INTRODUCTION

Aspire Public Schools ("Aspire") hereby respectfully submits this charter renewal on behalf of Aspire Antonio Maria Lugo Academy ("The Charter School").

Aspire Public Schools was founded in 1998 by experienced educators and entrepreneurs to enrich students' lives and to contribute to innovation in local public school systems. Aspire Public Schools currently operates charter schools at 40 different campuses in various school districts in the states of California and Tennessee. Aspire is a national non-profit 501(c)(3) public benefit corporation with a vision that every student is prepared to earn a college degree. Aspire Public Schools' mission is to open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

- Increase the academic performance of underserved students
- Develop effective educators
- Share successful practices with forward-thinking educators, and
- Catalyze change in public schools

The Charter School has been chartered in the LACOE ("District") under the auspices of Aspire since 2014.

The Charter School's present charter term is set to expire on June 30, 2019. The Charter School complies with the legal requirements for renewal as set forth in Education Code § 47607(b)(4) such that the academic performance of the charter school is at least equal to the academic performance of the public schools that the charter school pupils would otherwise have been required to attend, as well as the academic performance of the schools in the school district in which the charter school is located, taking into account the composition of the pupil population that is served at the charter school.

Also, per the California Charter Schools Association's (CCSA) accountability framework, the Charter School is above CCSA's minimum academic criteria and has met the academic threshold for CCSA's public advocacy support for renewal.

The Charter School has done a financial analysis and projections that support continued operation of a K-5 school in the District on a financially sound basis.

The Charter School is located at 6100 Carmelita Avenue, Huntington Park, CA 90255

In accordance with the Charter Schools Act of 1992, Aspire hereby respectfully petitions Los Angeles County Office of Education ("the District") to renew the charter for the Charter School for a five-year period, from July 1, 2019 to June 30, 2024.

The Charter Schools Act of 1992 states that:

It is the intent of the Legislature…to provide opportunities for teachers, parents, pupils, and community members to establish and maintain schools that operate independently from the existing school district structure, as a method to accomplish all of the following:

(a) Improve pupil learning.

(b) Increase learning opportunities for all pupils, with special emphasis on expanded learning experiences for pupils who are identified as academically low achieving.

(c) Encourage the use of different and innovative teaching methods.

(d) Create new professional opportunities for teachers, including the opportunity to be responsible for the learning program at The Charter School site.

(e) Provide parents and pupils with expanded choices in the types of educational opportunities that are available within the public school system.

(f) Hold The Charter Schools established under this part accountable for meeting measurable pupil outcomes, and provide The Charter Schools with a method to change from rule-based to performance-based accountability systems.

(g) Provide vigorous competition within the public school system to stimulate continual improvements in all public schools.

- California Education Code Section 47601(a)-(g)

The Charter School has made and will continue to make important contributions to the legislative goals outlined above. By granting this renewal, the District will help fulfill the intent of the Charter Schools Act of 1992 ("Charter Schools Act"), while providing students in the District with a small school option.

PETITION ELEMENTS

Element 1 - The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." (Ed. Code § 47605(b)(5)(A)(i).)

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." (Ed. Code § 47605(b)(5)(A)(ii).)

Community Need for Charter School

The Charter School provides a high performing educational alternative for families in the Huntington Park area by ensuring the following:

1. Quality education supported by high standards for all students
2. Focus on meeting the needs of children and helping them succeed, no matter what it takes
3. Caring environment and trust building in the community through a social emotional learning (SEL) focus and restorative practices and partnerships with parents

The Charter School seeks to ensure that all students have the skills and experiences that prepare them to earn a college degree, and this vision is designed especially for our students who are from underrepresented populations and communities like Huntington Park. Specific elements of the program that are designed for our community include:

College for Certain- This vision is pervasive throughout the school, with a special college display in every classroom as well as college cheers, banners, and college names for classes. This sends a clear message that no matter what your ethnicity, your economic status, or your home language, the expectations for college-going are for ALL Aspire students.

Communication Skills- The education program has been redesigned to emphasize and reinforce reading and writing, especially for English Learners, as well as problem solving and hands on science using CA CCSS aligned programs such as Eureka Math as well as EL Achieve and Readers/Writers' Workshop.

Social Emotional Learning- Because urban children in poverty often have experienced trauma, there are also Social/Emotional Learning (SEL), health education, parent education, and mental health counseling (and referrals to other agencies) to provide comprehensive services for students and their families.

Restorative Practices- Aspire is guided by a powerful equity belief statement, and the Charter School focuses on restorative rather than punitive approaches to behavior. This includes an expectation of Culturally Responsive Teaching and creative, meaningful alternatives to suspension. Students need to be in school, and every effort is made to involve the teachers, staff, parents, and students in creating a positive, nurturing environment where students want to be every day.

Access to Technology-The Charter School is deeply committed to closing racial achievement gaps and eliminating the digital divide where impoverished youth have less access to computers and the internet. The Charter School offers student devices (typically Chromebooks) to students and incorporates blended/personalized learning into the curriculum every day so that all students make use of the digital tools and resources available to them. This only allows for greater individualization, useful preparation for state testing, and 21st Century Learning and careers.

Growth Mindset- The transition to the California Common Core State Standards was challenging for Aspire. This challenge has demanded that we significantly improve the quality of the educational program in order to bridge the gap between a more traditional curriculum and the new, more rigorous Common Core State Standards, and innovative 21st Century Skills development. The Charter School must especially strive to continue to improve its support of subgroups so that their achievement reflects the Aspire College for Certain mission. This has led to intensified ELD, increased opportunities to build reading and writing competency, implementation of a new math program in 2017-2018 which is highly aligned to CCSS, and integration of the arts into the curriculum as a way to reinforce and integrate all learning.

Catalyze Change- One of the key elements of Aspire is to catalyze change within communities; and in Huntington Park, where, traditionally, students have underperformed and had less access to high performing schools, it is expected that the innovative academic program, the intense scrutiny and accountability, and the caring equity-focused environment will serve to encourage change in other area schools by providing a very visible, viable, and meaningful educational experience that changes the odds for students through high school and beyond. In fact, it is hoped that there is a ripple effect throughout Huntington Park, with the Charter School being an example of “best-practices” of all aspects of an excellent education, including curriculum, staffing, and teacher development.

Parent Involvement- This is also an essential element in the Charter School community, and parents are encouraged to volunteer, visit, and communicate regularly with the school in order to form a mutually beneficial partnership for the students’ success. **Parent volunteering is not a condition of admission and/or continued enrollment**, but the school welcomes parents to morning meetings, assemblies, open houses, parent education nights, volunteer

opportunities, field trips, Coffees with the Principal, School Site Council, and ELAC meetings. The School prides itself is in its unique opportunities for parent participation. Parents are asked to consider volunteering 30 hours of service to the school, and there are a variety of ways that parents can do this each year. Some of these are listed below:

- Participating in the School Site Council or English Learner Advisory Council
- Attending a parent workshop; topics could include sessions on math, technology, bullying, college prep, etc.
- Attending special events, such as family barbeques, clean up Saturdays, family math or reading nights, fall or spring festivals, etc.
- Participating in specials committees or clubs reflecting parent interests, such as book club, fundraising, etc.
- Assisting with student programs, such as our service events, chaperoning field trips, or helping set up classroom libraries

Communication is the key to a strong partnership, and all parents receive regular newsletters, robo-calls, messages through an online two-way communication platform called ParentSquare, and annual opportunities to respond to formal school surveys. The Charter School continues to strengthen the involvement of parents by improving the approach to School Site Council and ELAC, with a Parent Coordinator whose job it is to bring parents and their voices into every aspect of the school. The Huntington Park community is proud of the Charter School and the vision of "College for Certain," and it has repeatedly expressed appreciation through very positive annual parent surveys, long wait lists, and strong support for the Charter School's leadership, proven results, instructional model, team approach to learning, and dedication to excellence and improvement.

The Charter School has increased enrollment and decreased the percentage of truancy, while maintaining an outstanding Average Daily Attendance.

The Charter School's Mission

The Charter School's mission is to provide all students with an exceptional education that allows them to excel inside and outside the classroom. The Charter School seeks to achieve this mission by offering students a rigorous core curriculum, an outstanding staff, high standards and expectations, extended instructional hours, and personalized learning opportunities. The Charter School strives to ensure that students are prepared for college and for the 21st Century world and workplace by helping them develop important basic skills, thinking skills, and life skills.

Student Population to be Served

The Charter School currently serves approximately 400 students in grades K-5. A summary of historical enrollment and demographics can be found in Appendix I.

According to demographic data compiled by the California Department of Education ("CDE"), the County enrolled 1,492,652 students in 2017-18. Of these students, African Americans constitute 7.5% of the students, American Indians 0.2%, Asians 7.7%, Filipinos 2.2%, Hispanics 64.9%, Pacific Islanders 0.3% and Whites 14.1%. During the 2017-18 school year, students who spoke English as a second language made up 20.5% of the County's student body. The Charter School seeks to enroll a diverse population of students that reflects these demographics. An analysis of similar schools can be found in Appendix II.

The Charter School's educational program is based on the instructional needs of our target student profile. Aspire targets the following students:

- Students who are not currently successful in their current core academic subjects;
- Students whose academic or English language learning needs necessitate a small school environment with personalized attention;
- Students whose academic or English language learning needs are not being met in a traditional school environment;
- Students who live in low-income neighborhoods; and
- Students whose racial and ethnic diversity represents their respective communities.

In education, one size does not fit all and The Charter School is dedicated to providing students and families throughout the State of California with a small school option that can meet their unique needs.

The Educated Person in the 21st Century

The Charter School recognizes that to be an Educated Person in the 21st century, our students need to have a foundation of knowledge and skills to access this world of ideas, as well as the ability to analyze information, ask good questions and innovate new ideas, and express themselves thoughtfully. They must also have habits of mind that include self-motivation, intellectual curiosity, analytic ability, creative thinking, moral reasoning, self-confidence, and empathic action. Thus equipped, students will excel in college and become engaged and empowered citizens in their community and beyond.

How Learning Best Occurs

The Charter School's educational program is designed to give students the content knowledge and habits of mind necessary to face the challenges of the 21st century. The California Common Core State Standards ("CCSS") drive the instruction of all Aspire charter schools by providing the road map of what students need to know.

In order to prepare students to succeed in college, The Charter School's educational program has drawn on the Center for Educational Policy Research's study *Standards for Success*. This research gathered information about the required skills to succeed in college from more than 400 staff and faculty members at research universities. It states that college students need "critical thinking, analytic thinking and problem solving; an inquisitive nature and interest in taking advantage of what a research university has to offer; the willingness to accept critical feedback and to adjust based on such feedback; openness to possible failures from time to time; and the ability and desire to cope with frustrating and ambiguous learning tasks." Aspire has interwoven these habits into its core curriculum, which The Charter School follows. With the adoption of the CCSS, The Charter School program is more tightly aligned to our college readiness goal.

Additionally, Aspire has built a College For Certain® culture. Beginning in kindergarten, students are informed and inspired to succeed in high school and attend college. Classrooms are named after universities with the year the class will graduate from college above the door. Teachers and principals proudly share their college going experiences, diplomas and challenges.

Through Aspire's schools, students are given the will, the skills and the habits of mind to attend college and succeed in life by becoming self-motivated, competent, and lifelong learners.

The Charter School's Program Design Elements

The Charter School is designed to incorporate numerous research-based and proven program elements that are innovative, thoughtfully implemented, and results driven, especially for the underserved student population of the Charter School. Aspire Public Schools addresses best practices in order to achieve the vision of College For Certain. These best practices (described in the following sections) include the following:

1. Building school communities where students and families are connected and teachers know their students well in order to meet their individual needs.
2. Providing more learning time per day and per year in order to maximize learning time and address all elements of the Common Core State Standards. This includes increased time for core subjects.
3. Instructional Design which is Common Core aligned and which uses strategies, curriculum, and materials that ensure that student learning is personalized, monitored frequently, and leads to the wide ranging skills for 21st Century Learners.
4. Instructional program based on the Instructional Pyramid (see below) so that all areas of well-aligned content areas (ELA, Math, Science, etc.) are addressed: Vision, College Ready Metrics, Student Habits and Competencies, Standards, Teacher and Leader Practices/Development, Content and Curriculum, Assessment Model, Data System, and Multi-Tiered Support System.
5. Social Emotional Learning and Culturally Responsive Teaching in order to powerfully support our students' social and emotional development and academic engagement to be caring and productive citizens.

Community

Aspire schools are broken into divisions and small classes to create a community where each student is known personally.

- *Small Schools:* Students are more likely to succeed in small schools, where teachers and the principal know each family well. Students and their needs are not lost in the crowd. Target enrollment is 400 students.

- *Small Class Sizes:* In smaller classes, teachers can give each individual student the time and individual attention necessary to realize his or her personal academic goals. Aspire strives to maintain 25:1 in grades TK-3 and 30:1 ratio in grades four through twelve.

Learning Time

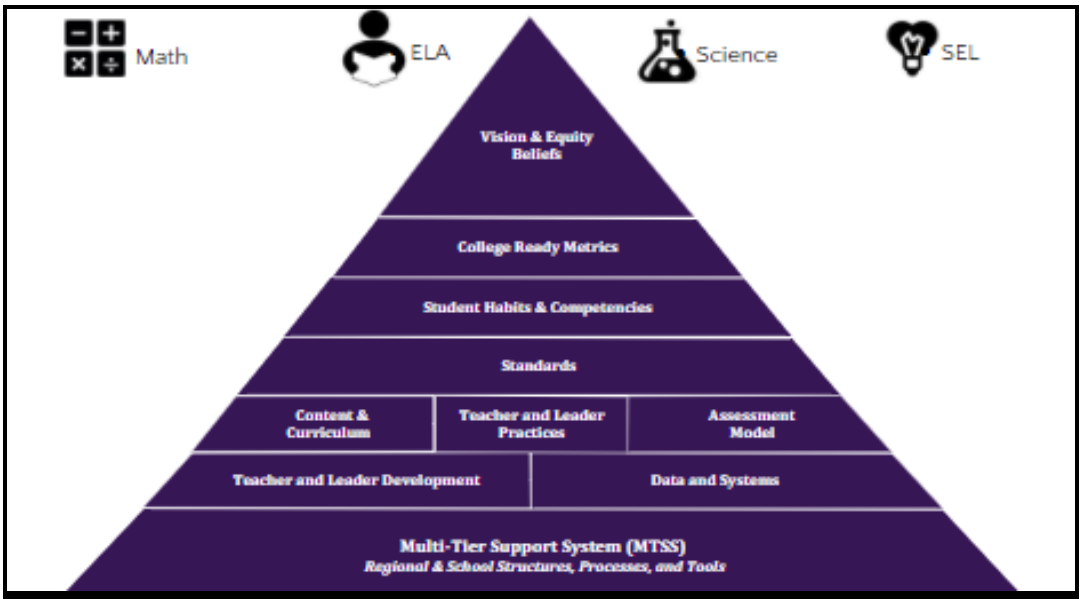

The Charter School provides roughly 10-15% more learning time for students than traditional public schools, and uses time more effectively during the year and day to maximize in-depth learning.

- *Longer School Day:* Students learn more when they are given more time to learn each day. With more time, teachers can create more effective projects to build higher order thinking skills. The Charter School has, on average, a 7.5 hour school day for grades 1-12, and at least a 5-hour school day for TK and kindergarten. In other words, Aspire students receive about one hour more instruction each day than students in traditional public schools. A sample school bell schedule is attached in Appendix III.
- *Longer School Year:* The Charter School provides approximately 180 days of instruction, which is more than most traditional public schools. Often there is additional instruction offered during holiday breaks. Some of these additional days are on Saturday, when families can attend class with their children. A sample school calendar is attached in Appendix IV.

- *Modified Traditional Calendar:* The Charter School uses a modified traditional calendar (shorter summer break) to decrease the loss of learning during extended breaks.

Instructional Design

All educators at Aspire Public Schools use a variety of pedagogical strategies to ensure all students learn and grow continuously. Strategies are selected based on the teacher's knowledge of how students best learn different topics, and are usually used in combination. The Charter School's Instructional Practices for math, English Language Arts, science and humanities provide guidance for the frequency and purpose for each type of instruction. These strategies are well-aligned to the deep understanding required by the Common Core State Standards and the Aspire Student Learning Rubric. The Charter School's instructional methods are periodically revised to reflect what is being learned through implementation of the CCSS and the evolution of Aspire's instructional program. (See Aspire Instructional Program Pyramid below).

The Charter School's Assessment Framework can be found on Appendix V.

Teaching Methods
The major strategies used include:

- *Explicit Instruction:* in this traditional form of teaching, the teacher presents the lesson, which includes: a purpose; specific instructions; modeling; guided practice; and checking for understanding. At the conclusion, students individually demonstrate their new skills or knowledge.

- *Massed and Distributed Practice:* this retention strategy provides students with many opportunities to practice new skills upon initial learning. Practice is then distributed over the course of many months to increase the retention of previously learned skills and knowledge.

- *Problem Solving:* this method provides students with a step-by-step process for determining the solution.

- *Inquiry:* in this process, students are presented with a problem or question, and formulate and test theories to work towards a solution.

- *Culturally appropriate curriculum and instruction*: A multicultural curriculum and culturally relevant pedagogy will enable students to appreciate and respect their own and each other's heritages and to develop an understanding of multiple perspectives. Culturally Responsive Teaching (CRT) and Culturally Relative Pedagogy (CRP) are two tenants of the The Charter School's program. The Charter School's teacher effectiveness framework includes a section on cultural relevance as an expectation in the classroom.

This includes knowing and considering the backgrounds of students when planning and delivering lessons. Teachers are urged to select culturally sensitive and relevant materials, such as literature, when planning units. The Charter School disaggregates achievement data for the subgroups served and determine if our practices are effective for each group based on their outcomes. As an organization when we adopted units of study for CCSS we replaced texts to be more diverse and appealing to a broader demographic. Further, The Charter School has an equity belief statement which specifically calls out culturally relevant teaching as a value in all Aspire Public Schools' schools.

- *Flexible supports*: Many supports will be provided within the classroom, The Charter School and community. For example, pedagogical support might include literacy support, tutoring across subject areas, and second language learning supports. The Charter School utilizes flexible groupings in the classroom to target leveled materials based on students' needs, for example small reading groups. Teachers will also pull small groups of students to the U-Table for additional support when a gap in understanding is observed on a particular standard. The Dean of Instruction or para-professionals come to classrooms to pull or work with small groups of students needing more intensive support. Computerized interventions such as Lexia are employed to fill gaps based on diagnostic assessments. Students may also visit the learning center during or after school for targeted interventions based on need. Finally, both students identified with IEPs or those with severe academic gaps may work on modified assignments to fill gaps with the Education Specialist.

- *Diagnostic assessment*: Teachers use a wide range of diagnostic assessments to evaluate how students are learning as well as what they are learning. These assessments will inform decisions about the curriculum and teaching strategies as well as individual supports for students. There are a variety of local assessments used for diagnostic purposes. STAR REN is a digital reading assessment done quarterly to identify progress towards grade level reading. The Lexile levels obtained are used for reading groups and assigning leveled readers. IReady is a digital assessment that finds standards gaps in both math and ELA to determine what practices on the computer can fill these gaps. Zearn and the Aspire Math Interim Assessments are generated to monitor progress on the Eureka math curriculum. The data collected inform small group instruction and also the lessons needing whole class reteach. Finally the ELPAC will be used to assess English Language Learners to determine their English Language Development progress.

- Authentic experiences: In the early elementary grades at The Charter School, students learn literacy skills through authentic reading and writing experiences, including shared reading, guided reading, independent reading, shared writing, interactive writing, writing workshops and independent writing. In the upper elementary grades at The Charter School, students focus on "reading to learn," through reciprocal teaching, close reading, literature circles, and the use of both non-fiction books and classic literature. Students also learn by applying the scientific method to hands-on experiments and by interacting with others on community issues.

Curriculum

The Charter School uses a combination of adopted programs and curriculum developed in-house to meet The Charter School's standards and build basic skills, higher-order thinking skills, and life-skills. The curriculum is clearly articulated as a K-12 system and based on the CCSS. All elements of the curriculum are research-based and have been proven effective in schools.

- *English Language Arts:*The Charter School Elementary ELA program is designed to reflect the ELA Common Core State Standards, specifically:

1. Increased Rigor/Text Complexity: Emphasis on supporting students in being able to work with increasingly more complex texts enhanced through strategic school action plan and training of lead teachers, deans, and ADMIN in partnership with UnBoundED: Standards Institute
2. Nonfiction & Informational Text: A heavy focus on nonfiction, with informational texts used routinely to increase reading comprehension
3. Writing: Emphasis on written expression, in particular, across the curriculum and for various purposes and audiences grounded in cited evidence
4. Content literacy: Development of literacy skills across all content domains
5. Vocabulary: Focus on both general academic vocabulary and domain-specific vocabulary, especial for English Learners
6. Independent reading: Opportunities for choice and time to become lifelong lovers of reading
7. Reading, writing, speaking and listening skills- Integrating all lessons to teach, practice, and reinforce all four communication skills through school-wide GLAD strategies evident in all classrooms

With these design elements in mind, teachers choose ELA materials and plan with the following guidance on the standards:

- Phonemic awareness and phonics
- Balance of literacy and informational texts
- Emphasis on text complexity, core texts, and text evidence
- Strategic academic vocabulary
- Integration of history/social studies, science and media/technology
- Emphasis on multiple texts and critical/evaluative reading

The Charter School classroom is a language rich environment, maximizing instructional time, deeper order thinking, and powerful student engagement. When students are learning to read, instruction focuses on skill building and comprehension. Writing is integrated throughout the learning process and technology is used extensively.

Integrated ELD: All teachers use an ELD standard from Part I and Part II of the California Department of Education English Language Development Standards for their Grade Levels in tandem with the content standard that they are addressing. Teachers also create a language objective that addresses the function that they expect their students practice during structured student interactions. In addition to conducting formative assessments throughout the lesson for content, teachers also assess and give feedback to ELs about their language use within a specific content area. Integrated ELD is supported with specifically chosen GLAD strategies that will provide a vehicle for structured student interactions.

Designated ELD: Teachers use the Systematic ELD Units from EL Achieve to deliver designated ELD instruction. The purpose of this time is language learning. The units, however, support content instruction (science, health, social science, and visual and performing arts) and students are learning language through topics that support instruction throughout the day. Instruction is backward mapped from weekly language goals and designed to teach high-leverage language students need to develop English language proficiency. There are six themes for the following grade spans: Kindergarten, 1-2, 3-4, and 5-6 for three proficiency levels: Beginning, Intermediate, and Advanced. Units are aligned to Common Core Reading, Language, Speaking and Listening, and Writing Standards. Students are grouped by proficiency level and may switch classrooms within the appropriate grade span during a regular block of time in order to receive ELD instruction at their targeted proficiency level. Assessments are built into the units and teachers continue to collaborate with each other in order to share the progress of their English Learners.

- *Social Science:* The Charter School's history and social studies curriculum ensures that students are historically literate (including culture, geography, politics, economics, and ethics) and become active, informed citizens (including U.S. policy and effective research techniques). Students apply historical, political, philosophical, geographical, economic and sociological knowledge to local and global situations in order to comprehend contexts and events, predict and evaluate the outcomes of human actions, and act responsibly as world citizens. Even at a very young age, students learn to apply chronological, thematic and integrative thinking, develop and test hypotheses about cause and effect, gather evidence to support conclusions, use methods of historiography, conduct in-depth and relevant research, critically examine sources, and synthesize ideas. Materials at both the elementary and secondary level include primary sources, historical literature, History Alive!, and a variety of non-fiction texts as recommended by the CCSS.

Throughout the K-12 instructional program, social science and English Language Arts are interwoven. The stories and facts in history are the vehicles for instructing students to read and write.

- *Math:*

The Charter School's Math Program is guided by the following Vision: *All Aspire scholars have the right and ability to become confident, independent mathematical thinkers and problem solvers. It is our collective responsibility to provide a program of math instruction that will*

prepare students for college, and career, and empower them with the knowledge and skills needed to use math to tackle problems that matter to them in their lives and communities.

The program is designed to reflect the Math Common Core State Standards, specifically:

- Shifting from mile-wide, inch-deep curriculum: Deep understanding of the most critical key topics at each grade level
- Coherent progression: Mastery of these key grade level topics through coherent progressions across grade levels
- Conceptual understanding and procedural fluency: Balance between building conceptual understanding while increasing procedural fluency
- Foster reasoning and sense-making in mathematics: Critical-thinking and problem-solving skills students need to be successful 21st century thinkers

With these design elements in mind, teachers choose math materials and plan with the following guidance on the standards:

1. Focus and coherence: Key topics at each grade level and coherent progressions across grade levels
2. Balance of concepts and skills: Required both conceptual understanding and procedural fluency
3. Mathematical practices: Reasoning and sense-making in mathematics are fostered consistently
4. College and career readiness: Progression of rigorous skills building at every grade level

The Charter School students apply mathematical concepts and processes, including number systems, operations, graphics and logic, in order to problem-solve within and outside of mathematics. Students demonstrate facility with the language of mathematics and express generalizations discovered through investigation. Students are expected to be competent in symbolic reasoning and in constructing logical arguments.

A key tool in mathematics instruction is the CCSS-based software program Illuminate. Illuminate creates, scores and reports CCSS-based assessments. Aspire uses these assessments as both benchmark exams and formative assessments. The Illuminate reports in all subjects inform the teacher on whether the students have mastered a standard or need further instruction.

The Charter School math classroom is marked by a focus on the Standards for Mathematical Practice and the Standards by Domain with a balanced approach provides both the conceptual understanding of math and the skills to solve problems. The Charter School has intensive math time in the daily schedule, and teachers weave the Eureka Math Program (grades TK-5) which is powerfully aligned with CCSS, into other content areas.

- *Science:* Through the implementation of the Next Generation Science Standards (NGSS) students demonstrate understanding of scientific concepts and ideas through real-world applications. Students utilize scientific research and inquiry methods to conduct

investigations and problem-solve. They apply conceptual knowledge and processes from the major branches of science (biology, chemistry, the earth sciences and physics) in order to further the study of science and relate the study of science to other disciplines. The Charter School uses a variety of curriculum materials and the state adopted textbooks may be supplemented with AIMS, Core Knowledge Units, STEMScopes, scientific readings and local scientific resources such as guest speakers, field trips, and presentations.

Other subjects essential to a healthy and balanced life are also taught in a variety of ways:

- *Social Emotional Learning (SEL):*

Aspire Social and Emotional Learning Vision Statement

The Charter School is committed to **supporting our students' social and emotional development** to be caring and productive citizens. We engage in **culturally responsive and equitable practices** in our communities of students, families, and teammates to cultivate the following lifelong skills in each Aspire scholar and educator:

- Managing emotions and behaviors
- Feeling and expressing empathy and compassion for others
- Making responsible decisions
- Setting and achieving positive goals

SEL competencies are taught throughout the school day and during special SEL blocks of time that features the use of circles for relationship and group identity building as well as for restoration of community. Paths curriculum is being implemented this year with the purpose of developing self-awareness, empathy, and strategies for managing emotions and conflict. In addition, smaller groups are organized for 6-8 week blocks to support students with more intense, Tier 2/3 SEL needs such as healthy social relationships, anger management and coping with grief.

- *Visual and Performing Arts:* Appreciation and participation in the fine and performing arts are essential to each student's development. Emphasizing creativity and self-expression, the arts are integrated into the instructional program in order to inspire students, help concepts and information come to life, support multiple intelligences and experiential learning, and ensure cultural literacy. Visiting artists, field trips, after school classes, parent docents, and partnerships with arts-focused organizations like Inner City Arts also provide important programs in the arts. Music is also a regular part of the instructional program every student.

- *Health:* Students develop an understanding of the importance of health and nutrition through classroom instruction, selected special programs, collaborations with local

health agencies, and assemblies Health instruction follows the California Health Framework and the California Healthy Youth Act.

- Physical Education: The Aspire Elementary Physical Education program is designed to help students develop cardiovascular fitness and participate in movement activities that contribute to balance, coordination, and agility. The PE program also promotes physical and emotional health through activities and instruction focused on building muscles, eating right, and mental alertness, as well as opportunities for teamwork, cooperation, and creativity through physical activity. Students are introduced to dance, basketball, handball, soccer, running, yoga, cardio-vascular exercises, playground games (such as Four Square), and some net games. Recess time and lunch play time also reinforce the skills, activities, and games which are learned during PE class.

Interventions and Enrichment

The Charter School instructional program is designed with the understanding that not all students learn at the same pace in the same way; therefore, all available data drives the teacher's response to the individual student's learning needs. The Response to Intervention Program is used at the Charter School, in order to provide early, systematic, and appropriately intensive assistance to children who are at risk for or already underperforming as compared to appropriate grade level standards. The most important element of RtI is a tiered approach to progress monitoring in order to assess how students are doing and the effectiveness of the curriculum, as follows.

- **Tier 1** is at the classroom instruction level, ensuring that teachers are differentiating the instruction in order to understand each student's strengths and weaknesses. This could mean individual assistance, small group review, and personalized courseware experiences.
- **Tier 2** adds supplemental interventions that can happen in or outside of the regular classroom and occurs more frequently. Targeting instructional needs like this may often happen with a specialized teacher or instructional assistant.
- **Tier 3** interventions are designed for students who require more intense, explicit and individualized instruction and have not shown sufficient response to Tier 1 and Tier 2 interventions. As expected, this type of intervention is intense and typically delivered for a minimum of two 30-minute sessions every week for nine to twelve weeks, with specialized materials and approaches.

All teachers at the Charter School receive professional development on intervention strategies, especially those tailored to the specific needs of English Learners and/or students of underserved populations. The tiered approach to intervention moves quickly and must be efficient enough to give students the support they need and deserve just in time. If Tier 3 assistance is still unsuccessful, the teacher works with the Principal and Leadership Team to move forward with the SST process to determine next steps

Assessment

At Aspire Public Schools, assessment is a critical tool for observing individual student progress, determining the efficacy of individual teachers, and evaluating the success of the program as a whole. Multiple assessments are used because no single assessment provides sufficient information on students' learning regarding all three outcomes. Aspire students are assessed through:

- All standardized and CCSS-based tests required for traditional public schools that are mandated in the California Education Code including, but not limited to, Smarter Balanced Assessment Consortium assessment, ELPAC and Physical Fitness Test;

- Other nationally recognized norm-referenced and/or developmentally based tests (e.g. STAR Renaissance Reading Assessment, Fountas and Pinnell reading benchmarks and running records)

- Specialized assessments developed by Aspire for all areas of the academic core (e.g. Project Rubrics, Performance Tasks);

- Day-to-day assessments related to specific content or skills

- Qualitative observations of the process of learning (teachers' anecdotal notes, reflection logs, internship mentor reports); and

Technology as a Tool

At The Charter School , technology is used as a tool for research, communication, and production—just as it is in everyday life. Each school in the Aspire network has a combination of laptops and Chromebooks, usually at 1:1 or 2:1 student to computer ratio. Students exercise their higher-order thinking skills through simulations and presentations, their communication and production skills through electronic mail and publishing, and their research skills through use of electronic references, including the Internet.

Technology is also used as a tool to provide students with additional opportunities for individualized learning at The Charter School. Aspire believes in classroom structures that enable small group and one-on-one instruction. Blended learning empowers teachers to deliver the individualized instruction that underserved students need to catch up and accelerate the students who have mastered the content. With some students solidifying skills on computers, teachers can work with smaller groups of students, meeting them within their zone of proximal development with the lessons they most need that day. Aspire uses effective software that is Common Core aligned and generates data to inform teachers' instruction, addressed bandwidth issues, and developed professional development to support teachers in moving to this new model. Aspire has also codified best practices around using technology for differentiation in

classrooms, and has successfully helped teachers transition to a model that individualizes learning for students.

Students follow individualized learning paths on computers as part of their core instruction. This model creates a structure that supports more targeted small group instruction in the classroom and helps hone students' digital literacy skills. The School also employs an Education Technology Specialist that not only works with students on learning software, but is also working with staff and students to integrate robotics and digital creative expression into the student experience at the School.

SUPPORT FOR ALL STUDENTS

Effective Teachers

At the center of the educational program are the teachers. The faculty consists of well-prepared and certified teachers. All core teachers and paraprofessionals meet the requirements of the Elementary and Secondary Education Act. Professional development and teacher collaboration is scheduled on a regular and ongoing basis to support teachers throughout their career. In establishing a professional teaching environment, Aspire ensures collaborative planning time for teachers to design student focused curriculum, pedagogy and assessment through which students can make connections, deepen their understanding of concepts and achieve at high levels.

Schoolwide Professional Development

Professional development can be divided into the following major approaches:

- New Teacher Institute over the summer for all teachers new to Aspire
- Summer Training for all teachers and staff
- Friday afternoons (early dismissal)
- PLCs: Focused on culture, equity, and tiered behavior supports every 5-6 weeks (Dean, counselor, SPED, and grade level teams)

Professional development is devoted to achieving LCAP goals, especially to execute a high quality instructional program and provide educational options to ensure every student graduates college ready and the measurable outcomes tied to its achievement.

Support for English Learners

Overview

The Charter School assures equity in access to a rigorous standards-based, college preparatory curricula for English Learners (ELs). Aspire defines an equitable educational system as the following:

- Opportunity for ELs to receive instruction that produces high academic achievement;
- Commitment to student achievement through allocating sufficient resources;
- Participation, representation and advancement of diverse student groups;
- Teaching and learning is implemented in a culturally relevant manner;

The Charter School meets all applicable legal requirements for English Learners as it pertains to annual notification to parents, student identification, placement, English Learner and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. Aspire implements policies to assure proper placement, evaluation, and communication regarding EL's and the rights of students and parents. Our goal for our English Learner program is to create college ready students who are proficient in English and capitalize on students' multilingual and multicultural proficiencies.

The Charter School administers the English Language Proficiency Assessment for California (ELPAC). The Charter School's program for English Learners is research-based, supported by budget resources and professional development and evaluated regularly for efficiency and needed improvements. Aspire's EL Master Plan can be found in Appendix VI.

Home Language Survey

The School administers the home language survey upon a student's initial enrollment into the School (on registration forms). Students in the country less than twelve months are given the state's Designated Primary Language Test (currently the Aprenda and Standards-Based Tests in Spanish or student's first language) to determine the student's academic proficiency when tested in his/her home language.

ELPAC Testing

All students who indicate that their home language is a language other than English go through the following:

- The student is given the English Language Proficiency Assessment for California (ELPAC) or the current California language assessment and tested within thirty days of initial

enrollment and at least annually thereafter between July 1 and October 31 until re-designated as fluent English proficient.

- Aspire notifies all parents of its responsibility for ELPAC testing and of ELPAC results within thirty days of receiving results from publisher. The ELPAC shall be used to fulfill the requirements under the Every Student Succeeds Act for annual English proficiency testing.
- As soon as the ELPAC data is received from the state, the data is imported into Aspire's Data Portal. The sample report below guides the placement and instruction of all English Learners, as well as inform professional development for all staff.

Redesignation Procedures

Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following:

Redesignation Procedures & Reclassification (Exit) Criteria

Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following

State Criteria	'18-'19 Aspire Policy
Assessment of English Language Proficiency	**Using ELPAC:** 1. Overall score of Level 3 (or higher) 2. Oral Language score and Written Language score of Level 3 (or higher)
Teacher Evaluation	Teacher (ELA teacher in upper grades), agrees the student should be reclassified based on classroom evidence of academic performance
Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified
Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	Scored at or above on one of the following academic indicators (see table here for academic indicator cut points by grade): 1. Nearly Met level (Level 2) or higher on the ELA SBAC. 2. Nearly Met level (Level 2) or higher on the ELA ICA 3. One level below DRA/F&P independent grade level cut off. For K-1 EOY DRA, kinders and 1st graders can be 2 levels below (scoring 2 and 12 and above, respectively). 4. Below Grade Level on STAR Ren (Grades 2-12) or lexile of -104 for K and 1

After receiving the ELPAC results each year, the Data & Assessment team at Home Office generates a list of possible students for redesignation based on these criteria. Parents are notified by school sites and given the option to review and express an opinion on redesignation.

After a student is redesignated to RFEP, student achievement is reviewed by the Response to Intervention team every six to eight weeks. Formal assessments happen each year with a review of the student achievement of reclassified students. Reclassified students must be monitored for continued progress for 4 years.

Assessment of English Learners with Disabilities

Students with disabilities participate in the state assessments for English Language proficiency as determined by their IEP team. IEP teams consider whether a student requires accommodations to participate in the statewide assessment, and specify which accommodations the student needs. If the team determines the statewide assessment is not appropriate for the student based on their individual needs and disability, the student participates in an alternate assessment to assess their English language proficiency. IEP teams use the participation criteria for alternate assessments provided by the California Department of Education to guide their decision making for participation in alternate assessments for individual students.

Reclassifying English Learners with Disabilities

A student with a disability may be reclassified as English proficient according to criteria for students with disabilities. If an IEP team identifies that an alternate assessment is appropriate for a student, their performance on the alternate assessment is used as a measure of their English language proficiency in place of the statewide assessment to determine reclassification. IEP teams, which include the parent, determine whether a student has met the criteria for reclassification as identified by the LEA, with consideration of alternate assessments as a means to determine language proficiency and basic skills.

State Criteria	'18-'19 Aspire Policy
Assessment of English Language Proficiency (ELPAC Test Results)	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. Home Office Recommendation: Score at Somewhat Developed (Level 2) Overall (to be modified by IEP teams based on student's disability)
Teacher Evaluation	Ed Specialist and ELA/ELD teacher agrees the student should be reclassified based on classroom evidence of academic performance
Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified

Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. The range of criteria offered below aims to give students with disabilities several options for demonstrating ability. 1. Nearly Met level (Level 2) or higher on the ELA SBAC. 2. Nearly Met level (Level 2) or higher on the ELA ICA 3. Two levels below DRA/F&P independent grade level cut off. For K-1 EOY DRA, kinders and 1st graders can be 2 levels below (scoring 2 and 12 and above, respectively). 4. STAR Ren level at the average of an English Only student with a similar disability, see table 5. The IEP team can use results from another valid and reliable assessment that can compare the basic skills of English Learners with disabilities to native speakers of English with similar disabilities of the same grade level to determine sufficient mastery of the basic skills for reclassification. Assessments must be given by appropriately credentialed staff. (ex: WJ, KTEA, WIAT-III)

For Students with Disabilities on Alternate Curriculum

State Criteria	'17-'18 and '18-'19 Aspire Policy (no change)
Assessment of English Language Proficiency	VCCALPS assessment with a score of 49 or above
Teacher Evaluation	Education Specialist agrees the student should be reclassified based on evidence of academic performance
Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified
Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. Basic Skills assessment used in IEP testing (ie., OWLs, WJ or WIAT)

Student Achievement Goals

1. Academic Achievement – English Learners show evidence of academic achievement at the same rate or higher as measured by performance tasks, Star Ren, ICA Assessments, Eureka Math Interims for K-8, and the California Common Core State Standards Assessment (SBAC). Each school's individual charter and LCAP provide specific growth targets.
2. Reclassifying English learners - All English Learners who meet established criteria are reclassified. There is established follow-up procedures to monitor and support reclassified fluent English proficient students (R-FEPs) as well as assure all ELs show yearly progress towards meeting the criteria to become English proficient. The state required conditions for reclassifying are as follows:
    a. Students meet the ELPAC criterion, scoring at the Early Advanced or Advanced level on the ELPAC without any subtest scores below the Intermediate level
    b. Students meet district set Academic Criteria
    c. Teacher recommends reclassification based on classroom evidence of academic performance
    d. Notification of parents of student status and right to be involved in the reclassification process

Strategies and Support

Support for English Learners varies as much as the individual student. English learners' needs can vary based on age, grade, native language, language proficiency levels and quality of previous schooling, but each child also brings some unique strength to meet those needs. The School provides comprehensive support for English Learners through professional development and data to support teachers on these differentiated needs. The school aligns all English Language Development instruction with the 2012 state adopted standards.By having a common understanding of students' needs and the goals for all students, the school provides a needed consistent program no matter the adult working with a child.

The tenets of the program include these guiding principles[1][2]

- The priority for instruction is language learning and exploration.
- Students are grouped by proficiency level, as determined by multiple sources such as ELPAC results, formative and summative assessments, and curriculum based measures (i.e. Star Ren, DRA, SBAC) along with oral language samples.
- Language tasks are relevant to students and applicable to the real world.

Provides a systematic method for language instruction based on the 2012 ELD standards to address gaps in language proficiency.

Designated English Development

Kindergarten through 5th Grade

All general education teachers provide a block of designated ELD instruction to a group of students within their grade-level or grade-span. Placement is based on proficiency level, students at risk of becoming long-term English Learners (LTEL's), LTELs, newcomers, and special education status. Students are grouped within one level of their proficiency level. The program is guided by the ELD goal and monitoring tool for LCAP. The Charter School follows a designated ELD curriculum, such as EL Achieve, which aligns with ELD standards in listening, speaking, reading, and writing. Student progress is monitored through formative and summative assessments. Teachers analyze assessment data to provide differentiated learning targets and supports within each proficiency level. For example, students at a "late beginning" level are taught more advanced vocabulary and language frames than students at a "beginning" level within the same designated ELD class. Supports are given and removed according to a student's proficiency within that level.

The EL Achieve™ strategies include a focus on language anchors for the following language functions: cause & effect, compare & contrast, description, argument and sequencing. Once the language function of a text is determined, teachers must consider what specific vocabulary or syntax the content is asking students to use in order to express their ideas. For example, a compare/contrast function may use the vocabulary, however, both and employ parallel sentence construction. EL Achieve™ also focuses on structured student talk, genre-writing, and task analysis to enable EL students to access rigorous content at the secondary level.

Integrated English Language Development

Aspire provides EL students full access to the curriculum so that they understand content being taught. Research-based strategies (Rubenstein-Avila, 2006) to provide full access include:

- Realia: real objects and materials
- Manipulatives: drawings, posters, brainstorming-clusters, graphs, tables, maps, props, multimedia presentations, storyboards, story maps
- Visuals: study-prints, textbook illustrations, overheads-projected prints, reproductions of paintings and documents, and documents
- Graphic organizers: matrices, Venn diagrams and webs, GLAD strategies: Cognitive Content Dictionary and Process Grid
- Glad Strategy: Expert Groups
- Planned opportunities for interaction between all individuals in the classrooms: creating a skit and acting it out, cooperative learning, collaborative groups and student-generated writing based on personal experience
- Embedded language instruction while students are learning content
- Opportunities for learning that are meaningful and relevant

- Explicit instruction of key vocabulary and cognates
- The use of Word Walls and anchor charts in every classroom
- Scaffolding text, such as anticipatory pre-reading of text
- Daily use of leveled reading material during Reading Workshop
- Accountable Talk framework teachers explicitly model the type of language students are expected to use, providing appropriate supports for ELs, such as sentence starters, word banks and leveled questions.
- Primary language support as needed.

The Common Core State Standards raise the expectations for all students and require a higher level of expertise and support for our English learners. Aspire uses integrated English Language Development in tandem with the Common Core State Standards and Next Generation Science Standards. Overall, the School uses these research-based instructional strategies to support English learners in all content areas.

Progress Monitoring

English Learners have the same thorough ongoing assessment as all of our non-English Learners. This is primarily done through our Response to Intervention (RtI) team and our Cycles of Inquiry. Additionally, ELs are monitored on their mastery of the English Language Development Standards. The RtI team meets on a monthly basis to determine any students who may not be making adequate progress. They analyze data by subgroups and look for any students requiring intervention. These supports are then provided in the classroom or a small group setting outside of the classroom.

In addition, Aspire's Data and Assessment team developed a progress monitoring dashboard that allows school sites to continuously monitor the progress of their EL students achievement on SBAC, ELPAC, Star Ren, DRA, and other criteria that affect the outcome of students.

Monitoring and Evaluation of Program Effectiveness

The evaluation for the program effectiveness for ELs in the school will include:

- Adhere to School-adopted academic benchmarks by language proficiency level and years in program to determine adequate yearly progress.
- Monitor teacher qualifications and the use of appropriate instructional strategies based on program design.
- Monitor student identification and placement.
- Monitor availability of adequate resources.
- CA School Dashboard: EL Progress Indicator

Monitoring of Professional Development and Implementation of English Language Development strategies

1. Teachers receive ongoing professional development on serving English Learners in many ways.

2. Teachers new to Aspire receive a week of professional development that includes English Learner strategies in the content area as well as the English Language Development standards.
3. All teachers in their first two years of teaching receive Induction support which includes a module on teaching English Learners.
4. Each school has devoted time for professional development. That time is devoted to strategies for teaching English Learners.
5. New teachers receive ongoing coaching in teaching English Learners.

Gifted and Talented (GATE) Students and Students Achieving Above Grade Level

Interdisciplinary units and final cumulative projects are aligned with all of the program recommendations for gifted learners. These projects allow high performing students to go deeper into a topic until they are challenged. It allows a natural source of differentiation.

The Charter School offers a Gifted and Talented Education (GATE) program to those who are formally identified by LAUSD as accelerated learners. The Charter School offers referral to three different categories of giftedness: Intellectual Ability, High Achievement, and Specific Academic Achievement. Intellectual Ability refers to those students whose general intellectual development is markedly advanced in relation to their chronological peers. High Achievement refers to students who show two consecutive years of advanced performance on the SBAC assessment in both English-Language Arts and Math. Specific Academic Ability refers to students who show three consecutive years of highly advanced performance in either English-language arts or math.

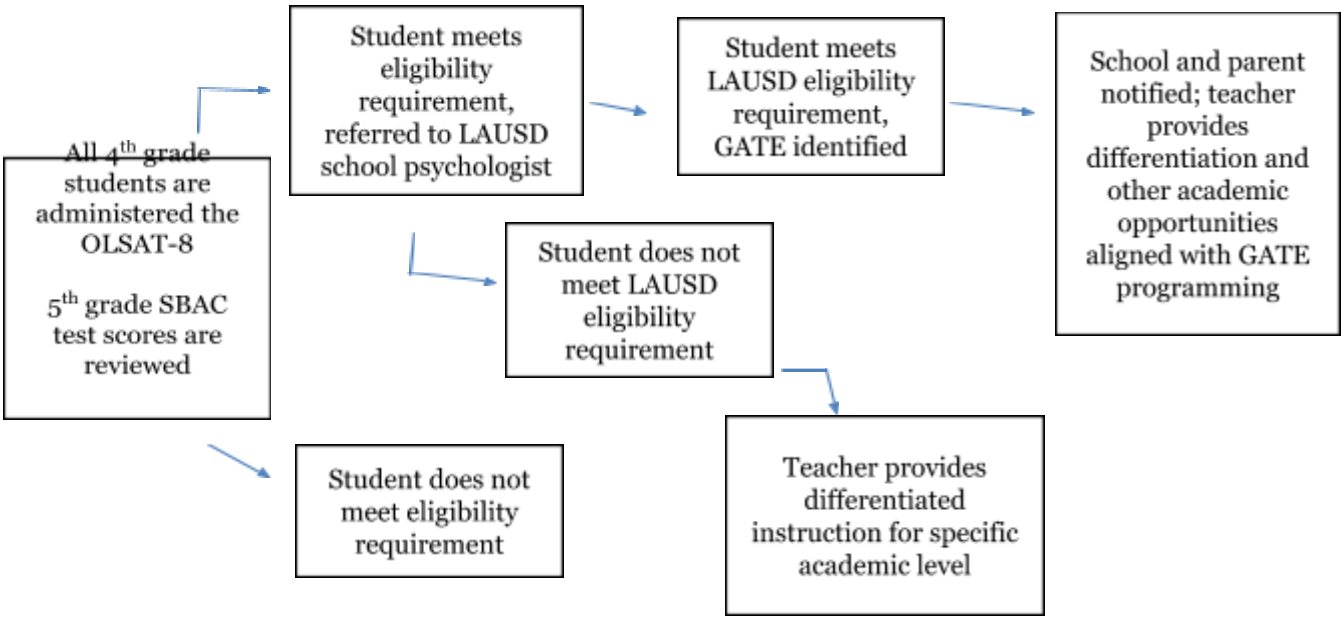

To determine students eligible for referral for Intellectual Ability, the Charter School assesses students in fourth grade for GATE annually using the Otis Lennon School Ability Test -8 (OLSAT-8). Students who meet the eligibility requirements on the OLSAT-8, are referred to a school psychologist with the LAUSD Gifted and Talented department for further assessment. Parents are notified of referral to LAUSD and required to sign a permission form for the participation in the assessment. Upon the completion of testing by LAUSD, the Charter School and parents are notified of student eligibility.

In addition to Intellectual Ability, the Charter School offers GATE eligibility in the categories of High Achievement and Specific Academic Ability. For High Achievement, the Charter School reviews fifth grade students' SBAC scores in both English-Language Arts and Math received in both third and fourth grade. For Specific Academic Ability, the Charter School reviews fifth grade students' SBAC scores in either English-Language Arts or Math received in third and fourth grade as well as their second grade second and third trimester reporting periods. If the fifth grade student meets the academic requirements, the file is sent to the LAUSD Gifted and Talented department for further review. The Charter School and parents are notified of student eligibility upon completion of review.

The Charter School sends identified teachers and Deans of Instruction to training each year to deepen understanding of strategies to support gifted learners. GATE identified students

participate in differentiated projects and experiences that allow students to explore the depth and complexity of the Common Core State Standards. Academic opportunities, both within and outside of the regular school day, are provided for these accelerated students.

Please see below for the Charter School's GATE referral process.

Because Aspire's instructional strategies and curriculum are designed to differentiate and individualize instruction for students at different levels, students achieving above grade level are effectively served at The Charter School.[2][1] For instance, the instruction during English Language Arts allows students to read at a variety of reading levels, both above and below grade level, while still accessing the core content of the curriculum. Small group instruction also aid in differentiation since classroom teachers understand each individual student's needs. The variety of instructional techniques and materials provided in Aspire's program are cited as important features by the National Association for Gifted Children in the Gifted Educational Program Standards.

The goal of the gifted and talented program at the Charter School is to provide continuity between general education curriculum and project based learning. GATE students are allowed the opportunity to research, create, apply, and present new information related to the topics learned in class. Students design projects with purposeful, specific end goals that include participation in a culminating activity. Interdisciplinary units and final cumulative projects are aligned with all of the program recommendations for gifted learners. These projects allow high performing students to challenge themselves to explore the depth and complexity of a topic and collaborate with other high performing peers.

Progress monitoring of students participating in the GATE program is ongoing throughout the school year. Data is tracked using a student data tracker inclusive of all

[2][1] Gifted Education Program Standards, National Association for Gifted Children.

Aspire-wide assessments and site specific end of unit reading assessments. Additionally, GATE students have a monthly check in with the GATE coordinator on campus (usually the Dean or a designated teacher) to work on extension projects and/or plan specific presentations to enhance learning.

To ensure that all students formally identified by LAUSD as an accelerated learned, a Los Angeles Regional Content Specialist directs and oversees the GATE program at the Charter School.

Students Achieving Below Grade Level

The Charter School sets high expectations for *all* students and is committed to working with students who are not meeting outcomes to help them achieve at expected levels. Students who perform below the acceptable level may receive a mix of intervention services, including: in-class individual targeted instruction by classroom teachers; in-class small-group guided learning by classroom teachers; before- or after-school instructional support provided by non-classroom educators in a one-on-one setting or in small groups; participation in a specialized support class taught by a literacy specialist or other educator. Instructional materials selected for intervention services are grounded in proven best practices, may be designed by the educator, or may be a research-based program such as READ 180.

Students targeted for additional instructional support or intervention will include, but are not limited to, students who, through universal screening or other assessment, meet the following criteria:

Assessment	**Criteria For Additional Intervention**
Smarter Balanced Assessment Consortium (SBAC) – ELA or Math	Standard Not Met or Approaching the Standard
Placement Reading Diagnostic (PRD)	Below grade level
Parent Recommendation	Any
Teacher Recommendation	Any

The Charter School utilizes the Response to Intervention framework (RtI) of tiered intervention to ensure that students below grade level, or students achieving below expected levels of performance, receive additional instruction or intervention to ensure progress towards expected levels. Through the systematic RtI process of weekly review of student progress, schools are universal in assessing students' academic, behavioral and socio-emotional development needs, and proactive in providing students with appropriate timely, targeted and effective research-based interventions. Systematic progress monitoring of results of instruction or intervention, which is initiated by the teacher and then overseen by a group of teachers that

makes up the RtI team, guides decision-making about the intervention's success and student's next step.

The Charter School strives to offer a comprehensive approach to assessing, supporting and monitoring the progress of all students towards grade level and College Readiness outcomes. The RtI framework encourages an inclusive, flexible learning environment, encompassing and extending Aspire's data driven, student-focused approach to instruction. The Charter School educators are encouraged to deepen coordination of instruction across all learning environments, including our grade level or core classrooms, intervention programs, specialized educational services and non-academic services.

Socio-Economically Disadvantaged / Low Income Students

The Charter School seeks to serve students who are socio-economically disadvantaged and low income, so the school was designed to create small communities where students are known well. By having a small school and small classes our students and their individual needs are known well. Socio-Economically Disadvantaged students are typically identified by qualification for Free or Reduced Price Meals. Qualification for this program is monitored on an annual basis.

Our instructional program across Aspire Public Schools is designed with the intention of serving students from traditionally underserved populations and many of our curriculum and instructional decisions focus on meeting the needs of struggling learners to advance them to grade level standards so that they are college and career ready. We do not require any specific parent support, and take ownership to provide any needed materials; however, our hope is to involve and engage families along their child's educational journey.

The needs of individual students or groups of these students would be identified and discussed at grade level Cycles of Inquiry and the school-wide RtI team. The RtI team meets on a monthly basis to determine any students who may not be making adequate progress on the Common Core grade level standards. They, along with the leadership team analyze data by all subgroups and look for any students requiring intervention. These supports are then provided in the classroom or a small group setting outside of the classroom. The RtI lead or the classroom teacher would be responsible for making sure supports were implemented. At a minimum, supports include:

- Social emotional counseling during school
- Additional academic help during school and after school
- Involvement of the parent/guardian
- Enrichment after school
- Connections with community agencies made by our Regional Student Support Coordinator for families and students

In addition, Aspire Public Schools' Data team developed a progress monitoring dashboard that allows school sites to continuously monitor the progress of their

socio-economically disadvantaged/low income students' achievement on SBAC, ELPAC, Star Ren, DRA, and other criteria that affect the outcome of students.

Support for Academically High-Achieving Students

Interdisciplinary units and final cumulative projects are aligned with all of the program recommendations for gifted learners. These projects allow high performing students to go a deep into a topic until they are challenged. It allows a natural source of differentiation.

The Charter School identifies our highest achieving student through multiple measures. For students in grades 3 and above, SBAC scores are used as the first metric. Additionally, students' Lexile level on the STAR REN are used as a metric, and finally GPA is an additional factor for consideration Similar to how struggling students are given differentiated work, small groups and adapted projects work and tasks are similarly adapted for the highest students are well. There are occasions where students will move up to a higher grade level for a subject or move up altogether but these instances are rare. College coursework for high school students is based on GPA and achievement scores. Student may be placed in zero, one or two college courses per semester based on their achievement. The highest achieving students are able to graduate from high school with their Associates Degree from Delta College (60 units).

Because Aspire's Instructional Methods are designed to differentiate and individualize instruction for students at different levels, students achieving above grade level can be effectively served at The Charter School. For instance, the instruction during English Language Arts allows students to be reading at their own instructional level. One student reading at grade level can sit next to another student doing the same activity at three grade levels higher. Small class sizes aid in differentiation of instruction because classroom teachers understand each individual student's needs. The variety of instructional techniques and materials provided in Aspire's program are cited as important features by the National Association for Gifted Children in the Gifted Educational Program Standards. Finally, any student achieving above grade level can be accelerated to a higher grade level at the discretion of the parent and principal.

Support for Students with Disabilities

Overview

The Charter School shall comply with all applicable state and federal laws in serving students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act ("Section 504"), the Americans with Disabilities Act ("ADA") and the Individuals with Disabilities in Education Improvement Act ("IDEIA").

The Charter School is its own local educational agency ("LEA") and holds membership in a Special Education Local Plan Area ("SELPA") in conformity with Education Code Section 47641(a). The Charter School is a member in good standing of the El Dorado County Charter SELPA.

In the event The Charter School seeks membership in a different state-approved SELPA, The Charter School will provide notice to the District, the SELPA, and the California Department of Education before June 30th of the year before services are to commence.

