CONSULTING AGREEMENT

Effective June 3, 2024, Christopher Akins ("Consultant") and Crete Academy ("Company") agree as follows:

1. Services; Payment; No Violation of Rights or Obligations. Consultant agrees to undertake and complete the Services (as defined in Exhibit A) in accordance with and on the schedule specified in Exhibit A. As the only consideration due Consultant regarding the subject matter of this Agreement, Company will pay Consultant in accordance with Exhibit A. Unless otherwise specifically agreed upon by Company in writing (and notwithstanding any other provision of this Agreement), all activity relating to Services will be performed by and only by Consultant or by employees of Consultant and only those such employees who have been approved in writing in advance by Company. Consultant agrees that it will not (and will not permit others to) violate any agreement with or rights of any third party or, except as expressly authorized by Company in writing hereafter, use or disclose at any time Consultant's own or any third party's confidential information or intellectual property in connection with the Services or otherwise for or on behalf of Company.

2. Ownership Rights; Proprietary Information; Publicity.

    a. Company shall own all right, title and interest (including all intellectual property rights of any sort throughout the world) relating to any and all inventions, works of authorship, designs, know-how, ideas and information made or conceived or reduced to practice, in whole or in part, by or for or on behalf of Consultant during the term of this Agreement that relate to the subject matter of or arise out of or in connection with the Services or any Proprietary Information (as defined below) (collectively, "Inventions") and Consultant will promptly disclose and provide all Inventions to Company. Consultant hereby makes all assignments necessary to accomplish the foregoing ownership. Consultant shall assist Company, at Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce and defend any rights assigned. Consultant hereby irrevocably designates and appoints Company as its agents and attorneys-in-fact, coupled with an interest, to act for and on Consultant's behalf to execute and file any document and to do all other lawfully permitted acts to further the foregoing with the same legal force and effect as if executed by Consultant and all other creators or owners of the applicable Invention.

    b. Consultant agrees that all Inventions and all other business, technical and financial information (including, without limitation, the identity of and information relating to customers or employees) developed, learned or obtained by or on behalf of Consultant during the period that Consultant is to be providing the Services that

relate to Company or the business or demonstrably anticipated business of Company or in connection with the Services or that are received by or for Company in confidence, constitute "Proprietary Information." Consultant shall hold in confidence and not disclose or, except in performing the Services, use any Proprietary Information. However, Consultant shall not be obligated under this paragraph with respect to information Consultant can document is or becomes readily publicly available without restriction through no fault of Consultant. Upon termination or as otherwise requested by Company, Consultant will promptly provide to Company all items and copies containing or embodying Proprietary Information, except that Consultant may keep its personal copies of its compensation records and this Agreement. Consultant also recognizes and agrees that Consultant has no expectation of privacy with respect to Company's telecommunications, networking or information processing systems (including, without limitation, stored computer files, email messages and voice messages) and that Consultant's activity, and any files or messages, on or using any of those systems may be monitored at any time without notice.

c. As additional protection for Proprietary Information, Consultant agrees that during the period over which it is to be providing the Services (i) and for one (1) year thereafter, Consultant will not directly or indirectly encourage or solicit any employee or consultant of Company to leave Company for any reason and (ii) Consultant will not engage in any activity that is in any way competitive with the business or demonstrably anticipated business of Company, and Consultant will not assist any other person or organization in competing or in preparing to compete with any business or demonstrably anticipated business of Company. Without limiting the foregoing, Consultant may perform services for other persons, provided that such services do not represent a conflict of interest or a breach of Consultant's obligation under this Agreement or otherwise.

d. To the extent allowed by law, Section 2(a) and any license granted Company hereunder includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). Furthermore, Consultant agrees that notwithstanding any rights of publicity, privacy or otherwise (whether or not statutory) anywhere in the world, and without any further compensation, Company may and is hereby authorized to (and to allow others to) use Consultant's name in connection with promotion of its business, products or services. To the extent any of the foregoing is ineffective under applicable law, Consultant hereby provides any and all ratifications and consents necessary to accomplish the purposes of the foregoing to the extent possible and agrees not to assert any Moral Rights with respect thereto. Consultant will confirm any such ratifications and consents from time to time as requested by Company. If any other person is in any way involved in any Services, Consultant will obtain the foregoing ratifications, consents and authorizations from such person for Company's exclusive benefit.

e. If any part of the Services or Inventions or information provided hereunder is based on, incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced, distributed and otherwise exploited without using or violating technology or intellectual property rights owned by or licensed to Consultant (or any person involved in the Services) and not assigned hereunder, Consultant hereby grants Company and its successors a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Services, Inventions, other work or information performed or provided hereunder, or any assigned rights (including any modifications, improvements and derivatives of any of them).

3. Warranties and Other Obligations. Consultant represents, warrants and covenants that: (i) the Services will be performed in a professional and workmanlike manner and that none of such Services nor any part of this Agreement is or will be inconsistent with any obligation Consultant may have to others; (ii) all work under this Agreement shall be Consultant's original work and none of the Services or Inventions nor any development, use, production, distribution or exploitation thereof will infringe, misappropriate or violate any intellectual property or other right of any person or entity (including, without limitation, Consultant); (iii) Consultant has the full right to allow it to provide Company with the assignments and rights provided for herein (and has written enforceable agreements with all persons necessary to give it the rights to do the foregoing and otherwise fully perform this Agreement); (iv) Consultant shall comply with all applicable laws and Company safety rules in the course of performing the Services; and (v) if Consultant's work requires a license, Consultant has obtained that license and the license is in full force and effect.

4. Termination. If either party breaches a material provision of this Agreement, the other party may terminate this Agreement upon ten (10) days' notice, unless the breach is cured within the notice period. Company also may

terminate this Agreement at any time, with or without cause, upon thirty (30) days' notice, but, if (and only if) such termination is without cause, Company shall upon such termination pay Consultant all unpaid, undisputed amounts due for the Services completed prior to notice of such termination. Sections 2 (subject to the limitations set forth in Section 2(c)) through 9 of this Agreement and any remedies for breach of this Agreement shall survive any termination or expiration. Company may communicate the obligations contained in this Agreement to any other (or potential) client or employer of Consultant.

5. Relationship of the Parties; Independent Contractor; No Employee Benefits . Notwithstanding any provision hereof, Consultant is an independent contractor and is not an employee, agent, partner or joint venturer of Company and shall not bind nor attempt to bind Company to any contract. Consultant shall accept any directions issued by Company pertaining to the goals to be attained and the results to be achieved by Consultant, but Consultant shall be solely responsible for the manner and hours in which the Services are performed under this Agreement. Consultant shall not be eligible to participate in any of Company's employee benefit plans, fringe benefit programs, group insurance arrangements or similar programs. Consultant shall comply at Consultant's expense with all applicable provisions of workers' compensation laws, unemployment compensation laws, federal Social Security law, the Fair Labor Standards Act, federal, state and local income tax laws, and all other applicable federal, state and local laws, regulations and codes relating to terms and conditions of employment required to be fulfilled by employers or independent contractors. Consultant will ensure that its employees, contractors and others involved in the Services, if any, are bound in writing to the foregoing, and to all of Consultant's obligations under any provision of this Agreement, for Company's benefit and Consultant will be responsible for any noncompliance by them. Consultant agrees to indemnify Company from any and all claims, damages, liability, settlement, attorneys' fees and expenses, as incurred, on account of the foregoing or any breach of this Agreement or any other action or inaction by or for or on behalf of Consultant.

6. Assignment. This Agreement and the services contemplated hereunder are personal to Consultant and Consultant shall not have the right or ability to assign, transfer or subcontract any rights or obligations under this Agreement without the written consent of Company. Any attempt to do so shall be void. Company may fully assign and transfer this Agreement in whole or part.

7. Notice. All notices under this Agreement shall be in writing and shall be deemed given when personally delivered, or three days after being sent by prepaid certified or registered U.S. mail to the address of the party to be noticed as set forth herein or to such other address as such party last provided to the other by written notice.

8. Miscellaneous. Any breach of Section 2 or 3 will cause irreparable harm to Company for which damages would not be an adequate remedy, and therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies. The failure of either party to enforce its rights under this Agreement at any time for any period shall not be construed as a waiver of such rights. No changes or modifications or waivers to this Agreement will be effective unless in writing and signed by both parties. In the event that any provision of this Agreement shall be determined to be illegal or unenforceable, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to the conflicts of laws provisions thereof. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. Headings herein are for convenience of reference only and shall in no way affect interpretation of the Agreement.

9. Defend Trade Secrets Act of 2016 . Consultant acknowledges receipt of the following notice under 18 U.S.C § 1833(b)(1), and will provide such notice to its employees, contractors and others involved in the Services, if any: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal."

BOOKKEEPING AND ACCOUNTING SERVICES AGREEMENT

This agreement (the "Agreement") is entered into as of May 12, 2023 (the "Effective Date") by and between Charter Impact, LLC. ("CI"), and Crete Academy ("Client").

ARTICLE 1. DUTIES AND RESPONSIBILITIES

Section 1.01. CI, a provider of business management and accounting services, will provide accounting, budgeting, compliance, strategic planning, documentation, deliverables, and other related services necessary to fulfill Client's business management and accounting requirements, as more particularly described in Exhibit A, B, C and D attached hereto and incorporated herein by this reference (the "Services").

Section 1.02. Client will provide CI with the compensation and business expense reimbursement specified in Article 3 of this Agreement.

ARTICLE 2. TERM OF AGREEMENT

Section 2.01. Client will retain CI to work as a consultant for Client in the field of business management, accounting and consulting, beginning on the Effective Date and ending June 30, 2025. CI accepts this engagement. CI will use CI's best efforts to accomplish the technical and commercial goals identified by Client during the term of this Agreement. Client acknowledges that CI may have other confidentiality commitments. Client will not require CI to perform tasks which might reasonably result in CI's breach of any confidentiality commitment.

Section 2.02. This Agreement will be renewed automatically for succeeding terms of one year each, unless either party gives notice to the other at least 90 days before the expiration of any term of his or her or its intention not to renew.

ARTICLE 3. COMPENSATION AND EXPENSES

Section 3.01. Fees.

Business Management Services: For services in Exhibit A, the Client will pay CI a fee equal to 1.75% of revenue as calculated based on each reporting unit (i.e. charter school, department, location, central office and any other additional reporting units which may be added at the discretion of the Client). Fees for services in Exhibit A are subject to a minimum of $52,000 per year.

Retirement Services: For services in Exhibit B, the Client will pay CI a fee of $500 per month.

Student Data Services: For student data services in Exhibit C, Client will pay CI an hourly fee of $130 per hour, not to exceed $10,000 annually.

Closeout Support: For closeout and audit services of 2022-23 fiscal year in Exhibit D, Client will pay CI a fixed fee of $25,000.

Rush Check Processing (optional): Upon special request of Client, emergency checks can be processed on a same-day basis in addition to the regular weekly cycle described in Exhibit A, Section 2C. For these rare occasions, an expedited processing fee of $75 per check will be charged in addition to the reimbursement for shipping charges noted in Section 3.02 below.

Other Services: For other services requested by Client outside of the items included in Exhibit A, B, C or D, the Client will pay CI a fee based on CI's standard hourly rates as listed in Exhibit E.

One-Time Implementation Fee: A one-time implementation fee of $5,000 is due upon execution of this Agreement.

Section 3.02. Expenses. In addition to the compensation specified in Section 3.01, CI will be paid for actual reasonable out-of-pocket expenses incurred in providing the Services, including mileage reimbursement for Client-requested meeting attendance. Reimbursement of aggregate monthly expenses will not exceed $500, without written approved by Client before being incurred, unless Client elects to reimburse CI after the fact.

Section 3.03. Invoicing. One-time implementation and closeout fees for the 2022-2023 fiscal year are due upon signing of this Agreement. CI will invoice Client on a monthly basis for Business Management and Retirement Services, starting July 1st, 2023 and CI will automatically update the amount based on $1/12^{th}$ of the Client's projected annual revenue pursuant to the percentage based fee in Section 3.01. Other Services and expenses pursuant to sections 3.01 and 3.02 above will be billed monthly based on the actual time and expenses incurred during the preceding month. CI will automatically

prepare a check from Client on the invoice date for payment from Client. Payment for all services and expenses is due upon presentation of invoices.

Section 3.04. Right to Suspend Performance. In the event of default or delay in payment greater than 30 days from the date of the invoice, CI reserves the right to suspend part or all of its performance of duties under this contract until all amounts for Services and Expenses are paid in full. In the event Client disputes all or any portion of an invoice, Client shall notify CI within 15 days of receipt of the invoice; and initiate the dispute resolution process under Section 15 hereof, but shall pay the invoice in full, pending the outcome of such process.

Section 3.05. Late Payments. Payments made after the payment terms are subject to a late payment penalty equal to an annual rate of twelve percent (12%).

Section 3.06. Price Changes. The prices and related charges for the Services are subject to increase upon renewal of this Agreement. CI reserves the right to immediately pass through increases in costs incurred from third parties, e.g., vendors, subcontractors and licensors, to the extent such services and supplies are identified in Exhibit A, B and C. In addition, CI will give Client not less than 30 days prior written notice of any price increases for Services.

Section 3.07. Document Subpoenas and Testimony. CI fees for this engagement do not cover our charges for any subpoena or other discovery request we receive for documents, information or testimony (in court, before an arbitrator or arbitration panel, or in deposition) related to the Services, in proceedings to which we are not a party. CI will invoice Client separately for our time and expenses incurred in connection with responding to any such requests and testifying in any such proceedings, including reasonable attorney's fees we may incur, and including, without limitation, any negotiations, "meet and confer" process or motion practice concerning the nature and scope of any such subpoena, or as to other procedural and/or substantive issues concerning such document requests or testimony. Should Client or Client counsel in such proceedings have any objection to the nature or scope of any such subpoena for our workpapers and records, Client agrees that it shall be Client or Client’s counsel's responsibility in the first instance to present such objections and/or to file an appropriate motion to contest or to seek to limit the scope of such subpoena. CI will cooperate with any such efforts consistent with the legal requirements imposed upon CI by the subpoena including, without limitation, making such workpapers and records available to Client and/or Client counsel for inspection prior to their production. However, because the workpapers for Services are the property of CI, absent a specific Court order concerning any objection or motion to limit the scope of production or a written agreement between Client and the party issuing the subpoena to which CI have agreed, CI reserves the right to make the final decision as to which documents from CI workpapers and records shall be produced in response to such a subpoena.

