

Health and Medical Conditions

The school office must be notified if a student with a medical or health condition requires accommodations in order to participate in the educational program. An administrator will arrange to meet with the parent/guardian to develop an accommodation plan for the student's medical condition. Students with diabetes, severe asthma, or severe allergies should have an accommodation plan at the school.

CEP & Free and Reduced-Price Meals
The School participates in the National School Lunch Program and CEP – Community Eligibility Provision. All students will receive breakfast and **lunch** at no charge to all students so that they can be fueled and ready to learn. Information for CEP is included in the first day packets to all families and can also be obtained on the School website and in the main office. All families are encouraged to participate in the CEP program.

Administration of Medication

Students may not carry or self-administer medication in school under any circumstances. A student who needs to take medication during school hours must have a statement to this effect on file at the school, signed by the prescribing physician and the parent/guardian. The required forms are available from the school office. School personnel do not prescribe or give advice regarding any kind of medication.

- At NO time, may students carry prescribed medications (e.g., inhaler) or over-the- counter medications (e.g., Motrin, Tylenol, or cough drops or medicine) to and from school, and/or self- administer them.
- No medications are accepted without the Request for Medication To Be Taken During School Hours form
- It shall be the parent's responsibility to keep the school informed regarding a change in medication and dosage. A new form must be completed for each change of medication and at the beginning of each school year.
- Medication must be dropped off by the parent/guardian.
- All medications must be kept in a locked cabinet in the office.

- Medications that need to be administered at school must be given to the office staff ONLY. This policy is for safe practice and must be followed without exception. n Medication must be brought in a pharmaceutical container clearly marked with the child's name, name of medication, dosage, and pertinent instructions. Non- prescription medication must come in its original box or container, complete with name and dosage of the medicine. No medication will be given if sent in an envelope or bag.
- Medications that are kept in the office may not be transported to and from school on a daily basis.
- Usually, medications may be divided by pharmacists at no additional charge into two separate bottles, one for school administration and one for home administration.
- If your child needs to take medication during a field trip, please plan several days in advance with the office staff and your child's teacher. Medications may not be dropped off at the last minute.

RETURNING MEDICATIONS TO PARENTS/GUARDIANS AT THE END OF THE YEAR

- Each parent/guardian will receive a reminder notice regarding the medications that are remaining in the school's office that will need to be picked up by a parent.
- There is a deadline for picking up medication; and after the deadline, all unclaimed medications are disposed of properly.

Other Medical Conditions

A student returning to school with sutures, casts, crutches, brace(s), or a wheelchair must have a physician's written permission to attend school and must comply with any safety procedures required by the school administration. A student returning to school following a serious or prolonged illness, injury, surgery, or other hospitalization, must have written permission by the health care provider to attend school, including any recommendations regarding physical activity. A parent's written request for an excuse from participation in physical education will be accepted for up to 3 days; thereafter, a written request is needed from the student's health care provider.

Communicable Diseases

A student suspected of having a communicable disease will be excluded from school until guidelines for readmission are met.

Lice

Outbreaks of lice in Los Angeles are very common. The school follows the suggested preventative routines outlined by the Los Angeles County Health Department. These routines include periodic head checks and disinfecting of all necessary areas in the school. If you discover that anyone in your family has lice, please notify the school immediately. If it is discovered that your child(ren) has lice eggs and/or lice in his/her hair, they will be sent home. Your child(ren) may return to class when he/she has been effectively treated and the office inspects your child(ren).

Ringworm

Ringworm is an infectious disease characterized by scaling or cracking of the skin. In severe cases vesicular lesions appear on various parts of the body. Students with ringworm will be sent home and require a doctor's note indicating that the ringworm is not contagious and the student may be readmitted.

Chicken Pox

An effort will be made to notify parents/guardians about school exposure to chickenpox. The parent/guardian of a student for whom chicken pox presents a particular hazard should contact the school to facilitate communication. Students at risk include those with conditions affecting the immune system and those receiving certain drugs for the treatment of leukemia or organ transplants.

INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Crete Academy (hereinafter referred to as "Crete Academy" or the "School"). It explains some of our philosophies and beliefs and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice. Crete Academy also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the SL/PRINCIPAL.

Employees must sign the acknowledgment form at the beginning of this Handbook, tear it out, and return it to the SL/PRINCIPAL. This will provide the school with a record that each employee has received this Handbook.

Mission

Crete Academy will provide a rigorous, college preparatory education to historically underserved TK-6 students.

Academic Philosophy

An unwavering focus on its mission to prepare a student's mind, body, and soul to enter and succeed in college serves as the single guiding principle for every aspect of Crete Academy's educational program and instructional methodology. Fundamentally, the Crete Academy community acts upon the belief that all students can learn at high levels and deserve the opportunity to receive a college preparatory public education. Crete Academy believes in establishing clear and measurable goals for academic performance for every leader, teacher, and student, and believes that it is ultimately the responsibility of adults at Crete Academy Schools to do whatever it takes to ensure students meet the high academic and social standards set for them.

Foundational Beliefs

Crete Academy staff members embody and teach these values:

- **Character**: Crete is dedicated to ensuring students have strong character, which means they are honest, trustworthy, have integrity, and a strong sense of perseverance.

- **Responsibility**: Crete students will be taught to take responsibility for their actions. Students will learn humility in times of celebration and acceptance in times of failure.

- **Excellence**: Crete students will do all things with excellence, understanding that they are not perfect, but they are always asked to do their best.

- **Equality**: Crete students will learn to appreciate and embrace the differences of others, including but not limited to individuals of different ethnic backgrounds, religious faiths, sexual preferences and learning abilities. Students will learn that everyone deserves to experience life equally and should not be treated differently based on circumstances beyond their control.

- **Teachability**: Crete students will be taught the growth mindset in order to remain life- long learners. This means students will have an understanding that intelligence is not fixed.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

Crete Academy is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race;
- Color;
- Gender (including gender identity and gender expression);
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);
- National origin or ancestry (including native language spoken);
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act ("FMLA"), Pregnancy Disability Leave ("PDL") law, Americans with Disabilities Act ("ADA"), California Family Rights Act ("CFRA"), or the Fair Employment and Housing Act ("FEHA");
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job. Crete Academy then will conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform his or her job. Crete Academy will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment At-Will

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered "at-will" employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have "cause" to terminate an employee or otherwise restrict the School's right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School's right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School's policy regarding "at-will" employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents, whether singly or combined, or any employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

Crete Academy will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars ($1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

Criminal Background Checks
As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of students takes precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be convicted of a controlled substance or sex offense, or serious or violent felony, the employee must immediately report such a conviction to the SL/PRINCIPAL.

Tuberculosis Testing
All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

Credentialing and Every Student Succeeds Compliance
As required by law per E.C.., 47605(1) teachers in charter schools shall hold the Commission on Teacher Credentialing certificate, permit or other document required for the teacher's certificated assignment including English Language Learner.

Immigration Compliance

Crete Academy will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, Crete Academy will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States.

Professional Boundaries: Staff/Student Interaction Policy

Crete Academy recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One

viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Similarly, students should never be in a room without a chaperone. All non-Crete Academy staff chaperones must sign a chaperone agreement in advance of the trip.

Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation

Crete Academy is committed to providing a work and educational atmosphere that is free of unlawful harassment, sex based harassment, discrimination, and retaliation. Crete Academy's policy prohibits unlawful harassment, sex based harassment, discrimination, and retaliation based upon: race; color; gender (including gender identity and gender expression); sex (including pregnancy, childbirth, breastfeeding, and related medical conditions) sex stereotypes, sex characteristics; religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated or retaliated against, based upon the characteristics noted above.

Crete Academy does not condone and will not tolerate unlawful harassment, sex based harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the SL/PRINCIPAL or designee.

When Crete Academy receives allegations of unlawful harassment, sex based harassment, discrimination, or retaliation, the Board (if a complaint is about the SL/PRINCIPAL) or the SL/PRINCIPAL or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. Crete Academy is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sex Based Harassment

Crete Academy is committed to providing a workplace free of sex based harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sex based harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

Sex based harassment is also unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the education program or activity (i.e., creates a hostile environment).

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive sexual harassment, discrimination, and retaliation training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that

a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment training and/or

instruction concerning sexual harassment in the workplace as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been a victim of sex based harassed or has witnessed sex based harassment is encouraged to immediately report such harassment to the SL/PRINCIPAL in writing or verbally. The SL/PRINCIPAL will respond promptly and effectively to all sex based harassment reports. See **Appendix A** for the "Harassment/Discrimination/Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form."

Sex based harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
    - Rape, sexual battery, molestation or attempts to commit these assaults and
    - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
    - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
    - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
    - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
    - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
    - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
    - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sex based harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate Crete Academy policy.

Temporary restraining orders and protective orders: Employee Harassment.

An employee that has suffered unlawful violence, harassment or a credible threat of violence from any individual that can reasonably be construed to be carried out or to have been carried out at the workplace, may seek a temporary restraining order and an injunction against an employee at Crete Academy. Crete Academy may also seek a temporary restraining order on behalf of an employee if reasonable proof is shown that an employee has suffered unlawful violence, harassment or a credible threat of violence and that a great or irreparable harm would result to an employee if the order were not issued.

Workplace Violence

Crete Academy is committed to providing a safe workplace for all staff members. The purpose of this policy is to minimize the risk of personal injury to staff members and damage to personal and School/Program property. It is the policy of Crete Academy to expressly prohibit any acts or threats of violence by any third parties against any other staff member in or about its facilities or elsewhere at any time. Crete Academy will not tolerate any acts or threats of violence against its staff members or visitors by any individual on its premises at any time or while such individual is engaged in business with or on behalf of Crete Academy, on or off its premises. Crete Academy prohibits the bringing of unauthorized firearms or other weapons onto School premises.

Crete Academy will take prompt remedial action, up to and including immediate discharge, against any staff member who engages in threatening behavior or acts of violence or who use any obscene, abusive or threatening language or gestures.

In furtherance of this policy, staff members have a duty to warn the SL, security personnel, or any other member of the management team with whom the staff member feels comfortable, of any suspicious workplace activity involving any third party which could impact the School or those on the School campus. This includes, but is not limited to, threats or acts of violence, display of weapons, extreme agitation, stalking, aggressive behavior, offensive acts and any other injurious or destructive action or remark made for the purpose of domination or intimidation.

Staff member's reports made pursuant to this policy will be held in confidence, to the extent possible. Crete Academy Schools will promptly and thoroughly investigate all reports of violence, threats of violence or suspicious individuals or activities. No staff member will be subjected to retaliation, intimidation or disciplinary action as a result of reporting a threat in good faith under this policy.

Staff members who violate this policy will be subject to disciplinary action up to and including termination of employment.

Workplace violence: restraining orders and workplace violence prevention plan:

- Starting January 1, 2025, Crete Academy's representative or a collective bargaining representative of an employee, before filing such a petition, to provide the employee who has suffered unlawful violence or a credible threat of violence from any individual an opportunity to decline to be named in the temporary restraining order. An employee's request to not be named in the temporary restraining order would not prohibit a Crete Academy representative or a collective bargaining representative from seeking a temporary restraining order on behalf of other employees at the school site and/or district site, and, if appropriate, other employees at other school sites and/or district site of Crete Academy.

Whistleblower Policy

Crete Academy requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a

governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Protected employee conduct:

Under the current law, an employee who is discharged, threatened with discharge, demoted, suspended, retaliated against, subjected to adverse action, or in any other manner discriminated against in the terms and conditions of their employment because among other things, the employee engaged in protected conduct, as specified, the employee shall be entitled to reinstatement and reimbursement for lost wages and work benefits caused by those acts of the employer.

Substance-Free Workplace

Crete Academy is committed to maintaining an environment free of drugs and alcohol. Staff members are strictly prohibited from using drugs or other controlled or intoxicating substances or alcohol in the workplace, or during work hours. Staff members are also prohibited from engaging in the unlawful or unauthorized manufacture, possession, consumption, trade, sale, or distribution of drugs and/or alcohol in the workplace. However, nothing in this policy precludes the appropriate use of legally prescribed medications, so long as the use of such medications does not adversely impact job performance. The SL/CEO may grant advanced approval for the consumption of alcohol on School premises for events where no students are present and at which consumption of alcohol by individuals under the legal drinking age is strictly prohibited. Violations of this policy may result in disciplinary action, up to and including termination. Staff members with questions regarding this policy or issues related to drug or alcohol use in the workplace should raise their concerns with the SL/HR. Staff members may do so without fear of reprisal by Crete Academy.

Confidentiality

While at Crete Academy, staff members will learn, have access to, or work with and be entrusted with confidential information. It is against Crete Academy's policy for staff members to use or disclose the School's/Program's "Confidential Information" to third parties without prior authorization. "Confidential Information" means any information that has been or which may be disclosed to, created by, or obtained by Crete Academy staff members in the course of

All outside requests for information should be sent directly to the School Leader and Crete Academy's Chief of Operations. Staff members shall not, without the prior written consent of the School/Program, use or disclose to any third party any of the Confidential Information described herein, directly or indirectly, either during the staff member's employment with the School/Program or at any time following the termination of staff member's employment with the School/Program.

When discussing a particular student's behavior plan or strategies for students, the communication should remain one of process and procedures and at no time should the communication be relating to symptoms of behavior or specific individual circumstances.

Conflict of Interest

All employees must avoid situations involving actual or potential conflict of interest. An employee involved in any relationships or situations which may constitute a conflict of interest should immediately and fully disclose the relevant circumstances to the SL/PRINCIPAL, or the Board of Directors, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action.

Acceptance of Gifts and Favors

Staff members are prohibited from:

- Soliciting for themselves or for a third party (other than Crete Academy itself) anything of value from anyone in return for any business, service, or confidential information of Crete Academy or its students.
- Accepting anything of value (other than bona fide salary, wages, and fees) from anyone in connection with Crete Academy business either before or after a transaction is discussed or consummated other than occasional nominal parent or student gifts.

All gifts received or offered, other than the exceptions listed below, should be disclosed in writing immediately to the PRINCIPAL. The exceptions are:

- Benefits that are available to the general public on the same conditions;
- Acceptance of gifts, gratuities, amenities, or favors that are based on family or personal relationships, independent of any school business (such as those with parents, children, and spouses) when the circumstances make clear that it is those relationships, and not the business of the School, that are the motivating factors;
- Meals, refreshments, travel arrangements, accommodations, recreational trips, attendance at sporting events or entertainment of reasonable value in the course of a meeting or other occasion, the purpose of which is for a bona fide business discussion or part of an effort to foster better school operations, the expense would be one Crete Academy would pay as a reasonable business expense if not being paid by another party;

- Acceptance of civic, charitable, educational, or religious organizational awards for recognition of service and accomplishment. The monetary value of such awards should not exceed $25.00 in value.

Violation of these rules will result in appropriate disciplinary action. Depending upon the severity and circumstances of the violation, such action could range from requiring reimbursement to termination of the staff member involved in the violation.

Smoking

The Crete Academy facility is a no smoking facility.

THE WORKPLACE

Office Hours and Attendance

At Crete Academy, we believe that anything is possible and work hard every day to prove that for all of our community members. The regular workday for Crete Academy staff members shall be determined by the academic schedule and any extracurricular activities for which staff members have responsibilities. The regular office hours of Crete Academy are Monday through Friday, 7:30 a.m. to 4:00pm, unless otherwise stated.

These hours reflect the minimum expected hours for staff members and a different schedule may be required in some positions. Hours may be set and adjusted by the SL, and staff members will receive notice of any change. A staff member who will be late to work must inform his or her SL or the SOM (School Office Manager) for School-based operations staff prior to his or her regular start time. A staff member who must be absent for any reason during work hours must inform his or her SL/SOM in advance. Planned absences must be scheduled and approved in advance by the SL or the SOM for school- based operations staff. A staff member that is unable to attend work due to illness or a serious personal reason must contact the SL at least two (2) hours before s/he is scheduled to begin work. A staff member must report in each day that s/he will be absent and a doctor's note may be required before s/he is permitted to return to work. If a staff member fails to report in on a morning s/he is absent, that individual will be deemed to have taken an unauthorized absence and will be subject to discipline, up to and including termination. Staff members who fail to report in for three (3) consecutive days without authorization may be deemed to have abandoned their jobs.

Frequent lateness or absenteeism will affect performance and may affect the ability of others to perform their work. For this reason, excessive lateness and absenteeism will result in disciplinary action, up to and including termination. Documentation for reason of absence may be requested by the SL/PRINCIPAL at any time at their sole discretion.

Critical Days

Critical Days are defined as periods of school operations where it is critical that all staff be in attendance. All days immediately before or after a school holiday are designated critical days and will not be approved. An employee may waive this meal period if the day's work will be completed in no more than six (5) hours, provided the employee and Crete Academy mutually consent to the waiver in writing.

Non-exempt employees are also provided with a ten (10) minute rest period for every four (4) hours worked which should be scheduled towards the middle of the four (4) hour work period as practicable. Employees are prohibited from combining meal and rest period time.

An employee's supervisor must be aware of and approve scheduled meal and rest periods. Employees must immediately inform their supervisor if they are prevented from taking their meal and/or rest periods. Employees are expected to observe assigned working hours and the time allowed for meal and rest periods.

Protection for Pregnancy

Crete Academy will ensure equal access for pregnant and parenting staff, such as class breaks, lactation space, intermittent absences to attend medical appointments, and other support based on individualized needs. All staff must speak to their immediate supervisor about the specific pregnancy and/or parenting need, so Crete Academy can ensure accommodation is arranged.

Lactation Accommodation

Crete Academy accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the non-exempt employee shall be unpaid.

Crete Academy will make reasonable efforts to provide employees who need a lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

Pump Act

Crete Academy will provide nursing mothers with a reasonable break time to express breast milk for their nursing child and a place to pump at work, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public.

Time Cards/Records

By law, Crete Academy is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall keep be required to utilize the School's time card system.

Non-exempt employees must accurately clock in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time card indicates when the employee arrived and when the employee departed. All non-exempt employees must clock in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or

makes an error on the time card, the employee must contact the SL/PRINCIPAL to make the correction and such correction must be initialed by both the employee and the SL/PRINCIPAL.

Non-exempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

1. Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols.

2. The email system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs or political beliefs may not be displayed or transmitted.

System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.