The Charter School shall comply with all state and federal laws related to the provision of special education instruction and related services and all SELPA policies and procedures; and shall utilize appropriate SELPA forms.

The Charter School will provide specialized academic instruction and related services by hiring credentialed or licensed providers through private agencies or independent contractors.

The Charter School shall be solely responsible for its compliance with Section 504 and the ADA. The facilities to be utilized by The Charter School shall be accessible for all students with disabilities.

Section 504 of the Rehabilitation Act

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise be subjected to discrimination under any program of The Charter School. Any student, who has an objectively identified disability which substantially limits a major life activity including but not limited to learning, is eligible for accommodation by The Charter School.

In instances where a student may be eligible for 504 protections, a 504 team will be assembled by the Principal and encourage participation of the parent/guardian, the student (where appropriate) and other qualified persons knowledgeable about the student, the meaning of the evaluation data, placement options, and accommodations. The 504 team will review the student's existing records; including academic, social and behavioral records, and is responsible for making a determination as to whether an evaluation for 504 services is appropriate. If the student has already been evaluated under the IDEIA but found ineligible for special education instruction or related services under the IDEIA, those evaluations may be used to help determine eligibility under Section 504. The student evaluation shall be carried out by the 504 team, which will evaluate the nature of the student's disability and the impact upon the student's education. This evaluation will include consideration of any behaviors that interfere with regular participation in the educational program and/or activities. The 504 team may also consider the following information in its evaluation:

- Tests and other evaluation materials that have been validated for the specific purpose for which they are used and are administered by trained personnel.

- Tests and other evaluation materials including those tailored to assess specific areas of educational need, and not merely those which are designed to provide a single general intelligence quotient.

- Tests that are selected and administered to ensure that when a test is administered to a student with impaired sensory, manual or speaking skills, the test results accurately reflect the student's aptitude or achievement level, or whatever factor the test purports to measure, rather than reflecting the student's impaired sensory, manual or speaking skills.

The final determination of whether the student will or will not be identified as a person with a disability is made by the 504 team in writing and notice is given in writing to the parent or guardian of the student in their primary language along with the procedural safeguards available to them. If during the evaluation, the 504 team obtains information which may indicate possible eligibility of the student for special education per the IDEIA, a referral for assessment under the IDEIA will be made by the 504 team.

If the student is found by the 504 team to have a disability under Section 504, the 504 team shall be responsible for determining what, if any, accommodations or services are needed to ensure that the student receives a free and appropriate public education ("FAPE"). In developing the 504 Plan, the 504 team shall consider all relevant information utilized during the evaluation of the student, drawing upon a variety of sources, including, but not limited to, assessments conducted by The Charter School's professional staff.

The 504 Plan shall describe the Section 504 disability and any program accommodations, modifications or services that may be necessary.

All 504 team participants, parents, guardians, teachers and any other participants in the student's education, including substitutes and tutors, will receive relevant portions of each student's 504 Plan. The site administrator will ensure that teachers include 504 Plans with lesson plans for short-term substitutes and that the student review the 504 Plan with a long-term substitute. A copy of the 504 Plan shall be maintained in the student's file. Each student's 504 Plan will be reviewed at least once per year to determine the appropriateness of the Plan, needed modifications to the plan, and continued eligibility. More details around Aspire's 504 procedures and Enrollment Steps are attached in Appendix VII.

Services for Students under the IDEIA

In accordance with state and federal law, each student eligible under IDEIA will be provided a free appropriate education in the least restrictive environment. No student shall be denied admission to The Charter School because the student is in need of special education services. The Charter School is dedicated to ensuring that identified special education students shall be enrolled in the general education classroom setting along with their non-disabled peers and shall have access to participate in extracurricular activities the same as their non-disabled peers.

The Charter School's special education program is characterized by integrated services which will support students with special education needs. The decisions regarding specialized academic instruction and related services that individual students will receive are the

responsibility of the Individualized Education Team, which includes the involvement of parents in decision-making and developing the written Individualized Education Plan (IEP). The IEP Teams must also include an Administrator, General Education Teacher and Education Specialist. When appropriate/relevant, the IEP team also includes related service providers..

In the IEP process, general education teachers, specialists, administrators, students, and parents work together to share information and create the Individualized Education Plan that addresses the student's unique learning needs and supports and services related to a student's disability. The IEP may include specialized academic instruction, related services, classroom accommodations or specific supports which will enable a student to progress towards learning or social/emotional/behavioral goals in the least restrictive environment.

The professional development of all Aspire teachers focuses on differentiating the curriculum, employing varied instructional strategies, and utilizing technologies or other resources to ensure that each and every child in the classroom has access to learning, regardless of disability or need. Multiple measures assess student's progress towards their IEP goals, grade level outcomes based on the CCSS, or Aspire College Readiness outcomes.

The Charter School 's educational program includes systems of intervention, as well as differentiated instructional strategies to meet the diverse learning needs of all students. All incoming students participate in assessments in the areas of English Language Arts and Mathematics to assist in identification of student learning needs and provision of appropriate instructional supports for all students, including English Language Learners, or students with disabilities. Other measures used to assist with differentiating instruction for all students or providing appropriate interventions include:

- Smarter Balance Assessment Consortium assessments
- ELPAC
- Curriculum-based Benchmark Assessments
- Teacher observation and interview

Child Find

The identification process for students who would be eligible for special education services under IDEIA and/or services under 504 protections begins when students have been accepted through the enrollment lottery and enrolled in The Charter School. Through the process of "Child Find," each school fulfills the obligation of locating, evaluating, and identifying children with disabilities who may be in need of special education or 504 services. The Student Success Teams addresses student needs and initiate the referral process, if appropriate, for special education or other services.

If a student is eligible for 504 supports their services will be provided as determined in their 504 plan. As discussed above, the 504 plan is created through a multi-disciplinary team approach that includes parents and students (when appropriate).

For the purposes of special education, The Charter School shall assume responsibility for the provision of services and meeting all local, state and Federal requirements of IDEIA. If needed, the special education resources, services, fees or requirements will be defined in the Memorandum of Understanding (MOU) between the District and the Charter.

The Charter School shall comply with all requirements of the Federal Individuals with Disabilities in Education Act (IDEA), State laws and the EDCOE Charter SELPA Local Plan, and perform all corrective actions deemed necessary by Aspire Public Schools, the Charter SELPA and/or CDE. The Aspire Director of Special Education will involve The Charter School team in the development of the budget, hiring necessary staff, contracting for appropriate services and documenting the qualifications and competency of school leadership to meet the special education compliance and quality requirements. A Program Specialist shall be assigned to support The Charter School and to provide coaching support to the site special education team to ensure that all requirements of IDEIA are met, and each child is well served.

A comprehensive Aspire Special Education Professional Development plan shall be developed with site team input to provide ongoing learning opportunities and support to special education staff, and build the capacity of the site team in meeting compliance with state and federal statutes and reporting requirements. Professional development will be provided on best practices that support the specialized learning needs of students with disabilities in the least restrictive environment, . Each staff member's Professional Learning Plan (PLP) will reflect our Aspire shared responsibility for student progress and site special education needs, as well as differentiated opportunities to address individual professional development needs, including the opportunity to participate in the Aspire Induction Program for the Education Specialist Credential. Professional development opportunities will include those offered in collaboration with other Aspire schools, the SELPA, and other organizations with researched based practices that support students with disabilities.

A Typical Day

It is 7:55 on a Monday in early March and Camila, a fourth grade student at Antonio Maria Lugo Academy, just arrived on campus through an internal driveway. Her car stops and she and her mother are greeted by Ms. Flores who proceeds to open her door as she has been doing for the past 12 years at AMLA. Camila excitedly walks into campus and passes the front office who also greets her and compliments her new unicorn headband. She then stops at the "Free Little Library" box across the office to add to her home collection. After zipping up her backpack she then proceeds to the multi-purpose room where she then finds her classmates at her grade's designated area at the breakfast tables, eats until about 8:15 then joins her class who has already formed the line and is watching a weekly read aloud projected on Mondays from the website (Storylineonline.com). She loves it because a new celebrity reads a new book and often makes their voice sound silly to match the characters. While watching the video one of the campus monitors, Ms. Martinez, catches Camila showing responsibility and gives her a ROAR ticket celebrating her being a model example for other students with ROAR, the schools PBIS expectations. She shouts out, "Yes!!", writes her name on the ticket and places in the box designated for her grade in hopes of winning a book from the Friday raffle.

At 8:25, Ms. Martinez shuts down the Monday read aloud, asks a few questions for more opportunities for students to receive ROAR tickets, then asks them to put all other books and or belongings away in order to be ready for the 8:30 bell signaling the start of morning meeting. At 8:30, Camila takes her seat in line with her class as Mrs. Garcia, the school principal, quiets the room with a call and response: Principal-AMLA Students-Lions Principal-AMLA Students-Lions Principal-AMLA Students-LIONS ROAR! The last call signaling that all voices should be at zero. She then proceeds to call out specific classes for showing a variety of school expectations being Respect, Ownership, Acceptance, and Responsibility.

Because it is March and Read Across America week is approaching, the teachers leading the literacy committee remind students that a flyer will be sent home regarding the festivities they should expect and plan for the following week. This year including an author visit to enhance love of reading!

It is Monday so the whole school ends the morning with the AMLA school chant. Individual class cheers (including Camila's) are included on Fridays during extended morning meetings.
AMLA Cheer (Monday-Thursday)
Cal State Dominguez Hills Cheer (5th grade)
(Altogether)
I am a Lion
Hear me roar!
We are lions,
We stand for:
(K/2) RESPECT
(1/3) Ownership
(2/4) Acceptance
(5th) Responsibility
Let's go Toros (clap x 5)
Let's go Toros (clap x 5)
Let's go Toros (clap x 5)
Alright, we're smart,
We got the grit we got the heart,
We're the best our class is cool,
Dominguez hills will rock this school,
Go Toros!

At the end of morning meeting Camila leads her class up the stairs and across the hallway to her classroom. As she walks down the hall, Camila passes multiple college pennants representing each class from TK-5. When she gets to her classroom, her teacher, Mrs. Burke, greets her warmly with a "good morning" and a fist bump. She immediately unpacks her homework, hangs her backpack on her hook, and begins her Do Now assignment to start her day. Mrs. Burke, then takes attendance in PowerSchool, then calls students to come to the carpet for her class morning meeting. Mrs. Burke reviews the schedule for the day. Camila is excited because she has Science today. In Science with their specials teacher, they are expecting

to be introduced to a new 4th grade NGSS phenomena, and she can't wait to get to work on it!

At 8:43, Mrs. Burke asks students to quietly get their materials for Language Blast (a time when the whole school drops everything and all students move across the school to meet their designated ELD or English Only teacher. They are sorted by ELPAC level and in cohorts). Camila grabs her folder and lines up. The subtle bell rings at 8:45 and students move to their location while following the expectation to walk to the right. She then is greeted by her ELD teacher Ms. Fernandez who reminds them of the unit, objective and expectations. They complete their ELD lesson with some writing and at 9:15 they are signaled to make their way back to class. Along with the rest of the school students return to their homeroom teacher and begin the more typical agenda in which they receive core instruction from their homeroom teacher.

At 9:20 they are settled back in their seats and Mrs. Burke then releases them to specials. Again, today was Science so Camila couldn't be more excited to begin.

At 10:05 Ms. Gomez makes her way back down the hall with the class, high fives them for doing a great job and wishes them a great day. Being that Mrs. Burke is so routine driven, students didn't need directions to know that it was Math time and the expectation was to review their math homework for 10 minutes. From their Camila and her class got to test their skills with a math fluency sprint/mad minutes and then engage in an application problem requiring them to utilize their math knowledge and strategies. This now brings them to 10:40 for a quick recess break.

Students are walked down the stairs and handed off to AMLA's very enthusiastic campus monitors. Students are reminded of the ROAR expectations and told which Jr. Coach is on duty to support with the playstation they chose as a support for all students. Then they are released. Camila decides that she doesn't want to play a sport per say and instead chooses to elect spending her time working at the art center. Today Ms. Flores set up white crayons, black construction paper and paint for students to experiment with. You guessed it, she draws a unicorn! Camila is quite the artist. One whistle blows, students freeze, then 2 whistles blow for students to make their way back to the line. Ms. Valencia is in charge of electing the class who responded the best and gives them a class point. Camila's class gets it and she cheers knowing that they are one step closer to a choice incentive.

Mrs. Burke waves at the students, checks in with the campus monitors who say the class had a great break and they walk back to class. It is 10:55 and the second half of math begins. For 20 minutes students all sit at the carpet for direct instruction using our new Eureka Math curriculum and then proceeds to send students to Zearn (an online individualized blended program). Again, students routines would blow you away, no lost time coming in from recess nor in transition to their assigned 1 to 1 computers. During this time the teacher is able to pull a small group for support. Camila is one student who is called to the back table for support along with 4 other students. The teacher checked yesterday's exit ticket and realized she required some review of basic skills, plus her Zearn alerts showed she was behind and couldn't get through her current lesson. So instead of repeating the same problems the teacher takes out her fraction bars to demonstrate some misconceptions. While this is occuring, Mr. Mata (the ED

tech specialist) walks in with clipboard in hand and proceeds to call his pre-arranged student group to support CUSP students with re-teaching of major standards. Zearn time is complete then students are instructed to get started with the last portion of the math block including the problem set, debrief as a class, and closing with an exit ticket. Camila feels more confident with today's exit ticket after group with Mrs. Burke. She was able to draw to help her get started with understanding the conceptual challenge.

Wow, such great learning during Math. Now to transition our minds to dive deep into our reading mini lesson. Mrs. Burke, signals to students to gear for their daily reading chant. As they stand behind their chairs Mrs. Burke posts the following chant for students/teacher to follow:

Teacher: What if it's too hard?
Students: I'm gonna push through!

Teacher: What if it's too rough?
Student: I'm gonna push through!
Teacher: What if there are too many words?
Students: I'm gonna push through

Teacher: What if it's too tough?
Students: I'm gonna push through

Teacher: What if you're confused?
Students: I'm gonna push through

Teacher: What if you don't know how to do it?
Students: I'm gonna push through
Teacher: What if you're just not ready?
Students: That ain't true!
Teacher: What if you're just too young?
Students: That ain't true!
Teachers: What if you're too brown?
Students: That ain't true!

Teacher: What if you're just not meant to do it?
Students: That ain't true!
Teacher: What if you just can't do it?
Students: That ain't true!

Teacher: Why, because ...
Students: I can do anything I put my mind to!

Teacher: Why, because…
Students: I can do anything I put my mind to!

Teacher: Barack Obama
Students: He pushed through

Teacher: Michelle Obama
Students: She pushed through

Teacher: Cesar Chavez
Students: He pushed through

Teacher: Dolores Huerta
Students: She pushed through

Teacher: Mesi
Students: He pushed through
Teacher: Your parents
Students: They pushed through

Teacher: And if they can do it then…

Students: I can do it too!

Teacher: And if they can do it then…

Students: I can do it too!

Teacher: And if they can do it then…

Students: I can do it too!

Teacher: Why, because…

Students: I can do anything I put my mind to!

After the chant is complete and students are feeling pumped, students join at the carpet for the reading mini lesson in which they review their teaching point, name personal goal through pair share, and prepare to apply new learning during independent reading lasting from 12:20-12:45. Mrs. Burke thanks them for their amazing focus and prepares to release them, but before she releases them she makes sure to remind them to check their reading goals folder and then the teacher proceeds to walk around the room conferencing with students one on one. It's not Camila's turn today to chat with Mrs. Burke, but she knows her reading buddy will ask her for evidence of what she was working on in her reading so she makes sure to be ready. The teacher closes with a quick pair share and closes out independent reading time.

For the next 30 minutes the teacher has students move into their literacy stations while she pulls guided reading groups. Camila really loves this time because it offers so much choice.

Since she does better with building relationships with adults due to the fact that she is still developing her social skills. She loves when it is an option so she can work at the letter writing station. She tries to pick a different teacher to write to every time and loves getting a letter in return.

It is now 1:15 and it is time for lunch. Same routine as always, students show they are ready and led to lunch in the multipurpose room. Today is spaghetti so she is pretty happy. She eats with her peers for about 20 minutes, then is guided to the playground for choice play. At lunch the art station is put away so she decides she is going to ask Ms. Valencia if she needs any help. Ms. Valencia knows she could use support with developing friendships so she encourages her to pass our ROAR tickets to students who were doing a great job. She loved this idea and began to scan the yard. By the 4th student she lost interest in the ROAR tickets and elected to play jump rope with a group of girls instead. Ms. Valencia smiles at her from across the yard. Oh, there is the whistle. Time to head back.

It is now 2:00 and students begin their writing mini lesson. This is particularly engaging for Camila because it is immersion week and her teacher decided to let students go on a virtual field trip to give them more background on their topic of choice. This really helped Camila get invested in her information writing and set her up for success as the lessons to come really require her to draft, add, and edit her work several times. The virtual tour doesn't take too much time so most of her time alone with her peers is used to add descriptive notes to her journal. She has so many ideas written and is off to a great start. The teacher closes the block with an author's chair and this time Camila feels confident enough to share her thoughts. She is asked to decide what type of feedback she'd like in order to support her in her writing process. She opts for feedback on where she could add more details about her topic. The teacher lets one more student share and then invites students to put materials away and get ready for content.

It is 2:40 and students are learning about the Sons of Liberty. The teacher does a wonderful job not only integrating multimedia, but also the school-wide GLAD strategy of learning happening through expert groups. Camila meets with Mrs. Burke and 4 other students to read a text of interest at their lexile band of which they then presented to each of their individual table groups. Wow, what a great connection they will have when the comes for their upcoming field trip to Riley's farm.

The last part of the day really helps students like Camila which is SEL time. This is when teachers use the Paths curriculum to engage students in addressing developmentally appropriate topics and challenges they may encounter socially and emotionally. Camila decides to share that she felt sad when a student told her that her unicorn headband was silly. The other student apologized and Camila felt better.

Overall, it was a great day for Camila and pretty impressive that she could now share her emotions which she couldn't do as a younger child. It really helped that she was able to participate in social skill building groups in the years prior with the school counselor. Go Camila! Amazing progress.

Oh wow, the day is over. It is now 3:20 and time to pack up. Students quickly and quietly head down to their designated areas (depending on if they were drivers or walkers) and waited for their parents to pick them up. Camila is a walker so she waits for her mom in the multipurpose room. Mrs. Burke tells Camila's mom how proud she is that she shared her feelings today and repaired relationships with her friend and then whispered to Camila, "I had a unicorn headband just like that when i was your age" Camila smiles and goes home with mom.

Element 2 - Measurable Pupil Outcomes

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the charter school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." (Ed. Code § 47605(b)(5)(B).)

An Aspire Public Schools education provides students with access to opportunities for success in future endeavors – in higher education, work, and citizenship. Through personalized learning experiences, students master basic skills, acquire the thinking skills needed for the rigorous work of the real world, and develop productive life skills. Aspire Public Schools 's educational program is designed to help all of its students to develop the following measurable pupil outcomes:

To establish a foundation for success, Aspire Public Schools ensures students will:

- Basic Skills: Master at least grade level competency in the four core subjects: mathematics, science, social studies, and English Language Arts (including reading, writing, listening and speaking);

- Thinking Skills: Be able to apply classroom learning to their real world experiences in a relevant and valuable way, using higher-order thinking skills (including critical thinking, creativity, decision-making, problem solving, reasoning, knowing how to learn); and

- Life Skills: Have developed personal qualities of individual responsibility, intellectual curiosity, sociability, self-management, confidence, and integrity.[1]

Aspire Public Schools sets high standards for all students, based on CCSS, Newmann's Standards for Authentic Instruction and Assessment, and the Secretary's Commission on Achieving Necessary Skills (SCANS). Students will participate in the legally required statewide assessments pursuant to Education Code Section 47605(c). Through these assessments, The Charter School shall demonstrate student mastery of state standards.

Element 3 - Method by which Pupil Progress Toward Outcomes will be Measured

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." (Ed. Code § 47605(b)(5)(C).)

The Charter School's academic program is CCSS-based and data driven. The Common Core State Standards, Next Generation Science Standards and multiple sources of data form the basis of the Charter School's teachings. Performance assessments are evaluated with the use of common benchmarks and rubrics are analyzed on a regular basis to help drive the Charter School's educational program. The rubrics are used to inform students and parents about the standards for student work. Both teachers and students use the rubric to score the work and make improvements. Rubrics used throughout the year will show growth over time.

The Charter School complies with all requirements pursuant to California Education Code §57605(b)(5)(A)(ii) including developing annual goals, for all pupils (i.e. schoolwide) and for each subgroup of pupils as identified in California Education Code §52052, for each of the applicable eight (8) state priorities identified in California Education Code §52060(d). The Charter School complies with all elements of the Local Control Accountability Plan pursuant to regulations and templates adopted by the State Board of Education and reserves the right to establish additional, school-specific goals and corresponding assessments throughout the duration of the charter.

In accordance with SB 1290, the Charter School's pupil outcomes are set related to increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of section 47607. The pupil outcomes align with state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school.

The Charter School's pupil outcomes, related to increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of section 47607, are aligned with state priorities, as described in subdivision (d) of Section 52060.

In accordance with Cal. Ed. Code **§**47605(b)(5)(A)(ii), the Charter School includes a description of annual goals for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.

Outcomes and Methods of Measurement Aligned to State Priorities

K-2 Assessment and Monitoring

Since grades K-2 are not assessed on the CAASPP, Aspire has created a standards-based report card (see descriptors below), to be used in concert with internal ongoing formative assessments by the Charter School to evaluate and monitor the progress of all primary students.

PERFORMANCE LEVEL DESCRIPTORS

- Below the grade level standard 1
- Approaching the grade level standard 2
- Meeting the grade level standard 3
- Exceeding the grade level standard 4

Aspire Public Schools has also developed internal formative assessments and a data dashboard for every student that allows teachers to monitor how students are progressing in their mastery of standards. Grade level teams use this data to plan and to create interventions and enrichment as needed. The Principal, Deans, and Lead Team then use all K-2 student data to address schoolwide instructional concerns and Cycles of Inquiry.

Collecting, Analyzing, and Reporting Data

Aspire collects and analyzes data on student achievement on a regular basis and will provide student achievement data to staff, parents and guardians, and the District:

- Staff will receive data on student achievement during staff meetings using the Data Portal and will use this data to help monitor and improve Aspire's education program;

- The Principal and other administrators will receive data on The Charter School's student achievement, attendance, and discipline using Aspire's Admin Data Portal;

- Parents and guardians will receive data on student achievement when they meet with their child's teacher; and

- The District will receive data on student achievement through School reports and/or presentations.

Aspire uses the State Testing and Assessment Reports to assist in identifying strengths and weaknesses at a student, classroom, grade level, school and organization. Every summer each school will have a staff retreat where the data will be analyzed. School wide plans for professional development will be based on these plans.

Aspire uses many in-house assessments which inform daily instruction and a student's progress towards meeting the state standards.

If any student is not making sufficient progress to meet the benchmarks created by Aspire, teachers, parents or administrators begin a Student Success Team. From this meeting an action plan is created to support the student.

Throughout the school year, the health of The Charter School is monitored with a suite of internal school health dashboards. These tools allow Aspire to evaluate a school on more than one facet. At the beginning of the year, the dashboard will help the Aspire identify schools that require more focused attention and support. On an on-going basis, this dashboard will also be used to monitor progress of schools on a monthly basis. Specifically, the dashboard reports on:

- Student achievement: academic performance, course grades, behavior, and internal benchmark scores;
- Student discipline: Chronic absenteeism, suspensions, student retention
- Affiliation: results on the staff, parent, and student surveys, teacher retention; and
- Financial and Enrollment: actual versus budget and forecast; average daily attendance, and enrollment.

Reading Assessment

In grades 2-12, Aspire administers the STAR Reading test from Renaissance Learning to all students. STAR Reading is a nationally normed, adaptive reading test that provides a Lexile score and CCCSS mastery estimate for each student. It is administered twice (Fall and Spring) for all students to measure year-long reading growth, while some teachers choose to administer more often as a progress monitoring tool. Teachers use STAR Reading to differentiate classroom instruction and texts based on students' demonstrated Lexile level, while school leaders use STAR Reading to inform Response to Intervention (RtI) and assign school-based interventions as appropriate. At the organizational level, STAR Reading results are used by the Data and Assessment and Instructional Coaching teams to inform instructional resource development and strategically deploy instructional coaches.

Aspire Math Assessment

Every student takes an Aspire math assessment based on the specific grade level standards. The assessment includes both computation and a problem solving section. The computation is scored with Illuminate software. The problem solving is scored with Aspire teachers. A task analysis is done of every paper, so that teachers can identify standards that need to be re-taught. After every administration of the benchmark exams, the student data is analyzed at several levels – classroom, grade level, school and Aspirewide.

External Reporting

Aspire maintains sufficient staff and systems, including technology, required to ensure timely reporting necessary to comply with the law and to meet all reasonable inquiries from District and other authorized reporting agencies.

Grading, Progress Reporting, and Promotion/Retention

- Grading Policy:

Students earn grades based on established performance levels as described in the below table.

When grades are given for any course of instruction, the grade given to each student shall be the grade determined by the teacher of record for the course, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetence the grade shall be final (Education Code 49066a).

Teachers may make changes to grades until they have been stored in PowerSchool. After grades are stored, teachers are prohibited from changing grades without securing the approval of the school site principal and the Area Superintendent. All grade changes will be documented in student's cumulative folder using the official Aspire "Grade Change" form and requests for changes will only be accepted for 21 school days after the official close of the marking period. Teachers wishing to change a student's grade after grades have been stored should apply the following criteria:

- The student had extenuating circumstances that prohibited the student from completing the course on time (example: automobile accident, serious illness).
- The student did not receive adequate materials to complete the course (example: textbook)
- The grade should not be changed if the student made little or no effort to complete the assignments or solicit support during the time span of the course

The Charter School uses a standards based grading policy, which is a method where teachers measure how a student is doing in reaching a specific learning goal or standard. Students receive a 1-4 with the following definitions:

4	Exceeding the grade level standard
3	Meeting the grade level standard
2	Approaching the grade level standard
1	Below the grade level standard
\	Standard not addressed

Please note, not all standards are assessed during every grading period. If you have questions about what your child is learning or how they are progressing, please reach out to your child's teacher.

- Type and Frequency of Progress Reporting:

Formal progress reports are sent home three times per year during Student-led Conferences. In addition, the Charter School's teachers send all updated progress reports to families as they take place. For example, these progress report updates include math COI data, spelling/vocabulary assessments, reading assessments (DRA), or any pre/post writing snapshots.

Promotion/Retention Policy and Procedures

Promotion: Students who achieve the minimal level of proficiency (PROFICIENT) on the SBAC in Mathematics and ELA (or equivalent assessments/benchmarks in non-tested grades), in accordance with SBE Section 60648, and are on grade level in Mathematics and ELA, as determined using standards-based grading, will be automatically recommended for promotion to the next grade level.

Retention: Students who do *not* meet <u>at least one</u> of the proficiency levels as cited above will be referred to a Promotion Review, conducted by the school leadership team. This will include extensive analysis of academic performance and all related factors. <u>Because research has definitively shown that retention is most often NOT a successful intervention, it is extremely rare at Aspire Public Schools.</u>

After the Promotion Review, the school leadership team will write a learning plan for the next school year that will address the student's academic deficiencies. This plan will be shared with the student's parents. <u>No student is to be retained unless the regional and school leadership team determine and are in agreement that retention is the best intervention to ensure the student's success.</u> The Area Superintendent is responsible for the final decision.

In the rare event of a recommendation for retention, the following steps are taken:

1. A letter is sent to the parents or guardian informing them that their child is at risk of retention.
2. The leadership team's review and all related data are provided to and discussed with the student's parents or guardian before any final determination of pupil retention. This meeting is documented and signed by both the teacher and parent.
3. If the leadership team decides that retention is the best intervention, a meeting called within five school days to formally inform the student's parents or guardian of the decision regarding the retention.
4. The parents or guardians have the right to appeal the decision to retain to the Area Superintendent of Aspire Public Schools. If the decision of the Area Superintendent is

not in agreement with the parents/guardians, the parents have the right to appeal directly to the Chief Executive Officer of Aspire Public Schools.

For students with special needs, students will not be retained on the basis of their disability. If a student with an IEP were recommended to be retained, it will be discussed and decided upon by their IEP team.

Element 4 - Governance

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." (Ed. Code § 47605(b)(5)(D).)

Aspire Public Schools Board of Directors

The Charter School is an independent charter school governed by the Aspire Board of Directors. Biographies of the current Aspire Board of Directors are attached in Appendix IX. Aspire is a California, nonprofit, public benefit corporation. Proof of Aspire's tax exempt status is attached in Appendix X

Aspire is governed by the Aspire Public Schools Board of Directors in accordance with California's Charter Schools Act and the Nonprofit Public Benefit Corporation Law. The Charter School will be governed pursuant to the bylaws adopted by the incorporators, as subsequently amended pursuant to the amendment process specified in the bylaws. Copies of the current Aspire Board's articles of incorporation, by-laws, and conflicts code are attached in Appendix XI but not incorporated herein by reference.

The Charter School shall post all governing board meeting minutes and bylaws on the Charter School's public website (https://aspirepublicschools.org/discover_aspire/accountability/) , in accordance with the Brown Act, as applicable.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

The Aspire Board of Directors currently consists of a maximum of 8 regular members. The Board of Directors is responsible for establishing broad policies that affect all Aspire schools. For example, the Board of Directors and its Executive and Compensation Committee may set policies related to staff hiring, benefits and compensation, conditions for student suspension or expulsion, controversial issues that affect more than one school site and teacher, and principal and staff compensation criteria. Members of the Board may also participate in raising funds and increasing public awareness of Aspire's work.

The Board is also responsible for monitoring the programmatic, operational and financial health of all Aspire schools and the organization collectively in order to identify and highlight risks and guide efforts to mitigate those risks.

Aspire takes a conscientious approach to recruiting and selecting new Board members. Aspire's Board and CEO conduct extensive due diligence to ensure that new Board members are a strong cultural fit with the organization, will add value in specific areas and, most importantly, contribute to Aspire's growth and success.

The recruitment, evaluation and selection of new Board members typically are conducted through the following seven-step process.

Step 1: Solicit nominations and compile names
Step 2: Initial meeting with nominating Board member
Step 3: Nominator reports back to the Board
Step 4: Prospective member meets with CEO, other Board members and staff
Step 5: Visit schools and attend Board meeting(s)
Step 6: Final meeting with CEO or nominator
Step 7: Board votes on prospective member

Once a candidate completes this process a decision will be issued by the Board based on a majority vote. The term of any Board member shall not exceed four years and a Board member may not serve more than two consecutive terms. All Board meetings are noticed and held in compliance with the provisions of the Brown Act, as applicable. A majority of the directors then in office constitutes a quorum. All acts or decisions of the Board are by majority vote based upon the presence of the quorum. Participation through teleconference is permitted and in accordance with the Brown Act, as applicable.

At a high level, there are three broad categories that define what characteristics Aspire looks for in prospective Board members:

Skill Set – All Board members must have expertise in an area that is valuable to Aspire's operations, especially where there are gaps in the board skill set.

Fundraising Capacity – All Board members are required to support the fundraising goals and program of the organization.

Diversity – Geographic, ethnic and gender diversity are very important factors.

Aspire will retain its own legal counsel when necessary. It will purchase and maintain as necessary general liability, property, workers' compensation and unemployment insurance policies.

Aspire's leadership positions are below:

- *Chief Executive Officer (CEO)* – The CEO is responsible for the strategic direction and success of the organization across all states and regions.

Family and Community Involvement

For Aspire board meetings, there is a live teleconference line and video broadcast available in a conference room at the LA, CV and MEM Regional Offices. The exact location for each meeting is posted on the Board agendas. An Aspire staff member is present in the conference room at the location posted on the agenda to assist any parents who would like to participate via 2-way teleconference or video broadcast. The Board Meeting teleconference number is posted on all Board agendas. The Brown Act is followed with regard to teleconferencing. Early in each school year, the board of directors sets and approve its annual calendar of meetings. A majority of the Directors in office constitutes a quorum. All acts or decisions of the Board are by majority vote based upon the presence of the quorum.

All meeting agendas are posted in accordance with the Brown Act. All meetings of the Board are meetings in which the public may attend and participate.

The Board agendas, meeting times, and locations are posted in advance on the Aspire website and at each Aspire school, including the Charter School, in accordance with the Brown Act. Local stakeholders can directly participate in meetings by attending them in person, via videoconference or via teleconference. The procedures are designed to comply with the Brown Act because they create open, public meetings that comply with the teleconference requirements identified in Government Code Section 54953.

Board meetings are typically physically held at the principal office of Aspire Public Schools, currently 1001 22nd Ave, Oakland, CA 94606 and are subject to change. Regular Board meetings are typically held 5 times per year. Executive and Compensation Committee meetings are typically held every month. Frequency and location of Regular and Executive Board meetings are subject to change and noticed in accordance with Brown Act, as applicable. Special and Emergency Board meetings shall be called according to Brown Act. The Annual meeting shall be held at a time, date and place as may be specified and noticed by the Board of Directors, in compliance with Brown Act. Section 6.6 of Aspire's bylaws details when and how a Board member may participate in a meeting telephonically and such provisions are compliant with Brown Act. The Aspire Board has developed conflict policies that have mechanisms in place for Board member abstentions, which are consistent with Brown Act.

The Board has delegated limited approval authority to an Executive and Compensation Committee, currently consisting of three Board members, which handles all school-related matters, such as expulsions, contracts and MOUs for schools, and charter petitions and renewals. The Executive Committee meets almost monthly and is subject to Brown Act. The

Executive and Compensation Committee typically meets at the Aspire Home Office, and the meetings are broadcasted in the same way as the full Board meetings.

Their responsibilities are as follows:

1. Routine compliance reports to charter authorizers, including, but not limited to, regional or school based finance reports;

2. Routine submissions to charter authorizers related to charter renewal or charter oversight, including, but not limited to, charter renewal documentation and changes to individual school enrollment preferences or admissions policies;

3. Student discipline matters requiring Board review;

4. Federal, state, local, and private grant program documentation, including, but not limited to, documentation for Local Educational Agency Plan and Title I compliance;

5. Board of Directors and Executive Committee meeting minutes;

6. Quarterly financial statements;

7. CEO evaluation recommendation;

8. CEO and CFO compensation recommendation;

9. Changes to and new salary schedules and bands that fall within the Board approved organizational budget;

10. Organizational and routine compliance policies;
11. Local Control and Accountability Plans for each individual Aspire school;

12. Construction project budgets for any project less than $2M; and

13. Urgent matters that arise unexpectedly between board meetings

Aspire encourages all stakeholders to participate in and share responsibility for the educational process and educational results. In order to achieve this important end, pursuant to Education Code (EC) Section 52852, the Charter School shares local control with a School Site Council (SSC). The SSC is comprised of the principal and representatives of teachers, other school personnel, and parents of students attending the school; in secondary schools, students themselves may be part of the group. The group is generally responsible for assessing the needs of the students, analyzing student data to make programmatic recommendations, collaborating on the development of the LEA's Local Control Accountability Plan, reviewing and allocating available supplemental categorical funds, and working with other school committees.

The SSC is an integral part of the success of the students and the school as a whole; however, there are certain areas that *NOT* the scope of the SSC:

- Management of the school
- Policy-making
- Political organizing
- Fundraising
- Socializing
- Personnel recommendations and decisions

Additionally, in order to encourage and support stakeholder involvement, each school's website contains the following information in both Spanish and English:

1. Timely notices of board meetings and other school committee meetings that involve parents.
2. Meetings held/interpreted in Spanish and English.
3. Opportunities to share thoughts and opinions through email and ParentSquare, the interactive parent communication platform used by the school.
4. Short summaries of issues, ideas, and decisions of school committees
5. At least two opportunities for parents to give detailed input on the Local Control Accountability Plan

As the leader of the school, the principal also plays a vital role in the success of the SSC and all stakeholder involvement. The Principal is responsible to ensure clear communication, a fair voting and/or voice process, timely budgeting, careful agenda creation, essential resources and training, collaboration on stakeholder priorities and concerns, and guidance for the overall implementation and success of the group.

Parent volunteering is not a condition of admission and/or continued enrollment at the Charter School, but the school welcomes parents to participate in morning meetings, assemblies, open houses, parent education nights, volunteer opportunities, field trips, Coffees with the Principal, School Site Council, and ELAC meetings.

According to EC 47605.6(n), a charter school may encourage parental involvement, but shall notify the parents and guardians of applicant pupils and currently enrolled pupils that parental involvement is not a requirement for acceptance to, or continued enrollment at, the charter school.

In order to ensure that parents understand that there is no volunteering requirement, information will be sent home via ParentSquare in English and in Spanish. Additionally, the print out of the ParentSquare message will be printed in English and Spanish and sent home with each student. Further, at each meeting that parents attend, this announcement will be reiterated.

Additional Opportunities for Family Involvement

1. Exhibition panels – Families may sit on panels to judge student work.

2. School and staff evaluations – Families complete a survey each year evaluating the strengths and weaknesses they identify with the program at The Charter School.

3. Student-led conferences – Students will lead conferences on their work during the year to keep their families informed.

4. Volunteer Opportunities – Various opportunities will arise for families to volunteer, such as helping in classrooms, leading extra-curricular activities, assisting in event planning, attending study trips, and serving on family committees. Parent volunteering is not a condition of their child's admission/enrollment and/or continued enrollment within the Charter School.

5. Fundraising – Families and community members may work with The Charter School to raise additional resources to support students and The Charter School program.

6. Advocacy – Families and community members communicate The Charter School design and outcomes to the public, educators and policy makers and advocate for necessary policies and resources.

7. Aspire Board of Directors meetings (including Executive and Compensation Committee meetings) – Families and community members are welcome to the Board meeting. In compliance with the Brown Act as applicable, Aspire posts the agenda for Aspire Board of Directors meetings at least 72 hours prior to the meeting.

8. In addition to mid-year and end of year surveys, the Charter School holds at least one annual Town Hall and two family information nights to obtain input on the education program and LCAP goals.

Addressing Family Concerns and Complaints

Aspire is committed to providing a safe, discrimination-free and harassment-free education to its students and to working with families to address concerns and complaints. The suggested process is displayed on a poster in a prominent place in the School Office and includes the following:

Families are encouraged to first discuss their concerns and complaints through informal conferences with the appropriate teacher, principal, or other campus staff. It is important that concerns are expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Step 1 Meeting/discussion with the specific staff member
Step 2 Meeting/discussion with the person's supervisor (if applicable)
Step 3 Meeting/discussion with the Principal
Step 4 Meeting/discussion with the Area Superintendent or Associate Superintendent
Step 5 Meeting/discussion with the Aspire Board of Directors

All contact information is available in the School Office. If an informal conference regarding a concern fails to reach an outcome which is satisfactory to the complainant, he/she may initiate the formal process by filing a written complaint. The form is available in the Parent Handbook. Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

Aspire has established a formal complaint process to address any family complaints about the employees or employment practices of the organization. Aspire has issued a Uniform Complaint Procedure Policy and a Community Complaint Form, which can both be found in Appendix XII. Finally, Aspire is committed to providing a safe, discrimination-free and harassment-free education to its students. To help achieve this important end, Aspire has established a formal Discrimination/Harassment Policy and Complaint Procedure, attached in Appendix XIII.

Aspire typically utilizes the following application, public random drawing, and admission

schedule. The schedule below may be abbreviated to ensure all steps are followed within a shorter time frame.

December – January	Recruit students (via referrals, networking, and holding enrollment and option fairs). Collect Student Interest Forms.
January - March	Send re-enrollment forms to existing students to identify open seats. Public random drawing conducted (if necessary).
March - May	Waitlist letters distributed to applicants not selected in the public random drawing. Acceptance letters and registration packets distributed to parent and children who have been drawn in the public random drawing.

Element 9 - Annual Financial Audits

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." (Ed. Code § 47605(b)(5)(I).)

An annual fiscal audit, required under the Charter Schools Act, will be conducted by an auditor with experience in education finance and will use generally accepted accounting principles. Aspire's Audit Committee, in conjunction with Aspire's Chief Financial Officer, is responsible for contracting with the independent auditor, who shall be selected from the Certified Public Accountant's Directory published by the State Controller's Office. The audit shall be conducted in accordance with Education Code Section 47605(m) and the applicable portions of Standards and Procedures for Audits of California K–12 LEAs as published in the *California Code of Regulations.* Aspire's Chief Financial Officer is responsible for overseeing the independent audit. Aspire shall transmit a copy of its annual independent financial audit report for the preceding fiscal year to the District or designated staff and any other entities (such as the State Board of Education, the California Department of Education, the County Office of Education, or any other agency as the State Board of Education may direct) as required by law and by December 15 of each year. Aspire will resolve audit exceptions and deficiencies, if any, in a timely fashion. All exceptions and deficiencies and their remedies and will be communicated to the District in a timely matter. If any audit exceptions are identified during the audit, Aspire will immediately look to address the root cause of the issue and seek to determine an action plan to resolve to ensure that exceptions have been corrected. Aspire will put processes and procedures in place to minimize the risk of the issues re-occurring. Aspire will adhere to the Education Code responsibilities, reporting requirements and timeline regarding audit exceptions identified by our independent auditor.

Any disputes regarding the resolution of audit exceptions and deficiencies will be referred to the dispute resolution process contained in this charter, or if applicable, referred to the Education Audit Appeal Panel (EAAP) appeal process as required by Education Code Section 41344. The independent financial audit of The Charter School is a public record to be provided to the public upon request.

Financial Statements

Attached, in Appendix XVIII, please find the following documents for The Charter School:

- Budget assumptions
- 3-year budget and cash flow
- 3-year budgeted Profit & Loss Statement

Aspire has been receiving funding pursuant to provisions of the California Education Code as it has opted to be direct-funded. Any funds due to The Charter School that flow through the District shall be forwarded to Aspire in a timely fashion.

Element 10 - Suspension and Expulsion Procedures

"The procedures by which pupils can be suspended or expelled." (Ed. Code § 47605(b)(5)(J).)

The policies and procedures for suspension and expulsion will be periodically reviewed and the list of offenses for which students are subject to suspension and expulsion will be modified as necessary and based on California Education Code. The Charter School will notify the District of any expulsions within 30 days. The Charter School will account for suspended or expelled students in its average daily attendance accounting as provided by law. In accordance with Education Code §47605(d)(3), upon expulsion of any student, The Charter School shall notify the superintendent or superintendent designee of the district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card and health information.

This means that the Charter School shall be responsible for maintaining the educational access of students during and pending the completion of the Charter School's student expulsion process and shall facilitate this access through home and independent study. The Charter School is not required to maintain the enrollment of the expelled student until they find placement in another LEA.

The Charter School will facilitate placement of expelled students by communicating with the authorizer as soon as practical. In this communication, the Charter School will provide a copy of the findings from the expulsion hearing which includes the reason for the expulsion, terms of expulsion and terms of rehabilitation. The Charter School will also provide all academic and behavioral records to any LEA requesting the records for any expelled student within 10 school days per Education Code 49068.

Additionally, accommodations, modifications and other services protected under IEP or 504 plans for any particular student will be provided during and pending the completion of the Charter's School's student expulsion process as required by law.

Discipline Foundation Policy

Aspire believes that all students have the right to learn in a safe, respectful and welcoming environment. The implementation of a school-wide behavior intervention and discipline plan is essential to the creation of this type of environment and the success of our students and teachers both behaviorally and academically.

Research shows that positive school climates increase student achievement, lower student suspensions and expulsions and increase graduation rates. This fits directly with Aspire's College for Certain model and Aspire has put additional resources behind creating and improving these systems for our individual schools and as an organization.

The Charter School believes in caring and authentic relationships among students and adults that support academic excellence, college readiness, lifelong learning, reflection and social consciousness. We believe that all students are scholars. We honor the community, culture and family background of our students.

The below details some of the overarching systems the Charter School employs to limit the number of students reaching suspension level behaviors and or provide systems for intervening through alternatives to suspension.

Positive Behavior Support Systems

Aspire is committed to supporting all students through the implementation of systems that build a positive school culture. This includes both overarching intervention frameworks as well as specific culture and positive behavior building programs. Some specific systems we use include:

Multi-tiered Systems of Support (MTSS): MTSS is the next evolution of Response to Intervention, which focuses much more on the whole child and creating a tiered system of supports that takes into account not just academic or behavioral needs, but also the impact of environment on these needs.

Positive Behavior Interventions and Supports (PBIS): PBIS is a problem-solving framework that supports schools in determining behavioral interventions and support at all tiers within an MTSS system.

Restorative Practices (RP): RP promote positive relationships and community building while providing meaningful opportunities for members of the school community to share the responsibility for making our schools a safe and nurturing environment. Restorative Practices are used throughout all tiers of support and intervention to create positive school culture, alternative discipline and change.

Social-Emotional Learning (SEL)

Our approach to Social and Emotional Learning (SEL) is to create positive school climate and culture and foster the social and emotional growth of our scholars and teammates through adopting an intentional focus on the integration of SEL throughout our entire instructional pyramid and beyond. Aspire implemented an Aspire-wide TK-12 adoption and roll out of SEL principles and programming in 2018-2019. Our Social and Emotional Learning Program is a key element in advancing our Equity efforts at Aspire, by ensuring each scholar is receiving the types and appropriate level of supports they need to reach their potential.

Aspire is committed to supporting our students' social and emotional development to be caring and productive citizens. We engage in culturally responsive and equitable practices in our communities of students, families, and teammates to cultivate the following lifelong skills in each Aspire scholar and educator:

- Managing emotions and behaviors
- Feeling and expressing empathy and compassion for others
- Making responsible decisions
- Setting and achieving positive goals

In addition to Aspire's overarching positive behavior and discipline policies (found in our student handbook), the Charter School utilizes a variety of interventions and school-specific policies. Some examples of specific alternatives to suspension include:

• Parent Conference • Personal Reflection • Detention • School and/or community service • Adult-Student Relationship Building through specifically planned activities(Ex. Hiking) • Behavior Daily Reports • Mentoring • Counseling • Peer Mediations • In-School Alternatives • Restorative conversations, circles and conferences

In addition to more broad school-based interventions and school culture work, the Charter School's counseling team works across different tiers of intervention, not only providing school-based services, but also connecting parents and students to outside resources to help ameliorate other concerns that may impede a student's ability to learn or make it difficult for them to regulate behavior in school.

In addition to the work the Charter School has put in to their specific school climate, Aspire provides a variety of supports to our schools and school staff in implementing school-wide behavior interventions and discipline policies, improving student attendance and implementing alternatives to suspension.

In direct response to our need to focus on our non-academic indicators of success, Aspire assigns a Regional Manager or Regional Director of Student Services (RM or RDSS) specifically assigned to our schools. The RM/RDSS's role encompasses both school-specific and region-wide and includes, but is not limited to:

- Provides professional development and individualized coaching to Deans of Students, APs of Culture and other staff around areas related to student behavior and discipline, including, but not limited to:

- Creation and use of behavior and discipline data, attendance data and other indicators to inform decision-making at various tiers of intervention
- Consult on student specific cases, including discussions of alternatives to suspension, interventions, etc.
- Hold region-wide professional development to support cross-school collaboration and discussion, increase understanding of recent research in student support, etc.

- Provides professional development and individualized coaching to mental health counselors around areas related to student behavior and mental health, including, but not limited to:
  - Creation and use of behavior and discipline data, attendance data and other indicators to inform decision-making at various tiers of intervention
  - Professional development opportunities for mental health counselors
  - Coordination of crisis response protocols and regional response teams

- Provides consultation time with principals and Regional Office Staff to discuss discipline data, attendance data and other non-academic student support needs.

- Creates and Updates Region Specific resource pages that include, but is not limited to, the following types of information:
  - Professional Development topic pages. For example, resource pages dedicated to Restorative Practices in Schools
  - Links to authorizer support resources around discipline and behavior interventions
  - Family resource referrals for outside agencies and supports

- Collaborate with authorizer and outside agencies to craft and expand supports for our schools. Ex:
  - The RM/RDSS works to keep abreast of authorizer and state recommendations and requirements around student support and communicate with our schools around that information.
  - The RM/RDSS works with local universities to gain counseling interns in order to expand the services our schools can provide to our students with social-emotional and mental health needs, hopefully preventing and/or ameliorating many of the behavioral issues that occur because of SE needs.
- Regional Directors also engage more deeply in work with authorizers and directly supervise additional staff at the regional level.

In terms of the data necessary to determine the efficacy of our school's behavior system, all Aspire schools utilize OnCourse to track suspension and expulsion data, in order to allow school personnel (including administration) to get a better picture of their behavior landscape and build additional interventions as needed. Aspire has built a variety of data reports that allow administrators to easily access important data trends. Some examples include, but are not limited to:

- Most common behavior incidents by type
- Suspension rates for students

- Total suspension by month (with comparisons available month to month and by year)

In order to create a more robust system of data around interventions, Charter School will also implement the RyeCatcher student information system and SEL assessments in order to provide data on how well interventions are working for both individual students and the Charter School as a whole.

Part of the RM/RDSS's role is to routinely access this data and bring trends (positive and negative) to the attention of the admin team at the school site and the area superintendent.

Additionally, each RM/RDSS works as part of a larger team within Aspire to increase the knowledge-base and collaboration among different staff stakeholders such as principals, APs, deans, counselors, office managers and teachers in order to increase effectiveness and student achievement. The focus of this work is on non-academic indicators and interventions and includes routinely analyzing non-academic data such as behavior incidents, suspension data, attendance data and other indicators. This team includes directors and managers of student services in other regions, regional special education and other staff, members of the student services team at Aspire and others. The position is supported by the Chief Schools Officer of Aspire Public Schools.

Suspension

Suspension is the temporary removal of a student from class instruction for adjustment or disciplinary reasons

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students who come to school during the term of their suspension or expulsion may result in further disciplinary action.

Except in cases where suspension for a first offense is warranted in accordance with law, each school site shall consider suspension from school only when other means of correction have not been successful or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority to Suspend

1. A teacher may suspend a student only from the teacher's classroom for the day of the suspension plus the following school day.
2. The Principal or the Principa's' designee may suspend a student from class, classes or the school campus for a period not to exceed five school days.
3. The CEO or designee may extend a student's suspension pending final decision by the Aspire Administrative Panel on a recommendation for expulsion.

Jurisdiction

A student may be suspended or expelled for prohibited misconduct if the act 1) is related to an Aspire school activity, 2) occurs at an Aspire school or at any other school, 3) occurs at an Aspire school's sponsored event, or 4) occurs between any of the above and home (door-to-door).

Suspension Alternatives

The Aspire CEO, CEO Designee, or Principal may use their discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and anger management programs for students subject to suspension or expulsion. An additional alternative may be community service on school grounds or, with written permission of the parent or guardian, off school grounds during the student's non-school hours. [Education Code 48900.6]

2. **Determination of Length of Suspension**- The school site administrator determines the appropriate length of the suspension in conjunction with local school policy and school-specific disciplinary management plans (up to five consecutive school days).

As defined in Education Code 48903 (a) , except as provided in subdivision (g) of Section 48911 and in Section 48912, the total number of days for which a pupil may be suspended from school shall not exceed 20 schooldays in any school year, unless for purposes of adjustment, a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of schooldays for which the pupil may be suspended shall not exceed 30 days in any school year.

(b) For the purposes of this section, a school district may count suspensions that occur while a pupil is enrolled in another school district toward the maximum number of days for which a pupil may be suspended in any school year.

3. **Legal Notifications**-Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. Upon reporting such an incident,

the principal or designee with secure a written copy of the police report and a copy of that report shall be placed in the private student files.

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts that may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10.

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind.

When the Principal or other school official releases a student to a peace officer for the purpose of removing the student from the school premises (after the release), the Principal or other school official shall take immediate steps to notify the parent, guardian, or responsible relative of the student regarding the release of the minor to the officer, and regarding the place to where the minor is reportedly being taken. **Note**: The responsibility to notify the parent, guardian, or other responsible relative concerning the release of a student does not apply to the release of a student who has been taken into custody as a victim of suspected child abuse.

4. **Suspension Conference-** Suspension shall be preceded, if possible, by a conference conducted by the Principal or designee with the student and the student's parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Principal.
5. **Notice of Suspension-** The Principal or designee must complete an Aspire Notice of Suspension form. The parent will be given written notice of the suspension using this form. The Aspire Notice of Suspension serves as written notification of the student's suspension and indicates the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school.

A copy of this form is also sent to the Aspire home office (Attention: Director of Student Services) and placed in the principal's private student files – suspension notices should not be placed in the student's cumulative file.

Appeals Process

A student or the student's parents or guardians may appeal those disciplinary actions, other than expulsion, imposed upon a student for his or her school-related offenses. Expulsion appeals are brought directly to the Aspire Executive Committee.

- Appeals must be made first in writing at the school level, and should be directed to the principal. The principal or principal's designee will attempt to resolve the appeal with a written response within ten (10) school days.

- After appeal at the school level, if further appeal is desired, the appeal should be made to the Aspire Home Office and should be directed to the CEO or designee (Regional Manager of Student Services) for resolution with a written response within fifteen (15) school days.
- After appeal at the Aspire administrative level, if further review is desired, the appeal may be forwarded to the Aspire Executive Committee for resolution with a written response within 20 school days.

If any appeal is denied, the parent may place a written rebuttal to the action in the student's file.

Expulsion

Expulsion is the involuntary removal of a student from all Aspire schools and Aspire programs for acts of specified misconduct.

Except for single acts of a grave nature, expulsion should only be used when:

- there is a history of misconduct,
- other forms of discipline (including suspension) have failed to bring about proper conduct,
- or when, due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

Authority to Expel

A student may be expelled by the Aspire Administrative Panel. The Administrative Panel will consist of at least three members who are certificated and neither a teacher or principal of the pupil nor a member of the Aspire Board of Directors. The Aspire Administrative Panel may expel any student found to have committed a suspendable or expellable offense (APS 5144.1) under the required timelines and provisions of California Education Code. An expulsion decision may be appealed to the Aspire Board of Directors.

While under expulsion, a student cannot enroll in another Aspire school without approval of the Aspire Board of Directors. At the conclusion of an expelled student's term of expulsion, a student cannot enroll in any Aspire school without approval of the Aspire Board of Directors through the readmission process. If readmitted, placement is made by the CEO or designee within the Aspire network of schools, but there is no guarantee of re-enrollment to the expelling school (or a partner school), even if the rehabilitation plan is met.

Approximately one month prior to the conclusion of the term of expulsion, the Aspire Registrar contacts the family to remind the student and family that they may apply to return to Aspire if they have met the terms of their expulsion. Families have two weeks from the time of that notification to apply for readmission to Aspire. At the time of application, evidence must be presented substantiating satisfaction of the conditions of the student's

rehabilitation plan. If this information is not received within two weeks, the family is called by the Aspire Registrar to remind them of their opportunity to apply for readmission. If the family does not submit complete documentation or the documentation does not support completion of the rehabilitation plan during the specified readmission time period, the student may still return once the rehabilitation plan is satisfied, however, enrollment spots cannot be guaranteed and the student may be placed on the waiting list. All written communication is documented and sent via certified mail.

If a student has met all terms, the student's application for readmission is reviewed by the board for approval. If approved, the student is re-admitted and a re-entry conference with the principal of their school is scheduled to promote a smooth transition.

The Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of the Charter School's student expulsion process.

Expellable Offenses

Mandatory Expulsion

The Principal or CEO (or the CEO's designee) shall immediately suspend and shall recommend the expulsion of a student who has been determined to have committed any of the following acts at school or at school sponsored activity while under the school's jurisdiction. If determined that the student has committed a mandatory expellable offense, the Aspire Administrative Panel will expel the student.

Mandatory Expulsion does not require a second finding of fact.

- Possessing, selling, or otherwise furnishing a firearm, unless pupil had obtained prior written permission to possess the firearm from a certificated school employee
- Brandishing a knife at another person
- Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058
- Committing or attempting to commit a sexual assault or committing a sexual battery
- Possessing an explosive

Mandatory Recommendation for Expulsion

The Principal or CEO (or the CEO's designee) shall immediately suspend and shall recommend the expulsion of a student who has been determined to have committed any of the following acts at school or at school sponsored activity while under the school's jurisdiction. The Aspire Administrative Panel may order the student expelled.

Mandatory Recommendation for Expulsion requires a second finding of fact.