ARTICLE 4. REPRESENTATIONS AND WARRANTIES

Section 4.01. Organization of Client. Client is a non-profit public benefit corporation, duly organized, validly existing, and in good standing under the laws of the State of California and has all requisite power and authority to own, lease and operate its properties and to carry on its educational operations as it is now being conducted.

Section 4.02. No Breach. Each party hereto warrants and represents that neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, will (i) violate any, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge, or other restriction of any government, governmental agency, or court to which it is subject, or any provision of its Articles of Incorporation, Bylaws or Charter, nor (ii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify, or cancel, or require any notice under any agreement, contract, lease, license, instrument or other arrangement to which it is a party or by which it is bound or to which any of its assets is subject.

ARTICLE 6. LIMITATION OF LIABILITY

Section 6.01. EVEN IF CI CANNOT OR DOES NOT RE-PERFORM ANY DEFECTIVE SERVICES, AND CLIENT'EXCLUSIVE REMEDY FAILS OF ITS ESSENTIAL PURPOSE, CI'S ENTIRE LIABILITY SHALL IN NO EVENT EXCEED $50,000. CI HAS NO LIABILITY FOR GENERAL, CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES ARISING FROM A DEFECT IN ANY SERVICES.

Section 6.02. EXCEPT FOR DAMAGES FLOWING FROM GROSS NEGLIGENCE OR INTENTIONALLY TORTIOUS CONDUCT, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY LOSS OR INJURIES TO

EARNINGS, PROFITS OR GOODWILL, OR FOR ANY INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY PERSON OR ENTITY WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE, EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE LIMITATIONS SET FORTH IN THIS SECTION SHALL APPLY EVEN IF ANY REMEDIES FAIL IN THEIR ESSENTIAL PURPOSE. Client acknowledges that the pricing of the Services and the other terms of this Agreement have been set based on the foregoing sections of this Agreement providing for an agreed allocation of the risk for any defective Services between the parties. It is understood and agreed that the CI is an independent contractor in respect to CI's relationship to Client, and that CI is not and should not be considered an agent or employee of the Client for any purpose. CI agrees not to represent itself as an agent or employee of the Client at any time.

Section 9.02. Nothing in this Agreement will be construed or implied to create a relationship of partners, agency, joint venture partners, or of employer and employee between CI and Client.

ARTICLE 10. INDEPENDENT CONTRACTOR STATUS

Section 10.01. CI and Client are independent contractors. No representations or assertions shall be made nor actions taken by either party that would create any agency, joint venture, partnership, employment or trust relationship between the parties with respect to the subject matter of this Agreement. Neither party shall have any right to bind the other party, to make any representations or warranties, or to perform any act or thing on behalf of the other party, except as expressly authorized under this Agreement or in writing by the other party in its sole discretion. CI will have full control and discretion as to the ways and means of performing any and all services to be provided under this Agreement. It is understood that in the performance of this Agreement CI is not in any way acting as an employee of Client, and CI will be responsible for all taxes, social security payments, and other similar payments or contributions due as a result of any payments made to CI pursuant to the terms of this Agreement.

Section 10.02. As an independent contractor, CI agrees that Client has no obligation to CI under the state or federal laws regarding employee liability, and that Client's total commitment and liability under this arrangement is the performance of its obligations and the payment of CI's compensation and expenses as described herein. Each party will exercise day-to-day control over and supervision of their respective employees, and all instruction and direction of Client employees shall be the exclusive province of the Client. Each party is responsible for obtaining and maintaining worker's compensation coverage and unemployment insurance on its employees. Except as expressly stated in this Agreement, CI and Client are responsible for any and all taxes on their respective net incomes, and for payment and withholding of all applicable taxes on the income of their respective employees.

Section 10.03. CI reserves the right to subcontract with other individuals and businesses for the Services. CI will be responsible for all payments to, as well as the direction and control of the work to be performed by, its subcontractors, if any.

ARTICLE 11. INDEMNIFICATION

Section 11.01. Indemnification. Client and CI warrant to indemnify each other and hold each other, and each other's officers, directors, employees, agents harmless, from and against any and all direct claims, costs, losses, liabilities and expenses for personal injury and property damage, including reasonable attorneys' fees, attributable to their actions and omissions under this Agreement, but excluding claims that would not be made but for the gross negligence or willful misconduct of the party seeking indemnification.

ARTICLE 12. INSURANCE

Section 12.01. CI carries customary and reasonable comprehensive insurance coverage for errors and omissions.

Section 12.02. Client will obtain and maintain customary and reasonable insurance for its facilities and operations, naming CI as additional insured under all policies.

ARTICLE 13. ETHICAL CONDUCT; RECORDKEEPING

Article 13.01. Client's policy requires ethical conduct in all business activities and practices, including proper recording and reporting of all transactions and compliance with applicable laws. The adequacy and accuracy of CI's billings, supporting documentation, and other information rendered to Client become the basis for Client's further recording and reporting, both internally and externally. CI is not expected or authorized to take any action on Client's behalf that would result in inadequate or inaccurate recording or reporting of assets, liabilities, or any other transaction or that would violate any applicable laws, rules, or regulations.

Section 13.02. Integrity and Financial Responsibility. Client will act with integrity and alert the management of CI to any fraudulent or unethical activity related to Client operations as soon as the Client becomes aware, to the extent permitted by law. Client acknowledges that CI's ability to provide Services is premised upon the Client acting in a financially prudent manner, including but not limited to timely approval of balanced budgets, maintaining a positive variance to budget throughout the year to the extent feasible and proper submission of supporting documentation for incoming and outgoing payments of any kind. Notwithstanding Section 14 hereof, CI may immediately terminate this contract in the event it determines, in its sole discretion, that Client personnel are or have acted in a fraudulent or unethical manner or in the case that CI cannot provide the Services in a professional manner consistent with laws and regulations governing the Client, Client approved policies and procedures or business management best practices, based upon the actions or inaction of the Client.

ARTICLE 14. TERMINATION

Section 14.01. If either party defaults in the performance of this Agreement or materially breaches any of its provisions, the non-breaching party may terminate this Agreement by giving written notification to the breaching party. Termination will take effect if either Party breaches any of its material obligations under this Agreement in any respect, which breach is not remedied within ninety (90) days following written notice to such breaching Party. For the purposes of this paragraph, material breach of this Agreement includes, but is not limited to, the following:

(a) Client's failure to pay CI any undisputed compensation due within 30 days after written demand for payment or invoicing.

(b) CI's failure to complete the services specified in Article 1.

(c) Client's material breach of any representation or agreement contained in this Agreement.

Section 14.02. In the event that Client is unable to pay its debts when they become due, declares bankruptcy or insolvency, or makes an assignment for the benefit of its creditors, CI may terminate this Agreement upon written notice to Client.

Section 14.03. Effect of Termination; Survival. Expiration or termination of this Agreement will not relieve either party from its obligations arising hereunder prior to such expiration or termination. Rights and obligations which by their nature continue or should survive will remain in effect after termination or expiration of this Agreement.

Section 14.04. All Services, including preparation of financial statements and compliance reporting related to a period within the term, will cease upon termination or expiration of this Agreement. If Client has compliance needs that stretch beyond the term of this Agreement into the next fiscal year, it is common for a closing agreement to be created upon termination or expiration to clearly define a term and scope of services falling outside this Agreement. The fee for such services is determined at that time based upon the scope of work to be completed past the Agreement term.

Section 14.05. In the event of early termination, the Business Management fee deemed to be earned by and due to CI will be equal to the fee in Section 3.01 and the forecasted revenue from the most recently prepared financial report, prorated from the commencement date of this agreement to the termination date, regardless of fee actually invoiced as of the termination date.

ARTICLE 15. DISPUTE RESOLUTION

Section 15.01. Any controversy or claim, whether based on contract, tort, strict liability, fraud, misrepresentation, or any other legal theory, arising out of either party's

performance of this Agreement ("Dispute") shall be resolved solely in accordance with the terms of this Section.

a. Resolution Sequence. If the Dispute cannot be settled by good faith negotiation between the Chief Executive Officers of the parties – which must take place within thirty days of receipt by one party of a claim of a Dispute – CI and Client will submit the Dispute to non-binding mediation in Los Angeles County. If complete agreement cannot be reached within thirty days of submission to mediation, any remaining issues will be resolved by binding arbitration in accordance with Sections (c) and (d) below. Arbitration will comply with and be governed by the provisions of the California Arbitration Act

b. Arbitrator. A single Arbitrator who is a retired judge and knowledgeable in commercial matters will conduct the arbitration. The Arbitrator's decision and award will be final, must be made in writing with findings of fact and conclusions of law, will be binding and may be entered in any court with jurisdiction. The Arbitrator will not have authority to make errors of law or legal reasoning, nor to modify or expand any of the provisions of this Agreement. The Arbitrator will not have the authority to award damages not permitted by this Agreement.

c. Rules and Expenses. Any mediation or arbitration commenced pursuant to this Agreement will be conducted under the then current rules of the alternate dispute resolution ("ADR") firm in the site selected by the parties. If the parties are unable to agree on an ADR firm, the parties will conduct the mediation and, if necessary, the arbitration, under the then current rules and supervision of the American Arbitration Association. CI and Client will each bear its own attorneys' fees associated with the mediation and, if necessary, the arbitration. CI and Client will pay all other costs and expenses of the mediation/arbitration as the rules of the selected ADR firm provide.

d. Limitation on Actions. Any dispute Client may have against CI with respect to this Agreement must be brought within two years after the cause of action arises.

ARTICLE 16. GENERAL PROVISIONS

Section 16.01. Any notices to be given under the Agreement by either party to the other will be in writing and may be transmitted by personal delivery or by e-mail, mail, registered or certified, postage prepaid with return receipt requested. Mailed notices will be addressed to the parties at their known place of business, but each party may change that address by written notice in accordance with this section. Each party to this Agreement acknowledges that no representation, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party that are not embodied in the Agreement, and that no other agreement, statement, or promise not contained in this Agreement will be valid or binding on either party.

Section 16.03. Any modification of this Agreement will be effective only if it is in writing and signed by the party to be charged.

Section 16.04. The failure of either party to insist on strict compliance with any of the terms, covenants, or conditions of this Agreement by the other party will not be deemed a waiver of that term, covenant, or condition, nor will any waiver or relinquishment of any right or power at any one time or times be deemed a waiver or relinquishment of that right or power for all or any other times.

Section 16.05. If any provision in this Agreement is held by a court or arbitrator of competent jurisdiction to be unreasonable, invalid, void, or unenforceable, then this Agreement will be deemed amended to provide for the modification of the unreasonable, invalid, void, or unenforceable provision to the extent that the court or arbitrator finds reasonable, and the remaining provisions of this Agreement will continue in full force without being impaired or invalidated in any way.

Section 16.06. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of California, without giving effect to its conflict of law provisions or to constructive presumptions favoring either party.

Section 16.07. Force Majeure. Neither Party shall be in breach of this Agreement to the extent that any delay or default in performance is due to causes beyond the reasonable control of the delayed or defaulting Party; provided, that the delayed or defaulting Party shall immediately notify the other Party of the event, an estimate of the duration of the event, and the delaying or defaulting Party's plan to mitigate the effects of the delay or default.

Section 16.08. Successors and Assigns. Neither this Agreement nor any of its rights or privileges shall be sold, assigned, transferred, shared, or encumbered, by operation of law or otherwise, without the prior written consent of the affected (non-assigning) party. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

Section 16.09. Publicity. Client agrees to act as a reference for CI with respect to the Services upon CI's reasonable request. CI may issue press releases or identify Client in marketing materials, including the start and termination of the Agreement, provided that all references to Client are fair, accurate and not misleading.

Section 16.10. Corporate Power and Authorization. The parties hereto have full corporate power and authority to execute and deliver this Agreement and to perform their obligations hereunder. The execution, delivery and performance of this Agreement by each party has been duly authorized by all necessary corporate action. This Agreement has been duly executed and delivered by each party and constitutes the valid and legally binding obligation of Client and CI enforceable in accordance with its terms and conditions.

Without limiting the foregoing, Consultant may perform services for other persons, provided that such services do not represent a conflict of interest or a breach of Consultant's obligation under this Agreement or otherwise.

d. To the extent allowed by law, Section 2(a) and any license granted Company hereunder includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). To the extent any of the foregoing is ineffective under applicable law, Consultant hereby provides any and all ratifications and consents necessary to accomplish the purposes of the foregoing to the extent possible and agrees not to assert any Moral Rights with respect thereto. Consultant will confirm any such ratifications and consents from time to time as requested by Company. If any other person is in any way involved in any Services, Consultant will obtain the foregoing ratifications, consents and authorizations from such person for Company's exclusive benefit.

e. If any part of the Services or Inventions or information provided hereunder is based on, incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced, distributed and otherwise exploited without using or violating technology or intellectual property rights owned by or licensed to Consultant (or any person involved in the Services) and not assigned hereunder, Consultant hereby grants Company and its successors a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Services, Inventions, other work or information performed or provided hereunder, or any assigned rights (including any modifications, improvements and derivatives of any of them).