5. Employees should not use personal devices or email accounts for School-related communications. Such communications should only take place using School-issued devices and via the employee's Crete Academy email account.

Purchasing

Staff members must follow the Purchasing Policy set forth below:

<u>Purchase Requests</u>

All purchase requests must be pre-approved. Requests should be submitted in writing, even if a verbal request is also made. Once written approval is received, the staff member may submit a purchase request on the appropriate finance form. The Office Manager/School Operations Manager is responsible for submitting purchase requests for office supplies and program supplies. Requests should be made in writing on the appropriate form.

Getting Reimbursed

1. *Remember to get an itemized receipt.* EVERY EXPENSE NEEDS A RECEIPT. The following items are not sufficient documentation: packing slips, online shopping cart print outs, and other items that do not state the amount of the purchase and confirm that the purchase was made.

   Original receipts, a copy of the receipts, a packing slip for shipped goods, should be stapled to the reimbursement form. Multiple receipts from multiple vendors may be attached to a single Reimbursement Request form. Please keep a copy of the receipt and the reimbursement form for your records. This will protect staff members in case paperwork is misplaced at any point during the process.

2. *Fill out a Reimbursement Request Form.* Forms are available from the SOM. When describing the purchase on the form, staff members should complete the form thoroughly, including the description line, and avoid use of the term "miscellaneous." The person submitting the form must sign the reimbursement form. Reimbursement Forms should be submitted within one week of purchase to your SOM, after obtaining school leader or PRINCIPAL approval.

   Please note: Crete Academy does not distribute petty cash or cash advances. If a vendor will accept a check, staff members may also request a check through their SOM (using the Check Request form) for the vendor in advance and thus avoid making an out of pocket purchase, after obtaining school leader or manager approval.

Crete Academy Property

Crete Academy property (including but not limited to computers, cellular telephones, photocopiers, and other equipment, machines or tools) is essential in accomplishing job duties and often is expensive and may be difficult to replace. When using Crete Academy property, staff members are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards and guidelines.

Staff members must notify their SL/SOM if any School/Program Property appears to be damaged, defective or needs repair. Prompt reporting of loss, damages, defects and the need for repairs could prevent deterioration of equipment and possible injury to staff members or others. Staff members also are prohibited from any unauthorized use of Crete Academy intellectual property, such as audio and videotapes, print materials and software. Staff members who practice improper, careless, negligent, destructive, or unsafe use or operation of equipment will be subject to discipline, up to and including discharge.

The School/Program is not responsible for any damage to staff member's personal belongings.

Securing Equipment In and Out of the Classroom

When securing both teacher issued equipment, and equipment designated for student use, please observe the following protocols:

- Do not share, or allow a student to see, a lock combination when retrieving or returning laptops to a mobile cart.

- Always scramble the combination when the lock is not in use.

- Always lock mobile cart when exiting classroom.

- Over weekends and holidays, in addition to securing laptops, freestanding projectors are to be secured in a locking cabinet or drawer within the classroom. If you do not have a secure area in your classroom, or if this area becomes compromised at any point, notify the office immediately.

- Staff-issued laptops should be taken with you at the end of the day, or secured in a locked cabinet before leaving campus.

- If loss does occur, and it is determined that any of the above protocols were not followed at the time of the loss, the responsible staff member may be required to compensate Crete Academy for the value of the lost equipment.

Maintaining Electronic Equipment in Your Classroom

The electronic equipment provided to you by Crete Academy is costly and its proper upkeep is important.

Laptops: Refrain from downloading any 3rd Party Application from social networking sites, as these lead to a large number of computer viruses and hard drive failures.

The Limits of Staff Member Responsibility

Staff members will not be held responsible for any hardware defect that occurs at no fault of the user, or if that hardware is under warranty. In addition, virus and wireless issues that arise are expected and will be fixed by the technology team. Any misplaced or stolen electronic equipment, that cannot be located within a reasonable period of time, may become the responsibility of the staff member if it is determined that protocol was not followed. If this is the case, that staff member may be required to compensate Crete Academy for the value of the lost or stolen equipment.

Monitoring Student Laptop Use In the Classroom

It is expected that while students are engaged in online learning in the classroom, that any staff member in the room make every reasonable attempt to ensure students are not being exposed to

material inconsistent with the assigned online task. This requires consistent circulation and/or positioning within the room so as to always have each laptop screen within view.

If students attempt to shield their screen from an adult in the classroom, it is assumed that material inconsistent with the assigned activity is displayed, and laptop use privileges should be restricted.

If it is determined that a teacher has intentionally given a student a restricted password, or access to restricted sites, that teacher may have their set of laptops removed from their possession for an indefinite period of time.

Online Communication with Students

Many of our students communicate via social networking sites, instant messenger clients, and email. If there is a need for a staff member to communicate online with a student, they are to do so through one of the online instructional programs Crete Academy has purchased.

Procedures for Resolving Technology Issues

If you experience technical difficulty with any of the Crete Academy issued hardware or software assigned to you, your students, or your classroom, it is required that you report that problem to the SOM.

When issues are communicated to Crete Academy's SOM, issues are addressed within 48 hours. If your issue is one that prohibits you from getting online to fill out the form, call or text message the SOM with your request.

Personal Business

Crete Academy's facilities for handling mail and telephone calls are designed to accommodate School business. Employees should have personal mail directed to their home address and limit personal telephone calls to an absolute minimum (Urgent or Emergency). If you are found to be using your phone for non-urgent personal use during work hours, you may be subject to disciplinary action, including dismissal. Personal calls should not be made outside the immediate dialing area. Do not use School material, time or equipment for personal projects.

Personal Property

Loss of, or damage to, personal property is not the responsibility of Crete Academy, even if the damage or loss occurs on Crete Academy's grounds.

Involvement in Civic, Trade, Educational, Charitable, and Fraternal Affairs

Crete Academy encourages staff members to participate in civic and charitable activities. Staff members choosing to participate in civic, charitable, political, and professional association activities are responsible for seeing that such participation does not result in any actual or apparent conflict of interest.

Staff Travel

Staff members are eligible for reimbursement for certain expenses incurred while traveling on official Crete Academy business. To be eligible for travel reimbursement, staff members must have transportation, lodging, and meal-spending limits approved in advance by the SL/PRINCIPAL. All requests for travel reimbursement must be made in accordance with the reimbursement policy in this handbook and be accompanied by proof of expenditures and payments. The final decision on whether to reimburse staff members for any such expenses will be made the SL/PRINCIPAL, in his or her sole discretion. In every case, the means of transportation which is least expensive to Crete Academy and which is in the interest of efficiency, with proper consideration of circumstances, should be used. For car rentals, Crete Academy will not reimburse for liability coverage because it carries liability coverage through its insurance policy. Staff members must purchase the physical damage/loss damage waiver coverage for physical damage coverage to the vehicle itself.

Disciplinary Physical Contact With Students

It is the policy of Crete Academy that no teacher or other staff member will use corporal punishment against a student. This prohibition includes spanking, slapping, pinching, hitting, tying, taping, or the use of any other physical force as retaliation or correction for inappropriate behavior.

STAFF-STUDENT INTERACTIONS

While the use of appropriate touching is part of daily life and is important for student development, teachers and other staff members must ensure that they do not exceed appropriate behavior. If a child or other staff member specifically requests that he or she not be touched, then that request must be honored without question.

Boundaries Defined

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member's point-of-view but could be perceived as flirtation or sexual insinuation from the perspective of students or parents. There is no single reasonable person standard. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or "grooming." Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Violations could subject the teacher or staff member to discipline up to and including termination. *Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.*
Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior intended to be addressed by this policy.

1. Giving gifts of a personal and intimate nature (including photographs) to a student; or items such as money, food, outings, electronics, etc. without the written pre-approval of the Principal or School Leader. 22. Prioritizing professional behavior during all moments of student contact
23. *Asking yourself if any of your actions, which could be contrary to these provisions, are worth sacrificing your job and career.*

This policy does not prevent: 1) touching a student for the purpose of guiding them along a physical path; 2) helping them up after a fall; or 3) engaging in a rescue or the application of Cardio Pulmonary Resuscitation (CPR) or other emergency first-aid. Nor does it prohibit the use of reasonable force and touching in self-defense or in the defense of another. Restraining a child who is trying to engage in violent or inappropriate behavior is also allowed. Only such force as necessary to defend one's self, another person, or the child or to protect property is legally permitted. Excessive force is prohibited.

Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, he or she must report the suspicion to the Principal promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct occurred. Prompt reporting of observations falling into the unacceptable range of adult behavior with students is essential to protect students, the staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any

situation in which a student appears to be at risk for sexual abuse.

Child Abuse / Sexual Abuse Reporting (Mandatory Reporting)

If, within your professional capacity or within the scope of your employment, you observe or gain possession of knowledge that a child has been a victim of child abuse or sexual abuse, or you reasonably suspect it, **California Penal Code Section 11166 requires YOU to immediately report this information or suspicion directly to a child protective agency or the police**. The report shall be made by phone as soon as possible and a subsequent written report must be sent within 36 hours of your knowledge or suspicion of the abuse. Internal reporting to the Principal occurs after the phone-in report. Failure to meet these obligations can result in a monetary fine and/or jail.

Investigating

The Principal will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Principal shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

In accordance with California Code of Regulations, Title 5, Section 80303, Crete Academy will report any teacher misconduct to the California Commission on Teacher Credentialing.

Social Media

Because communications to the public that undermine confidence in individual Crete Academy staff members may make it more difficult to manage and motivate students, faculty should not use blogs, web pages or social networking sites to present information about themselves, colleagues or students that may undercut the reputation of Crete Academy or that may open anyone associated with Crete Academy Schools to criticism. Pictures or descriptions of conduct that would subject a teacher to school discipline could be detrimental to that teacher's status as an educator and could negatively impact the academic process of Crete Academy.

Staff members should also consider carefully the impact on Crete Academy of information presented on a personal blog, website, or social networking site. Although maintaining the blog/website is private conduct, information connecting the writer with Crete Academy may impact on the writer's own status among colleagues, may be hurtful to colleagues, may be misconstrued by parents, and may become a subject of gossip among students. To the extent that such "blogging" or use of a web site or social networking site impairs a staff member's ability to command respect among colleagues, students and parents it interferes with Crete Academy's educational mission and must be avoided. Violation of any of these guidelines may result in instant dismissal.

Professional Appearance

In order to model professionalism for our students, staff members are expected to present a neat, professional appearance at all times. The following are generally regarded as inappropriate dress while school is in session: athletic wear, spandex or leggings, flip flops, thong sandals, crocs, beach shoes, tank tops/midriff tops/halter tops, or mini-skirts. The SL may notify staff members in advance of a casual dress day. There will also be a weekly college day designated by the SL. On college day staff are encouraged to wear casual pants/jeans and shirts, sweatshirts and hats representing the college/university of their choice. Wearing a Crete Academy shirt is always encouraged during any casual dress days.

Please note yard staff are required to wear closed-toed and rubber-soled shoes at all times based upon the nature of the work being done. Managers will have more specific information as this applies to staff members.

CRETE ACADEMY NEPOTISM POLICY

Crete Academy permits the employment of relatives of employees, of the employee's household or immediate family as long as such employment does not, in the opinion of Crete Academy, create actual conflicts of interest. For purposes of this policy, "qualified relative" is defined as a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, first cousin, corresponding in-law, "step" relation, or any member of the employee's household. Crete will use sound judgment in the placement of related employees in accordance with the following guidelines: Individuals who are related by blood, marriage, or reside in the same household are permitted to work in the same department, provided no direct reporting or supervisor-to-subordinate relationship exists. That is, no employee is permitted to work within "the chain of command" when one relative's work responsibilities, salary, hours, career progress, benefits, or other terms and conditions of employment could be influenced by the other relative. Employees who marry while employed, or become part of the same household are treated in accordance with these guidelines. If in the opinion of Crete Academy, a conflict arises as a result of the relationship, one of the employees may be transferred at the earliest practicable time. The

BOARD OF DIRECTORS must approve any exceptions to this policy.

Media Inquiries

Crete Academy has designated spokespersons for dealing with the media. All media inquiries regarding Crete Academy must be referred to the CEO and PRINCIPAL.

Health and Safety Policy

Crete Academy is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are always required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices. Employees are required to report immediately to the SL/PRINCIPAL any potential health or safety hazards, and all injuries or accidents.

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Security Protocols

Crete Academy has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the SL/PRINCIPAL. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a workstation that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the SL/PRINCIPAL when keys are missing or if security access codes or passes have been breached.

Occupational Safety

Crete Academy is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. Crete Academy's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Administering Medicine

Except as otherwise set forth in writing by a parent or guardian for emergencies during a field trip, Crete Academy staff members must never give a student medicine of any sort. If a student becomes ill, the student should be sent to the School's office. If a student needs medication during school hours, parents must submit a written request to the school staff indicating the type of medication, dosage, and time of administration along with the medication in its original sealed container. *Note: additional select staff members are trained in administering medicine.

Transportation of Students/Alumni

Staff members may occasionally be in a position to provide transportation for students. With the exception of emergency situations or for medical need, students should never be transported without prior written permission from a parent. Students should be transported directly to their destination. Staff members must avoid unnecessary and/or inappropriate physical contact with students while in vehicles. In the event of any incident in a staff member's car while on Crete Academy business, the staff member's personal coverage will be the primary insurance. Crete Academy insurance will serve solely as secondary insurance.

Field Lessons Permission Slips

All staff members must obtain a signed permission slip from a parent or guardian for any off-site outing regardless of the number of students/alumni (under the age of 18) involved and the date/time of the outing. This includes but is not limited to individual school off-site events and small group outings like rewards trips. Permission slips should be kept on file for at least one year following the field trip/event. All schools/programs must use the standard Crete Academy permission slip for each and every field trip/event. ("Universal" or "blanket" permission slips or verbal consent is not considered sufficient for student participation in a field lesson/event.). Staff members should bring along a first aid kit on any group outing/event.

If a student/alum is going to stay at school later than 6:00 p.m. on a consistent basis, a signed permission slip from a parent must be maintained on file in the school.

Crisis Management

Fights: Staff members are expected to use their best judgment to protect both students and themselves should there be a student fight. Staff members should never use excessive force in disarming conflicts.

Fire: If staff members notice smoke or a fire, the staff members will follow the protocol developed for fire drills and evacuate the building in an orderly fashion. This protocol is distributed to all staff members and is available from the School Operations Manager. The police and fire department will be notified.

Medical Emergencies: If at all possible, the staff member who is made aware of the medical emergency will handle it or alert another staff member known to be qualified to handle it. In the case of any medical emergency, the child's parent, guardian, or emergency contact will be called and, if need be, an ambulance will be called as soon as possible.

Emergency Closings

If the Los Angeles Unified School District public schools close due to bad weather, then Crete Academy will also close. In the event that weather conditions become hazardous during the school day, Crete Academy will follow the early dismissal policies of the Los Angeles Unified School District.

Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) and State Disability Insurance from each employee's pay as follows:

1. Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.

2. State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.

3. Social Security (FICA): The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School.

4. State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.

Every deduction from an employee's paycheck is explained on the check voucher. If an employee does not understand the deductions, he or she should ask the SL/PRINCIPAL to explain them.

Employees may change the number of withholding allowances claimed for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to the SL/PRINCIPAL. The office maintains a supply of these forms.

All Federal, State, and Social Security taxes will be automatically deducted from paychecks. Federal Withholding Tax deduction is determined by the employee's W-4 form. The W-4 form should be completed upon hire and it is the employee's responsibility to report any changes in filing status to the SL/PRINCIPAL and to fill out a new W-4 form.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security information, taxes withheld and total wages.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case- by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Non-exempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for non-exempt employees. Crete Academy will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the SL/PRINCIPAL. Crete Academy provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

> For employees subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime. Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve (12) in one workday and an excess of eight (8) on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to these exempt employees.

Paydays

Paydays occur on a bi-monthly basis on the 10th and 25th day of each month, except when those days fall on a holiday or a weekend, in which case the payday occurs on the prior workday. All professional development days are treated as regular workdays. Direct deposit is mandatory as of August 30, 2017. Upon initial employment with Crete Academy or when changing bank accounts or direct deposit method, employees will receive a paper voucher check until the direct deposit bank account is verified. Typically, the account is verified within one payroll cycle whereas the employee will receive his or her first payment via paper voucher check.

Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented a second garnishment request concerning an employee, the SL/PRINCIPAL will discuss the situation with the employee.

Benefits

Crete Academy intends to provide all full-time employees with medical, dental and vision insurance; however Crete Academy retains the right to terminate or amend such coverage at any time. The eligibility requirements for the specific coverage, eligibility periods and benefits payable under the plans offered by Crete Academy are described in insurance brochures, which may be obtained from the Executive Director of Human Capital. Coverage may change from time to time. Employees may be required to pay for coverage for themselves and/or their family members.

COBRA Benefits

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon

the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or

- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;

- The employee and his/her spouse become divorced or legally separated;

- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reach age sixty-five (65); or

- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

Crete Academy will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, die, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. Crete Academy will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;

- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;

- Crete Academy stops providing group health benefits;

- The employee (or the employee's spouse or child) become entitled to Medicare; or

- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

Retirement Benefits

Employees at additional Crete Academy schools will be given the option to participate in the organization's 403(b) program.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Each employee will receive periodic performance reviews conducted by the SL/PRINCIPAL. Performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems.

Performance evaluations may review factors such as the quality and quantity of the work performed, knowledge of the job, initiative, work attitude, and attitude toward others. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of the School and depend upon many factors in addition to performance. After the review, an employee will be required to sign the evaluation report simply to acknowledge that it has been presented to them, that they have discussed it with the SL/PRINCIPAL, and that they are aware of its contents.

Newly hired employees may have their performance goals reviewed by the SL/PRINCIPAL within the first ninety (90) days of employment.

Salary and potential for advancement will be based largely upon job performance. On a periodic basis, the SL/PRINCIPAL will review employee job performance with an employee in order to establish goals for future performance and to discuss your current performance. Crete Academy's evaluation system will in no way alter the at-will employment relationship.

Personnel Files and Record Keeping Protocols

At the time of employment, a personnel file is established for you. Please keep the SL/PRINCIPAL advised of changes that should be reflected in your personnel file. Such changes include: change in address, telephone number, marital status, number of dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact you should the change affect your other records.