- Causing serious physical injury to another person, except in self-defense
- Possession of any knife as defined in Education Code 48915(g) or other dangerous object of no reasonable use to the student

- Unlawful possession of any controlled substance, as listed in Health and Safety Code 11053-11058, except for the first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis
- Robbery or extortion
- Assault or battery upon any school employee as defined in (Penal Code 240 and 242)

Permissive Recommendation for Expulsion- Requires a second finding of fact

Upon recommendation of the Principal or CEO (or the CEO's designee),the Aspire Administrative Panel may order a student expelled upon finding that the pupil, at school or at a school sponsored activity on or off school grounds, violated any of the suspendable acts listed under suspension.

Special Procedures for the Discipline of Students with Disabilities

1. Disciplinary Removals of Less than 10 days:

A LEA may remove a student with a disability who violates a code of student conduct from his/her current placement to an appropriate interim alternative educational setting, another setting or suspension, as long as the removal does not constitute a change of placement (34 CFR 300.536).

2. Disciplinary Removals of 10 Days or More:

If a student's removal from his/her current placement exceeds ten days in an academic school year, the removals qualify as a change in placement and the LEA shall conduct a Manifestation Determination (MD) meeting within ten days of the decision to change the student's placement.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Aspire School's principal or designee, the parent, and relevant members of the IEP/504 Plan Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

a) If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
b) If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the manifestation determination team makes the determination that the conduct was a manifestation of the child's disability or was the direct failure of the LEA to implement the IEP/504 plan, the child will return to the placement from which they were removed and the the IEP/504 Team shall convene to address the following:

a) Conduct a functional behavioral assessment or a functional analysis assessment, and implement a behavioral intervention plan for such child, provided that the Aspire

school had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;

b) If a behavioral intervention plan has previously been developed,
    i. review the behavioral intervention plan,
    ii. and modify it, as necessary, to address the behavior

4. Expulsion of Students with Disabilities:

If the manifestation determination meeting participants determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP/504 plan, then Aspire Public Schools may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

Notification of District of Residence

Aspire Public Schools shall immediately notify the District of Residence and coordinate the procedures in this policy with said District for any student with a disability or student who is currently undergoing assessment for a possible disability. Aspire Public Schools is responsible for ensuring that students with known disabilities are provided educational services during and following expulsion proceedings until they enroll in a different LEA.

Services Pending a Recommendation for Expulsion

Students pending an expulsion hearing or following expulsion until enrollment in a different LEA shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP;.

Due Process Appeals

In situations where the parent of an Aspire student with a disability disagrees with any decision regarding placement or the results of a manifestation determination hearing, or Aspire Public Schools believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, either party may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings to resolve the disagreement.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or Aspire Public Schools, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and Aspire Public Schools agree otherwise.

Special Circumstances

Aspire Public School administrators, the CEO or designee (Senior Director of Special Education) may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The CEO or designee (Senior Director of Special Education) may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

a. Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function;
b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
c. Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

After the student's removal, the LEA shall conduct a Manifestation Determination meeting.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA/ADA and who has violated the district's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Aspire school had knowledge that the student was disabled before the behavior occurred.

The Aspire school shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

a) The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to the Aspire school's administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
b) The parent has requested an evaluation of the child.
c) The child's teacher, or other Aspire school personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the Director of Special Education or to other Aspire administrative personnel.

If Aspire Public Schools knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA/ADA-eligible children with disabilities, including the right to stay-put.

Aspire Public Schools shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

If Aspire Public Schools had no basis for knowledge of the student's disability, the Aspire school shall proceed with the proposed discipline. If parents request a special education evaluation at the time of the disciplinary action and the Aspire school did not have a basis of knowledge for the disability, Aspire Public Schools shall conduct an expedited special education evaluation.The Aspire school may put the disciplinary proceeding on hold pending the outcome of the evaluation. Upon completion of the evaluation, an IEP team will meet to determine eligibility. If the student is found eligible for special education, a manifestation determination meeting shall be conducted to determine whether the incident that occurred was a manifestation of the student's identified disability.

Element 11 - Employee Retirement System

In the event that PERS is unavailable to the Charter School's classified employees, the Charter School will offer an alternative retirement plan (e.g. an employer-sponsored 403(b) account).

Students who opt not to attend The Charter School may attend other district schools in accordance with existing enrollment and transfer policies of their district or county of residence. The parent or guardian of each student enrolled in The Charter School will be notified that their student shall have no right to admission in a particular school of any local educational agency (or program of any local educational agency) as a consequence of enrollment in The Charter School, except to the extent that such a right is extended by the local educational agency.

Element 13 - Rights of District Employees

"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter." (Ed. Code § 47605(b)(5)(N).)

Aspire is committed to working with the District in a spirit of cooperation. Matters unable to be resolved by the District Superintendent or designee and Aspire will be referred to a mutually agreed upon legally licensed mediator at standard cost. Any costs and fees other than attorney fees associated with the mediation shall be shared equally by the parties.

The staff and Governing Board members of Aspire agree to attempt to resolve all disputes between the District and Aspire regarding this charter pursuant to the terms of this section. Both will refrain from public commentary regarding any disputes until the matter has progressed through the dispute resolution process.

Any controversy or claim arising out of or relating to the charter agreement between the District and Aspire, except any controversy or claim that in any way related to revocation of this charter, shall be handled first through an informal process in accordance with the procedures set forth below.

(1) Any controversy or claim arising out of or relating to the charter agreement, except any controversy or claim that in any way related to revocation of this charter, must be put in writing ("Written Notification") by the party asserting the existence of such dispute. The Issue Conference shall take place within fifteen (15) business days from the date the Written Response is received by the other party.

(3) If the controversy, claim, or dispute is not resolved by mutual agreement at the Issue Conference, then either party may request that the matter be resolved by mediation. Each party shall bear its own costs and expenses associated with the mediation. The mediator's fees and the administrative fees of the mediation shall be shared equally among the parties. Mediation proceedings shall commence within 60 days from the date of the Issue Conference. The parties shall mutually agree upon the selection of a mediator to resolve the controversy or claim at dispute. If no agreement on a mediator is reached within 30 days after a request to mediate, the parties will use the processes and procedures of the American Arbitration Association ("AAA") to have a mediator appointed.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Aspire Public Schools, a non-profit public benefit corporation, and affiliates (collectively, the Organization), which comprise the consolidated statements of financial position as of June 30, 2017 and 2016, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Aspire Public Schools, a non-profit public benefit corporation, was formed to manage, guide, direct, and promote charter schools that provide quality education to youth in primary and secondary grades. The Organization was founded in 1998. The Organization's support is derived primarily from public education monies, individual and foundation contributions, and various government agency grants.

In addition to managing school operations, Aspire Public Schools controls three affiliated organizations that were created to facilitate ownership of certain school facilities and support development of charter schools. The facilities are owned and managed by two single-member limited liability companies, College for Certain, LLC (CFC LLC), and College for Certain II, LLC (CFC II LLC). The sole member of both LLCs is College for Certain, Inc. (CFC INC) which was created as a supporting organization of Aspire Public Schools to facilitate and support the development of charter schools. CFC INC is controlled by, and for the benefit of, Aspire Public Schools. CFC LLC and CFC II LLC are disregarded entities for federal income tax purposes.

Aspire Public Schools TN, LLC (TN LLC) is a Tennessee non-profit limited liability company created in July 2013, whose sole member is Aspire Public Schools. TN LLC incorporated pursuant to the Tennessee Nonprofit Corporation Act and is a disregarded entity for federal income tax purposes. TN LLC was formed to manage, guide, direct, and promote charter schools that provide quality education to Tennessee youth in primary and secondary grades. TN LLC's support is derived primarily from State of Tennessee public education monies, foundation contributions, and various government agency grants.

Aspire U's purpose is to develop a high-caliber teacher, principal, and leader pipeline for the Organization and other education organizations. Refer to Note 18 for subsequent event.

For financial reporting purposes, CFC LLC, CFC II LLC, CFC INC, TN LLC, and Aspire U are consolidated with Aspire Public Schools for the years ended June 30, 2017 and 2016.

Principles of Consolidation – The accompanying consolidated financial statements include the accounts of Aspire Public Schools and its controlled affiliated organizations, collectively the "Organization". Ravenswood City School District, the sponsoring district for Aspire East Palo Alto Charter receives up to 3% for supervisory oversight because the district provides facilities substantially rent-free.

Through June 30, 2017, the Organization had separately negotiated with all sponsoring districts for administrative fees and other services. Additionally, for some schools, transportation expenses and/or special education encroachment are paid by the Organization to the sponsoring districts.

- **Aspire Public Schools TN, LLC** – TN LLC operates four schools under four charters in Shelby County, Tennessee. Charters were granted for each school for ten years, with an opportunity for renewal. - **College for Certain, Inc.** – CFC INC is a supporting organization of Aspire Public Schools in that it facilitates and supports the development of charter schools for Aspire Public Schools. CFC INC is the sole member of CFC LLC and CFC II LLC and is the named borrower of the 2015 and 2016 Bonds outstanding.

- **Aspire University, Inc.** – Aspire U is a related non-profit organization whose purpose is to develop a high-caliber teacher, principal, and leader pipeline for the Organization and other educational organizations. Subsequent to year-end, Aspire U changed its name to Alder Graduate School of Education and restructured its corporate membership whereby it is no longer controlled by Aspire Public Schools (see Note 18).

Basis of presentation – The financial statements are presented in conformity with professional standards applicable to not-for-profit entities. The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. The Organization has no permanently restricted net assets.

Revenue recognition – Contributions and grants are recognized when the donor/grantor makes an unconditional promise to give to the Organization or when received. Donor-restricted and restricted state entitlement amounts are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "Net Assets Released from Restrictions." Government grants are recognized as revenue in accordance with the terms of the applicable grant agreement, which is generally upon the incurrence of expenditures related to the required services. Deferred revenue is recorded to the extent cash received on specific grants exceeds qualified expenses. Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met.

Cash and cash equivalents – For financial statement purposes, the Organization considers investments with maturity at purchase of three months or less to be cash equivalents.

Investments – Investments with readily determinable fair values are stated at fair value and held for long-term purposes. Other investments without readily determinable fair values are stated at the lower of cost or market, and evaluated periodically for impairment.

Intangible assets – The Organization has intangible assets for product and service discounts to be used in future periods. The Organization amortizes certain intangibles over their estimated useful lives, while intangible assets determined to have indefinite useful lives are assessed annually for impairment.

Property and equipment with a value greater than $5,000 are capitalized at cost or fair market value on the date of receipt in the case of donated property, and depreciated using the straight-line method over their estimated useful lives, which range from two to thirty years. Leasehold improvements are depreciated over the lease term (including options) or the useful life. Major additions are capitalized, and repairs and maintenance that do not improve or extend the life of the assets are expensed. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts, with the resulting gain or loss reflected in the statement of activities.

Donated equipment, materials, services, and facilities – In-kind contributions of equipment, materials, and services are recorded at their estimated fair values at the date of donation. Donated services are recorded when they create or enhance non-financial assets or require a specialized skill that the Organization would otherwise need to purchase. During the years ended June 30, 2017 and 2016, in-kind contributions of $1,560,578 and $158,925 were received, respectively.

Income taxes – The Organization has been granted tax-exempt status as provided by Internal Revenue Code Section 501(c)(3) and Section 23701(d) of the California Revenue and Taxation Code. In addition, the Internal Revenue Service has determined the Organization is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

Functional allocation of expenses – The cost of providing educational programs and other activities has been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated based on employees' time incurred and management's estimate of the usage of resources.

Program development and expansion – The Organization continually explores potential opportunities for expansion and growth; thus costs are incurred to research the possibility of establishing new sites. The Organization capitalizes these preacquisition costs into 'Construction in progress' (Note 7) at the time incurred. If it is determined that a formal contractual commitment will not be entered into, the expenses are included in program development and expansion in the period that the determination is made.

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

Level 1 Inputs	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
Level 2 Inputs	Inputs other than quoted prices in active markets that are observable either directly or indirectly.
Level 3 Inputs	Unobservable inputs for the asset or liability.

When a price for an identical asset or liability is not observable, a reporting entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or to settle or otherwise fulfill a liability is not relevant when measuring fair value.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant management estimates included in the financial statements are the collectability of the receivables and foundation grants receivables, estimate of net present value of the foundation grants receivable, the valuation of investments, the estimated useful lives of property and equipment, the net present value of intangibles, and the functional allocation of expenses.

Subsequent events have been reviewed through November 16, 2017, the date the financial statements were available to be issued. See Note 18 for significant subsequent events.

2. CONCENTRATIONS OF CASH

The Organization maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk related to cash.

3. RESTRICTED CASH

Restricted cash consists of amounts that are required to be held for debt services reserves and for principal and interest payments with respect to the bond outstanding; and contributions restricted to investment in property and equipment. The total restricted cash at June 30, 2017 and 2016 was $15,286,671 and $17,449,342, respectively. The current portion of $3,786,618 and $2,742,925 as of June 30, 2017 and 2016, respectively, was restricted for current bond debt obligations. The noncurrent portion of $11,500,054 at June 30, 2017 consisted of $6,605,665 for debt service reserves and $4,894,389 for investment in property and equipment. The noncurrent portion of $14,706,417 at June 30, 2016 consisted of $6,605,261 for debt service reserves and $8,101,156 for investment in property and equipment.

4. ACCOUNTS RECEIVABLE

Accounts receivable balances at June 30, 2017 and 2016 were $19,737,193 and $23,921,361, respectively. The balances were due entirely from grantor government agencies. Management deems all receivables to be collectible as of June 30, 2017.

5. FOUNDATION GRANTS RECEIVABLE

The Organization recognizes unconditional foundation grants receivables at their estimated fair value using estimated prevailing interest rates, on a nonrecurring basis, at the time the pledge is made. Fair value is determined by calculating the net present value of the estimated future cash flows. The discount rate used in determining the net present value of new pledges receivable was 2.52% and 2.02% at June 30, 2017 and 2016, respectively The estimated fair value of the pledges received during 2017 and 2016 totaled approximately $1,447,958 at June 30, 2017 and $7,708,880 at June 30, 2016, and were included within level 3 of the fair value hierarchy because determination of the net present value of future cash flows was based on little or no market data and required management to develop their own assumptions. For the years ended June 30, 2017 and 2016, foundation grant receivable balances of $1,000,000 and $3,000,000, respectively, which are expected to be received within one year, are classified with the non-current portion of the grant receivable balance as the contributions are restricted to be invested in property and equipment. All foundation grants receivable are judged by management to be collectible, and were as follows as of June 30:

	2017	2016
Gross foundation grants receivable	$ 7,499,808	$ 10,459,079
Less: Unamortized discount	(11,469)	(25,019)
Foundation grants receivable, net	$ 7,488,339	$ 10,434,060

Foundation grants receivable are due to be collected as follows:

	2017	2016
Within one year	$ 7,057,613	$ 9,577,551
One to five years	430,726	856,509
Foundation grants receivable, net	$ 7,488,339	$ 10,434,060

Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met. Approximate outstanding conditional promises to give are as follows and will be recognized as revenue as the conditions are met:

Purpose:	2017	2016
Opening schools in specific locations	$ 9,000,000	$ 14,000,000
Teacher training	550,000	-
Implementation of blended learning at specific locations	225,000	225,000
Total	$ 9,775,000	$ 14,225,000

6. INVESTMENTS

Investments consist of the following at June 30, 2017:

Government bonds	$ 9,970,125
Equity securities invested in education technology	93,000
Pooled funds with community foundation	41,371
Investments	$ 10,104,496

Equity securities are invested with a privately held business and are recorded at the lower of cost or fair value and are not subject to the fair value hierarchy. Government bonds are classified within Level 2 of the fair value hierarchy because they are valued using alternative pricing methods using observable information inputs, such as current interest rates. Pooled funds are classified as level 3, as the fair value is quoted by the community foundation and based on prices in active markets for the pooled investments as a whole.

The Organization also owns common stock of Schoolzilla, Inc. (Schoolzilla). Schoolzilla is a for-profit company that develops web-based data management platforms allowing teachers to synthesize data from multiple sources and create reports presenting their students' academic performances. The Organization owned more than 20% of the common stock until 2015. Although the Organization's interest in Schoolzilla dropped below 20% in 2015, management determined they still had significant influence over the operations of Schoolzilla through a seat on their board of directors and maintaining the third largest stake in Schoolzilla, and therefore accounted for this investment under the equity method. In 2016, ownership was further diluted and management did not have significant influence and therefore accounted for the investment under the cost method. As of June 30, 2017 and 2016, the investment was reflected at $0 value due to losses previously recognized under the equity method. Schoolzilla did not declare any dividends as of June 30, 2017 and 2016.

In December 2015, the Organization obtained the 2015 Bonds to pay off the balance of a capital lease with Lodi Unified School District and purchase the property for one dollar. The property that was under capital lease is classified with land and buildings as of June 30, 2017 and 2016.

Intangible Assets

The Organization holds an indefinite-life intangible asset for product and technology discount benefits valued at $316,372. Management assesses the carrying value of the indefinite-life intangible asset annually, or more often if facts and circumstances suggest it may be impaired. If this review indicates that the carrying value may not be recoverable, then the carrying value would be reduced to its estimated fair value. No impairment losses were recognized as a result of this review for the years ended June 30, 2017 and 2016, respectively.

Amortizable intangible assets consist of the following as of June 30, 2017:

These lives are based on the periods in which the Organization is eligible for such discounts. Amortization expense on intangible assets for the years ended June 30, 2017 and 2016 was $47,498 and $105,672, respectively.

In January of 2005, Lodi Unified School District (the District) purchased the Aspire River Oaks Charter School and Aspire Benjamin Holt College Preparatory Academy facilities from the Organization. The Organization concurrently entered into a capital lease obligation with the District that was effective January 1, 2005 through August 1, 2032. The Organization had the option to purchase the properties for one dollar at the termination of the lease. This transaction was treated as sale-leaseback transaction and a loss on this transaction of $374,660 was to be deferred and amortized over the term of the capital lease. As discussed in Note 10, the Organization obtained the 2015 Bonds and paid off the capital lease in December 2015 and purchased the property for one dollar per the lease agreement. The Organization wrote off the remaining deferred loss balance of $224,421 in 2016 as part of this transaction.

The proceeds, in addition to the net premium of $9,207,961, were used to advance refund $83,360,000 of outstanding 2010 Bonds. The proceeds were deposited in an irrevocable trust with an escrow agent to pay the future debt service on the refunded bonds. As a result, the 2010 Bonds were considered defeased and the liability for those bonds was removed from the Consolidated Statement of Financial Position. The remaining proceeds were used to fund required reserve accounts. The reacquisition price (amount placed in escrow to repay the 2010 Bonds) exceeded the net carrying amount of those bonds and the unamortized portion of debt issuance costs, by $15,753,640. The loss on this transaction was reflected on the Consolidated Statement of Activities for the year ended June 30, 2016. The line had a balance of $700,000 and $200,000 as of June 30, 2017 and 2016, respectively. The credit line is secured by school revenues of select schools which are not already secured by other debt.

10. CAPITALIZATION OF CONSTRUCTION DEBT INTEREST

While a facility is under construction, a portion of interest is capitalized into its cost. In summary, the capitalization of interest is applicable to the amount of interest that could have been avoided had the Organization not undertaken the building of a capital asset. The Organization evaluates capitalization of interest at the individual site level since the cash from one site would not be used to pay down the debt on another site.

The amount of capitalizable interest is determined by applying the debt interest rate to the average amount of accumulated expenditures for the building during the year. Interest costs of $5,164,518 and $5,398,285 were incurred related to debt during the years ended June 30, 2017 and 2016, respectively. During the years ended June 30, 2017 and 2016, $111,202 and $64,574 of interest was capitalized, respectively.

11. LEASE COMMITMENTS

Operating leases

The Organization leases buildings for administrative offices in Oakland and Stockton and leases land and buildings for school sites in Berkeley, East Palo Alto, Empire, Los Angeles, Modesto, Oakland, Sacramento, Stockton, and Memphis under various operating leases. The Organization also leases copiers at various school sites. It is unlikely that the Organization will cancel any of these leases before they expire. Contributions

Section 20814(c) of the PERL requires that the employer contribution rates for all employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Contribution rates for the CalPERS Plan are determined annually on an actuarial basis as of June 30 by CalPERS. The CalPERS Plan's actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Classic plan members, defined as a member who joined CalPERS prior to January 1, 2013, are required to contribute 7% of their salary (7% of monthly salary over $133.33 if the member participates in Social Security). New members who joined CalPERS for the first time on or after January 1, 2013 are required to contribute 6% of their salary. The required employer contribution rate for fiscal years ended June 30, 2017 and 2016

were 13.888% and 11.847% of annual payroll, respectively. The contribution requirements of the plan members are established by state statute. For the fiscal year 2018, the Organization is required to contribute 15.531% of annual payroll.

The benefits for the CalSTRS Plan are established by contract, in accordance with the provisions of the State Teachers' Retirement Law. Benefits are based on members' years of service, age, final compensation, and a benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. The California Public Employees' Pension Reform Act of 2013 (PEPRA) made significant changes to the benefit structure that primarily affect members first hired to perform CalSTRS creditable activities on or after January 1, 2013. As a result of PEPRA, the CalSTRS Plan has two benefit structures: 1) CalSTRS 2% at 60 – Members first hired on or before December 31, 2012, to perform CalSTRS creditable activities, and 2) CalSTRS 2% at 62 – Members first hired on or after January 1, 2013, to perform CalSTRS creditable activities. The 2 percent, also known as the age factor, refers to the percentage of final compensation received as a retirement benefit for each year of service credit. To be eligible for service retirement, members hired prior to January 1, 2013, must be at least age 60 with a minimum of five years of CalSTRS-credited service, while members hired after January 1, 2013, must be at least age 62 with five years of service.

Plan Description

In the fiscal year ended June 30, 2015, TCRS created a new Hybrid Pension Plan with Cost Controls for all eligible new hires hired on or after July 1, 2014. This plan is a combination of a Defined Benefit and Defined Contribution plan to help provide a sustainable plan going forward, control employer pension cost, and control unfunded liabilities related to pension plans.

Contributions

Under the defined benefit portion of this plan, active plan members are required to contribute 5% of their salary and the Organization is required to contribute 4% of plan member's annual payroll. Under the defined contribution portion of this plan, employees contribute 2% of their salary, which employees can opt out of if they choose, and the Organization is required to contribute 5% of active member's annual payroll.

The Organization's contributions to these employee benefits plans were as follows:

	2017	2016
CalPERS	$ 4,257,017	$ 2,919,241
CalSTRS	$ 7,984,452	$ 6,145,506
TCRS Legacy	$ 417,020	$ 301,861
TCRS Hybrid	$ 304,194	$ 260,408

Contributions to all plans equal 100% of the required contributions for each year.

Other Defined Contribution Plans:

The Organization offers a 403(b) retirement plan for California classified employees who are not eligible to participate in CalPERS, the Aspire Public Schools 403(b) CA Plan (CA Plan). Classified employees of Aspire Junior Collegiate Academy, Aspire Titan Academy, Aspire Centennial College Preparatory Academy, Aspire Richmond California College Preparatory Academy, and Aspire Richmond Technology Academy working 20 or more hours per week, and not eligible for CalSTRS, CalPERS or covered by another retirement plan, are eligible to receive discretionary employer contributions, determined on an annual basis. The Organization contributed $102,691 and $104,069 to the CA Plan in the years ended June 30, 2017 and 2016, respectively.

The Organization offers a 403(b) retirement plan for TN LLC employees, the Aspire Public Schools 403(b) TN Plan (TN Plan). All employees who normally work 20 or more hours per week and are based in Tennessee are eligible to participate in the plan, with those not already enrolled in the TCRS retirement plan eligible to receive discretionary employer contributions, determined on an annual basis. The Organization contributed $46,539 and $120,560 to the TN Plan for the years ended June 30, 2017 and 2016, respectively.

The Organization opened a new 403(b) retirement plan for Aspire U employees in June 2016, the Aspire University Inc. 403(b) Plan (Aspire U Plan). There is no minimum age or service requirements to join the Aspire U Plan. The employee's contribution is matched by the employer on a discretionary basis, and vests at a rate of 50% per year for the employees' first two years of service. The Organization contributed $122,503 to the Aspire U Plan for the year ended June 30, 2017.

The Organization also offers a 403(b) plan, the Aspire Public Schools 403(b) Plan, for all employees working 20 or more hours per week, and who are not already participating in another 403(b) Plan within the Organization. This plan does not allow employer contributions.

14. JOINT VENTURES

For their California schools, the Organization participates in a joint venture under a joint powers agreement (JPAs) with the California Charter School Joint Powers Authority, doing business as charterSAFE (SAFE).

SAFE arranges for and provides workers' compensation, property, and liability insurance coverage for their members, respectively. The JPA is governed by boards consisting of a representative from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member beyond their representation on the board. Each member pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA.

15. CONTINGENCIES

The Organization has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

The Organization has various outstanding claims and litigation. However, based on consultation with legal counsel, management believes that the ultimate resolution of these matters will not have a material adverse effect on the Organization's financial position or results of operations.

16. RELATED-PARTY TRANSACTIONS

The Organization's CFO was a Board Member of charterSAFE (see Note 14) during the 2015/16 and 2016/17 fiscal year. The Organization paid $1,029,585 and $1,054,609 in premiums to charterSAFE during the years ended June 30, 2017 and 2016, respectively.

17. AGREEMENTS

The Organization has entered into two agreements for future facilities to be constructed and leased to the Organization.

The first agreement, with Strategic Growth Partners, Inc. (SGP), is for Aspire College Academy and Aspire Triumph Academy campuses. SGP will be responsible for building the campuses and once completed will lease the facilities to the Organization. Additionally, in order to finance a portion of this project, the Organization has agreed to loan SGP $6,000,000 at 0% interest, to be funded by private contributions for this purpose. Payment terms of this loan will be determined at the commencement of the lease. All aspects of this agreement are contingent upon SGP obtaining all necessary permits to begin construction of the campuses.

The second agreement, with TA Modesto 819 LP (TA), is for Aspire Vanguard Academy and Aspire University Charter School campuses. TA will be responsible for building the campuses and once completed will lease the facilities to the Organization. This agreement is contingent upon both schools obtaining renewed charters by June 30, 2018 and necessary permits to begin construction of the campuses.

18. SUBSEQUENT EVENT

On July 1, 2017, Aspire U revised its bylaws to remove Aspire Public Schools as the sole corporate member. Aspire U also changed its name to Alder Graduate School of Education. Since the Organization no longer has control of Alder Graduate School of Education, consolidation will not be required in subsequent fiscal years.

Aspire Public Schools
Oakland, California

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Aspire Public Schools, a non-profit public benefit corporation, and affiliates (collectively, the Organization), which comprise the consolidated statements of financial position as of June 30, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In addition to managing school operations, Aspire Public Schools controls three affiliated organizations that were created to facilitate ownership of certain school facilities and support development of charter schools. The facilities are owned and managed by two single-member limited liability companies, College for Certain, LLC (CFC LLC), and College for Certain II, LLC (CFC II LLC). The sole member of both LLCs is College for Certain, Inc. (CFC INC) which was created as a supporting organization of Aspire Public Schools to facilitate and support the development of charter schools. CFC INC is controlled by, and for the benefit of, Aspire Public Schools. CFC LLC and CFC II LLC are disregarded entities for federal income tax purposes.

Aspire Public Schools TN, LLC (TN LLC) is a Tennessee non-profit limited liability company created in July 2013, whose sole member is Aspire Public Schools. TN LLC incorporated pursuant to the Tennessee Nonprofit Corporation Act and is a disregarded entity for federal income tax purposes. Aspire U's purpose is to develop a high-caliber teacher, principal, and leader pipeline for the Organization and other education organizations.

For financial reporting purposes, CFC LLC, CFC II LLC, CFC INC, TN LLC, and Aspire U are consolidated with Aspire Public Schools for the year ended June 30, 2016. CFC LLC, CFC INC, and TN LLC are consolidated for the year ended June 30, 2015.

Basis of presentation – The financial statements are presented in conformity with professional standards applicable to not-for-profit entities. The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. The Organization has no permanently restricted net assets.

Revenue recognition – Contributions and grants are recognized when the donor/grantor makes an unconditional promise to give to the Organization or when received. Donor-restricted amounts are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "Net Assets Released from Restrictions." Government grants are recognized as revenue in accordance with the terms of the applicable grant agreement, which is generally upon the incurrence of expenditures related to the required services. Deferred revenue is recorded to the extent cash received on specific grants exceeds qualified expenses. Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met.

Cash and cash equivalents – For financial statement purposes, the Organization considers investments with maturity at purchase of three months or less to be cash equivalents.

Investment in Schoolzilla, Inc. is stated at cost and evaluated periodically for impairment.

Intangible assets – The Organization has intangible assets for product and service discounts to be used in future periods. The Organization amortizes certain intangibles over their estimated useful lives, while intangible assets determined to have indefinite useful lives are assessed annually for impairment.

Property and equipment with a value greater than $5,000 are capitalized at cost or fair market value on the date of receipt in the case of donated property, and depreciated using the straight-line method over their estimated useful lives, which range from two to thirty years. Leasehold improvements are depreciated over the lease term (including options) or the useful life. Major additions are capitalized, and repairs and maintenance that do not improve or extend the life of the assets are expensed. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts, with the resulting gain or loss reflected in the statement of activities.

Donated equipment, materials, services, and facilities – In-kind contributions of equipment, materials, and services are recorded at their estimated fair values at the date of donation. Donated services are recorded when they create or enhance non-financial assets or require a specialized skill that the Organization would otherwise need to purchase. During the years ended June 30, 2016 and 2015, in-kind contributions of $158,925 and $72,478 were received, respectively.

Income taxes – The Organization has been granted tax-exempt status as provided by Internal Revenue Code Section 501(c)(3) and Section 23701(d) of the California Revenue and Taxation Code. In addition, the Internal Revenue Service has determined the Organization is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

The Organization applied the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements for June 30, 2016 and 2015. With some exceptions, the Organization is no longer subject to U.S. federal and state income tax examinations by tax authorities for years prior to the year ended June 30, 2012.

Functional allocation of expenses – The cost of providing educational programs and other activities has been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated based on employees' time incurred and management's estimate of the usage of resources.

Program development and expansion – The Organization continually explores potential opportunities for expansion and growth; thus costs are incurred to research the possibility of establishing new sites. The Organization capitalizes these preacquisition costs into 'Construction in progress' (Note 6) at the time incurred. If it is determined that a formal contractual commitment will not be entered into, the expenses are included in program development and expansion in the period that the determination is made.

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

Level 1 Inputs	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
Level 2 Inputs	Inputs other than quoted prices in active markets that are observable either directly or indirectly.
Level 3 Inputs	Unobservable inputs for the asset or liability.

When a price for an identical asset or liability is not observable, a reporting entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or to settle or otherwise fulfill a liability is not relevant when measuring fair value.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant management estimates included in the financial statements are the collectability of the receivables and foundation grants receivables, estimate of net present value of the foundation grants receivable, the estimated useful lives of property and equipment, the functional allocation of expenses, and the net present value of intangibles.

Reclassifications – Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with presentation of the current-year financial statements.

Subsequent events have been reviewed through November 18, 2016, the date the financial statements were available to be issued. Management concluded that no material subsequent events have occurred since June 30, 2016 that require recognition or disclosure in the consolidated financial statements.

Recent Accounting Pronouncement – In April 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-03 *Interest-Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*. The guidance requires that debt issuance costs be presented in the *Statement of Financial Position* as a reduction of the carrying amount of the debt rather than as an asset. This ASU is effective for fiscal years beginning after December 15, 2016, but earlier adoption is permitted. The Organization elected to early adopt the ASU in 2016 and has applied the provisions retrospectively to 2015. Long-term debt as of June 30, 2015 was previously reported on the *Statement of Financial Position* as $114,045,021 with the associated $3,311,858 unamortized debt issuance costs included in other assets.

2. CONCENTRATIONS OF CASH

The Organization maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk related to cash.

3. RESTRICTED CASH

Restricted cash consists of amounts that are required to be held for debt services reserves and for principal and interest payments with respect to the bond outstanding; and contributions restricted to investment in property and equipment. The total restricted cash at June 30, 2016 and 2015 was $17,449,342 and $15,421,615, respectively. The current portion of $2,742,925 and $3,808,122 as of June 30, 2016 and 2015, respectively, was restricted for current bond debt obligations. The noncurrent portion of $14,706,417 at June 30, 2016 consisted of $6,605,261 for debt service reserves and $8,101,156 for investment in property and equipment. The noncurrent portion of $11,613,493 at June 30, 2015 consisted of $7,676,673 for debt service reserves and $3,936,820 for investment in property and equipment.

4. ACCOUNTS RECEIVABLE

Accounts receivable balances at June 30, 2016 and 2015 were $23,921,361 and $24,296,753, respectively. The balances were due entirely from grantor government agencies. Management deems all receivables to be collectible as of June 30, 2016.

5. FOUNDATION GRANTS RECEIVABLE

The Organization recognizes unconditional foundation grants receivables at their estimated fair value using estimated prevailing interest rates, on a nonrecurring basis, at the time the pledge is made. Fair value is determined by calculating the net present value of the estimated future cash flows. The discount rate used in determining the net present value of new pledges receivable was 2.02% and 3.23% at June 30, 2016 and 2015, respectively The estimated fair value of the pledges received during 2016 and 2015 totaled approximately $7,708,880 at June 30, 2016 and $4,389,044 at June 30, 2015, and were included within level 3 of the fair value hierarchy because determination of the net present value of future cash flows was based on little or no market data and required management to develop their own assumptions. For the years ended June 30, 2016 and 2015, foundation grant receivable balances of $3,000,000 and $3,050,000, respectively, which are expected to be received within one year, are classified with the non-current portion of the grant receivable balance as the contributions are restricted to be invested in property and equipment. All foundation grants receivable are judged by management to be collectible, and were as follows as of June 30:

	2016	2015
Gross foundation grants receivable	$ 10,459,079	$ 11,778,348
Less: Unamortized discount	(25,019)	(70,346)
Foundation grants receivable, net	$ 10,434,060	$ 11,708,002

Foundation grants receivable are due to be collected as follows:

Foundation grants receivable, net	$ 10,434,060	$ 11,708,002

Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met. Approximate outstanding conditional promises to give are as follows and will be recognized as revenue as the conditions are met:

Purpose:	2016	2015
Opening schools in specific locations	$ 14,000,000	$ 10,650,000
Implementation of blended learning at specific locations	225,000	225,000

In December 2015, the Organization obtained the 2015 Bonds to pay off the balance of the capital lease with Lodi Unified School District and purchase the property for one dollar. The property that was under capital lease is now classified with land and buildings as of June 30, 2016.

Intangible Assets

The Organization holds an indefinite-life intangible asset for product and technology discount benefits valued at $316,372. Management assesses the carrying value of the indefinite-life intangible asset annually, or more often if facts and circumstances suggest it may be impaired. If this review indicates that the carrying value may not be recoverable, then the carrying value would be reduced to its estimated fair value. No impairment losses were recognized as a result of this review for the years ended June 30, 2016 and 2015, respectively.

Amortizable intangible assets consist of the following as of June 30, 2016:

	Gross Carrying Amount	Accumulated Amortization	Net

Deferred Loss

In January of 2005, Lodi Unified School District (the District) purchased the Aspire River Oaks Charter School and Aspire Benjamin Holt College Preparatory Academy facilities from the Organization. The Organization concurrently entered into a capital lease obligation with the District effective January 1, 2005 through August 1, 2032. The Organization had the option to purchase the properties for one dollar at the termination of the lease. This transaction was treated as sale-leaseback transaction and a loss on this transaction of $374,660 was to be deferred and amortized over the term of the capital lease. As of June 30, 2015, accumulated amortization was $144,363. Amortization expense of the deferred loss for the year ended June 30, 2015 was $13,748 and the net book value was $230,297. As discussed in Note 10, the Organization obtained the 2015 Bonds and paid off the capital lease in December 2015 and purchased the property for one dollar per the lease agreement. The Organization wrote off the remaining deferred loss balance of $224,421 in 2016 as part of this transaction.

Investment in Schoolzilla, Inc.

The Organization owned 11.408% and 15.325% of the common stock of Schoolzilla, Inc. (Schoolzilla) at June 30, 2016 and 2015, respectively. Schoolzilla is a for-profit company that develops web-based data management platforms allowing teachers to synthesize data from multiple sources and create reports presenting their students' academic performances. In 2015 although the Organization's interest in Schoolzilla had dropped below 20%, management determined they still have significant influence over the operations of Schoolzilla through a seat on their board of directors, and maintaining the third largest stake in Schoolzilla, and therefore accounted for this investment under the equity method.

In 2016, ownership was further diluted and management did not have significant influence and therefore accounted for the investment under the cost method. As of June 30, 2016 and 2015, the investment was reflected at $0 value due to losses recognized under the equity method. Schoolzilla did not declare any dividends as of June 30, 2016 and 2015.

The condensed unaudited financial information for Schoolzilla, Inc. at June 30, 2015:

Total assets	$ 3,017,000

On February 25, 2016, the Organization issued $83,170,000 of bonds (2016 Bonds), as mentioned above. The proceeds, in addition to the net premium of $9,207,961, were used to advance refund $83,360,000 of the outstanding 2010 Bonds. The proceeds were deposited in an irrevocable trust with an escrow agent to pay the future debt service on the refunded bonds. As a result, the 2010 Bonds are considered defeased and the liability for those bonds has been removed from the Consolidated Statement of Financial Position. The remaining proceeds were used to fund required reserve accounts.

The reacquisition price (amount placed in escrow to repay the 2010 Bonds) exceeded the net carrying amount of those bonds and the unamortized portion of debt issuance costs, by $15,753,640. The loss on this transaction is reflected on the Consolidated Statement of Activities for the year ended June 30, 2016.

At June 30, 2016, the outstanding balance of the defeased 2010 Bonds was $95,864,103. The bonds will be redeemed on their January 1, 2019 call date.

Advances on the credit line are payable on demand and carry an interest rate equal to the greater of the Prime Rate or 3.25%. The interest rate was 3.5% and 3.25% at June 30, 2016 and 2015, respectively. The credit line is secured by substantially all assets of the Organization.

9. CAPITALIZATION OF CONSTRUCTION DEBT INTEREST

While a facility is under construction, a portion of interest is capitalized into its cost. In summary, the capitalization of interest is applicable to the amount of interest that could have been avoided had the Organization not undertaken the building of a capital asset. The Organization evaluates capitalization of interest at the individual site level since the cash from one site would not be used to pay down the debt on another site.

The amount of capitalizable interest is determined by applying the debt interest rate to the average amount of accumulated expenditures for the building during the year. Interest costs of $5,398,285 and $6,745,944 were incurred related to debt during the years ended June 30, 2016 and 2015, respectively. During the years ended June 30, 2016 and 2015, $64,574 and $8,912 of interest was capitalized, respectively.

10. LEASE COMMITMENTS

Operating leases

The Organization leases buildings for administrative offices in Oakland and Stockton and leases land and buildings for school sites in Berkeley, East Palo Alto, Empire, Los Angeles, Modesto, Oakland, Sacramento, Stockton, and Memphis under various operating leases. The Organization also leases copiers at various school sites. It is unlikely that the Organization will cancel any of these leases before they expire. The aggregate minimum rental payments required under the terms of all operating leases as of June 30, 2016 are as follows:

Year Ending June 30,	Minimum Payments
2017	$ 3,823,912
2018	3,728,804
2019	3,406,946
2020	1,946,138
2021	936,161
Thereafter	10,468,975
Total	$ 24,310,936

Rental expense under operating leases was $3,465,715 and $3,480,818 for the years ended June 30, 2016 and 2015, respectively.

Capital lease

The Organization entered into a capital lease with Lodi Unified School District from January 1, 2005 through August 1, 2032. The leased property was being depreciated over the term of the lease and depreciation expense for the leased property was included in the total depreciation expense. On December 1, 2015, as discussed in Note 6 and 8 the Organization paid the capital lease balance in full and purchased the property for one dollar. The outstanding balance of the capital lease as of June 30, 2015 was $15,990,000.

11. EMPLOYEE BENEFIT PLANS

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California and Tennessee. Classified employees in California are members of the California Public Employees' Retirement System (CalPERS), and certificated employees working at California Schools are members of the California State Teachers' Retirement System (CalSTRS). Certificated employees working at Tennessee schools are members of the Tennessee Consolidated Retirement System (TCRS). All employees who are not members of these plans must contribute to the federal Social Security system. The Organization also has three 403(b) plans as of the year ended June 30, 2016.

Plan's EIN:	94-6207465
Market value of assets:	$56,911
Actuarial accrued liability:	$71,651
Funded status:	65-80% funded

The actuarial value of assets and accrued liability are expressed in millions and are valued as of June 30, 2015, the most recent information available.

Plan Description

The Organization participates in the Schools Pool (the CalPERS Plan), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. CalPERS acts as a common investment and administrative agent for participating entities within the State of California. CalPERS issues a publicly available financial report that includes financial statements and required supplementary information for this plan. This report is available online at www.calpers.ca.gov.

Benefits Provided

The benefits for the CalPERS Plan are established by contract, in accordance with the provisions of the California Public Employees' Retirement Law (PERL). The benefits are based on members' years of service, age, final compensation, and benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. PEPRA made significant changes to the benefit structure that primarily affect members first hired to perform CalPERS creditable activities on or after January 1, 2013. As a result of PEPRA, the CalPERS Plan has two benefit structures: 1) CalPERS 2% at 55 – Members first hired on or before December 31, 2012, to perform CalPERS creditable activities, and 2) CalPERS 2% at 62 – Members first hired on or after January 1, 2013, to perform CalPERS creditable activities. To be eligible for service retirement, members hired prior to January 1, 2013, must be at least age 50 with a minimum of five years of CalPERS-credited service, while members hired after January 1, 2013, must be at least age 52 with a minimum of five years of service.

Contributions

Section 20814(c) of the PERL requires that the employer contribution rates for all employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Contribution rates for the CalPERS Plan are determined annually on an actuarial basis as of June 30 by CalPERS. The CalPERS Plan's actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Classic plan members, defined as a member who joined CalPERS prior to January 1, 2013, are required to contribute 7% of their salary (7% of monthly salary over $133.33 if the member participates in Social Security). New members who joined CalPERS for the first time on or after January 1, 2013 are required to contribute 6% of their salary. The required employer contribution rate for fiscal years ended June 30, 2016 and 2015

were 11.847% and 11.771% of annual payroll, respectively. The contribution requirements of the plan members are established by state statute. For the fiscal year 2017, the Organization is required to contribute 13.888% of annual payroll.

CalSTRS acts as a common investment and administrative agent for participating entities within the State of California. CalSTRS issues a publicly available financial report that includes financial statements and required supplementary information for this plan. This report is available online at www.calstrs.com.

Benefits Provided

The benefits for the CalSTRS Plan are established by contract, in accordance with the provisions of the State Teachers' Retirement Law. Benefits are based on members' years of service, age, final compensation, and a benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. The California Public Employees' Pension Reform Act of 2013 (PEPRA) made significant changes to the benefit structure that primarily affect members first hired to perform CalSTRS creditable activities on or after January 1, 2013. As a result of PEPRA, the CalSTRS Plan has two benefit structures: 1) CalSTRS 2% at 60 – Members first hired on or before December 31, 2012, to perform CalSTRS creditable activities, and 2) CalSTRS 2% at 62 – Members first hired on or after January 1, 2013, to perform CalSTRS creditable activities. The 2 percent, also known as the age factor, refers to the percentage of final compensation received as a retirement benefit for each year of service credit. To be eligible for service retirement, members hired prior to January 1, 2013, must be at least age 60 with a minimum of five years of CalSTRS-credited service, while members hired after January 1, 2013, must be at least age 62 with five years of service.

Contributions

Assembly Bill 1469 (AB 1469), signed into law as a part of the State of California's (the State) 2014-15 budget, increases contributions to the CalSTRS Plan from members, employers, and the State over the next seven years, effective July 1, 2014. School employer contributions will increase from 8.25% to a total of 19.1% of covered payroll over the seven-year period. Active plan members are required to contribute 8.56% or 9.2 % of their salary, depending on when they were hired. Other Defined Contribution Plans:

During the fiscal year ended June 30, 2014, CalPERS informed the Organization that employees at three schools, Aspire Junior Collegiate Academy, Aspire Titan Academy, and Aspire Centennial College Preparatory Academy, would not be eligible for CalPERS benefits. The matter is currently being negotiated; however in October 2014, as a response to this decision from CalPERS, Aspire created a new 403(b) retirement plan, the Aspire Public Schools 403(b) CA Plan (CA Plan) to allow all California employees not eligible for CalPERS or CalSTRS to be eligible to receive discretionary employer contributions. All employees of the Organization are eligible to participate in the CA Plan, but only employees not eligible for any other employee benefit plan may receive employer contributions. The Organization contributed $104,069 and $41,121 to the CA Plan in the years ended June 30, 2016 and 2015, respectively.

The Organization also offers a 403(b) retirement plan for TN LLC employees, the Aspire Public Schools 403(b) TN Plan (TN Plan). All employees who normally work more than 20 hours a week and are not already enrolled in the TCRP retirement plan are eligible to participate in the TN Plan. The Organization will match a discretionary portion of the employers contributions, determined on an annual basis. The Organization contributed $120,560 and $32,859 to the TN Plan for the years ended June 30, 2016 and 2015, respectively.

The Organization also offers a 403(b) plan, the Aspire Public Schools 403(b) Plan, for all employees within the Organization. This plan does not allow employer contributions.

12. RESTRICTED NET ASSETS

At June 30, 2016 and 2015, temporarily restricted net assets consisted of unexpended grants restricted for various purposes. The Organization accrued a liability for a portion of grant funding that is due to be returned to the grantor, as the Organization did not spend the entire amount of grant funds associated with a specific project that was completed during the year ended June 30, 2015. These funds totaling $463,543 are shown as a reduction of temporarily restricted net assets on the statements of activities for the year ended June 30, 2015.

Temporarily restricted net assets are to be used for the following purposes:

	2016	2015

13. JOINT VENTURES

For their California schools, the Organization participates in a joint venture under a joint powers agreement (JPAs) with the California Charter School Joint Powers Authority, doing business as charterSAFE (SAFE).

SAFE arranges for and provides workers' compensation, property, and liability insurance coverage for their members, respectively. The JPA is governed by boards consisting of a representative from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member beyond their representation on the board. Each member pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA.

14. CONTINGENCIES

The Organization has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

The Organization has various outstanding claims and litigation. However, based on consultation with legal counsel, management believes that the ultimate resolution of these matters will not have a material adverse effect on the Organization's financial position or results of operations.

15. RELATED-PARTY TRANSACTIONS

The Organization's CFO was a Board Member of charterSAFE (see Note 13) during the 2014/15 and 2015/16 fiscal year. The Organization paid $1,054,609 and $1,387,211 in premiums to charterSAFE during the years ended June 30, 2016 and 2015, respectively.

The Organization's Board of Directors and their respective companies contributed $4,025,605 in the year ended June 30, 2015, to support the Organization's ongoing operations and growth, with the most significant contribution of $3,710,919 in 2015 from the Pyramid Peak Foundation.

The Organization was member of a coalition of Charter Management Organizations (CMO's) called The College Ready Promise (TCRP) designed to pool resources of schools that share the same objective of graduating all students college ready. TCRP was made up of four partnering CMO's: Aspire Public Schools, Alliance College-Ready Public Schools, Green Dot Public Schools, and Partnerships to Uplift Communities. TCRP's board of directors was made up of the top executives from each CMO, including the Organization's former CEO. TCRP's goal was to gain funding from foundations across the country, and disburse it to its members in order to assist them in carrying out their common goals. TCRP granted $23,646 in private funding to the Organization in the year ended June 30, 2015. TCRP has dissolved and is no longer a related party to the Organization.

Aspire Public Schools
Oakland, California

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Aspire Public Schools, a non-profit public benefit corporation, and affiliates (collectively, the Organization), which comprise the consolidated statements of financial position as of June 30, 2015 and 2014, and the related consolidated statements of activities and of cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Aspire Public Schools, a non-profit public benefit corporation, was formed to manage, guide, direct, and promote charter schools that provide quality education to youth in primary and secondary grades. The Organization was founded in 1998. The Organization's support is derived primarily from public education monies, individual and foundation contributions, and various government agency grants.

In addition to managing school operations, Aspire Public Schools has two wholly-owned organizations created to facilitate ownership of certain school facilities and support development of charter schools. The facilities are owned and managed by a single-member limited liability company, College for Certain, LLC (CFC LLC). The sole member of the CFC LLC is College for Certain, Inc. (CFC INC) which was created as a supporting organization of Aspire Public Schools to facilitate and support the development of charter schools. CFC INC is controlled by, and for the benefit of, Aspire Public Schools. CFC LLC is a disregarded entity for federal income tax purposes.

Aspire Public Schools TN, LLC (TN LLC) is a Tennessee non-profit limited liability company created in July 2013, whose sole member is Aspire Public Schools. TN LLC incorporated pursuant to the Tennessee Nonprofit Corporation Act and is a disregarded entity for federal income tax purposes. TN LLC was formed to manage, guide, direct, and promote charter schools that provide quality education to Tennessee youth in primary and secondary grades. TN LLC's support is derived primarily from State of Tennessee public education monies, foundation contributions, and various government agency grants.

For financial reporting purposes, CFC LLC, CFC INC, and TN LLC are consolidated with Aspire Public Schools for the years ended June 30, 2015 and 2014.

Principles of Consolidation – The accompanying consolidated financial statements include the accounts of Aspire Public Schools and its wholly-owned entities, collectively the "Organization". All significant intercompany accounts and transactions have been eliminated in consolidation. Listed below are the affiliated organizations included in these financial statements:

- **Aspire Public Schools -** Aspire Public Schools operates thirty-five schools in California under thirty-four charters which are chartered by twelve charter authorizers (sponsoring districts) in six counties. Charters were granted for each school for up to five years, with an opportunity for renewal. Ravenswood City School the sponsoring district for Aspire East Palo Alto Charter receives up to 3% for supervisory oversight because the district provides facilities substantially rent-free.

- **College for Certain, LLC** – CFC LLC holds title to properties where Aspire Public Schools operates ten charter schools (seven locations) and manages, operates, and leases the properties.

- **College for Certain, Inc.** – CFC INC is a supporting organization of Aspire Public Schools in that it facilitates and supports the development of charter schools for Aspire Public Schools. As of and for the years ended June 30, 2015 and 2014, there was no activity in this entity.

Basis of presentation – The financial statements are presented in conformity with accounting for not-for-profit entities. The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. The Organization has no permanently restricted net assets.

Revenue recognition – Contributions and grants are recognized when the donor/grantor makes an unconditional promise to give to the Organization or when received. Donor-restricted amounts are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "Net Assets Released from Restrictions." Government grants are recognized as revenue in accordance with the terms of the applicable grant agreement, which is generally upon the incurrence of expenditures related to the required services. Deferred revenue is recorded to the extent cash received on specific grants exceeds qualified expenses. Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met.

Cash and cash equivalents – For financial statement purposes, the Organization considers investments with maturity at purchase of three months or less to be cash equivalents.

Investment in Schoolzilla, Inc is treated as an equity method investment as management determined the Organization has a significant influence over the Company.

Intangible assets – The Organization has intangible assets for product and service discounts to be used in future periods. The Organization amortizes certain intangibles over their estimated useful lives, while intangible assets determined to have indefinite useful lives are assessed annually for impairment.

Property and equipment with a value greater than $5,000 are capitalized at cost or fair market value on the date of receipt in the case of donated property, and depreciated using the straight-line method over their estimated useful lives, which range from two to thirty years. Leasehold improvements are depreciated over the lease term (including options) or the useful life. Major additions are capitalized, and repairs and maintenance that do not improve or extend the life of the assets are expensed. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts, with the resulting gain or loss reflected in the statement of activities.

Donated equipment, materials, services, and facilities – In-kind contributions of equipment, materials, and services are recorded at their estimated fair values at the date of donation. Donated services are recorded when they create or enhance non-financial assets or require a specialized skill that the Organization would otherwise need to purchase. During the years ended June 30, 2015 and 2014, in-kind contributions of $72,478 and $212,440 were received, respectively.

Income taxes – The Organization has been granted tax-exempt status as provided by Internal Revenue Code Section 501(c)(3) and Section 23701(d) of the California Revenue and Taxation Code. In addition, the Internal Revenue Service has determined the Organization is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in these financial statements.

The Organization applied the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements for June 30, 2014 and 2013. With some exceptions, the Organization is no longer subject to U.S. federal and state income tax examinations by tax authorities for years prior to the year ended June 30, 2011.

Functional allocation of expenses – The cost of providing educational programs and other activities has been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Program development and expansion – The Organization continually explores potential opportunities for expansion and growth; thus costs are incurred to research the possibility of establishing new sites. The Organization capitalizes these preacquisition costs into 'Schools Under Construction' (Note 6) at the time incurred. If it is determined that a formal contractual commitment will not be entered into, the expenses are included in program development and expansion in the period that the determination is made.

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

Level 1 Inputs	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
Level 2 Inputs	Inputs other than quoted prices in active markets that are observable either directly or indirectly.
Level 3 Inputs	Unobservable inputs for the asset or liability.

When a price for an identical asset or liability is not observable, a reporting entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or to settle or otherwise fulfill a liability is not relevant when measuring fair value.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant management estimates included in the financial statements are the collectability of the receivables and foundation grants receivables, estimate of net present value of the foundation grants receivable, the estimated useful lives of property and equipment, the functional allocation of expenses, and the net present value of intangibles.

Reclassifications – Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with presentation in the current-year financial statements.

Subsequent events have been reviewed through November 13, 2015, the date the financial statements were available to be issued. See Note 16 for subsequent events.

2. CONCENTRATIONS OF CASH

The Organization maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes the Organization is not exposed to any significant credit risk related to cash.

3. RESTRICTED CASH

Restricted cash consists of amounts that are required to be held for debt services reserves and for principal and interest payments with respect to the bond outstanding; and contributions restricted to investment in property and equipment. The total restricted cash at June 30, 2015 and 2014, was $15,421,615 and $16,591,069, respectively. The current portion of $3,808,122 and $3,695,292 as of June 30, 2015 and 2014, respectively, was restricted for current bond debt obligations. The noncurrent portion of $11,613,493 at June 30, 2015 consisted of $7,676,673 for debt service reserves and $3,936,820 for investment in property and equipment. The noncurrent portion of $13,255,777 at June 30, 2014 consisted of $7,757,817 for debt service reserves and $5,497,960 for investment in property and equipment.

4. ACCOUNTS RECEIVABLE

Accounts receivable balances at June 30, 2015 and 2014 were $24,296,753 and $24,481,112, respectively. The balances were due entirely from grantor government agencies. Management deems all receivables to be collectible as of June 30, 2015.

5. FOUNDATION GRANTS RECEIVABLE

The Organization recognizes unconditional foundation grants receivables at their estimated fair value using estimated prevailing interest rates, on a nonrecurring basis, at the time the pledge is made. Fair value is determined by calculating the net present value of the estimated future cash flows. The discount rate used in determining the net present value of new pledges receivable was 3.23% and 2.84% at June 30, 2015 and 2014, respectively The estimated fair value of the pledges made during 2015 and 2014 totaled approximately $4,389,044 at June 30, 2015 and $519,000 at June 30, 2014, and were included within level 3 of the fair value hierarchy because determination of the net present value of future cash flows was based on little or no market data and required management to develop their own assumptions. For the year ended June 30, 2015, a foundation grant receivable balance of $3,050,000, which is expected to be received within one year, is classified with the non-current portion of the grant receivable balance as the contribution is restricted to be invested in property and equipment. All foundation grants receivable are judged by management to be collectible, and were as follows as of June 30:

	2015	2014
Gross foundation grants receivable	$ 11,778,348	$ 6,868,345
Less: Unamortized discount	(70,346)	(23,546)

Foundation grants receivable, net	$ 11,708,002	$ 6,844,799

Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met. Approximate outstanding conditional promises to give are as follows and will be recognized as revenue as the conditions are met:

Purpose:	2015	2014
Openings schools in specific locations	$ 10,650,000	$ 15,800,000

Deferred Loss

In January of 2005, Lodi Unified School District (the District) purchased the Aspire River Oaks Charter School and Aspire Benjamin Holt College Preparatory Academy facilities from the Organization. The Organization concurrently entered into a capital lease obligation with the District effective January 1, 2005 through August 1, 2032. The Organization has the option to purchase the properties for one dollar at the termination of the lease. This transaction was treated as sale-leaseback transaction and a loss on this transaction of $374,660 was deferred and is being amortized over the term of the capital lease. As of June 30, 2015 and 2014, accumulated amortization was $144,363 and $130,615, respectively. Amortization expense of the deferred loss for the years ended June 30, 2015 and 2014 was $13,748 and $13,749, respectively. The Organization's obligation under this capital lease is detailed in Note 10.

