California *Education Code (EC)* sections 56195 et seq. and 56205

Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

The Norwalk-La Mirada USD SELPA is single district SELPA that covers the geographic area of Norwalk, La Mirada, and portions of Whittier, Santa Fe Springs and unincorporated Los Angeles County.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)]

Because Norwalk-La Mirada USD SELPA is a single district SELPA, the local governing school board is the sole decision-making body of the SELPA. Approval of the Local Plan, approval of the budget, and employment of SELPA employees are all under the purview of the Norwalk-La Mirada USD School Board. The Norwalk-La Mirada USD School Board is the AU of the SELPA and as such is responsible for approving the SELPA Local Plan, approving the Annual Service and Budget Plans, approving special education programs and monitoring compliance as required by law.

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan: [EC 56195.7(i)(j)(1)(2)]

Because Norwalk-La Mirada USD SELPA is a single district SELPA, it is responsible for implementing the services in the IEPs of students and those services that are provided for in the Annual Budget Plan. However, when Norwalk-La Mirada USD is unable to provide an appropriate program for an individual student, the district arranges for an appropriate placement, through an IEP team meeting with any other agencies as required to meet the unique needs of the student. Participating agencies may enter into agreements with the district in order to provide those services. Each agency will cooperate with other agencies, including

Section B: Governance and Administration

SELPA 1922 Norwalk-La Mirada USD SELPA

Fiscal Year 2024-25

Norwalk-La Mirada USD, in order to service individuals with disabilities who cannot be serviced through district programs. This cooperation ensures that a range of program options is available through the Norwalk-La Mirada USD SELPA.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan: [EC 56195.1(c); EC 56205(a)(12)(D)(i); EC 56195.5]

The county provides services to students with IEPs who are enrolled in county Community Day Schools, County Juvenile Schools and Adult Detention facilities as identified in the Annual Service Plan. In addition, the county provides Differentiated Assistance and certifies the Local Plan.

5. Does the SELPA have policies and procedures that allow for the participation of charter schools in the local plan? [EC 56207.5]

Yes

No

If No, explain why the SELPA does not have the policy and procedures.

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan: [EC 56194(a)(b)(d); EC 56195.9(a)]

The Norwalk-La Mirada USD SELPA has established a Community Advisory Committee (CAC) for special education. The district's CAC is composed of parents of students with disabilities enrolled in public or nonpublic schools within the Norwalk-La Mirada USD SELPA and may include students and adults with disabilities, teachers, special education service providers, and other school district personnel within the Norwalk-La Mirada USD SELPA.

7. Describe the SELPA's process for regular consultations regarding the plan development with representative of special education and regular education teachers, and administrators selected by the groups they represent and parent members of the CAC: [EC 56205(a)(12)(E); EC 56205(b)(7)]

Regular meeting will be held with the special education and general education teachers and administrators to consider the local plan requirements from CDE.

Section B: Governance and Administration

Fiscal Year 2024-25

8. Identify and describe the responsible local agency (RLA), Administrative Unit (AU), or other agency who is responsible for performing tasks such as the receipt and distribution of funds, provision of administrative support, and coordination and implementation of the plan: [EC 56836.01(a)(b); EC 56205(a)(12)(D)(ii); EC 56195(b)(3); EC 56030]

Because Norwalk-La Mirada USD SELPA is a single district SELPA, it is responsible for the receipt and distribution of all special education funds. The district is also responsible for the provision of administrative support and the coordination and implementation of the local plan. The Annual Budget Plan is reviewed by the governing board. As a single district SELPA, funds are not distributed to multiple districts, and all special education funds that are received are used to provide special education and related services to students within the Norwalk-La Mirada USD SELPA.

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan: [EC 56195.7. EC 56195.1(b)(c)]

In addition to providing a broad range of programs and services to students within the district attendance areas, the SELPA may provide for the education of individual students in special education programs maintained by other districts or county offices of education (LACOE, OCDE). The SELPA shall develop written agreements to be entered into by the entities providing services to students within the Norwalk-La Mirada USD SELPA. Each participating agency agrees to carry out the duties and responsibilities that are stated in the Memorandum of Understanding (MOU).

10. For multi-LEA local plans, specify:

11. Identify the respective roles of the RLA/AU, the SELPA administrator, and the individual LEAs associated with the SELPA related to:

- a. The hiring, supervision, evaluation, and discipline of the SELPA administrator and staff employed by the AU in support of the local plan: [EC 56205(a)(12)(D)(i)(I)]

The RLA/AU human resources department works in conjunction with the RLA/AU Superintendent in hiring the SELPA Administrator. The SELPA Administrator is subject to the RLA's policies and procedures for day-to-day operations and receives direction from the Superintendent. SELPA staff are employed by the RLA and supervised by the SELPA Administrator, following the policies and practices put into place by the RLA.

- b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA: [EC 56205(a)12(D) (ii)(II); EC 56195.7(i)]

Because the Norwalk-La Mirada USD SELPA is a single district SELPA, both federal and state funds shall be allocated for use within the NLMUSD special education programs. The SELPA Administrator is responsible to ensure that the funds are allocated appropriately for students with disabilities. Upon approval of the Annual Budget Plan, those documents shall be submitted to CDE.

- c. The operation of special education programs: [EC 56205(a)(12)(D)(ii)(III)]

The RLA/AU operates all of the special education programs within the Norwalk-La Mirada USD SELPA. The special administrators, including the SELPA Director, the director of special education, and other special education administrators, are responsible for the development and implementation of the special education programs within the district. Since there is only one LEA within the SELPA, that LEA is responsible for all the programs within the district.

- d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs: [EC 56205(a)(12)(D)(ii)(IV)]

The fiscal department, in conjunction with the SELPA Administrator, monitors the use of all special education funds that are allocated for special education programs. Funds allocated for

special education programs shall be used to provide services to students with disabilities. Funds may be used for the costs of special education and related services, as well as supplementary aids and services provided to students with disabilities in accordance with the IEP. The SELPA administrator is responsible to monitor the use of funds, along with the Annual Budget process, as required by CDE.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments: [EC 56206]

Specialized equipment and services will be distributed within the SELPA to the sites where students need the specialized services. There are no students in isolated sites within the SELPA. Specialized equipment allows for some students to be served in less restrictive environments as specified in their IEP. Low incidence funds provided by the State allow for the purchase of specialized books, materials, and equipment, which are necessary due to the adverse educational impact of a low incidence disability on access to instruction and learning in the least restrictive environment. Low incidence funding is intended to supplement and not supplant other available funding for books and materials.

"Low incidence disability" means a severely disabling condition with an expected incidence rate of less than one (1) percent of the total statewide enrollment in kindergarten through twelve grade. For purposes of this definition, severely disabling conditions are hearing impairments, vision impairments and severe orthopedic impairments, or any combination thereof. The SELPA is responsible for ensuring that each student who has been identified as a student with a "low incidence" disability, receives the required instructional support as indicated on the IEP. The SELPA Administrator is responsible for ensuring that all eligibility requirements are met prior to approving any expenditure of funds.

Policies, Procedures, and Programs

Pursuant to EC sections 56122 and 56205(a), the SELPA ensures conformity with Title 20 *United States Code (USC)* and in accordance with Title 34 *Code of Federal Regulations (CFR)* Section 300.201 and has in effect policies, procedures, and programs. For each of the following 23 areas, identify whether or not, each of the following provisions of law are adopted as stated. If the policy is not adopted as stated, briefly describe the SELPA's policy for the given area. In all cases, provide the SELPA policy and procedure numbers (If applicable.