You have the right to inspect documents in your personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. You also have the right to obtain a copy of your personnel file as provided by law. You may add your comments to any disputed item in the file. Crete Academy will restrict disclosure of your personnel file to authorized individuals within the School. A request for information contained in the personnel file must be directed to the SL/PRINCIPAL. Only the SL/PRINCIPAL or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

Staff members are paid on a twelve (12) month basis, although School-based employees, other than School-based operations employees, only work during the school year. During the school year, School-based staff members are only paid for days worked on days that the school is open unless this policy specifically provides for paid time off. Please consult your School's site calendar for holidays, variations in breaks and intersessions during the school year.

Each school year, Crete Academy will be closed on the following days, which are paid holidays for all Salaried Crete Academy employees:

- Labor Day
- Veterans' Day
- Thanksgiving Break
- Winter Break
- Martin Luther King, Jr. Day
- Presidents' Day
- Cesar Chavez Day
- Spring Break
- Memorial Day

Please note that the Crete Academy holiday calendar is subject to change annually. Salary School-based staff members, with the exception of school-based operations employees, have no paid vacation other than paid holidays and sick days. Employees who observe religious holidays not listed above shall communicate the need for additional days off with his or her School Leader or manager.

Unpaid Leave of Absence

Crete Academy recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

During a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, the employee's medical and dental benefits will remain in force, provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

PTO

Each employe at Crete is granted two Personal Time Off (PTO) days or an hourly equivalent, per calendar year which is based on an accumulation of time worked at the Organization. The PTO day must be requested in writing, using the PTO Form, submitted to the employee's supervisor no less than one business week before the requested PTO date. If a salaried employee elects not to make use of the PTO days, they will receive a $250 stipend at the end of the school year.

Hourly employees will be eligible for the 2 days of PTO based on an accumulation of time worked at the Organization. The PTO day must be requested in writing, using the PTO Form, submitted to the employee's supervisor no less than one business week before the requested PTO date. If a hourly employee elects not to make use of the PTO days, they will receive a $250 stipend at the end of the school year.

Sick Leave

To help prevent loss of earnings that may be caused by accident or illness, or by other emergencies, Crete Academy offers paid sick leave to its employees. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners, grandparents, grandchildren, siblings, or any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship) who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Employees may also take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

Paid sick leave is available to full-time and part-time employees and is given at the beginning of the school year and/or once an employee starts at Crete Academy. All eligible employees get access to 40 hours (5) days of sick leave each work year.

Sick leave must be taken by employees in increments of two (2) hours.

If employee is absent longer than three (3) days due to illness, medical evidence of employee's illness and/or medical certification of employee's fitness to return to work satisfactory to the School may be required. The School will not tolerate abuse or misuse of sick leave. If the School suspects abuse of sick leave, the School may require a medical certification from an employee verifying the employee's absence.

Once an employee has exhausted sick leave, the employee may continue on an unpaid medical leave depending upon the facts and circumstances of the employee's basis for leave beyond accrued sick leave. Employee requests for unpaid medical leave must be approved in advance by the School.

Leave for reproductive loss

An employee may take up to 5 unpaid days of reproductive loss; reproductive loss including a miscarriage, stillbirth, failed adoption, failed surrogacy, or unsuccessful assisted reproduction. The leave must be taken within 3 months of the reproductive loss event, the days can be broken up over time within the 3 months, except as described, and pursuant to any existing leave policy under Crete

Academy. If an employee experiences more than one reproductive loss event within a 12-month period, Crete Academy is not obligated to grant a total amount of reproductive loss leave time in excess of 20 days within a 12-month period. An employee may use any unused and available paid sick leave or PTO during the 5-day leave.
The employee must be employed at Crete Academy for at least 30 days to qualify for this leave.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA leave in any twelve (12) month period for the purposes enumerated below. For purposes of this policy, all leave taken under FMLA or CFRA will be referred to as "FMLA leave."

- Employee Eligibility Criteria

  To be eligible for FMLA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve

  (12) month period immediately preceding commencement of the FMLA leave, and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles.

- Events That May Entitle an Employee To FMLA Leave

  The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA allowance includes any time taken (with or without pay) for any of the following reasons:

  1. To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they will be entitled to a combined total of twelve (12) weeks of leave for this purpose.

  2. Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy).

     a. A "serious health condition" is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.

     b. "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care

facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.

c. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

d. "Continuing treatment" means ongoing medical treatment or supervision by a health care provider.

3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces servicemember with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of FMLA leave in a single twelve (12) month period to provide said care.

4. For any "qualifying exigency" because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces.

- Amount of FMLA Leave Which May Be Taken

1. FMLA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for anyone, or combination of the above-described situations. "Twelve workweeks" means the equivalent of twelve (12) of the employee's normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, "twelve workweeks" means sixty (60) working and/or paid eight (8) hour days.

2. In addition to the twelve (12) workweeks of FMLA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces servicemember shall also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.

3. The "twelve-month period" in which twelve (12) weeks of FMLA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA leave.

4. If a holiday falls within a week taken as FMLA leave, the week is nevertheless counted as a week of FMLA leave. If, however, the School's business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School's activities have ceased do not count against the employee's FMLA leave entitlement. Similarly, if an employee uses FMLA leave in increments of less than one (1) week, the fact that a holiday may occur

within a week in which an employee partially takes leave does not count against the employee's leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.

- Pay during FMLA Leave
  1. An employee on FMLA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA leave, the School and the employee may agree to have School-provided paid leave, such as sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.

2. An employee on FMLA leave for childcare or to care for a spouse, domestic partner, parent, or child with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA leave.

3. If an employee has exhausted his/her sick leave, leave taken under FMLA shall be unpaid leave.

4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA leave. Sick pay accrues during any period of unpaid FMLA leave only until the end of the month in which unpaid leave began.

5. Employees who will be taking California Family Rights Act/baby-bonding leave will receive two (2) workweeks (10 days) of forty-percent (40%) pay.

- Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA leave, and these provisions may change from time to time. The health benefits of employees on FMLA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

Crete Academy may recover the health benefit costs paid on behalf of an employee during his/her FMLA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA leave; and

2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave, or other circumstances beyond the control of the employee.

- Seniority

An employee on FMLA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA leave will return with the same seniority he/she had when the leave commenced.

- Medical Certifications

1. An employee requesting FMLA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.

2. The School will notify the employee in writing if the certification is incomplete or insufficient and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.

3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.

4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

- Procedures for Requesting and Scheduling FMLA Leave

1. An employee should request FMLA leave by completing a Request for Leave form and submitting it to the SL/PRINCIPAL. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA leave policy.

2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her spouse, domestic partner, child, or parent. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA leave was an emergency or was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.

4. If FMLA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's spouse, domestic partner, parent or child, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.

5. If FMLA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for

FMLA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.

6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.

7. The School will respond to an FMLA leave request no later than five (5) business days of receiving the request. If an FMLA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the FMLA leave period, an employee (other than a "key" employee whose reinstatement would cause serious and grievous injury to the School's operations) is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA leave.

2. When a request for FMLA leave is granted to an employee (other than a "key" employee), the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).

3. Before an employee will be permitted to return from FMLA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.

4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Limitations on Reinstatement

1. Crete Academy may refuse to reinstate a "key" employee if the refusal is necessary to prevent substantial and grievous injury to the School's operations. A "key" employee is an exempt salaried employee who is among the highest paid 10% of the School's employees within seventy-five (75) miles of the employee's worksite.

2. A "key" employee will be advised in writing at the time of a request for, or if earlier, at the time of commencement of, FMLA leave, that he/she qualifies as a "key" employee and the potential consequences with respect to reinstatement and maintenance of health benefits if the School determines that substantial and grievous injury to the School's operations will result if the employee is reinstated from FMLA leave. At the time it determines that refusal is necessary, the School will notify the "key" employee in writing (by certified mail) of its intent to refuse reinstatement and will explain the basis for finding that the employee's reinstatement would cause the School to suffer substantial and grievous injury. If the School realizes after the leave has commenced that refusal of reinstatement is necessary, it will give the employee at least ten (10) days to return to work following the notice of its intent to refuse reinstatement.

- Employment during Leave

  No employee, including employees on FMLA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- Employee Eligibility Criteria

  To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- Events That May Entitle an Employee to Pregnancy Disability Leave

  The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

  1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or

  2. The employee needs to take time off for prenatal care.

- Duration of Pregnancy Disability Leave

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight
(48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- Pay during Pregnancy Disability Leave

    1. An employee on pregnancy disability leave must use all accrued paid sick leave at the beginning of any otherwise unpaid leave period.

    2. Following the exhaustion of sick leave, employees shall receive up to six (6) weeks of fifty percent (50%) pay.

    3. The receipt of pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.

    4. Sick leave accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

Pregnant Workers Fairness Act

- Crete Academy shall provide reasonable accommodation, any modification or adjustment to a job or the work environment that will enable an eligible employee with a disability to perform essential job functions, related to pregnancy, childbirth, or related medical conditions, unless the accommodation will cause Crete Academy undue hardship.

Health Benefits

Crete Academy shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12)-month period. Crete Academy can recover premiums that it already paid on behalf of an employee if both of

the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.

2. The employee's failure to return from leave is for a reason other than the following:

   - The employee is taking leave under the California Family Rights Act.
   - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
   - There is a non-pregnancy related medical condition requiring further leave.
   - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.

2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the SL/PRINCIPAL. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.

2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.

footer

4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.

5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.

6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:

   a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.

   b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

      A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).

3. In accordance with Crete Academy policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.

4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

  No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

Crete Academy, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure you receive any worker's compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to the SL/PRINCIPAL;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the SL/PRINCIPAL; and
- Provide the School with a certification from your health care provider regarding the need for workers' compensation disability leave as well as your eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to ensure that the injured employee receives appropriate medical attention. Crete Academy, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems ("EMS") such as an ambulance, the choice by the EMS personnel for the most

appropriate medical center or hospital for treatment will be recognized as an approved center.

- All accidents and injuries must be reported to the SL/PRINCIPAL and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School's approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.

- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.

- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

Crete Academy shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, Crete Academy will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

Crete Academy shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and

servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

Bereavement Leave

Staff members are entitled to up to five (5) days unpaid leave in the event of the death of an immediate family member. For the purposes of this policy only, immediate family member shall include a spouse, child, parent or sibling. A staff member who wishes to take bereavement leave should notify his or her SL/PRINCIPAL immediately.

Jury Duty or Witness Leave

Crete Academy encourages staff members to fulfill their civic responsibilities by performing jury duty when required. If a staff member is called to serve for jury duty, s/he must bring his or her notice to the SL/SOM immediately upon receipt of the notice. Depending on the operational needs of the School, Crete Academy may request that staff members attempt to reschedule or be excused from jury duty.

For all exempt employees, the School will pay for time off if an employee is called to serve on a jury provided the employee continues to perform work duties as assigned. For all non-exempt employees, the School will pay for up to three (3) days if you are called to serve on a jury.

Staff members are expected to report to work whenever the court schedule permits, such as if they are released early from jury duty on any day(s). Crete Academy will continue to provide health insurance for the full term of the jury duty absence while the staff member remains employed by Crete Academy. Staff members will not be terminated or penalized for an absence due to jury duty and staff members also may accept any fees paid to jurors by the court.

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give the SL/PRINCIPAL at least two (2) days' notice.

School Appearance and Activities Leave

As required by law, Crete Academy will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40)

hours of unpaid time off per child per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or childcare. If more than one (1) parent or guardian is an employee of Crete Academy, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to thirty (30) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

An employee must first use five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Victims of Abuse Leave

Crete Academy provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, or stalking. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee's own health, safety or welfare, or that of the employee's child or children. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide Crete Academy with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide Crete Academy one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, Crete Academy will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact the SL/PRINCIPAL.

Returning from Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the SL/PRINCIPAL thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If you need further information regarding Leaves of Absence, be sure to consult the SL/PRINCIPAL.

GOSSIP POLICY

To protect the culture of Crete, gossip of any kind will not be tolerated. The form of gossip includes, but is not limited to, any communication, on or off campus, written, emailed, text or verbal that involves any individual that is employed or connected to Crete Academy. Any employee reported, seen or heard gossiping will receive disciplinary action, including termination.

INTERNAL COMPLAINT REVIEW AND DUE PROCESS

The purpose of the "Internal Complaint Review Policy" is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns and be allotted a due process in all complain investigations. All employees have free access to the SL/PRINCIPAL or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School's "Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation."

This policy is not applicable to discipline issues involving employees.

Internal Complaints and Due Process
(Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following due process steps will be followed by HR, the supervisor and/or relevant administrator:

1. **Informal attempt to resolve:** The initial complaint is brought directly to HR, the supervisor, or relevant administrator.
    a. The complainant will bring the matter to the attention of HR, the supervisor and/or relevant administrator as soon as possible after attempts to resolve the complaint with the

employee/staff have failed or if not appropriate.

2. **Formal written grievance:** If the issue remains unresolved, a written grievance with specific details about the complaint, dates, and witnesses must be filed with HR.
    a. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts.
3. **Investigation:** HR, the supervisor and/or relevant administrator will investigate the grievance, which will involve gathering information from involved parties.
    a. HR, the supervisor and/or relevant administrator will then investigate the facts and provide a solution or explanation.
4. **Meeting with HR and/or Relevant Administrator:** A meeting with the relevant administrator to discuss the grievance and potential solutions.
    a. During this meeting HR and/or relevant administrator will go over the grievance and discuss solutions for moving forward with both parties.
5. **In the case of a complaint about a school leader and/or administrator:**

    If the complaint is about HR, the supervisor and/or relevant administrator, the complainant may file his or her complaint in a signed writing to the President of the School's Board of Directors, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board that includes the due process above. The Board President or investigator will report his or her findings to the Board for review and action, if necessary.

6. **Appeal process:** If the initial response and solution is unsatisfactory, the individual may be able to appeal to a higher level of administration, like the district office or the board of directors.

This policy cannot guarantee that every problem will be resolved to the employee's satisfaction. However, the School values each employee's ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees and Due Process
(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of the SL/PRINCIPAL or Board President (if the complaint concerns the SL/PRINCIPAL) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, SL/PRINCIPAL (or designee) shall abide by the following due process:

1. **Investigation:** HR, the supervisor and/or relevant administrator will investigate the grievance, which will involve gathering information from involved parties.
    a. HR, the supervisor and/or relevant administrator shall use their best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint

2. **Meeting with HR and/or Relevant Administrator:** A meeting with the relevant administrator to discuss the grievance, solutions and appropriate disciplinary action, if needed.
    a. If HR and/or relevant administrator finds that a complaint against an employee is valid, the administrator may take appropriate disciplinary action against the employee. As appropriate, the administrator may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. **Appeal process:** If the initial response is unsatisfactory, the individual may be able to appeal to a higher level of administration, like the district office or the board of directors.

    a. The decision relating to the complaint shall be final unless it is appealed to the Board of Directors. The decision of the Board shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.

2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

3. Resolution: The Board (if a complaint is about the SL/PRINCIPAL) or the SL/PRINCIPAL or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

See Appendix A and Appendix B for complaint forms

AMENDMENT TO EMPLOYEE HANDBOOK

CRETE ACADEMY

TEMPORARY TELEWORK POLICY
TO ADDRESS COVID-19 REMOTE WORKING CONDITIONS

Purpose

Crete Academy (the "School") recognizes approved teleworking as a necessary work arrangement while the School is closed during the ongoing coronavirus ("COVID-19") pandemic. This policy details conditions and requirements which apply to all temporary telework assignments during the School's closure due to COVID-19.

Definition

Teleworking allows employees to work at home or in an approved remote location for all or part of their regular workweek. Teleworking is not an entitlement, nor is it a school-wide benefit. This temporary arrangement in no way alters or changes the terms and conditions of employment with the School, and the promulgation of this Policy creates no employee rights in relation to teleworking. Furthermore, the School has the right to refuse to make telework available to an employee and to terminate a telework assignment without cause at any time in its sole and unreviewable discretion.

General Requirements

Employees shall not telework unless they receive advance written approval from the School. Employees shall make arrangements with their supervisor and co-workers to address on-site job demands that arise, including returning to the work site to perform certain job duties as needed or as directed by their supervisor. Employees shall be responsible for following all School policies and procedures when teleworking. Employees shall also be solely responsible for the performance of their telework duties; assistance from third parties is strictly prohibited.

Nonexempt employees will be required to (1) record all hours worked as assigned by the School and (2) take and document applicable meal/rest periods. Nonexempt employees must also receive written approval from a supervisor prior to working additional hours or overtime. Failure to comply with timekeeping and work hours requirements may result in disciplinary action, up to and including termination from employment.

Eligibility Considerations

Consideration will be given to employees who work in positions adaptable for telework assignments, particularly those who have demonstrated work habits and performance well-suited to successful teleworking. In the sole discretion of the School and its management, the following eligibility factors will be considered:

- The employee has a position where effective communication can be accommodated electronically;
- The employee's telework assignment will not be detrimental to the productivity or work quality of other employees or the effective operation of the School;

- The employee must be able to perform work from home or an approved remote location without distractions or unnecessary risk to the security of School data, records, networks, or confidentiality generally;
- The employee's equipment and software must meet the School's guidelines/standards, and the employee's needs for Information Technology ("IT") support must be minimal;
- Telework sites must be in California;
- The employee must be effective at working independently for extended periods of time;
- The employee has demonstrated or can demonstrate effective time-management skills by completing tasks efficiently and within any required deadlines;
- The employee must maintain connections with work groups or teams from their remote work location; and
- The employee has no recent or pending corrective or disciplinary actions.

Supervisor Responsibilities

Supervisors managing employees who have been permitted to telework must effectively:

- Implement the telework policy/guidelines;
- Conduct remote supervision;
- Understand the technology and tools necessary for successful remote supervision; and
- Establish communication protocols with telework employees, including making continued efforts to involve teleworking employees in office/department events, messages, etc. as applicable to preserve teamwork.

Supervisors will assess each employee's progress on a telework assignment periodically to ensure the employee's compliance with telework requirements, and address any work-related issues, including completing evaluations and other performance management as appropriate.