Intangible Assets

The Organization holds an indefinite-life intangible asset for product and technology discount benefits valued at $316,372. Management assesses the carrying value of the indefinite-life intangible asset annually, or more often if facts and circumstances suggest it may be impaired. If this review indicates that the carrying value may not be recoverable, then the carrying value would be reduced to its estimated fair value. No impairment losses were recognized as a result of this review for the years ended June 30, 2015 and 2014, respectively.

Amortizable intangible assets consist of the following as of June 30, 2015:

	Gross Carrying Amount	Accumulated Amortization	Net

Investment in Schoolzilla, Inc.

The Organization owned 15.325% and 20% of the common stock of Schoolzilla, Inc. (Schoolzilla) at June 30, 2015 and 2014, respectively. Schoolzilla is a for-profit company that develops web-based data management platforms allowing teachers to synthesize data from multiple sources and create reports presenting their students' academic performances. Although the Organization's interest in Schoolzilla has dropped below 20%, management has determined they still have significant influence over the operations of Schoolzilla through a seat on their board of directors, and maintaining the third largest stake in Schoolzilla, and therefore accounts for this investment under the equity method.

The Organization and Schoolzilla obtained an independent valuation which valued this investment on the date of acquisition using the Option-Pricing Model using inputs derived from the financial records of Schoolzilla to determine the value of the investment on the date of acquisition. The investment has been adjusted for the Organization's share of the net loss since the date of acquisition, resulting in $0 book value as of June 30, 2015. Schoolzilla did not declare any dividends as of June 30, 2015 and 2014, respectively.

Aspire Public Schools (lessee to College for Certain, LLC) must meet several financial covenants as a requirement of the College for Certain Series 2010 School Facility Revenue Bonds. These requirements are as follows: 1) maintain a minimum cash balance of 3% of gross revenue as of December 31 and June 30 of each year, 2) maintain a ratio of current assets to current liabilities of 1:10 to 1, 3) working capital must not be less than 7.5% of total operating expenses, 4) operations must allow Aspire to pay all its expenses during such fiscal year for the operation, maintenance and repair of the Schools operated by it, 5) produce net available corporate income of Aspire equal to at least 1.05 times maximum aggregate annual debt service on all outstanding indebtedness of Aspire for the fiscal year, and 6) produce gross revenues of the financed schools equal to at least 2 times maximum annual debt service on the outstanding bonds. Revolving Line of Credit

On October 28, 2014, The Organization obtained a $10,000,000 revolving line of credit, of which all was unused at June 30, 2015. The credit line is secured by substantially all assets of the Organization.

9. CAPITALIZATION OF CONSTRUCTION DEBT INTEREST

While a facility is under construction, a portion of interest is capitalized into its cost. In summary, the capitalization of interest is applicable to the amount of interest that could have been avoided had the Organization not undertaken the building of a capital asset. The Organization evaluates capitalization of interest at the individual site level since the cash from one site would not be used to pay down the debt on another site.

The amount of capitalizable interest is determined by applying the debt interest rate to the average amount of accumulated expenditures for the building during the year. Interest costs of $6,745,944 and $6,770,979 were incurred related to debt during the years ended June 30, 2015 and 2014, respectively. During the years ended June 30, 2015 and 2014, $8,912 and $0 of interest was capitalized, respectively.

10. LEASE COMMITMENTS

Operating leases

The Organization leases buildings for administrative offices in Oakland and Stockton and leases land and buildings for school sites in Berkeley, East Palo Alto, Empire, Los Angeles, Modesto, Oakland, Sacramento, Stockton, and Memphis under various operating leases. The Organization also leases copiers at various school sites. It is unlikely that the Organization will cancel any of these leases before they expire. The aggregate minimum rental payments required under the terms of all operating leases as of June 30, 2015 are as follows:

Year Ending June 30,	Minimum Payments
2016	$ 3,163,895
2017	2,974,017
2018	2,869,032
2019	2,496,221
2020	1,544,097
Thereafter	11,105,977

11. EMPLOYEE BENEFIT PLANS

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California and Tennessee. Classified employees in California are members of the California Public Employees' Retirement System (CalPERS), and certificated employees working at California Schools are members of the California State Teachers' Retirement System (CalSTRS). Certificated employees working at Tennessee schools are members of the Tennessee Consolidated Retirement System (TCRS). All employees who are not members of these plans must contribute to the federal Social Security system. The Organization also has two 403(b) plans.

California Public Employees' Retirement System (CalPERS)

Plan name:	California Public Employees' Retirement System (CalPERS) State & Schools
Plan's EIN:	94-6207465
Market value of assets:	$56,838
Actuarial accrued liability:	$65,600
Funded status:	At least 80% funded

The market value of assets and actuarial accrued liability are expressed in millions and are valued as of June 30, 2014, the most recent information available.

Plan Description

The Organization participates in the Schools Pool (the CalPERS Plan), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. CalPERS acts as a common investment and administrative agent for participating entities within the State of California. CalPERS issues a publicly available financial report that includes financial statements and required supplementary information for this plan. This report is available online at www.calpers.ca.gov.

Benefits Provided

The benefits for the CalPERS Plan are established by contract, in accordance with the provisions of the California Public Employees' Retirement Law (PERL). The benefits are based on members' years of service, age, final compensation, and benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. PEPRA made significant changes to the benefit structure that primarily affect members first hired to perform CalPERS creditable activities on or after January 1, 2013. As a result of PEPRA, the CalPERS Plan has two benefit structures: 1) CalPERS 2% at 55 – Members first hired on or before December 31, 2012, to perform CalPERS creditable activities, and 2) CalPERS 2% at 62 – Members first hired on or after January 1, 2013, to perform CalPERS creditable activities. To be eligible for service retirement, members hired prior to January 1, 2013, must be at least age 50 with a minimum of five years of CalPERS-credited service, while members hired after January 1, 2013, must be at least age 52 with a minimum of five years of service.

Contributions

Section 20814(c) of the PERL requires that the employer contribution rates for all employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Contribution rates for the CalPERS Plan are determined annually on an actuarial basis as of June 30 by CalPERS. The CalPERS Plan's actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Classic plan members, defined as a member who joined CalPERS prior to January 1, 2013, are required to contribute 7% of their salary (7% of monthly salary over $133.33 if the member participates in Social Security). New members who joined CalPERS for the first time on or after January 1, 2013 are required to contribute 6% of their salary. The required employer contribution rate for fiscal years ended June 30, 2015 and 2014 were 11.771% and 11.442% of annual payroll, respectively. The contribution requirements of the plan members are established by state statute. For the fiscal year 2016, the Organization is required to contribute 11.847% of annual payroll.

California State Teachers' Retirement System (CalSTRS):

Plan name:	California State Teachers' Retirement System (CalSTRS)
Plan's EIN:	94-6291617
Actuarial value of assets:	$158,495
Actuarial accrued liability:	$231,213
Funded status:	65-80% funded

The actuarial value of assets and accrued liability are expressed in millions and are valued as of June 30, 2014, the most recent actuarial valuation date.

Plan Description

The Organization participates in the State Teachers' Retirement Plan (the CalSTRS Plan), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalSTRS. CalSTRS acts as a common investment and administrative agent for participating entities within the State of California. CalSTRS issues a publicly available financial report that includes financial statements and required supplementary information for this plan. This report is available online at www.calstrs.com.

Benefits Provided

The benefits for the CalSTRS Plan are established by contract, in accordance with the provisions of the State Teachers' Retirement Law. Benefits are based on members' years of service, age, final compensation, and a benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. The California Public Employees' Pension Reform Act of 2013 (PEPRA) made significant changes to the benefit structure that primarily affect members first hired to perform CalSTRS creditable activities on or after January 1, 2013. As a result of PEPRA, the CalSTRS Plan has two benefit structures: 1) CalSTRS 2% at 60 – Members first hired on or before December 31, 2012, to perform CalSTRS creditable activities, and 2) CalSTRS 2% at 62 – Members first hired on or after January 1, 2013, to perform CalSTRS creditable activities. The 2 percent, also known as the age factor, refers to the percentage of final compensation received as a retirement

benefit for each year of service credit. To be eligible for service retirement, members hired prior to January 1, 2013, must be at least age 60 with a minimum of five years of CalSTRS-credited service, while members hired after January 1, 2013, must be at least age 62 with five years of service.

Contributions

Assembly Bill 1469 (AB 1469), signed into law as a part of the State of California's (the State) 2014-15 budget, increases contributions to the CalSTRS Plan from members, employers, and the State over the next seven years, effective July 1, 2014. School employer contributions will increase from 8.25% to a total of 19.1% of covered payroll over the seven-year period. Active plan members are required to contribute 8.15% of their salary. The required employer contribution rates for the fiscal years ended June 30, 2015 and 2014 were 8.88% and 8.25% of annual payroll, respectively. For the fiscal year 2016, the Organization is required to contribute 10.73% of annual payroll.

Funded status:	At least 80% funded

The actuarial value of assets and accrued liability are expressed in millions and are valued as of July 1, 2014, the most recent actuarial valuation date.

Plan Description

The Organization contributes to the Tennessee Consolidated Retirement System (TCRS) Legacy Plan, a cost-sharing multiple-employer public employee retirement system defined benefit pension plan for all employees hired on or before June 30, 2014 administered by the Tennessee Department of Treasury. The plan provides retirement, disability, and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. TCRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the TCRS annual financial report may be obtained from the State of Tennessee Treasury Department, 502 Deaderick Street, Nashville, Tennessee, 37243.

Funding Policy

Active plan members are required to contribute 5% of their salary and the Organization is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the TCRS Board of Trustees. The required employer contribution rate for the fiscal years ended June 30, 2015 and 2014 were 9.04% and 8.88% of annual payroll respectively. The contribution requirements of the plan members are established by state statute. For the fiscal year 2016, the Organization is required to contribute 9.04% of annual payroll.

Hybrid Plan:

Plan name:	TCRS Hybrid Pension Plan with Cost Controls
Plan's EIN:	62-6001445

Plan Description

In the fiscal year ended June 30, 2015, TCRS created a new Hybrid Pension Plan with Cost Controls for all eligible new hires hired on or after July 1, 2014. This plan is a combination of a Defined Benefit and Defined Contribution plan to help provide a sustainable plan going forward, control employer pension cost, and control unfunded liabilities related to pension plans.

Contributions

Under the defined benefit portion of this plan, active plan members are required to contribute 5% of their salary and the Organization is required to contribute 4% of plan member's annual payroll. Under the defined contribution portion of this plan, employees contribute 2% of their salary, which employees can opt out of if they choose, and the Organization is required to contribute 5% of active member's annual payroll. The actuarial value of assets and accrued liabilities for the defined benefit portion of the plan have not yet been determined, as there has been no actuarial valuation performed on the plan as of June 30, 2015.

The Organization's contributions to these employee benefits plans were as follows:

	2015	2014
CalPERS	$ 2,407,936	$ 2,120,225
CalSTRS	4,291,551	3,952,939
TCRS Legacy	366,599	268,709
TCRS Hybrid	108,893	

Contributions to all plans equal 100% of the required contributions for each year.

Other Defined Contribution Plans:

During the fiscal year ended June 30, 2014, CalPERS informed the Organization that employees at three schools, Aspire Junior Collegiate Academy, Aspire Titan Academy, and Aspire Centennial College Preparatory Academy, would not be eligible for CalPERS benefits. The matter is currently being negotiated; however in October 2014, as a response to this decision from CalPERS, Aspire amended their existing 403(b) retirement plan, the Aspire Public Schools 403(b) CA Plan (CA Plan) to allow all California employees not eligible for CalPERS or CalSTRS to be eligible to receive discretionary employer contributions. All employees of the Organization are eligible to participate in the CA Plan, but only employees not eligible for any other employee benefit plan may receive employer contributions. The organization contributed $41,121 to the CA Plan in the year ended June 30, 2015.

The Organization also offers a 403(b) retirement plan for TN LLC employees, the Aspire Public Schools 403(b) TN Plan (TN Plan). All employees who normally work more than 20 hours a week and are not already enrolled in the TCRP retirement plan are eligible to participate in the TN Plan. The Organization will match a discretionary portion of the employers contributions, determined on an annual basis. The Organization contributed $32,859 and $28,354 to the TN Plan for the years ended June 30, 2015 and 2014, respectively.

12. RESTRICTED NET ASSETS

At June 30, 2015 and 2014, temporarily restricted net assets consisted of unexpended grants restricted for various purposes. The Organization accrued a liability for a portion of grant funding that is due to be returned to the grantor, as the Organization did not spend the entire amount of grant funds associated with a specific project that was completed during the year ended June 30, 2015. These funds totaling $463,543 are shown as a reduction of temporarily restricted net assets on the statements of activities.

Temporarily restricted net assets are to be used for the following purposes:

	2015	2014
Construction of facilities	$ 10,631,102	$ 6,622,826
School expansion	7,356,423	7,918,227

13. JOINT VENTURES

For their California schools, the Organization participates in a joint venture under a joint powers agreement (JPAs) with the California Charter School Joint Powers Authority, doing business as charterSAFE (SAFE).

SAFE arranges for and provides workers' compensation, property, and liability insurance coverage for their members, respectively. The JPA is governed by boards consisting of a representative from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member beyond their representation on the board. Each member pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA.

14. CONTINGENCIES

The Organization has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

The Organization has various outstanding claims and litigation. However, based on consultation with legal counsel, management believes that the ultimate resolution of these matters will not have a material adverse effect on the Organization's financial position or results of operations.

15. RELATED-PARTY TRANSACTIONS

The Organization is member of a coalition of Charter Management Organizations (CMO's) called The College Ready Promise (TCRP) designed to pool resources of schools that share the same objective of graduating all students college ready. TCRP is made up of four partnering CMO's: Aspire Public Schools, Alliance College-Ready Public Schools, Green Dot Public Schools, and Partnerships to Uplift Communities. TCRP's board of directors is made up of the top executives from each CMO, including the Organization's CEO. TCRP's goal is to gain funding from foundations across the country, and disburse it to its members in order to assist them in carrying out their common goals. TCRP granted $23,646 and $17,175 in private funding to the Organization during the years ended June 30, 2015 and 2014, respectively.

The Organization's CFO was a Board Member of charterSAFE (see Note 13) during the 2013/14 and 2014/15 fiscal year. The Organization paid $1,387,211 and $1,385,190 in premiums to charterSAFE during the years ended June 30, 2015 and 2014, respectively.

The Organization's Board of Directors and their respective companies contributed $4,025,605 in the year ended June 30, 2015 to support the Organization's ongoing operations and growth, with the most significant contribution of $3,710,919 from the Pyramid Peak Foundation.

16. SUBSEQUENT EVENTS

Debt

Subsequent to the year ended June 30, 2015, the Organization made an accelerated payment of $2,900,000 of principal on the College for Certain Series 2010 School Facility Revenue Bonds. Future minimum payments were revised to reflect the reduction in principal.

Additionally, subsequent to the year ended June 30, 2015, the Organization paid $402,496 in principal on the California Department of Education loans, the entire balance of the loans.

Aspire University, Inc.

On July 1, 2015, the Organization created a new nonprofit public benefit corporation, Aspire University, Inc. (Aspire U). Aspire U's purpose is to develop a high-caliber teacher, principal, and leader pipeline for the Organization and other education organizations.

College for Certain II, LLC

On August 19, 2015, the Organization created a new wholly-owned organization, College for Certain II, LLC (CFC II LLC) to facilitate potential future ownership of certain school facilities and support development of charter schools. The sole member of the CFC II LLC is CFC INC (see Note 1). CFC II LLC is a disregarded entity for federal income tax purposes.

II.4
Fiscal Policies approved by the governing board

Aspire Public Schools

Fiscal Control Policy & Procedures

Effective June 21, 2018

Purpose

The purpose of this document is to outline the authority limits for each officer and employee to execute contracts and purchase goods or services on behalf of Aspire Public Schools, and to set out the policies and procedures when employees incur business expenses on behalf of Aspire Public Schools in the furtherance of its mission.

Authorized Approvers and Authorization Limits

1. *Definition of obligations:*

   Contractual and disbursement obligations include all oral and/or written commitments on Aspire Public Schools' behalf including contracts for goods or services, construction contracts for new or existing school sites and facilities, employment contracts, lease commitments, investments, purchase orders, vendor invoices and other similar obligations. Contractual and disbursement obligations also include traditional payment transactions such as checks, wire transfers, bank transfers, and payroll disbursements.

2. *Review and due care:*

   All contractual and disbursement obligations must be reviewed for budget impact, risks, legal considerations, optimal procurement practices, Aspire Public Schools internal control policies, and consistency with Aspire Public Schools Strategies and Priorities.

3. *Authorized approvers and approval limits (see chart):*

The tables below set out the limits of authority for Home Office employees, School Site employees and the Board of Directors:

Home Office Approval Matrix

Teammate Group	Threshold
Home Office Staff	No Approval
Managers and Directors without budget oversight	≤ $300
Special Education Program Specialists	≤ $1,000
Directors with budget oversight	≤ $3,000
Vice Presidents* and Senior Directors	≤ $10,000
Chief Officers	≤ $50,000
CEO and CFO	≤ $250,000
Board of Directors	> $250,000

* Vice Presidents include General Counsel and Chief of Staff

School Site/Regional Approval Matrix

Teammate Group	Threshold
Teachers and Other School Site Teammates who are not Supervisors	No Approval
Business Managers, Office Managers and Supervisors	≤ $300
Principals	≤ $3,000
Associate Area Superintendents	≤ $10,000
Area Superintendents	≤ $50,000
CEO and CFO	≤ $250,000

Board of Directors	> $250,000

Any purchase or authorization of service greater than $250,000 must be approved by the Board of Directors pursuant to the Bylaws. However, no further Board approvals for contractual or disbursement obligations are required if the Board has previously approved a specific budget within which the contractual or disbursement obligation is included. For example, if the Board approves a total project budget for $2,000,000, individual contracts above $250,000 related to the total project budget previously approved, do not need to go to the Board for further approval.

All leases, monthly benefit costs and similar recurring transactions that cost in excess of $120,000 annually should be reviewed and approved once annually by the Executive Committee of the Board or the entire Board.

4. *Approval process:*

   Approvals may be structured as "up to" approvals. For example, the Board of Directors may approve of a known commitment in advance with a maximum amount approved. If the item is renegotiated for an amount greater than 10% of approved maximum amount, the request must be submitted again for approval.

5. *Review of Policy:*

   The Board of Directors is to review this policy and the appropriate limits at least annually.

Procurement Policy

1. *Procurement:*

   Aspire Public Schools purchases only those goods and services that are necessary for the organization to achieve its mission or other approved purposeful need. With every purchase, authorized approvers and employees will take into account price, quality, and level of service. Vendors may be selected based on any or all of these factors. Purchases paid with federal grants will follow procurement methods stated in Uniform Guidance 2 CFR 200.317-200.326, except where Aspire's policy is more conservative. Purchases of $5,000 or greater are capitalized as a fixed asset, tagged, and tracked until it has been disposed.

   Aspire Public Schools employees planning to make purchases with federal grants should do so in accordance with our Procurement for Purchases with Federal Funds policies and procedures. When executing a sealed bid or competitive proposal, refer to the Competitive Bidding Documentation template.

2. *Related Party Transactions:*

All Employees and Board members must disclose relationships with current or proposed vendors in accordance with Aspire Public Schools' Conflict of Interest Policy. Any purchases that are paid through federal grants must follow the conflicts of interest requirements per Uniform Guidance 2 CFR 200.118.

3. *Contract Goods and Services:*

   To ensure protection, Aspire Public Schools requires contracts for goods or services to state expectations from both parties, delivery timing, payment terms, and other standard legal protections. Common types of contracts Aspire Public Schools utilizes include independent contractor agreements, memorandum of understanding, janitorial contract, and purchasing contract. Aspire Public Schools employees should utilize the contracts page created by the Aspire Finance team to help with any questions regarding contracts or to obtain a template to begin drafting a contract.

   Aspire Public Schools requires completion of IRS Form W-9 for all new vendors, except local, state or federal government entities (in order to set up a new vendor in the accounting system and to issue 1099 forms) before payment can be made to the vendor.

   Drafted contracts should be delivered to the Contracts team at contracts@aspirepublicschools.org. Completed contracts will be uploaded to Coupa by the Accounts Payable team where invoices are to be submitted against them. **All invoices derived from an approved contract should be submitted in Coupa against the contract so it does not go through another approval chain.** Once a contract has gone through the contracts process, invoices related to the approved contract and within the stated contract value will go directly to the AP team for review, and no further approval is needed.

4. *Non Contract Goods and Services:*

   Aspire Public Schools allows for the purchase of goods and services from a vendor agreeing to bill the organization after the goods or services have been delivered. In some cases, a deposit may be required up front prior to delivery of goods or services. In case where purchase orders are needed, Aspire Public Schools employees will utilize Coupa to submit the purchase request.

   In rare cases where goods or services have been delivered without a Purchase Order or Contract, a non-backed invoice can be submitted in Coupa to go through the necessary approval chain. This type of invoice submission should be avoided as much as possible through use of Purchase Requests and contracts.

5. *Credit Card Purchases:*

   At times, it is necessary for purchases to be made on a corporate credit card. Aspire Public Schools issues credit cards to specific authorized employees to benefit Aspire Public Schools and the purchaser through prompt payment to suppliers and vendors. Credit Cards are issued at the discretion of the CFO and Controller to current employees who are granted purchasing authority (see Approval Matrix). Cardholders agree to all purchasing policies and procedures as well as the cardholder agreement (see Cardholder Agreement).

Violations of these policies will be investigated and may result in a written warning, suspension or revocation of credit card privileges, disciplinary action, or termination. The CFO and Controller have the authority to investigate any potential violations and determine recommended actions as deemed appropriate.

Cardholders are responsible for the activity on the card. Aspire Public Schools may suspend or cancel the card at any time for any reason and cardholders will surrender the card upon request.

Credit card violations may include, but are not limited to:

- Purchase of personal items or items for family/friends
- Credit card usage for cash advances
- Credit card payments for invoices without proper authorization
- Failure to return cards upon request
- Loaning of card to any other person
- Failure to reconcile credit card statement on monthly basis
- Failure to provide other support for charges as requested
- Two incidences of missing receipts over a three month period

Below are a list of credit policies for card holders to closely follow:

- The credit card is to be used for business purposes only
- Credit card limits will be established based upon role and responsibilities and will not exceed $10,000.
- If a greater limit is needed for a particular employee, a request may be submitted by the employee's supervisor.
- No personal items should be charged to Aspire issued credit cards.
- Should an employee experience two (2) violations in a three (3) month period, they will be subject to at least one (1) month suspension on credit card privileges.
- Continual violation of credit card policies may result in cards being canceled.
- Credit cards may not be used to pay for invoices from vendors unless authorized by the CFO and Controller.

Each cardholder is expected to do the following in regards to receipts and reporting:

- Complete credit card reconciliation (statement review).
- Provide copies of corresponding receipts within stated deadline to online site. Receipts should be itemized and show entire details of what is purchased, especially for meals and restaurants (a credit card charge slip or statement is not sufficient).
- Maintain original receipts and send to Finance team employee upon request.
- When providing receipts, cardholders are expected to provide a brief description of purchase, provide codes such as object and resources, and ensure receipts uploaded are viewable.
- When receipts are missing, cardholders must complete Missing Receipt Acknowledgement Form which is uploaded as receipt image in lieu of receipt and approved by the cardholder's supervisor.
- Follow-up on any erroneous charges, returns, or adjustment to ensure proper credit is given on a timely basis.

- If card is lost or stolen, contact the Assistant Controller and Wells Fargo immediately to report.

Employee Expense Reimbursement Policy and Procedures

1. *Purpose:*

   The purpose of Aspire Public Schools' expense reimbursement policy is to:

   - Maintain effective controls on resources
   - Authorize reimbursement to teammates for reasonable and appropriate business purposes
   - Ensure expenses are in compliance with IRS, state, and/or granting/funder agency regulations
   - Ensure that resources are wisely used to achieve the organization's mission

   All employees of Aspire Public Schools are eligible to submit expense reimbursements, documented with receipts, through our expense reporting system and are expected to do so in a timely fashion. All expenses must be approved by a supervisor or authorized person other than the employee before payment. Employees should make every effort to submit requests weekly or within 30 days of incurring such expense. Items submitted **45 calendar days** after the date it was incurred may not be reimbursed.

   Reimbursements typically occur weekly on Thursday's but may vary due to holidays or Home Office closures. Once a supervisor has approved a report, it will go to the Accounts Payable team to process the payment. The Accounts Payable team will utilize direct deposits as the method of payment to expedite reimbursements to employees where direct deposit have been set up. It may take up to **7 business days** from the supervisor approval for a reimbursement to be issued to a staff member.

2. *Expenses eligible for reimbursement*

   Aspire Public Schools will reimburse employees for reasonable, necessary, and pre-approved work-related out-of-pocket expenses. Examples of reimbursable expenses include: mileage, tolls and parking for travel beyond your normal commute, postage, supplies, meals, gas for rental cars, air travel, rental cars, and lodging. Below are specific guidelines for reimbursement of mileage, air travel, car rentals, other transportation, hotels, and meals and entertainment.

3. *Expenses ineligible for reimbursement*

   Aspire must adhere to certain guidelines as set forth by the California and Tennessee Department of Education for the use of State and Federal funds. The following is a list of non-reimbursable items:

   - Personal expenses or family member expenses
   - Alcohol and tobacco (with exceptions noted in the Aspire Alcohol Policy)
   - Laundry or cleaning expenses
   - First class tickets or upgrades
   - Early check-in fees for hotels, flights, and reservations

- Travel insurance
- Room upgrade fees
- Membership dues at any country club, private club, athletic club, or tennis club
- Baggage fee for less than 3 nights stay
- Hotel gym or health club fees
- Massages or spa services
- Traffic citations
- Movies or PPV in hotels
- In room minibar items
- Clothing or jewelry purchases
- Fee for obtaining background check and/or TB clearance test
- Cash advances
- Political contributions or donations

Common purchases from common vendors used on an ongoing basis exceeding a $1,000 threshold should not be charged to personal credit cards. Instead, expenses exceeding the threshold of $1,000 should be entered in Coupa as either a check request, or purchase order. Employees should follow up with their Office Manager about this process.

4. *Submitting an expense reimbursement*

The following guidelines must be followed to avoid delay in reimbursement of expense reports:

- When an expense is incurred, the original itemized receipt should be scanned or saved in PDF or JPEG format. Original receipts should be maintained by the employee for their own records. Receipts are required for all items above $25, and items $25 and below without receipt support may be rejected.
- A clear explanation of the expense should be provided in the expense template, so the supervisor and the Accounts Payable team (AP) can understand what the money was spent on. For meals, the business purpose of the meeting and the names and positions of all the attendees should be noted.
- The Expense Reimbursement Template should be completed. Select the project/site code affiliated with the expense report.
- When submitting business airline/mileage/car rental for reimbursement, follow the guidelines specific to those sections of the policy.
- Click on the “submit” icon located on the bottom of the page in order for the report to go through the appropriate approval chain process.
- Managers/Supervisors are responsible for reviewing that expenses are reasonable in amount, appropriate based on the employee’s responsibilities, supported by a receipt, coded accurately, and consistent with Aspire Public School’s expense policy prior to approving.

5. *Mileage*

Employees can be reimbursed for the cost of driving their personal car on Aspire Public School business (2018: Currently 54.5 cents per mile). The trip must be reasonable and necessary and approved by an employee’s supervisor. Mileage must be submitted in the following format as displayed in the line item description: “Home Office to Monarch”; or “CV Regional office to CHA”.

Note that an employee cannot be reimbursed for a "normal" commute. For example, if an employee has a normal 2 mile round-trip to work, and is assigned on a particular day to go to another location and that round trip is 10 miles, the mileage reimbursement will be for 8 miles.

Reimbursement for cross-country trips or relocation expenses requires the approval of the Controller, CFO, or a Senior Leadership Team (SLT) member.

Aspire Public Schools is not responsible for parking tickets, or moving violation tickets.

6. *Air Travel*

Each employee is responsible for securing his/her flight arrangements if necessary at the best possible price. Aspire employees are expected to do the following when purchasing flights:

- Purchase airfare in Economy class or equivalent. If Economy class is unavailable, the employee must obtain approval from the CFO or Controller before purchasing a ticket.
- Purchase airfare at least 14 days ahead of travel when possible. Tickets purchased less than 14 days in advance must be approved by the employee's supervisor in advance of purchase.
- If airline flights provide a credit for refunds with regards to business airfares which Aspire paid for, the refund should be reimbursed to Aspire Public Schools.
- When expense reimbursements are submitted, it must include the following description: Order confirmation number/itinerary number, and date of travel. For example: AEX1234 and 05/31/17.
- Only actual costs will be reimbursed. No reimbursement will be made for the value of premiums earned through frequent traveler programs applied to business travel. This includes free upgrades or free flights.
- Airline baggage fees for trips lasting two nights or less are not allowable, unless traveling with a discount airline. Charges incurred for baggage on domestic flights should not exceed $50 per flight.

Aspire Public Schools is not responsible for lost, stolen, or damaged luggage. Should this occur, the employee is responsible for filing a claim with the airlines and/or the employee's own insurance company. If change fees are applicable due to a change in flight, the expense must be approved in advance by the employee's supervisor. Aspire Public Schools does not reimburse for early check-in.

California/Memphis Air Travel: In a continued effort to contain travel costs, Aspire has instituted a cap on flight expenditures in California and Memphis. The following limits will be in effect for round trip flights between these regions (based upon making a reservation at least 14 days in advance of departure):

- Memphis--Los Angeles & SF Bay Area - $500
- Memphis--Sacramento - $600
- SF Bay Area--Los Angeles - $250
- Sacramento--Los Angeles - $250

Any exceptions to this policy **must be approved in writing by the employee's supervisor** PRIOR to booking (approvals to be attached with receipt claiming reimbursement). Amounts over the listed limits will not be reimbursed.

7. *Car rentals*

Car rentals should be used only when needed and alternate forms of road transportation (uber, taxis, public transit, and personal vehicles) are not available. Aspire Public Schools' corporate account with Enterprise should be utilized as much as possible because it will typically provide the best rate and may provide the best deal. The link to the Enterprise Corporate booking site is here (insert link). Aspire Public Schools employees are expected to do the following when booking rental cars:

- Rent "mid-size" models or lower and not exceed $40 per day base rate
- Loss Damage Waiver (LDW) insurance should be accepted when offered by rental agency
- Aspire Public Schools will not be responsible for damages that occur during business use of either a personal or rented car
- Rentals over a weekend or holiday period are **not** reimbursable, unless adequately explained and approved (in advance) by a supervisor
- Refuel at a gas station prior to returning the vehicle at the end of the rental period, instead of purchasing the refill directly from the car rental company
- Car rentals should be submitted in the line item description as follows: (Order number/itinerary number & service date(s) incurred)

8. *Other Transportation*

Reimbursement will be made for reasonable transportation costs other than air travel and car rentals. This category includes:

- Uber/Lyft/Taxi fares between office/home and airport as well as between airport / hotel and final destination (e.g. conference) when traveling
- Public transportation used instead of taxis when traveling out of town
- Train Fares

9. *Hotels*

Reasonable lodging costs incurred in the course of business travel are reimbursable when an overnight stay is required.

- Aspire Public Schools employees are expected to stay in standard business class lodgings, and room rates are expected to be reasonable for the location, otherwise are subject to rejection and may not be reimbursed. - Employees will not be reimbursed for a stay in a city longer than that is legitimately necessary.
- The actual hotel bill with the form of payment (charge slip or zero balance) must be submitted with the expense form as documentation. A charge slip alone is not acceptable. In the event of an express checkout, a hotel invoice along with a form of payment on the invoice (such as a credit card number) is acceptable.
- When work commitments require Friday and Monday trips to the same city, employees are ordinarily expected to return home for the weekend. However, if such travel would be more costly or time-consuming than remaining at the distant location for the weekend, lodging and reasonable meals costs for the traveler are reimbursable with the following restrictions:
    a. Hotel laundry or valet charges are reimbursable only for unexpected extended trips.
    b. Items of clothing purchased when traveling are not reimbursable. This includes replacement of lost or stolen items as well as clothing purchased as a result of an unexpected extended stay.

10. *Meals and Entertainment*

For U.S. tax reporting purposes, reimbursable meal expenses are defined as the costs incurred for food and beverages in the conduct of business. Entertainment expenditures require pre-approval. Entertainment expenses include the cost of amusement or recreational facilities, as well as attendance at the theater, sporting events, etc.

Meals made necessary by travel are reimbursable. Every effort must be made to ensure that the cost of such meals is reasonable. Please see below for breakdown of Aspire's maximum daily reimbursement of $60:

- Breakfast (6:30 am – 11 am) $10 including tip
- Lunch (11:30 am – 4:30 pm) $20 including tip
- Dinner (5 pm – 9 pm) $30 including tip

It is not acceptable to purchase one meal for one person at the daily maximum of $60.

Meals and entertainment expenses require the following documentation for reimbursement to occur:

- Meals and entertainment expenses must be listed separately on the expense form (including those that were paid as part of a hotel bill).
- An itemized receipt of food/drinks purchased as well as the description of purpose of meal is required. This must include the number of individuals and the names of those attending, their titles, business relationship, if applicable, and business purpose of meal and/or entertainment.
- Tear-away stubs are not acceptable as receipts; the employee must include a form of payment such as a credit card slip or cash register receipt.

11. *Teachers' Classroom Expenses*

Teachers will be reimbursed for pre-approved and budgeted expenses for books and supplies used in the classroom, both consumable and non-consumable. Principals provide each teacher with an "allowance" for this purpose. Note that any items purchased with or reimbursed with Aspire funds become the property of Aspire.

Note: Please verify with the Office or Business Manager if certain orders can be placed through the punch out catalog through Coupa in which vendors can automate invoices through the software. This will provide an additional discount when using the catalog, and diminish excess charges on personal credit cards.

Alcohol Policy

Per California Education Code Section 32435, no school district, county board of education, or county superintendent of schools can expend public funds on the purchase of alcohol. In addition, the risks associated with the consumption of alcohol at events sponsored by Aspire Public Schools must be actively managed. The purpose of this section is to outline when and how alcohol expenses at Aspire Public Schools-sponsored events will be reimbursed and how to manage the risk associated with serving alcohol.

No alcohol purchased for an Aspire Public Schools-sponsored event can be paid for with public funds. Any such expenses must be approved and paid for with private, unrestricted philanthropy. The following Aspire-sponsored events may include alcohol consumption paid for with private funds:

- Annual Town Halls
- Annual Leadership Retreat
- All-Principal Meetings
- All-Directors Meetings
- Region, School or Department Retreats

Any other alcohol expenses must be reviewed and pre-approved by Chiefs, for department or other Aspire-wide events, or Area Superintendents for school or regional events.

All alcohol expenses must be coded as follows:

- Object Code: 5206 (Approved Beverages)
- Resource Code: 0000 (Unrestricted and will be covered with private funds)
- Site Code: Home Office Department (100-199); Regional Office (200, 300, 400 or 500)

The Chief Financial Officer will be responsible for monitoring the overall adherence to the policy and for ensuring that the organization has adequate philanthropic funds to cover the purchase of alcoholic beverages such that no public funds are used. In addition, the Chief Financial Officer will report back to the Chiefs if the budget for alcohol for these events has been exceeded.

The Accounts Payable team will be responsible for monitoring alcohol reimbursement / invoice payment requests and for ensuring that alcohol beverages are coded to a home office or regional

office site and the appropriate object code. If the itemized receipt includes food and alcohol, the coding for the expense reimbursement must be split into parts to differentiate between the object/site code for food and the object/site code for alcohol.

Risk Management
Aspire has an obligation to manage the risk exposure when alcohol is being serviced at an event. Here are some suggestions that Area Sups and Chiefs can consider when hosting an Aspire organized event that includes the consumption of alcohol:

- Limit the number of drinks
- Offer cabs
- Include some language in the agenda about responsible drinking
- Serve food with the drinks

Banking and Cash Policies

1. *School Site Checking Accounts*

Aspire has created one checking account for each school it operates and has opened three additional checking accounts at schools to support Student Body groups, Field Trip fundraising, and other Development teams. Each school site checking account is monitored on a weekly basis by the Accounting team to manage cash balances and sweep any excess funds deposited to the school's general fund.

The School Site Checking accounts are to be utilized by the school sites for making deposits of donations or fundraising proceeds and to issue checks for the expenditures less than $250. Office Managers/Business Managers are responsible to keep support documents and maintain the ledger up to date by using the Online School Ledgers.

Deposits: Deposits must be made at least once a week. Prior to deposits, Office Managers/Business Managers should make copies the checks. Copies of checks are kept at the school for internal financial records. The Deposits Summary Sheet must be filled with deposits breakdown and check/cash count and verified by two personnel including Office Managers/Business Managers.

Mealtime payment should not be deposited to school site account. It should be deposited to Aspire's main checking account and all backup documents should be sent to Home Office by courier.

In cases where a parent has written a bad check repeatedly, a School may request other form of payment using the NSF Check Letter.

Check Payments: Check payments are limited to $250 per check. Writing multiple checks to pay for expenses greater than $250 is prohibited. Office Managers/Business Managers must obtain an invoice or receipt to write a check. Where invoices or receipts cannot be obtained, appropriate detail documenting the expense should be supplied. A Principal is the sole signer of checks. In absence of a Principal, the Area Superintendent may appoint an Interim Principal or other authorized person to sign checks.

Online School Ledgers: Within 5 business days of the transactions, Online School Ledgers must be updated with applicable documents uploaded. Coding and procedures are available here.

2. *Bank Reconciliations*

Bank reconciliations for all Aspire bank accounts are performed on a monthly basis by the Accounting staff. They are reviewed by either the Assistant Controller or Controller. Outstanding check lists are provided for each account in the reconciliation including a list of payroll checks for applicable accounts. The list of outstanding checks for vendor and employee expense payments is reviewed on a monthly basis by the Accounts Payable staff. Phone calls and emails to vendors with outstanding checks are made typically after an item becomes 90 days old. The list of outstanding

checks for payroll are sent to the payroll staff monthly for follow up. Phone calls and emails again are typically done after the item is 90 days old.

Reporting of unclaimed vendor or employee expense checks is performed after the check becomes 3 years old. These items are reported to the California State Controller's Office on an annual basis. Unclaimed payroll checks are reported to the California State Controller's Office once the check becomes 1 year old. Unclaimed payroll checks are reported on an annual basis.

3. *Cash Investments*

Aspire Public Schools has implemented a policy on Cash Investments. The purpose of this policy is to set forth guidelines for the investment of Cash. This policy defines how decisions regarding the management and investment of Cash shall be made. The policy establishes the underlying goals of Aspire Public School's investment strategies and identifies the types of investment vehicles eligible for company investment.

TERMS AND CONDITIONS

1. This shall be deemed accepted by Otis when Otis commences the work.

2. Customer shall be responsible for any excise, sales, use or similar taxes imposed by any governing authority which Otis may be required to pay, or to reimburse to others, by reason of the manufacture, ownership, use or sale of any material installed or services rendered hereunder.

3. Payments shall be made as follows: Full payment shall be made on completion if the work is completed within a thirty (30) day period. If the work is not completed within a thirty (30) day period, monthly progress payments shall be made based on the value of any equipment ready or delivered, if any, and labor performed through the end of the month less a five percent (5%) retainage and the aggregate of previous payments. The retainage shall be paid when the work is completed. Otis reserves the right to discontinue its work at any time until payments shall have been made as agreed and Otis has assurance satisfactory to it that subsequent payments will be made when due.

Payments not received within thirty (30) days of the date of invoice shall be subject to interest accrued at the rate of eighteen percent (18%) per annum or at the maximum rate allowed by applicable law, whichever is less. Otis shall also be entitled to reimbursement from customer of the expenses, including attorney's fees, incurred in collecting any overdue payments.

4. Otis' performance is conditioned upon Customer securing any required governmental approvals for the performance of the work specified in this Agreement and Customer providing Otis workmen with a safe place in which to work. Otis reserves the right to discontinue its work whenever in its opinion this provision is being violated.

5. Title to any material to be furnished hereunder shall pass to Customer when final payment for such material is received unless otherwise indicated. We reserve the right to retake possession of any material furnished at your cost if default is made by you in any of the payments.

Customer irrevocably acknowledges that the services rendered are for the purpose of producing an improvement to real property, building or structure.

6. Neither Customer nor Otis shall be liable to the other party for any loss, damage or delay due to any cause beyond Customer ' s or Otis ' reasonable control, including but not limited to, acts of government, strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischief or act of God; provided, however, that, should loss of or damage to Otis ' material or work occur at the site, Customer shall compensate Otis therefore unless such loss or damage results from Otis ' acts or omissions.

7. All parts furnished hereunder will be new or refurbished to Otis standards. At Otis' option parts will be provided by Otis in exchange for the parts removed.

Otis warrants that all services furnished will be performed in a workmanlike manner and that any material provided hereunder shall be free from defects in workmanship and material. Otis ' sole responsibility under this warranty shall be at its option to correct any defective services and to either repair or replace any component of the material found to be defective in workmanship or material provided that written notice of such defects shall have been given to Otis by Customer within ninety (90) days after completion of the work.

All defective parts that are removed and replaced by Otis shall become its property. Otis does not agree under this warranty to bear the cost of repairs or replacements due to vandalism, abuse, misuse, neglect, normal wear and tear, modifications not performed by Otis, improper or insufficient maintenance by others, or any causes beyond its control.

THE EXPRESS WARRANTIES SET FORTH IN THE ARTICLE 7 ARE THE EXCLUSIVE WARRANTIES GIVEN: OTIS MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, AND SPECIFICALLY MAKES NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR ANY PARTICULAR PURPOSE: AND THE EXPRESS WARRANTIES SET FORTH IN THIS ARTICLE ARE IN LIEU OF ANY SUCH WARRANTIES AND ANY OTHER OBLIGATION OR LIABILITY ON THE PART OF OTIS.

8. Under no circumstances shall Otis be liable for any special, indirect or consequential damages of any kind including, but not limited to, loss of profits, loss of good will, loss of business opportunity or loss of use of any equipment or facilities, whether in contract, in tort, in warranty or otherwise.

Customer's remedies set forth herein are exclusive and Otis' liability with respect to any contract, or anything done in connection therewith such as performance or breach thereof, or from the manufacture, sale, delivery, installation, repair or use of any equipment furnished under this contract, whether in contract, in tort (including negligence), in warranty or otherwise, shall not exceed the price for the equipment or services rendered.

9. To the fullest extent permitted by law, you agree to hold us harmless, and defend us and indemnify us against any claim or suit for personal injury or property damage arising out of this contract unless such damage or injury arises from our sole negligence.

10. Except insofar as Customer's equipment may be covered by an Otis maintenance or service contract, it is agreed that Otis will make no examination of this equipment other than that necessary to do the work described in this agreement and Otis shall assume no responsibility for any part of Customer's equipment except that upon which work has been done under this agreement.

11. It is agreed that after completion of Otis' work, Customer shall be responsible for ensuring that the operation of any equipment being furnished hereunder is periodically inspected. The interval between such inspections shall not be longer than what may be required by the applicable governing safety code.

12. Notwithstanding any other provisions hereof, if any part delivered hereunder incorporates software, the transaction is not a sale of such software: rather, Customer is hereby granted merely a license to use such software solely for operating the equipment for which such part was ordered. By accepting delivery of such part, Customer agrees not to copy or let other copy such software for any purpose whatsoever, to keep such software in confidence as a trade secret, and not to transfer possession of such part to others except as a part of a transfer of ownership of the equipment in which such part is installed, provided that customer informs Otis in writing about such ownership transfer and the transferee agrees in writing to abide by the above license terms.

13. In furtherance of OSHA's directive contained in 29 C.F.R. § 1910.147(f)(2)(i), which requires that a service provider (an "outside employer") and its customer (an "on-site employer") must inform each other of their respective lock out/tag out ("LOTO") procedures whenever outside servicing personnel are to be engaged in control of hazardous energy activities on the customer's site, Otis incorporates by reference its mechanical LOTO procedures and its electrical LOTO procedures. 14. This agreement constitutes the entire understanding between the parties regarding the subject matter hereof and may not be modified by any terms on Customer ' s order form or any other document, and supersedes any prior written or oral communication relating to the same subject. Any amendment or modifications to this agreement shall not be binding upon either party unless agreed to in writing by an authorized representative of each party.

WELCOME FROM THE CEO

Dear Aspire Families,

From all of us here at Aspire, welcome to the 2018-19 school year!

Aspire was founded in 1998, making this year our **20th anniversary!** For twenty years, we have had the privilege of partnering with families to ensure that every Aspire student receives an excellent education. From day one, our vision has always been ***College for Certain***. We promise to work hard each day to prepare your child for a future filled with choices, and we thank you for partnering with us to make that happen. You, family members, are the wonderful champions, cheerleaders, and coaches for your children - and we could not do this work without you.

This year, there are **over 17,000 Aspire students** across California and Tennessee, and our goal is for each and every one of them to be **prepared for success in college and in life.** From TK through 12th grade, we are **helping students gain the knowledge and skills they need** to tackle any problem - not just problems on a worksheet or a test, but real problems that matter to them, to the people they love, and to the communities they live in and serve, both now and in the future.

We believe that **there is no more important work than education** and no greater accomplishment than seeing students reach their goals. Whether this is your family's first year with Aspire or you have been with us for many years, we want you to know what an honor it is for us to work with you and your child (or children!) in our schools.

Thank you for your partnership, and let's have a wonderful year!

Sincerely,

Carolyn Hack
Aspire Public Schools CEO

ASPIRE-WIDE VISION

Every student is prepared to earn a college degree.

ASPIRE-WIDE MISSION

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

- Increase the academic performance of underserved students
- Develop effective educators
- Share successful practices with other forward-thinking educators, and
- Catalyze change in public schools.

ANNUAL NOTIFICATION AND GUIDELINES

This Student Family Handbook enumerates sections of the Education Code that require annual parent and/or guardian notification. [Education Code § 48980[a]]

California state law governs the basic operation of public schools, and the legislature regularly passes new laws affecting the quality and availability of education, as well as laws mandating that local school districts undertake new responsibilities.

These laws often require that Aspire adequately inform parents of the opportunities and protection to which they are entitled. Aspire complies with this by providing families with this Annual Notification in the Student Family Handbook at the beginning of each school year and by issuing the same publication to new families as they enter Aspire schools during the year.

The following contains a summary of state law provisions with which all parents and guardians should be familiar. In some cases, the laws have been summarized, and the precise code number has been provided should parents require more detailed information.

The Student Family Handbook will be published annually. All registered families of Aspire Public Schools will indicate their willingness to be governed by the Student Family Handbook by signing annually a written statement to that effect. The Administration reserves the right to amend the Handbook at any time for just cause. Parents of Aspire Public Schools students will be notified of the changes, in writing, in a timely manner.

LETTER FROM THE PRINCIPAL

Dear AMLA familia,

Welcome back to the 2018-2019 school year!! We hope you had a wonderful and restful summer and are ready for another exciting year of learning and exploration.

For those of you who are new to AMLA I would like to start with a few brief introductions of myself, and my ADMIN team (deans) who will continue to support our students this year. This year I will be entering my 12th year at Aspire after serving several Aspire LA schools in different capacities. I started off my career as a classroom teacher, then as a K-5 reading literacy specialist, dean at a middle school, and now entering my 5th year as principal. It has been a pleasure getting to work in the Huntington Park community and being a driver for change and advancement for your children.

This year we also welcome back Mrs. Krystal Gonzalez (3-5) and Mrs. Dea Inguito (K-2) who will continue to serve as a wonderful support around instruction/culture. Together they have over 20 years of experience in the classroom, 16 being at Aspire. Our goals together this year are to elevate the instructional program as well as the culture of the school.

Below you will find a few goals for this academic school year:

- Increase our attendance percentage (meeting our goal of 98%)
- Continue to inspire a love of reading and overall joy factor at school
- Elevate our PBIS (Positive Behavior Interventions and Supports) program with the support of a new SEL (Social Emotional Learning) curriculum which was launched this past Spring
- Enhance the focus and support for our English Language Learners
- Ensure that Science is more present in our daily academic program
- Deepen the learning around our new and more rigorous K-5 Math curriculum launched K-5 last year
- Expand our Music and Physical Education program
- Expand the opportunities for our parents to get involved

Looking forward to a tremendous year. Please feel welcome at any time to join us in any of our efforts. The more collaboration and integration of all stakeholders the better for our kids.

Educationally Yours,
Mrs. Garcia

ABOUT THE SCHOOL

Aspire Antonio Maria Lugo Academy is home to 400 students and families. This year we will serve students in grade K-5 with a total of 15 classrooms. Our student population consists of 98% Hispanic, 94% FRL, and 45% ELLs. Currently we are maintaining a 96.5% attendance rate or higher by implementing initiatives and parent education.

AMLA proudly has a very active partnership with parents, which has served to expand our programs and better serve our students. Currently all students participate in Universal Language Blast time, which means that students are given 30 minutes a day (4 x week) to further develop their English Language. Students who are English only or RFEP are also participating in higher-level language development at this time. We are also very proud of the efforts made in our social emotional curriculum, which include strong emphasis in positive reinforcement for our TIER 1 while also including differentiated supports for students with emotional/behavioral needs in Tier 2/3. Evidence that this program is successful includes AMLA proudly holding a zero suspension rate for the past 2 years.

Overall, we feel that at AMLA students are provided with a rigorous and differentiated academic experience as the opportunity to cultivate their character and passion through our continuously

expanding enrichment programs. At AMLA we believe that all stakeholders are key to college for certain. AMLA is part of the Aspire Public Schools (APS), a non-profit 501(c)(3). The Home Office of Aspire Public Schools serves AMLA through business services, professional development and other operational support.

SCHOOL SITE MISSION AND VISION

We will create lifelong learners who think critically, accept new challenges with courage, and contribute positively to their community.

7. Please support our drop off/pick up procedure by dropping off and picking up promptly

Drop Off Time and Procedures: Doors open for breakfast at 7:55 am, School starts @ 8:30 am
Morning Program available for special circumstances. See office for application.

Pick-Up Procedures

3:30 pm (M-Th) / 1:30 pm (Friday)

Early Pick-Up Policies and Procedures: At AMLA we believe every minute counts. From beginning to end yours child's learning consists of vital skills that will be crucial to them staying on track in order to reach their goal of "College for Certain". With that say pulling your child out of school early directly impacts their academic success. Kids should be picked up at 3:30 M-Th / 1:30 Fri. Excessive early pick-ups may result in a mandatory meeting with Teacher, Counselor and/or Principal.

For the safety of students, parents or guardians are not to drop students off, nor are students to arrive at school, prior to 30 minutes before the start of school, unless the student is involved in a regular school activity, meeting, or community program. Similarly, it is the responsibility of the parents or guardians to arrange to have their student leave or be picked up right after school, unless the student is involved in a regular school activity, meeting, or community program or is staying at the request of school personnel. In case of emergency, all students should go directly to the school office at any time before or after school.

Students who cannot comply with these requirements are placing all those at the school at risk by disregarding safety considerations. Students placing themselves or others at risk by violating the above policies may be subject to disciplinary action, including suspension and expulsion.

CLOSED CAMPUS

Each school is a closed campus. All students are required to remain on school grounds during the regularly scheduled school day, including lunch period. It is unlawful for anyone to take a student away from school during the regular school day without parent and/or guardian permission and notification of the School Office.

PARENT/FAMILY CONTACT INFORMATION

Parents are asked to notify the office in writing as soon as any change of contact information (telephone numbers, address, etc.) occurs. This will ensure that all communication will be received without delay or interruption. Every student must have complete and up-to-date Emergency Contact Information, properly signed and on file in the school Office. **Student may only leave campus with an adult whose name is listed on the emergency contact information.**

CUSTODY ORDERS, POWER OF ATTORNEY OR CAREGIVER AFFIDAVITS

We recognize that all families are unique. If you have family situations which involve specific custody or other legal documents, please let the school know so that we can support your child and family.

TELEPHONES AND CALLS TO STUDENTS

The office telephone is for school business only. Students using the phones inappropriately will be subject to disciplinary action.

If it becomes necessary for you to reach your child during school hours, or if it becomes necessary for your child to reach you during school hours, all communications should be relayed through the main office. **Only emergency messages will be relayed.** As appropriate, the office staff and administration will determine if a message is an emergency.

MEDICATION

If your child needs to take any prescription medications, you must have:

1) a doctor's written and signed note (Parent/Physician Statement) detailing the method, amount, and time schedules for such mediation, **and**
2) a written and signed note (Parent/Physician Statement) from the parent indicating his/her desire that the school assist the student as set forth by the physician in his/her statement.

For safety reasons, children are not allowed to have medicine in their classrooms, lunchboxes, or in their pockets. All medication must be dispensed through the office. You may also come and administer medication to your child, if needed. From time to time some parents request that their child be able to take Tylenol or Advil at school. This is permissible only with written parent and doctor permission (Parent/Physician Statement) and the medication must be in its original container.

ENROLLMENT

ENROLLMENT

Parents of all enrolled students will receive an Acceptance letter and either an Enrollment Confirmation form or Registration Packet; enrollment is not considered complete until that Enrollment Confirmation Form or Registration Packet has been completed and returned. Failure to return the Enrollment Confirmation Form or Registration Packet by the specified deadline may result in the spot being given to the next student on the waitlist.

RE-ENROLLMENT

Before new students can be enrolled, current families are asked to complete a Re-Enrollment Form, indicating whether they plan to return the following school year.

CLASS PLACEMENT

Class placements are carefully considered and created at Aspire Public Schools, with a goal of balancing classes based on a variety of factors. Parents are welcome to submit a letter describing their child's learning styles and interest, but parent requests for specific teachers are not accepted.

FOREIGN EXCHANGE STUDENTS

Aspire Public Schools does not accept or enroll foreign exchange students.

IMMUNIZATION REQUIREMENTS

Students who do not comply with the vaccination requirements shall be excluded from school, meaning, 'No shots, no school'. State law requires that for unconditional admission to school, all students under 18 shall be fully immunized according to the requirements of the California Department of Public Health. All entering students must be up-to-date with immunizations according to Aspire policy and the schedule provided by the California Department of Public Health. As of January 1, 2016, exemptions based on personal beliefs, including religious beliefs, will no longer be an option for the vaccines that are currently required for entry into school in California. If you have a previous personal belief exemption, please reach out to your school to discuss next steps. Students may be exempted from this requirement for medical reasons only. In the event of an outbreak of a disease for which the child has not been immunized, he or she will be excluded from school for the period of communicability.

Students who do not comply with the requirements shall be excluded from school. The immunization requirements do not prohibit pupils from accessing special education and related services required by their individualized education programs. If you have questions about your child's immunization record and/or admission status, please contact your child's school.

TK and Kindergarten students must bring their vaccination records from their doctor on or before the first day of school. Students who do not bring their vaccination records will not be permitted to attend school, per state law. More information can be found here: http://www.shotsforschool.org

ATTENDANCE

Aspire Public Schools (APS) believes that only through daily participation in classroom activities can students achieve success and progress in their academic and social growth. Regular attendance is also preparation for entry into the world of employment. All students and parents are accountable for regular class attendance and daily assignments.

EXCUSED ABSENCES

A student not present in class for any reason is considered absent. Students must be excused from compulsory attendance if they are to miss school; a student will be excused for an absence if 1) the reason for the absence is listed below **and** 2) the **absence is communicated to the school within 5 days** of the absence: [Education Code § 48205(a) and § 48205(c)]

(1) Due to the pupil's illness.
(2) Due to quarantine under the direction of a county or city health officer.
(3) For the purpose of having medical, dental, optometric, or chiropractic services rendered.
(4) For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
(5) For the purpose of jury duty in the manner provided for by law.
(6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
(7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats (for purposes of this section, attendance at religious retreats shall not exceed four hours per semester), attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the student's absence has been requested in writing by the parent or guardian and approved by the principal or a designee.
(8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
(9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty

for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.

