

Bridging Belonging: Inclusive School Culture *Community of Practice*

Facilitated By:

Kimberli Breen, MS, CAS, MA
Behavior Change Agent
Affecting Behavior Change, Inc.

Join us for this **Community of Practice** to share experiences and engage in ways to foster an inclusive mindset for **education specialists, general education teachers, and administrators.**

The goal of this CoP is to serve as a platform to support inclusive practices for students with **extensive support needs** through:

- Knowledge Sharing
- Expert Coaching
- Peer Discussions

For your convenience, the AM and PM sessions in the same month will cover the same content.