Communication and Accessibility

Employees and supervisors must determine how communication between the teleworking employee, the worksite, and/or other employees also teleworking will be handled. Employees shall keep their supervisor and as needed, their co-workers or other School stakeholders (e.g., students and/or parents), informed of their availability so these individuals know how and when to reach the employee during the employee's telework assignment. Employees must be accessible by phone and email at all times to their supervisor, co-workers, School stakeholders, and the School generally during assigned work hours. Employees must notify their supervisors if they leave their telework site during agreed upon hours, aside from applicable meal and rest periods. Employees must post their telework schedule on their calendar, including applicable meal and rest periods. Employees must also remain flexible in their scheduling and shall be available to attend staff meetings and other meetings as required by their supervisor.

Safety

The telework space is considered an extension of the School's worksite. Employees will have the same responsibility for safe practices, accident prevention, and accident/injury reporting as in the regular worksite. In case of injury, accident, theft, loss, or tort liability related to telework, the employee must immediately report the event to their supervisor and allow the School or its authorized agent to investigate and/or inspect the telework site as needed.

Employees are responsible for establishing and maintaining a designated, adequate workspace at their telework location. When the telework location is the employee's home, the employee is responsible for

ensuring the location is safe (free from hazards and other dangers to the employee or equipment), clean, professional, and free of distractions (e.g., children, pets, electronic devices, etc.).

Supplies, Equipment, and Furniture

The School will determine, with information supplied by the employee and the supervisor, the appropriate equipment needs (including hardware, software, modems, phone and data lines, facsimile equipment or software, and photocopiers) for each telework assignment on a case-by-case basis. The School will not provide office furniture for the workspace at home.

All necessary technology equipment will be supplied and maintained by the School, subject to availability. Equipment supplied by the School is to be used for work purposes only. Employees must sign an inventory of all School property and agree to protect the items from damage or theft. Employees shall not be entitled to reimbursement for their use of School property. Employees shall be held liable to the School whenever their wrongful or negligent act or omission causes loss, theft, disappearance, damage to, or destruction of School property. Upon cessation of a telework assignment, all School property must be returned to the School.

Reimbursement

The School shall reimburse employees for actual and necessary expenses incurred in the employee carrying out School business when such expenses are expressly authorized and preapproved by the School. Employees must notify Director of Operations by email of an intent to be reimbursed to initiate process.

INTERNET REIMBURSEMENT: The School shall reimburse an employee's costs for internet at $_____ per month, based upon a reasonable percentage of work-related use.

CELL PHONE REIMBURSEMENT: The School shall reimburse an employee's cell phone bill at $_____ per month, based upon a reasonable percentage of work-related use. Phone expenses are limited to the *employee's share* of the plan, taxes, and access fees. (i.e., an employee on a "family plan" may receive reimbursement only for the cost of their phone line).

Employees who believe their expenses exceed the reimbursement the School provides shall be required to submit copies of their internet and/or cell phone bill for review. Such bills may be redacted as needed to remove any private/confidential information.

Information Security and Confidentiality

Employees must never provide any third parties access to the School network or share network access passwords and must comply with all policies and procedures related to information security and network access.

Consistent with the School's expectations of information security for employees working at the office, teleworking employees must ensure that their telework location is secure and communications provided or sensitive work performed from the telework location remain confidential, away from the presence of family members or guests. Any School materials taken home, such as confidential personnel or pupil records, must be kept in a secure space within the telework location and not be made accessible to any third parties, including the employee's family members or guests. Steps which employees may take to increase security of School materials/information include use of locked file cabinets and desks, regular password maintenance, shielding computer monitors, and any other actions appropriate for the position and the telework location.

Performance Standards

Employees must maintain the same or an improved level of productivity and work quality while teleworking. If productivity and/or work quality begin to decline, the telework assignment will be reevaluated to determine if changes can be made or termination of the telework assignment is warranted. Telework allows a high amount of flexibility for an employee to complete their work in a timely and proper manner, and it is expected that employees will not abuse this opportunity by allowing their productivity or work quality to decline.

Professional Boundaries

Employees must maintain appropriate levels of professionalism when interacting remotely with students and/or student's family members in full compliance with the School's "Professional Boundaries: Staff/Student Interaction" policy and as summarized below:

- Limit communications with students to issues involving School activities or classes only;
- Ensure professional communications with students by avoiding conversations of an overly personal, inappropriate, sexual, offensive, or indecent nature;
- Respect the privacy rights of students by ensuring communications and/or documents involving confidential pupil information are safeguarded appropriately;
- Maintain the same degree of formality as would be appropriate when working on-site, including in manner of speech, tone, method of communication, and appearance and dress, particularly when the employee may be communicating with students via video chat; and
- Continue to comply with any and all School policies, including enforcing appropriate student behavior and student discipline, child abuse and neglect reporting protocols, and prohibitions on harassment or other inappropriate conduct.

For a copy of the School's Policy, please visit www.creteacademy.org . Employees who fail to demonstrate acceptable professional boundaries during a telework assignment may be subject to disciplinary action, up to and including termination from employment.

Evaluation and Duration

Evaluation of employee performance during the teleworking assignment may include daily interaction by video, phone and/or email between the employee and the supervisor, and weekly face-to-face and/or video meetings whenever possible to discuss work progress and problems, as needed.

The School may modify or terminate telework assignments at any time, with or without cause or advance notice. Although not required, the School shall endeavor to provide seven (7) days' notice of the modification or termination of any telework assignment whenever possible. All telework assignments shall be subject to termination upon resumption of regular onsite duties at the School following the COVID-19 pandemic.

Assessments, Progress Monitoring and Report Cards

Teachers will continue to monitor student progress through daily instruction, checks for understanding and online assessments. Such assessments will be used to determine trimester grades for each student. Students will be

provided a report card at the end of each trimester that will be discussed and reviewed with parents during Parent Teacher Conferences. Students who do not participate in online learning will receive incompletes for any days, or work missed during the virtual learning period.

Attendance
Attendance will continue to be a top priority for all Crete students. Your child's attendance is critical at this time and should be not compromised because of distance learning. Attending all Zoom and video instructional sessions and participating in all lessons is critical to your child being able to successfully matriculate to the next grade prepared, and able to successfully complete the work.

Absences
All students are expected to be logged in at 8:15 a.m., as school will begin daily at 8:15 a.m., for morning announcements. Every student should be present and prepared for their classroom zoom at 8:30 a.m. Students who log on after 8:30 a.m. will be marked tardy. Students who do not log on for the entire zoom session will be marked absent. Parents will receive a phone call any time your student is marked absent. If your child is sick and will not be in attendance on any particular day or for a specific lesson or will only be available for part of the lesson, please notify the front office at: 323-791-1600.

Tardies
Tardiness is disruptive to the zoom session and places a burden on the teacher as well as the student who is entering class after morning activities have begun. Anytime a student arrives late to class, valuable instructional time is lost. School begins at 8:15 a.m., and students who are not in their zoom classroom, when instruction begins will be considered tardy. Tardies are marked as excused, unexcused or truant. Parents/guardians shall email or write a note of explanation when they have knowledge of their child's tardiness or absence. Any unexcused tardy in excess of 30 minutes will be counted toward truancy.

Additional Attendance Distance Learning Policies
Attendance is the most important factor in a student's academic progress. Making sure your student is prepared and punctual for all online classes will give them the best chances of success. The following are attendance distance learning guidelines provided by LAUSD:

- Each teacher will have updated roster for parent/guardian contacts
- Teachers take daily attendance at the beginning of class
- Office will provide daily notification to parents/guardians of absences

Tiered Reengagement Strategies (TRS)
Tiered Reengagement Strategies will be implemented for any students who are absent from distance learning for more than 3 school days or 60 percent of the instructional days in a week
Administration will send a letter to the parent/guardian of any student who is absent for more than 3 school days or 60 percent of the instructional days in a week informing them of the risks and consequences for excessive absences.
As Part of TRS, Admin will review weekly attendance reports and contact families to offer support and bolster attendance for students (Housing, Technology, Scheduling, Troubleshooting, Counseling etc.)
If after focused efforts attendance does not improve, parent/guardians will be notified of truancy consequences for not having their student in class.

Attendance Incentives
Crete Academy acknowledges students with good attendance and this year will be no exception. Perfect Attendance Certificates, participation in special activities, prizes, attendance assemblies and other rewards and special recognitions are used to motivate all students and reward those with good attendance. This year we will give Disneyland Tickets to students with perfect attendance for the entire year.

Truancy Policy
Crete Academy will adhere to the following policy for Truancy during distance learning. The following is an extension of our on-site truancy policy.

1. If a student, at the beginning of their enrollment for that year, has five (5) unexcused absences to start the school year they will be disenrolled. Upon being disenrolled, students must return any

loaned technology within three (3) business days or their parents will have the debt referred to a collection agency.

2. If a student has three (3) unexcused absences for the year they will receive a call and a letter from school administration in an attempt to engage and offer support for better attendance. The student will also be notified of the attendance expectations of the school in order for them to attain academic success, appropriate socio-emotional development, and matriculation to the next grade level.
3. If a student has seven (7) unexcused absences for the year, an in-person or virtual meeting will be required with the parent/guardian and student to discuss further reengagement strategies and supports. Families will also be notified that they can be reported as truant to the school district and local agencies and authorities if attendance doesn't improve.
4. If a student has ten (10) unexcused absences for the year, they will be classified as a habitual truant and can be reported as a habitual truant to the school district and local agencies and authorities. The student will also be subjected to school discipline measures up to dismissal.

Additional Student Support, Tutoring, Intervention and Student Support and Progress Teams (SSPT)

In order to address any learning loss over the past six months, Crete Academy is offering tutoring to all students who sign up. Tutoring is offered by our Teaching Fellows, Monday through Friday, following the daily instruction by teachers. Any student may sign up for tutoring at any time throughout the school year and they will be provided with 30-45 minutes of additional instruction with a Crete Teaching Fellow.
In addition to self-referrals for tutoring, teachers and support staff may make recommendations for specific students to enroll in tutoring. Teachers will use initial assessment data to make tutoring recommendations at the beginning of the school year, for any student performing below grade level in ELA or math. Following each assessment period or based upon anecdotal data and in-class assessments, teachers will continue to make recommendations for tutoring. NWEA, F&P and in-class assessment data will be compiled monthly to assess individual student learning. Students will be grouped depending on their performance of each such assessment. During daily live instruction in ELA and math, teachers will group students based upon skill level, according to assessment data, and provide learning content and experiences designed to address the specific needs of each group.
Any student performing far below grade level after the initial assessment, performing below grade level and not making progress according to subsequent assessments and students who regress or show no growth on subsequent assessments will be provided intervention by the teacher and recommended for tutoring. If no significant growth is made following such interventions, an SSPT will be initiated by the teacher and developed in conjunction with school leadership and the student's family.
The administrative team will review student assessment data, SSPTs weekly for 4-6 weeks to gauge individual student progress. If no such progress is made or significant progress is not made and all parties (teacher, student and parents) have fulfilled their designated role and assignments according to the SSPT, then the SSPT group may request an assessment from LAUSD for an Individualized Education Program (IEP).

Use of Devices and Hotspots

Students will be using Crete Academy laptops, iPads and hotspots in grades TK-6th for all online learning. Such devices and hotspots will be distributed to any family needing one to ensure continuity of learning. Parents are responsible for adhering to Crete Academy's Technology Policies and in accordance with the Crete Academy Technology Agreement that was signed, in order to receive a device. Parents are also responsible for monitoring their child(ren)'s activity online and filtering any content outside of schoolwork. If you have any issues with technology, please submit a tech request to one of the following individuals listed below:

- Promote critical thinking and unbiased decision-making among mandated reporters by providing training, decision-support tools, and other resources that equip them to understand the role and jurisdiction of child protective services, distinguish child safety concerns from issues like poverty, and identify and connect families with supportive resources when appropriate.

Board Resolution No. 50:2024-2025
Declaring April as "National Child Abuse Prevention Month"
April 2025

WHEREAS, in alignment with AB 2085, which went into effect in January of 2023, it is essential to distinguish economic disadvantage from neglect. Our commitment to fostering safer communities remains unwavering as we collaborate to ensure child safety and heal the legacy of over-reporting due to bias, which has resulted in trauma and over-surveillance of low-income families of color; and

WHEREAS, our children are some of the most vulnerable members of our society,

WHEREAS, child maltreatment is the abuse and neglect that occurs to children under 18 years of age, which includes physical and/or emotional mal treatment, sexual abuse, neglect, negligence and commercial or other exploitation, and which results in actual or potential harm to the child's health, survival, development or dignity in the context of a relationship of responsibility, trust or power,

WHEREAS, one in four girls and one and in thirteen boys in the U.S. are estimated to experience child abuse nationwide, and more than 550,000 children are known to U.S. authorities to be abused.

WHEREAS, child abuse is a concern that impacts the long-term intellectual, behavioral, mental, and physical health of children.

WHEREAS, children spend a significant part of their day in the school environment and schools play a critical role in identifying and reporting suspected child abuse, with staff members, including teachers, counselors, school nurses and administrators and all mandated reporters in education comprising the second largest mandated reporter category in Los Angeles County.

WHEREAS, LACOE through Los Angeles County's Mandated Supporter Initiative has supported the development of tools and training to help mandated reporters make better decisions when it comes to determining whether a situation constitutes a 'reasonable suspicion' of reportable general neglect.

WHEREAS, mandated reporters typically include teachers, counselors, administrators, school nurses, and other staff members who encounter students and;

WHEREAS, schools should create a safe and supportive environment where children feel comfortable sharing concerns about abuse or neglect and,

WHEREAS, schools should collaborate with community partners, such as child welfare agencies, law enforcement, and mental health providers, to ensure that abused children receive the support they need.

NOW, THEREFORE BE IT RESOLVED, the Los Angeles County Office of Education and the Los Angeles County Board of Education proclaims April National Child Abuse Prevention Month and will raise awareness of child abuse by working with key partners including schools to transform the mandated reporting process in education across Los Angeles County to better support historically underserved children, youth and families.

BOARD RESOLUTION
No. 51: 2024-25

Earth Day (April 22) and Earth Month (April)

WHEREAS, in 1987, the United Nations Brundtland Commission defined sustainability as "meeting the needs of the present without compromising the ability of future generations to meet their own needs"; and

WHEREAS, the three pillars of sustainability are: social, economic and environmental. All three pillars must work in conjunction with providing a balanced approach; and

WHEREAS, there is extensive consensus within the scientific community that human activities contribute to increases in greenhouse gas emissions. Increased emissions result in a greater threat of climate change to the Earth and this threat can only be solved by combined human effort; and

WHEREAS, the negative impacts of climate change, including public health and economic consequences, have a disproportionate impact on chronically underserved communities and communities of color; and

WHEREAS implementation of sustainable practices on school campuses, capital investments to improve energy efficiency, and other environmentally mindful purchasing decisions can yield significant cost savings for schools; and

WHEREAS, as we head into Earth Month in April, we acknowledge that Earth Day was first celebrated on April 22, 1970. This day marks the anniversary of the modern environmental movement, which has been celebrated annually. This also led to the creation of the United States Environmental Protection Agency and the Occupational Safety and Health Act; and

WHEREAS, Earth Month has become a time for Los Angeles County Office of Education (LACOE) staff to gather in an annual appreciation of Earth through a Green Team lunch event; and

WHEREAS, LACOE has established a partnership with the Greater Los Angeles Education Foundation to support the creation of an Environmental Sustainability Action Plan to guide the internal work of LACOE and how LACOE supports its 79 districts and all constituents; and

WHEREAS, LACOE will hold its fourth annual symposium on environmental sustainability for its 79 school districts and all constituents on May 1. The Green Schools Symposium will be held at the Natural History Museum and will feature best practices for integrating environmental sustainability into school facilities and curriculum; and

WHEREAS, LACOE collaborates with the Los Angeles section of the California Clean Air Day Coalition to highlight the impacts of human actions on the condition of the air we all breathe through Committee participation and a staff event annually in October; and

WHEREAS, LACOE is preparing to memorialize its efforts on environmental sustainability through incorporation into LACOE's 3-year Strategic Plan; and

WHEREAS, the Los Angeles County Board of Education acknowledges the necessity of promoting activities that reduce our environmental footprint. Despite immediate challenges, it is in our collective best interest to create an environment where all humans can thrive now and in future generations; and

WHEREAS, the Los Angeles County Board of Education acknowledges the importance of the school nutrition environment, policies, and practices to influence students' food choices that impact personal and planetary health. Local Educational Agencies and schools play a key role in addressing climate change through nutrition education, increasing access to healthy climate-friendly school meals, and reducing food waste; and

WHEREAS, the Los Angeles County Board of Education is dedicated to promoting healthy relationships and advocating for the social-emotional needs of all students, acknowledging that mental health wellness is one aspect of the whole child. The Board acknowledges that the environment is one of the key determinants of mental health outcomes, as studies have shown, and that climate change as a global environmental threat creates psychological distress and anxiety about the future; and

WHEREAS, LACOE is proud of the Juvenile Court Schools, Environmental Charter School, Odyssey Charter School, the Los Angeles County High School of the Arts, International Polytechnic High School and the Outdoor and Marine Science Field Study Program for their commitment to environmental awareness throughout their curriculum; and

WHEREAS, LACOE commends educators who share our responsibility to protect our shared environment by leading students in environmental awareness; and

H. Approval of Rescission and Reversion of Outdated Board Policies and Board Bylaws

The Superintendent recommends that the County Board approve the following actions:

1. **Rescission of Outdated COVID-19 Policies**
   The Rescission of these policies reflects the conclusion of emergency measures implemented during the COVID-19 pandemic and the return to standard operational practices. These policies are no longer applicable to the current operational environment.

   - Board Policy (BP) 0470 COVID-19 Mitigation Plan
   - Board Bylaw (BB) 9323 C-19 Board Meeting Guidelines Related to Public Comment During COVID-19 (Temporary)

2. **Rescind Title IX Related Policies Approved on October 15, 2024 and Revert to Last Approved Versions**
   Title IX related policies were revised on October 15, 2024 to comply with new Title IX regulations that became effective in 2024. However, the 2024 Title IX regulations were vacated in January 2025, leaving in place the prior 2020 Title IX regulations. Accordingly, the revisions to the Title IX related policies made on October 15, 2024 are now in conflict with applicable federal regulations and are now invalid. Rescission of the 2024 Title IX related policies and reversion to the last approved versions ensures compliance with federal regulations. The dates indicated alongside each policy represent the most recently approved version to which the policy will be reverted, ensuring consistency with federal regulations. The policies should take effect upon adoption.