(10) For the purposes of attending the pupil's naturalization ceremony to become a US Citizen.

MAKE-UP WORK FOR STUDENTS WHO WERE ABSENT

Students who are absent from school for any of the excused reasons stated under "Excused Absences," as well as suspension, shall be allowed to complete all assignments and tests. Upon satisfactory completion, the student shall be given full credit for completed work. Local school procedures will guide, pursuant to the regulations of APS, what assignments the student shall make-up and in what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. [Education Code § 48205]

GENERAL TARDINESS

Any student who arrives to school after the opening-school bell has rung or the official start of the school day, yet less than 30 minutes into the instructional school day, will be considered "tardy." Once the school day has begun, students who are not present and actively engaged in the learning activities at the start of a class period and or when the opening class bell has rung are also considered "tardy."

Individual schools shall create and publish procedures to govern the admission of students that are tardy to school, including, but not limited to those described in the following section.

SCHOOL SITE ATTENDANCE AND TARDY PROCEDURES

Regular, on-time attendance is important for your child's success. In the event your child is absent or tardy, please follow the procedures below.

If your child is **absent**, please call the school office to report the absence **within 5 days** and ask for makeup work so that your child does not fall behind.

If your child is **tardy**, please have them come to the office to sign in for the day and obtain a "tardy pass" before they go to class.

If children fail to attend school regularly, they miss out on fundamental reading and math skills needed to succeed in college and beyond.
Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade (Attendance Works, 2014).

Hence, at AMLA we are committed to establishing good attendance habits by implementing the following policy below to address excessive tardies and truancies. This is in addition to the truancy consequences outlined in the next section.

Therefore, please review the following:

- 5 tardies = parents will be required to attend a parent workshop regarding attendance
- 1 truancy = parents will be required to attend a parent workshop about attendance.
- If the student continues to have excessive tardies or parent fails to attend workshop, students may be required to make up the work they have missed during recess.
- Home Visit: Note if a family fails to meet the above requirements a home visit may be initiated.

CHRONIC ABSENTEEISM

Any student who has been absent from school (excused or unexcused) for 10% or more of the total days of attendance for that school year may be required by the school principal to provide an official medical or judicial verification in order to excuse an absence. Students with such an excess of absences will be notified in writing of the official verification requirement.

Any teacher may change the grade of a student who has accrued 10 unexcused absences per semester to a failing grade for their courses at the marking period (grade of "F" or "NC"). [Education Code § 49067]

Students with excessive absences may be referred to the school's Truancy Abatement Program as a way to remediate the excessive absences. The abatement program may include Weekend Makeup School.

WITHDRAWAL DUE TO EXCESSIVE UNVERIFIED ABSENCES (AWOL)

In rare circumstances, students will be disenrolled from an Aspire school for multiple consecutive days without attempting to notify the school of the absences or without responding to school inquiries (phone, fax, and mail) about the student absence.

TRUANCY

A student is considered truant when the student is:

- absent from school without a valid excuse three school days in one school year,
- tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or
- any combination thereof.

Truancy is for unexcused absences not cleared within 5 days. To avoid truancy, please always inform the office if your child's absence or tardy is for an excusable reason as defined above.

NOTIFICATIONS OF TRUANCY

If your child is classified as truant under the California Education Code, you will receive notification from the school that includes information required by the state. The first notification will come to you once your child has accrued three truancy events. Please reach out to the school on this first notification, as it will allow the school to work with you in support of your child's attendance. You will receive additional notifications after six and then again after seven total truancy events. [Education Code §§ 48260, 48261, 48262]

First Notification of Truancy or Excessive Absences

- Letter #1 sent regular and/or delivery confirmation mail when a student has accrued **three (3) truancy events.**
- Student may be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to Weekend Makeup School.

Second Notification of Truancy or Excessive Absences

- Letter #2 sent regular and/or delivery confirmation mail.
- A student must be notified a **second time** once they have accrued at least **six (6) truancy events**.
- Student may be assigned, with or without parent consent, to the school's truancy abatement program.

NOTIFICATION OF DETERMINATION OF HABITUAL TRUANCY AND SART

Once your child has received a third notification of truancy after accruing a seventh truancy event, the California Education Code identifies your child as a habitual truant. At this point, the school is required to hold a School Attendance Review Team (SART) meeting with you. At that meeting an attendance contract, including supports, will be discussed and signed and your child will be assigned to the school's truancy abatement program. [Education Code §§ 48260, 48261, 48262]

Notification of Determination as an Habitual Truant

- Letter #3 sent regular and delivery confirmation mail. In addition, a parent may be asked to sign the letter in person.
- A student must be notified a **third time** once they have accrued a **seventh (7) truancy event**. Student is identified as a **Habitual Truant**.

- SART meeting held with student, parent, teacher advisor, and Principal. If not already on file, an Attendance Contract must be signed at this meeting.
- Student will be assigned, with or without parent consent, to the school's truancy abatement program.
- If the parent and/or guardian fails to respond in 10 days or does not attend the scheduled conference, the matter may be referred to the Aspire Student Attendance Review Board (SARB).

The school's SART will consist of:

- The principal;
- The student's teacher from the school in which the student is enrolled; and
- Other relevant members, such as another Aspire administrator, an Aspire Home Office representative, other teachers or staff as appropriate, counselor, etc.

NOTIFICATION OF CONTINUED TRUANCY AND REFERRAL TO ASPIRE SARB

Once a student reaches an 8th truancy event, you will receive notification that the student has been referred to the Aspire Student Attendance Review Board process, which is a final attempt to help resolve truancy issues before more stringent consequences are considered, including, but not limited to: referral to the District Attorney. [Education Code §§ 48260, 48261, 48262]

Notification of Continued Truancy – Referral to Aspire SARB

- Letter #4 sent regular and registered delivery confirmation mail from the Regional Office. In addition, a parent may be asked to sign the letter in person.
- A student must be notified a **fourth time** once they have reached an **eighth (8) truancy event.**
- Principal refers student to Aspire SARB with required attachments.
- Student will be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to Weekend Makeup School.
- If the parent fails to respond within 10 days or attend the scheduled conference, the matter may be referred to the District Attorney's office and other appropriate actions.

The APS SARB will consist of:

- The school principal or their administrative designee;
- A teacher from the school in which the student is enrolled;
- The CEO's designee from the Aspire Home Office; and
- Other relevant members, such as local school district representative, District Attorney representative, special education representative, counselor, local police official, etc.

ACADEMICS

ACADEMIC INTEGRITY

Aspire Public Schools believes in academic integrity. Students are expected to do their own homework, to test without external resources, and to submit original work for all assignments. Aspire students are expected to deny all requests to copy from their own work.

CONSEQUENCES FOR VIOLATING ACADEMIC INTEGRITY

1. All test papers, quizzes, or assignments will be taken from the student(s) violating the policy.
2. A student found cheating may receive, at the discretion of the teacher, a grade of "F" or a zero for the test, quiz, or assignment. This may lower a quarter or semester grade substantially.
3. Parents will be notified and a parent conference will be arranged if the teacher deems it necessary.
4. The Principal will be notified.
5. An incident of cheating and or plagiarism will result in removal from the Honor Roll for that quarter.
6. Repeated violations or a single serious violation may lead to more serious disciplinary actions.

GRADING POLICIES AND PROCEDURES

When grades are given for any course of instruction, the grade given to each student shall be the grade determined by the teacher of record for the course, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetence the grade shall be final [Education Code §49066a].

Teachers may make changes to grades until they have been stored in PowerSchool. After grades are stored, teachers are prohibited from changing grades without securing the approval of the school site principal and the Area Superintendent. All grade changes will be documented in student's cumulative folder using the official Aspire "Grade Change" form and requests for changes will only be accepted for 21 school days after the official close of the marking period. Teachers wishing to change a student's grade after grades have been stored should apply the following criteria:

- The student had extenuating circumstances that prohibited the student from completing the course on time (example: automobile accident, serious illness).
- The student did not receive adequate materials to complete the course (example: textbook)
- The grade should not be changed if the student made little or no effort to complete the assignments or solicit support during the time span of the course

Aspire Antonio Maria Lugo Academy uses a standards based grading policy, which is a method where teachers measure how a student is doing in reaching a specific learning goal or standard. Students receive a 1-4 with the following definitions:

Grading Key	
4	Exceeding the grade level standard
3	Meeting the grade level standard
2	Approaching the grade level standard
1	Below the grade level standard
\	Standard not addressed

Please note, not all standards are assessed during every grading period. If you have questions about what your child is learning or how they are progressing, please reach out to your child's teacher.

More information will be shared at back to school events.

INSTRUCTIONAL MATERIALS

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation as part of any applicable (instructional) program shall be available for inspection by the parents or guardians of students [20 USC 1232h(a)].

TEXTBOOKS AND MATERIALS

Students are responsible for all books and school materials issued to them. All textbooks are to be protected with sturdy book covers, no contact (adhesive) or other permanent book covers allowed. Students will be fined for unusual wear or damage to books. Students will be charged a replacement fee for all lost books, technology or other school materials issued to them, including library books.

REQUIRED RESTITUTION

Student grades, diplomas, and transcripts may be withheld from students and parents or guardians when a student has damaged, destroyed, or not returned loaned property of the school and restitution has not been made. The records are withheld from the student and parent and/or guardian, but will not be withheld from a requesting school. [Education Code § 48904(b)]

CALIFORNIA MATHEMATICS PLACEMENT ACT

In accordance with the California Mathematics Placement Act of 2015, Aspire Public School has adopted the "Enhanced Pathway" in the *California Mathematics Framework, 2013* as it allows students to develop

a solid foundation on key middle school mathematical concepts, and also gives students time to make key choices on their mathematics pathway. For additional information, please visit www.aspirepublicschools.org.

TESTING

California students are required by state law to take multiple assessments to measure their progress and mastery of the CA adopted Common Core standards. These include, but are not limited to, the:

- Smarter Balanced Achievement Consortium Tests in grades 3 – 8 and 11
- English Language Proficiency Assessments for CA (ELPAC) for English Learners in K-12
- California Science Test (CAST) in 5, 8, and at least one high school grade
- California Alternative Assessment (CAA) for students who qualify based on disability
- Additional benchmark and interim tests are administered for internal Aspire purposes including an internal reading diagnostic assessment
- Other federal, state and local tests as required

FAMILY LIFE/HIV/AIDS EDUCATION

The Family Life Education program is designed to help students understand the biological, psychological, social, moral, and ethical aspects of human sexuality. The program provides information on human growth and development, physical and emotional changes that occur during adolescence, and responsibility. Each school district shall ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and HIV prevention education from instructors trained in the appropriate courses. Each pupil shall receive this instruction at least once in junior high or middle school and at least once in high school. [Education Code § 51934]

The Family Life Education Program includes age appropriate instruction about Acquired Immune Deficiency Syndrome (AIDS) and Human Immunodeficiency Virus (HIV). The course will include information on AIDS and its effects on the human body, HIV transmission and prevention, community resources, decision-making and refusal skills, and public health issues. The Family Life and HIV/AIDS instruction programs follow the guidelines set forth by the California Education Code. Parents and/or guardians may contact the Principal if they would like to preview the classroom materials.

DRESS CODE

Learning deserves an environment of respect and freedom from distraction. Aspire Board policy requires that all students enrolled in Aspire Public Schools comply with the school's uniform policy. Students who are out of uniform will be subject to disciplinary action. All uniforms should be marked with the student's name. Uniforms (including shoes) are to be clean, maintained, appropriately sized, and worn as they are designed to be worn. The uniform reflects a positive pride in self and school.

Uniform Policy

The purpose of uniform dress at the school is:

- To focus students on school as a professional workplace
- To focus students away from clothing as a competition
- To symbolize our united effort on the road to college
- To develop and enhance a sense of school pride
- To enhance school safety

Outer garments must be appropriate for the comfort and normal activities of students while in school. All items must be worn in traditional and appropriate fashion. A top must cover a student's chest and midriff. Bottoms must cover a student's hips and buttocks. All clothing must be worn in the student's appropriate size.

Clothing must be in good condition and cannot be bleached, stained, ripped, torn, frayed, etc. If a color or item of clothing becomes a safety issue or a distraction from learning, the student may be asked to remove the article, or substitute with something more appropriate. This includes accessories such as shoes, shoelaces, hats, sunglasses, scrunches, earrings, etc. We reserve the right to update the dress code as needed at any time and provide a copy to families, students, and staff.

Casual/Free Dress Days

"Casual Dress" means non-uniform; however, students wishing to remain in uniform on non-uniform days may do so. Dress may be casual, but should still adhere to the Dress Code policy and reflect personal and school pride. Clothing should be neat, clean, un-torn, and appropriate for school. Any student in non-uniform must ensure that the choice of dress covers at least as much of the body as would the uniform. Students whose clothing is inappropriate may be sent home for the remainder of the day. The administration reserves the right to determine which clothing is inappropriate.

SCHOOL SITE SPECIFIC DRESS CODE

Aspire Antonio Maria Lugo Academy requires all students to wear uniforms. Below are the specific uniform requirements for students.

- Students participating in the program represent the school.
- The program includes both preparation for and performance before an audience or spectators.

In essence, for a student to be eligible for activities:

ATHLETICS

In addition to the policy above, Aspire Public Schools follows the guidelines established by the CIF Blue Book.

1. Athletes must meet the Aspire Eligibility requirements.
2. Students must maintain a minimum grade point average of 2.0 for the previous grading period to remain eligible. In accordance with CIF, students who fall below 2.0 may be placed on probation for one quarter. Additionally, athletes must meet the Aspire eligibility requirements.

Students must attend school on the day of a school activity or event in order to participate. Students who do not attend school the day of a school activity or event, even if the event is in the evening may be denied the privilege of attending school activities or events on that date.

SCHOOL LUNCHES

In addition to our regular food service program, students may be eligible for the no-cost or reduced lunch program. Those students should complete a new application during the first week of school each year. See the cafeteria manager or office for the application form. Students must present their student I.D. in order to obtain lunch.

Here at Aspire Antonio Maria Lugo we follow a healthy food policy. Our policy around food, birthday celebrations, and parties is posted outside our main office and will be included in our first day packet.

EMPLOYMENT OF STUDENTS - WORK PERMIT

While school and preparation for university must always be a student's first priority, students, over the age of 14, are encouraged to consider employment to enhance their academic portfolio, to prepare for university, and to gain valuable life skills and experiences. In order for a minor (anyone under the age of 18) to work, he/she must obtain a Work Permit from the school.

In order for a student to be eligible to obtain a work permit, the student must:

a. maintain a minimum progress toward meeting the high school graduation requirements as prescribed by Aspire's Board of Directors policy.

b. maintain, during the previous grading period (by quarter), at least a 2.0 GPA.

c. not receive a failing mark in any core academic subject the previous grading period (by quarter).

Any student wishing to seek employment is encouraged to meet with the Dean of Students or Academic Counselor to discuss the California legal requirements, eligibility requirements, and procedures outlined below. State law places restrictions on the amount of time minors may work and requires that it not interfere with their academic progress. In accordance with Aspire Public Schools Administrative Regulations and CA Education Code § 49164 - "The CEO or designee shall revoke a student's work permit whenever he/she determines that employment is impairing the student's health or education, that any provision or condition of the permit is being violated, or that the student is performing work in violation of law." Specific details may be found on the following websites or by talking with your school dean or counselor:

STUDENT BEHAVIOR AND DISCIPLINE

NOTICE OF REGULATIONS

The Aspire School's administration shall ensure that students and their parents/ guardians are notified in writing upon enrollment of all discipline policies, rules and procedures. This handbook satisfies this requirement by describing expectations for student behavior, plans for managing student behavior and consequences for not adhering to expectations.

POSITIVE BEHAVIOR SUPPORT SYSTEMS

Aspire Antonio Maria Lugo Academy is committed to supporting all students through the implementation of systems that build a positive school culture. This includes both overarching intervention frameworks as well as specific culture and positive behavior building programs. Some specific systems we use include:

Multi-tiered Systems of Support (MTSS): MTSS is the next evolution of Response to Intervention, which focuses much more on the whole child and creating a tiered system of supports that takes into account not just academic or behavioral needs, but also the impact of environment on these needs.

Positive Behavior Interventions and Supports (PBIS): PBIS is a problem-solving framework that supports schools in determining behavioral interventions and support at all tiers within an MTSS system.

Restorative Practices (RP): RP promote positive relationships and community building while providing meaningful opportunities for members of the school community to share the responsibility for making our schools a safe and nurturing environment. Restorative Practices are used throughout all tiers of support and intervention to create positive school culture, alternative discipline and change.

SOCIAL-EMOTIONAL LEARNING (SEL)

Our approach to Social and Emotional Learning (SEL) is to create positive school climate and culture and foster the social and emotional growth of our scholars and teammates through adopting an intentional focus on the integration of SEL throughout our entire instructional pyramid and beyond. Aspire will be moving forward with an Aspire-wide TK-12 adoption and roll out of SEL principles and programming in 2018-2019. Our Social and Emotional Learning Program is a key element in advancing our Equity efforts at Aspire, by ensuring each scholar is receiving the types and appropriate level of supports they need to reach their potential.

Aspire is committed to supporting our students' social and emotional development to be caring and productive citizens. We engage in culturally responsive and equitable practices in our communities of students, families, and teammates to cultivate the following lifelong skills in each Aspire scholar and educator:

- Managing emotions and behaviors
- Feeling and expressing empathy and compassion for others
- Making responsible decisions
- Setting and achieving positive goals

Aspire Antonio Maria Lugo Academy utilizes proven SEL programs and other techniques to include SEL in our regular day program. This program is in addition to the many other culture and skill building opportunities occurring at your child's school.

Paths: The PATHS® program is a PreK-6 curriculum designed to reduce aggression and behavior problems by promoting the development of social-emotional competence.

Please reach out to us if you would like to learn more about the systems and programs our school uses.

Suspension shall be imposed only when other means of correction fail to bring about proper conduct. However, a pupil, including an individual with exceptional needs, as defined in Section 56026, may be suspended for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Education Code Section 48900 (see below under grounds for suspension for details) or that the pupil’s presence causes a danger to persons. [Education Code § 48900.5]

SUSPENSION

Suspension is the temporary removal of a student from class instruction for adjustment or disciplinary reasons.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students who come to school during the term of their suspension or expulsion may receive further disciplinary action.

Except in cases where suspension for a first offense is warranted in accordance with law, each school site shall consider suspension from school only when other means of correction have not been successful or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority to Suspend

1. A teacher may suspend a student only from the teacher's classroom for the day of the suspension plus the following school day.
2. The Principal or the Principal's designee may suspend a student from class, classes or the school campus for a period not to exceed five school days.

In the event that a special education student's cumulative suspensions in the school year exceed 10 days, the LEA is required to provide FAPE during any subsequent days of suspension. The IEP team determines the appropriate offer of FAPE for the student

Schools are obligated to provide a "free appropriate public education" (FAPE) in the least restrictive environment (LRE). Referral for special education eligibility and services may come from teachers, parents, agencies, appropriate professional persons, and from other members of the public. Special Education referrals will be coordinated with school site procedures for referral of students with needs that cannot be met with modifications of the regular instructional program, including referrals from student intervention teams, such as the Student Study Team (SST). A student shall be referred for special education and services after the resources of the regular education program have been considered and, where appropriate, utilized. [For more information on the Special Education referral process, see the section *Child Find and Special Education Notification]*

- **Parent's Procedural Safeguards:** Procedural Safeguards (also known as Parent Rights), must be given to the parents of child with a disability at a minimum (a) Upon initial referral for evaluation; (b) Upon each notification of an IEP meeting; (c) Upon reevaluation of a child; (d) in accordance with disciplinary procedures and (e) Upon receipt of a request for due process.

CHILD FIND AND SPECIAL EDUCATION NOTIFICATION

Many programs for the children in Aspire Public Schools are provided at no cost to you. Our schools offer special education programs and services such as specialized instruction, behavioral services, speech therapy, physical and occupational therapy, and other special education related services. Developmental screening and or comprehensive assessments for children who are suspected of having a disability which could adversely affect their educational development are available at no cost to you.

A student must be evaluated and identified as having a disability under the Individuals with Disabilities Education Act (IDEA) to be eligible for special education programs and related services. Assessment is the process to determine a student's needs and eligibility for an Individualized Education Plan. No single procedure is used as the sole criterion for determining an appropriate educational program for an individual with exceptional needs. Assessments must address all areas related to the suspected disability and be conducted by a multi-disciplinary team, including the parent. The evaluation will result in a written report consistent with *California Education Code Section 56327*. Whenever a parent provides a request for assessment, the LEA has 15 days to review the request and respond in writing. If the LEA determines that assessment is appropriate, an assessment plan will be developed and a copy given to the parents. Parents have 15 days to respond to the proposed assessment plan. The assessment will begin upon receipt of parent's written consent to Individual Assessment Plan. The assessment must be completed and the IEP meeting held within 60 days of receipt of parent's written consent. If there is denial of the request for assessment, prior written notice will be provided to the parents, consistent with *Title 34, CFR Section 300.503,* providing *rationale* for denial of the request.

If any Aspire Public Schools family has questions or concerns with regard to an enrolled student receiving special education services, you have the right to request assistance in addition to copies of policies, procedures, evaluations, plans and reports by contacting the Aspire Special Education office. Appointments or further information can be obtained by contacting the Aspire Special Education office at 510-434-5000 or by requesting information from your local school principal.

SPECIAL EDUCATION COMPLAINTS

An individual may file a complaint alleging that the school is not in compliance with IDEA policies and procedures. An individual may file the complaint by contacting the Aspire Regional Office Director of Special Education, either verbally or in writing. If the complaint is made verbally, the receiving staff should request to have the complaint in writing, and assist the parent to put the complaint in writing, if needed. Within 15 calendar days of receipt of the complaint (tolled for school breaks in excess of 5 days), the parent will be contacted and provided with a copy of Special Education Parent's Procedural Safeguards. The Regional Director of Special Education will investigate the nature of the complaint by interviewing the parent, school site team and reviewing the student's special education and cumulative file. If an Individual Education Plan meeting is appropriate to address the complaint, it will be scheduled within 30 calendar days (tolled for school breaks in excess of 5 days) of receipt of the complaint.

If the complaint is not resolved by the Regional Office, the individual may contact the Senior Director of Special Education at the Aspire Home Office. The Senior Director of Special Education will review the measures taken to address the complaint by the Regional Office, and contact the parent within 5 days of receipt of their complaint (tolled for school breaks in excess of 5 days). The Senior Director of Special Education will discuss the Parent's Procedural Safeguards with the parent, which include the Informal Dispute Resolution process, state complaint procedures and due process procedures, as appropriate.

HOMELESS CHILDREN AND YOUTH (MCKINNEY-VENTO REAUTHORIZATION OF 2002)

As required by Federal law (McKinney-Vento), Aspire Public Schools ensures that homeless children and youth are provided equal access to the same free, appropriate public education as provided to other children and youth. For additional information concerning services for homeless children and youth, please contact the Regional Manager of Student Services. Contact information for the RM may be obtained through your school's main office.

FOSTER CHILDREN AND YOUTH

As required by State law, Aspire Public Schools ensures that all educational decisions for foster youth shall be made to ensure that each foster pupil has the opportunity to meet the same academic achievement standards to which all pupils are held. For additional information concerning services for foster children and youth, please contact the Regional Manager of Student Services. Contact information for the RM may be obtained through your school's main office.

ENGLISH LANGUAGE LEARNERS

Aspire provides a variety of programs to help students who need support in their speaking, reading, writing or understanding of English as a result of English not being their home language. If you are interested in these supports for your child, please contact your school's main office.

GENDER DIVERSE STUDENT SUPPORTS

Aspire is committed to providing a safe and supportive environment for all students and ensuring that all students have equal access to Aspire's educational programs and activities. Aspire requires that all schools and all personnel promote acceptance and respect among students and staff. Aspire is a place where each student's gender identity is accepted and valued as an important part of the whole child. If you are interested in discussing specific supports for your child, please contact your school's main office.

STUDENT SUCCESS TEAM (SST)

The Student Success Team is an efficient and effective way to bring together all resources, human and programmatic, to support students having difficulties in regular classes. This is a concentrated solution-seeking meeting where all the needed persons, including the student and parent, are present at the same time. The SST is an expression of the school's concern for students and provides a supportive atmosphere for students to become actively involved in determining their own needs and in implementing strategies designed to help them.

AGREEMENT TO CONTINUE STUDENT IN KINDERGARTEN

Kindergarten is an important place for children to develop the pre-requisite skills they need to be successful in 1st grade. If a student is struggling to develop those pre-requisite skills we work with families to determine if students should progress or repeat kindergarten. Students will not repeat kindergarten without the agreement of parents to postpone 1st grade [Education Code §48011].

INDEPENDENT STUDY

Independent Study is an instructional strategy that responds to a student's individual needs. It is an alternative to classroom instruction consistent with Aspire's course of study and is not an alternative curriculum.

Acceptable reasons for requesting Independent Study include excused or warranted absence from school for five (5) or more consecutive school days. Written requests for independent study should be directed to the principal at least two weeks before the anticipated departure.

Permission to grant Independent Study is up to the discretion of the principal. If the student has been on Independent Study before and has not completed the work as assigned, it is up to the Administrator Principal as to whether he or she should be allowed to participate in the program again. No student with exceptional needs may participate in Independent Study unless the Individualized Education Program (IEP) specifically provides for participation.

HOME HOSPITAL INSTRUCTION

The purpose of Home and Hospital Instruction (HHI) is to provide instruction to a student with a *temporary* disability in the student's home or in a hospital or other residential health facility, excluding state hospitals. The temporary disability must make attendance at Aspire impossible or inadvisable. Please reach to your school's main office if you would like to discuss HHI for your student.

SOCIAL-EMOTIONAL SCHOOL COUNSELING PROGRAMS

This section provides general information about the counseling services at Aspire schools. It is not intended to be an exhaustive list of the particular requirements for counseling at a specific school nor do all Aspire schools have the capacity to provide counseling services. Please contact the school's main office to determine specific protocols at this school site.

School-based, social-emotional counseling is available on a limited basis through our school counseling department. However, the scope of practice for a school counselor is much more limited than that of an outside therapy agency or provider. School counselors' work with students focuses on issues that are present during the school day, specifically working to ameliorate presenting problems' impact on a student's educational achievement. **Counseling in the school setting is not meant to replace therapeutic interventions or treatment from outside agencies or providers for mental health concerns.** Parents should not expect the level of counseling at a school site to be sufficient to support the needs of students with significant mental health issues. Additionally, school counseling services are only available during regular school days and times.

Counseling services are not guaranteed for students. Students referred for services may be placed on a waiting list until such time as the counseling staff has an opening. Students may be moved on the wait-list based on school discretion and applicable State and Federal laws. As stated above, however, school counseling resources are limited and counseling services are not guaranteed for every referral received.

EMERGENCY MEDICAL CARE

All students must have an emergency information card filled out and signed by the parent or guardian at the beginning of each school year. This card delineates what care the parent desires for their child in the event of an emergency, along with noting the current medical and emergency information.

CONTAGIOUS OR INFECTIOUS DISEASE

A child may be sent home, if for a good reason, he or she is believed to be suffering from a recognized contagious or infectious disease. The child shall not be permitted to return until the school authority is satisfied that any contagious or infectious disease does not exist.

EMERGENCY PREPAREDNESS AT ASPIRE PUBLIC SCHOOLS

Aspire Public Schools is committed to maintaining safe and secure campuses for our students and staff. We work diligently to make sure that students and staff are prepared for emergencies. To that end, every school has a comprehensive school safety plan that covers Aspire's policies and expectations regarding the practices of each school in maintaining the security of the physical campus, responding appropriately to emergencies, increasing the safety and protection of students and staff, and creating a safe and orderly environment that is conducive to learning. Every school conducts regular emergency drills that at a minimum, meets the state mandated requirements. These drills include: Fire, Earthquake, and Lockdown/Shelter in Place.

Parents are asked to make sure that their students actively participate and take emergency drills seriously. These drills help make sure students are well prepared in an event of an emergency. Each school also stocks emergency supplies to sustain students and staff. These supplies include the following: water, food, first aid supplies, search and rescue supplies, and sanitation items. These supplies are checked regularly by school staff.

Parents should be familiar with the school's emergency procedures and update contact information whenever it changes. Keep your cell phone with you to receive recorded updates on the emergency. Knowing where to go to pick up your child will save time and reduce anxiety. Parents should remember that schools have emergency procedures in place to protect all the students and that schools will follow these procedures during an emergency.

CHILD ABUSE REPORTING

Any teacher, or other staff member, who suspects that a student has been subjected to physical injuries, neglect, sexual abuse or emotional maltreatment, is mandated by the Child Abuse Reporting Law to notify the proper authorities. For additional information about California's child abuse reporting requirements for teachers and other school staff, please contact the front office.

FAMILY AND COMMUNITY ENGAGEMENT

SCHOOL-HOME COMMUNICATION

At school we depend on our parents and guardians to work as our partners in supporting their children's education. It is always best to first contact your child's teacher to address any concerns which you may have. All staff at Aspire can be reached by email and phone provided by the school site.

FAMILY ENGAGEMENT ACTIVITIES

Children learn best when their parents are engaged every step of the way, creating a bridge of learning from the classroom to the home. Below are some examples of what Aspire does to help parents and guardians become great coaches for their children:

Special Saturday Classes: Scheduled at specific Saturdays during the school year, these half-day sessions allow parents to attend school with their children and get to know the school site better. We believe it's important for them to see, feel, and experience the space that their children spend so much time in.

Guidance for At-home Support: Aspire coaches parents on how to structure reading at home (20+ min per day K-5), providing the right level of help with homework, participating in projects, and playing games that reinforce learning.

Participation in School Decision-making: Aspire includes two parent representatives on the School Site Council (previously Advisory School Council) of each school, as well as parent participation on the school's Teacher Hiring Committee.

- SSC Monthly Meetings
- Coffee with Principal Monthly Meetings
- Parent Suggestion Box
- ELAC four times a year
- LCAP Survey
- Family Survey
- SST's (Student Success Team)

VISITOR POLICY

Guests are welcome! **Any visitor entering the school grounds must register in the Office, identify themselves and the nature of their business, and receive a Visitor's Pass.**

Parents and guardians are encouraged to visit school sites and classrooms to observe and support the work of the schools. This is one of the essential vehicles for a school-parent partnership. Each school has various ways to engage with parents and make them comfortable in the school including Saturday Schools, School Site Councils (previously Advisory School councils), volunteer opportunities and site specific events.

All visitors to a school site must report to the office when entering and receive authorization to visit elsewhere in the school site. A principal or designee may direct a visitor to leave the school and not return for a designated time if it is determined that the visitor has interfered with the good order or peaceful conduct of the school. Additionally, no electronic listening or recording devices may be used in the classroom without the prior consent of the teacher and principal of the school.

Unauthorized persons will not be permitted in school buildings or on school grounds. School principals or designees are authorized to take appropriate action to prevent such persons from entering buildings and from loitering on grounds. Such persons will be prosecuted to the full extent of the law, including but not limited to, Education Code section 32211.

VISITOR GUIDELINES

All campus visitors must have the consent and approval of the principal/designee. Permission to visit must be given at the time requested if at all possible or within a reasonable period of time following the request. Children who are not enrolled at the school are not to be on the campus unless prior approval of the principal has been obtained.

Visitors may not interfere with, disrupt or cause substantial disorder in any classroom or school activity, including, but not limited to, lunch, recess or after-school.

Visitors are expected to:

- Follow the established school policy in requesting a classroom visitation
- Complete a visitor's permit upon arrival at the site
- Enter and leave the classroom as quietly as possible
- Not converse with the students, teacher and/or instructional aides during the visitation
- Not interfere with any school activity
- Keep the length and frequency of classroom visits reasonable
- Follow the school's established procedures for meeting with the teacher and/or principal after the visit, if needed
- Learn and follow the school-wide behavioral expectations
- Return the visitor's permit to the point of origin before leaving the campus.

Any individual who disrupts a school site or fails to follow school rules and/or procedures is subject to removal from the school site and may be further restricted from visiting the school.

VOLUNTEERS

Volunteers help enrich students' education and provide extra assistance for teachers and school staff. Volunteers are typically on campus for longer periods or with larger amounts of responsibility than standard visitors are. Because of this, there are additional requirements for volunteers beyond those for basic visitors and key volunteer requirements are discussed below, but please review the full volunteer handbook for a complete list of requirements.

Potential volunteers are urged to contact the school if they can offer time or services to help with any part of the school program. **Volunteers are placed with teachers or other staff members who have requested volunteer assistance. Schools reserve the right to assign volunteers to classrooms/activities as needed and to decline a volunteer's services at any time.** All visitors,

including volunteers, must sign in at the front desk and receive a "Visitor Badge" as identification. They must also sign out when leaving the premises. This is for the safety of the children and staff as well as the visitor in case of an emergency. For the safety of all students, all volunteers must have:

- A negative TB test on file in the school office within the past four years before starting to work with students.
- A background check, if working with students in unsupervised settings. Unsupervised volunteers who need to be fingerprinted include coaches, after school program staff, business mentors, tutors, and chaperones on field trips – anyone who is working with a student(s) without supervision. The results of the background check are **confidential** and will not be discussed with other staff members and or parents.

Volunteer Drivers

- The driver must have a valid California Driver's License.
- The parent or adult driver must have a current "**Driver's Liability Insurance Statement**" on file in the school office with the following minimum coverage: $15,000 per person, $30,000 per occurrence, $5,000 property damage (15 30 5).
- Vehicles for transporting children must be in a safe and operable condition. The number of passengers in the vehicle must not exceed the number of seat belts. Cars with passenger side air bags **cannot** have a student occupying that space.
- Children weighing less than 40 pounds must ride in a car seat with seat belt.
- Drivers must have clear driving records. Drivers who have been convicted of a misdemeanor or felony drunk driving will not be authorized to drive students. Drivers cited with more than one moving violation within the past year will not be authorized to drive students.
- The sponsoring program will pay bridge tolls and admissions. No mileage will be paid to parents.

ASPIRE FAMILY RIGHTS AND RESPONSIBILITIES

NOTICE FOR DIRECTORY INFORMATION

Under FERPA, Aspire must get parents' or eligible students' written consent prior to the disclosure of personally identifiable information from students' records.

However, Aspire may disclose designated "directory information" (as defined below) without prior written consent, unless a parent or eligible student has advised Aspire that the parent or student does not want such "directory information" disclosed. Every parent and eligible student must be notified about what information constitutes "directory information," must be informed that they may opt-out of having this information provided about the student, and must provide Aspire with the decision to opt out within a reasonable amount of time from when the "directory information" notice was provided. At the start of every school year, parents and eligible students will be provided this "directory information" notice and will be provided a reasonable period of time to opt-out.

Directory information, if released, is generally not considered harmful or an invasion of privacy. Aspire defines directory information to include:

- Student's full name
- Grade enrolled
- Degrees, honors and awards received
- Club participation
- Sports participation, including athlete's height and/or weight

The primary purpose of directory information is to allow Aspire to include information about students in certain school publications, such as but not limited to:

- Yearbooks

- Graduation programs
- Honor roll and other awards/recognition lists
- Club activity announcements
- Sports activity rosters, which may include height and weight of athletes

Additionally, federal laws require Aspire Public Schools, because we receive assistance under the Elementary and Secondary Education Act of 1965 (ESEA), to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless parents or eligible students have advised Aspire that they do not want this information disclosed without their prior written consent.

If you do not want Aspire to disclose any or all directory information, as defined above, from your child's education records (or your educational records, if you are 18 years old or older) without your prior written consent, you must notify Aspire in writing. Aspire provides an "Opt-Out" form at the start of every school year, as part of its annual FERPA/Directory Information Notification. You may use this form or you may submit other written notification within a reasonable amount of time from the date you were informed of what is included as "directory information."

NON-DISCRIMINATION AND TITLE IX POLICY

Aspire Public Schools is committed to equal opportunity for all individuals in education. Aspire Public Schools (APS) does not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code.
Aspire will follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on age, sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability in any program or activity that receives or benefits from state financial assistance.

Students, parents, guardians, or any other individuals having questions or concerns regarding Aspire's "Discrimination Harassment Policy" should contact the principal of the school and Aspire recommends individuals work with their schools when they have concerns.

Parents who wish to file a discrimination or harassment complaint should complete Aspire's "Uniform Complaint Investigation Request" Form (located at the back of this handbook), and should contact the Principal at the school or their Regional Manager of Student Services. More information on Aspire's Uniform Complaint procedures is included later in this handbook.

ASPIRE STUDENT DATA PRIVACY POLICY

Aspire is committed to protecting the privacy of our student data. As an organization, we believe that data is a powerful tool and utilize data extensively to monitor and improve student outcomes. We recognize that there are risks in the collection and usage of this data and in order to protect the privacy of our students, we have enacted the following policies:

- Aspire limits the collection, usage, and sharing of student data to only those data points which are required by law or useful in improving student outcomes.
- Student data is only made available to parties that have an immediate, legitimate need to access the data.
- Aspire ensures that both our internal systems and the systems of our vendors use proper technological safeguards to protect student data and are legally bound to prevent the use of student data for marketing or sales purposes.
- When Aspire ends our relationship with a student data vendor, we ensure that the data is removed from their systems.
- We abide by all state and federal student data regulatory laws including:
    - Family Educational Rights Privacy Act (FERPA)
    - Protection of Pupil Rights Amendment (PPRA)
    - Children's Online Privacy Protection Act (COPPA).

For more information about our student data policies, please contact the Aspire Home Office at 510-434-5000.

FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA), a federal law, affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. **The right to inspect and review** the student's education records within 45 days of the day the Aspire receives a request for access. Parents or eligible students should submit to the Aspire principal a written request that identifies the record(s) they wish to inspect. The Aspire principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. **The right to request amendment** of the student's education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Aspire to amend a record they believe is inaccurate or misleading. They should write the Aspire principal to clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the Aspire principal will notify, in writing, the parent or eligible student of the decision and advise them of their right to a hearing with the Aspire Director of Student Services regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. **The right to consent** to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by Aspire as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Aspire Board of Directors; a person or company with whom Aspire has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing the official's tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill the official's professional responsibility.

Upon request, Aspire discloses education records without prior written consent to officials of another school district in which a student seeks or intends to enroll. Student records shall be released to another school district where the student has enrolled or intends to enroll, upon official request from that district. If such transfer of education records is made, Aspire will make a reasonable attempt to notify the parent or eligible student of the records request.

At the time of transfer of records, the parent/guardian, custodian or adult-age student may receive a copy of the records at his/her/their expense ($0.25 per page), if requested, and shall have an opportunity to challenge the contents of the records.

4. **The right to file a complaint** with the U.S. Department of Education concerning alleged failures by Aspire to comply with the requirements of FERPA. The name/address of the office that administers FERPA and receives grievances is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

FAMILY CONCERN PROCESS

If you have concerns at a school site, please see below for the Parent Concern Process that should be followed for your site.

Aspire Public Schools encourages students, parents, and staff to discuss their concerns and complaints through informal conferences with the appropriate teacher, principal, or other campus staff.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Step 1- Meeting/discussion with the specific staff member
Step 2- Meeting/discussion with the person's supervisor (if applicable)
Step 3- Meeting/discussion with the Principal, Phone#: 323-585-1153
Step 4- Meeting/discussion with the Area Superintendent or Associate Superintendent

-----Contact information available from the school office-----

If an informal conference regarding a concern fails to reach an outcome that is satisfactory to the staff member, student, or parent, he/she may initiate the formal process by filing a written complaint. The form is available at the end of this handbook. Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

UNIFORM COMPLAINT POLICY

The Board of Directors of Aspire Public Schools ("Aspire") recognizes that Aspire is responsible for complying with applicable state and federal laws and regulations governing educational programs. We have established Uniform Complaint Procedures (UCP) to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs, the charging of unlawful pupil fees and the non-compliance of our Local Control and Accountability Plan (LCAP). The UCP shall be used for any program or activity conducted by Aspire, which is funded directly by, or that receives or benefits from any state financial assistance.

This section contains rules and instructions about the filing, investigation and resolution of a UCP complaint.

A UCP complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, bullying or charging pupil fees for participation in an educational activity or non-compliance with the requirements of our LCAP. This list may be updated as required by law.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in: After School Education and Safety, Child Nutrition, Consolidated Categorical Aid, Course Periods without Educational Content, Education of Pupils in Foster Care and Pupils who are Homeless, Every Student Succeeds Act / No Child Left Behind, Local Control Accountability Plans (LCAP), Migrant Education, Pupil Fees[1,2], Reasonable Accommodations to a Lactating Pupil, School Safety Plans and Special Education. This list may be updated as required by law.

Complaints *other* than issues relating to pupil fees must be filed in writing with the following designated to receive complaints:

Uniform Complaint Officer

5901 E. Slauson Avenue
Commerce, CA 90043
323-837-9920 p / 323-837-9921 f

Any pupil fees complaint should be filed with the principal of a school.

[1] A pupil fee includes, but is not limited to, all of the following:

This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the CEO or CEO's designee on a case-by-case basis.

A pupil fees or LCAP complaint may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint.

The CEO or CEO's designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the CEO or CEO's designee.

The Board prohibits retaliation in any form for participating in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of those involved.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try to resolve their problem through mediation, the CEO or CEO's designee shall initiate mediation. The CEO or CEO's designee shall ensure that mediation results are consistent with state and federal laws and regulations.

This policy shall be disseminated annually to students, employees, parents or guardians of its students, school and district advisory committees, and other interested parties.

Aspire designates its CAO/CSO as the compliance officers. The compliance officers shall receive and investigate complaints and ensure compliance with the law. A designee appointed by CAO/CSO may conduct the investigation.

INITIATION OF COMPLAINT

A complaint shall be presented in writing by way of an Aspire Uniform Complaint Form and the complaint must be initiated no later than six (6) months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination, unless the CEO or CEO's designee grants an extension of time.

Within five (5) days of receiving the complaint, the compliance officer or designee shall informally discuss with the complainant the possibility of using non-binding mediation, and if the informal mediation does not resolve the problem within the parameters of the law, the compliance officer or designee shall proceed with his or her investigation of the complaint.

INVESTIGATION OF COMPLAINT

The compliance officer or designee shall hold an investigative meeting within ten (10) days of receiving the complaint or an unsuccessful attempt to informally mediate the complaint. The investigative meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally. The complainant and/or the complainant's representative shall have an opportunity to present information relevant to the complaint. Parties to the complaint may discuss the complaint and question each other or each other's witnesses.

RESPONSE/RESOLUTION

An investigation shall be completed, resolved and decision rendered within sixty (60) days after receiving a request for direct intervention or an appeal request, unless the complainant agrees in writing to an extension of time. The complaint officer or designee shall prepare and send to the complainant a written report of the investigation and decision. The written report shall contain: Findings and disposition of the complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal with Aspire's Student Services Office. If requested, the CAO/CSO or CEO designee will complete

an additional investigation and prepare and send to the complainant a written report of the investigation and decision. The CAO/CSO's written report shall contain findings and disposition of the complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal, which are as follows:

1. Notify CAO/CSO or CEO designee in writing of the decision to appeal within fifteen (15) days of receiving the written report
2. Submit a letter to the California Department of Education (CDE) along with the originally filed complaint and a copy of Aspire's decision to CA Department of Education, 1430 N Street., Sacramento, CA 95814. Additionally, department specific information can be found here: https://www.cde.ca.gov/re/cp/uc/ucpcontacts.asp
3. The appeal to the CDE must specify the reason for the appeal and whether Aspire's facts are incorrect and/or the law is misapplied.

MEDIATION

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

CIVIL LAW REMEDIES

Nothing in this policy precludes a complainant from pursuing available civil law remedies outside of Aspire's complaint procedures. Such remedies may include mediation centers, public/private interest attorneys, injunctions, restraining orders, etc. For discrimination complaints in California, however, a complainant must wait until sixty (60) days has elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if Aspire has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint.

INTRODUCTION

Aspire Public Schools is committed to maintaining safe and secure campuses for all of its pupils and staff. To that end, this Comprehensive School Safety Plan covers Aspire's policies and expectations regarding the practices of each school in maintaining the security of the physical campus, responding appropriately to emergencies, increasing the safety and protection of students and staff, and creating a safe and orderly environment that is conducive to learning.

All school employees should receive training regarding the Comprehensive School Safety Plan upon joining the school, and should review any changes to the Plan annually.

SCHOOL SAFETY COMMITTEE

The undersigned members of the Aspire Antonio Maria Lugo Academy Safety Committee certify that the requirements of California Education Code 32280-32282 have been met in the development of the following Comprehensive School Safety Plan. (**Each site is required to form a Safety Committee** within the first 1 month of school. The safety committee must be, at a minimum, comprised of the following members. The purpose of listing the safety committee is to show that the school has thought through all the various aspects of emergency preparedness involving various stakeholders at the site.)

CAMPUS SAFETY AND SECURITY

Each school and its staff members will maintain policies, practices and procedures so that the campus is physically secure and safe.

Entrances and Exits

The school principal and office manager should develop procedures so that students, staff, parents and community members can enter and exit the building in a safe and orderly way, and that the building is secure from unauthorized entry during non-school hours, as follows:

- Designating individuals to lock the school building and/or grounds when not in use
- Training school staff members to maintain the security of the building when working during non-regular working hours (e.g. not propping doors open, re-securing the building after leaving)
- Maintaining a practice of locking doors that are not being regularly used, even during school hours

- Posting signs requesting that visitors sign in at the main office
- Establishing a culture in which any adults without a visitor or staff badge and any children not enrolled at the school are escorted immediately to the main office

- Periodically testing the security system according the manufacturer or vendor instructions, to ensure it is functioning
- Creating a dismissal plan and student pick-up traffic plan to avoid congestion of the parking lot and local streets, and to prevent students from crossing traffic unnecessarily

Releasing Students

Aspire employees are responsible for releasing students to parents, legal guardians or other persons designated by parents or legal guardians, unless formally modified by a court order served to the school.

In the event that employees are uncertain of the propriety of releasing a student, they should locate or contact the school principal, principal's designee or Aspire counsel before releasing the student.

Visitors Policy

Aspire encourages interested members of the community to visit our schools. To avoid potential disruptions to learning, to provide visitors with the information they need, and for the safety of students and staff, ALL visitors should register immediately upon entering any school building or grounds. Visitors shall sign in at the beginning of their visit, receive a visitor badge, and sign out at the end of their visit. Students from other schools as well as students who have ended their school day are not to be on campus unless accompanied by parents/guardians or with the permission of the site administrator.

In registering as a visitor, the sign-in form should include spaces for the following information:

- Name
- His/her purpose for entering school grounds
- Destination within the school
- Time in and out

At his/her discretion, the principal, office manager or designee may also request

- proof of identity
- address
- occupation and company affiliation
- age (if less than 21); and any other information consistent with law

Parents and guardians visiting during the school day for any purpose other than picking up at or dropping off a child at the beginning or end of the school day as part of the normal school day schedule should also be requested to sign into the visitor log or a special log for parents. This applies to parents and guardians who are picking up a student early (e.g. for a medical reason) or dropping off a student late (e.g. tardy), as well as parents and guardians who are on campus to volunteer in their child's classroom.

Aspire employees from school campuses and the Home Office are strongly encouraged to notify the office manager and principal upon arrival and should wear badges signifying that they are Aspire employees. However, formal visitor registration is at the discretion of the school principal or designee.

VIP Visitors accompanied by any Aspire management team member (Vice-President level and above only) may be requested to register as a visitor at the discretion of the accompanying Aspire management team member.

Students not enrolled at the school who wish to use the school grounds for recreation during the school day are, at the discretion of the principal, also subject to Aspire's visitor policy.

The principal or designee may refuse to register any visitor if he or she reasonably concludes that the visitor's/outsider's presence would disrupt the school, students or employees, would result in damage to property, or would result in the distribution or use of a controlled substance. (Penal Code 627.4).

The principal or designee may request that a visitor/outsider who has failed to register, or whose registration privileges have been denied or revoked, to promptly leave school grounds. If necessary, the principal or designee may call the local police to enforce the departure of the visitor/outsider. When a visitor/outsider is directed to leave, the principal or designee shall inform the visitor/outsider that if he or she reenters the school within seven (7) days, he or she will be guilty of a misdemeanor and subject to a fine and/or imprisonment. (Penal Code 627.7).

All schools shall inform parents annually about the school's policies regarding visitors/outsiders, and remind parents that to maximize safety and security they should also register when visiting the school.

This visitor/outsider policy is subject to the further terms and conditions contained in Aspire's Registered Sex Offender Policy, set forth below.

Fingerprinting Policy

For the protection of students, California State law requires criminal background checks for all public school employees, as well as any individual working alone with minors in a school setting. In most cases, fingerprinting is completed with a "Live Scan" machine which takes an electronic picture of the fingerprints (rather than using an ink pad). The fingerprints are then compared to the Federal Bureau of Investigations (FBI) and/or Department of Justice (DOJ) databases.

Who should be fingerprinted

All new school site employees must be fingerprinted and cleared before they begin work. Individuals who were previously fingerprinted when they worked in another school district must be fingerprinted again to ensure that Aspire is notified if the person subsequently commits a felony or misdemeanor.

In addition, any volunteers who have the occasion to be alone with an Aspire pupil while not in the presence of a credentialed Aspire employee must receive fingerprint clearance prior to volunteering on campus. Volunteers do not have to be fingerprinted only if they are working under the direct and continual supervision of a credentialed school employee in the same room, and will have no occasion to be alone with an Aspire pupil. This policy also applies to parents/guardians of Aspire students who volunteer at the school and may have the occasion to be alone with an Aspire pupil other than their own child.

The actual background check depends on the individual's residency history. If the individual has resided in the state of California for more than 5 years, only DOJ check is required. If the individual has resided in the state of California for less than 5 years, DOJ and FBI checks are both required.

Note that most DOJ background checks take less than seven days, sometimes more. FBI background checks take considerably longer. Individuals who wish to work or volunteer at Aspire schools should plan to get fingerprinted as quickly as possible to avoid delays in commencing work or volunteer activities.

Who pays for fingerprinting

Aspire pays for Live Scan (fingerprinting) services for employees, using school general funds. Volunteers are requested to cover the cost of their own fingerprinting. If a potential volunteer is not able to pay for such fingerprinting, then the cost of the fingerprinting may be paid by the school's booster club. If that entity does not have funds available, the cost will be paid by Aspire Home Office.

Please see complete Fingerprinting Policy & Procedure for specific details about how to get fingerprinted.

Registered Sex Offender Policy

For the protection of pupils while they are traveling to and from school, attending school, or at a school-related activity, principals and their designees should respond appropriately when apprised of information that a registered sex offender resides or works within two (2) miles of an Aspire school, or otherwise may be likely to attempt to visit an Aspire school for any reason whatsoever.

In accordance with "Megan's Law", the principal or designee shall notify parents/guardians annually of the availability of information related to registered sex offenders. Since 2004, the public has been able to view information on sex offenders required to register with local law enforcement under California's Megan's Law. Previously, the information was available only by personally visiting police stations and sheriff offices or by calling a 900 toll-free number. Now, information about registered sex offenders may be obtained from the California Attorney General's Megan's Law website, found at http://meganslaw.ca.gov, (Penal Code 290.4), subject to the disclaimer found on said website.

Aspire and its employees shall be immune from liability for the good faith dissemination of sex offender information so long as the dissemination is in the manner and to the extent authorized by law. (Penal Code 290).

When a school has received information about a registered sex offender from any source, the principal or designee may, on a case-by-case basis, notify staff, including but not limited to, campus supervisors, bus drivers, staff who may be involved in visitor/outsider registration, and teachers. If the principal or designee informs any staff member of the information about a registered sex offender, the principal or designee shall also inform the staff member of the following:

a) Aspire schools will share public registered sex offender information with staff members of a particular school to assist in identifying a danger;
b) Any person who uses registered sex offender information to commit a felony will be subject to criminal penalties; and
c) Staff is not permitted to notify any parents or any other members of the community of any information received pursuant to this policy without the written permission of the principal or designee.

If a suspected registered sex offender is seen on or nearby school grounds, and is not a parent or guardian of a pupil at the school, staff members shall immediately inform the principal or designee. When the principal or designee receives information that a suspected registered sex offender may be on or nearby school grounds or around any pupil, he or she will determine whether the suspected registered sex offender has received written permission for the entry onto school grounds, is a parent or guardian of a pupil at the school, and if possible, is actually a registered sex offender. Any such registered sex offender who does not have written permission for the entry onto school grounds or is not a parent or guardian of a pupil attending the school will be promptly directed to leave by the principal, who will notify law enforcement immediately. Law enforcement will determine if the registered sex offender is in violation of parole or probation conditions.

If a school learns or is notified that a registered sex offender is a parent/guardian of one or more pupils who attend the school, the principal or designee should attempt to schedule a meeting with the parent/guardian for the following purposes:

a) To establish a positive, cooperative working relationship to the extent possible;
b) To discuss the incident(s) leading to the registration requirement, (Aspire recognizes that the parent/guardian is not required to discuss any criminal or personal history with representatives of Aspire);

c) To explain the limitations placed upon the parent's/guardian's participation in school programs, activities or visits, as specified in this policy;
d) To advise the parent/guardian that the regulations limiting his/her access to children at school will be strictly enforced with the assistance of law enforcement personnel, if required;
e) To develop joint strategies with the parent/guardian for "normalizing" the educational experience of his/her children to the fullest extent possible; and

f) To be advised of any judicial restraining orders or conditions of probation or parole that may limit the parent's/guardian's ability to participate in school activities.

This meeting shall be held on school grounds unless there is a concern for the safety or welfare of pupils or staff, and in that event, it may be held at a location within the principal's or designee's discretion. If this meeting with the parent is not held, the principal or designee shall notify the parent/guardian in writing of the information contained in this policy. Aspire recognizes the following rights of the parent/guardian to participate in his/her child's education:

a) To transport his/her child to and from school;
b) To attend regularly scheduled parent conferences with the teacher, principal or other school official; and
c) To attend a regularly scheduled school program or activity in which their child is a participant.

The parent/guardian may not extend their presence at school beyond what is reasonable to exercise the aforesaid parental rights, and to that end, a registered sex offender shall not:

a) Serve as a school or class volunteer;
b) Act as a chaperone on a school field trip;
c) Be in the presence of children for any reason other than for the parent rights stated herein; and
d) Make individual contact with any student other than his/her own while at school or during a school activity.

Staff shall provide observation and/or supervision of a parent/guardian registered sex offender who is visiting a school or participating in a school activity defined herein.

When a parent/guardian is a registered sex offender, the school will make an effort to preserve the confidentiality of information obtained pursuant to the Megan's Law notification process to the fullest degree possible. School officials may share relevant information with employees as needed but will not share the information with unauthorized employees, other parents or with the community at large. In order to avoid a breach of confidentiality, copies of forms, materials or information distributed or used in connection with the implementation of this policy should be collected and/or destroyed. Under no circumstances is it appropriate to post notices, photographs, or the identity of a parent/guardian registered sex offender on school bulletin boards.

All schools shall inform parents annually about the existence of this policy regarding registered sex offenders. All schools shall cooperate to the fullest extent possible with local law enforcement for receiving, communicating and disseminating information concerning registered sex offenders.
NOTE: Pursuant to California Penal Code 290.45(e)(1), any person who uses registered sex offender information to commit a felony will receive a five-year state prison term; pursuant to California Penal Code 290.45(e)(2), any person who uses registered sex offender information to commit a misdemeanor will be fined at least $500 and not more than $1000.

EMERGENCY PREPAREDNESS

Every school should have emergency preparedness procedures readily on hand, including a list of up to date emergency contact numbers. This information should be discussed and disseminated before school starts, ideally at an all school staff meeting just when the teachers return to duty.

Staff Training Schedule

Please fill out the staff-training schedule with any emergency preparedness/drill/safety trainings that will be held this school year.