3. Warranties and Other Obligations. Consultant represents, warrants and covenants that: (i) the Services will be performed in a professional and workmanlike manner and that none of such Services nor any part of this Agreement is or will be inconsistent with any obligation Consultant may have to others; (ii) all work under this Agreement shall be Consultant's original work and none of the Services or Inventions nor any development, use, production, distribution or exploitation thereof will infringe, misappropriate or violate any intellectual property or other right of any person or entity (including, without limitation, Consultant); (iii) Consultant has the full right to allow it to provide Company with the assignments and rights provided for herein (and has written enforceable agreements with all persons necessary to give it the rights to do the foregoing and otherwise fully perform this Agreement); (iv) Consultant shall comply with all applicable laws and Company safety rules in the course of performing the Services; and (v) if Consultant's work requires a license, Consultant has obtained that license and the license is in full force and effect.

4. Termination. If either party breaches a material provision of this Agreement, the other party may terminate this Agreement upon ten (10) days' notice, unless the breach is cured within the notice period. Company also may

terminate this Agreement at any time, with or without cause, upon thirty (30) days' notice, but, if (and only if) such termination is without cause, Company shall upon such termination pay Consultant all unpaid, undisputed amounts due for the Services completed prior to notice of such termination. Sections 2 (subject to the limitations set forth in Section 2(c)) through 9 of this Agreement and any remedies for breach of this Agreement shall survive any termination or expiration. Company may communicate the obligations contained in this Agreement to any other (or potential) client or employer of Consultant.

5. Relationship of the Parties; Independent Contractor; No Employee Benefits . Notwithstanding any provision hereof, Consultant is an independent contractor and is not an employee, agent, partner or joint venturer of Company and shall not bind nor attempt to bind Company to any contract. Consultant shall accept any directions issued by Company pertaining to the goals to be attained and the results to be achieved by Consultant, but Consultant shall be solely responsible for the manner and hours in which the Services are performed under this Agreement. Consultant shall not be eligible to participate in any of Company's employee benefit plans, fringe benefit programs, group insurance arrangements or similar programs. Company shall not provide workers' compensation, disability insurance, Social Security or unemployment compensation coverage or any other statutory benefit to Consultant. Consultant shall comply at Consultant's expense with all applicable provisions of workers' compensation laws, unemployment compensation laws, federal Social Security law, the Fair Labor Standards Act, federal, state and local income tax laws, and all other applicable federal, state and local laws, regulations and codes relating to terms and conditions of employment required to be fulfilled by employers or independent contractors. Consultant will ensure that its employees, contractors and others involved in the Services, if any, are bound in writing to the foregoing, and to all of Consultant's obligations under any provision of this Agreement, for Company's benefit and Consultant will be responsible for any noncompliance by them. Consultant agrees to indemnify Company from any and all claims, damages, liability, settlement, attorneys' fees and expenses, as incurred, on account of the foregoing or any breach of this Agreement or any other action or inaction by or for or on behalf of Consultant.

6. Assignment. This Agreement and the services contemplated hereunder are personal to Consultant and Consultant shall not have the right or ability to assign, transfer or subcontract any rights or obligations under this Agreement without the written consent of Company. Any attempt to do so shall be void. Company may fully assign and transfer this Agreement in whole or part.

7. Notice. All notices under this Agreement shall be in writing and shall be deemed given when personally delivered, or three days after being sent by prepaid certified or registered U.S. mail to the address of the party to be noticed as set forth herein or to such other address as such party last provided to the other by written notice.

8. Miscellaneous. Any breach of Section 2 or 3 will cause irreparable harm to Company for which damages would not be an adequate remedy, and therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies. The failure of either party to enforce its rights under this Agreement at any time for any period shall not be construed as a waiver of such rights. No changes or modifications or waivers to this Agreement will be effective unless in writing and signed by both parties. In the event that any provision of this Agreement shall be determined to be illegal or unenforceable, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to the conflicts of laws provisions thereof. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. Headings herein are for convenience of reference only and shall in no way affect interpretation of the Agreement.

CONSULTING AGREEMENT

Effective August 12 , 2024, Linda S Harris ("Consultant") and Crete Academy ("Company") agree as follows:

1. Services; Payment; No Violation of Rights or Obligations . Consultant agrees to undertake and complete the Services (as defined in Exhibit A) in accordance with and on the schedule specified in Exhibit A. As the only consideration due Consultant regarding the subject matter of this Agreement, Company will pay Consultant in accordance with Exhibit A. Unless otherwise specifically agreed upon by Company in writing (and notwithstanding any other provision of this Agreement), all activity relating to Services will be performed by and only by Consultant or by employees of Consultant and only those such employees who have been approved in writing in advance by Company. Consultant agrees that it will not (and will not permit others to) violate any agreement with or rights of any third party or, except as expressly authorized by Company in writing hereafter, use or disclose at any time Consultant's own or any third party's confidential information or intellectual property in connection with the Services or otherwise for or on behalf of Company.

2. Ownership Rights; Proprietary Information; Publicity .

    a. Company shall own all right, title and interest (including all intellectual property rights of any sort throughout the world) relating to any and all inventions, works of authorship, designs, know-how, ideas and information made or conceived or reduced to practice, in whole or in part, by or for or on behalf of Consultant during the term of this Agreement that relate to the subject matter of or arise out of or in connection with the Services or any Proprietary Information (as defined below) (collectively, "Inventions") and Consultant will promptly disclose and provide all Inventions to Company. Consultant hereby makes all assignments necessary to accomplish the foregoing

ownership. Consultant shall assist Company, at Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce and defend any rights assigned. Consultant hereby irrevocably designates and appoints Company as its agents and attorneys-in-fact, coupled with an interest, to act for and on Consultant's behalf to execute and file any document and to do all other lawfully permitted acts to further the foregoing with the same legal force and effect as if executed by Consultant and all other creators or owners of the applicable Invention.

b. Consultant agrees that all Inventions and all other business, technical and financial information (including, without limitation, the identity of and information relating to customers or employees) developed, learned or obtained by or on behalf of Consultant during the period that Consultant is to be providing the Services that relate to Company or the business or demonstrably anticipated business of Company or in connection with the Services or that are received by or for Company in confidence, constitute "Proprietary Information." Consultant shall hold in confidence and not disclose or, except in performing the Services, use any Proprietary Information. However, Consultant shall not be obligated under this paragraph with respect to information Consultant can document is or becomes readily publicly available without restriction through no fault of Consultant. Upon termination or as otherwise requested by Company, Consultant will promptly provide to Company all items and copies containing or embodying Proprietary Information, except that Consultant may keep its personal copies of its compensation records and this Agreement. Consultant also recognizes and agrees that Consultant has no expectation of privacy with respect to Company's telecommunications, networking or information processing systems (including, without limitation, stored computer files, email messages and voice messages) and that Consultant's activity, and any files or messages, on or using any of those systems may be monitored at any time without notice.

c. As additional protection for Proprietary Information, Consultant agrees that during the period over which it is to be providing the Services (i) and for one (1) year thereafter, Consultant will not directly or indirectly encourage or solicit any employee or consultant of Company to leave Company for any reason and (ii) Consultant will not engage in any activity that is in any way competitive with the business or demonstrably anticipated business of Company, and Consultant will not assist any other person or organization in competing or in preparing to compete with any business or demonstrably anticipated business of Company. Without limiting the foregoing, Consultant may perform services for other persons, provided that such services do not represent a conflict of interest or a breach of Consultant's obligation under this Agreement or otherwise.

d. To the extent allowed by law, Section 2(a) and any license granted Company hereunder includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). Furthermore, Consultant agrees that notwithstanding any rights of publicity, privacy or otherwise (whether or not statutory) anywhere in the world, and without any further compensation, Company may and is hereby authorized to (and to allow others to) use Consultant's name in connection with promotion of its business, products or services. To the extent any of the foregoing is ineffective under applicable law, Consultant hereby provides any and all ratifications and consents necessary to accomplish the purposes of the foregoing to the extent possible and agrees not to assert any Moral Rights with respect thereto. Consultant will confirm any such ratifications and consents from time to time as requested by Company. If any other person is in any way involved in any Services, Consultant will obtain the foregoing ratifications, consents and authorizations from such person for Company's exclusive benefit.

e. If any part of the Services or Inventions or information provided hereunder is based on,

incorporates, or is an improvement or derivative of, or cannot be reasonably and fully made, used, reproduced, distributed and otherwise exploited without using or violating technology or intellectual property rights owned by or licensed to Consultant (or any person involved in the Services) and not assigned hereunder, Consultant hereby grants Company and its successors a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such technology and intellectual property rights in support of Company's exercise or exploitation of the Services, Inventions, other work or information performed or provided hereunder, or any assigned rights (including any modifications, improvements and derivatives of any of them).

3. Warranties and Other Obligations. Consultant represents, warrants and covenants that: (i) the Services will be performed in a professional and workmanlike manner and that none of such Services nor any part of this Agreement is or will be inconsistent with any obligation Consultant may have to others; (ii) all work under this Agreement shall be Consultant's original work and none of the Services or Inventions nor any development, use, production, distribution or exploitation thereof will infringe, misappropriate or violate any intellectual property or other right of any person or entity (including, without limitation, Consultant); (iii) Consultant has the full right to allow it to provide Company with the assignments and rights provided for herein (and has written enforceable agreements with all persons necessary to give it the rights to do the foregoing and otherwise fully perform this Agreement); (iv) Consultant shall comply with all applicable laws and Company safety rules in the course of performing the Services; and (v) if Consultant's work requires a license, Consultant has obtained that license and the license is in full force and effect.

4. Termination. If either party breaches a material provision of this Agreement, the other party may terminate this Agreement upon ten (10) days' notice, unless the breach is cured within the notice period. Company also may terminate this Agreement at any time, with or without cause, upon thirty (30) days' notice, but, if (and only if) such termination is without cause, Company shall upon such termination pay Consultant all unpaid, undisputed amounts due for the Services completed prior to notice of such termination. Sections 2 (subject to the limitations set forth in Section 2(c)) through 9 of this Agreement and any remedies for breach of this Agreement shall survive any termination or expiration. Company may communicate the obligations contained in this Agreement to any other (or potential) client or employer of Consultant.

5. Relationship of the Parties; Independent Contractor; No Employee Benefits. Notwithstanding any provision hereof, Consultant is an independent contractor and is not an employee, agent, partner or joint venturer of Company and shall not bind nor attempt to bind Company to any contract. Consultant shall accept any directions issued by Company pertaining to the goals to be attained and the results to be achieved by Consultant, but Consultant shall be solely responsible for the manner and hours in which the Services are performed under this Agreement. Consultant shall not be eligible to participate in any of Company's employee benefit plans, fringe benefit programs, group insurance arrangements or similar programs. Company shall not provide workers' compensation, disability insurance, Social Security or unemployment compensation coverage or any other statutory benefit to Consultant. Consultant shall comply at Consultant's expense with all applicable provisions of workers' compensation laws, unemployment compensation laws, federal Social Security law, the Fair Labor Standards Act, federal, state and local income tax laws, and all other applicable federal, state and local laws, regulations and codes relating to terms and conditions of employment required to be fulfilled by employers or independent contractors. Consultant will ensure that its employees, contractors and others involved in the Services, if any, are bound in writing to the foregoing, and to all of Consultant's obligations under any provision of this Agreement, for Company's benefit and Consultant will be responsible for any noncompliance by them. Consultant agrees to indemnify Company from any and all claims, damages, liability, settlement, attorneys' fees and expenses, as incurred, on account of the foregoing or any breach of this Agreement or any other action or inaction by or for or on behalf of Consultant.

6. Assignment. This Agreement and the services contemplated hereunder are personal to Consultant and Consultant shall not have the right or ability to assign, transfer or subcontract any rights or obligations under this Agreement without the written consent of Company. Any attempt to do so shall be void. Company may fully assign and transfer this Agreement in whole or part.

7. Notice. All notices under this Agreement shall be in writing and shall be deemed given when personally delivered, or three days after being sent by prepaid certified or registered U.S. mail to the address of the party to be noticed as set forth herein or to such other address as such party last provided to the other by written notice.

8. Miscellaneous. Any breach of Section 2 or 3 will cause irreparable harm to Company for which damages would not be an adequate remedy, and therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies. The failure of either party to enforce its rights under this Agreement at any time for any period shall not be construed as a waiver of such rights. No changes or modifications or waivers to this Agreement will be effective unless in writing and signed by both parties. In the event that any provision of this Agreement shall be determined to be illegal or unenforceable, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to the conflicts of laws provisions thereof. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. Headings herein are for convenience of reference only and shall in no way affect interpretation of the Agreement.

9. Defend Trade Secrets Act of 2016. Consultant acknowledges receipt of the following notice under 18 U.S.C § 1833(b)(1), and will provide such notice to its employees, contractors and others involved in the Services, if any: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal."

Errors that occur during the maintenance window such as viruses found or machines that are unavailable will trigger a Service Ticket to be automatically created in MSP's ticket management system.

All time billed by MSP's Automated Support software will be covered under the terms of this agreement.

Office 365
Microsoft Office 365 licenses may be provided at an additional charge if listed in this agreement. MSP will transfer the Microsoft Cloud Solution Provider (CSP) licensing from the current provider and bill for it separately. MSP will address viruses as requiring an emergency response by a technician to confirm virus removal.

Security Threat Detection and Remediation
MSP provides managed threat detection and remediation services to uncover and address malicious network penetration attempts. MSP will provide standard security best practices but does not guarantee one hundred percent protection from Ransomware or other malware attacks.

Security Awareness Training

Confidential Information shall not include any information that client makes publicly available or information which becomes publicly available through no act of MSP or Client or is rightfully received by either party from a third party.

2. Client and MSP both agree that they will not solicit for hire and it will not hire or otherwise engage any of each other’s employees or contractors, either directly or indirectly during any period services are provided under this agreement or in the 24-month period immediately following termination of this agreement.