A. Approval of Head Start/Early Head Start 2025-26 Consolidated Funding Application with Attached Staff Report

The Superintendent recommends that the County Board of Education approve submission of the 2025-26 consolidated funding application for the Early Head Start and Head Start Preschool programs.

REPORT:
This report provides the Los Angeles County Board of Education (County Board) with an overview on the Los Angeles County Office of Education (LACOE) Head Start Preschool (HSP) and Early Head Start (EHS) 2025-26 Consolidated Funding Application. The 2025-26 program year is the second year of the current five-year project period (2024-29).

Background
The Office of Head Start (OHS) funds LACOE to operate EHS and HSP programs. OHS funds grantees on a five-year cycle and requires applications for continued funding to be submitted to provide changes proposed each year, if any, and provide progress updates on the goals adopted for the project period. LACOE's application is due to OHS by April 1, 2025 (Attachment 1).

The attached application describes the plan LACOE and its 16 delegates on the federal grant will carry out to provide services to children and families in its assigned service area. LACOE proposes to serve 7,089 infants, toddlers, preschoolers, and pregnant women (2,416 EHS and 4,673 HSP) from July 1, 2025, to June 30, 2026. The application also includes converting 49 HSP to 28 EHS slots to enable El Monte City School District to increase access to EHS center-based and home-based services.

The total funding to support this work is $201,641,179 ($77,082,314 EHS and $124,558,865 HSP), of which 81% is allocated to delegates who provide the services to children and families. Attachment 2 – Table 1 shows the funding allocated to each delegate.

Section I. Program Design and Approach to Service Delivery

Introduction

The 2024-25 program year, thus far, has demonstrated the continued importance of having strong systems in place to face challenges, self-assess areas of improvement and make necessary course corrections and program improvements to ensure the delivery of quality services and resources to children and families. These systems also help support the workforce in refining and/or acquiring the skills and knowledge necessary to effectively carry out their work.

LACOE began the program year conducting full health and safety risk assessments at every class, site and delegate to uphold the health and safety of all children. This process identified both strengths and improvement opportunities that LACOE, in collaboration with its delegates, addressed systematically across all centers. The system for planning, monitoring, training and implementing course corrections enabled LACOE and the delegates to address the areas that needed improvement and identify strengths and best practices that could be duplicated across centers.

The collective efforts and strategies implemented by delegates and LACOE not only resulted in a successful Risk Assessment Notification follow-up review by the Office of Head Start, but also initiated new strategies that will support our operations in the years ahead. Health and safety policies and procedures were improved; staff were and will continue to be trained on diapering and toileting practices; and greater emphasis has been focused on daily practices that support children's health and safety.

At the midway point of the program year, Los Angeles County experienced devastating wildfires in communities where many of our staff reside and Head Start grant recipients operate.

Some staff lost their homes, the Head Start community lost centers and many others were affected in a variety of other ways, such as losing electricity, being displaced, dealing with closures of schools and early education centers and navigating the aftermath. Through established communication systems and networks, including partnerships with leaders in the early education field, LACOE was able to engage and connect with the early education community, including Head Start programs, to be a beacon of resources, services and information sharing for the communities as many shifted to stabilize their lives and rebuild.

Though no LACOE facilities were directly impacted by the wildfires, as a county leader in early childhood education, LACOE engaged in the L.A. County Early Childhood Education Response Team. This team supports the early childhood education community by providing guidance for child care environments, updates to early care and education policies, the availability of supplies to operate safely, information on how to access additional resources and more.

Amid these challenges, LACOE has achieved a number of significant accomplishments in year one to date. The five-year implementation plan for the Conscious Discipline framework was launched in partnership with several delegate agencies, demonstrating LACOE and delegates' commitment to the holistic growth and wellbeing of the children and families entrusted to our care. LACOE hosted the first EHS Institute—Tiny Steps, Big Impact: Shaping the Future of Infants & Toddlers—which will become an annual event specially designed for EHS educators with engaging, interactive workshops focused on the latest research and best practices, including onsite model classrooms.

Delegate agencies also celebrated important accomplishments in year one. Like Foundation for Early Childhood Education Inc. in September 2023, Pomona USD was

recognized by the National Head Start Association as a Program of Excellence in September 2024. This accreditation recognizes excellence in program management and service performance, highlighting LACOE and delegates' commitment to outstanding services. In year one, LACOE also moved to expand its services by launching a start-up plan with the newest delegate agency, the YMCA of Metropolitan Los Angeles. LACOE and the YMCA are working closely to launch services to children and families.

LACOE's strong systems allow us to keep a pulse on the emerging needs of the communities we serve and adjust as necessary to support the children and families enrolled in our programs, as well as our staff. More specifically, LACOE's planning system embeds a process of data analysis for continuous quality improvement, which allows us opportunities for course corrections throughout the year to adjust as needed and stay focused on reaching our expected outcomes.

One example can be found in our current project updating the Request for Advance Approval/Budget Adjustment Request (RAA/BAR) process. Responsive to delegate needs, LACOE has been working collaboratively with its delegates to make the system more user-friendly and ensure more timely responses to submitted requests.

Looking ahead to the second year of the project period, LACOE is proposing to convert 49 Head Start Preschool to 28 EHS slots for El Monte City School District to expand EHS services to pregnant women. The application also includes program models to serve children with disabilities in preschool classroom settings and program schedules that seek to meet the needs of children and families in LACOE's service area. From a human-centered lens, we seek to continue strengthening systems, reducing redundancies, focusing on effectiveness and efficiencies and nurturing relationships with children and families, partners and communities.

Sub-Section A: Goals

As outlined in the year one funding application, LACOE engaged in a collaborative strategic planning process with its delegates and together established strategic goals to help overcome challenges and obstacles to achieve the following visionary anchors (outcomes) by the end of the project period:

Strengthened communities through a human-centered approach with children and families at the center	Integrated operational efficiencies in systems and work processes	Attracted, built and retained a highly qualified and engaged workforce
Developed innovative approaches to support unique populations	Provided safe, rich, nuturing and culturally responsive learning environments	Transformed a belief system and structure that embraces and values ECE

Six strategic goals were established to address potential challenges and obstacles that might impede progress toward achieving our visionary outcomes. Although some refinement of the goals may occur to address emerging needs or better focus our efforts based on our data analysis, these goals guide our work and resource allocation throughout the five-year project period and include the following:

- **Goal 1:** Connect every community with thriving partnerships that leverage resources to support families and their children to achieve success throughout school and life.
- **Goal 2:** Implement an all-inclusive approach that eradicates duplication, fosters collaborative communication and propels our continuous evolution as trailblazers in the field.

- **Goal 3:** Promote Early Childhood Education (ECE) as an attractive career path where staff are valued, compensated equitably and supported to achieve mastery of their profession.
- **Goal 4:** Embrace and create 21st-century learning environments and experiences that prepare children and families to navigate the modern world.
- **Goal 5:** Redefine the educational system as a learning continuum that starts at birth and confers lifelong benefits.
- **Goal 6:** Support the school readiness and success of young learners.

To achieve established program goals, LACOE defined specific objectives for each goal to be completed annually. Similarly, delegates identify objectives and provide updates through the annual funding application process and at the time of self-assessment. These objectives may be revised each year based on program data and results. Additionally, targeted activities are developed to support each objective.

Tables 1 through 6 provide a summary of LACOE's progress as of January 2025 toward achieving the established goals and objectives for the first year of the project period. Please note that goals and objectives have been updated from the year one funding application based on program and continuous improvement results to better meet the identified needs of children, families and staff.

Sub-Section B: Service Delivery

Service and Recruitment Area

Over the past several years, LACOE has diligently pursued the integration of its EHS and HSP services to enhance continuity of care for families. This strategic alignment has aimed to create a seamless and supportive transition for children and their families as they progress through their early childhood development journey.

Recent expansion efforts, facilitated through the addition of a new delegate agency, were strategically undertaken to address the needs of high-poverty communities within Los Angeles County. This expansion allowed LACOE to reassess the distribution of program slots across its service area, ensuring access for eligible children residing in all parts of the county.

Since the COVID-19 pandemic, LACOE has encountered a confluence of significant challenges impacting its early childhood education programs. These challenges include consistent under-enrollment, a declining population, a rise in Universal PreKindergarten (UPK) enrollment, staff vacancies and persistent increases in the cost of living. To address these multifaceted challenges, LACOE has actively collaborated with its delegate agencies to:

- **Enhance Program Efficiency:** Conduct thorough assessments of program designs to identify areas for improvement and streamline service delivery.
- **Improve Staff Compensation:** Develop strategies to increase staff pay to be competitive with the current market, thereby improving recruitment and retention rates.
- **Adjust Program Funding:** Highlight the importance of an increase in the cost per child to adequately reflect the rising costs of providing high-quality early childhood education services.

Moving forward, LACOE will continue to closely monitor demographic and service delivery trends within its service area to ensure that its programs remain responsive to the evolving needs of children and families in LA County. While this application does not propose any immediate changes to the defined service area, LACOE will request future revisions as needed. This may include reallocating program slots from areas with sufficient service capacity to those with higher demand for EHS and HSP services, as determined through data analyses and ongoing collaboration with community partners and providers.

Needs of Children and Families

LACOE completed a Community Assessment Annual Update in November 2024. Data from the community assessment is used to ensure that LACOE programs remain responsive to the changing needs of children and families in our communities. LACOE and its delegates recognize the importance of providing comprehensive services to address the needs of children living in poverty, experiencing homelessness, receiving public assistance and in foster care. Data on community demographics (e.g., birth rates, population growth) was examined alongside data on the most significant issues impacting families in our community—from Los Angeles County's high cost of living to housing shortages to disparities across health and wellbeing indicators.

Mental health in adults and children encompasses their emotional, psychological and social wellbeing.[1] Specifically, mental health plays a key role in how children relate to others and handle stress.[2] Data suggests that rates of mental illness in children vary by income, with

children below 100% of the federal poverty level (FPL) experiencing higher rates (10%) than their counterparts in higher income brackets (e.g., 6% of children in households earning 300%+ FPL experience severe emotional distress).[3] Additionally, recent data from the 2023 LA County Health Survey[4] suggests disparities in the risk level for parent/caregiver depression as a function of income, with households below 100% FPL at highest risk (11.4%), compared to households above poverty (6.3%). Additional data from the Department of Public Health shows geographic disparities are also present, such that family households in South LA (10.8%) and the Antelope Valley (9.4%) have a higher risk of parent/caregiver depression compared to the other Service Planning Areas (SPAs) in Los Angeles County.[5]

In 2024, LACOE partnered with UCLA to survey Head Start parents (N=155) on their levels of stress and perceived ability to handle challenging behaviors in their children. Data suggests that 25% of LACOE Head Start parents are experiencing stress most of the time, with financial (83%) and parenting (69%) stress reported as top causes. Collectively, this data reinforces the need to focus on the mental health and wellbeing of children and families.

Eligible Children

In PY 2023-24, 23% of enrollment in LACOE programs consisted of families who were determined eligible due to income below the federal poverty level, 3% of enrollment consisted of children in foster care and 20% of enrollment consisted of children experiencing homelessness. Additionally, 39% of enrollment consisted of families who met eligibility as recipients of public

assistance (9% Temporary Assistance for Needy Families [TANF], 1% Supplemental Security Income [SSI], 29% Supplemental Nutrition Assistance Program [SNAP]). Lastly, 15% of enrollment was determined utilizing the allowances in the Head Start Program Performance Standards to serve families that are over 100% FPL but in need of care.[6,7] In 2023-24, pregnant women accounted for 1% (113) of LACOE's total cumulative enrollment, and an estimated 76% (6,853) of children served by LACOE were considered dual language learners.[8]

In Los Angeles County, the number of EHS income-eligible children decreased 1% (746) between 2023-24 (49,973) and 2024-25 (49,227). A parallel trend was identified in HSP income-eligible children throughout Los Angeles County. The number of children meeting the eligibility criteria for HSP services decreased 1% (245) from 2023-24 (35,381) to 2024-25 (35,136).

Additionally, birth rate data for Los Angeles County shows a consistently downward trend over the course of the last five years, from 50.4 births per 1,000 females in 2019 to 44.9 births per 1,000 females in 2023. While neighboring counties show similar overall downward trends over the past decade, birth rates in San Bernardino and Riverside counties have been higher than those seen in Los Angeles County (e.g., in 2023, 53.4 births per 1,000 females in San Bernardino County compared to 44.9 births per 1,000 females in Los Angeles County).

An ongoing factor impacting program planning is the disparity between income qualifications at the federal and state levels that makes it very challenging for families to qualify for services. For instance, community assessment data shows that to maintain an adequate standard of living in Los Angeles County, a family of four (two parents and two children) would

[6] The Head Start Act permits programs to fill up to 35% of enrollment with families who have incomes between 101% and 130% of FPL, and up to 10% with families over 130% of FPL.

[7] OHS does not designate an income cap for the 10% over-income allowance. The LACOE ERSEA GIM addresses the "cap" by stating: "Delegates considering enrolling families whose income exceeds 15 percent above the State Income Guidelines (See the Schedule of Over Income Ceilings table in the Income Guidelines section of this manual) must first secure approval from LACOE, prior to enrolling the family."

need to earn $10,841 per month ($130,094 per year),[9] yet the median household income[10] in Los Angeles County in 2022 was $82,516. In 2024, income eligibility for a family of four at 100% FPL was $31,200 a year. The revised Head Start Program Performance Standards (HSPPS) published in the Federal Register in August 2024 allow programs to adjust a family's gross income to account for excessive housing costs—a change that will help programs reach full enrollment, particularly in communities like Los Angeles County, where the cost of living and minimum wage are high. Without this change, families who could benefit from program services may be ineligible if income alone is considered without taking into account excessive amounts spent on housing.[11]

Families and Children Experiencing Homelessness

Homelessness in Los Angeles County is multifaceted and the causes include soaring rents and stagnant incomes.[12] In Los Angeles County, 54% report that economic hardship was the top reason for falling into homelessness, followed by a weakened social network (38%), a disabling health condition (17%), system discharge (14%) and violence (4%).[13,14] In 2024, the number of

people In Los Angeles County experiencing homelessness declined slightly (0.27%) relative to the 2023 point-in-time count estimate.[15]

Children experiencing homelessness are 2.5 times more likely to have health problems, including higher rates of infections, respiratory problems, accidents and injuries.[16] Additionally, homeless children are at an increased risk of abuse, violence and trauma.[17] In Los Angeles County, an estimated 8.5% of the homeless population were children ages 0-17. In 2024, the number of children experiencing homelessness in Los Angeles County increased by 3% relative to 2023. The number of families[18] experiencing homelessness increased by 4.9% between 2023 (10,477) and 2024 (10,992).

LACOE is committed to ensuring that children and families experiencing homelessness are targeted for recruitment. LACOE uses a housing questionnaire to assess a family's living situation based on the requirements mandated by the McKinney-Vento Homeless Assistance Act and uses this data in its selection criteria to prioritize families experiencing homelessness. During the 2023-24 program year, 17% of children (939) enrolled in LACOE's Head Start Preschool programs were experiencing homelessness. In Early Head Start, 15% of children (506) enrolled were experiencing homelessness.

Children in Foster Care

Children in foster care have an increased risk of experiencing developmental delays, learning disabilities, depression and health-related concerns such as asthma and obesity.[19] Additionally, data on the educational outcomes[20] of foster care children in California found that:

- Students in foster care are more likely to move schools within the school year (34%) when compared to children not in foster care (5%).
- Nearly half of all students in foster care were enrolled in the highest-poverty schools.[21]
- Nearly 28% of students in foster were chronically absent,[22] compared to 12% of students not in foster care.
- Students in foster care were more than four times as likely to be suspended (15%) when compared to students not in foster care (3.4%). Students in foster care graduate from high school at lower rates (56%) than their peers not in foster care (85%).
- Students in foster care were less likely to attend college (48%) when compared to students not in foster care (64%).

As of April 2024, there were 42,321 children in California's foster care system.[23] An estimated 34% (14,270) of these children reside in Los Angeles County[24] and 33% of these were under five years of age (4,725). LACOE continues its partnership with the Department of Children and Family Services (DCFS) to refer foster children to Head Start Preschool and Early

Head Start services. Referrals are received from the Educational Passport System (EPS)[25] or the DCFS Head Start Agency System.[26] LACOE delegates enrolled 237 children in foster care during the 2023-24 program year.

Children with Disabilities

LACOE offers comprehensive services to support families and children with an Individualized Education Program (IEP) or Individualized Family Service Plan (IFSP) within the community. In PY 2023-24, LACOE provided services to 1,086 children with an IEP and 806 children with an IFSP. The most predominant disabilities identified for LACOE children continue to be Speech and Language Impairment (74%) and Autism (22%).[27] Additionally, through the Inclusive Early Education Expansion Program (IEEEP), LACOE aims to enroll and serve more children with mild to severe disabilities by continuing to build infrastructure and capacity through strategies that include individualized coaching for early educators that supports inclusive practices.

Services to Families

An understanding of the work, school and job training schedules of parents is important to ensure that Head Start programs are meeting the needs of the community. The community assessment did not identify major changes that support a need to change how services are delivered to families.

The most recent data available from focus group sessions with parents of children ages 0-12 across California suggests that families experience challenges with consistency and continuity of care with preschool offerings.[28] Families (N=3,867) who participated in these focus groups indicated that the hours of operation for preschool programs were not flexible enough to meet their needs, resulting in them needing to rely on multiple types of early learning and care, such as informal networks of family, friends and neighbors (FFNs). In fact, 85% of parents surveyed indicated that receiving all the hours of care needed in a single location was "extremely" or "very" important. Data suggests that the most typical time frame needed by families was the 8 a.m. to 6 p.m. slot (68%), followed by the 6 a.m. to 8 a.m. slot (29%). Additionally, 15% of parent respondents needed childcare on the weekends.