Drills

Drills are designed to prepare students and staff for real world crisis situations but in no way can account for all possible varieties of catastrophe or threat. It is the principal's responsibility to schedule emergency drills throughout the year, and record the date and time of each drill. The Office Manager may be asked to help out. Those drills are:

- **Fire Drill:** CA Ed Code (section 32001) requires fire drills to be conducted at the following intervals:
    - **Elementary:** once per month
    - **Middle school:** four times per school year
    - **Secondary:** twice per school year
    - Fire drills should be conducted in which all pupils, teachers, and other employees are required to vacate the building(s). Current student rosters and/or roll sheets serve to account for all evacuated students and staff.
- **Lockdown/Shelter in Place**: Although not required by Ed Code, it is recommended that each school conducts a Lockdown/Shelter in Place Drill at least:
    - **Elementary:** once per quarter
    - **Secondary:** once per semester
    - Lockdown/Shelter in Place drills should be run according with a procedure established by the individual school site. The drill is designed to prepare students and staff for situations in which the classroom or school campus affords the best protection from criminal threats.
- **Earthquake/Evacuation Drill:** An Earthquake/Evacuation Drill should be conducted:
    - **Elementary**: once per quarter
    - **Secondary**: Once per semester
    - Not to be confused with a Fire Drill, Evacuation Drills are designed to prepare students and staff for situations in which the school campus is no longer a safe area due to natural/man-made disaster or criminal activity. A pre-designated site serves as the rally point for the all-out relocation of students and staff during a perceived crisis or threat via established routes of travel. Current student rosters and/or roll sheets serve to account for all students and staff relocated.

  Situations may/will arise during a crisis that require a combination of actions be taken such as "lockdown" followed by "evacuation". While constructing a safety plan it is important to keep this in mind. Prepare and drill in a manner in which flexibility and adaptability come into play as the dynamics of a potential crisis evolve.

Homeland Security Procedures

Homeland Security procedures are established to promote the safety of children and adults during a period of national or local emergency. The DHS(FEMA) and California OES are responsible for coordinating disaster planning among the cities in your area. It is through this coordination that information and warning notifications are communicated.

The Emergency Alert System (EAS) is a national public warning system that requires TV and radio broadcasters, cable television systems, wireless cable systems, satellite digital audio radio service (SDARS) providers, direct broadcast satellite (DBS) service providers and wireline video service providers to offer to the President the communications capability to address the American public during a national emergency. The system also may be used by state and local authorities to deliver important emergency information such as AMBER (missing children) alerts and emergency weather information targeted to a specific area. EAS also includes a system of sirens strategically positioned throughout the school's area that can serve as a warning of impending disaster.

Announcements made via the EAS include:

1. This is a Test
2. Severe Thunderstorm Warning
3. Tornado Warning
4. Hurricane Preparations Ordered
5. Evacuation Ordered
6. Shelter-in-Place for a Security Incident
7. Shelter-in-Place for a Hazardous Material Incident
8. All Clear

Reverse 911 is a relatively new method in which local authorities can send out emergency messages that target specific geographic areas via phone. Determine if this is a service provided in your school's community by contacting your local law enforcement agency or fire department.

Alert Signals

The ability to respond quickly and efficiently when a major disaster strikes is important so that we are able to provide protection for students and school staff. In order to be better prepared, the staff, students and parents should be informed of their responsibilities following a major disaster.

At the announcement/sound of an EAS "Alert" signal:

- All students in transit between classrooms, in restrooms, etc., will walk to their assigned classrooms.
- Children on the playground or library will return to their assigned classrooms.
- Office Manager will tune to local news via applicable means.
- Each teacher will stay in the classroom with his/her students.
- Each custodian will report to the school office for instructions.

At the announcement of an EAS "Shelter in Place" message:

- Children on the playground or library will return to their assigned classrooms.
- If necessary, teachers will direct students and themselves under desks or tables.
- Close all doors and windows.

At the announcement/sound of an EAS "All Clear" signal:

- Children will resume their regular class activities.
- When a building is unsafe to resume classroom instruction or if the situation has made the streets and sidewalks hazardous, the superintendent (or designee) will declare the premises unsafe.
- If an evacuation is found necessary, the principal will post on a conspicuous place, the new location of the students. A notice or letter to parents designating a site as well as procedures should be included in the first day packet going home with students.

Situational Communication Plans

In the event of any emergency situation during school hours, what communication procedures are in place on your site? Develop a clear plan for the following aspects of emergency response.

<table>
<tr><td>911 Calls</td><td>• When placing a 911 call: give your name, school name, and school address
• Give specific location of shooter, intruder, fire, hazardous material or other emergency
• Indicate location of incident command post</td></tr>
<tr><td rowspan="2">Mass Notification to Parents</td><td>During an emergency:
Parent Square</td></tr>
<tr><td>After an emergency:
Written</td></tr>
</table>

Emergency Procedures

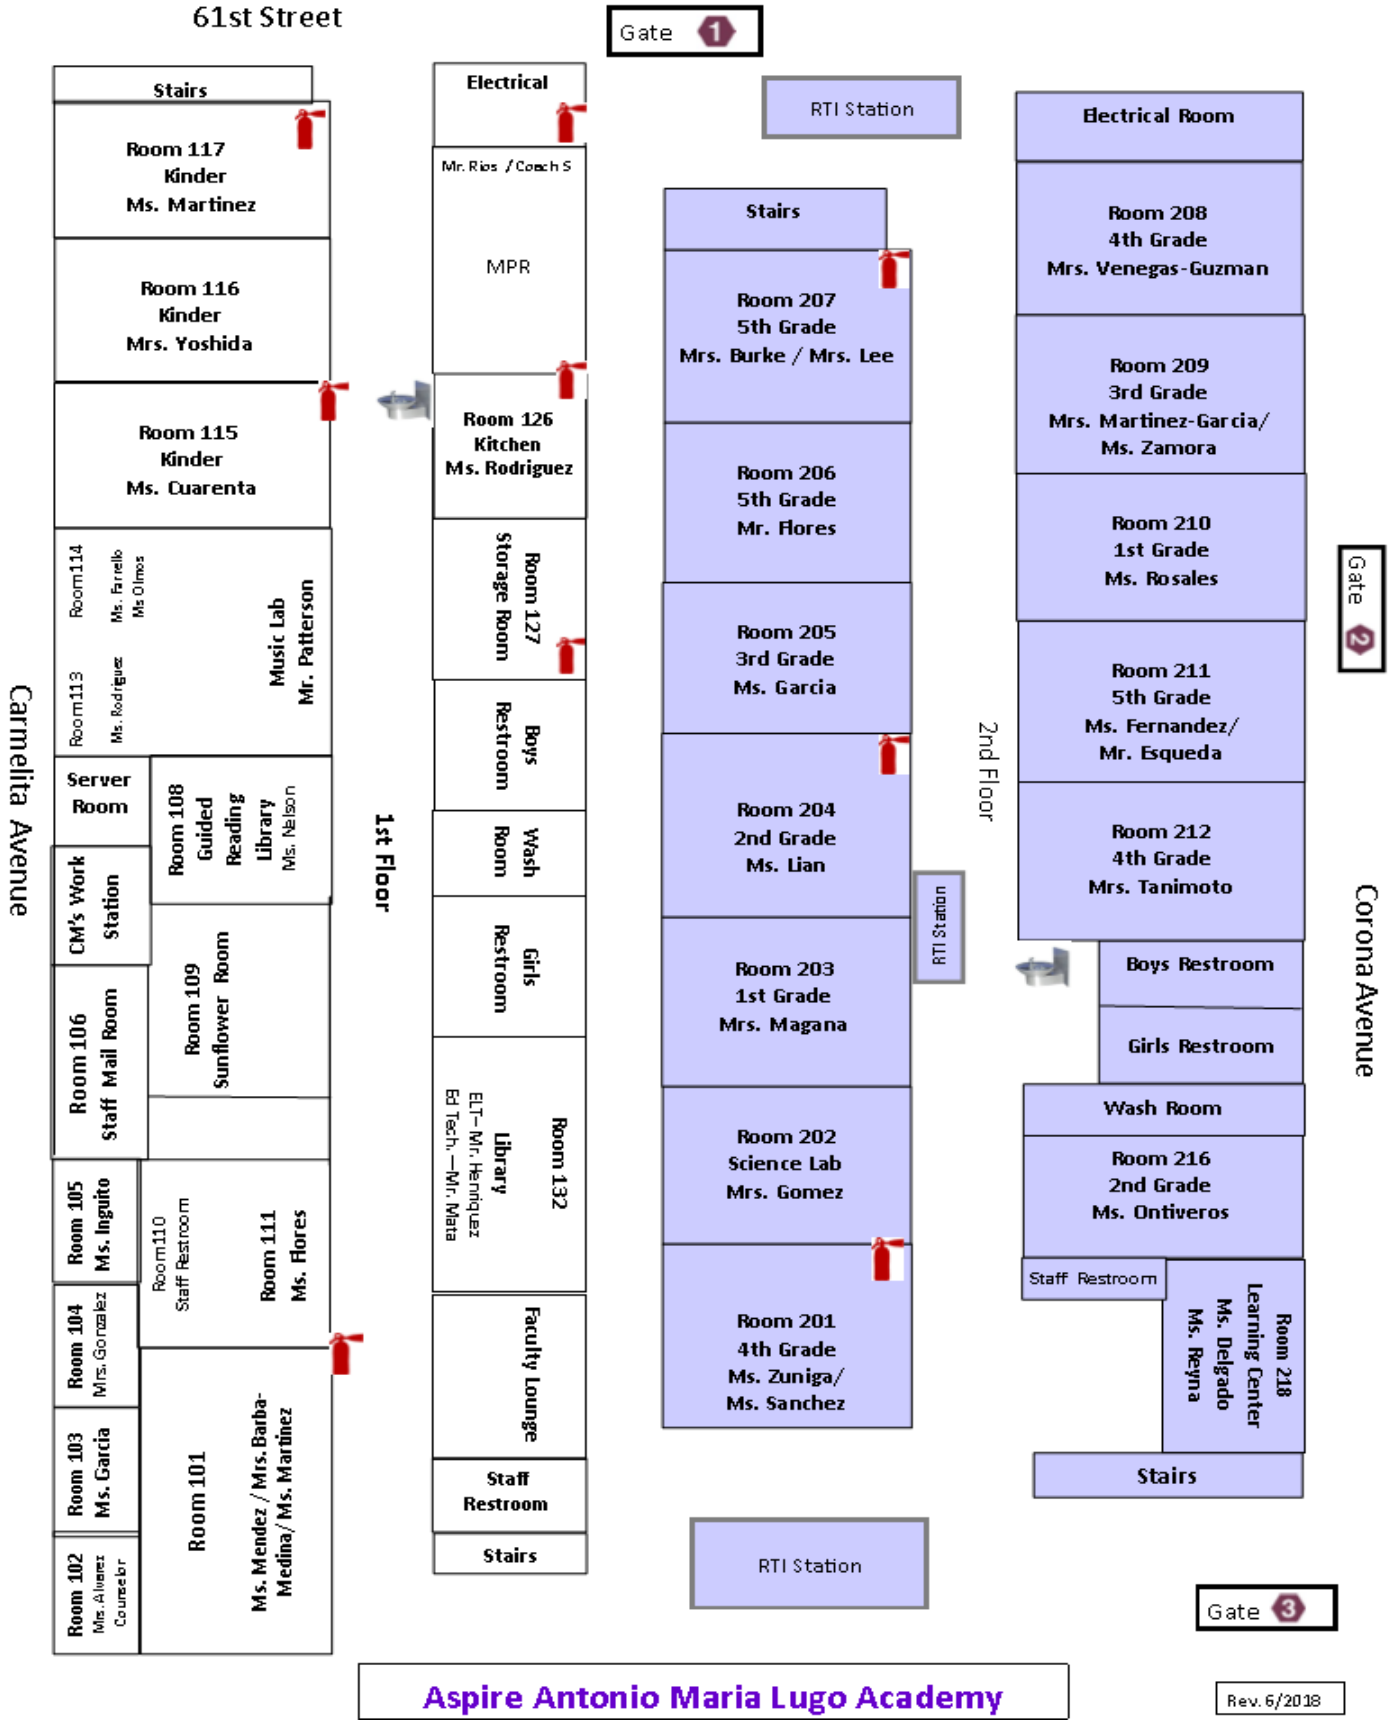

All classrooms should have the evacuation plan & maps posted near the door(s). In the case of an emergency, every adult should be aware of his/her role and responsibilities. Below are suggested roles and procedures:

1. Principal assesses the situation.
2. Principal notifies all staff of the emergency via applicable communications device(s).
3. Assigned person calls 911.
4. Assigned person notifies APS headquarters.
5. Principal or assigned person meets with emergency crews.
6. Assigned person(s) ensures all classrooms, hallways and restrooms on first floor are empty after escorting students their students to assigned location.
7. Assigned person(s) ensures all classrooms, hallways and restrooms on second floor are empty after escorting students their students to assigned location
8. Assigned person(s) ensures the cafeteria and gym are empty.
9. Assigned person(s) greet, organize and comfort students outside the building.
10. Each teacher takes role and Lead Teachers pick up the names of any missing students and report these names to the emergency crew chief and the Principal.
11. Assigned person(s) will direct students who need first aid to an assigned location.
12. The Principal determines, in consultation with the emergency crews, whether to release students to their homes or to return students to classes and makes announcement via applicable communications device(s).
13. If students and staff are dismissed for the day, an assigned person(s) will be responsible for securing the building against vandalism and theft.
14. All classroom teachers will ensure that students are released to guardians' care.
15. In the case that counseling services are subsequently needed by any students, the Principal and an assigned person will coordinate that effort.
16. In the case that media coverage is an issue, the Principal and an assigned person will control and organize press releases and media requests. Pre made media packages/documents are recommended for distribution to concerned sources/media personnel. Such packages will include general information about the school location, number of students, grade levels, layout, etc.

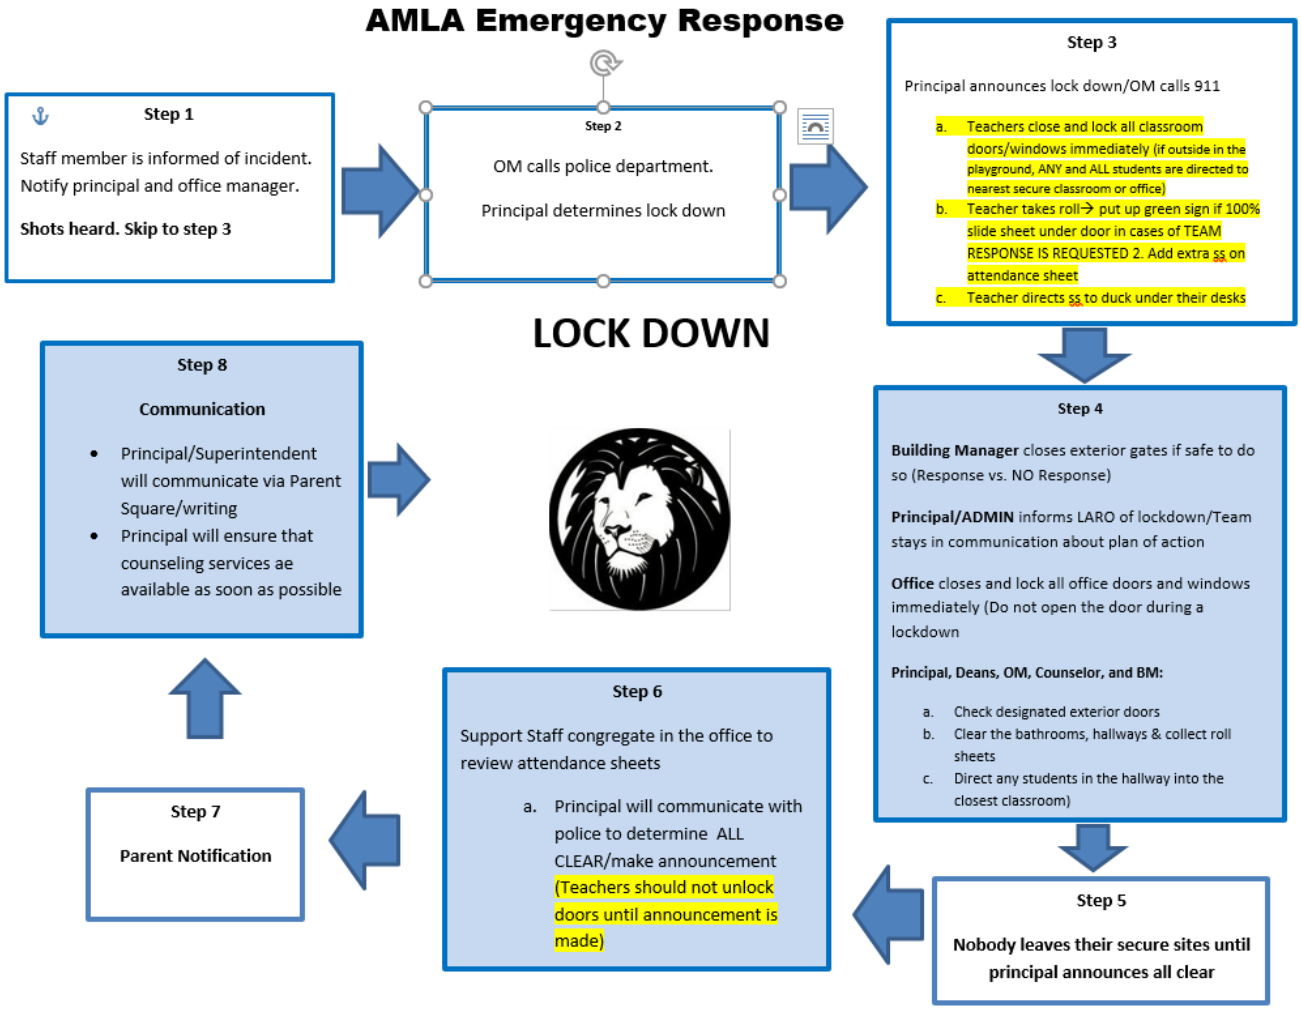

First Aid

The First Aid area should be located at an assigned place and properly stocked at all times.
The First Aid team will consist of individuals assigned by the principal or designee.

Site Evacuation Plan & Map

- Announcement will be made over intercom and or through Radio
- Lock doors
- Close all blinds and cover door window
- Move students away from doors and windows
- You will not use radios to communicate during lockdowns
- Radios should be turned off once a lockdown is underway
- Do not ask questions or ask if this is a real lockdown
- Stay calm and quiet
- No teaching during drill or emergency
- Email/text Lily, Dea and Krystal. Lupe, Alicia, Claudia, and Sindy the status of your class and students
- Remain in classroom until emergency is over or until administrator makes announcement
- If outside, proceed to the closet room and go inside
- Teachers should leave a detailed message for substitute
- Message should include, AMLA Principal, designated administrator, Dea, and Krystal cell phone number. AMLA should include Principal, designated administrator, Lupe, Alicia and Claudia cell phone number
- All door should be locked from the outside at all times
- If you have a (specials) class you should leave the door locked for that specials teacher
- Joint doors in classroom can be locked from lock side only

Site Emergency Procedures for Special Needs Students

1. Procedures for special needs students may need to be implemented in emergency situations such as fire, earthquake, bomb threats, etc.

2. At the beginning of each school year, an Individual Emergency Procedures Plan must be completed to accommodate each student who requires additional assistance due to a disability. This includes students with physical impairments who may require:
   - a wheelchair on a daily basis
   - specialized equipment
   - physical assistance to evacuate in a timely manner

3. Each plan requires that support staff be designated as specialized assistants during times of emergency.

4. The Site Safety Specialist is responsible for:
   - identifying all students who will require additional assistance
   - working with the designated certificated staff (classroom teachers) and the principal to ensure that coverage and a plan is completed for each student

*** Since new students may arrive at any time during the school year, this assignment will be continuous throughout the year.**

5. Use the format below to complete an Individual Emergency Procedures Plan for each special needs student. Place a copy of the plans in the Site Emergency Operations Plan and with the individual classroom teacher's emergency materials. (class roster, etc.)

DISASTER PLANS

Whenever there is any type of disaster, the primary concern is the safety of the students. The following general guidelines will offer assistance in a variety of disaster situations. Each teacher should also display Disaster Plan guidelines prominently in each classroom. Nothing in these guidelines should discourage a teacher or staff member from immediately contacting 911 themselves should a life and death emergency exist. Seconds count in time of crisis. Emergency personnel must be alerted as soon as possible to mitigate disaster.

Fire

1. Principal, custodians and/or office manager will determine the location of the fire.
2. Office manager will phone 911, picks up emergency card binder and student medication and leaves the building prepared to phone parents of any injured child.
3. Custodian or principal will sound the fire alarms.
4. Staff will follow evacuation procedures previously described.
5. Students should leave the room in a single file, walk briskly but carefully, and stay in their class group when they reach their designated spot.

Earthquake

If indoors:

1. Utilize solid desks and tables for cover from falling objects and debris.
2. Turn away from windows.
3. Utilize solid interior walls and archways.
4. Cover head with arms or hold to the cover and be prepared to move with it.
5. Hold the position until the ground stops shaking.
6. When initial shaking stops, principal or office manager sounds alarms to evacuate the building.
7. Staff to follow evacuation procedures previously described.

If outdoors:

1. Move away from buildings, poles and overhead wires.
2. Lie down or crouch low to the ground.
3. Look out for dangers that demand movement.
4. Be prepared to seek cover again soon after initial quake due to after shocks.
5. Staff to follow evacuation procedures previously described.

Flood/ Severe Weather

Warnings of severe weather are usually received via the EAS. If time and conditions permit, students may be sent home. However, if the weather conditions develop during school hours, without sufficient warning, students should be held at school.

The principal will assess the situation and make an announcement via applicable communication device(s) to A) evacuate, B) stay in classes or C) release students to go home.
See emergency procedures previously described for evacuation directions.

(UTILITY SERVICE FAILURE – custodial staff should familiarize themselves with the appropriate service provider numbers and websites. Be able to identify pole numbers and which service provider is using them, i.e. electric company versus cable company, etc.)

Electrical Failure

1. Principal and/or custodian notify the appropriate electrical company (PG&E, SMUD, etc.).
2. Office staff and classroom teachers turn off computers and other equipment that might be damaged by a power surge when the service is restored.

Gas Line Break

1. Principal and/or custodian notify PG&E.
2. Principal and/or custodian notify the Fire Department.

3. Staff to follow the evacuation procedures previously described.

Water Main Break

1. Principal and/or custodian immediately notifies the local water control authority.
2. Custodian shuts off water.
3. Principal determines if it is necessary to follow the emergency procedures to evacuate students and staff.

Water Contamination

1. Instruct teachers to move students away from drinking fountains and sinks.
2. Notify school office and APS headquarters.
3. Have custodian turn off pressure to drinking fountains and sinks.

Chemical Spill/ Incident

If Indoors:

1. Block or rope off area – DO NOT TOUCH ANYTHING.
2. Evacuate room and TURN OFF air conditioning system.
3. Notify school office and Head Custodian of the incident - contact 911 if necessary.
4. Head Custodian should check for chemical safety data to determine clean up procedure.

If Outdoors:

1. Upon hearing of a chemical leak (usually from the fire department or other city office) the principal will determine if students should be evacuated.
2. Move away from buildings, poles and overhead wires.
3. Close doors and windows and TURN OFF air conditioning system.
4. If it is necessary to leave the site, move crosswind, never more directly with or against the wind which may carry fumes.
5. Give first aid.
6. Staff to follow the emergency procedures previously described.

Lockdown/Active Shooter

Several strategies/philosophies exist in relation to how to properly respond to school site violence (i.e. A.L.I.C.E., Run- Hide-Fight, etc.). In the wake of many notable campus shootings, both public and private entities have devised different courses of action to take in the event of the "worst case scenario" (refer to list of sources located at the beginning of the Emergency Preparedness section). It is incumbent upon the Principal to adopt a well thought out plan of action, to stick with it (consistency), develop it (seek training and customize the plan to serve a particular school site) and practice it regularly. Which option the school leader chooses is based on where you are when you hear the shots or when you are made aware that there is a perpetrator on site prepared to discharge a firearm. **Aspire Public Schools directs that if a shooting takes place the first priority is to shelter students and staff from danger.**

Upon hearing shots or being alerted to an event involving serious violence on campus:

1. ALERT 911. Nothing should discourage a teacher or staff member from immediately contacting 911 themselves should they find themselves in a life and death situation. Seconds count in time of crisis. Law enforcement must be alerted as soon as possible to mitigate the threat.
2. Institute "lockdown" or "evacuation" protocol.

1. If the threat on the inside is greater than the threat on the outside – evacuate (run)
2. If the threat on the outside is greater than the threat on the inside – lockdown (hide)
3. If the lockdown is defeated, at that time a decision will need to be made whether to engage the perpetrator (fight)

Once a decision has been made to lockdown, do not break lockdown protocol until the entire lockdown has been released.

3. Teachers direct students as to the plan of action for their specific classes (i.e. run, hide, fight, etc.).
4. Staff must immediately and continually communicate with other staff and students via all applicable devices the source/location/status of the threat. This will allow for more appropriate courses of actions, i.e. shelter instead of evacuate, vice versa, etc. Continually provide updates as practical until the threat no longer exists.
   Note: Communication should only take place if it is safe to do so. In some instances a lockdown will require radio silence and for cell phones to be muted or off.
5. At the conclusion of such an event, an assigned person(s) will control, organize media and distribute media packages.
   Note: Have pre-scripted press releases on file. Ensure the person communicating with the media has been trained.
6. Shortly after the conclusion of an event, an assigned person(s) will ensure that counseling services are available as soon as possible.

Bomb Threat

There are two primary ways a bomb threat may arise. One is through a phone call or written letter in which a bomb is discussed. The other is through the sighting of a suspicious object. Threats should be handled quickly and efficiently as if they were real and life threatening.

If there is a phone call or written threat of a bomb on campus, the person who took the call or read the note will:

1. Notify Principal immediately.
2. Immediately notify law enforcement via 911. Never use alternate numbers to contact law enforcement as a bomb threat is considered a "crime in progress". Danger may be imminent. Emergency responders need as much for warning as possible.
3. Try to obtain information from the caller such as where the bomb is, where it is set to explode, what it looks like, what kind of bomb it is, why it is there and who the caller is. Note any identifying features about the caller (i.e. gender, speech patterns).

If there is a sighting of a suspicious object, the person would:

1. Notify Principal immediately.
2. Do not touch the object but note any identifying features to describe it to the Principal and emergency crews.

In all cases:

1. If the Principal determines the need to evacuate, staff follows emergency procedures previously described.
2. Before emergency crews are on campus, do not search for any bomb, or explosive. Search only for people who should be evacuated. However, a staff member may be asked to accompany emergency responders to assist in pointing out any suspicious/unfamiliar objects or packages.

3. If you see any suspicious object, steer clear of it and report it to the Principal and/or emergency responders. Follow the directives of all emergency responders.
4. NEVER use devices that transmit radio frequencies such as cellular phones or walkie-talkies as the frequencies may set off an explosive device(s).

Explosion

If indoors:

1. Take cover within, next to, or under solid objects or walls. Solid materials such as concrete walls can serve as adequate shelter in a blast. Be familiar with possible areas of indoor cover at your school site ahead of time.
2. Turn away from glass windows.
3. Take cover under a desk or table or against an interior wall.
4. Cover head with arms of hold to the cover.
5. Hold the position until directed to evacuate the building.
6. Staff will follow the emergency procedures previously described.

If outdoors:

1. Move away from buildings, poles and overhead wires.
2. Lie down or crouch low to the ground. Solid materials such as concrete parking lot/playground curbs and planters can serve as adequate shelter in a blast. Be familiar with those possible areas of outdoor cover at your school site ahead of time.
3. Look out for dangers that demand movement.
4. Staff to follow emergency procedures previously described.

Death/Suicide

1. Principal will be notified in the event of a death or suicide on campus.
2. Assigned person(s) will phone 911.
3. Assigned person(s) will phone APS headquarters.
4. Principal will notify teachers to keep students in their classrooms until informed otherwise.
5. Assigned person(s) will control and organize media. Distribute media packages and/or make references to the appropriate school website that contains media information.
6. Assigned person(s) will notify relatives where the victim(s) have been taken and not divulge unnecessary details.
7. Assigned person(s) will ensure that counseling services are available as soon as possible.

Intruders/ Vicious Animals

1. Institute lockdown or evacuation protocol.
2. Nothing should discourage a teacher or staff member from immediately contacting 911 themselves should a life and death emergency exist. Seconds count in time of crisis. Emergency personnel must be alerted as soon as possible to mitigate disaster.
3. If it is unclear as whether or not an unfamiliar person is authorized on campus or an animal is truly vicious, contact the main office to assist with confirmation/clarification. Office staff can take appropriate action at that point (i.e., contact Police or animal control agency).

Allergic Reaction

There are many types of medical conditions that may trigger an allergic reaction, among them anaphylactic shock, diabetes and sickle cell anemia. Possible symptoms of an allergic reaction include skin irritation or itching, rash, hives, nasal itching or sneezing, localized swelling, swollen tongue, restlessness, sweating,

fright, shock, shortness of breath, vomiting, cough and hoarseness. School nurses have a specialized health care plan for certain conditions and should be contacted for any sign of allergic reaction.

STAFF ACTIONS:

1. If imminent risk, call 911.
2. Send for immediate help (Firs Aid, CPR, medical) and medication kit (for known allergies).
3. Notify principal.
4. Assist in getting "Epi" (Epinephrine) pen for individuals who carry them (usually in backpack), and prescription medications (kept by school nurse).
5. If an insect sting, remove stinger immediately.
6. Assess situation and help student/staff member to be comfortable.
7. Move student or adult only for safety reasons.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

1. If imminent risk, call 911 (always call 911 if using "Epi" pen).
2. Notify parent or guardian.
3. Administer medication, by order of a doctor, if appropriate; apply ice pack to affected area, keep victim warm or take other actions as indicated.
4. Observe for respiratory difficulty.
5. Attach a label to the person's clothing indicating: time & site of insect sting or food ingested, name of medicine, dosage and time administered.

OTHER PREVENTATIVE/SUPPORTIVE ACTIONS:

1. Keep an "Epi" pen in the school office and notify staff as to location.
2. Emergency health card should be completed by parents for each child and should be easily accessible by school personnel.
3. Provide bus drivers with information sheets for all known acute allergic reactors.

CAMPUS ENVIRONMENT

Notice of Regulations

The Aspire School's administration shall ensure that students and their parents/ guardians are notified in writing upon enrollment of all discipline policies, rules and procedures. This handbook satisfies this requirement by describing expectations for student behavior, plans for managing student behavior and consequences for not adhering to expectations.

Behavior Management Cycle

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. These rules and procedures will clearly describe the Aspire School's discipline expectations, and it will be printed and distributed as part of the annual notifications that are sent to each student at the beginning of the school year. Discipline includes, but is not limited to, advising and conferring with students, conferring with parents/guardians, detention during and after school hours, use of alternative educational environments, suspension and expulsion. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of these regulations, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

Behavior Expectation Guidelines

Students must remember that they are responsible for their own actions and will have to abide by the consequences, both positive and negative, of those actions. Students will be held accountable for their behavior in school and during any school sponsored activity. The staff will be responsible for positive reinforcement, consistency, and modeling appropriate behavior. Students will learn to be effective decision makers and problem solvers who demonstrate elements of self-direction, responsibility, and self-discipline. This entire process is built on respect with every adult and student viewed as a person who has dignity and worth as an individual. Each school will be a safe and orderly place for our students to receive a quality education. Students, parents, and school staff must share equal responsibility for creating the best possible educational setting. Open, honest communication with students, parents, and school staff is the best way to achieve this goal.

In order to reach the goals and objectives of this school, you are expected to:
• BE RESPONSIBLE, BE RESPECTFUL, AND BE SAFE by carrying yourself with respect and showing respect to others.
• ABIDE by all Federal, State, County, and City Laws.
• ABSTAIN from the possession, use, distribution or being under the influence of drugs (illegal or prescription) or alcohol.
• REFRAIN from the possession, use, or distribution of tobacco products or cigarettes.
16-17 Aspire Student Family Handbook 9
• DESIST from the possession or use of firearms, weapons, explosives, fireworks, or any other item capable of harming any person or property (or any items that could create the impression of such harm).
• KEEP AWAY from gang related activities, such as "throwing signs" and group intimidation or gang affiliation.
• MAINTAIN A PEACEFUL LEARNING ENVIRONMENT by avoiding fighting, horsing around, hitting, loud noise, or threats towards any person.
• PROTECT SCHOOL PROPERTY by not wasting, damaging, defacing, or destroying any school property or property belonging to another person. Graffiti is prohibited. Don't destroy or write on school buildings, grounds, or property.
• RESPECT THE LEARNING SPACE by not littering on school property and keeping food, drinks, and gum out of classrooms and hallways. Eat only in approved areas and have only water in classrooms.
• DESIST from carrying beeper devices, music devices, and cell phones.
• FOLLOW ADDITIONAL DISCIPLINE PROCEDURES contained in the Student Family Handbook and as developed by the Advisory School Council.
• FOLLOW RULES that apply to specific classes and subjects. These rules will be made known to students and parents, in writing, at the beginning of the school year.

School-Wide Expectations for Student Success

Each school has adopted common rules that apply across all classrooms and at all times. These common rules are:

1) FOLLOW DIRECTIONS OF ALL STAFF AT ALL TIMES.
2) LOOK PROFESSIONAL AT ALL TIMES: No sagging, headwear, sunglasses, etc.
3) USE POSITIVE LANGUAGE: No teasing, bullying, profanity, or insults, etc..
4) KEEP HANDS, FEET, AND OBJECTS TO YOURSELF: No provoking or fighting, etc..
5) BE PROUD AND TAKE CARE OF THE SCHOOL AND OTHER PEOPLE'S PROPERTY: No littering, gum chewing, or defacing of property. Eat only in approved areas and have only water in classrooms.

Closed Campus

Each school is a closed campus. All students are required to remain on school grounds during the regularly scheduled school day, including lunch period. It is unlawful for anyone to take a student away from school during the regular school day without parent and/or guardian permission and notification of the School Office.

SUSPENSION

Suspension is the temporary removal of a student from class instruction for adjustment or disciplinary reasons.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students who come to school during the term of their suspension or expulsion may receive further disciplinary action.

Except in cases where suspension for a first offense is warranted in accordance with law, each school site shall consider suspension from school only when other means of correction have not been successful or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority to Suspend

1. A teacher may suspend a student only from his/her classroom for the day of the suspension plus the following school day.
2. The Principal or his/her designee may suspend a student from class, classes or the school campus for a period not to exceed five school days.
3. The CEO or designee may extend a student's suspension pending final decision by the Aspire Administrative Panel on a recommendation for expulsion.
4. A student with an IEP being considered for expulsion may be suspended for ten (10) consecutive days pending assessment and an IEP Team meeting. The suspension may also be extended pending final decision by the Aspire Administrative Panel on a recommendation for expulsion. In the event that a special education student's cumulative suspensions in the school year exceed 10 days, the LEA is required to provide FAPE during any subsequent days of suspension. The IEP team determines the appropriate offer of FAPE for the student

Jurisdiction

A student may be suspended or expelled for prohibited misconduct if the act 1) occurred on Aspire property or at an Aspire-sponsored event; 2) is related to an Aspire school activity, and/or 3) To or from activities described in #1 or #2.

Suspension Alternatives

As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal's designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil's non-school hours. For the purposes of this section, "community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action. [Education Code 48900.6]

Procedures in Cases Requiring Suspension

1. Incident Investigation- The school site administrator or teacher investigates the incident and determines whether or not it merits suspension.

2. Determination of Length of Suspension- The school site administrator determines the appropriate length of the suspension in conjunction with local school policy and school-specific disciplinary management plans (maximum of five consecutive school days). [Education Code 48911 (a)]
The total number of days for which a student may be suspended from school shall not exceed 20 school days in any school year. [Education Code 48903 (a)]

3. Legal Notifications-Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245 [Education Code 48902].

The principal or designee also shall notify appropriate city or county law enforcement authorities of

any student acts that may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. [Education Code 48902]

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind. [Education Code 48902]

When the Principal or other school official releases a student to a peace officer for the purpose of removing the student from the school premises (after the release), the Principal or other school official shall take immediate steps to notify the parent, guardian, or responsible relative of the student regarding the release of the minor to the officer, and regarding the place to where the minor is reportedly being taken. Note: The responsibility to notify the parent, guardian, or other responsible relative concerning the release of a student does not apply to the release of a student who has been taken into custody as a victim of suspected child abuse. [Education Code 48906]

4. Suspension Conference- Suspension shall be preceded, if possible, by a conference conducted by the Principal or designee with the student and his or her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Principal.

5. Notice of Suspension- The Principal or designee must complete an Aspire Notice of Suspension form. The parent will be given written notice of the suspension using this form. The Aspire Notice of Suspension serves as written notification of the student's suspension and indicates the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school.

A copy of this form is stored in the OnCourse discipline system– suspension notices should not be placed in the student's cumulative file.

Appeals Process

A student or the student's parents/guardians may appeal those disciplinary actions, other than expulsion, imposed upon a student for his/her school related offenses.

- Appeals must be made first in writing at the school level, and should be directed to the principal. The principal or principal's designee will attempt to resolve the appeal with a written response within ten (10) school days.
- After appeal at the school level, if further appeal is desired, the appeal should be made to the Aspire Home Office and should be directed to the CEO or designee (Regional Manager of Student Services) for resolution with a written response within fifteen (15) school days.
- After appeal at the Aspire administrative level, if further review is desired, the appeal may be forwarded to the Aspire Executive Committee for resolution with a written response within 20 school days.

If any appeal is denied, the parent may place a written rebuttal to the action in the student's file.

EXPULSION

Expulsion is the involuntary removal of a student from all Aspire schools and Aspire programs for acts of specified misconduct.

Except for single acts of a grave nature [enumerated in Education Code 48915 (a) or (c)], expulsion should only be used when:

- there is a history of misconduct,
- other forms of discipline (including suspension) have failed to bring about proper conduct;
- or when the student's presence causes a continuing danger to other students.

Authority to Expel

A student may be expelled by the Aspire Administrative Panel. The Administrative Panel will consist of at least three members who are certificated and neither a teacher or principal of the pupil nor a member of the Aspire Board of Directors. The Aspire Administrative Panel may recommend expulsion of any student found to have committed a suspendable or expellable offense.

While under expulsion, a student cannot enroll in another Aspire school without approval of the Aspire Board of Directors. At the conclusion of an expelled student's term of expulsion, a student cannot enroll in an Aspire school without approval of the Aspire Board of Directors through the readmission process.

Educational placement of an expelled student during their term of expulsion is at the discretion of the District of Residence or the authorizing district.

SUSPENSION AND EXPULSION OF SPECIAL EDUCATION STUDENTS AND STUDENTS WITH 504S: MANIFESTATION DETERMINATION

If a student with a disability (IDEA or Section 504 qualified) is suspended for ten or more school days (including both in and out of school suspension) or is recommended for expulsion, procedural safeguards for the student require a team to convene. In School Suspensions are not counted towards the ten days of removal if all three the following conditions apply: 1) The student can continue to progress in the general education curriculum; 2) The student receives the services listed in their IEP; and 3) The student can participate with their general education peers to the extent dictated by their IEP. The "Manifestation Determination IEP/504 Meeting" will determine whether the misconduct was directly caused by the student's disability and/or whether the IEP or 504 plan was being properly implemented. If it is determined at the meeting that the disability had no direct causal effect on the misconduct, and the IEP/504 was being properly implemented, then the student may be disciplined in the same manner as a non-disabled student

These may include illegal substances, drug paraphernalia, weapons or other objects or substances which may be injurious to the student or to others. **Illegally possessed items shall be confiscated and may be turned over to the police.**

POSSESSION OF WEAPONS OR DANGEROUS OBJECTS

It is a violation of state law and Aspire Public School policies and regulations for any person to carry a firearm, weapon, or other dangerous object on school premises, school provided transportation or areas of other facilities being used for school activities.

Student in possession of any firearm, knife, explosive or other dangerous object will be suspended and possibly recommended for expulsion. State law mandates expulsion for students who knowingly possess a firearm or brandish a knife at another person.

DRUG, ALCOHOL, AND TOBACCO FREE

Aspire Public Schools recognizes the need for a Drug free, Alcohol free and Tobacco free environment. Smoking is prohibited in all Aspire buildings, facilities and vehicles. Aspire Public Schools support abstinence from alcohol, tobacco, and other drugs for all students in order that their development can reach full intellectual, emotional, social, and physical potentials. Students are subject to disciplinary action, up to and including, a recommendation for expulsion for drug, alcohol, or tobacco related offenses. Students found using or in possession of controlled substances may be suspended. Students found selling controlled substances will be recommended for expulsion.

OTHER PROHIBITED ITEMS

Students are not allowed to bring any games, toys, or trading cards to school for use during the school day (including break and lunch). Cell phones, MP3 players, personal handheld devices are also subject to be taken away. Prohibited items will be returned only to a parent and/or guardian. Repeated offences will result in items being taken away and not returned until the end of the school year.

DRESS CODE

Learning deserves an environment of respect and freedom from distraction. Aspire Board policy requires that all students enrolled in Aspire Public Schools comply with the school's uniform policy. Students who are out of uniform will be subject to disciplinary action. All uniforms should be marked with the student's name. Uniforms (including shoes) are to be clean, maintained, appropriately sized, and worn as they are designed to be worn. The uniform reflects a positive pride in self and school.

Uniform Policy

The purpose of uniform dress at the school is:
• To focus students on school as a professional workplace
• To focus students away from clothing as a competition
• To symbolize our united effort on the road to college

• To develop and enhance a sense of school pride
• To enhance school safety
Outer garments must be appropriate for the comfort and normal activities of students while in school. All items must be worn in traditional and appropriate fashion. A top must cover a student's chest and midriff. Bottoms must cover a student's hips and buttocks. All clothing must be worn in the student's appropriate size.

Clothing must be in good condition and cannot be bleached, stained, ripped, torn, frayed, etc. If a color or item of clothing becomes a safety issue or a distraction from learning, the student may be asked to remove the article, or substitute with something more appropriate. This includes accessories such as shoes, shoelaces, hats, scrunches, etc. We reserve the right to update the dress code as needed at any time and provide a copy to families, students, and staff.

Casual/Free Dress Days
"Casual Dress" means non-uniform; however, students wishing to remain in uniform on non-uniform days may do so. Dress may be casual, but should still adhere to the Dress Code policy and reflect personal and school pride. Clothing should be neat, clean, un-torn, and appropriate for school. Any student in non-uniform must ensure that the choice of dress covers at least as much of the body as would the uniform. Students whose clothing is inappropriate may be sent home for the remainder of the day. The administration reserves the right to determine which clothing is inappropriate.

SAFETY BEFORE AND AFTER SCHOOL

For the safety of students, parents or guardians are not to drop students off, nor are students to arrive at school, prior to 30 minutes before the start of school, unless the student is involved in a regular school activity, meeting, or community program. Similarly, it is the responsibility of the parents or guardians to arrange to have their student leave or be picked up right after school, unless the student is involved in a regular school activity, meeting, or community program or is staying at the request of school personnel. In case of emergency, all students should go directly to the school office at any time before or after school.

Students who cannot comply with these requirements are placing all those at the school at risk by disregarding safety considerations. Students placing themselves or others at risk by violating the above policies may be subject to disciplinary action, including suspension and expulsion.

PROCEDURES FOR NOTIFYING TEACHERS OF DANGEROUS PUPILS

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended, site leadership will send a notification out to the relevant teachers with required information. The teacher can also access the suspension by looking at the student's discipline screen. The information provided is for the student's current teachers only. All information regarding suspension and expulsion is CONFIDENTIAL, is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court notifies the Superintendent of the school's authorizing district regarding students who have engaged in certain criminal conduct. This information is forwarded to the site Principal. The site Principal is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student's counselor.

ANTI-DISCRIMINATION AND ANTI-HARASSMENT POLICY

Aspire Public Schools (APS) does not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code.

Students, parents, guardians, or any other individuals having questions or concerns regarding Aspire's "Discrimination Harassment Policy" or who wish to file a discrimination or harassment complaint should complete Aspire's "Community Complaint Form", and should contact the Principal at the school or the Chief Operating Officer of Aspire at (510) 434-5000. More information on Aspire's Community Complaint and Discrimination Harassment procedures is included later in this handbook.

PREVENTION OF CHILD ABUSE POLICY

Any teacher, or other staff member, who suspects that a student has been subjected to physical injuries, neglect, sexual abuse or emotional maltreatment, is mandated by the Child Abuse Reporting Law to notify the proper authorities. For additional information about California's child abuse reporting requirements for teachers and other school staff, please contact the front office.

- Customer Service: Responsiveness to the needs of external and internal customers

While you have guidelines, rules and standards in this Handbook, none of these can substitute for good judgment, common sense and personal integrity while meeting the challenges of your daily work. If you have questions about anything in this Handbook—or even a topic not addressed in it—please contact your Manager, Principal, or the Human Resources Department. We are here to help!

Providing services for students and their families can be both rewarding and demanding. Upholding strict ethical standards is critical and necessary for the benefit of our students and families, and for the reputation of our schools, as well as for you as Aspire's representatives. During our orientation process, we make time to review some of the key policies in this Handbook. However, it is your responsibility to carefully review and model the information to help us create and maintain a safe, healthy and productive work environment that we all enjoy working in.

We're excited that you've joined us to achieve our goal of the effective delivery of high-quality education to our communities.

Sincerely,

Carolyn Hack
Chief Executive Officer

1. INTRODUCTION

1.1 Introductory Statement

This Employee Handbook ("Handbook") describes Aspire Public Schools' ("Aspire") basic policies and procedures. We believe that good performance depends in part on how well-informed you are. This Handbook explains the terms and conditions of employment for all employees, principals, and managers, so that you will know what to expect and what is expected of you.

This Handbook also outlines the programs we have developed to benefit you as part of our team. One of our key objectives is to provide a work environment that promotes teamwork and integrity. The Handbook was developed with this in mind. To be sure you understand how we create this kind of environment, we expect you to read and comply with all provisions of this Handbook, and to ask your Manager, Principal, or the Human Resources Department about anything that is unclear to you.

No handbook can anticipate every circumstance or question about a policy. So, as we continue to grow, we might need to revise, supplement, or rescind policies or portions of the Handbook, with the exception of the at-will policy. Aspire Public Schools, at its sole and absolute discretion, reserves the right to change this Handbook as we deem appropriate, with the exception of the at-will policy. To the extent possible, we will inform you about these changes. The only recognized deviations from the stated policies, including but not limited to the at-will policy, are those authorized and signed by the Chief Executive Officer, or an authorized representative.

Nothing in this Handbook, oral statements or representation, or any including benefit plan descriptions creates, or is intended to create, an employment contract between Aspire Public Schools and any employee that is inconsistent with the Employment-At-Will policy in this Handbook.

Nothing in this Handbook or in any other document or policy is intended to violate any local, state or federal law. Nothing in this Handbook or in any other document or policy is intended to limit any concerted activities by employees relating to their wages, hours or working conditions, or any other protected conduct. Furthermore, nothing in this Handbook prohibits an employee from reporting concerns to, filing a charge or complaint with, making lawful disclosures to, providing documents or other information to, or participating in an investigation or hearing conducted by the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency charged with the enforcement of any laws.

While you review this Handbook, please be aware that this Handbook is supplemented by Aspire's addendum specific to your state, which will be provided to you. If you have any questions regarding which laws apply to you based on the state or states where you work, please contact Human Resources.

This Handbook incorporates, by reference, the 2017 addendum published by Aspire for your state.

This Handbook summarizes the policies and practices in effect at the time of publication, and it replaces all previously issued handbooks and any policy or memoranda that are inconsistent with the policies described here, with the exception of the at-will policy. While this Handbook lists many policies at Aspire Public Schools, there are also policies and practices unique to specific departments or schools. Your Principal, Supervisor, Senior Executive, or Human Resource Representative will provide you with additional policies for your specific department or location.

Remember, if you have any questions regarding any policies; please contact your Principal, Supervisor or the Human Resources Department.

1.2 Employment-At-Will

All employment at Aspire is "At-Will". Whether you are a temporary or regular full-time or part-time employees, you or Aspire Public Schools may terminate this employment relationship at any time, for any reason, with or without cause or notice. This Handbook does not change the at-will nature of employment at Aspire Public Schools, and it is not a contract, express or implied, guaranteeing employment for any specific duration. Nothing in this Handbook creates a contract binding the employee or Aspire Public Schools to an agreement of employment for a specific period of time. No one other than the Chief Executive Officer, or the Chief Executive Officer's authorized representative, has the authority to enter into any agreement with you for employment for any specified period or to make any similar promises or commitments. Such agreement must be in writing signed by the Chief Executive Officer, or the Chief Executive Officer's authorized representative.

1.3 Equal Employment Opportunity

Aspire Public Schools is an equal opportunity employer and makes employment decisions on the basis of merit. We want to have the best available person in every job. Aspire Public Schools prohibits unlawful discrimination based on the following legally protected characteristics: race, color, creed/religion, sex, pregnancy (including childbirth, lactation and related medical conditions), age (40 and above), national origin, ancestry, physical or mental disability, genetic characteristics (including testing), sexual orientation, veteran status, uniformed service member status or any other consideration made unlawful by federal, state, or local laws. This policy also includes prohibiting discrimination based upon a perception that anyone has any of the characteristics listed above, or is associated with a person who has or is perceived as having any of those characteristics. Such discrimination is a violation of Aspire's policy and may be unlawful under federal and/or state law.

Aspire Public Schools is committed to compliance with all applicable laws providing equal employment opportunities. This commitment applies to all persons involved in the operations of Aspire Public Schools and prohibits unlawful discrimination by any employee of Aspire Public Schools. This policy of equal employment opportunity applies to all policies and procedures relating to recruitment and hiring, compensation, benefits, termination, and all other terms and conditions of employment.

In accordance with applicable law, Aspire will extend all legal rights and responsibilities to same sex spouses on the same basis as it extends those rights and responsibilities to opposite sex spouses.

See your state addendum for more information and policies specific to your state.

1.4 Disabilities and Pregnancy—Reasonable Accommodation

To comply with applicable laws ensuring equal employment opportunities for individuals with disabilities, Aspire will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result. Any employee who requires an accommodation in order to perform the essential functions of his or her job, enjoy an equal employment opportunity, and/or obtain equal job benefits should contact Human Resources to request such an accommodation. Human Resources will communicate with the employee and engage in an interactive process to determine the nature of the issue and what, if any, reasonable accommodation(s) may be appropriate. In some cases, this interactive process may be triggered without a request from the

employee, such as when Aspire receives notice from its own observation or another source that a medical impairment may be impacting the employee's ability to perform his or her essential job functions.

Employees who believe they need an accommodation must specify, preferably in writing, what barriers or limitations prompted the request. Aspire will evaluate information obtained from the employee, and possibly his or her Health Care Provider or another appropriate Health Care Provider, regarding any reported or apparent barriers or limitations, and will then work with the employee to identify possible accommodations, if any, that will help to eliminate or otherwise address the barrier(s) or limitation(s). If an identified accommodation is reasonable and will not impose an undue hardship on Aspire and/or pose a direct threat to the health and/or safety of the individual or others, Aspire will generally make the accommodation, or it may propose another reasonable accommodation which may also be effective. Employees are required to cooperate with this process by providing all necessary documentation supporting the need for accommodation, and being willing to consider alternative accommodations when applicable.

Aspire will also consider requests for reasonable accommodations for medical conditions related to pregnancy, childbirth and lactation where supported by medical documentation and/or as required by applicable federal, state or local law.

In addition, Aspire will not discriminate against an employee because she is pregnant or treat an employee that it knows is pregnant differently from a non-pregnant person whose ability or inability to work is similar to that of the pregnant employee. "Pregnancy" means "pregnancy, childbirth, or medical conditions related to pregnancy or childbirth, including recovery from childbirth."

Aspire will provide certain reasonable accommodations in the workplace to pregnant employees upon the advice of a physician. If you believe that you need such an accommodation, please advise Human Resources. Any information regarding the foregoing will be kept confidential to the extent required by law.

Aspire will provide employees with the use of a room or a private area, other than a bathroom or toilet stall, that is shielded from view and free from intrusion from coworkers and the public. Aspire will make a reasonable effort to identify a location within close proximity to the work area for the employee to express milk. This location may be the employee's private office, if applicable.

Employees should discuss with Human Resources or other appropriate persons the location for storage of expressed milk. Employees may also provide their own portable small storage unit or cooler for keeping expressed breast milk cold.

Aspire will otherwise treat lactation as a pregnancy-related medical condition and address lactation-related needs in the same manner that it addresses other non-incapacitating medical conditions, including requested time off for medical appointments, requested changes in schedules and other requested accommodations.

Because some lactation accommodation requirements differ by state, the employee should contact Human Resources or another appropriate manager during the employee's pregnancy or before she returns to work to identify her need for a lactation area or to make any other arrangements necessary under this policy.

Employees who wish to request unpaid time away from work because of a qualifying disability should speak to Human Resources regarding a proposed accommodation.

1.5 Religious Accommodation

Aspire will provide reasonable accommodation for employees' religious beliefs, observances, and practices when a need for such accommodation is identified and reasonable accommodation is possible. A reasonable accommodation is one that eliminates the conflict between an employee's religious beliefs, observances, or practices and the employee's job requirements, without causing undue hardship to Aspire.

Aspire has developed an accommodation process to assist employees, management, and Human Resources. Through this process, Aspire establishes a system of open communication between employees and Aspire to discuss conflicts between religion and work and to take action to provide reasonable accommodation for employees' needs. The intent of this process is to ensure a consistent approach when addressing religious accommodation requests. Any employee who perceives a conflict between job requirements and religious belief, observance, or practice should bring the conflict and his or her request for accommodation to the attention of Human Resources to initiate the accommodation process. Aspire requests that accommodation requests be made in writing, and in the case of schedule adjustments, as far in advance as possible.

1.6 Standards of Conduct

As an employee at Aspire Public Schools, you have the responsibility to conduct your work with integrity and consideration, and to treat those you encounter at work in an ethical manner. The behaviors listed below reflect the Core Values of Aspire, however the list is not exhaustive.

As a representative of Aspire Public Schools, you are expected to uphold the values summarized here, and to use good judgment at all times.

- To provide high-quality, cost-effective services to Aspire's students and families.
- To follow Aspire rules, as well as any other site-specific policies.
- To treat fellow employees, students and the families of the diverse populations we serve in a manner that fosters teamwork and cooperation, regardless of position, station, or relationship.
- To act with integrity while representing Aspire Public Schools and conducting business for Aspire.
- To follow all laws, regulations, and the spirit of the law while at work and in relationships connected to your employment. This includes state and federal laws regarding students' rights, employment law, and business and educational practices.
- To understand and follow all regulations and laws, as well as Aspire's policies, regarding student rights and student safety, and to respect staff-student boundaries at all times.
- To prepare and maintain all student, family and proprietary Aspire data, records and reports accurately, truthfully and confidentially; and to ensure the security of the equipment that stores or conveys such information, including computers and available programs, facsimile (fax) machines and lines, paper documents, and related equipment and accessories.
- To always act in ways that support Aspire's Core Values of Quality, Customer Service, Collaboration, Ownership, and Purposefulness.

- To follow all regulations and laws, as well as Aspire's policies, regarding student rights and student safety; and to respect staff-student boundaries at all times.

1.7 Religious Neutrality

As a public charter school, Aspire cannot promote the agenda of any religious denomination or religiously affiliated entity. It is both proper and important for teachers to objectively discuss the influences of various religions, using religious works and symbols to illustrate their relationship with society, literature, or the arts. Instruction shall identify principles common to all religions and foster respect for the multiple creeds practiced by the peoples of the world.

In order to respect each student's individual right to freedom of religious practice, religious indoctrination is clearly forbidden in the schools. Instruction about religion must not favor, promote or demean the beliefs or customs of any particular religion or sect.

Staff shall be highly sensitive to their obligation not to interfere with the religious development of any student in whatever tradition the student embraces. Staff shall not endorse, encourage or solicit religious or anti-religious expression or activities among students. They shall not lead students in prayer or participate in student-initiated prayer. However, staff shall not prohibit or discourage any student from praying or otherwise expressing his/her religious belief as long as this does not disrupt the classroom.

School and classroom decorations may express seasonal themes that are not religious in nature.

Aspire does not intend to impose restrictions on freedom of dress and adornment which may violate an individual's civil rights or which impose particular codes of morality or religious tenets. Appropriateness and moderation in all things, concern for the health and safety of students and staff, and the avoidance of distractions to the educational process are the guiding principles of the employee dress code.

1.8 Voluntary Open Door Policy

At Aspire, we value what effective collaboration can do to foster a strong team, improve public education and enable employees to work to their full potential. We also recognize that with change and progress, conflict can arise. Open communication is a way to achieve successful, collaborative working relationships.