3. Force Majeure: Neither party shall be liable for any failure of or delay in performance of its obligations under this Agreement to the extent such failure or delay is due to circumstances beyond its reasonable control, including, without limitation, acts of God, acts of a public enemy, pandemics, fires, floods, wars, civil disturbances, sabotage, accidents, insurrections, terrorism, blockades, embargoes, storms, explosions, labor disputes (whether or not the employees' demands are reasonable and within the party's power to satisfy), acts of any governmental body, failure or delay of third parties or governmental bodies from whom approvals, authorizations, licenses, franchises or permits must be obtained, or inability to obtain labor, materials, equipment, or transportation or illness of MSP’s technical staff (collectively referred to herein as "Force Majeure"). Each party shall use reasonable efforts to minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event.

4. If the Client work is substantially changed due to a Force Majeure, MSP will evaluate the need for change to IT services to Client and related change of managed service fees. Recognizing there are ongoing expenses to MSP of maintaining backups, remote monitoring, other vendor support software/licensing and availability of technicians to service on going needs, MSP will review with Client the need for change of fees if any. Late fees will not be charged under an agreed scenario below:

    1. Change in number of users at the current per user fee. If reduction is on a per user, as staff returns to work the per user fee will be added back to the monthly fee and prorated as of the date of return if mid-month.

6. Implied Warranties are expressly disclaimed by MSP. An MSP contractor is a technician or contractor who operates on behalf of MSP, is paid by MSP and has access to MSP’s service ticket management system for making time entries and charges for their work. MSP is not responsible for the acts of other technicians, contractors or consultants providing service to Client not under its control and direction. If Client purchases equipment from MSP it understands and agrees that it will look to the manufacturer for all remedies and warranties and agrees that MSP is not responsible for functioning of the equipment and has not made any express or implied warranties. MSP shall not be liable for any claim or demand against the Client by any third party on account of errors or omissions performed hereunder.

7. Remote access to personal computers and/or networks. If or when Client transitions to home or alternative networks, MSP will make best effort to make connections and serviceability. However, home or alternative networks may not have adequate internet connectivity and equipment to effectively work. MSP is not responsible for inadequacies in those home or alternative networks or to secure those connections. Home equipment will not be as secure and may not have MSP’s software and security features. MSP is not responsible for the security of the home or alternative networks. Work on a home or alternative network unless otherwise included is outside the scope of this Agreement and MSP may charge it’s then hourly rate for work on home or alternative networks. MSP will charge for additional software installed at home or alternative networks as needed.

8. In the event of a Force Majeure MSP is not required to have technicians work during periods or at places where their safety or health could be in jeopardy and in any event will not require technicians to go on site.

9. Client agrees to carry liability insurance and property insurance covering any damage to its network as well as to any clients of the Client adversely affected by Client's network functioning or transmissions from its network.

10. MSP may apply changes or additional terms, conditions and provisions to this Agreement upon 30 days advance written notice to client containing the proposed addition or change. If the additions or changes are not objected to then they shall take effect at the end of the 30 days. Within the 30 days Client may submit changes or objections to the proposed changes or additional terms. If the parties do not agree on the change or addition then it shall not become part of the Agreement. All the terms, conditions and provisions of this Agreement will continue to apply during any renewal term. Both parties agree to negotiate in good faith rates to be mutually agreed under any renewed contractual service term to be effective at the end of the initial term.

11. Failure to pay: If payment is not received by the first of the month for that month of service MSP reserves the right to put a hold on rendering on-site and remote services until monthly fee has been paid, provided MSP gives a five (5) business day notice of late payment.

12. It is understood that any Federal, State or Local Taxes applicable shall be added to each invoice for services or materials provided by MSP. Client shall pay any such taxes unless a valid exemption certificate is furnished to MSP for the jurisdiction of use, except in cases when MSP procures or sources the incorrect equipment and / or software and / or support services any incorrect items or software shall be returned to MSP.

13. If Client fails to make payment for any services or items purchased, and such failure continues for fifteen days, interest shall accrue on any amount due at the rate of 12% per annum until paid. That amount may be withheld until the incomplete tasks, work orders or equipment issues are resolved. MSP shall be given a reasonable opportunity to correct any problems. Any such election shall be made in writing by Notice of Termination and is to be accompanied by the Termination Fee and all other amounts due.

    Termination by MSP:

    1. Upon giving notice to Client of default and the default is not cured within ten (10) business days of receipt of written notice from MSP or for failure of Client to pay for service or products at the time of ordering or within 30 days of billing. In the event that the reported behavior continues following Contractor's second notice, such behavior will constitute a breach of this Agreement and entitle Contractor to terminate this Agreement in accordance with the Agreement's Term and Termination Clause, and be paid in full for the ordered project or for the planned monthly service hours, as applicable, without limiting any other right or remedy available to Contractor by law.

Proposal: A Year-Long Plan for Crete Academy (2024-2025)

Caline Khavarani Smith
Math Education Consultant

Last year, I supported Crete's math program by leading professional development sessions, math field days, a parent workshop, and in-school coaching and learning labs with all TK through sixth grade teachers.

Teacher feedback was positive, with comments like, "I believe Caline is an asset to coaching teachers and facilitating new ways of making math interesting to students" and "I appreciate your work so much. Your PD was great Caline!"

STAR test scores also improved from fall 2023 to spring 2024:

- At/Above (grade level) improved 10%, up from 20% to 30%
- Urgent Intervention (far below grade level) improved 7%, down from 40% to 33%

Yet, we have more work to do. With two years of Eureka under everyone's belt, the teachers are in a good position to work with the curriculum more flexibly to ensure that more students are learning and understanding the content. And, with the vision of starting test prep earlier in the year, I'm confident we can also improve CAASPP math scores.

Recommendations

- **Lesson planning**
  - Lesson planning workshop during the summer kickoff to help shift math instruction toward student-centered
  - Follow ups to encourage teachers to lesson plan consistently and to support them when they encounter math they do not deeply understand

- **More rigorous and engaging math content for students**
  - Pacing planning in the summer kickoff to put solid plans in place for teachers to deliver rigorous math content
  - Follow ups to make sure teachers are on track, and support to help them stay on track
  - PD workshops where teachers participate as learners in engaging and mathematically rigorous activities to build their content knowledge and also give them lesson ideas they can adapt for use in their classrooms

- **Bell-to-bell instruction**
    - Every minute counts. And math must be taught every day. Thus, we must put supports in place, such as set schedules with check ins, to make sure each minute is used wisely.
    - Analysis of how time is used, and how it could be used more effectively

- **CAASPP test prep**
    - Ensuring that lesson and unit planning is aligned to exam content
    - Creating and adhering to a robust plan ensuring that teachers and students access test questions and practice materials consistently throughout the year, with data analysis to inform instruction
    - Designating a time for all teachers to take a CAASPP Practice Exam

- **Teacher collaboration**
    - Scope and sequence and lesson planning in grade-level pairs
    - Peer observations
    - Learning labs

- **Aligned standards**
    - Ensuring that all standards are aligned (i.e. report cards, vertical math plans, and teacher evaluation rubrics) will help to streamline math instruction and ensure that teachers are always doing what is best for students

- **Community involvement**
    - Math Field Days (one per campus)
    - Parent Workshops
    - Family Math Events are also possible

Budget Proposal

Twenty-five days of support (approximately five hours per day) at a rate of $475 per hour, for a total of $59,375, includes the extensive planning and design, as well as the delivery of professional development. Sessions can be flexibly delivered in person or online, as needed.

Renewal Packet for:

Crete Academy

April 10, 2024

Linda Harris
Crete Academy
6103 Crenshaw Blvd.
Los Angeles, CA 90043

Dear Mrs. Harris,

On behalf of Unity Meals, I want to express our sincere gratitude for your partnership in our collective mission to provide nutritious meals to the students of Crete Academy. Your commitment to the well-being of these students is truly commendable.

Enclosed with this message, you will find the Unity Meals renewal contract for the upcoming 2024-25 school year. As we navigate the challenges presented by the current circumstances, your partnership has been instrumental in ensuring that students receive the nourishment they need during these unprecedented times.

We are aware of the difficulties we all face, including the rising costs of food, labor, and fuel, which are unfortunately beyond our control. Our industry partners continue to adapt to higher costs for reformulations and raw materials. Despite these challenges, our dedication to delivering excellent service, quality, and delicious meals to students remains unphased.

The annual increase in the National School Lunch Program USDA reimbursement is determined by the "Food Away from Home" CPI index published by the U.S. Department of Labor, Bureau of Labor Statistics. Currently, the Los Angeles Region Food Away from Home index stands at 5.5%. This figure encompasses the elevated costs of food, labor, and fuel mentioned earlier, forming the basis of our proposed increase. Attached to this message is a copy of our renewal contract, which outlines the proposed increase as per our existing contract. RE: Renewal for Audit Services

We show that we do not have a current contract on file for the 2021-22 fiscal year. Christy White, Inc. (CW) truly appreciates Crete Academy's business and we look forward to working with you on this year's audit. We are attaching our proposed renewal fees for audit and tax preparation services for your review.

A Note About Our Professional Fees: Increasingly, new laws and compliance requirements impact charter schools' operations and the State's fiscal oversight. In response, the State requires additional audit compliance procedures, on top of various Financial Accounting Standards Board (FASB) financial accounting and reporting requirements. And with more federal funds available, your charter could be required to have a Federal Single Audit, i.e., when your organization spends $750,000 or more in federal dollars in a single fiscal year. As a firm, we are conscientious of the impact of rising audit fees on your budget, but, at the same time, we must comply with the expanding audit scope the State dictates. As such, we will be increasing our professional fees for all of our charter school audit clients.

Thank you for considering the above. We value our relationship with Crete Academy and look forward to the opportunity to continue working with you. Please do not hesitate to contact us with any questions or to arrange a meeting.

Sincerely,

Christy White Brook

PROPOSED FEE SCHEDULE

FEE STRUCTURE FOR CRETE ACADEMY

The proposed fees are all-inclusive and will not change unless there are significant changes in the scope of the audit or tax services proposed, as imposed by state or federal agencies or directly requested by the Organization. Audit fees increase per year at a rate of four percent for Cost of Living Adjustment (COLA). We do not bill for advisory services related to the audit or an application of accounting standards. We encourage our clients to contact us at any time year-round for free advice on general finance and accounting issues.

We propose to conduct the audit engagement and submit the audit reports in compliance with the instructions provided by the State Controller's Office. The fee schedule below includes a list of personnel by classification assigned to the audits, indicating the estimated number of hours and rate per hour for the audits.

Classification	Billing Rates	Estimated Hours	2021-22	2022-23	2023-24

Total Professional Fees			**$ 10,500**	**$ 10,860**	**$ 11,235**

**If a Federal Single Audit under OMB Uniform Guidance (UG) becomes applicable during any given year, an additional $4,500 will be added to the annual audit fee. A Federal Single Audit under OMB UG is applicable in any given year that the Organization expends more than $750,000 in Federal funds.*

***Fees noted for preparation of tax returns include Federal IRS Form 990 and related schedules, California Form 199. If these are not the appropriate forms or if any additional Federal or State forms are necessary, this fee may be modified based on the client tax compliance needs (i.e. Form 990-T for reporting of taxable income).*

We will enter into an agreement with Crete Academy in the form of an engagement letter upon acceptance of these proposed fees. Thank you!

Minutes of each meeting shall be kept and shall be filed with the corporate records. The Board of Directors may adopt rules for the governance of any committee as long as the rules are consistent with these bylaws. If the Board of Directors has not adopted rules, the committee may do so.

10. Electric Bill. The electric bill for Lessee is calculated at the beginning of each month. Each billing period is determined by the following formula: reading of the sub-meter is subtracted from the readings of the beginning of the next month's sub-meter readings; This determines the school's usage Kwh (service charges) for the month which is then multiplied by the total amount charged for the month, this is divided by the total usage of Kwh for the month, according to the monthly electric bill received from the LADWP. This, then is the school's monthly electric bill. Lessee is required to pay the bill in full and on time each month to the Lessor two (2) weeks from the date received.

11. Removal of Alterations. Within thirty (30) days of executing this Amendment, Lessee must remove the mural of Nipsey Hussle painted on the basketball court. Lessee must remove the name Crete on the basketball backboards, and the name Crete Academy on the outside wall of the school building upon the termination of the Lease Agreement. All removal must be completed professionally by a licensed paint contractor. All alterations to the inside of the school building must be removed and restored to its original condition. An initial walk-through of the premises will establish the condition of said premises at the time of the signing of the Lease Agreement.

12. Termination. Violation of this Third Amendment to Lease in any part will result in termination of the Lease Agreement, as per Article 16 Termination Clause of the Lease Contract. Upon termination, Lessee will have 90 days to vacate and restore premises as per item 11 of this Amendment.

13. Student Enrollment. Enrollment for Crete Academy shall not exceed 250 students.

13. Except to the extent modified hereby, the Lease Agreement and all of the terms and provision thereof are and shall remain in full force and effect.

RE: PROPOSITION 39 REQUEST FOR FACILITIES ALTERNATIVE AGREEMENT

Dear Charter School Operator,

The Los Angeles Unified School District ("District") has agreed to enter into this alternative agreement, pursuant to California Code of Regulations, title 5, section 11969.1, subdivision (b), with Crete Academy, Inc. ("Crete"), operating that charter school known as Crete Academy ("Charter School"), in connection with Charter School's November 1, 2022 Proposition 39 facilities request for the 2023-24 school year.

1. Allocation of Space

Charter School represents that it intends to move to a newly leased private site (located at 1729 Martin Luther King, Jr. Blvd., Los Angeles, CA 90062 ("MLK")) by the start of the second semester of the 2023-24 school year. Due to this unique and unanticipated circumstance, Charter School has requested and the District has agreed to a one-time allocation of Proposition 39 space at the Budlong Elementary School campus ("Budlong") for a portion of the 2023-24 school year only to accommodate the portion of Charter School's program that previously occupied facilities at Budlong in the 2022-23 school year.