Availability of Services

In 2024, there were 75,281 Head Start enrollment slots available throughout California,[29] with Los Angeles County accounting for 28% of the slots (21,078), followed by San Diego County with 8% (6,038), Sacramento County with 6% (4,425) and San Bernardino County with 3% (2,245).[30]

Program Options and Funded Enrollment

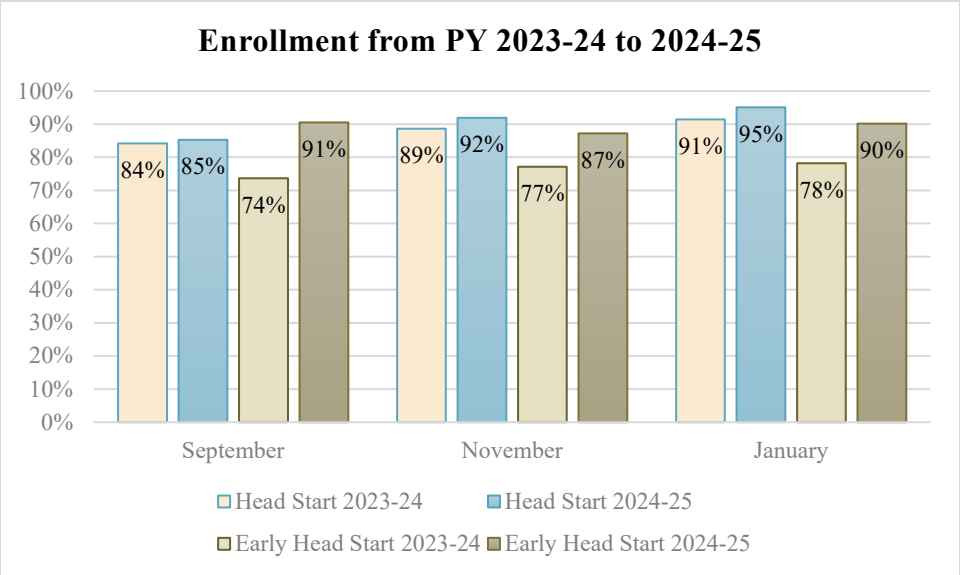
In the 2024-25 program year, LACOE contracted with 16 delegate agencies to provide early education services to 7,696 children and pregnant women throughout Los Angeles County. In the 2025-26 program year, LACOE is proposing to serve 7,089 (2,416 EHS and 4,673 HS) children and pregnant women through various program models. All delegates offer both Early Head Start and Head Start Preschool services to children and families, except ABC Unified School District, which offers only Head Start Preschool. The proposed program design for the upcoming program year includes the conversion of 49 Head Start Preschool slots to 28 Early Head Start slots. The proposed conversion included in this application will allow El Monte City School District (El Monte) to expand EHS services.

The funded slots and program models proposed for the 2025-26 program year take into account the needs of the community and reflect the changes implemented in the 2024-25 program year as a result of a Change in Scope application. The proposed design also seeks to address strategies implemented to resolve the Full Enrollment Initiative designation. As stated in the year one funding application, LACOE developed and implemented a plan to address under-enrollment challenges that led to being placed on the Full Enrollment Initiative by the Office of Head Start. The plan focusses on six key areas:

1. Increasing services to infants and toddlers;
2. Supporting the development, attraction and retention of our workforce;
3. Refreshing marketing and messaging;
4. Developing partnerships;
5. Revising enrollment processes; and
6. Reducing the number of children excluded from starting a program.

LACOE completed many activities identified in the plan and has ongoing efforts designed to meet and sustain full enrollment. A comparison of last program year to the current program year demonstrates LACOE was successful in improving enrollment levels overall, most notably in EHS (see Figure A).

Figure A



When the Office of Head Start reviewed LACOE's progress, it was noted that progress toward full enrollment was indeed made, and an additional six months was granted to meet the requirements of the Full Enrollment Initiative. In January 2025, LACOE submitted a Change in Scope application in the 2024-25 program year to request an enrollment reduction of 666 slots, including 391 slots in Early Head Start and 275 in Head Start Preschool. The enrollment reduction was requested not just as a full enrollment strategy but also to address:

1. Changes in the Head Start Program Performance Standards, such as the requirement to improve the wages and benefits of the Head Start workforce;
2. Ongoing increases in operational costs;
3. Continued expansion of transitional kindergarten; and

4. Ongoing shortages and turnover of educators in the field of early childhood education.

The proposed program design is summarized by delegate in Tables 7 and 8 and reflects a variety of program options designed to meet the unique needs of children and families throughout LACOE's service area.

Early Head Start

Table 7 summarizes the Early Head Start slot allocation and program option by delegate for the 2025-26 program year. A total of 2,416 slots are slated for EHS services. All EHS center-based and family child care program options offer at least 1,380 hours of planned class operation annually; 64% of EHS services offered are center-based and less than 1% of services offered are family child care. Approximately 34% of EHS slots are allocated to the home-based program option offering families at least 46 home visits per year and 22 socializations. Also, Blind Children's Center will continue operating the locally designed program option (20 slots) that was approved for the project period in the 2024-25 program year.

[31] The slots in Table 7 represents the allocation of the EHS slots according to the allocation OHS funds LACOE. LACOE may fund delegates to serve more children when a need arises. The enrollment reduction submitted in the 2024-25 program year reduced Garvey School District (Garvey) by 39 home-based EHS slots. However, Garvey's request was for an enrollment reduction of 24 EHS home-based slots. For the 2025-26 program year, Garvey proposes to serve 82 children instead of 67 children to support the need in the community.

[32] Similar to footnote 31. The enrollment reduction submitted in the 2024-25 program year reduced the slot allocation for Mexican American Opportunity Foundation (MAOF) by 24 EHS slots. MAOF proposes to serve 248 EHS children instead of the 237 center-based slots identified in Table 7.

[33] The enrollment reduction submitted in the 2024-25 program year reduced Norwalk-La Mirada School District (Norwalk) by 36 home-based EHS slots. However, Norwalk's request was for an enrollment reduction of 24 EHS home-based slots. For the 2025-26 program year, Norwalk proposes to serve 108 children in the home-based program option instead of the 96 identified in Table 7.

[34] The enrollment reduction submitted in the 2024-25 program year reduced Pacific Asian Consortium in Employment (PACE) by 75 home-based EHS slots. PACE proposes to operate 104 home-based slots instead of the 75 identified in Table 7.

[35] The enrollment reduction submitted in the 2024-25 program year reduced Plaza de la Raza Child Development Services, Inc. (Plaza) by 24 home-based EHS slots and 20 EHS center-based slots. Plaza proposes to operate 96 home-based slots instead of the 80 identified in Table 7.

Head Start Preschool

Table 8 summarizes the Head Start Preschool slot allocation and program option by delegate for the 2025-26 program year. A total of 4,673 slots are slated for HSP services. Of the total slot allocation 99% are center-based slots, and 91% of all Head Start Preschool slots offer at least 1,020 hours of planned class operation annually. Center-based slots include the slots identified in the locally designed program option. Less than one percent of slots are allocated to the family child care program option which offers families at least 1,380 hours or more of planned class operation annually. A locally designed program option approved for the project period in the 2024-25 project period will continue to be offered by Garvey School District (108 slots).

Locally Designed Option

The application submitted for the first year (2024-25) of the project period (2024-29), included requests to approve two locally designed program options (LDOs), one for Blind Children Center and one for Garvey School District. The LDOs were approved for the project period and both delegates have confirmed they will continue operating the LDO in year two.

Blind Children's Center

Blind Children's Center's (BCC) LDO was implemented in Early Head Start. The EHS LDO waived the requirements of home-based duration by reducing the number of home visits from 46 to 38, which included providing 36 home visits for 60 minutes and two home visits for 90 minutes. In addition, BCC increased the number of socializations from 22 to 78.

Desired Results Developmental Profile (DRDP) data reviewed from fall 2023 and winter 2024 for children enrolled in the EHS LDO demonstrated that children increased across all developmental levels, indicating progress being made toward school readiness outcomes. Nearly

60% of children enrolled in the LDO in the 2024-25 program year have or had an IFSP; with two being diagnosed while in the program. Additionally, 25% of enrolled families received mental health services.

BCC also captured anecdotes from parents to assess if changes are needed for the services they received. The delegate found that anecdotal feedback from participating parents has been very positive. One enrolled parent shared the following: “From the moment we stepped through the doors of the BCC for registration, it felt like we were walking home. The teacher assigned to us has done an incredible job. She was caring and loving. She hasn’t just become our child’s teacher; she has become a cherished member of our family. The entire staff at the center is compassionate and warm. Knowing that there’s a team of caring individuals behind us has been a source of immense strength. We are so grateful!” Similar sentiments expressed by families are possible because of the individual attention given to address their needs in this program model and resources available to them during the socializations held on site at BCC.

Garvey School District

For the 2025-26 program year, Garvey School District (Garvey) is also requesting to continue operating the center-based ratio and group size LDO. The implementation of the program option allowed Garvey to meet the needs of the community and enroll eligible families in the program. The school district’s continued expansion of Transitional Kindergarten, focused on serving four-year-olds, has demonstrated the continued need to serve younger preschoolers in Head Start.

The only change to the LDO is the location and number of classes implementing the LDO. Garvey will no longer offer the LDO at Hillcrest and is removing one LDO class from the Dewey site and 2 LDOs from the Williams site. These changes result in 6 classes instead of 11

operating the LDO. The total slots included in the LDO are 108 (6 classes of 18 children). This change reflects Gavey's commitment to adjust classes and services to meet the needs of the community while also continuing to deliver individualized services and quality programs to children and families. Table 9 identifies the sites and classes that will continue operating the LDO in the 2025-26 program year.

Conversion

One delegate, El Monte City School District (El Monte), plans on expanding Early Head Start given their success in meeting and sustaining enrollment during the 2024-25 program year and the demand for serving pregnant women in their designated community. The proposal is to convert 49 HSP slots to 28 EHS.

El Monte will add EHS center-based classes at their Cortada and Rio Vista sites to support the needs of working families in the community and increase access for families to high-quality early learning centers serving infants and toddlers. El Monte will operate 16 of the converted slots as EHS center-based slots.

Also, during the 2024-25 program year El Monte redirected their outreach efforts for home-based slots to expand EHS services to pregnant women. The delegate began preparing and piloting EHS services to pregnant women; given their success, they will be adding one more home-based caseload (12 of the converted slots) to serve pregnant women in 2025-26.

Table 10 reflects the changes to slots from the 2024-25 program year to the 2025-26 program year. The reduction in Head Start Preschool slots is from the conversion. No enrollment reductions are proposed for the 2025-26 program year.

Eligibility, Recruitment, Selection, Enrollment and Attendance

Recruitment

LACOE adjusts recruitment strategies during a given program year or into the next program year using data collected on the success of the strategies implemented. For the 2025-26 program year, we plan on continuing to utilize a variety of recruitment strategies such as those outlined in our year one funding application.

In our review of data, we observed an increase in referrals from our Prekkid website and 1-877-Prekkid phone line compared to the previous year. Families access the referral system any time of the day to input their information and start the application process. The continued use of the online referral form proved to be effective, with a 7% increase in online applications from the 2022-23 to the 2023-24 program years.

Continued participation in community events across Los Angeles County raised awareness of LACOE programs and reached a wider audience. We maintained strong partnerships with existing community organizations and actively sought new collaborations. Department of Children and Family Services (DCFS) referrals increased by 66%. Regional Center referrals increased by 39%.

Given the Office of Head Start's updated requirement for enrolling children with disabilities related to enrolling 10% of the actual children enrolled, rather than total funded enrollment, delegate agencies immediately implemented this change and met this threshold by the midpoint of the program year.

Also, the implementation of Power Apps for data tracking provided valuable insights into referral trends on a monthly, quarterly and year-to-date basis. Overall, our recruitment efforts during PY 2023-24 demonstrated positive results, with a 9% overall increase in referrals compared to the previous year.

Serving Children under Head Start Act 645(a)(2)

LACOE's delegate Blind Children's Center (BCC) continues to enroll and provide services to children who are visually impaired in our Head Start program. The allowances afforded by the Head Start Act enable BCC to enroll visually impaired children by removing barriers given the limited availability of programs and resources offered to this community. LACOE uses the community assessment to identify students with disabilities. Looking at the most recent data from 2022-23, we see the three most common disabilities among children served under the Individuals with Disabilities Education Act (IDEA) are: 1) speech or language

impairments (23,745 children), 2) autism (18,128 children) and 3) other health impairments (2,026 children).[36]

Data from the U.S. Department of Education for 2021-22 shows that in California 100 children ages three to five served under IDEA had a visual impairment.[37] In PY 2023-24, LACOE had three visually impaired children enrolled in our Head Start Preschool program and two in our Early Head Start program.

BCC actively promotes its inclusive model of serving children with visual impairments alongside children of all abilities in its recruitment materials. We work closely with regional centers and other community organizations that support families of children with disabilities. Through these partnerships, we will continue to promote and support BCC's efforts to enroll children with visual impairments, following the criteria outlined in Head Start Act 645(a)(2).

Selection

LACOE's community assessment informs program improvements and ensures that our selection criteria accurately reflect the needs of the community. The selection criteria is reviewed and updated annually in May, with the option for revisions as needed throughout the year upon approval by the Policy Council and board. For the 2024-25 program year, we removed two categories from the selection criteria list: "Returning Child" and "Transitioning Child." This decision was made to support continuity of care and remove barriers for families seeking to enroll in subsequent program years. Prior to this change all families had to be ranked, including returning families and families transitioning from one program to another.

[37] Ibid.

The Office of Head Start revised the Program Performance Standards on August 21, 2024, to allow programs to consider the enrollment of eligible children of staff members as part of the selection criteria. Changes resulting from the revised Head Start Program Performance standards were incorporated into our selection criteria during the 2024-25 program year. Our selection criteria continue to prioritize families with the greatest need for services, such as those with incomes at or below the federal poverty level, children in foster care, families experiencing homelessness, families with food insecurities, etc. by utilizing a point system for each delegate in ChildPlus. By regularly reviewing our selection criteria based on community needs and incorporating relevant updates from the Office of Head Start, we ensure that our programs effectively serve children and families most in need of Head Start services in Los Angeles County.

Promoting Regular Attendance

LACOE continues to adhere to the attendance monitoring procedures established in the year one funding application. Utilizing various ChildPlus reports to closely monitor and analyze the attendance data entered by the delegate agencies, LACOE staff conduct quarterly monitoring to ensure accurate and timely attendance data entry. This monitoring includes identifying any instances of blank attendance records, children with consecutive absences and cases of chronic absenteeism. Delegate agencies are also required to utilize ChildPlus reports to monitor their own attendance data and identify children with low attendance. If a classroom's attendance falls below the 85% threshold, the delegate agency submits to LACOE an attendance analysis report. This report includes a narrative explaining the reasons for the low attendance and a detailed plan of action to improve attendance. By implementing these attendance monitoring procedures,

LACOE aims to ensure that all children can maximize their learning potential by regularly attending Head Start.

Education and Child Development

Curriculum

LACOE remains committed to providing the highest quality care and education for our youngest learners. We implement The Creative Curriculum for Infants, Toddlers & Twos; The Creative Curriculum for Preschool; and The Creative Curriculum for Family Child Care across all center-based and family child care programs. Each edition of the Creative Curriculum is designed to support responsive and individualized care for each child. These curricula foster curiosity, creativity and exploration in all program options. By incorporating these innovative, research-based curricula, we ensure a well-rounded and enriching learning experience for all children in our care.

Center-Based Programs

Creative Curriculum for Preschool

The Creative Curriculum is a research-based collection of volumes that provides guidance and effective strategies for teachers. These resources support children's growth in emotional, behavioral and cognitive regulation, positive relationships, language and communication, literacy, mathematics, scientific reasoning and physical development. The curriculum includes specific teaching practices, such as Intentional Teaching Cards and Book Discussion Cards, to foster these skills. It emphasizes creating a stimulating and secure learning environment that encourages hands-on activities.

The Creative Curriculum for Preschool outlines nine key areas of development and learning: Social-Emotional, Physical, Language, Cognitive, Literacy, Mathematics, Science and

Technology, Social Studies and the Arts. Volumes 1-6 provide a comprehensive overview of child development and teaching strategies to support growth in each domain.

The curriculum also supports children's progression through developmental milestones. Intentional Teaching Cards offer activities in Language, Literacy, Mathematics, Social-Emotional and Physical Development, using a Teaching Sequence to accommodate children at various developmental stages. This personalized approach allows teachers to tailor activities to each child's unique strengths and needs.

Mighty Minutes and Teaching Guides supplement these resources, providing additional learning opportunities across all domains.

Creative Curriculum for Infants, Toddlers & Twos

The Creative Curriculum for Infants, Toddlers & Twos is research-based and focuses on establishing responsive relationships and interactions with young children. It supports teachers in creating secure and trusting bonds with infants and toddlers through simple actions such as smiling, showing affection and engaging in play. The curriculum emphasizes using daily routines as learning opportunities and guides structured yet flexible schedules. It values play and exploration as learning methods, encouraging curiosity and creativity with various materials. The curriculum also promotes language-rich environments and strategies such as open-ended questions and vocabulary-building through books and songs. It supports emotional, behavioral and cognitive self-regulation through redirection and a nurturing atmosphere.

This curriculum focuses on nine areas of development and learning: Social-Emotional, Physical, Language, Cognitive, Literacy, Mathematics, Science and Technology, Social Studies and the Arts. It aligns with the five Head Start Early Learning Outcomes Framework (ELOF) domains, helping teachers individualize learning for each child.

Family Child Care

The Creative Curriculum for Family Child Care, 3rd Edition, is research-based and promotes effective teaching practices, learning experiences and developmentally appropriate content. It provides guidance on supporting children's social-emotional development, language and communication, literacy, mathematics, scientific reasoning and physical development. It emphasizes the importance of daily routines as learning opportunities and encourages play-based exploration.

This curriculum covers all areas of development and learning, including Social-Emotional, Physical, Language, Cognitive, Literacy, Math, Science and Technology, Social Studies, the Arts and English Language Acquisition. It outlines learning sequences for each domain and provides strategies to support children's developmental progress. Resources such as Routines and Experiences, Objectives for Development & Learning and Intentional Teaching Cards guide assessment and scaffolding of development. The curriculum includes color-coded learning objectives and allows for individualization and accommodations for children with special needs.

Alignment to Head Start Early Learning Outcomes Framework: Ages Birth to Five

The Creative Curriculum strongly aligns with state early learning guidelines and the Head Start Early Learning Outcomes Framework. It supports all ELOF domains and sub-domains and provides teachers with guidance on creating optimal learning environments and schedules. The curriculum also offers resources for working with diverse families and children with special needs, ensuring inclusivity.