Employees are free to speak directly with their Principal, Supervisor, Area Superintendent, the Human Resources Department or any member of the management team if they have any concerns or questions. In particular, Aspire welcomes employees to

- examine and discuss issues, seek information, offer ideas, and explore and resolve problems as they arise
- stay aware of changes in procedures, policies and general information
- communicate ideas, suggestions, personal goals, or problems as they affect your work
- resolve issues directly with each other whenever possible before discussing them with others
- communicate directly with your Supervisor or Principal, or another member of management, depending on the nature of the issue

If you feel there is something we can do to make employment at Aspire Public Schools a more rewarding experience, you are welcome to do the following:

- Respond to the Annual Employee Surveys
- Contact your Regional Human Resources Manager
- Contact your Area Superintendent
- Approach a Human Resources Representative or member of the Management team when he or she visits your school site

1.9 Anti-Harassment Policy

At Aspire, we are committed to providing a work environment free of unlawful harassment. Aspire policy prohibits sexual harassment and unlawful harassment based on the following legally protected characteristics: race, color, creed/religion, sex, pregnancy (including childbirth, lactation and related medical conditions), age, national origin, ancestry, physical or mental disability, genetic characteristics (including testing), sexual orientation, veteran status, uniformed service member status or any other consideration made unlawful by federal, state, or local laws. Any such harassment will not be tolerated. This policy applies to all persons involved in the operation of Aspire, including but not limited to, supervisors, managers, other employees, students, students' family members, and vendors. See your state addendum for more information and policies specific to your state.

Sexual Harassment Defined

Applicable state and federal laws define sexual harassment as unwanted sexual advances, requests for sexual favors, or visual, verbal, or physical conduct of a sexual nature when: (1) submission to the conduct is made a term or condition of employment; or (2) submission to or rejection of the conduct is used as a basis for employment decisions affecting an individual; or (3) the conduct has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive working environment. This definition includes many forms of offensive behavior. The following is a partial list of examples:

- Unwanted sexual advances;
- Offering employment benefits in exchange for sexual favors;
- Making or threatening reprisals after a negative response to sexual advances;
- Visual conduct such as leering, making sexual gestures, or displaying sexually suggestive objects, pictures, cartoons, or posters, websites, emails, online postings, or text messages;
- Verbal conduct such as making or using derogatory comments, epithets, slurs, sexually explicit jokes, or comments about any employee's body or dress;
- Verbal sexual advances or propositions;
- Verbal abuse of a sexual nature, graphic verbal commentary about an individual's body, sexually degrading words to describe an individual, or suggestive or obscene letters, notes, or invitations;

- Physical conduct such as touching, assault, or impeding or blocking movements; and
- Retaliation for reporting harassment or threatening to report harassment.

It is unlawful for males to sexually harass females or other males, and for females to sexually harass males or other females. Sexual harassment on the job is unlawful whether it involves coworker harassment, harassment by a manager or supervisor, or harassment by persons doing business with or for Aspire including vendors, parents, guardians and volunteers.

Certain types of misconduct may be sexual harassment even though they have no sexual content and may not be gender-related.

Other Types of Harassment

Aspire also prohibits nonsexual harassment based upon any characteristic protected under state or federal law. Examples of harassing behavior include, but are not limited to, the following conduct:

- Verbal conduct such as threats, epithets, derogatory comments, or slurs;
- Visual conduct such as derogatory posters, photographs, cartoons, drawings, or gestures, websites, emails, online postings, or text messages;
- Physical conduct such as assault, unwanted touching, or blocking normal movement; and
- Retaliation for reporting harassment or threatening to report harassment.

Harassment Complaint Procedure

Aspire encourages you to report any incidents of harassment immediately so that your complaint can be quickly and fairly resolved. All incidents of harassment that are reported will be investigated. If you feel you have been harassed on the job or become aware of the harassment of others, you are welcome to inform the offender that this behavior is unwelcome. You should also make a written or verbal complaint to your Supervisor, Manager, Human Resources Representative, or any other member of management as soon as possible. Make your complaint as detailed as possibleby including

- the time, date and place of the incident;
- a description of the harassing behavior;
- the names of individuals involved and any witnesses;
- direct quotations of what you heard; and
- any other evidence (notes, pictures, cartoons, etc.).

When Aspire receives your complaint, we will

- conduct a timely, thorough and objective investigation;
- make a determination regarding the reported harassment;

- communicate it to the employee who made the complaint and to the accused harasser(s);
- if warranted, take appropriate disciplinary action up to and including terminating the employment of the harasser(s);
- take appropriate action to deter any future harassment;
- prohibit retaliation against an employee who complains of prohibited harassment or who participates in an investigation;
- take disciplinary action up to and including terminating the employment of an employee who makes an intentionally false allegation of harassment.

Please be aware that the Federal Equal Employment Opportunity Commission (EEOC) and various state agencies investigate and prosecute complaints of prohibited harassment, discrimination or retaliation in employment. If you believe you have been harassed, discriminated against or retaliated against for resisting or reporting harassment, you may file a complaint with the appropriate agency. The nearest office is listed in the telephone book and online at www.eeoc.gov..

Liability for Harassment

Any employee who engages in prohibited harassment is subject to discipline up to and including immediate termination of employment. An employee who engages in prohibited harassment may also be held personally liable for monetary damages.

See your state addendum for more information and policies specific to your state.

1.10 Policy Prohibiting Bullying and Intimidation

Aspire believes that all students have a right to a safe and healthy school environment. The district, schools and community have an obligation to promote mutual respect, tolerance and acceptance.

Aspire will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes, but is not limited to, direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

Aspire expects employees to immediately report incidents of bullying to the Principal or designee. Employees who witness such acts must take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period whether on or off campus, and during a school-sponsored activity.

1.11 Personnel Files

The information recorded in your personnel file is extremely important. It is your responsibility to make sure that the personal data in the file is accurate and up to date. Report any change of address, phone number, etc. to Aspire immediately.

Employees may inspect their personnel file in the presence of a representative of Aspire. Please contact your Supervisor to schedule a convenient time. You may request copies from your file of all documents. If you desire, you may add a written statement to your file explaining any disputed item.

Employees also may inspect their payroll records upon request, and may obtain a copy of these records at their own expense. Aspire will comply with all inspection requests within 21 calendar days, unless it is impossible to do so.

Access to information in personnel files is restricted. Only authorized managers and management personnel will have access to your personnel file. However, Aspire will cooperate with - and provide access to your personnel file to - law enforcement officials or local, state or federal agencies in accordance with applicable law.

Health/medical records are not included in your personnel file. These records are confidential. Aspire will safeguard them from disclosure and will divulge such information only 1) as allowed by law; or 2) to the employee's personal physician upon written request or permission of the employee.

2. EMPLOYMENT PROCESS

2.1 Job Postings, Promotion and Transfers

Aspire is committed to the professional growth and development of employees and to equal employment opportunity. When vacant or newly created positions become available, they will in most cases be posted on the Aspire Public Schools website, although exceptions to this policy may be authorized.

To apply for an open position, submit a current resume along with an Internal Application to the Recruiting team at jobs@aspirepublicschools.org. To be considered eligible for transfer or promotion, you must

- meet the minimum position qualifications and be able to perform the essential functions of the job with reasonable accommodations;
- have held your current position for at least six months; and
- be in good standing in your current position.

2.2 Credential Requirements

If you are a credentialed employee, you must meet certain requirements to become employed and to maintain continued employment.

See your state addendum for more information and policies specific to your state.

2.3 Employment Health Screening Process

All Aspire Public Schools employees must meet their state's requirements for health screening to become employed and to maintain continued employment.

All prospective employees undergo screening for tuberculosis (TB), and are required to complete a TB Risk Assessment Questionnaire and/or a PPD (TB) test dated within 60 days from their hire date. Every employment offer is contingent upon a TB status that is negative from an active infection. An employee will not be scheduled for work until the health screening is completed and cleared. TB Clearances are valid for four years from the date they are administered, at which time the employee will be required to obtain a new TB Risk Assessment Questionnaire and/or a PPD (TB) test and provide documentation demonstrating that the test was negative.

2.4 Fingerprinting, Background Check and Disclosure of Criminal Convictions

Aspire complies with all federal and state requirements for fingerprinting prospective employees prior to their beginning work. New hires must successfully complete the applicable background check process prior to their first day of work.

Following completion of the background check process, employees are required to comply with relevant federal and state laws regarding disclosure of criminal convictions. Teachers and administrators also are required to disclose convictions which would automatically revoke their licenses within five days of the conviction. Failure to report a conviction in accordance with federal and state laws and this policy may subject employees to criminal liability and/or may result in disciplinary action, up to and including termination of employment.

See your state addendum for more information and policies specific to your state.

3. EMPLOYEE POLICIES AND STANDARDS OF CONDUCT

3.1 Employment of Relatives

1. No one with supervisory responsibility will hire or recommend for hire any family member, defined as a parent, grandparent, spouse, domestic partner, significant other or individual with whom the employee is romantically involved, child, sibling, or any corresponding in-law, step-, adoptive relative, or anyone residing on a permanent basis in the Supervisor's home.

2. No employee will be directly supervised or evaluated by a family member as described in paragraph one of this policy. Additionally, family members may not be employed under the same immediate supervisor.

3. Employees hired prior to adoption of this policy are exempt from this guideline, except when the proximity of family members as described in paragraph one of this policy is deemed by the Aspire Public School Governing Board to be detrimental to the operation of Aspire Public Schools, or where the proximity of family members could create an actual or potential conflict of interest.

4. The hiring of family members as described in paragraph one of this policy is also prohibited if it results in a conflict of interest with vendors of the Aspire Public Schools.

5. In the event of a lack of candidates, a need for specialized skills, or unique circumstances, the restriction against hiring family members, as described in paragraph one of this policy, may be waived in the best interest of Aspire Public Schools upon recommendation of a member of the Senior Leadership Team accompanied by the approval of the General Counsel.

6. When other qualified candidates have not applied, task assignments of short duration (generally less than sixty working days), may be exempt from these guidelines.

3.2 Solicitation and Distribution

Aspire has established rules applicable to all employees and nonemployees that govern solicitation and distribution of written material and access to Aspire property. Strict compliance with these rules is required.

- Employees may engage in solicitation activities only during nonworking times. No employee shall solicit or promote support for any cause or organization during his or her working time or during the working hours of the employee or employees at whom such activity is directed;

- Employees may distribute or circulate any written or printed material only in non-work areas, during non-working times. No employee shall distribute or circulate any written or printed material in work areas at any time;

- Under no circumstances will nonemployees be permitted to solicit or to distribute written material for any purpose on Aspire property; and

- Off-duty employees are not permitted in work areas.

As used in this policy, "working time" includes all time for which an employee is paid and/or is scheduled to be performing services for Aspire; it does not include break periods, meal periods, or periods in which an employee is not performing and is not scheduled to be performing services or work for Aspire.

Exceptions to Solicitation Prohibition

Solicitation of monetary or other forms of contribution is permitted with the prior written approval of Human Resources only when the solicitation is in support of an effort that is directly related to the operation of the school or worksite, as, for example, holding a school fundraiser for a trip or for scholarships that can benefit any eligible student.

3.3 Aspire Bulletin Boards and Online Sites

Aspire bulletin boards and online company sites (e.g., MyAspire, school site websites, Aspire's Facebook page) are Aspire information channels. Employees are responsible for regularly checking and reading the bulletin boards and for following the rules, regulations and instructions posted there. All Aspire bulletin boards are official bulletin boards. Postings on bulletin boards are subject to approval and should be confined to matters that are related to school business.

3.4 Outside Employment

You may hold outside jobs as long as you meet the performance standards of your job with Aspire Public Schools. Please inform your Supervisor of any other employment commitments you have made. You will be judged by the same performance standards as other employees and expected to meet Aspire's scheduling requirements, regardless of any outside work. Outside employment that constitutes a conflict of interest is prohibited. To avoid potential conflicts, if you wish to engage in outside employment, you must submit a written request to Human Resources explaining the details of the outside employment. If authorization is given, Aspire will not assume any responsibility for the employee's outside employment. Specifically, Aspire will not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of such outside employment. Authorization to engage in such outside employment will be reviewed based on the individual circumstances involved and can be revoked at any time.

3.5 Whistle Blower Policy

We Encourage A Speak Up Culture

Choosing to speak up about workplace concerns helps builds a healthy, ethical and compliant company and is part of our culture. To promote that culture, Aspire encourages employees to speak up and raise questions and concerns promptly about any situation that may violate our Standard of Conduct, our Core Values or our policies. At Aspire, our people are our most valuable asset. It benefits all of us if we raise our concerns so Aspire may consider them carefully and address them properly.

Follow Aspire's Commitment to our Code and the Law

Aspire is deeply committed to promoting a culture of ethical conduct and compliance with

- our Code, Core Values and policies;
- the laws, rules and regulations that govern our business operations; and
- best practices in accounting, auditing and financial reporting matters.

We expect all of our employees, officers, directors and agents to follow this commitment in all aspects of their work.

Raise Good Faith Questions and Concerns About Conduct that May Violate our Code

Consistent with our commitment to ethics, compliance and the law, we welcome your good faith questions and concerns about any conduct you believe may violate our Code, especially conduct that may be illegal, fraudulent, unethical, or retaliatory. For purposes of this policy, and because our Code captures standards of ethics and compliance at a broad level, references to our "Code" should be read to encompass all of our obligations to perform our jobs in a manner that is consistent with Aspire's policies and procedures, as well as applicable laws. We promote an environment that fosters honest, good faith communications about matters of conduct related to our business activities, whether that conduct occurs within Aspire, involves one of Aspire's contractors, suppliers, consultants, or clients, or involves any other party with a business relationship to Aspire.

Nothing in this Handbook prohibits an employee from reporting concerns to, filing a charge or complaint with, making lawful disclosures to, providing documents or other information to or participating in an investigation or hearing conducted by the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency charged with the enforcement of any laws.

Other parts of this Handbook address the confidentiality of Aspire's trade secrets and other proprietary information. (See Section 3.11.) You should note that in raising any questions or concerns you may have about potentially illegal conduct, pursuant to the 2016 Defend Trade Secrets Act (DTSA), no individual will be held criminally or civilly liable under federal or state trade secret law for disclosure of a trade secret (as defined in the Economic Espionage Act) that is: (A) made in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and made solely for the purpose of reporting or investigating a suspected violation of law; or, (B) made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal so that it is not made public. An individual who pursues a lawsuit for retaliation by an employer for reporting a suspected violation of the law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal, and does not disclose the trade secret, except as permitted by court order.

Aspire Does Not Tolerate Retaliation

Coming forward with questions or concerns may sometimes feel like a difficult decision, but Aspire is committed to fostering an environment that does not deter individuals from speaking up when they observe conduct that may violate our Code. For that reason, Aspire will not tolerate retaliation of any kind because an employee in good faith raises a question or concern about a violation or suspected violation of our Code, our policies, or the laws and regulations under which we do business, or because the employee participates in or cooperates with an investigation of such concerns.

Retaliation is any conduct that would reasonably dissuade an employee from raising, reporting or communicating about good faith concerns through our internal reporting channels or with any governmental authority (e.g., EEOC or Department of Labor), or from participating in or cooperating with an investigation or legal proceeding raising such concerns.

Retaliation may occur through conduct or written communication and may take many forms, including actual or implied threats, verbal or nonverbal behaviors, changes to the terms or conditions of employment, coercion, bullying, intimidation, or deliberate exclusionary behaviors.

The following are examples of potential retaliation Aspire prohibits:

- Adverse employment action affecting an employee's salary or compensation;
- Demotion, suspension, or termination of employment;
- Taking away opportunities for advancement;
- Excluding an employee from important meetings;
- Threatening an employee who has made a report;
- Directing an employee who has made a report not to report to outside regulators;
- Deliberately rude or hostile behaviors or speech; and
- Creating or allowing the creation of a work atmosphere that is hostile toward an employee who has reported a concern.

It is Aspire's policy to adhere to all applicable laws protecting our employees against unlawful retaliation or discrimination as a result of their raising good faith questions or concerns. If you are ever aware of an instance or threat of retaliation directed at you or another employee, please immediately report it.

How to Raise Questions and Concerns

Employees can submit their good faith questions or concerns about conduct they believe may violate our Code, our policies, or the laws and regulations under which we do business to

- their Supervisor or Manager;
- any Aspire leader;
- Human Resources;
- Legal; or
- General Counsel.

When an employee raises a concern, Aspire will maintain confidentiality to the fullest extent possible, consistent with applicable legal requirements and the need to conduct an adequate investigation or review.

When raising concerns, we ask that employees provide as much detailed information as possible, including the background and history of the concern, names, dates and places where possible, and the reasons why the situation is cause for concern. This is especially important for concerns raised anonymously, so that Aspire may conduct an appropriate review and if necessary, begin an investigation.

Please note as well that Aspire does not prohibit anyone from electing to report concerns to, make lawful disclosures to, provide documents or other information to or communicate with the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency about conduct believed to

violate laws or regulations. Aspire also does not prohibit employees from participating in an investigation or proceeding conducted by one of these agencies.

What Aspire Will Do

Aspire is committed to reviewing all reported concerns, conducting proper, fair and thorough investigations tailored to the circumstances, and taking appropriate remedial and concluding steps as warranted. All action taken by Aspire in response to a concern will necessarily depend on the nature and severity of the concern. This may include initial inquiries and fact-gathering to decide whether an investigation is appropriate and, if so, the form and scope of the investigation. Note that an investigation into concerns raised is not an indication that they have either been confirmed or rejected. Aspire complies with the law in conducting investigations and expects that employees will cooperate with an investigation, except when voluntary compliance with an investigation is being requested. Aspire also expects that employees will provide truthful information when participating in an investigation.

Remember, all good faith concerns and reports raised under this policy will be taken seriously.

Adherence to This Policy

Employees who believe that they have been subjected to any conduct that violates this policy may register a complaint using the procedures outlined above. Any employee who unlawfully discriminates or retaliates against another employee as a result of his or her protected actions as described in this policy may be subject to corrective action, up to and including termination of employment.

3.6 Media Contact

To ensure that Aspire communicates with the media in a consistent, timely and professional manner about company matters, we ask that you do not respond to media inquiries on Aspire's behalf without authorization. You should notify the Director of Communications, Vice President of Advancement, or your Area Superintendent that you have been contacted by the media whenever you are asked to speak on behalf of Aspire so that Aspire knows that a media inquiry has been made. This rule does not prevent you from speaking with the media, but you should not attempt to speak on behalf of Aspire unless you have specifically been authorized to do so by the Director of Communications.

3.7 Child Abuse Reporting

Aspire Public Schools is committed to the well-being and safety of all of our students. We are very strict about the required reporting of suspected child abuse. **See your state addendum for more information and policies specific to your state.**

3.8 Professional Boundaries with Students

Purpose

These policies are intended to guide you in conducting yourself in a way that reflects the high standards of behavior and integrity required of employees at Aspire Public Schools.

Professional Boundaries

This policy and the examples are intended to specify the boundaries between students and other individuals employed by or associated with Aspire. Crossing the boundaries of a student/employee relationship is deemed an abuse of power and a betrayal of public trust. Although this policy provides direction, it is your obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. Some activities that may seem innocent from your perspective might be perceived as flirtation or sexual insinuation from the viewpoint of a student or parent. One simple standard is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me, or, if I knew it was going to be on the front page of the paper?"

It is important that you understand your responsibility for ensuring that you do not cross the boundaries discussed in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. We recognize there are certain parts of this policy that may not apply if you are a parent of a student, or are employed in certain positions, such as a school counselor.

Examples of Inappropriate Behaviors

The following behaviors are examples of violations of this policy:

- Giving gifts to a student that are of a personal and intimate nature.
- Any type of unnecessary physical contact with a student in a private situation.
- Kissing of any kind.
- Intentionally being alone with a student away from the school.
- Making or participating in sexually inappropriate comments, including sexual jokes, texts, emails or other communication.
- Seeking emotional involvement with a student for your benefit, including discussing inappropriate personal troubles or intimate issues with a student.
- Becoming involved with a student in such a way that a reasonable person may suspect inappropriate behavior.
- Allowing students in your home (unless you are a parent of a student and have personal relationships with the other parent families).
- Sending emails, text messages or letters to students with messages unrelated to school activities or assignments.
- Inviting students to join social networks or being "friended" by students is highly discouraged. You will be held responsible if students are thereby exposed to inappropriate or unprofessional content, including words or pictures. Refer to Section 3.9, Social Media, below for more guidance.

Examples of Cautionary Behaviors

These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their Supervisor of the circumstance and occurrence prior to or immediately after the occurrence.

- Being alone in a room with a student at school with the door closed.
- Giving students a ride to/from school or school activities.
- Excessive attention toward a particular student.

Examples of Appropriate Behaviors

- Interaction with students, including through the use of electronic media or technology, where the message is limited to school assignments and activities.
- Keeping after-class discussions with a student professional and brief.
- Keeping the door open when meeting alone with a student.
- Asking another staff member to be present when you must be alone with an emotional student.
- Keeping reasonable space between you and your students. Stopping and correcting students if they cross your own personal boundaries.
- Giving students praise and recognition without hugging. Pats on the back, high fives and handshakes are acceptable.
- If you are waiting with students to be picked up, bringing the last remaining student to a main public waiting area.
- Getting school and parental written consent for any after-school activity, or to take students off school property for activities such as field trips or competitions.
- Keeping parents informed when a significant issue develops about a student.
- Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries.
- Informing your Supervisor/Principal about conflicts with students or situations that have the potential to become more severe.
- Making detailed notes about an incident that could evolve into a more serious situation later.
- Recognizing the responsibility to stop and report unacceptable behavior of students or coworkers.
- Keeping your ethical conduct a high priority.
- Asking yourself if your actions are worthy of your job and career.

3.9 Social Media

Social media can mean many things, including all means of communicating or posting information or content of any sort on the Internet, whether or not associated or affiliated with Aspire, including to your own or someone else's social networking site, such as Facebook, Instagram or LinkedIn; blogs and other online journals, diaries, opinion pages, and public profiles; personal web site; bulletin boards and chat rooms; micro-blogging, such as Twitter; and the posting of video on YouTube and similar media, as well as any other form of electronic communication. Social networking also includes permitting or not removing postings by others where a staff member can control the content of postings, such as on a personal profile or blog.

Aspire recognizes that you may use social media off-duty or as a part of your work. Use of social media presents certain risks and carries with it certain responsibilities. To assist you in making responsible decisions about your use of social media, Aspire has established these guidelines for appropriate use of social media. (See also Section 3.3, Aspire Bulletin Boards and Online Sites.)

Guidelines

- The same principles and guidelines found in Aspire's policies and Core Values apply to your activities online, including but not limited to those policies that pertain to Workplace Violence, Harassment, Staff/Student Interaction, and Standards of Conduct. Ultimately, you are solely responsible for what you post online. Before creating online content, consider some of the risks and rewards that are involved.

- Any unauthorized disclosure, use, and dissemination of personal information regarding minors is forbidden and may result in disciplinary actions, including termination of employment.

- Keep in mind that any of your online conduct that adversely affects your job performance, or the performance of fellow employees, may result in disciplinary action up to and including termination of employment. Additionally, employees may be asked to remove any content that does not meet the rules and guidelines of this policy and/or that may be unlawful.

First, Be Thoughtful

1. Understand that what you think is private in the online world often has the possibility of becoming very public—without your knowledge or consent. Carefully review your privacy settings or establish separate accounts for private personal use and work.

2. Recognize that as a public employee, your conduct could mistakenly be viewed by others as representing your school, even when you're using your personal account. The power of social networking is that these sites instantly connect you with colleagues and anyone associated with the people or institutions you list.

3. Take time to reflect before you post; once you post content, you usually cannot pull it back.

4. If you have connected with, or "friended", students on a social networking site, consider removing the connections, as it is difficult to control the content from you and others on your social profile that the students are able to view.

5. Maintaining online connections with students can also put other colleagues in your social networks at risk, because the students with whom you are connected may be able to read your colleagues' posts.

6. If you're concerned about the implications of removing "friends," include a message that explains you are doing so in response to a new school policy.

Tips When Off Duty

Be mindful that your postings, even if done off-premises and off-duty, could have an adverse effect on you, Aspire and its stakeholders, fellow employees, students, families and the communities we serve. Use the following guidelines when using social media off-duty:

1. Express only your personal opinions. Never represent yourself as a spokesperson for Aspire, unless you have been authorized to do so by the Director of Communications. If the content you are posting endorses Aspire's products or services, be clear and open about the fact that you are an employee and make it clear that your views do not represent those of Aspire. If you do publish a blog or post online related to the work you do or subjects associated with Aspire, make it clear that you are not speaking on behalf of Aspire if that will not be obvious from the content or context of your posts. It is best to specifically post "#notanofficialspokesperson" or state "The postings on this site are my own and do not necessarily reflect the views of Aspire."

2. You are strongly discouraged from inviting students and families to join social networks or to be "friended" by students. Insofar as such behavior occurs, exercise good judgment about any content that is shared on the site, as you will be held responsible for any exposure/access by students and families to content, including words or pictures, that violates this policy or any other Aspire policy.

3. Never disclose Aspire's confidential information as defined in Section 3.9 ("Property") of the Employee Handbook, including Confidential Information, or content about students, even if not directly named.

4. Do not post pictures of students or share student information, including grades, on social media sites.

5. Keep in mind that bloggers and commentators are personally responsible for their content on blogs and social networking sites and can be held personally liable for commentary that is considered maliciously false, obscene, or confidential by any third party.

Tips When On Duty

When you engage in social networking, please keep in mind that we have spent substantial time and resources building Aspire's reputation and goodwill. Use the following guidelines when using social media for purposes of performing your job responsibilities:

1. Social networking for personal purposes should not be conducted while you are on working time.

2. Social networking sites can be used to add value to our instructional efforts. Content should be relevant and help achieve Aspire's purposes or goals.

3. Be professional. Review Aspire's Mission Statement as well as its five Core Values (Purposefulness, Quality, Collaboration, Customer Service, and Ownership) to help guide expectations of professional judgment and communication when expressing your opinions in connection with your performance of your job responsibilities.

4. Use group sites or pages whenever possible to connect with students or families for student-generated content.

5. Only post approved photographs of staff and students. Appropriate permissions for public use must be obtained and will be held by Aspire.

6. Don't disclose Aspire's confidential information as defined in Section 3.10 ("Property") of thisHandbook.

7. Do not comment as an Aspire representative on anything related to legal matters, litigation, or any parties to litigation involving Aspire without the appropriate approval.

8. You are reminded that you should have no expectation of privacy while using company equipment or facilities for any purpose at any time, including authorized blogging and other social media activity. Your public postings may be subject to review by anyone, including Aspire.

Duty to Report and Prohibition Against Retaliation

We all have a shared responsibility to ensure the safety of staff and students. Aspire policies and classroom guidelines, along with state and federal laws regarding educational privacy, apply in online settings. If you believe that anyone is violating this policy, it is your responsibility to speak up. Please submit any complaints to your School Administrator or Human Resources. All reports shall be as confidential as possible under the circumstances, in accordance with applicable law. It is the duty of the administrator to investigate and thoroughly report the situation.

Aspire prohibits taking adverse action against any employee for reporting a possible violation of this policy or for cooperating in an investigation of a violation of this policy. Any employee who retaliates against another employee for reporting a possible violation of this policy, or for cooperating in an investigation regarding a violation of this policy, will be subject to disciplinary action, up to and including termination of employment.

These guidelines will continually evolve as new technologies and social networking tools emerge, so please review them on a regular basis. If you need clarification of any aspect of these guidelines, contact your Principal or your Human Resources representative.

3.10 Employment Verification and References

Aspire policy permits the Human Resources Department to provide official references by verifying only the dates of employment and title of the last position held for current and former employees. No other Supervisor, Manager, Director, or employee is authorized to release official reference information, so all requests for official references on behalf of Aspire must be forwarded to the Human Resources Department. Current or former employees requesting verification of employment or their salary or wages must put their authorization in writing and submit it to the Human Resources Department. No additional information will be provided in response to an official request for a reference.

3.11 Property, Including Business Confidential Information

To avoid loss of Aspire property, Aspire has safety plans that specifically set out rules and procedures for maintaining control of entrances, exits andrestricted areas, and other related security issues. You are expected to abide by these specific regulations and good security practices in general.

Aspire property includes not only tangible property like desks and laptops, but also intangible property such as information, including student records and grades. This information is one of Aspire's most important assets. Given the nature of the work we do here at Aspire, protecting business proprietary and confidential information is essential. All employees share responsibility to ensure that proper security of information is maintained at all times.

In the service of Aspire's mission, Aspire may share otherwise proprietary information (e.g., best practices) with other schools and outside parties. If you receive a request from an outside party for either paper or electronic copies of Aspire documents, you may provide documents that have been prepared specifically for publication and dissemination. Otherwise, you should direct the request to the Home Office or Aspire's Chief Operating Officer in order to seek approval from the appropriate person before disseminating documents.

Business Confidential Information

Confidential information is defined as Aspire's proprietary information, trade secrets and sensitive information.

"Confidential Information" refers to a piece of information, or a compilation of information, in any form (on paper, in an electronic file, or otherwise), related to Aspire's business that Aspire has not made public or authorized to be made public, and that is not generally known to the public through proper means.

The following are examples of Confidential Information:

- Student information, lists, cumulative files, health files and Individual Education Plans;
- Employee health and medical records;
- Financial and marketing data;
- Process descriptions, research plans, formulas and trade secrets;
- Business plans and methods;
- Databases;
- Systems;
- Intellectual property;
- Projections and financing methods;
- Methods of competition;

- Cost of operations and other accounting information;
- Marketing strategies;
- Projects and proposals;
- Research, development and inventions; and
- Technological prototypes.

Confidential business information shall not be deemed to include any information otherwise generally available to the public (other than as a result of an unauthorized disclosure) or information like wages, job descriptions and other items relating to terms and conditions of employment (with the exception that employees are not authorized to disclose any compilation of such information obtained in the course of their employment at Aspire).

Additionally, employees who by virtue of their performance of their job responsibilities have the following information should not disclose such information for any reason, except as required to complete job duties, without the permission of the employee at issue: social security numbers, driver's license or resident identification numbers, financial account, credit or debit card numbers, or security and access codes or passwords that would permit access to medical, financial or other legally protected information.

Federal law provides that student information may not be disseminated except under certain limited conditions. (Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. §1232g, 34 CFR Part 99). Employees are subject to appropriate discipline up to and including termination of employment for knowingly or unknowingly revealing confidential information as defined above.

Further , employees are hereby notified that under the 2016 Defend Trade Secrets Act (DTSA): (1) no individual will be held criminally or civilly liable under federal or state trade secret law for the disclosure of a trade secret (as defined in the Economic Espionage Act) that: (A) is made in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and made solely for the purpose of reporting or investigating a suspected violation of law; or, (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal so that it is not made public; and, (2) an individual who pursues a lawsuit for retaliation by an employer for reporting a suspected violation of the law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document contain the trade secret under seal, and does not disclose the trade secret, except as permitted by court order.

Obligations on Termination

When your employment with Aspire Public Schools ends or at any time upon request, you must return all Aspire documents, computer records and other Aspire property in your possession or control. These items may include, but are not limited to, the following:

- Computer equipment and software;
- Professional books and binders received during training;
- Dictionaries and other reference materials;

- Textbooks, leveled books, classroom books, library books and consumable workbooks;

- Bulletin boards, posters, office supplies, etc.

This is true regardless of purchase method; that is, furniture, equipment and supplies are Aspire property regardless of whether they were purchased directly using a purchase order or credit card, or purchased by the employee but later reimbursed by Aspire through its expense reimbursement process.

3.12 Technology Use and Privacy

Aspire provides various Technology Resources to assist you in performing your job duties for Aspire. Each employee has a responsibility to use Aspire's Technology Resources in a manner that increases productivity and complies with the law and Aspire policy. Failure to follow applicable law as well as Aspire's policies regarding its Technology Resources may lead to disciplinary measures, up to and including termination of employment.

Technology Resources consist of all electronic devices, software and means of electronic communication including, but not limited to, the following:

- Computers (desktops, laptops, workstations, mini- and mainframe, iPads);

- Peripheral equipment such as printers, modems, fax machines, copiers, and removable storage devices;

- Computer hardware such as disk drives and tape drives;

Employees whose job performance will benefit from the use of Aspire's Technology Resources will be given access as appropriate and necessary. Additionally, employees may be required to successfully complete Aspire-approved training before being given access to Aspire's Technology Resources.

Aspire's Technology Resources are to be used primarily for conducting Aspire business during working time. You may, however, use Aspire's Technology Resources for limited personal use during working time. Personal use should take place outside working time, including break time, whenever possible. All personal use must comply with Aspire rules and applicable law.

Employees have no right to privacy in their business or personal use of Aspire electronic equipment and Aspire reserves the right to review all such use at any time for any business reason. Aspire assumes no responsibility or liability for the following:

- Loss, damage, destruction, alteration, disclosure, or misuse of any personal data or communications transmitted over or stored on Aspire's Technology Resources;

- Loss or non-delivery of any personal electronic mail or voicemail communications or any personal data stored on any Aspire property;

Aspire is aware that employees use electronic mail for correspondence less formal than written memoranda. However, you should not let informality become prohibited use. The following are some examples of prohibited behavior:

- Sharing unlawfully discriminatory, harassing, explicit, obscene, threatening or violent messages, jokes, or cartoons;
- Unauthorized use of copyrighted materials;
- Disclosing confidential business or proprietary information of Aspire or third parties;
- Seeking personal or financial gain; or
- Any other purpose that is illegal, or violates any Aspire policy.

Privacy

All messages sent and received, including personal messages, and all data and information stored on Aspire's electronic mail system, voicemail system, or computer systems are Aspire property regardless of the content. Aspire reserves the right to monitor and access all of its Technology Resources including its computers, voicemail and electronic mail systems at any time and for any reason, in its sole discretion. As such, you should understand that you have no right of privacy with respect to use of Aspire electronic equipment, including, but not limited to, any messages or information created or maintained on Aspire's Technology Resources, including personal information or messages. Even if you use Aspire equipment to access your own personal email account, these communications may be stored on Aspire equipment. To the extent the communications are stored on Aspire equipment, Aspire may access, monitor and review such items for any business reason in compliance with applicable law.

Some of Aspire's Technology Resources are password-protected to prevent unauthorized access to information, and not to provide any right of privacy to employees. You are expected to maintain your passwords as confidential, not to share passwords and not to access coworkers' systems without permission.

Aspire Property and Information

Aspire is very sensitive to the issue of protecting the confidential and proprietary information of both Aspire and third parties. You are expected to use good judgment and to adhere to the highest ethical standards when using or transmitting Confidential Information, as defined above in Section 3.9, Property, Including Confidential Information, on Aspire's Technology Resources.

Confidential Information should not be accessed through Aspire's Technology Resources in the presence of unauthorized individuals or from devices not authorized by Aspire. Similarly, Confidential Information should not be left visible or unattended. All Confidential Information transmitted via Technology Resources should be marked with the following confidentiality legend: "This message contains confidential information. Unless you are the addressee (or authorized to receive for the addressee), you may not copy, use, or distribute this information. If you have received this message in error, please advise [sender's name] immediately at [sender's telephone number] or return it promptly by mail."

All software in use on Aspire's Technology Resources is officially licensed software. Before loading, transferring or copying any software from an Aspire Technology Resource to another computer or device, you must request permission and receive written authorization from the IT Administrator.

Aspire has installed a variety of programs and devices to ensure the safety and security of Aspire's Technology Resources. Aspire may perform auditing activity or monitoring to determine compliance with these policies. Audits of software and data stored on Aspire's Technology Resources may be conducted without warning at any time. Any employee found tampering or disabling any of Aspire's security devices will be subject to discipline up to and including termination of employment.

3.13 Professional Development and Performance Review

At Aspire, we encourage the professional development of all employees. If you are an educator, Aspire provides summer training before the start of the school year, on-site coaching and modeling throughout the school year, day-to-day instructional leadership and access to external workshops. Extensive training and attentive mentorship cultivate additional skills. For employees who are not educators, Aspire provides you with periodic formal and topical training sessions as well.

All supervisors are strongly encouraged to facilitate Professional Develop Discussions with each employee as part of an ongoing, year-round development process. These reviews may be formal or informal, and verbal or written. The purpose of the review is to support you in your role. Outside of annual reviews, the role of the supervisor is to give timely feedback throughout the year.

In addition, Aspire encourages employees to pursue external professional development opportunities such as workshops or additional certifications. Aspire may cover the cost of this professional development, or may provide current employees with financial assistance in the form of Tuition Reimbursement as part of its benefits package. We encourage you to talk with your immediate supervisor about additional development opportunities and specific career paths. Aspire pays nonexempt employees for time spent attending required development courses and trainings in accordance with applicable law.

3.14 Attendance and Punctuality

Regular attendance and punctuality are important factors in your ability to do your job effectively and are requirements for employment at Aspire Public Schools. Excessive absenteeism, tardiness, or not adhering to requirements of the attendance and leave policies, may result in corrective action, up to and including termination, unless the reason for the absence or tardiness is legally protected or otherwise excused. In addition, Aspire will assume you have voluntarily resigned if you are absent three consecutive workdays without authorization or notice to your Supervisor, unless the reason is legally protected.

You are expected to call your Supervisor or Principal as far in advance as possible when you will be late or absent. The minimum call-in requirement is two hours before your scheduled start time, but your Supervisor or Principal may establish more stringent requirements as needed.

If your Supervisor is not available when you call, follow your school or department's pre-established instructions. You must call in for each day of your absence unless your Supervisor gives you different instructions. Calls made by friends, relatives, or another employee to your Supervisor will not be considered proper notification, unless you are incapable of communicating directly. Messages left with someone other than your Principal, Supervisor or other designated person is unacceptable.

3.15 Personal Appearance

Aspire Public Schools strives to maintain a professional atmosphere, which is achieved partly through the image employees present to our students, students' families, visitors and communities. As such, Aspire expects that your grooming, hygiene and dress will be appropriate to the work area and work performed. If your department or school has dress requirements specific to your position, your Supervisor or Principal will discuss them with you. While Principals and Department Directors are responsible for maintaining their school's or department's grooming standards, good personal hygiene and cleanliness of attire is mandatory and is your responsibility. Here are some guidelines:

- Clothing and Jewelry: You should wear clean, pressed work attire that is appropriate for your job duties. A general rule to follow is to groom and dress within the standards normally observed in business and educational communities.

- Scents and Odors: Some students and employees may be sensitive to strong perfumes, colognes, or odors. In order to maintain a respectful workplace where consideration is shown for the health and comfort of students and fellow employees, you are asked to wear scents in moderation.

- Casual Dress Days: One day a week may be set as casual dress day at the discretion of the location or department leadership. Aspire or college-themed clothing is encouraged. General appearance and attire must still present a professional, business-casual image.

It is your Supervisor's responsibility to determine if your dress and hygiene meet location standards. If they do not, you may be asked to go home and change. Nonexempt employees will not be paid for the time taken off for this purpose. Repeated noncompliance with the dress and hygiene standards may result in corrective action, up to and including termination of employment.

If you have questions about this policy, direct them to your Supervisor, Principal or the Human Resources Department.

Religious, Pregnancy, Medical and Disability Accommodations

Aspire will reasonably accommodate exceptions to this policy if required due to an employee's religious beliefs, pregnancy, medical condition or disability. Employees who need such an accommodation must contact their Supervisor or Human Resources.

3.16 Personal Phone Calls and Cell Phone Usage

Aspire issues or pays for individual cellular phones for employees who are required to be in close contact with the school or office at all times. While cell phones are a necessary convenience of the business world, we require that our employees follow the guidelines listed below on appropriate use for the safety of themselves and others.

All employees are required to be professional and conscientious at all times when using Aspire-isued or personal cell phones during work hours. Senior Leadership Team members, Principals, Directors and employees requiring a cell phone due to the nature of their role are eligible for Aspire-isued cell phones. For employees in these positions, requests should be addressed in the hiring process and approved by the employee's Manager or Supervisor. Requests for cell phones coming from managers and supervisors can be sent directly to askus@aspirepublicschools.org.

Once the request has been made, a team member will follow up with next steps on the order and process.

Aspire Public School's corporate contract with Verizon offers options for free phones with no cost to either the organization or the employee. Should a request be made for a newer type of phone, there will be a cost to the employee for this phone. In that case, once an order for a new phone is confirmed, the final price will be sent to the employee and they will be requested to issue a check to Aspire Public Schools for this amount.

Usage

It is Aspire Public Schools' policy that employees of our organization who are issued a cellular phone understand the phones are issued for business use. Cell phone bills and usage are monitored monthly and employees may be contacted for additional questions on usage. Possible disciplinary action may arise from misusage of your cell phone service.

If you are not issued an Aspire cell phone you are discouraged from using your own personal cell phone for business use. For example, teachers should avoid giving out their personal cell phone numbers to students or parents but instead provide their work/school assigned telephone number. Every employee is assigned their own office telephone number and any telephone messages left for you are sent to you email inbox via VOIP to be accessed at any time. Any messages left on your voice mail inbox are accessible through your work email.

Personal cell phone use is not permitted during working time. Cell phones should be turned off or turned on a silent/meeting answer mode while employees are working. Employees using their personal cell phones while on their meal or rest break should not be in work areas or in areas where their conversation would be disruptive to the study or work of others.

This subsection ("Usage") applies to employees who began employment with Aspire in or after April 2016.

Lost, Damaged, or Stolen Cellular Phones

Our corporate contract with Verizon **does not** include cellular phone insurance, so employees should make every effort to protect and look after their Aspire-isued cellular phones. In the event your phone is lost, damaged, or stolen, please submit a request to askus@aspirepublicschools.org for next steps.

Leaving Aspire?

Upon termination of your employment, you must return your Aspire-issued phone or any phone that is paid for by Aspire to the TechOps team at the Home Office where it can be re-issued to another staff member or e-wasted if deemed necessary. All cellular phones paid for by an employee may be kept by the employee. Cellular phone service dedicated to an existing employee will be shut off immediately following the last day of employment with Aspire.

Driving

Aspire has a zero tolerance policy regarding the improper use of a cell phone while driving:

- For the safety of our employees and others, it is imperative that you either pull over and stop at a safe location to dial, receive or converse on the cell phone, or you must utilize the hands-free option on the cell phone or a headset/earpiece device.

- Sending, writing, or reading text-based communications on your cell phone while driving an Aspire vehicle or a personal vehicle on Aspire time is prohibited.

- Absolutely no texting while driving is allowed.

- Violation of this policy will result in disciplinary action up to and including termination of employment.

Certain states have specific rules regarding use of electronic equipment while driving. If an employee receives a traffic citation for violation of the law, the employee will be responsible for all fines and other liabilities.

Personal Telephone Calls and Texting

The use of personal cell phones for placing or receiving calls, sending or receiving text messages, checking voicemail, or any other form of communication should be made and received during non-work times.

As mentioned earlier in this policy, you are discouraged from using your own personal cell phone for business use.

This subsection ("Personal Telephone Calls and Texting") applies to employees who began employment with Aspire in or after April 2016.

Aspire Public Schools reserves the right to amend or alter the terms of this policy.

4. PAYROLL POLICIES

4.1 Payroll Classifications

All employees of Aspire fall into certain legally recognized payroll classifications. You should be aware of which classification(s) may apply to your position, as this affects conditions of your employment such as eligibility for overtime and company-sponsored benefits. If you have questions, submit them to your Supervisor or Human Resources.

Nonexempt

Nonexempt employees are classified under state and federal wage and hour regulations as eligible for overtime wages in compliance with applicable federal and state law. Nonexempt employees are paid an hourly wage and must record their hours worked.

Exempt

Exempt employees are classified under state and federal wage and hour regulations as ineligible for overtime wages. Exempt employees are generally paid a salary.

Regular Full-time

Regular full-time employees are those who are normally scheduled to work and do generally work 30 hours or more per week. Regular full-time employees are eligible for company-sponsored benefits if they meet all eligibility requirements.

Regular Part-time

Regular part-time employees are those who are normally scheduled to work and do generally work fewer than 30 hours per week. Part-time employees are generally not eligible for company-sponsored benefits, unless otherwise required by applicable law or applicable plan documents. However, part-time employees who are regularly scheduled for between 20 and 29 hours per week, and who have worked for at least one year at 30 or more hours per week, may be eligible for some benefits on a pro-rated basis (see below) in accordance with Aspire policy and applicable law.

Part-Time Benefited

Part-time Benefited employees who have been employed by Aspire for at least one year as a full-time employee, and who then drop to .5 FTE or greater (20 or more hours) generally are eligible for the same insurance benefits as Regular full-time employees, at a slightly higher cost. Paid Time Off benefit will be reduced to 50% of FTE. Notwithstanding, if required by applicable law, sick time will accrue at a rate of 1 hour for every 30 hours worked for nonexempt (hourly) employees. If required by applicable law, sick time will accrue at a prorated rate based on FTE for exempt employees.

Temporary

Temporary employees are employed for short-term assignments to supplement the workforce, complete special projects, or serve as interim replacements. Short-term assignments will generally be for a period of six months or less. Temporary employees are not eligible for benefits except for those legally mandated.

Substitute

Substitute employees work only on an "as needed" basis, and are not eligible for benefits except for those legally mandated.

4.2 Wage and Hour Policies

Workweeks

Aspire Public Schools operates on a seven (7) day workweek beginning at 12:01 a.m. Sunday morning and ending at midnight Saturday. The normal full-time work schedule is forty (40) hours in a workweek. Alternative schedules may be available for certain positions and in accordance with applicable law. Overtime may be required from time to time, but must be previously authorized.

Work Schedules

Scheduling is done according to the needs and requirements of the particular school or location. Your Supervisor will assign your individual work schedule. From time to time, an employee's work schedule may require changes to meet business requirements. Should this become necessary, your Supervisor will give you reasonable advanced notice of your new schedule.

Aspire expects you to be at your work station at the start of your scheduled shift and ready to perform your work. If you are not, you are considered tardy.

Recording Work Time and Time Off

Your Supervisor or Principal will advise you how to record your work hours for payroll purposes. A time sheet is a legal document that must accurately show attendance for exempt employees and actual hours worked for nonexempt employees on a daily basis. Recording another employee's information without proper authorization or falsifying any information will result in discipline, up to and including termination of employment.

Nonexempt employees record hours worked by using either the time card and Replicon clock system or time sheets, as directed by their Supervisor. A nonexempt employee's arrival, departure and meal break times must be recorded accurately.

When an employee receives a paycheck, he or she should verify immediately that all working time was recorded accurately and that the total pay reflects all hours worked as well as all compensated time off. Any errors on an employee's timecard should be reported immediately to the employee's Supervisor, who will correct legitimate errors.

Nonexempt employees should not work any time that is not authorized by their Supervisor. Nonexempt employees are prohibited from working "off the clock" (i.e., without reporting the time worked). An employee should not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless the employee is directed to do so. If an employee has any questions about when or how many hours the employee is expected to work, he or she should contact a supervisor or Human Resources.

It is a violation of Aspire's policy for anyone to instruct or encourage another employee to work "off the clock," to incorrectly report hours worked, or to alter his or her own or another employee's time records.

If anyone directs or encourages an employee to incorrectly report the total hours worked, or to alter another employee's time records, the employee should report the incident immediately to a supervisor or Human Resources. Working "off the clock" or directing another employee to do so may result in discipline up to and including discharge.

Exempt Employees

An exempt employee must be paid on a salary basis. Being paid on a "salary basis" means an employee regularly receives a predetermined amount of compensation each pay period, which cannot be reduced because of variations in the quality or quantity of the employee's work. In general, an exempt employee will receive his or her salary for any week in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees are required to report full days of absences from work due to vacation, sick leave, personal business, etc.

However, an exempt employee will not be paid for days not worked in the following circumstances:

- When an exempt employee takes one or more full days off for personal reasons other than sickness or disability, the employee will not be paid for such day(s) of absence, but the employee may use available vacation time to make up for the reduction in salary;

- When an exempt employee takes one or more full days off from work due to sickness or disability, the employee will not be paid for such day(s) of absence, but the employee may use available sick time to make up for the reduction in salary;

- When an exempt employee works only part of the week during his or her first and last week with Aspire, the employee will be paid only for the days actually worked; and

- When an exempt employee takes unpaid leave under the Family and Medical Act and corresponding statutes, Aspire will not pay for such days/hours of absence.

An exempt employee's salary will not be reduced due to service as a juror, witness, or for lack of work.

Meal and Rest Breaks

Aspire provides meal and rest breaks in accordance with applicable laws. It is Aspire's policy to comply with all laws regarding meal and rest breaks.

If an employee works in a state where there are no applicable meal or rest break requirements, Aspire will provide break time as appropriate, subject to operational needs and supervisor discretion. Aspire does not contract to provide such break time in these states.

Any rest breaks of short duration (lasting between five and 20 minutes) will be counted as "hours worked" and paid accordingly. Meal breaks lasting 30 minutes or more are not considered "hours worked" for purposes of federal law and will not be paid for nonexempt employees. Nonexempt employees are required to clock out for any break of 30 minutes or more.

Employees must be completely relieved from work duties during any unpaid meal break. Nonexempt employees must record the beginning and ending time of their meal breaks each day on their time records.

See your state addendum for more information and policies specific to your state.

Lactation Accommodation Policy

Aspire will provide a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee's child. The lactation break time, if possible, should run concurrently with scheduled rest breaks and meal periods already provided to the employee. If the lactation break time cannot run concurrently with rest and meal periods already provided or additional time is needed for the employee, the lactation break time will be unpaid for nonexempt employees. Where unpaid breaks or additional time are required, the employee should work with her Supervisor or Human Resources regarding scheduling and reporting the extra break time as unpaid. Where state law requires a specified time during each portion of a workday, Aspire will comply with any such requirements.

Where an employee takes unpaid rest breaks during the work day, the employee may be permitted to make up the amount of time used during the unpaid rest period either before or after the work shift as the nature of the job permits. If the employee does not make up the time, no compensation will be provided for the lost time used during the unpaid rest break.

Because exempt employees receive their full salary during weeks in which they work and they are not normally required to identify break and meal times, all exempt employees who need lactation accommodation breaks do not need to report any extra break time as "unpaid."

Overtime

Employees may be required to work overtime on occasion. Aspire Public Schools will attempt to provide as much advance notice as possible, distribute overtime evenly and accommodate individual schedules if requested.

For nonexempt employees, Aspire Public Schools provides compensation for all overtime hours worked according to state and federal law. Your Supervisor or Principal must authorize all overtime work in writing before any overtime work is performed. Working overtime without authorization may result in discipline, up to and including termination of employment. For purposes of determining which hours constitute overtime, only actual hours worked in a given workday or workweek will be counted; sick time, Paid Time Off (PTO), holidays, jury duty or other time off will not be counted toward overtime hours, in accordance with applicable law.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation is paid to exempt employees, in accordance with applicable law.

Travel Time

For nonexempt employees, time spent traveling from one school site to another for work or training will be compensated as required by applicable law.

When required training for nonexempt employees requires an overnight stay, all time spent traveling during your normal work hours, even for regularly scheduled days off, (excluding regular meal periods) will be compensated. If you work in a state that requires additional compensation, Aspire will comply with all requirements.

As an employee of Aspire Public Schools, a not for profit organization, when you travel for the organization and must spend the night, Aspire covers the cost of a double occupancy room. If you are on the trip with

others there is no cost for the double occupancy rooms but if you prefer a single when there is the option of two/room, you must personally cover the cost of the single room.

When required training does not require an overnight stay, all travel time (excluding meal periods and travel between home and the point of departure if you use public transportation) will be compensated, unless you are traveling as a passenger. However, if you work in a state that requires additional compensation, Aspire will comply with all requirements. Whenever possible, your Supervisor will approve you to travel during your regular work hours. If you want to attend non-required training during your normal work hours, your Supervisor may release you from your regular duties to attend. In such case, you will be compensated only up to your normally-scheduled hours or as otherwise required by law if you work in a state that requires additional compensation.

Exempt employees may travel for work or training during normal work hours without loss of salary.

If you work in a state that provides greater or different benefits for travel time, Aspire will comply with all requirements.

Aspire Policy

It is Aspire policy to comply with the salary basis requirements of the Fair Labor Standards Act (FLSA) and applicable state law. Therefore, Aspire prohibits any Aspire manager from making improper deductions from the salaries of exempt employees, except as permitted by law. Aspire wants employees to be aware of this policy and that Aspire does not allow deductions that violate the FLSA or any applicable state law.

What To Do When An Improper Deduction Occurs

If an employee believes that an improper deduction has been made to his or her salary, the employee should immediately report this information to Payroll, a supervisor, or any other member of management. Reports of improper deductions will be promptly investigated. If it is determined that an improper deduction has occurred, the employee will be promptly reimbursed for any improper deduction made.

Reporting Errors and Obtaining More Information

If any employee, exempt or nonexempt, has questions about deductions from his or her pay, believes he or she has been subjected to improper deductions, or believes that the amount paid does not accurately reflect the employee's total hours worked or salary, the employee may provide a verbal or written report to Human Resources, a supervisor or any other member of management.

Every report will be fully investigated. Aspire will provide the employee with any compensation to which the employee is entitled in a timely fashion. Aspire complies with all applicable laws, including the Fair Labor Standards Act. Aspire will not allow any form of retaliation against individuals who make good faith reports of alleged violations of this policy, or who cooperate in an investigation by Aspire, even if the reports do not reveal any errors or wrongdoing.

If an employee believes he or she has not been paid properly or in accordance with Aspire policy, or if any circumstances arise in which the employee is requested to perform work contrary to this policy, the employee should immediately provide a written or verbal report to Human Resources, a supervisor, or any other member of management. All reports will be investigated and any errors found will be corrected as soon as possible in accordance with applicable law.

4.3 Payroll

Pay Periods and Paydays

Aspire's pay schedule is based on 24 pay periods per year. Paychecks are normally distributed on the 15th and the last day of each month. Aspire encourages all employees to sign up for direct deposit of their pay to their personal checking or savings account.

Exempt employees are paid on the 15th of the month for the pay period from the 1st to the 15th of that month, and on the last day of the month for the pay period from the 16th to the last day of that month.

Nonexempt employees are paid on the 15th for the pay period beginning the 24th of the prior month and ending the 8th of the current month; and paid on the last day of the month for the pay period from the 9th to the 24th of the month.

If a payday falls on a Saturday or a Sunday, you will be paid on the prior Friday. If a payday falls on a holiday, you will be paid the day before the holiday.

Please review your paychecks regularly. If you believe an error has been made on your paycheck, report the discrepancy to Payroll immediately.

Payroll Deductions

Payroll makes certain deductions from your gross pay, including

- any legally-mandated federal, state, or local withholdings;
- any court-ordered deductions;
- payments for your share of benefit premiums; and
- other voluntary deductions you request.

Your paycheck stub will show wages earned and an explanation and the amount of each deduction taken out of your wages.

Except for deductions that are required by law or court ordered, no deductions will be made from your paycheck without your written authorization. If you have questions concerning why deductions were made or how they were calculated, please contact your Supervisor, Principal, or Human Resources.

Stipends

For school site employees classified as exempt, Principals may also pay stipends for additional time or duties, i.e., duties that are not included in the typical job description and job responsibilities for an individual's role and not included in an individual's work schedule or work calendar. Stipends are always discussed in advance of the work, and clear responsibilities or deliverables should be explicitly discussed and mutually agreed upon. Stipends are taxed as regular pay.

Compensation for Teachers

Aspire is committed to providing wages to its instructional employees in a manner that is fair, consistent and competitive to host districts. Information regarding Teacher Compensation and Aspire's Teacher Effectiveness Program can be found directly on MyAspire.

5.3 Additional Key Benefit Information

Benefit Effective Date

Benefits begin for eligible employees on the first day of the month

- after your date of hire, or
- after your benefits eligibility date.

Benefit Term Date

Your benefits will end on the last day of the month

- that your employment with Aspire ends, or
- in which you chose to discontinue your benefits.

Qualifying Life Events: Generally speaking, you are not allowed to make benefit changes during the benefit plan year outside of the Open Enrollment period. With the exception of a few programs, benefit coverage remains in effect for the entire plan year unless you have what the IRS considers a qualifying life event, such as the birth or adoption of a child or a change in your or your spouse's employment status or benefit eligibility. For more information about qualifying life events, please refer to Aspire's benefit workbook or contact the Benefits Team at benefits@aspirepublicschools.org.