Based on the foregoing, Crete (on behalf of Charter School) has agreed to accept the District's offer of the following space at Budlong for a portion of the 2023-24 school year:

- Charter School's exclusive use of:
  - Ten (10) teaching stations (rooms 12, 13, 14, 15, 28, 58, 60, 61, 62, and 63),
  - One (1) special education space (room 59), and
  - One (1) administrative office (room L); and

- Charter School will have access to the shared use of other non-teaching station spaces, pursuant to the terms and requirements outlined in the District's standard Single-Year Co-Location Charter School Facilities Use Agreement ("Use Agreement") for the 2023-24 school year that the District will provide to Charter School shortly. The terms of this alternative agreement fully set forth all of Charter School's exclusive use and shared use spaces at Budlong in the 2023-24 school year, and Charter School will not occupy any other spaces at Budlong.

No additional facilities modifications (e.g., intrusion alarm, data/internet connectivity, PA/bells, etc.) will be made to any of Crete's exclusive or shared use spaces at Budlong, and they will be furnished and equipped as they were in the 2022-23 school year. Crete (on behalf of Charter School) will execute and return the Use Agreement within seven (7) days of receiving it from the District and will comply with all of its terms, including, but not limited to, the terms regarding payment of the Pro Rata Share Charge.

Charter School shall, with at least thirty (30) days' written notice to the District ("Notification"), terminate Charter School's right to occupy the space allocated in this alternative agreement by no later than January 3, 2024 ("Effective Date"). Under no circumstances shall the Effective Date be after January 3, 2024. If no Notification is provided by December 4, 2023, the Notification will be deemed provided on that date with January 3, 2024 as the Effective Date. Thereafter, (a) Charter School will waive its rights to occupy, and will actually vacate, all District facilities in the 2023-24 school year as of the Effective Date; (b) the District will agree to release Crete (on behalf of Charter School) from its obligation to continue paying the Pro Rata Share Charge set forth in the Use Agreement for the time between the Effective Date (or date Charter School actually fully vacates all District facilities, whichever is later) through June 30, 2024; and (c) for purposes of potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8 only (see Paragraphs 5 and 6 herein), the period for the second principal apportionment (under Education Code section 41601) shall be between July 1, 2023 and April 15, 2024 or the date Charter School actually fully vacates all District facilities (whichever is sooner), inclusive. Crete (on behalf of Charter School) agrees to pay the District a fee (in addition to any other costs, including, but not limited to, the Pro Rata Share Charge) of $1,000.00 for each day after the Effective Date it continues to occupy any of the spaces allocated herein. Payment of the fee shall be made to the District no later than thirty (30) days after the date Charter School fully vacates all of the spaces allocated herein. (For example, if the Notification provides that the Effective Date of Charter School's termination of occupancy is December 18, 2023, but Charter School fully vacates Budlong on January 17, 2024, Crete shall pay a fee of $30,000.00 (30 days x $1,000.00) to the District by no later than February 16, 2024.) If full payment is not timely made, Crete (on behalf of Charter School) authorizes and the District shall have the right, but not the obligation, to deduct any outstanding amounts from Charter School's revenue account.

Crete (on behalf of Charter School): (a) acknowledges that the District is not legally obligated to allocate any facilities to Crete in the 2023-24 school year; (b) waives all rights to any District facilities pursuant to Proposition 39 for the 2024-25, 2025-26, and 2026-27 school years; and (c) acknowledges that in the event Charter School does submit a Proposition 39 facilities request for any such school years for which Crete's rights have been waived (on behalf of Charter School) pursuant to (b) in this paragraph, the District shall not be obligated to offer or provide Charter School with use of any facilities in connection therewith.

2. Preparing Space for Occupancy

Although the District will proceed in good faith to complete all associated work (e.g., separation of the intrusion alarm/PA system for exclusive use spaces, re-keying, etc.), if any, at Budlong as soon as reasonably possible, Crete (on behalf of Charter School) agrees to waive all legal claims against the

District based on any potential failure to timely complete the work at least ten (10) working days before Charter School's first day of instruction. The District will make every reasonable attempt to work with Charter School so as not to interrupt Charter School's operations. Crete (on behalf Charter School) acknowledges, however, that executing all work necessary for Charter School may cause some disruptions and will work with the District to minimize such impacts.

3. Payment Obligations

This alternative agreement does not release, waive, or otherwise impact in any manner Crete's existing obligations (if any) (on behalf of Charter School) to pay the District any and all outstanding amounts due and owing or will become due and owing, for past, present, or future school years, for (a) the Pro Rata Share Charge, (b) Charter School's "after hours" use of District facilities, (c) Charter School's summer occupancy at District facilities (if any), (d) reimbursement obligations for over-allocated space (if any), and/or (e) any other payment obligations Charter School may incur (or have already incurred).

4. Collaboration with the District

As a material term of this alternative agreement, Charter School agrees to collaborate in good faith with the District, including, but not limited to, Charter Schools Division, Community Relations, Region South, Board offices, and District administrators, regarding community engagement/ outreach (such as attending and participating in community meetings) to address questions, concerns, and other issues related to the co-location throughout the term of Charter School's occupancy of the facilities at Budlong. In addition, Charter School's principal and/or designated representative agrees to meet with Budlong's principal and/or designated representative at least once per quarter, as facilitated by Region South, to mutually address issues related to the ongoing co-location and shared use of the Budlong facilities.

5. Reporting ADA

As an additional material term of this alternative agreement, Charter School agrees to comply with all applicable laws and regulations relating to Charter School's reporting of ADA data to the District for the 2023-24 school year. Charter School agrees to record and track student attendance, including Charter School's in-district and total ADA and in-district and total classroom ADA by school site (i.e., at Budlong, and any other location(s) at which Charter School will operate), and to maintain records documenting such data. Charter School agrees that, upon the District's request, it will report such data and provide supporting records to the District.

6. Reimbursement Obligations for Over-Allocated Space

Charter School remains subject to potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8. For purposes of determining whether space is considered to be over-allocated in accordance with California Code of Regulations, title 5, section 11969.8, and for purposes of determining whether fees may be assessed for facilities-related services due to resulting increased impacts and costs as stated in section 9 of

Exhibit C to the applicable Use Agreement, Charter School's projected in- district classroom ADA on which the facility allocation is based for the 2023-24 school year is as follows: 171.0. (Note: No in-district classroom ADA from any location(s) operated by Charter School other than Budlong shall be included when determining potential reimbursement obligations for over-allocated space.)

7. Dismissal, Waivers, and Releases

Within five (5) days of full execution of (a) this alternative agreement, and (b) an administrative amendment to the operative charter for Charter School as described in Section 10 hereinbelow, Crete (on behalf of Charter School), through its counsel, shall dismiss with prejudice the entirety of the pending action entitled, *Crete Academy v. Los Angeles Unified School District, et al.*, commenced by the filing a Verified Petition for Writ of Mandate and Complaint for Injunctive Relief on or about June 22, 2023, in Los Angeles County Superior Court (Case No. 23STCP02190) (the "Action"). Further, Crete (on behalf of Charter School) agrees to perform any and all other acts required by law to have its claims that are the subject of the Action dismissed with prejudice. Each party shall be solely responsible for its own attorneys' fees, costs and expenses incurred in any way related to the Action.

As a result of this alternative agreement, Crete (on behalf of Charter School) does not challenge the District's compliance with Proposition 39 for the 2023-24 school year. Crete (on behalf of Charter School) fully, finally, and without limitation, releases, waives, covenants not to sue, and forever discharges the District from any and all past, present, and future rights, claims, obligations, cross-claims, counter-claims, demands, liabilities, actions, causes of action whether in law or in equity, suits, rights of indemnity (legal and equitable), defenses, damages, losses, attorneys' fees, costs, expenses, consultant and expert fees, interest, penalties, and compensation, of whatever nature, known or unknown, fixed or contingent, suspected or unsuspected, that Crete and/or Charter School now have, or may ever have, against the District that arise out of, or are in any way related to, the District's Proposition 39 compliance for the 2023-24 school year or any previous school years, and the Action. Crete (on behalf of Charter School) acknowledges that it is aware of, and familiar with, section 1542 of the California Civil Code, which states: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party." With full awareness and understanding of this provision, Crete (on behalf of Charter School) waives and relinquishes any and all rights and benefits it may have under section 1542 of the California Civil Code, or common law principles to the same or similar effect. In connection with such waiver and relinquishment, Crete (on behalf of Charter School) hereby acknowledges that it may hereinafter discover claims or facts in addition to or different from those which it now knows and/or believes to exist with respect to the foregoing, but that it hereto intends to and hereby does fully, finally, and forever waive and release all of the disputes and differences against the District, whether known or unknown, suspected or unsuspected, fixed or contingent which concern, arise out of, or are in any way connected with the foregoing.

8. "One-Year Only" Arrangement

Crete (on behalf of Charter School) hereby acknowledges that Charter School's occupancy of the District's facilities identified herein for a portion of the 2023-24 school year does not create any obligation for the District to offer or allocate, or any expectation by Charter School to receive, any of

these same spaces for Charter School's use in subsequent school years. In other words, this is a "one-year only" arrangement for a portion of the 2023-24 school year.

9. Alternative Agreement Supersedes

This alternative agreement supersedes: (a) the District's March 31, 2023 Final Notification of Space Offered to Charter School pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (h); and (b) Charter School's written notification to the District whether or not it intends to occupy the offered space pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (i) (if any), both of which are hereby null and void.

10. Administrative Amendment to Charter Petition

As a mandatory condition precedent to the effectiveness of this alternative agreement, Crete (on behalf of Charter School) and the District agree to fully execute, simultaneously with execution of this alternative agreement, an agreement to amend Charter School's operative charter to authorize Charter School to operate at MLK.

11. Expiration

PLEASE NOTE: This alternative agreement must be signed by an authorized representative of Crete on behalf of Charter School and ~~returned via email (prop39@lausd.net) to the District within three (3) days of this communication~~. Failure to do so will automatically result in the District's withdrawal of its willingness to enter into this alternative agreement. Electronic signatures and/or signature pages transmitted by facsimile and/or electronic mail shall be treated as originals. HM 8/29/23 8/29/2023

Please confirm Crete's acknowledgement, on behalf of Charter School, of the terms of this alternative agreement by signing in the space below and returning this document.

Sincerely,

Veronica R. Arreguin

ADA FORM NO. 106 - COPYRIGHT 2021 - APARTMENT OWNERS ASSOCIATION OF SOUTHERN CALIFORNIA

AMENDMENT TO CHARTER OF CRETE ACADEMY

This amendment to the Charter of Crete Academy ("Amendment") is made between the Los Angeles Unified School District ("LAUSD" or "District"), a California public school district, and Crete Academy ("Crete"), a California non-profit public benefit corporation, operating a California public charter school known as Crete Academy ("Charter School"). District and Crete are also referred to individually as "Party," and collectively as "Parties."

This Amendment is to be read in conjunction with and shall expressly amend the charter of Charter School which was originally authorized by the LAUSD Board of Education ("Board of Education") on **November 15, 2016,** for a five-year term, from 2017 to 2022 ("Charter") and was set to expire on June 30, 2022. However, Education Code section 47607.4 extended the terms of all charter schools whose terms expire on or between January 1, 2022, and June 30, 2025, inclusive, by two years, and all charter schools whose terms expires on or before January 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. Thus, by operation of law, the charter term for Charter School expires on **June 30, 2025.**

The effective date of this Amendment is the date of full execution by the Parties and shall be implemented by the start of the second semester of the 2023-24 school year. This Amendment is based upon the following factual recitals:

RECITALS

A. **WHEREAS**, the approval of charter schools is governed by the Charter Schools Act of 1992, as subsequently amended, Education Code sections 47600 et seq;

B. **WHEREAS**, as set forth in Education Code section 47607, material revisions of charters are governed by the standards and criteria described in Section 47605, and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed;

C. **WHEREAS**, if a charter school intends to move outside of the community, the charter school shall request, and must have received, approval of a material revision to its charter before occupying the facility;

D. **WHEREAS**, some proposed changes to a charter may be deemed non-material;

E. **WHEREAS**, regardless of whether a change in the charter is deemed to be "material" or "non-material," the District's Charter Schools Division ("CSD") must review the request using the standards and criteria for consideration of a material revision;

F. **WHEREAS**, if the CSD determines the proposed change(s) do not constitute a material revision of the charter, the requested change(s) may be considered for approval as a non-material amendment to the charter, and therefore, can be handled administratively pursuant to *LAUSD Policy and Procedures for Charter Schools* ("LAUSD Policy");

G. **WHEREAS**, charter schools occupying non-LAUSD facilities must, prior to use, provide the CSD with a current COO or equivalent document issued by the applicable

permitting agency allowing the charter school to use and occupy the site as a charter school for its intended purpose (i.e., applicable grade levels). Charter schools are responsible for ensuring compliance with all applicable building codes, standards, and regulations adopted by the city and/or county agencies with jurisdiction to enforce building and safety standards for the school site, as well as federal and state accessibility requirements, and all other applicable fire, health, and structural safety and access requirements;

H. **WHEREAS**, the Charter School is authorized to serve 363 students in grades TK to 6, in the target community of "90044 zip code, which is the neighborhood of Athens" as memorialized on page 10 of the Charter. For the 2022-23 school year, Charter School operated on two sites: a private facility (non-District property) located at 6103 Crenshaw Blvd., Los Angeles, CA 90043; and another at Budlong Elementary School, where the Charter School was co-located on District property at 5940 S. Budlong Ave, Los Angeles, CA 90044 ("Budlong site") pursuant to Education Code section 47614 ("Proposition 39") and its implementing regulations.