Additionally, the Creative Curriculum meets all Child Care and Development Fund (CCDF) Final Rule requirements, maintaining high standards for early childhood education.

Supporting Curriculum Fidelity

To ensure curriculum fidelity, LACOE provides comprehensive training for education coordinators, administrators, teaching staff, home visitors and LACOE staff. We offer Saturday and weekday workshops, consultations, individualized training and technical assistance. Early Learning Outcomes consultants support each agency in building systems that align with requirements and implementation of curriculum.

LACOE conducts semiannual surveys to assess staff proficiency in curriculum implementation, using data to inform professional development and collaborations with curriculum developers. Through Tier 1 monitoring, agencies identify trends and areas for improvement. LACOE provides professional development based on adult learning theory to enhance workforce competency. We also identify teachers needing intensive coaching on curriculum implementation.

LACOE conducts Tier 2 monitoring to validate Tier 1 findings and provide training, technical assistance and mid-course corrections.

Home-Based Programs

LACOE and its delegates implement the Parents as Teachers (PAT) Foundational I & II curriculum, which strengthens home visitor-family relationships, promotes positive parent-child interactions and enhances family wellbeing. This curriculum provides online resources, home visitor materials, family activities and parenting resources to support family growth and development.

PAT outcome studies demonstrate its long-term impact on children and families. It promotes effective home visiting practices and provides strategies for building strong family relationships, supporting children's development and using routines as learning opportunities.

PAT emphasizes sensitive and responsive parent-child interactions and provides strategies for developmental growth across ELOF domains.

LACOE ensures home visiting staff receive coaching and supervision support, including reflective supervision and PAT booster trainings. Tiered monitoring assesses curriculum implementation, providing targeted support to increase fidelity.

LACOE and its delegates implement group socializations in home-based programs, providing families with opportunities to engage with other families, professionals and staff. Delegates implementing EHS home-based programs offer 22 socializations per year. These sessions include expectant families and focus on strengthening the parent-child bond and supporting parents as primary educators. Home visitors link socializations to family goals and children's developmental needs.

Delegates use PAT resources for effective planning, involving parents in socialization design and implementation. These sessions include an intent, learning activities, facilitation methods and evaluation based on Parent-Child Interactions, Development-Centered Parenting and Family Wellbeing. Home visitors also use the ELOF and parent feedback to individualize learning.

Developmental Screenings and Assessments

DRDP (2015)

LACOE and its delegates use the Desired Results Developmental Profile (2015) [DRDP (2015)] to track children's developmental progress toward school readiness goals. LACOE and its delegates implement three assessment points annually, aggregating and analyzing data to inform program decisions.

LACOE partners with the California Preschool Instructional Network (CPIN) to provide professional development on child development and assessment processes. To align with State and Federal requirements, LACOE conducts two assessment cycles per year, with the first within 60 to 90 days of a child's start date and another every six months.

ASQ

LACOE and its delegates utilize the Ages & Stages Questionnaire (ASQ) as the primary screening tool. This developmentally appropriate tool identifies strengths and needs, guiding referrals and additional services for children and families.

Parent & Family Engagement in Education

In year two, LACOE and its delegates will continue to prioritize curriculum, assessments and screenings that actively involve families. Parents contribute to classroom activities, lesson plans and assessments, ensuring a collaborative approach to child development. By fostering family engagement, LACOE creates a supportive, inclusive learning environment, laying the foundation for success throughout the five-year cycle.

Health

Last year, LACOE successfully partnered with two organizations to enhance our health services. Western University Dental provided dental screenings for 1,056 children over 19 days, and Veritas HealthCare Inc. conducted 391 lead screenings over 20 days. Unfortunately, Veritas HealthCare Inc. ceased operations in November 2024.

LACOE established partnerships with three additional medical providers to enhance health and dental care services for program year 2024-25. These collaborations with West Coast

Dental Administrative Services, Yanira Casasola, RDHAP and UCLA's Department of Pediatrics, Division of General Pediatrics, aim to facilitate timely lead and dental screenings for children.

LACOE, in conjunction with these providers and staff, will assist children who are behind on primary medical or oral health care in accessing culturally appropriate care and/or referrals to specialized providers. Delegate agencies will continue to conduct vision and hearing screenings to ensure comprehensive health assessments. Parental consent will be obtained for children requiring dental and lead screenings.

To monitor health progress, LACOE, in collaboration with its delegate agencies, will continue to track health indicators monthly. This will ensure that children who are not up to date on the required health and oral health care receive timely and appropriate follow-up. Delegate agencies will identify children's health needs and facilitate referrals to community-based agencies as necessary. Follow-up activities may include conducting screenings, retrieving missing screening results from medical/dental providers or referring families to their healthcare providers. Each delegate agency will adhere to its specific protocol for health and oral health care follow-up, including utilizing ChildPlus reports, verifying the fulfillment of family needs and documenting follow-up actions. LACOE will continue to monitor compliance through health check-in meetings with delegate agencies. Agencies will continue follow-up care until children's health and dental requirements are met.

Mental Health

LACOE will focus on a variety of activities during year two in an effort to continue strengthening its mental health services delivery system through a comprehensive approach.

LACOE will seek opportunities to expand the available pool of mental health professionals in ECE, including offering placement opportunities for mental health interns at

delegate agencies. This will be accomplished through LACOE's existing partnership with LACOE's Mental Health and School Counseling Unit, currently in its sixth cycle of implementation. Over this time, 35 interns have been placed at 13 delegates.

In addition, LACOE will implement newly updated guidance to delegate agencies on positive behavior support (PBS) strategies. PBS strategies support students with emotional, behavioral or social challenges in the general education setting without removing them from the classroom, and include a variety of approaches including visual, environment and relationships.

LACOE will provide minimum expectations for behavioral support staff/consultants to ensure they have the necessary knowledge, skills, qualifications and supervision to implement PBS strategies effectively. Minimum expectations are derived from the Behavior Analyst Certification Board and cover required knowledge and skills, educational requirements, work experiences and desired certification(s) and training.

LACOE will continue to foster effective multi-disciplinary team (MDT) planning to ensure effective high-level communication between families, staff and service providers including the availability of tools to facilitate participation from instructional staff, sharing of best practices for effective implementation and oversight of MDT and enhanced recordkeeping elements in ChildPlus.

LACOE will highlight industry standards and offer professional development opportunities to managers and supervisors for reflective practice that supports mental health and wellness within the context of staff's role at their agency.

LACOE initiated its five-year implementation plan for the Conscious Discipline framework during year one. Through the infusion of social-emotional learning and development,

Conscious Discipline becomes a cornerstone in the foundation of our commitment to the holistic growth and wellbeing of the children and families entrusted to our care.

New referral procedures and forms that facilitate direct mental health services for parents and caregivers and related documentation were implemented during PY 2023-24, resulting in twice as many parent-only (in-house and outside) referrals, increasing from 199 to 402 for the year. As of the midpoint of the current year one of the grant, a total of 247 total in-house and outside referrals have been made. LACOE will continue to monitor implementation of this tool during year two.

Updated procedures were developed and implemented in year one that align with state and federal requirements around suspension and expulsion related to behavior. Full implementation of these procedures during year two will help ensure that LACOE complies with all relevant state and federal requirements around expulsion and suspension related to behavior as well as relevant reporting requirements.

Updates to LACOE's mental health Tier II monitoring guides will facilitate effective oversight at the grant recipient level of the minimum requirements set forth in the division's Mental Health Services GIM.

LACOE will continue to hold quarterly meetings for delegate agency mental health coordinators to ensure collaborative planning and timely communication on updates in policy and trends in the field.

Family and Community Engagement

There are no updates or changes to FCE. For PY 2023-24, family service workers and home visitors continued to link families to services by providing community referrals and/or direct services to families based on needs identified by families. Ninety-eight percent of families

in both program options received at least one service. In addition, FCE staff provided families with the opportunity to identify strengths and needs and to develop a written family goal. In total, over 80% of families were assessed and over 50% of enrolled families developed a written family goal. Finally, families continued to request referrals for housing assistance (136 for HS and 150 for EHS), though finding housing for families continues to be a challenge for FCE staff.

Services for Children with Disabilities

LACOE will continue to ensure enrollment opportunities are maximized for children with disabilities through early identification, collaboration with families and caregivers and coordination with local educational agencies (LEAs) and regional centers. Universal Design for Learning strategies will be promoted, alongside utilization of adaptive equipment and assistive technology through training and access, so that agencies are equipped to provide services to children of all levels and abilities. LACOE will ensure consistent staffing and oversight of disability services including providing training and technical assistance support to delegate agencies—including the newest delegate agency, YMCA—through the Disabilities "New Coordinator" guidance, along with tailored and specific training to support their work in the field of ECE.

Year two will feature a focus on building instructional staff capacity for effective inclusion practices through exposure to high-quality training and use of the Inclusive Classroom Profile (ICP) to drive professional development and coaching opportunities. MDT planning will be fostered to ensure effective communication between families, staff and service providers, including the availability of tools to foster participation from instructional staff, sharing of best practices for effective implementation and oversight of MDT and enhanced recordkeeping elements in ChildPlus. LACOE will leverage expertise from key partners, including

collaborative planning opportunities through quarterly delegate agency coordinator meetings, semiannual planning with Los Angeles County regional centers, regular feedback loops with LAUSD's Early Childhood Special Education division and ongoing support from the LACOE Inclusive ECE team.

Finally, LACOE will ensure a systemic approach to effective and qualitative data-driven monitoring at the local delegate agency and grant recipient levels, through use of consistent and structured monitoring methods and tools that will facilitate accurate tracking, reporting and recordkeeping of IFSP/IEP eligibility, concerns, referrals and services.

Transitions

There are no changes for transitions. Delegate agencies continue to assist families and their children with all transitions.

Services to Enrolled Pregnant Women

LACOE will continue with the previous year's process for engaging and serving pregnant women. Designated delegate agency staff will continue to complete the Prenatal Health History and Nutritional Screening for Pregnant Women before or during the first home visit. This aids in the determination and initiation of support within 30 calendar days as to whether the pregnant women have health insurance and a medical/dental home for the duration of the pregnancy and immediate postpartum period, as well as assessing if any other health, nutrition, mental health or social supports are required to ensure the optimum outcome of the pregnancy.

Within 14 days from identification of need, or sooner if deemed urgent, delegate agency staff provide resources, referrals or individual support to the expectant family. This includes connecting the family to reliable community services. Delegate agencies operating EHS

programs must use the Patient Heath Questionnaire-9 (PHQ-9) to screen for prenatal and/or postpartum depression for enrolled pregnant women and expectant parents within 45 calendar days from the enrolled pregnant woman's start date in the program. However, there have been challenges in completing these screenings in a timely manner. LACOE will continue to provide technical assistance to delegate agencies providing services to enrolled pregnant women, relative to improving the agencies' capacity for timely screening and follow-up. LACOE will work to support agencies with strengthening the policies and procedures that guide the process and with improving cross-content-area communication and oversight. Mental health assessments, interventions and other follow-up, including linkages to substance abuse prevention and treatment services as well as community-based mental health providers, when needed, must be provided to EHS parents and families in a timely and effective manner, a process that begins within 14 calendar days from the date that mental health needs are identified to ensure that expectant parents have access to specialty sources of ongoing care.

Transportation

In year one, LACOE requested a waiver for four agencies. This year, we are requesting three transportation waivers. LACOE requests a transportation waiver for the 2025-26 program year, effective July 1, 2025, for the following areas:

- Child Restraint System (§1303.71(d) and §1303.72(a)(1))
- Bus Monitor Requirement (§1303.72 (e))

The waiver applies to the following delegates:

- ABC Unified School District
- Mountain View School District
- Pacific Asian Consortium in Employment

These three delegates all offer incidental transportation for children to participate in offsite educational experiences. Norwalk-La Mirada Unified School District will continue to provide direct transportation services in year two and maintain compliance with all transportation requirements.

Sub-Section C: Governance, Organizational and Management Structures

Governance

There are no changes to the structure, roles and responsibilities or training for the LACOE Board of Education or Policy Council. At the close of the 2023-24 program year, the LACOE Policy Council Executive Committee established a goal of increasing Policy Council participation for the PY 2024-25 program year. The Executive Committee expressed a desire to share their own personal leadership development and Policy Council experiences with parents at LACOE's delegate agencies in hopes of increasing parent engagement at the agencies and Policy Council involvement at the LACOE level.

During summer and fall of 2024, LACOE's Executive Committee (with governance staff support) participated in 21 events across 13 delegate agencies. These events included parent meetings, policy committee meetings and parent orientations. Executive Committee members shared their experiences getting introduced to Policy Council functions and the knowledge and skills that they developed being part of the council. The Executive Committee-led campaign increased Policy Council membership by 50% when compared to the start of the 2023-24 Policy Council.

LACOE's 2024-25 Policy Council has also seen its membership more broadly reflect the community. As of February 2025, 12% of the active Policy Council membership were African

American, which is double compared to the previous year, and 6% of the Policy Council are male parents/guardians, which did not have a presence in the previous year's Policy Council. The Policy Council also has community representatives from local businesses and community groups, specifically The Whole Child, a homeless services nonprofit organization; the Special Needs Network; and the California Parent Teacher Association (PTA). Together, voices of parents and community representatives collaborate to reflect the entire community as they drive program decision-making.

LACOE Policy Council subcommittee members also participated in other opportunities to build their leadership skills and knowledge. The 2023-24 Policy Council members received the opportunity to attend the National Head Start Association Fall Leadership Institute in Washington, DC, and share their experience with their legislators to help educate lawmakers about the Head Start program. Members also attended the Head Start California Advocacy Day and California Parent Teacher Association (PTA) convention. Policy Council members also participated in LACOE's trainings to develop their own professional knowledge. Members also attended trainings on education, inclusion, health, nutrition and male involvement.

Human Resources Management

Organizational Structure

There are no changes to the LACOE organizational structure, policies and procedures that support strong and effective human resource management.

The organization's structure is designed to support the management, implementation and oversight of all the programs under the Head Start and Early Learning Division.

Criminal Background Checks

LACOE's and its delegates' human resources policies and procedures ensure that criminal record clearances occur prior to employees or contractors starting their positions. This check includes obtaining the following: (1) FBI (Federal Bureau of Investigation) criminal history check, including fingerprints; (2) state criminal history check, including fingerprints; and (3) child abuse and neglect state registry check. The State of California does not include sex offender checks in the clearance process. For delegates that are LEAs, a dual system of checking is maintained to meet both the California Department of Education requirement and the Community Care Licensing requirement.

Staff Orientation

LACOE implements a multi-day division onboarding system for new employees, which begins with each new staff person completing necessary personnel documents at LACOE's Human Resources Office and subsequent process specific to the Head Start and Early Learning Division. The division onboarding begins with a facility tour/staff introductions and computer desktop orientation. New hires are electronically provided additional HR forms specific to Head Start and Early Learning, such as the Standards of Conduct document. They print, sign and submit their paperwork to the Head Start Early Learning Grants Consultant, responsible for all internal HR processes, by the conclusion of the first day of work. The orientation process continues with meetings between the new employee and the supervisor to review the performance evaluation timelines and required training. Finally, all orientations conclude with a face-to-face meeting with the Executive Director, Assistant Directors and the Head Start Early Learning Grants Consultant to cover division policies and procedures. The Executive Director provides a detailed description of the Strategic Plan and organizational structure.

Approach to Staff Training and Professional Development

LACOE tracks professional development hours for all staff members with the goal of each person completing at least 15 hours of professional development related to their position and aligned with the annual performance evaluation. This includes reflective supervision, through which the supervisory manager holds three meetings per year in alignment with the Electronic Evaluation Tool (EET) system. For represented staff, the meeting documentation is captured through written memo or email. As part of each staff member's annual work plan, specific EET goals are set to ensure that staff have an opportunity to contribute to division goals and objectives, as well as to identify and pursue professional development growth opportunities. The individual annual work plan also allows for identified areas of growth and improvement to be addressed via additional training and/or coaching support.

Program Management and Quality Improvement

As part of our ongoing commitment to ensuring the highest standards of health and safety for the children and families we serve, LACOE has implemented significant improvements following the recent Risk Assessment Notification (RAN) monitoring conducted by the Office of Head Start. LACOE's response to the RAN finding included a health and safety review of all classrooms, both in Head Start Preschool and Early Head Start, which has strengthened our program's policies, procedures and training initiatives.

Key improvements include:

1. **Enhanced Health and Safety Policies:** We have revised and implemented stronger health and safety protocols to ensure compliance with Head Start Program Performance Standards. These updates include increased classroom and facility inspections, more rigorous sanitation practices and strengthened staff training.

2. **Improved Toileting and Diapering Procedures:** Recognizing the importance of proper hygiene in early childhood settings, we have established clearer and standardized procedures for toileting and diapering. These procedures focus on preventing cross-contamination, maintaining child dignity and ensuring staff accountability. Regular monitoring and coaching have been integrated to reinforce best practices.

3. **Comprehensive Staff Training and Professional Development:** To sustain and improve the quality of care, we have expanded our training programs for all staff, with a heightened focus on health and safety, proper hygiene practices and risk mitigation. This includes hands-on training sessions, periodic refresher courses and ongoing support to maintain compliance with updated policies.

Additionally, the LACOE Request for Advance Approval (RAA)/Budget Adjustment Request (BAR), or RAA/BAR, System processes and tracks programmatic and budgetary changes that occur during the program year following the approval and acceptance of the annual funding application. The system allows the grant recipient to address changes to the contract and the ability to identify transactions that will trigger a required budget revision.

To address concerns in the current system, which has been in use since 2009, and improve the quality of the contract management system, the division convened a workgroup consisting of internal division staff users, users from the Controller's Office and representatives from delegate agencies as end users of the system. The workgroup strategically identified strengths, weaknesses and potential changes to the RAA/BAR System. Specifically, the workgroup identified current processing issues, barriers/roadblocks in the processing of RAA/BARs and system platform issues.

LACOE's selected vendor utilizes a cloud-based software system, which is used by many leading companies, state and local governments and other regulated organizations

worldwide, to revamp and relaunch the RAA/BAR System. Upon completion and implementation, the revamped RAA/BAR System is expected to:

- Reduce LACOE's turnaround time of approvals for RAA/BARs by 33% to levels of efficiency.
- Improve planning and budget management of delegate agencies to reduce the number of RAA/BARs submitted by 10%.
- Increase user satisfaction of the electronic system by 100%.
- Establish a more effective collaborative and two-way approach to build efficiency between the delegate agency and grant recipient to align with the Uniform Guidance and other regulatory requirements.

LACOE is currently engaged in comprehensive reviews of all delegate agencies as part of our monitoring approach in year one of each five-year project period. This year's comprehensive reviews will coincide with CLASS observations, and the results of both actions will allow LACOE to better understand the needs of delegate agencies and tailor our training, technical assistance and monitoring supports moving forward.

LACOE continues to implement an approach for ongoing oversight, correction and assessment of delegate progress toward achieving goals as outlined in the Monitoring for Continuous Quality Improvement GIM. The system of support for delegates is based on improving their effectiveness and continuously building agency capacity. LACOE's existing individual agency planning (IAP) process uses program data, monitoring results and staff interviews to decide the specific level of monitoring support that a delegate needs. The system is designed to be flexible for changing conditions, so a delegate may reach a different monitoring support level at any point during the year as circumstances warrant. The LACOE monitoring support levels are described below. Delegates on Enhanced Monitoring or Intensive Monitoring

receive more frequent monitoring and additional supports that are documented and tracked on a Quality Improvement Plan (QIP).

- Support Level: Standard Monitoring – This baseline status consists of regular, ongoing monitoring. It requires LACOE team members to adhere to the monitoring framework and established timelines, conduct desk reviews where possible, complete holistic file reviews and review agency reports and information prior to on-site visits to validate agency operations.

- Support Level: Enhanced Monitoring – In addition to all procedures associated with Standard Monitoring, this level may include focused area reviews and an increased frequency of site visits with targeted technical assistance. Delegates remain assigned to Enhanced Monitoring until the required revisions to procedures are submitted, approved and the delegate demonstrates full implementation of the corrections for at least six months, as documented during follow-up visits by LACOE staff.

- Support Level: Intensive Monitoring – This level consists of increased, extensive and comprehensive system-driven reviews and requires frequent site visits and mandated technical assistance. This monitoring support level may also include Interim Administrative Management (IAM) and the required redirection of program funds.

Additionally, LACOE implements a comprehensive shared leadership process for Strategic Planning. The planning process includes active and ongoing delegate participation in the design and development process. We expect enhanced planning efforts will better support the implementation of quality systems and program evaluation for continuous improvement. This application is a result of the shared collaborative process for planning with our delegates.

Section II. Budget and Budget Justification Narrative

The proposed budget supports the allocation of resources, staff and workforce development and professional learning necessary to continue working toward achieving the

expected outcomes, program goals and objectives, and implementing the program design and approach described throughout Section I of this application. Using a data-driven process, LACOE maintains documentation to ensure that the amounts budgeted herein reflect the activities to be implemented to lead to successful program outcomes. When analyzing data, LACOE assesses and identifies budget implications and, as applicable, adjusts the budget to continue supporting successful program outcomes throughout the year. The data analysis process occurs at least three times per year or as needed to ensure the budget supports the program.

This budget reflects the best-known data at the time of submission but may change throughout the year to support outcomes and continuous improvements. When such changes require OHS approval, budget revisions are submitted in the Head Start Enterprise System after securing the necessary County Board and Superintendent approvals.

Board Meeting – March 18, 2025

Item VII. Recommendations

B. Approval of LACOE Legislative Proposal and Position Recommendation Report PRR 2.0 – March 2025

The Superintendent recommends that the County Board approve the following legislative proposal for the 2025 Legislative Year:

1. **AB 642 (Muratsuchi) Emergencies Proclaimed by the Governor: School Employee Catastrophic Leave: Enrollment Reporting.**
   [Amended: 3/5/2025]

Desired Outcome: To authorize school districts and county offices of education to allow employees to donate leave credits to colleagues impacted by a Governor-proclaimed state of emergency and requires the collection and reporting of enrollment data for students displaced by such emergencies starting in the 2026–27 school year.

Summary of the Issue: During the recent wildfires and windstorms in Los Angeles, many teachers and students were displaced, highlighting the gaps in support for school employees affected by state-declared emergencies.

Existing catastrophic leave programs do not currently allow for leave donations for employees impacted by such events, and there is no consistent system for tracking displaced students, making it difficult to allocate resources effectively.

AB 642 remedies this by expanding catastrophic leave programs to allow employees to donate leave credits for colleagues affected by Governor-proclaimed emergencies and requiring the collection and reporting of enrollment data for displaced students, ensuring better support and resource allocation in future emergencies.

2. **SB 478 (Ashby) School Accountability: Statewide School Library Lead.** [Introduced: 2/19/2025]

Desired Outcome: Establish a state-level school library lead to support school libraries, literacy efforts, and professional development for educators.

Summary of the Issue: California ranks last in the nation in the ratio of credentialed librarians to students, with nearly 10,000 students per librarian. Research shows that strong school library programs are linked to improved student literacy and academic achievement.

SB 478 aims to address this gap by creating a state-level library lead who will collaborate with key education stakeholders to enhance early literacy, improve access to library resources, integrate media and information literacy into curricula, and support literacy coaches statewide.

This bill would go a long way toward establishing more support at the state and regional levels. It would allow for school library efforts to be coordinated across regions and integrated into key state priorities, including addressing the digital divide, improving literacy, advancing media literacy, and enhancing educational technology.

Additionally, it addresses an urgent equity issue, as many California schools, particularly in underserved communities, lack access to updated and culturally relevant books.

A state-level library lead would provide much-needed coordination and expertise to help local education leaders curate better library collections and strengthen literacy initiatives across the county and state.

The Superintendent recommends that the County Board approve the position recommendations made by Governmental Relations for the following bills:

Bill No.	Author	Topic	Position
AB 453	Muratsuchi	Pupil safety: comprehensive school safety plans.	Support
AB 503	González	School facilities: Civic Center Act: direct costs.	Support
AB 693	Boerner	Broadband: state oversight.	Support
AB 832	Muratsuchi	School Energy Efficiency Stimulus Program: indoor air quality.	Support

AB 453 (Muratsuchi) Pupil safety: comprehensive school safety plans. [Amended: 2/24/2025]

Recommended Position: **Support**

Background Information: Under existing law, each school district and county office of education is responsible for the overall development of a comprehensive school safety plan for each of its schools operating kindergarten or any of grades 1 to 12, inclusive, in cooperation with certain local entities. Existing law requires that the plan include identification of appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. This bill would require the Superintendent of Public Instruction, in consultation with the state board, to, on or before July 1, 2026, convene a statewide stakeholder workgroup to review existing comprehensive school safety plans and make recommendations on the development and approval process and the required elements of a comprehensive school safety plan. The bill would require the Superintendent to, on or before July 1, 2027, submit a report on the recommendations of the workgroup to the Department of Finance and appropriate fiscal and policy committees of the Legislature. The bill would authorize the Department of Education to enter into exclusive or nonexclusive contracts with nongovernmental entities to implement these provisions.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

> Student Support Services: This bill aims to enhance pupil safety by convening a statewide stakeholder workgroup to review existing school safety plans and make recommendations regarding the development, approval process and required elements. As components have been added each school year, there has not been a strategic plan with clear language of elements to be included and how. The stakeholder workgroup can review elements and recommend appropriate strategies to standardize and enhance school safety. The use of clear language on necessary protocols:
>
> - Suicide Prevention, intervention and Postvention – while procedures for this are required in law, it is not listed as a component in school safety plans.
>
> - Crisis Response – is identified as a part of disaster and emergency plans.

- Threat Assessment – identifies when there is a threat to notify law enforcement, but the addition of this component does not provide clear guidance on when to notify law enforcement.

As stated in the plan, this would overburden law enforcement, and the plan does not provide guidance for schools to screen potential threats.

AB 503 (González) School facilities: Civic Center Act: direct costs. [Amended: 2/25/2025]

Recommended Position: **Support**

Background Information: The Civic Center Act authorizes, and in some instances requires, the governing board of a school district to allow the use of school facilities or grounds as a civic center. The act authorizes or requires, as applicable, the governing board of a school district to charge a fee, not to exceed the school district's direct costs for use of its school facilities or grounds. Existing law, for these purposes, defines "direct costs" to mean the costs of supplies, utilities, janitorial services, services of school district employees, and salaries paid to school district employees directly associated with the administration of this section necessitated by the entity's use of the school facilities or grounds. Existing law, until January 1, 2025, expanded the definition of direct costs to include a share of the operating and maintenance costs proportional to the entity's use of the school facilities or grounds and a share of the costs for maintenance, repair, restoration, and refurbishment of the school facilities or grounds proportional to that entity's use of the school facilities or grounds. This bill would restore, indefinitely, the above-described expanded definition of direct costs that was repealed as of January 1, 2025. The bill would require funds collected relating to maintenance, repair, restoration, and refurbishment to be deposited into a special fund and to be used only for certain purposes. This bill would declare that it is to take effect immediately as an urgency statute.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

Facilities and Construction: This bill reauthorizes the use of school facilities and defines allowable cost factors in determining the use fee for non-profit organizations. It also defines allowable costs for entities that charge an admission fee. The fees thus defined were in place prior to their expiration on January 1, 2025, and this bill restores them indefinitely.

AB 693 (Boerner) Broadband: state oversight.
[Introduced: 2/14/2025]

Recommended Position: **Support**

Background Information: Existing law establishes the Department of Technology, which is supervised by the Director of Technology, within the Government Operations Agency. Existing law requires the department, in consultation with the public, the Public Utilities Commission (PUC), and the California Broadband Council, by January 1, 2024, to develop a state digital equity plan that includes the identification of barriers to digital equity faced by covered populations in this state. This bill would create the Broadband and Digital Equity Commission with membership, and would, on July 1, 2027, repeal the California Broadband Council and establish the members of the council as a committee of the commission. The bill would provide that each member of the commission, excluding *ex officio* members, receive compensation of $100 per day, but not to exceed $400 for any commission business authorized by the commission during any month, and the necessary expenses incurred by the member in the performance of the member's duties. The bill would establish the Department of Broadband and Digital Equity in the Government Operations Agency for the purpose of promoting ubiquitous and universal broadband deployment in unserved and underserved areas of the state and to increase broadband adoption throughout the state for the benefit of all Californians. The bill would, on and after July 1, 2027, declare the department to be the only centralized state department for broadband and digital equity activities within the state authorized to establish rules or regulations for broadband internet access service and internet service providers. The bill would require the commission to appoint the executive

director of the department, who shall serve at the pleasure of the commission, and would authorize the executive director to appoint, with the approval of the commission, necessary staff. Existing law requires the PUC to develop, implement, and administer the California Advanced Services Fund to encourage deployment of high-quality advanced communications to all Californians. Existing law establishes the Broadband Loan Loss Reserve Fund in the State Treasury, and continuously appropriates moneys in the fund to the PUC to be available to fund costs related to the financing of the deployment of broadband infrastructure by a local governmental agency or nonprofit organization. Existing law requires the PUC to maintain and update a statewide, publicly accessible, and interactive map showing the accessibility of broadband service in the state. Existing law requires the Office of Broadband and Digital Literacy to oversee the acquisition and management of contracts for the development and construction of a statewide open-access middle-mile broadband network to provide an opportunity for last-mile providers, anchor institutions, and tribal entities to connect to, and interconnect with other networks and other appropriate connections to, the statewide open-access middle-mile broadband network to facilitate high-speed broadband service. Existing law requires the office to retain a third-party administrator to manage the development, acquisition, construction, maintenance, and operation of a statewide open-access middle-mile broadband network. Existing law requires the office, with the third-party administrator, to develop and construct a statewide open-access middle-mile broadband network that prioritizes last-mile connections to unserved and underserved areas and locations. Existing law requires the office and third-party administrator to work directly with last-mile project grant awardees to ensure that network segments, including prioritized stand-alone Department of Transportation construction projects, support last-mile connections, and requires the office and the third-party administrator, to the extent feasible, to minimize disruption due to excavations. This bill would delete the provisions described in the above paragraph. The bill would, on and after July 1, 2027, require the department to assume all administrative functions of the California Advanced Services Fund and the Broadband Loan Loss Reserve Fund, and require the department to administer and maintain the interactive map showing the accessibility of broadband service in the state and the statewide open-access middle-mile broadband network. The bill would authorize the department to perform work, at the request of the commission, that the commission deems necessary to carry out its duties and responsibilities, but requires the commission to consider the expertise and resources available to the department, and specifies that the commission is not prohibited from using the services of other public or private entities. The bill would require the commission to advise and assist the department, the agency, and the Legislature in formulating and evaluating state policies and plans for broadband and digital equity programs in the state, and would authorize the commission to participate in relevant federal government rulemakings to

advocate on behalf of the department and the state's interests. The bill would require the department to report to the Legislature by July 1, 2028, and at least annually thereafter, on the activities of the department and actions taken by the commission, and would require the report to include the number of unserved and underserved households in the state, and progress toward increasing connectivity. The bill would require the department to establish a process to enable California residents, consumer advocates, and local governments to make complaints regarding any activity that may result in digital discrimination of access.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

> Technology Infrastructure Services: AB 693 establishes a centralized Department of Broadband and Digital Equity to oversee broadband expansion, ensuring universal access for unserved and underserved communities. Reliable, high-speed internet is essential for educational equity, and this bill streamlines state efforts by consolidating broadband initiatives under a single agency. The bill also enhances oversight, funding administration, and digital equity planning, aligning with LACOE's mission to support technology infrastructure in schools.

AB 832 (Muratsuchi) School Energy Efficiency Stimulus Program: indoor air quality. [Introduced: 2/19/2025]

Recommended Position: **Support**

Background Information: (1)Existing law declares that it is the policy of the state that school facilities provide healthy indoor air quality, including adequate ventilation, to pupils, teachers, and other occupants in order to protect occupant health, reduce sick days, and improve student productivity and performance. Existing law requires a covered school, defined as a school district, a county office of education, a charter school, a private school, the California Community Colleges, or the California State University, and requests the University of California, to ensure that facilities have heating, ventilation, and air conditioning (HVAC) systems that meet thr minimum ventilation rate requirements, unless the existing HVAC system is not capable

of safely and efficiently providing the minimum ventilation rate, in which case existing law requires a covered school, and request the University of California, to ensure that its HVAC system meets the minimum ventilation rates in effect at the time the building permit for installation of that HVAC system was issued. This bill, on or before July 1, 2027, would require the State Department of Education, in consultation with the State Department of Public Health and the State Air Resources Board, to develop indoor air quality standards, guidelines, and recommendations for school districts, county offices of education, and charter schools. To the extent the bill would impose additional duties on local educational agencies, the bill would impose a state-mandated local program. (2)Existing law requires the Public Utilities Commission (PUC) to require those electrical corporations with 250,000 or more customer accounts in the state, and those gas corporations with 400,000 or more customer accounts in the state, to fund as part of their energy efficiency portfolios the joint School Energy Efficiency Stimulus Program, which consists of: (A) the School Reopening Ventilation and Energy Efficiency Verification and Repair Program (SRVEVR Program) to award grants to local educational agencies to reopen schools with functional ventilation systems that are tested, adjusted, and, if necessary or cost effective, repaired, upgraded, or replaced to increase efficiency and performance; and (B) the School Noncompliant Plumbing Fixture and Appliance Program (SNPFA Program) to provide grants to state agencies and local educational agencies to replace noncompliant plumbing fixtures and noncompliant appliances that fail to meet water efficiency standards and waste potable water and the energy used to convey that water with water-conserving plumbing fixtures and appliances. Existing law requires the PUC to require those utilities to fund the School Energy Efficiency Stimulus Program by allocating their energy efficiency budgets for program years 2021, 2022, and 2023 and requires all funds allocated to be spent or returned to each utility by December 1, 2026. Existing law requires, for each program year, that 75 percent of these moneys are allocated to the SRVEVR Program and that 25 percent of these moneys are allocated to the SNPFA Program. Existing law requires the State Energy Resources Conservation and Development Commission (Energy Commission) to ensure that moneys from each utility for the School Energy Efficiency Stimulus Program are used for projects located in the service territory of that utility from which the moneys are received and authorizes the Energy Commission to set application and encumbrance deadlines to ensure that the reversion of funds to each utility occurs by December 1, 2026. Existing law repeals the School Energy Efficiency Stimulus Program on January 1, 2027. This bill would revise and recast various definitions for purposes of the School Energy Efficiency Stimulus Program, including defining “noncompliant appliance” to additionally include a commercial propane, natural gas, or oil water heater. The bill would extend the date by which all funds allocated pursuant to the program are required to be spent or returned to each utility by December 1,

2030. The bill would authorize the Energy Commission to set application and encumbrance deadlines to ensure that the reversion of these funds occurs instead by December 1, 2030. The bill would additionally authorize the Energy Commission to establish the timing of grant funding. The bill would require, for the first 2 program years, that 75 percent of these moneys are allocated to the SRVEVR Program and that 25 percent of these moneys are allocated to the SNPFA Program. The bill would, after the first 2 program years, instead authorize the Energy Commission to reallocate remaining moneys between the SRVEVR and SNPFA programs based on need. The bill would instead repeal these provisions on January 1, 2031. Under existing law, the moneys in the School Energy Efficiency Stimulus Program Fund are continuously appropriated. By extending the term of a continuous appropriation, the bill would make an appropriation. (3)Existing law requires the Energy Commission, until March 1, 2027, to annually submit a report to the relevant policy committees of the Legislature and the Joint Legislative Budget Committee describing programmatic activities and spending pursuant to the School Energy Efficiency Stimulus Program. This bill would extend the above-described annual reporting requirement to require that report until March 1, 2031. (4)Under existing law, a violation of the Public Utilities Act is a crime. Because certain provisions of this bill would be part of the act, the violation of which would be a crime, the bill would impose a state-mandated local program.

LACOE Subject Matter Experts: The following LACOE division reviewed the bill and provided the following comments for a recommendation of support:

> Facilities and Construction: This bill extends the deadlines for existing school energy efficiency and plumbing fixture water efficiency programs that are funded by utility providers for four additional years. The benefits sought by the existing legislation have not been fully realized and the extension of the time of performance this bill authorizes is necessary to achieve the maximum benefits of the original legislation.