I. **WHEREAS**, the Charter School's governing board convened a meeting on August 8, 2023, and adopted Board Resolution 17 ("Resolution") setting forth that "[Crete] and the District have negotiated the terms of an Alternative Agreement that allows the Charter School to remain at the Budlong [site] for the first semester of 2023-24 and waives the Charter School's Proposition 39 rights for 2023-24 and the subsequent three fiscal years;" The Resolution is attached herewith as **Attachment A** and part of this Amendment;

J. **WHEREAS**, the Charter School's governing board proposes to change the Charter School's location from the Budlong site to a newly leased private site located at "1729 Martin Luther King Jr. Blvd, Los Angeles, CA 90062" ("MLK Facility");

K. **WHEREAS**, Crete has entered into a Lease Agreement with Madison Estate Investment, from January 1, 2024, to June 30, 2025 ("Lease Agreement"), for the MLK Facility. The Lease Agreement, which was executed on August 5, 2023, is attached herewith as **Attachment B** and part of this Amendment;

L. **WHEREAS**, the District deems a change in location by a charter school within the community, as defined by LAUSD Policy[1], to be non-material;

M. **WHEREAS**, the proposed move from the Budlong site to the MLK Facility is considered a move within the "community" approved in the Charter and as defined in LAUSD Policy;

N. **WHEREAS**, the Parties agree to amend the Charter to reflect the changes above, LAUSD Policy and applicable state and federal laws.

[1] A "community" includes families and individuals who reside, work, and/or are served in the identified geographical area, and all public schools (District and charter), serving similar grade levels as the charter school (inclusive of the proposed additional grade levels being requested, if applicable). The identified geographical area will be based on LAUSD Community of Schools and neighborhoods within a three-mile radius from the location identified by the charter school's material revision application.

NOW, THEREFORE, in consideration of the following terms and conditions, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

AMENDMENT

1. The Parties incorporate the above Recitals as if fully restated in this Amendment.

2. **Charter School location:** The Charter shall be revised to reflect that the location(s) for the Charter School are as follows:

> 5940 S. Budlong Ave., (***current through no later than January 3, 2024***) Los Angeles, CA 90044
>
> 1729 Martin Luther King, Jr. Blvd., (***effective January 2024***)
> Los Angeles, CA 90062
>
> 6103 Crenshaw Blvd.,
> Los Angeles, CA 90043

Notwithstanding this non-material Amendment to the Charter, the Charter School warrants that it will continue to serve all students including those in the target community of 90044, as approved in the Charter.

3. The Parties agree that the approval of this Amendment shall be contingent upon Crete and/or Charter School meeting all requirements set forth in this Amendment and the "Proposition 39 Request for Facilities Alternative Agreement" for the 2023-24 school year ("Alternative Agreement") under the terms stated therein, prior to the implementation of this Amendment. The Alternative Agreement incorporated and attached herewith as **Attachment C** and incorporated by reference and part of this Amendment.

4. **Budget**: All prior budgets and cash flow projections submitted for the Charter School shall be replaced by the Charter School's revised budget(s), financial and cash flow projections incorporated and attached herewith as **Attachment D** and incorporated by reference and part of this Amendment.

5. **Updated District Required Language**: The Charter shall be amended to update and incorporate the Board of Education approved "Federal, State, and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions updated August 11, 2020", attached herewith as **Attachment E** and incorporated by reference as part of this Amendment.

6. The Charter School warrants that it is operated by a non-profit corporation in good standing in the State of California.

7. All other provisions set forth in the Charter shall remain in effect and enforceable.

8. The Parties agree that should any of the provisions of this Amendment be judicially determined to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

9. The individuals signing this Amendment warrant that they are authorized to do so, and further, that they are authorized to make the promises in this Amendment on behalf of the respective Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed and delivered in their respective names by their authorized representatives as of the date set forth below.

Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 50), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the Applicable Requirements, and especially the zoning, are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same at Lessor's expense. If Lessee does not give Lessor written notice of a non-compliance with this warranty within 6 months following the Start Date, correction of that non-compliance shall be the obligation of Lessee at Lessee's sole cost and expense. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises and/or Building, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Unit, Premises and/or Building ("**Capital Expenditure**"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and an amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not, however, have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) it has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements and the Americans with Disabilities Act), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date Lessee was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Real Property Taxes and insurance premiums and to maintain the Premises) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use commercially reasonable efforts to deliver exclusive possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such

failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to tender possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1 **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States, without offset or deduction (except as specifically permitted in this Lease), on or before the day on which it is due. All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent, Insurance and Real Property Taxes, and any remaining amount to any other outstanding charges or costs.

4.3 **Association Fees**. In addition to the Base Rent, Lessee shall pay to Lessor each month an amount equal to any owner's association or condominium fees levied or assessed against the Premises. Said monies shall be paid at the same time and in the same manner as the Base Rent.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**. Lessee shall use and occupy the Premises only for the Agreed Use, or any other legal use which is reasonably comparable thereto, and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvements on the Premises or the mechanical or electrical systems therein, and/or is not significantly more burdensome to the Premises. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, byproducts or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use, ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public,

the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from adjacent properties not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. **No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.**

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which result from Hazardous Substances which existed on the Premises prior to Lessee's occupancy or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee's occupancy, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. In addition, Lessee shall provide Lessor with copies of its business license, certificate of occupancy and/or any similar document within 10 days of the receipt of a written request therefor.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time in the case of an emergency, and otherwise at reasonable times after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see paragraph 9.1(e)) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of a written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations**.

(a) **In General**. Subject to the provisions of Paragraph 2.2 (Condition), 2.3 (Compliance), 6.3 (Lessee's Compliance with Applicable Requirements), 7.2

(Lessor's Obligations), 9 (Damage or Destruction), and 14 (Condemnation), Lessee shall, at Lessee's sole expense, keep the Premises, Utility Installations (intended for Lessee's exclusive use, no matter where located), and Alterations in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Lessee, and whether or not the need for such repairs occurs as a result of Lessee's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities, such as plumbing, HVAC equipment, electrical, lighting facilities, boilers, pressure vessels, fire protection system, fixtures, walls (interior and exterior), foundations, ceilings, roofs, roof drainage systems, floors, windows, doors, plate glass, skylights, landscaping, driveways, parking lots, fences, retaining walls, signs, sidewalks and parkways located in, on, or adjacent to the Premises. Lessee, in keeping the Premises in good order, condition and repair, shall exercise and perform good maintenance practices, specifically including the procurement and maintenance of the service contracts required by Paragraph 7.1(b) below. Lessee's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair. Lessee shall, during the term of this Lease, keep the exterior appearance of the Building in a first-class condition (including, e.g. graffiti removal) consistent with the exterior appearance of other similar facilities of comparable age and size in the vicinity, including, when necessary, the exterior repainting of the Building.

(b) **Service Contracts**. Lessee shall, at Lessee's sole expense, procure and maintain contracts, with copies to Lessor, in customary form and substance for, and with contractors specializing and experienced in the maintenance of the following equipment and improvements, if any, if and when installed on the Premises: (i) HVAC equipment, (ii) boiler, and pressure vessels, (iii) fire extinguishing systems, including fire alarm and/or smoke detection, (iv) landscaping and irrigation systems, (v) roof covering and drains, and (vi) clarifiers. However, Lessor reserves the right, upon notice to Lessee, to procure and maintain any or all of such service contracts, and Lessee shall reimburse Lessor, upon demand, for the cost thereof.

(c) **Failure to Perform**. If Lessee fails to perform Lessee's obligations under this Paragraph 7.1, Lessor may enter upon the Premises after 10 days' prior written notice to Lessee (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Lessee's behalf, and put the Premises in good order, condition and repair, and Lessee shall promptly pay to Lessor a sum equal to 115% of the cost thereof.

(d) **Replacement**. Subject to Lessee's indemnification of Lessor as set forth in Paragraph 8.7 below, and without relieving Lessee of liability resulting from Lessee's failure to exercise and perform good maintenance practices, if an item described in Paragraph 7.1(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Lessor, and the cost thereof shall be prorated between the Parties and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date on which Base Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (i.e. 1/144th of the cost per month). Lessee shall pay Interest on the unamortized balance but may prepay its obligation at any time.

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 9 (Damage or Destruction) and 14 (Condemnation), it is intended by the Parties hereto that Lessor have no obligation, in any manner whatsoever, to repair and maintain the Premises, or the equipment therein, all of which obligations are intended to be that of the Lessee. It is the intention of the Parties that the terms of this Lease govern the respective obligations of the Parties as to maintenance and repair of the Premises.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air and/or vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, plumbing, and fencing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "Alterations" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed a sum equal to 3 month's Base Rent in the aggregate or a sum equal to one month's Base Rent in any one year. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

(b) **Removal**. By delivery to Lessee of written notice from Lessor not earlier than 90 and not later than 30 days prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing and the

provisions of Paragraph 7.1(a), if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also completely remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Payment For Insurance**. Lessee shall pay for all insurance required under Paragraph 8 except to the extent of the cost attributable to liability insurance carried by Lessor under Paragraph 8.2(b) in excess of $2,000,000 per occurrence. Premiums for policy periods commencing prior to or extending beyond the Lease term shall be prorated to correspond to the Lease term. Payment shall be made by Lessee to Lessor within 10 days following receipt of an invoice.

8.2 **Liability Insurance**.

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "**insured contract**" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value**.

(a) **Building and Improvements**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Premises. The amount of such insurance shall be equal to the full insurable replacement cost of the Premises, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence, and Lessee shall be liable for such deductible amount in the event of an Insured Loss.

(b) **Rental Value**. The Insuring Party shall obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period. Lessee shall be liable for any deductible amount in the event of such loss.

(c) **Adjacent Premises**. If the Premises are part of a larger building, or of a group of buildings owned by Lessor which are adjacent to the Premises, the Lessee shall pay for any increase in the premiums for the property insurance of such building or buildings if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance**.

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(c) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Lessor. Lessee shall, at least 10 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The

effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions**.

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 6 months or less from the date of the damage or destruction. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $10,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds (except as to the deductible which is Lessee's responsibility) as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages

from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definition**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Premises or the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Building address. Real Property Taxes shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Premises, and (ii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease.

10.2 **Payment of Taxes**. In addition to Base Rent, Lessee shall pay to Lessor an amount equal to the Real Property Tax installment due at least 20 days prior to the applicable delinquency date. If any such installment shall cover any period of time prior to or after the expiration or termination of this Lease, Lessee's share of such installment shall be prorated. In the event Lessee incurs a late charge on any Rent payment, Lessor may estimate the current Real Property Taxes, and require that such taxes be paid in advance to Lessor by Lessee monthly in advance with the payment of the Base Rent. Such monthly payments shall be an amount equal to the amount of the estimated installment of taxes divided by the number of months remaining before the month in which said installment becomes delinquent. When the actual amount of the applicable tax bill is known, the amount of such equal monthly advance payments shall be adjusted as required to provide the funds needed to pay the applicable taxes. If the amount collected by Lessor is insufficient to pay such Real Property Taxes when due, Lessee shall pay Lessor, upon demand, such additional sum as is necessary. Advance payments may be intermingled with other moneys of Lessor and shall not bear interest. In the event of a Breach by Lessee in the performance of its obligations under this Lease, then any such advance payments may be treated by Lessor as an additional Security Deposit.

10.3 **Joint Assessment**. If the Premises are not separately assessed, Lessee's liability shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be conclusively determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available.

10.4 **Personal Property Taxes**. Lessee shall pay, prior to delinquency, all taxes assessed against and levied upon Lessee Owned Alterations, Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services.

11.1 Lessee shall pay for all water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. If any such services are not separately metered or billed to Lessee, Lessee shall pay a reasonable proportion, to be determined by Lessor, of all charges jointly metered or billed. There shall be no abatement of rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

11.2 Within fifteen days of Lessor's written request, Lessee agrees to deliver to Lessor such information, documents and/or authorization as Lessor needs in order for Lessor to comply with new or existing Applicable Requirements relating to commercial building energy usage, ratings, and/or the reporting thereof.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the

Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a non-curable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a non-curable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, i.e. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting**.

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting**. The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach**. A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; the vacating of the Premises prior to the expiration or termination of this Lease without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism; or failure to deliver to Lessor exclusive possession of the entire Premises in accordance herewith prior to the expiration or termination of this Lease.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private

nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 42, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 40 hereof, other than those described in subparagraphs 13.1(a), (b), (c) or (d), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies**. If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges**. Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The Parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive

installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to seek reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the Building, or more than 25% of that portion of the Premises not occupied by any building, is taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

15.1 **Additional Commission**. In addition to the payments owed pursuant to Paragraph 1.9 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires any rights to the Premises or other premises owned by Lessor and located within the same Project, if any, within which the Premises is located, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed. The provisions of this paragraph are intended to supersede the provisions of any earlier agreement to the contrary.

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.9, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Lease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published by AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Premises, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements**. All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice**. Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23.3 **Options.** Notwithstanding the foregoing, in order to exercise any Options (see paragraph 39), the Notice must be sent by Certified Mail (return receipt requested), Express Mail (signature required), courier (signature required) or some other methodology that provides a receipt establishing the date the notice was received by the Lessor.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the

agent may not, without the express permission of the respective Party, disclose to the other Party confidential information, including, but not limited to, facts relating to either Lessee's or Lessor's financial position, motivations, bargaining position, or other personal information that may impact rent, including Lessor's willingness to accept a rent less than the listing rent or Lessee's willingness to pay rent greater than the rent offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Both Lessor and Lessee should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. At or prior to the expiration or termination of this Lease Lessee shall deliver exclusive possession of the Premises to Lessor. For purposes of this provision and Paragraph 13.1(a), exclusive possession shall mean that Lessee shall have vacated the Premises, removed all of its personal property therefrom and that the Premises have been returned in the condition specified in this Lease. In the event that Lessee does not deliver exclusive possession to Lessor as specified above, then Lessor's damages during any holdover period shall be computed at the amount of the Rent (as defined in Paragraph 4.1) due during the last full month before the expiration or termination of this Lease (disregarding any temporary abatement of Rent that may have been in effect), but with Base Rent being 150% of the Base Rent payable during such last full month. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located. Signatures to this Lease accomplished by means of electronic signature or similar technology shall be legal and binding.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination**. This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment**. In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance**. With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. Signs. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Except for ordinary "for sublease" signs, Lessee shall not place any sign upon the Premises without Lessor's prior written consent. All signs must comply with all Applicable Requirements.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published by AIR CRE, and each such Guarantor shall have the same obligations as Lessee under this Lease.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any Option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Multiple Buildings. If the Premises are a part of a group of buildings controlled by Lessor, Lessee agrees that it will abide by and conform to all reasonable rules and regulations which Lessor may make from time to time for the management, safety, and care of said properties, including the care and cleanliness of the grounds and including the parking, loading and unloading of vehicles, and to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessee also agrees to pay its fair share of common expenses incurred in connection with such rules and regulations.

41. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties.

42. Reservations. Lessor reserves to itself the right, from time to time, to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, and to cause the recordation of parcel maps and restrictions, so long as such easements, rights, dedications, maps and restrictions do

not unreasonably interfere with the use of the Premises by Lessee. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate any such easement rights, dedication, map or restrictions.

43. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

44. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

45. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

46. Offer. Preparation of this Lease by either Party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

47. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

48. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS LEASE.

49. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☐ is ☑ is not attached to this Lease.

50. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☐ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

ATTENTION: NO REPRESENTATION OR RECOMMENDATION IS MADE BY AIR CRE OR BY ANY BROKER AS TO THE LEGAL SUFFICIENCY, LEGAL EFFECT, OR TAX CONSEQUENCES OF THIS LEASE OR THE TRANSACTION TO WHICH IT RELATES. THE PARTIES ARE URGED TO:

1. SEEK ADVICE OF COUNSEL AS TO THE LEGAL AND TAX CONSEQUENCES OF THIS LEASE.

2. RETAIN APPROPRIATE CONSULTANTS TO REVIEW AND INVESTIGATE THE CONDITION OF THE PREMISES. SAID INVESTIGATION SHOULD INCLUDE BUT NOT BE LIMITED TO: THE POSSIBLE PRESENCE OF HAZARDOUS SUBSTANCES, THE ZONING OF THE PREMISES, THE STRUCTURAL INTEGRITY, THE CONDITION OF THE ROOF AND OPERATING SYSTEMS, AND THE SUITABILITY OF THE PREMISES FOR LESSEE'S INTENDED USE.

OPTION(S) TO EXTEND TERM
STANDARD LEASE ADDENDUM

Dated: August 4, 2023
By and Between
Lessor: Madison Estate Investment Incorporated
Lessee: Crete Academy a Non Profit Public Benefit Corporation
Property Address: 1729 Martin Luther King Jr. Boulevard, Los Angeles, CA 90062
(street address, city, state, zip)

Paragraph: 51 **OPTION(S) TO EXTEND TERM.** Subject to the terms, conditions and provisions of Paragraph 39, Lessor grants Lessee two (2) option(s) to extend the term of the Lease ("**Extension Option(s)**"), with each Extension Option being for a term of twelve (12) months, commencing when the prior term expires ("**Option Term(s)**"). In order to exercise an Extension Option, Lessee must give written notice of such election to Lessor and Lessor must receive such notice at least 6 but not more than 12 months prior to the date that the applicable Option Term would commence, time being of the essence. If timely and proper notification of the exercise of an Extension Option is not given by Lessee and/or received by Lessor, such Extension Option shall automatically expire. Except as specifically modified, the terms, conditions and provisions of the Lease shall apply during Option Terms but the amount of Rent during Option Terms shall be established by using the method(s) selected below *(check method(s) to be used and fill in appropriately)*:

☐ **I. Consumer Price Index.**

(a) During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term CPI Increase Date(s)**") commensurate with the increase in the Option Term CPI (as herein defined) determined as follows: the monthly Base Rent scheduled for the month immediately preceding the first occurring Option Term CPI Increase Date shall be multiplied by a fraction the denominator of which is the Option Term Base CPI (as herein defined), and the numerator of which is the Option Term Comparison CPI (as herein defined). The amount so calculated shall constitute the new Base Rent until the next Option Term CPI Increase Date during the applicable Option Term, but in no event shall any such new Base Rent be less than the Base Rent for the month immediately preceding the applicable Option Term CPI Increase Date.

(b) The term "**Option Term CPI**" shall mean the Consumer Price Index of the Bureau of Labor Statistics of the U.S. Department of Labor for *(select one)*: ☐ CPI W (Urban Wage Earners and Clerical Workers) or ☐ CPI U (All Urban Consumers), for (*fill in Urban Area*): _____ or ☐ the area in which the Premises is located, All Items (1982-1984 = 100). The term "**Option Term Comparison CPI**" shall mean the CPI of the calendar month which is 2 full months prior to the applicable Option Term CPI Increase Date. The term "**Option Term Base CPI**" shall mean the CPI of the calendar month which is 2 full months prior to (*select one*): ☐ Commencement Date of the Original Term, ☐ start of the applicable Option Term, or ☐ (*fill in month*) _____.

(c) If compilation and/or publication of the CPI is transferred to another governmental department, bureau or agency or is discontinued, then instead the index most nearly the same as the CPI shall be used to calculate the Base Rent increases hereunder. If the Parties cannot agree on such alternative index, then the matter shall be submitted for decision to the American Arbitration Association in accordance with the then rules of said association and the decision of the arbitrators shall be binding upon the parties, with the cost of such arbitration being paid equally by the Parties.

☐ **II. Fixed Percentage.** During the Option Term(s) which start(s) on _____, the monthly Base Rent shall be increased on _____ and every _____ months thereafter during such Option Term(s) ("**Option Term Percentage Increase Date(s)**") by _____ percent (_____ %) of the monthly Base Rent scheduled to be paid for the month immediately preceding the applicable Option Term Percentage Increase Date.

☐ **III. Fair Market Value.**

(a) During the Option Term(s) which start(s) on _____, the amount of Rent shall be the amount forecasted to be the fair market rental value of the Premises during such Option Term established pursuant to the procedures, terms, assumptions and conditions set forth herein ("**Fair Market Value**"); provided, however, regardless of such Fair Market Value, Base Rent during an Option Term shall not be less than the Base Rent scheduled as of when the prior term expires. Starting as of Lessee's exercise of the applicable Extension Option (but not earlier than six (6) months before start of the applicable Option Term), the Parties shall for thirty (30) days ("**Negotiation Period**") attempt to agree upon the Fair Market Value. If during the Negotiation Period the Parties do not agree on the Fair Market Value, then the Fair Market Value shall be established pursuant to the procedures set forth herein, which shall be binding.

(b) Each Party shall, within fifteen (15) days after the end of the Negotiation Period, in writing submit to the other Party such Party's determination of the Fair Market Value ("**Submitted Value(s)**"). If a Party fails to timely provide a Submitted Value, then the other Party's Submitted Value shall be the Fair Market Value. If both Parties timely provide Submitted Values, then each Party shall, within fifteen (15) days after both Parties have exchanged Submitted Values, in writing notify the other Party of such Party's selected valuator who shall meet the qualifications set forth herein ("**Advocate Valuator(s)**"). Lessor and Lessee may select an Advocate Valuator who is favorable to such Party's position and may, prior to or after appointment of an Advocate Valuator, consult with such Party's Advocate Valuator. If a Party fails to timely and properly provide notice of such Party's chosen Advocate Valuator, then the other Party's Submitted Value shall be the Fair Market Value.

(c) If both Parties timely and properly designate Advocate Valuators, then such Advocate Valuators shall, within fifteen (15) days after their selection, choose a third (3rd) neutral valuator who shall meet the qualifications set forth herein ("**Neutral Valuator**"). The Neutral Valuator shall be engaged jointly by Lessor and Lessee. If Advocate Valuators fail to agree upon and timely appoint a Neutral Valuator, then the President of AIR CRE shall appoint such Neutral Valuator within fifteen (15) days after request by either Party. If the President of AIR CRE does not timely appoint the Neutral Valuator, then either Party may file an appropriate legal action for a

judge with competent jurisdiction over the Parties to appoint the Neutral Valuator.

(d) The Advocate Valuators and the Neutral Valuator ("**Valuator(s)**") shall be duly licensed real estate brokers or salespersons in good standing in the state in which the Premises is located, shall have been active over the five (5) year period before their appointment in the leasing of properties similar to the Premises within the general real estate market of the Premises. The Neutral Valuator shall additionally not be related to or affiliated with either Party or Advocate Valuator, and shall not have previously represented in a real estate transaction a Party or anyone related to or affiliated with a Party. All matters to be determined by the Valuators shall be decided by a majority vote of the Valuators, with each Valuator having one (1) vote. The Valuators may, as the Valuators determine, hold hearings and require briefs, including market data and additional information.

(e) Within thirty (30) days after selection of the Neutral Valuator, the Valuators shall first determine the Fair Market Value established by taking into account the terms, assumptions and conditions set forth herein ("**Valuators' Market Value**"), then decide which Party's Submitted Value is closer in monetary amount to the Valuators' Market Value ("**Selected Market Value**"), then provide the Parties a copy of the Valuators' Market Value and finally notify the Parties of the Selected Market Value. The Selected Market Value shall be the Fair Market Value. The Valuators shall have no right to decide a Selected Market Value which is a compromise to (or modification of) the Submitted Values. The decision of the Valuators shall be binding upon the Parties. The Party whose Submitted Value is not the Selected Market Value shall, within ten (10) days after the Valuators decide the Selected Market Value, pay the fees and costs of all three (3) Valuators.

(f) If the Fair Market Value has not been established before the start of the applicable Option Term, then Lessee shall continue to pay to Lessor rent in the amount payable for the month immediately preceding the start of such Option Term and Lessor's acceptance of such rent shall not waive, adversely affect or prejudice the Parties' right to complete establishment of the Fair Market Value or Lessor's right to collect the full amount of the Fair Market Value once the Fair Market Value is established. Lessee shall, within ten (10) days after establishment of the Fair Market Value, pay to Lessor any deficiency in rent then due for the Option Term. Following establishment of Fair Market Value, the Parties shall, within ten (10) days after request by either Party, sign an amendment to this Lease to confirm the Fair Market Value and the expiration date of this Lease, but the Parties' failure to request or to sign such an amendment shall not affect establishment of the Fair Market Value or extension of the Lease term.

(g) The Valuators, in deciding the Valuators' Market Value, shall take into account rent rates, rent abatements, periodic rent increases, real property taxes, insurance premiums and other operating expenses, tenant improvement and other applicable allowances, building services, length of lease term and other factors professional real estate brokers and/or appraisers customarily consider in determining fair market rent of property in an arm's length transaction by ready, willing and able parties for space of comparable location, size, age, condition, quality, parking, visibility, view, signage and accessibility if the Premises were marketed in a normal and customary manner for a reasonable length of time on the open market to be leased to a tenant with financial strength and credit worthiness comparable to Lessee and guarantors (if any) of this Lease (as of Lessee's exercise of the Extension Option) for a term comparable to the length of the applicable Option Term and used for the Agreed Use (or other reasonably comparable uses). The Valuators, in deciding the Valuators' Market Value, shall not consider as a comparable transaction any of the following: a sublease, lease assignment, lease renewal or extension; lease with a tenant that has equity, is related to or affiliated with the landlord; or a lease of space that was subject to a right of first refusal, right of first offer, expansion option or other encumbrances. The Valuators, in deciding the Valuators' Market Value, shall reduce the Fair Market Value on account of Alterations and improvements made by Lessee to the extent the cost thereof was paid solely by Lessee (in excess of any applicable improvement allowance, abated rent in lieu of improvement allowance or other consideration provided by Lessor for Lessee's improvement of the Premises), shall not reduce the Fair Market Value on account of any real estate brokerage commission savings by Lessor, and shall not reduce the Fair Market Value on account of deferred maintenance or repair of the Premises for which Lessee was responsible under the Lease but did not perform.

☑ **IV. Fixed Rental Adjustment(s) ("FRA").**

The monthly Base Rent shall be increased to the following amounts on the dates set forth below:

On (fill in FRA Adjustment Date(s)):	The new Base Rent shall be:
July 1, 2025	$16,480.00
July 1, 2026	$16,974.40

☐ **V. Continuation of Original Term Adjustments.**

The monthly Base Rent during the Option Term(s) which start(s) on _____ shall be increased in accordance with the same formula provided in the Lease to be used to calculate increases in the Base Rent during the Original Term of the Lease.

BROKER'S FEE: For each adjustment in Base Rent specified above, the Brokers shall be paid a Brokerage Fee in accordance with paragraph 15 of the Lease or if applicable, paragraph 9 of the Sublease.

RE: PROPOSITION 39 REQUEST FOR FACILITIES ALTERNATIVE AGREEMENT

Dear Charter School Operator,

The Los Angeles Unified School District ("District") has agreed to enter into this alternative agreement, pursuant to California Code of Regulations, title 5, section 11969.1, subdivision (b), with Crete Academy, Inc. ("Crete"), operating that charter school known as Crete Academy ("Charter School"), in connection with Charter School's November 1, 2022 Proposition 39 facilities request for the 2023-24 school year.

1. Allocation of Space

Charter School represents that it intends to move to a newly leased private site (located at 1729 Martin Luther King, Jr. Blvd., Los Angeles, CA 90062 ("MLK")) by the start of the second semester of the 2023-24 school year. Due to this unique and unanticipated circumstance, Charter School has requested and the District has agreed to a one-time allocation of Proposition 39 space at the Budlong Elementary School campus ("Budlong") for a portion of the 2023-24 school year only to accommodate the portion of Charter School's program that previously occupied facilities at Budlong in the 2022-23 school year.

Based on the foregoing, Crete (on behalf of Charter School) has agreed to accept the District's offer of the following space at Budlong for a portion of the 2023-24 school year:

- Charter School's exclusive use of:
  - Ten (10) teaching stations (rooms 12, 13, 14, 15, 28, 58, 60, 61, 62, and 63),
  - One (1) special education space (room 59), and
  - One (1) administrative office (room L); and

- Charter School will have access to the shared use of other non-teaching station spaces, pursuant to the terms and requirements outlined in the District's standard Single-Year Co-Location Charter School Facilities Use Agreement ("Use Agreement") for the 2023-24 school year that the District will provide to Charter School shortly. The terms of this alternative agreement fully set forth all of Charter School's exclusive use and shared use spaces at Budlong in the 2023-24 school year, and Charter School will not occupy any other spaces at Budlong.

No additional facilities modifications (e.g., intrusion alarm, data/internet connectivity, PA/bells, etc.) will be made to any of Crete's exclusive or shared use spaces at Budlong, and they will be furnished and equipped as they were in the 2022-23 school year. Crete (on behalf of Charter School) will execute and return the Use Agreement within seven (7) days of receiving it from the District and will comply with all of its terms, including, but not limited to, the terms regarding payment of the Pro Rata Share Charge.

Charter School shall, with at least thirty (30) days' written notice to the District ("Notification"), terminate Charter School's right to occupy the space allocated in this alternative agreement by no later than January 3, 2024 ("Effective Date"). Under no circumstances shall the Effective Date be after January 3, 2024. If no Notification is provided by December 4, 2023, the Notification will be deemed provided on that date with January 3, 2024 as the Effective Date. Thereafter, (a) Charter School will waive its rights to occupy, and will actually vacate, all District facilities in the 2023-24 school year as of the Effective Date; (b) the District will agree to release Crete (on behalf of Charter School) from its obligation to continue paying the Pro Rata Share Charge set forth in the Use Agreement for the time between the Effective Date (or date Charter School actually fully vacates all District facilities, whichever is later) through June 30, 2024; and (c) for purposes of potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8 only (see Paragraphs 5 and 6 herein), the period for the second principal apportionment (under Education Code section 41601) shall be between July 1, 2023 and April 15, 2024 or the date Charter School actually fully vacates all District facilities (whichever is sooner), inclusive. Crete (on behalf of Charter School) agrees to pay the District a fee (in addition to any other costs, including, but not limited to, the Pro Rata Share Charge) of $1,000.00 for each day after the Effective Date it continues to occupy any of the spaces allocated herein. Payment of the fee shall be made to the District no later than thirty (30) days after the date Charter School fully vacates all of the spaces allocated herein. (For example, if the Notification provides that the Effective Date of Charter School's termination of occupancy is December 18, 2023, but Charter School fully vacates Budlong on January 17, 2024, Crete shall pay a fee of $30,000.00 (30 days x $1,000.00) to the District by no later than February 16, 2024.) If full payment is not timely made, Crete (on behalf of Charter School) authorizes and the District shall have the right, but not the obligation, to deduct any outstanding amounts from Charter School's revenue account.

Crete (on behalf of Charter School): (a) acknowledges that the District is not legally obligated to allocate any facilities to Crete in the 2023-24 school year; (b) waives all rights to any District facilities pursuant to Proposition 39 for the 2024-25, 2025-26, and 2026-27 school years; and (c) acknowledges that in the event Charter School does submit a Proposition 39 facilities request for any such school years for which Crete's rights have been waived (on behalf of Charter School) pursuant to (b) in this paragraph, the District shall not be obligated to offer or provide Charter School with use of any facilities in connection therewith.

2. Preparing Space for Occupancy

Although the District will proceed in good faith to complete all associated work (e.g., separation of the intrusion alarm/PA system for exclusive use spaces, re-keying, etc.), if any, at Budlong as soon as reasonably possible, Crete (on behalf of Charter School) agrees to waive all legal claims against the

District based on any potential failure to timely complete the work at least ten (10) working days before Charter School's first day of instruction. The District will make every reasonable attempt to work with Charter School so as not to interrupt Charter School's operations. Crete (on behalf Charter School) acknowledges, however, that executing all work necessary for Charter School may cause some disruptions and will work with the District to minimize such impacts.

3. Payment Obligations

This alternative agreement does not release, waive, or otherwise impact in any manner Crete's existing obligations (if any) (on behalf of Charter School) to pay the District any and all outstanding amounts due and owing or will become due and owing, for past, present, or future school years, for (a) the Pro Rata Share Charge, (b) Charter School's "after hours" use of District facilities, (c) Charter School's summer occupancy at District facilities (if any), (d) reimbursement obligations for over-allocated space (if any), and/or (e) any other payment obligations Charter School may incur (or have already incurred).

4. Collaboration with the District

As a material term of this alternative agreement, Charter School agrees to collaborate in good faith with the District, including, but not limited to, Charter Schools Division, Community Relations, Region South, Board offices, and District administrators, regarding community engagement/ outreach (such as attending and participating in community meetings) to address questions, concerns, and other issues related to the co-location throughout the term of Charter School's occupancy of the facilities at Budlong. In addition, Charter School's principal and/or designated representative agrees to meet with Budlong's principal and/or designated representative at least once per quarter, as facilitated by Region South, to mutually address issues related to the ongoing co-location and shared use of the Budlong facilities.

5. Reporting ADA

As an additional material term of this alternative agreement, Charter School agrees to comply with all applicable laws and regulations relating to Charter School's reporting of ADA data to the District for the 2023-24 school year. Charter School agrees to record and track student attendance, including Charter School's in-district and total ADA and in-district and total classroom ADA by school site (i.e., at Budlong, and any other location(s) at which Charter School will operate), and to maintain records documenting such data. Charter School agrees that, upon the District's request, it will report such data and provide supporting records to the District.

6. Reimbursement Obligations for Over-Allocated Space

Charter School remains subject to potential reimbursement obligations for over-allocated space in the 2023-24 school year pursuant to California Code of Regulations, title 5, section 11969.8. For purposes of determining whether space is considered to be over-allocated in accordance with California Code of Regulations, title 5, section 11969.8, and for purposes of determining whether fees may be assessed for facilities-related services due to resulting increased impacts and costs as stated in section 9 of

Exhibit C to the applicable Use Agreement, Charter School's projected in- district classroom ADA on which the facility allocation is based for the 2023-24 school year is as follows: 171.0. (Note: No in-district classroom ADA from any location(s) operated by Charter School other than Budlong shall be included when determining potential reimbursement obligations for over-allocated space.)

7. Dismissal, Waivers, and Releases

Within five (5) days of full execution of (a) this alternative agreement, and (b) an administrative amendment to the operative charter for Charter School as described in Section 10 hereinbelow, Crete (on behalf of Charter School), through its counsel, shall dismiss with prejudice the entirety of the pending action entitled, *Crete Academy v. Los Angeles Unified School District, et al.*, commenced by the filing a Verified Petition for Writ of Mandate and Complaint for Injunctive Relief on or about June 22, 2023, in Los Angeles County Superior Court (Case No. 23STCP02190) (the "Action"). Further, Crete (on behalf of Charter School) agrees to perform any and all other acts required by law to have its claims that are the subject of the Action dismissed with prejudice. Each party shall be solely responsible for its own attorneys' fees, costs and expenses incurred in any way related to the Action.

As a result of this alternative agreement, Crete (on behalf of Charter School) does not challenge the District's compliance with Proposition 39 for the 2023-24 school year. Crete (on behalf of Charter School) fully, finally, and without limitation, releases, waives, covenants not to sue, and forever discharges the District from any and all past, present, and future rights, claims, obligations, cross-claims, counter-claims, demands, liabilities, actions, causes of action whether in law or in equity, suits, rights of indemnity (legal and equitable), defenses, damages, losses, attorneys' fees, costs, expenses, consultant and expert fees, interest, penalties, and compensation, of whatever nature, known or unknown, fixed or contingent, suspected or unsuspected, that Crete and/or Charter School now have, or may ever have, against the District that arise out of, or are in any way related to, the District's Proposition 39 compliance for the 2023-24 school year or any previous school years, and the Action. Crete (on behalf of Charter School) acknowledges that it is aware of, and familiar with, section 1542 of the California Civil Code, which states: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party." With full awareness and understanding of this provision, Crete (on behalf of Charter School) waives and relinquishes any and all rights and benefits it may have under section 1542 of the California Civil Code, or common law principles to the same or similar effect. In connection with such waiver and relinquishment, Crete (on behalf of Charter School) hereby acknowledges that it may hereinafter discover claims or facts in addition to or different from those which it now knows and/or believes to exist with respect to the foregoing, but that it hereto intends to and hereby does fully, finally, and forever waive and release all of the disputes and differences against the District, whether known or unknown, suspected or unsuspected, fixed or contingent which concern, arise out of, or are in any way connected with the foregoing.

8. "One-Year Only" Arrangement

Crete (on behalf of Charter School) hereby acknowledges that Charter School's occupancy of the District's facilities identified herein for a portion of the 2023-24 school year does not create any obligation for the District to offer or allocate, or any expectation by Charter School to receive, any of

these same spaces for Charter School's use in subsequent school years. In other words, this is a "one-year only" arrangement for a portion of the 2023-24 school year.

9. Alternative Agreement Supersedes

This alternative agreement supersedes: (a) the District's March 31, 2023 Final Notification of Space Offered to Charter School pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (h); and (b) Charter School's written notification to the District whether or not it intends to occupy the offered space pursuant to California Code of Regulations, title 5, section 11969.9, subdivision (i) (if any), both of which are hereby null and void.

10. Administrative Amendment to Charter Petition

As a mandatory condition precedent to the effectiveness of this alternative agreement, Crete (on behalf of Charter School) and the District agree to fully execute, simultaneously with execution of this alternative agreement, an agreement to amend Charter School's operative charter to authorize Charter School to operate at MLK.

11. Expiration

PLEASE NOTE: This alternative agreement must be signed by an authorized representative of Crete on behalf of Charter School and **returned via email (prop39@lausd.net) to the District within three (3) days of this communication**. Failure to do so will automatically result in the District's withdrawal of its willingness to enter into this alternative agreement. Electronic signatures and/or signature pages transmitted by facsimile and/or electronic mail shall be treated as originals.

Please confirm Crete's acknowledgement, on behalf of Charter School, of the terms of this alternative agreement by signing in the space below and returning this document.

Sincerely,

Veronica R. Arreguin

Federal, State and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions

Dear Applicants:

On the following pages, you will find the "Federal, State, and District Required Language" ("FSDRL") that must be included in a comprehensive independent charter school petition.*****

Please follow the instructions below:

- ❒ Check the Charter Schools Division website (http://charterschools.lausd.net) to ensure that this document is the current version of the FSDRL, as it may be changed from time to time.

- ❒ Provide the "Assurances, Affirmations, and Declarations" page (the first two pages of the FSDRL) at the beginning of the petition, immediately after the table of contents.

- ❒ Place the FSDRL for each Element at the beginning of the Element under the Element heading. Use the Element headings provided in the FSDRL, including the statutory language for each Element.

- ❒ Highlight all FSDRL in gray, as shown here, to facilitate easy identification of the FSDRL within the petition. Do not highlight any other text in gray.

- ❒ On the "Assurances, Affirmations, and Declarations" page, replace "[Charter School]" with the name of the proposed charter school and replace "[short form of school name]" with an appropriate identifier.

- ❒ **Do not add, delete, or change any provision of the FSDRL other than the instruction above.**

- ❒ **Ensure that all other provisions in the charter petition do not duplicate and are otherwise consistent with the provisions of the FSDRL.**

***NOTE: Public School Choice (PSC) charter schools seeking renewal must include in their renewal petitions the PSC-specific version of the FSDRL. Other charter schools, such as conversion independent and non-classroom based charter schools, may be required to include context-specific FSDRL as well.**

Assurances, Affirmations, and Declarations

[Charter School] (also referred to herein as "[short form of school name]" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(e)(1).)

- Not charge tuition. (Ed. Code § 47605(e)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, including immigration status. (Ed. Code § 47605(e)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(e)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(e)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(e)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). Preferences shall not result in limiting enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation, and shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment. (Ed. Code § 47605(e)(2)(B).)

- Charter school shall not encourage a pupil currently attending the Charter School to disenroll from the Charter School or transfer to another school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in Education Code section 47605(e)(2)(B)(iii). (Ed. Code § 47605(e)(4).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(e)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(d)(1).)

- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(d)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "Federal, State and District Required Language" (FSDRL), including the *Assurances, Affirmations, and Declarations* section above. The FSDRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the FSDRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the FSDRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the FSDRL contained in the addendum, the provisions of the FSDRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." **(Ed. Code § 47605(c)(5)(A)(i).)**

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." **(Ed. Code § 47605(c)(5)(A)(ii).)**

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." **(Ed. Code § 47605(c)(5)(A)(iii).)**

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place

to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code section 47641(a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b). In this instance, Charter School will execute a MOU with LAUSD on provisions of special education as a member of a non-LAUSD SELPA.

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Use of District's Special EducationPolicies and Procedures and Data Systems

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of orders imposed upon the District pertaining to special education. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

All charter schools are required to interface with My Integrated Student Information System (MiSiS) via a web based Application Programming Interface (API). MiSiS is a suite of applications which is designed to capture all student data. .

Element 2 – Measurable Pupil Outcomes and Element 3 – Method by which Pupil Progress Toward Outcomes will be Measured

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all pupil subgroups served by the charter school, as that term is defined in subdivision (a) of Section 52052. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served by the charter school." **(Ed. Code § 47605(c)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(c)(5)(C).)**

(Ed. Code § 47605(c)(5)(O).)

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation

undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as

other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors:

    (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.

    (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising from the Facilities:

    (i) Pro Rata Share: The District shall collect, and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

    (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

    (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

    (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an

appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763.