Open Enrollment: Open Enrollment usually occurs in November and is when you can make changes to your benefit elections. These changes will become effective on January 1. Aspire will notify employees when an Open Enrollment period is approaching.

Updating your Information: It is your responsibility to notify the Human Resources Department of any events that may affect your insurance coverage or benefit eligibility. For example, such events may include a change in marital status, the birth of a child, your spouse's loss of coverage under another employer, or

when a dependent child who is enrolled in benefits turns 26. Failure to notify Human Resources of such changes may affect your participation in Aspire's benefit programs.

5.4 Health Insurance Continuation (COBRA)

Your benefits coverage ends on the last day of the month following your termination of employment or change in eligibility status. Continuation of medical, dental and vision insurance coverage may be available to you and your dependents at your expense under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). COBRA is available for eligible employees and qualified dependents that lose health coverage due to termination of employment, a change in eligibility status such as a reduction in hours, certain leaves of absence, a divorce, or a dependent exceeding the plan's age limit. Employees pay the full premium costs under COBRA, plus a 2% administrative fee allowed by law. The Benefits Team will advise you which insurance may be converted to individual coverage and which may be covered under COBRA.

6. TIME OFF AND LEAVES OF ABSENCE

6.1 Aspire Work Calendars and Blackout Dates

Each location may have its own work calendar, which includes Holidays and Paid Days Off. In addition, each calendar may include Blackout Dates, dates when paid time off cannot be scheduled.

6.2 Sick Days

Taking care of yourself and family is important. Aspire grants paid Sick Days to provide benefit-eligible employees the flexibility to take care of themselves and family during times of illness or medical need only. Sick Days are not for personal time off, except for personal reasons as may be required by applicable law. When employment ends for any reason, unused Sick Days are not paid out. Nonexempt employees may use Sick Days to cover absences in which the nonexempt employee is scheduled to work but is unable to do so because of illness or medical need.

Provision of Sick Days

Aspire provides eligible employees paid Sick Days every month as set forth below:

- The number of Sick Days is based on workweek schedules, job title and job classification.
- Aspire will provide Sick Days if you use wage integration while on leave of absence.

Number of Sick Days

Sick Day accruals are based on your job title and classification. Please refer to the Accrual Chart on MyAspire.

- 249 and 235 Exempt (salary): 12 days per school year; provided pro rata at eight (8) hours per month.
- 196 Exempt (salary): Nine (9) days per school year; provided pro rata at six (6) hours per month.
- 249 and 235 Nonexempt (hourly): 12 days per school year; provided pro rata at eight (8) hours per month.
- 187-212: One (1) hour per every 30 hours worked.
- Part-Time Benefitted employees: Exempt (salary): Prorated based on FTE.
  Nonexempt (hourly): One (1) hour per every 30 hours worked.
- Regular Part-time (scheduled hours between one (1) and 29 a week), Temporary, Substitutes, Long Term Substitutes: One (1) hour per every 30 hours worked.
- Accrued unused sick time will not cap unless your classification is one of the following: (1) Part-time (benefit ineligible); (2) Temporary; and (3) Substitutes/Long Term Substitutes. Under these classifications your sick time will carry over from year to year, but you may never have more than the maximum accrual amount (72 hours). When you hit this cap, accrual will stop and you will not accrue any additional sick time until your balance has dropped below 72 hours.

If you reside in a jurisdiction with legally mandated paid sick leave, you will NOT receive any additional paid sick time pursuant to law, as the foregoing policy provides sick leave equal to, or in excess of, any legally mandated paid sick time required by any jurisdiction in which Aspire operates.

Using Sick Days

To use sick time, you must follow these procedures:

- Record sick time using Aspire's Time and Attendance system as appropriate.
- Notify your Supervisor or Office Manager as soon as possible and except under unusual circumstances, no later than 2 hours before your scheduled starting time.
- Advise your Supervisor or Office Manager of your anticipated return date and the need for work coverage.
- Sick Days may only be used during days you are scheduled to work according to your Work and Accruals calendar.

Sick Day Advances

- *All Employees:* You are not permitted to advance Sick Days. In other words, you may not have a negative Sick Days balance.
- In exceptional circumstances when an employee experiences a catastrophic or critical family emergency, Human Resources may approve the use of donated sick time to offer partial wage replacement through the Sick Donation Bank. Please contact hr@aspirepublicschools.org for more information.
- *Status Changes:* Full-time employees who change to part-time status, and are not eligible for part-time benefits, will keep any remaining Sick Days and will begin to accrue sick time at a rate of 1 hour for every 30 hours worked.
- *Unused Sick Days at Termination:* Like most other benefits, the Sick Day benefit will cease at the termination of your employment. You will not be eligible to be paid for any unused Sick Days.
- For employees working in a jurisdiction that has a mandatory sick leave law or a jurisdiction that defines how sick leave may be used or accrued, Aspire will comply with all legal requirements, including providing greater or different benefits than those indicated here. In such a situation, the leave the employee is entitled to under the law will run concurrently with the leave provided under this policy, to the extent permissible under applicable law.

See your state addendum for more information and policies specific to your state.

6.3 Paid Time Off

Aspire grants Paid Time Off (PTO) to provide benefit-eligible employees with the flexibility to meet both work and personal needs. **See your state addendum for more information and policies specific to your state**.

6.4 Paid Holidays

Aspire generally observes the following holidays. Where a holiday falls on a weekend, it may be observed on either the preceding Friday or the following Monday.

1. New Year's Day
2. Martin Luther King, Jr. Day
3. Presidents' Day
4. Memorial Day
5. Independence Day
6. Labor Day
7. Veterans Day
8. Thanksgiving Day
9. Day After Thanksgiving
10. Christmas Eve or the Day After Christmas (assigned every year based on the calendar)
11. Christmas Day

You are eligible for holiday pay only on those holidays that fall within your normal work schedule as designated to the school calendar. If you are uncertain about which days off are considered paid holidays, check with your Supervisor for a holiday calendar.

Unless otherwise provided in this policy, all full-time employees will receive time off with pay at their normal base rate for each Aspire-observed holiday. Nonexempt employees who are required to work on an Aspire holiday will be paid the regular holiday pay in additional to being paid for any hours worked.

Paid holidays that occur during an eligible employee's scheduled Paid Time Off will not be counted as PTO taken, but the employee will not also receive holiday pay.

6.5 Introduction to Leaves of Absence

It is recognized that there are occasions which necessitate absence from work due to major life events such as personal illness, injury, birth or adoption of a child, or to care for a family member. Aspire will provide this time off in accordance with applicable law.

6.6 Requesting Leave

Employees may request all leaves via Human Resources.

Medical Leave of Absence

If an employee believes he or she needs a medical leave of absence, the employee should contact Human Resources. Determinations regarding whether to grant the leave, the duration of the leave and reinstatement following the leave will be made in accordance with applicable law. Likewise, determinations regarding continuation of benefits will be made in accordance with applicable law. Employees may be required to provide medical certification of the need for the leave. Leave under this policy will run concurrently with leave under any other required state or federal law.

6.7 Family and Medical Leave

This policy only applies where Aspire has 50 or more employees within a 75-mile radius. Where Aspire does not have this number of employees within a 75-mile radius, FMLA does not apply. An employee may be eligible for a personal leave of absence but such a leave is not guaranteed. If the reason for the leave of absence is for your own serious health condition, please see the Reasonable Accommodation Policy (Section 1.4). Leave time and reinstatement under the Reasonable Accommodation Policy is governed by applicable law. Please contact Human Resources for more information.

Aspire will grant family and medical leave in accordance with the requirements of applicable state and federal law in effect at the time the leave is granted. Although the federal and state laws sometimes have different names, Aspire refers to these types of leaves collectively as "FMLA Leave." In any case, employees will be eligible for the most generous benefits available under applicable law.

a. Employee Eligibility

To be eligible for FMLA Leave benefits, you must (1) have worked for Aspire for a total of at least 12 months; (2) have worked at least 1,250 hours over the previous 12 months as of the start of the leave; and (3) work at a location where at least 50 employees are employed by Aspire within 75 miles, as of the date the leave is requested. Eligibility requirements may differ for employees who have been on a protected Military Leave of absence. If employees are unsure whether they qualify, they should contact Human Resources.

b. Reasons for Leave

State and federal laws allow FMLA Leave for various reasons. Because an employee's rights and obligations may vary depending upon the reason for the FMLA Leave, it is important to identify the purpose or reason for the leave. FMLA Leave may be used for one of the following reasons, in addition to any reason covered by an applicable state family/medical leave law:

1. the birth, adoption, or foster care of an employee's child within 12 months following birth or placement of the child ("Bonding Leave");

2. to care for an immediate family member (spouse, child, or parent) with a serious health condition ("Family Care Leave");

3. an employee's inability to work because of a serious health condition ("Serious Health Condition Leave");

4. a "qualifying exigency," as defined under the FMLA, arising from a spouse's, child's, or parent's "covered active duty" (as defined below) as a member of the military reserves, National Guard or Armed Forces ("Military Emergency Leave"); or

5. to care for a spouse, child, parent or next of kin (nearest blood relative) who is a "Covered Service member," as defined below ("Military Caregiver Leave").

Definitions:

Child, for purposes of Bonding Leave and Family Care Leave, means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that Family and Medical Leave is to commence. "Child," for purposes of Military Emergency Leave and Military Caregiver Leave, means a biological, adopted, or foster child, stepchild, legal ward, or a child for whom the person stood in loco parentis, and who is of any age.

Parent, for purposes of this policy, means a biological, adoptive, step- or foster father or mother, or any other individual who stood in loco parentis to the person. This term does not include parents "in law." For Military Emergency leave taken to provide care to a parent of a military member, the parent must be incapable of self-care, as defined by the FMLA.

Covered Active Duty means (1) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (2) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty (or notification of an impending call or order to active duty) in support of a contingency operation as defined by applicable law.

Covered Service member means (1) a member of the Armed Forces, including a member of a reserve component of the Armed Forces, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform his or her military duties, or (2) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a "veteran" as defined by the Department of Veteran Affairs), and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran. For purposes of determining the five-year period for covered veteran status, the period between October 28, 2009 and March 8, 2013 is excluded.

Spouse means the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into, or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one state. This includes common law marriage and same sex marriage in places where these marriages are recognized.

Key Employee means a salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

c. Length of Leave

The maximum amount of FMLA Leave will be twelve (12) workweeks in any 12-month period when the leave is taken for (1) Bonding Leave; (2) Family Care Leave; (3) Serious Health Condition Leave; and/or (4) Military Emergency Leave. However, if both spouses work for Aspire and are eligible for leave under this policy, the spouses will be limited to a total of 12 workweeks off between the two of them when the leave

is for Bonding Leave or to care for a parent using Family Care Leave. A 12-month period begins on the date of your first use of FMLA Leave. Successive 12-month periods commence on the date of your first use of such leave after the preceding 12-month period has ended.

The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of twenty-six (26) workweeks in a single 12-month period. A "single 12-month period" begins on the date of your first use of such leave and ends 12 months after that date.

If both spouses work for Aspire and are eligible for leave under this policy, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Military Emergency Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury or illness or by a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

Intermittent or Reduced Schedule Leave

Under some circumstances, you may take FMLA Leave intermittently—which means taking leave in blocks of time, or by reducing your normal weekly or daily work schedule. Leave taken intermittently may be taken in increments of no less than 15 minutes where the employee chooses to use available paid leave, or may be taken in the smallest increment used to track time if the employee chooses to use unpaid leave. Employees who take leave intermittently or on a reduced work schedule basis for planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt Aspire's operations. Please contact Human Resources prior to scheduling planned medical treatment. If Family and Medical Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, Aspire may require you to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

When an employee who has been approved for intermittent leave seeks leave time that is unforeseeable, the employee must specifically reference either the qualifying reason for leave or the need for FMLA leave at the time the employee calls off. As discussed more generally below, if your request for intermittent leave is approved, Aspire may later require you to obtain recertification's of your need for leave. For example, Aspire may request recertification if it receives information that casts doubt on your report that an absence qualifies for Family and Medical Leave.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury/illness or a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

Limitations on Intermittent Leave

Leave taken for a period that ends with the school year and begins the next semester is leave taken consecutively rather than intermittently. The period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee's FMLA leave entitlement. An instructional employee who is on FMLA leave at the end of the school year shall be provided

with any benefits over the summer vacation that employees would normally receive if they had been working at the end of the school year.

If an eligible instructional employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered servicemember, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment, and the employee would be on leave for more than 20 percent of the total number of working days over the period the leave would extend, the employer may require the employee to choose either to

(i) Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or

(ii) Transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

These rules apply only to a leave involving more than 20 percent of the working days during the period over which the leave extends. For example, if an instructional employee who normally works five days each week needs to take two days of FMLA leave per week over a period of several weeks, the special rules would apply. Employees taking leave which constitutes 20 percent or less of the working days during the leave period would not be subject to transfer to an alternative position. Periods of a particular duration means a block, or blocks, of time beginning no earlier than the first day for which leave is needed and ending no later than the last day on which leave is needed, and may include one uninterrupted period of leave.

If an instructional employee does not give required notice of foreseeable FMLA leave to be taken intermittently or on a reduced leave schedule, Aspire may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, Aspire may require the employee to delay the taking of leave until the notice provision is met.

If an instructional employee begins leave more than five weeks before the end of a term, Aspire may require that the employee continue taking leave until the end of the term if the leave will last at least three weeks and the employee would return to work during the three week period before the end of the term.

If an instructional employee begins leave during the five weeks before the end of a term because of the birth of a child, the placement of a child for adoption or foster care, to care for a spouse, child, or parent with a serious health condition, or to care for a covered service member, Aspire may require that the employee continue taking leave until the end of the term if the leave will last more than two weeks and the employee would return to work during the two week period before the end of the term.

If an instructional employee begins leave during the three week period before the end of a term because of the birth of a child, the placement of a child for adoption or foster care, to care for a spouse, child, or parent with a serious health condition, or to care for a covered service member, Aspire may require that the employee continue taking leave until the end of the term if the leave will last more than five working days.

“Instructional employees” are those whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This term includes not only teachers, but also athletic coaches, driving instructors and special education assistants such as signers for the hearing impaired. It does not include, and the special rules do not apply to, teacher assistants or aides who do not have as their principal job

actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists.

For purposes of these provisions, academic "term" means the school semester, which typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of FMLA. An example of leave falling within these provisions would be where an employee plans two weeks of leave to care for a family member which will begin three weeks before the end of the term. In that situation, the employer could require the employee to stay out on leave until the end of the term.

If an employee chooses to take leave for periods of a particular duration in the case of intermittent or reduced schedule leave, the entire period of leave taken will count as FMLA leave.

In the case of an employee who is required to take leave until the end of an academic term, only the period of leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. The employer has the option not to require the employee to stay on leave until the end of the school term. Therefore, any additional leave required by Aspire to the end of the school term is not counted as FMLA leave; however, Aspire shall maintain the employee's group health insurance and restore the employee to the same or equivalent job including other benefits at the conclusion of the leave.

d. Notice and Certification

(1) Bonding, Family Care, Serious Health Condition and Military Caregiver Leave Requirements

Employees are required to provide

1. when the need for the leave is foreseeable, 30 days' advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day);

2. when the need for leave is not foreseeable, notice within the time prescribed by Aspire's normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical;

3. when the leave relates to medical issues, a completed Certification of Health Care Provider form within 15 calendar days (for Military Caregiver Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health Care Provider form);

4. periodic recertification (upon request); and

5. periodic reports during the leave.

Certification forms are available from Human Resources. At Aspire's expense, Aspire may also require a second or third medical opinion regarding your own serious health condition or the serious health condition of your family member. In some cases, Aspire may require a second or third opinion regarding the injury or illness of a "Covered Service member." Employees are expected to cooperate with Aspire in obtaining additional medical opinions that Aspire may require.

When leave is for planned medical treatment, you must try to schedule treatment so as not to unduly disrupt Aspire's operation. Please contact Human Resources prior to scheduling planned medical treatment.

Recertification after Grant of Leave

In addition to the requirements listed above, if your Family and Medical Leave is certified, Aspire may later require medical recertification in connection with an absence that you report as qualifying for Family and Medical Leave. For example, Aspire may request recertification if (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly (e.g., your absences deviate from the duration or frequency set forth in the previous certification; your condition becomes more severe than indicated in the original certification; you encounter complications); or (3) Aspire receives information that casts doubt upon your stated reason for the absence. In addition, Aspire may request recertification in connection with an absence after six months have passed since your original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by Aspire shall be at the employee's expense.

(2) Military Emergency Leave Requirements

Employees are required to provide

1. as much advance notice as is reasonable and practicable under the circumstances;

2. a copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and

3. a completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from the Human Resources Department.

(3) Failure to Provide Certification and to Return from Leave

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave. If you fail to return to work at your leave's expiration and have not obtained an extension of the leave, Aspire may presume that you do not plan to return to work and have voluntarily terminated your employment.

e. Compensation During Leave

Generally, FMLA Leave is unpaid. However, you may be eligible to receive benefits through state-sponsored or Aspire-sponsored wage-replacement benefit programs. If you are eligible to receive these benefits, you may also choose to supplement these benefits with the use of vacation and sick leave, to the extent permitted by law and Aspire policy. You will receive no more than your regular compensation during this period. If you are not eligible to receive any of these wage-replacement benefits, Aspire may require you to use vacation and sick leave to cover some or all of the FMLA Leave. The use of paid benefits will not extend the length of a FMLA Leave. For additional details or questions regarding compensation during

leave, including pay during school breaks or holidays while on leave, please email the Benefits Team at benefits@aspirepublicschools.org.

f. Benefits During Leave

Aspire will continue making contributions for your group health benefits during your leave on the same terms as if you had continued to work. This means that if you want your benefits coverage to continue during your leave, you must also continue to make any premium payments that you are now required to make for yourself or your dependents. Employees taking Bonding Leave, Family Care Leave, Serious Health Condition Leave and Military Emergency Leave will generally be provided with group health benefits for a 12 work week period. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 work weeks. In some instances, Aspire may recover premiums it paid to maintain health coverage if you fail to return to work following a FMLA Leave.

If you are on a FMLA Leave but are not entitled to continued paid group health insurance coverage, in some circumstances you may continue your coverage through Aspire in conjunction with federal and/or state COBRA guidelines by making monthly payments to Aspire for the amount of the relevant premium. Please contact the Human Resources Department for further information.

Your length of service as of the leave will remain intact, but benefits such as vacation and sick leave will not be provided while on an unpaid FMLA Leave.

g. Job Reinstatement

Under most circumstances, you will be reinstated to the same position held at the time of the leave or to an equivalent position with equivalent pay, benefits and other employment terms and conditions. However, you have no greater right to reinstatement than if you had been continuously employed rather than on leave. For example, if you would have been laid off had you not gone on leave, or if your position has been eliminated during the leave, then you will not be entitled to reinstatement.

Prior to being allowed to return to work, an employee wishing to return from a Serious Health Condition Leave must submit an acceptable release from a Health Care Provider that certifies the employee can perform the essential functions of the job as those essential functions relate to the employee's serious health condition. For an employee on intermittent FMLA leave, such a release may be required if reasonable safety concerns exist regarding the employee's ability to perform his or her duties, based on the serious health condition for which the employee took the intermittent leave.

"Key employees," as defined by law, may be subject to reinstatement limitations in some circumstances. If you are a "key employee," you will be notified of the possible limitations on reinstatement at the time you request a leave.

h. Confidentiality

Documents relating to medical certifications, recertifications or medical histories of employees or employees' family members will be maintained separately and treated by Aspire as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors and managers, first aid and safety personnel or government officials.

i. Fraudulent Use of FMLA Prohibited

An employee who fraudulently obtains Family and Medical Leave from Aspire is not protected by FMLA's job restoration or maintenance of health benefits provisions. In addition, Aspire will take all available appropriate disciplinary action against such employee due to such fraud, including but not limited to termination of employment.

j. Additional Information Regarding FMLA

A Notice to Employees Of Rights Under FMLA (WHD Publication 1420) is available at https://www.dol.gov/whd/regs/compliance/posters/fmlaen.pdf.

See your state addendum for more information and policies specific to your state.

6.8 Personal Leave

In an effort to accommodate an employee's need for time off, Aspire may approve requests for unpaid personal leaves of absence for reasons that are not covered by the leaves of absence described above.

Aspire's ability to grant a leave of absence and the length of the leave approved will depend on the school's, coworkers' and students' ability to make adjustments to enable Aspire to conduct operations in a satisfactory manner during the employee's absence. The decision to grant personal leave will be made on a case-by-case basis, subject to the following conditions:

- You must complete the Leave of Absence Request Form and submit it in advance of the leave to your Supervisor for review.
- Time spent on an unpaid personal leave of absence does not count as service time.
- Aspire will not provide you with additional sick or vacation time while on an unpaid personal leave of absence.
- You must use all PTO time provided to you by Aspire before personal leave without pay begins.
- You may use sick leave pay while on personal leave as permitted by Aspire's Sick Leave Policy.
- Supervisors may attempt to hold your position for you during your personal leave, however, when you are granted personal leave, you are not entitled to reinstatement in either the same or an equivalent position, or any Aspire position.
- If you are on personal leave for a full payroll cycle or longer, you are responsible for 100% of your benefit premiums for that period. Aspire will deduct premium payments from your paycheck when you return from leave. If for any reason you do not return from a personal leave, you are expected to reimburse Aspire for all benefit premiums immediately.
- If you return from a personal leave of absence on or before the approved leave expiration date, you may apply for any open positions.
- If you do not return to work on or before the approved leave expiration date, Aspire will assume you have voluntarily resigned.

For questions regarding personal leaves of absence, please contact Human Resources.

6.9 Regulated Leaves and School Breaks of Less than One Week; Holidays

Breaks of less than one week and holidays will count as leave time for the employees. If you are on a regulated leave during a school break of less than one week or during an Aspire-designated holiday, you will remain on leave during this period.

Salaried employees who are on a leave of absence and usually receive pay for school breaks or holidays (such as summer, fall, winter, or spring break) will receive pay for these breaks if elected as part of the Leave process, and will be based on the number of days/hours worked during the school year. Contact benefits@aspirepublicschools.org for more information.

Hourly full-time employees who are on a leave of absence and whose break runs through their leave of absence are eligible to use sick time and PTO for partial wage integration. Hourly part-time employees are not eligible to receive break and holiday pay, unless they work during these days.

6.10 Payment Options During a Regulated Leave for your Own Illness or the Birth of a Child

If you are on a regulated leave that is certified by a physician due to your own illness, a family member's illness, or for medical conditions relating to pregnancy and childbirth, you may be eligible for

- Aspire-provided disability insurance
- Paid Time Off by Aspire—you may use
    - any amount of accrued vacation time provided to you by Aspire;
    - any amount of accrued sick time provided to you by Aspire when the leave is for your own illness; and/or
    - any amount of accrued sick time provided to you by Aspire to care for a family member
- Employee-paid disability insurance

See your state addendum for additional options or any exceptions as may be required by applicable law.

6.11 Payment Options During a Regulated Leave for the Adoption of a Child

If you are on a regulated leave for the adoption of a child, you may be eligible for

- Paid Time Off by Aspire—you may use any accrued vacation time Aspire has provided to you.

See your state addendum for additional options.

6.12 Payment Options During a Regulated Leave to Care for a Family Member

If you are on a personal leave to care for a family member, you may be eligible for

- Paid Time Off by Aspire—you may use

- any amount of accrued vacation time Aspire has provided to you; and/or
- any amount of accrued sick time Aspire has provided to you when the leave is for your own illness or to care for a family member.

See your state addendum for additional options included state offered paid family leave benefits, if available.

6.13 Payment Options During a Personal Leave

If you are on a Personal Leave due to your own disability or to care for a family member that is certified as disabled, you may use any accrued vacation time Aspire has provided to you.

if you are certified as disabled by a physician, you may still qualify for payment by CIGNA. This may occur if you have either exhausted your FMLA Leave or if you are not yet eligible for it.

If you are on a Personal Leave for reasons other than your own disability or to care for a family member that is certified as disabled, you are most likely not eligible for payments under CIGNA.

See your state addendum for additional options.

6.14 Approvals of Leaves

Regulated Leaves

- Only Human Resources has the authority to approve or deny regulated leaves.
- If you want to request a regulated leave, you must complete a Leave Request Form and have your Manager/Supervisor/Principal sign it.
- The signature of your Manager/Supervisor/Principal is acknowledgement of your request, not approval of the leave.
- Human Resources will approve the leave only after they have determined that you have met the eligibility requirements.

Personal Leaves

- Only a member of the Senior Leadership team has the authority to approve or deny Personal Leaves.
- If you want to request a Personal Leave, you must complete the Personal Leave Request Form and have your Manager/Supervisor/Principal sign it.
- Your Manager/Supervisor/Principal will submit the request form to a member of the Senior Leadership team for them to approve or deny at their sole discretion.
- Human Resources does not approve Personal Leaves.
- There is no job protection for Personal Leaves.

6.15 Employer Recovery of Benefit Costs

If you do not return to work after your FMLA Leave has been exhausted or expires,

1. Aspire may require that you repay the health plan premiums it paid for you during the period of unpaid FMLA Leave.

2. Aspire may agree not to recover the premiums it paid for you while you were on FMLA Leave if you provide at least four weeks' notice prior to the scheduled end of your FMLA Leave that you will not return to work or if the reason you are not returning to work is legally protected.

6.16 Bereavement Leave

Aspire provides up to three days paid bereavement leave due to the death of an immediate family member. This includes a spouse, domestic partner, a parent, dependent, sibling, grandparent, or grandchild (including step- and in-law relatives and similar relatives of a domestic partner). If a funeral is more than 500 miles from your home, and you will be attending the funeral, you may receive paid leave for up to five days with prior approval from your Supervisor.

6.17 Military Leave

Federal law provides employees with the right to take leave in order to serve in the military. At the federal level, Military Leave rights are governed by the Uniformed Services Employment and Reemployment Rights Act, commonly referred to as USERRA. This policy discusses Military Leave under USERRA.

State laws may also provide an employee with rights to take Military Leave. If the employee works in a state that provides rights in addition to those provided under USERRA, Aspire will provide those rights. If an employee plans to request leave based on military service, he or she should contact Human Resources for information on any additional rights or requirements, if applicable, under state law.

See your state addendum for more information and policies specific to your state.

Eligibility for Leave

Aspire provides unpaid Military Leaves of absence to employees who serve in the uniformed services as required by USERRA and applicable state laws. The uniformed services are defined as the Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or national emergency. The uniformed services also include participants in the National Disaster Medical System when activated to provide assistance in response to a public health emergency, to be present for a short period of time when there is a risk of a public health emergency, or when they are participants in authorized training.

Service consists of performing any of the following on a voluntary or involuntary basis: active duty, active duty for training, initial active duty, inactive duty training, full-time National Guard duty, absence from work for an examination to determine fitness for such duty, and absence for performing funeral honors duty. Total Military Leave time may not exceed five years during employment, except in certain defined circumstances.

Notice of Leave

Advance notice of leave is required, preferably in writing, unless giving of notice is impossible or unreasonable, or notice is prohibited by military necessity (which is defined by the United States Department of Defense). When notice is required, employees must provide their Supervisor with as much advance notice as possible of any anticipated leave of absence for military service.

Compensation and Benefits During Leave

Accrued, unused vacation or PTO will be paid during Military Leave at the employee's request. After 30 days of continuous Military Leave, employees may elect to continue their health plan coverage at their own expense, for up to 24 months or during the remaining period of service, whichever is shorter.

Reinstatement

In order to be eligible for reinstatement, an employee must have provided advance notice of the need for Military Leave (where required) and have completed his or her service on a basis that is not dishonorable or otherwise prohibited under USERRA.

Employees whose military service will be for fewer than 31 days must report to back to work at the beginning of the first full, regularly scheduled work day following completion of service, after allowing for a period of safe travel home and eight hours of rest.

Employees whose military service will be for more than 30 days, but fewer than 181 days must apply for re-employment within 14 days after completing service.

Employees whose service is greater than 180 days must apply for re-employment within 90 days after completing service.

As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in loss of reemployment rights. Full details regarding reinstatement are available from Human Resources.

In general, an employee returning from Military Leave will be re-employed in the position and seniority level that the employee would have attained had there been no Military Leave of absence. If necessary, Aspire will provide training to assist the employee in the transition back to the workforce.

Vacation benefits do not continue to accrue during a Military Leave of absence. An employee returning from Military Leave is entitled to any unused, accrued vacation benefits the employee had at the time the Military Leave began minus any vacation benefits the employee chose to use during the leave. Upon reinstatement, the employee will begin to accrue vacation benefits at the rate he or she would have attained if no Military Leave had been taken.

6.18 Jury Duty

Aspire grants leaves of absence for jury duty in accordance with applicable laws. **See your state addendum for more information and policies specific to your state.**

6.19 Time Off to Vote

Aspire grants leaves of absence to vote in accordance with applicable laws. See your state addendum for more information and policies specific to your state.

Provisions for leaves from employment may differ in your state or locality.

Refer to your state addendum for more information and policies specific to your worksite.

7. SAFETY AND SECURITY

7.1 Workplace Safety

Aspire Public Schools wants you to promote safe and healthful work practices to prevent injuries to yourself, your employees, students and visitors. The following are a few basic yet important safety principles. Failure to follow these safety principles may result in discipline, up to and including termination of employment.

- Be alert for safety hazards, correct or eliminate them when you can, and report them to your Supervisor or Principal immediately. Potential hazards include
    - wet or slippery floors;
    - equipment left in halls or walkways;
    - anything blocking doors;
    - exposed wiring;
    - defective equipment; or
    - anything else that may promote an unsafe condition.
- Immediately report all accidents to your Supervisor, Principal or Human Resources.

7.2 Violence in the Workplace

Because workplace violence is a growing concern at schools and offices across the country, Aspire is committed to providing a safe, violence-free workplace and school environment. Aspire strictly prohibits employees, students, parents, consultants, customers, visitors, or anyone else on Aspire premises or engaging in an Aspire-related activity from behaving in a violent or threatening manner. As part of this policy, Aspire seeks to prevent workplace violence before it begins and reserves the right to deal with behavior that suggests a propensity towards violence even prior to any violent behavior occurring. Workplace violence includes any intentional conduct that is sufficiently severe, offensive or intimidating to cause an individual to reasonably fear for his or her personal safety or the safety of his or her family, friends and/or property such that employment conditions are altered or a hostile, abusive or intimidating work environment is created for one or several employees. Examples of workplace violence include, but are not limited to, the following:

1. Threats or acts of violence occurring on Aspire premises, regardless of the relationship between the parties involved in the incident;
2. Threats or acts of violence occurring off Aspire premises involving someone who is acting in the capacity of a representative of Aspire;
3. Threats or acts of violence occurring off Aspire premises involving an employee if the threats or acts affect the business interests of Aspire;

4. Threats or acts of violence occurring off Aspire premises of which an employee is a victim if Aspire determines that the incident may lead to an incident of violence on Aspire premises; and

5. Threats or acts resulting in the conviction of an employee or agent of Aspire, or of an individual performing service(s) for Aspire on a contract or temporary basis, under any criminal code provision relating to violence or threats of violence which adversely affects the legitimate business interests of Aspire.

Examples of conduct that may be considered threats or acts of violence under this policy include, but are not limited to the following:

1. Threatening physical or aggressive contact directed toward another individual;

2. Threatening an individual or his/her family, friends, associates or property with harm;

3. The intentional destruction or threat of destruction of Aspire or another's property;

4. Harassing or threatening phone calls;

5. Surveillance;

6. Stalking;

7. Veiled threats of physical harm or like intimidation; and

8. Communicating an endorsement of the inappropriate use of firearms or weapons.

Workplace violence does not refer to occasional comments of a socially acceptable nature. Such comments may include references to legitimate sporting activities, popular entertainment or current events. Rather, it refers to behavior that is personally offensive, threatening or intimidating.

The prohibition against threats and acts as described above applies to all persons involved in the operation of Aspire, including, but not limited to, contract and temporary employees and nonemployees on Aspire property.

7.3 Smoke-Free Workplace

In compliance with government regulations, Aspire prohibits smoking in the workplace. Smoking and the use of all tobacco-related products, including but not limited to, smoking, the use of chewing tobacco and the use of e-cigarettes, is strictly prohibited inside all Aspire buildings. Additional requirements dictate that Aspire school grounds remain entirely smoke-free environments. For the purposes of this policy, "school grounds" means and includes land, portions of land, structures, buildings and vehicles when used for the provision of academic or extracurricular programs, and structures that support these buildings including, but not limited to, administrative buildings, kitchens, maintenance shops and garages. “Land” includes parking lots, sports fields, playgrounds and quads.

7.4 Drug-Free Workplace

Because Aspire has a vital interest in maintaining safe and efficient working conditions and school environments for its employees and students, Aspire strictly maintains a workplace that is free of drugs and

alcohol. Substance abuse is incompatible with health, safety, efficiency and success at Aspire. Failure to support a drug-free workplace by violating any of the policies below may result in disciplinary action up to and including immediate termination of employment.

The following are strictly prohibited by Aspire:

- Possession, use, or being under the influence of alcohol or any illegal drug, intoxicant, or controlled substance while on the job or while on Aspire-owned or occupied premises. For purposes of this policy, "illegal drugs" means and includes (a) any drugs which are illegal under federal, state, or local law; or (b) legally prescribed drugs not prescribed to the user; or (c) even where prescribed to the user, abuse or use of said drugs in a manner inconsistent with the prescription or purpose for which the drugs were prescribed.

- Driving a vehicle on Aspire business while under the influence of alcohol or an illegal drug, intoxicant, or controlled substance;

- Distributing, selling, manufacturing, or purchasing—or attempting to distribute, sell, manufacture, or purchase—an illegal drug, intoxicant, or controlled substance during work hours or while on Aspire-owned or occupied premises.

Upon reasonable suspicion, applicants for new positions and employees may be requested at any time without notice and as a condition of employment to submit to alcohol/drug testing. Further, Aspire reserves the right at any time, without notice, to search Aspire-owned property for illicit substances, even if that property is being used exclusively by an employee. Employees have NO EXPECTATION OF PRIVACY in any Aspire-owned, leased, operated or utilized briefcases, desks, lockers, storage units, vehicles or other containers. Refusal to cooperate with or submit to a property search or an alcohol/drug test is considered a violation of this policy and insubordination and may warrant immediate discipline, including termination of employment.

Employees who appear to be impaired while on the job may be asked to submit to a test to determine whether they are under the influence of alcohol or illegal drugs. Tests that may be used include (but are not limited to) blood tests and urinalysis.

Anyone working in a safety-sensitive position who is using prescription drugs that may cause side effects which could impair his or her ability to perform his or her job without posing a direct threat to safety (i.e. drowsiness or impaired reflexes or reaction time) should inform Human Resources that they are taking such a medication (but need not identify the specific medication or the diagnosis for which it is being taken).

Aspire also reserves the right to discipline employees suspected of substance abuse up to and including termination of employment.

7.5 Drug Treatment and Rehabilitation

In compliance with the American with Disabilities Act, the Amendments to that Act and applicable state law, Aspire Public Schools will engage in an interactive process to reasonably accommodate employees with chemical dependencies who are voluntarily being treated or enter a rehabilitation program, subject to the following conditions:

- If you desire such assistance, you may request a leave of absence to enroll in a treatment program.

- Aspire is not obligated to continue to employ you if your performance of essential job duties is impaired because of current drug or alcohol use.

- Aspire is not obligated to re-employ you after you have participated in treatment and/or rehabilitation if your job performance remains impaired as a result of dependency.

- If you are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome your dependency or problem, you will not automatically be given a second opportunity to overcome it.

Aspire's drug treatment and rehabilitation policy provides an option for an employee who acknowledges a chemical dependency and voluntarily seeks treatment to end that dependency. This policy is not intended to affect Aspire Public Schools' right to take action against employees who violate the regulations described above.

7.6 Alcohol Exceptions Policy

In limited circumstances, moderate consumption of alcohol may be allowed at certain Aspire-sponsored events. During these events, it is your responsibility to regulate alcohol consumption to a reasonable level. No alcohol consumption may take place on Aspire premises while any students are present.

7.7 Inspections and Searches on Aspire Premises

In order to assure access at all times to its premises, property, equipment, information, records, documents and files, Aspire reserves the right to conduct a routine inspection or search at any time of Aspire property for any business purpose, including but not limited to, ensuring there are no harmful materials on Aspire premises. Aspire believes that maintaining a workplace that is free of harmful materials is vital to the health and safety of its employees and students. These harmful materials include, but are not limited to,

- firearms, knives or other weapons;

- explosives or hazardous materials or articles;

- illegal drugs or other controlled substances; and

- drug-related paraphernalia.

Unauthorized possession or use of Aspire property or proprietary and confidential information, as defined in Section 3.9, Property, Including Confidential Information, is also forbidden and may be the subject of an inspection or search.

Routine searches or inspections may include but are not limited to employees'

- office, desk, file cabinet, or closet;

- computer files, voicemail, or electronic mail; and

- similar places where employees may store Aspire property or Aspire-related information, whether or not the places are locked or protected by access codes and/or passwords.

Inspections or searches for prohibited materials also may include an employee's pockets, purse, briefcase, lunch box, or other item of personal property that is being worn or carried by the employee while on Aspire premises. Because even a routine search for Aspire property might result in the discovery of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to be subject to inspection by Aspire. In addition, Aspire always reserves the right to conduct inspections and searches for any other business reason. An employee's consent to search is required as a condition of employment. An employee's refusal to cooperate with such request is grounds for termination of employment.

Employees who are found to be in possession of prohibited materials in violation of this policy or in violation of other Aspire policies contained in this Handbook will be subject to discipline, up to and including termination of employment, regardless of Aspire's reason for conducting the search or inspection.

7.8 Workers' Compensation

When work-related accidents, injuries or illnesses occur, employees may be eligible for Workers' Compensation insurance benefits. Aspire provides a comprehensive Workers' Compensation insurance program at no cost to employees and in accordance with applicable state law. This program covers most injuries or illnesses, sustained in the course of employment, that require medical, surgical, or hospital treatment. Subject to applicable legal requirements, Workers' Compensation insurance provides benefits or, if the employee is hospitalized, treatment immediately.

Reporting Work-Related Injury or Illness

Employees who sustain a work-related injury or illness should inform their Supervisor immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage.

Leaves of Absence/Accommodation

Employees who need to take time off from work due to a workers' compensation illness or injury may also be eligible for a leave of absence under Aspire's leaves of absence or reasonable accommodation policies. Employees should consult with Human Resources for additional information.

Return to Work

Employees who are ready to return to work following a workers' compensation-related leave of absence must supply a certification from a Health Care Provider confirming the employee's ability to return to work.

Fraud

Aspire will notify the workers' compensation insurance company if we have reason to believe an employee has supplied false or misleading information in connection with a claim and/or has filed a fraudulent claim. Workers' compensation fraud is a crime and may also be grounds for disciplinary action, up to and including termination of employment.

See your state addendum for more information and policies specific to your state.

7.9 Recording of Conversations Prohibited

Applicable laws and Aspire policy prohibit the recording of any confidential communication without the consent of all parties to the communication. For purposes of this policy, a "confidential communication" include any communication which any party desires to be confined to the parties to the communication as reflected by the party's statements or by the circumstances – for example, where no party to a conference call states that the call is being recorded. Recording any confidential communication, whether face-to-face, on the telephone, or otherwise, without prior consent of all parties to the confidential communication is strictly prohibited. In limited situations, Aspire may tape or record Aspire business or educational presentations, Aspire training for a specific business or educational purpose, or for other business related purposes. Participants will be informed that the training or conversation is being recorded.

8. SEPARATION OF EMPLOYMENT

8.1 Separation of Employment

There are a number of activities that need to occur upon separation of employment. You will be given information about any benefits that may be continued under COBRA or converted to individual policies after termination of employment. For proper and timely handling of forms such as W-2s, benefits and retirement account information, it is important that you keep Human Resources informed of your current contact information. You may reach Human Resources at 510-434-5062.

8.2 Return of Property

You are responsible for all Aspire-owned property, materials and written information, such as data and records placed in your care or provided to assist you in your work (including lesson plans). You are expected to return all such property in good condition immediately upon request or upon termination of employment. When terminating employment and before leaving the premises, you are required to return any and all Aspire property to your Principal, Supervisor, or Human Resources Department.

8.3 Final Paycheck

See your state addendum for information about final paychecks.

8.4 Rehire and Reinstatement

A former employee who has a good work history with Aspire Public Schools will be considered for rehire or reinstatement. The former employee must apply for open positions using the normal process, and will be considered for positions along with all other applicants.

8.5 Unemployment Compensation

See your state addendum for information about unemployment compensation.

9. CLOSING

Many of Aspire's policies and benefits have been treated only briefly in this Handbook. If you have any questions or want more information, your Supervisor, Principal or Human Resources will be glad to answer your questions. Please keep in mind that while you have guidelines, rules and standards in this Handbook, none of these can substitute for good judgment, common sense and personal integrity while meeting the challenges of your daily work. If you have questions about a topic not addressed in this Handbook, please contact your Supervisor, Principal, Human Resources, or any member of the Management team.

10. EMPLOYEE ACKNOWLEDGEMENT

ACKNOWLEDGEMENT OF RECEIPT OF EMPLOYEE HANDBOOK

I have received my copy of the Aspire Public Schools Employee Handbook, which describes policies and provides information relating to employment at Aspire Public Schools.

I understand and agree that it is my responsibility to read, familiarize myself with and abide by Aspire rules. I understand that it is the intent of the Handbook to inform me of many of the policies to which I will be subject, but it cannot and does not address every situation that may arise. I further understand that I am welcome to bring any questions or concerns I may have to my Principal, Supervisor, Human Resources, or senior managers as listed in Section 1.8, Voluntary Open Door Policy. I realize that Aspire Public Schools can change any and all policies or practices, with the exception of at-will employment, at any time without prior notification to me, and that material changes to the Handbook will be made known to employees through the usual channels of communication within a reasonable period of time.

I understand that Aspire has provided me various alternative channels to raise concerns of violations of this Handbook and company policies and encourages me to do so promptly so that Aspire may effectively address such situations, and I understand that nothing herein interferes with any right to report concerns, make lawful disclosures, or communicate with any governmental authority regarding potential violations of laws or regulations.

Further, I understand that the policies contained in the Handbook are guidelines only and are not intended to create a contract for continued employment. I also understand that, other than the Chief Executive Officer of Aspire Public Schools, or that Officer's authorized representative, no Officer, Vice President, Director, Manager, Supervisor, Principal or any other representative of Aspire Public Schools has authority to enter into any agreement, express or implied, for employment for any specific period of time, or to make any agreement for employment other than "at-will". Only the Chief Executive Officer, or the Chief Executive Officer's authorized representative, has the authority to make any such employment agreements and then only in writing, signed by the Chief Executive Officer, or the Chief Executive Officer's authorized representative.

I acknowledge that employment at Aspire Public Schools is employment "at-will" and my employment may be terminated at the will of either Aspire Public Schools or me at any time without cause.

I understand and acknowledge that nothing in this Employee Handbook or in any other document or policy is intended to prohibit me from reporting concerns to, filing a charge or complaint with, making lawful disclosures to, providing documents or other information to or participating in an investigation or hearing conducted by the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency charged with the enforcement of any laws.

I also understand and acknowledge that nothing about the policies and procedures set forth in this Handbook should be construed to interfere with any employee rights provided under state or federal law.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service-member during a single 12-month period. A covered service member is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA-covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

The structure of this Addendum mirrors that of the Handbook, and this Addendum should be read in conjunction with the Handbook.

1.3 Equal Employment Opportunity

As set forth in the Handbook, Aspire Public Schools (Aspire) is committed to equal employment opportunity and to compliance with federal antidiscrimination laws. We also comply with California law, which prohibits discrimination and harassment against employees, applicants for employment, individuals providing services in the workplace pursuant to a contract, unpaid interns and volunteers based on their actual or perceived race, religious creed, color, national origin, ancestry, physical or mental disability, medical condition, genetic information, marital status (including registered domestic partnership status), sex (including pregnancy, childbirth, lactation and related medical conditions), gender (including gender identity and expression), age (40 and over), sexual orientation, Civil Air Patrol status, military and veteran status and any other consideration protected by federal, state or local law (sometimes referred to, collectively, as "protected characteristics").

For purposes of this policy, discrimination on the basis of "national origin" also includes discrimination against an individual because that person holds or presents the California driver's license issued to those who cannot document their lawful presence in the United States. The immigration status of an employee or applicant for employment will not be considered for any employment purpose except as necessary to comply with federal, state or local law. Our commitment to equal employment opportunity applies to all persons involved in our operations and prohibits unlawful discrimination and harassment by any employee, including supervisors and coworkers.

Aspire will not tolerate discrimination or harassment based upon these characteristics or any other characteristic protected by applicable federal, state or local law. Aspire also does not retaliate or otherwise discriminate against applicants or employees who request a reasonable accommodation for reasons related to disability or religion.

1.9 Anti-Harassment Policy

Prohibited Harassment

Aspire is committed to providing a work environment that is free of illicit harassment based on any protected characteristics. As a result, Aspire maintains a strict policy prohibiting sexual harassment and harassment against employees, applicants for employment, individuals providing services in the workplace pursuant to a contract, unpaid interns or volunteers based on any legally-recognized basis, including, but not limited to, their actual or perceived race, religious creed, color, national origin, ancestry, physical or mental disability, medical condition, genetic information, marital status (including registered domestic partnership status), sex (including pregnancy, childbirth, lactation and related medical conditions), gender (including gender identity and expression), age (40 or over), sexual orientation, Civil Air Patrol status, military and veteran status, immigration status or any other consideration protected by federal, state or local law. For purposes of this policy, discrimination on the basis of "national origin" also includes harassment against an individual because that person holds or presents the California driver's license issued to those who cannot document their lawful presence in the United States. All such harassment is prohibited.

This policy applies to all persons involved in our operations, including coworkers, supervisors, managers, temporary or seasonal workers, agents, clients, vendors, customers, or any other third party interacting with Aspire ("third parties"), and prohibits proscribed harassing conduct by any employee or third party of Aspire, including nonsupervisory employees, supervisors and managers. If such harassment occurs on Aspire's premises or is directed toward an employee or a third party interacting with Aspire, the procedures in this policy should be followed.

Sexual Harassment Defined

Sexual harassment includes unwanted sexual advances, requests for sexual favors or visual, verbal, or physical conduct of a sexual nature when

- submission to such conduct is made a term or condition of employment; or
- submission to, or rejection of, such conduct is used as a basis for employment decisions affecting the individual; or
- such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile or offensive working environment.

Sexual harassment also includes various forms of offensive behavior based on sex and includes gender-based harassment of a person of the same sex as the harasser. The following is a partial list:

- Unwanted sexual advances;
- Offering employment benefits in exchange for sexual favors;
- Making or threatening reprisals after a negative response to sexual advances;
- Visual conduct such as leering, making sexual gestures, or displaying sexually suggestive objects or pictures, cartoons, posters, websites, emails, online postings, or text messages;
- Verbal conduct: making or using derogatory comments, epithets, slurs, sexually explicit jokes, or comments about an employee's body or dress;
- Verbal sexual advances or propositions;
- Verbal abuse of a sexual nature, graphic verbal commentary about an individual's body, sexually degrading words to describe an individual, suggestive or obscene letters, notes, or invitations;
- Physical conduct such as touching, assault, impeding or blocking movements; and
- Retaliation for reporting harassment or threatening to report harassment.

An employee may be liable for harassment based on sex even if the alleged harassing conduct was not motivated by sexual desire. An employee who engages in unlawful harassment may be personally liable for harassment even if Aspire had no knowledge of such conduct.

Other Types of Harassment

Harassment on the basis of any legally protected classification is prohibited, including harassment based on: race, color, national origin, ancestry, physical or mental disability, medical condition, genetic information, marital status (including domestic partnership status), age (40 or over), sexual orientation, Civil Air Patrol status, military and veteran status, immigration status or any other consideration protected by federal, state or local law. Prohibited harassment may include behavior similar to the illustrations above pertaining to sexual harassment. This includes conduct such as:

- Verbal conduct including threats, epithets, derogatory comments or slurs based on an individual's protected classification;
- Visual conduct, including derogatory posters, photographs, cartoons, drawings, or gestures based on protected classification; and
- Physical conduct, including assault, unwanted touching, or blocking normal movement because of an individual's protected status.

Abusive Conduct Prevention

It is expected that persons in the workplace perform their jobs productively as assigned, and in a manner that meets all of Managements' expectations, during working times, and that they and refrain from any malicious, patently offensive or abusive conduct including, but not limited to, conduct that a reasonable person would find offensive based on any of the protected characteristics described above. Examples of abusive conduct include repeated infliction of verbal abuse, such as the use of malicious, derogatory remarks, insults and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the intentional sabotage or undermining of a person's work performance.

Protection Against Retaliation

Retaliation is prohibited against any person by another employee or by Aspire for using Aspire's complaint procedure, reporting proscribed discrimination or harassment, or filing, testifying, assisting or participating in any manner in any investigation, proceeding, or hearing conducted by a governmental enforcement agency. Prohibited retaliation includes, but is not limited to, termination, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions, or otherwise denying any employment benefit.

Moreover, California law also prohibits an employer for discriminating or retaliating against an employee or applicant because he or she exercised rights protected under the state's wage and hour laws. California's whistleblower protection law prohibits an employer from discharging or in any manner discriminating, retaliating, or taking any adverse employment action against any employee or job applicant because the employee or applicant has engaged in protected conduct. In addition, the state health and safety laws prohibit an employer from taking adverse action against an employee for making a complaint or engaging in other protected conduct.

These anti-retaliation provisions extend to an employee who is a family member of a person who engaged in, or was perceived to engage in, the protected conduct or who made a complaint protected by these statutes.

Discrimination, Harassment, Retaliation and Abusive Conduct Complaint Procedure

Any employee who believes that he or she has been harassed, discriminated against, or subjected to retaliation or abusive conduct by a coworker, supervisor, agent, client, vendor, customer, or any other third party interacting with Aspire in violation of the foregoing policies, or who is aware of such behavior against others, should immediately provide a written or verbal report to his or her Supervisor, any other member of Management, or Human Resources.

Employees are not required to make a complaint directly to their immediate supervisor. Supervisors and managers who receive complaints of misconduct must immediately report such complaints to Human Resources who will attempt to resolve issues internally. When a report is received, Aspire will conduct a fair, timely, thorough and objective investigation that provides all parties appropriate due process and reaches reasonable conclusions based on the evidence collected. Aspire expects all employees to fully cooperate with any investigation conducted by Aspire into a complaint of proscribed harassment, discrimination, or retaliation, or regarding the alleged violation of any other Aspire policies. Aspire will maintain confidentiality surrounding the investigation to the extent possible and to the extent permitted under applicable federal and state law.

Upon completion of the investigation, Aspire will communicate its conclusion as soon as practical. If Aspire determines that this policy has been violated, remedial action will be taken, commensurate with the severity of the offense, up to and including termination of employment. Appropriate action will also be taken to deter any such conduct in the future.

The federal Equal Employment Opportunity Commission (EEOC) and the California Department of Fair Employment and Housing (DFEH) will accept and investigate charges of unlawful discrimination or harassment at no charge to the complaining party. Information may be located by visiting the agency websites at www.eeoc.gov or www.dfeh.ca.gov.

1.10 Policy Prohibiting Bullying and Intimidation

In addition to prohibiting discrimination and harassment, California law also protects students from bullying and intimidation on the basis of race, color, ethnicity, national origin, citizenship status, ancestry, religion, gender, gender identity or expression, sex, pregnancy, physical or mental disability, medical condition (including genetic characteristics), need for special education services, and sexual orientation.

Aspire believes that all students have a right to a safe and healthy school environment. The district, schools and community have an obligation to promote mutual respect, tolerance and acceptance.

Aspire will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling, and social isolation or manipulation.

Aspire expects employees to immediately report incidents of bullying to the Principal or designee. Employees who witness such acts must take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period whether on or off campus, and during a school-sponsored activity.

Accommodation for Victims of Domestic Violence, Sexual Assault, or Stalking

Aspire will make reasonable accommodations for any employee who reports that he or she is the victim of domestic violence, sexual assault, or stalking, and requests that Aspire accommodate his or her safety while at work, unless providing the accommodation will impose an undue hardship on Aspire's business operations or violates Aspire's duty to provide a safe and healthy working environment for all employees.

Reasonable accommodations may include, but are not limited to

- a transfer,
- reassignment,
- modified work schedule,
- change in work telephone number,
- change in work station,
- installed lock,
- assistance in documenting domestic violence, sexual assault or stalking that occurs at the workplace,
- safety procedures or other adjustment to a job structure, workplace facility or work requirement in response to a domestic violence, sexual assault or stalking, or
- referral to a victim assistance organization.

Aspire may request that an employee provide a written statement signed by the employee (or an individual acting on behalf of the employee) certifying that the requested accommodation is for the employee's safety while at work. Aspire may also require an employee to provide a certification (such as a police report, court order or documentation from a medical professional) that the employee is the victim of domestic violence, sexual assault, or stalking, and may request recertification every six months.

Employees must notify Aspire if their needs change or if they no longer need an accommodation.

Aspire will keep all information submitted in connection with an employee's request for an accommodation confidential to the extent permissible by law. If the law requires disclosure of information, Aspire will notify the employee before any information is released.

Aspire will not discriminate, harass, or retaliate against any employee because the individual is, or is perceived to be, a victim of domestic violence, sexual assault, or stalking, or requests a reasonable accommodation in accordance with this policy.

Employees who have questions about this policy or who wish to request a reasonable accommodation under this policy should contact Human Resources.

Employees may also be entitled to a leave of absence under Aspire's Domestic Violence, Sexual Assault, or Stalking Victim Leave policy and should consult Human Resources for additional information.

Accommodation for Adult Literacy Programs

Aspire provides reasonable accommodation and assistance to an employee who reveals a literacy problem and requests assistance to enroll in an adult literacy education program unless doing so will result in an undue hardship to Aspire's business operations. Examples of assistance include providing employees with the location of local literacy programs and arranging for jobsite visits by literacy education providers.

Employees who wish to self-identify as an individual with a literacy problem and request an accommodation should contact Human Resources. Aspire will take reasonable steps to safeguard the privacy of any employee who requests such an accommodation. In addition, employees who are performing satisfactorily will not be subject to termination of employment because they have disclosed literacy problems.

While Aspire encourages employees to improve their literacy skills, Aspire will not reimburse employees for the costs incurred in attending a literacy program. Time off to attend literacy programs may be provided as a reasonable accommodation unless doing so will result in an undue hardship. However, if time off is provided, the time off may be unpaid. If time off is unpaid, employees wishing to take such leave may utilize their accrued PTO.

Accommodation for Drug or Alcohol Treatment or Rehabilitation

Aspire will attempt to reasonably accommodate employees with chemical dependencies (drugs or alcohol), if they voluntarily wish to seek treatment and/or rehabilitation, unless the accommodation imposes an undue hardship on Aspire's business operations.

Aspire will keep all information submitted in connection with an employee's enrollment in a drug or alcohol rehabilitation program confidential to the extent permissible by law. Time off for these purposes is unpaid. However, employees wishing to take such leave may utilize their sick leave or accrued paid time off, if applicable.

Aspire's support for treatment and rehabilitation does not obligate it to hire or employ any person who violates Aspire's drug and alcohol abuse policy or who, because of current use of drugs or alcohol, is unable to perform his or her duties or cannot perform the duties in a manner that would not endanger his or her health or safety, or the health or safety of others.

Employees who have questions about this policy or who wish to request a reasonable accommodation under this policy should contact Human Resources.

1.11 Personnel Files

The information recorded in your personnel file is extremely important. It is your responsibility to make sure that the personal data in the file is accurate and up to date. Report any change of address, phone number, etc. to Human Resources immediately.

Employees may inspect their personnel file in the presence of a representative of Aspire. Please contact your Supervisor to schedule a convenient time. You may request copies from your file of all documents. If you desire, you may add a written statement to your file explaining any disputed item.

Employees also may inspect their payroll records upon request, and may obtain a copy of these records at their own expense. Aspire will comply with all inspection requests within 21 calendar days, unless it is impossible to do so.

Access to information in personnel files is restricted. Only authorized managers and Management personnel will have access to your personnel file. However, Aspire will cooperate with—and provide access to your personnel file to—law enforcement officials or local, state or federal agencies in accordance with applicable law.

Health/medical records are not included in your personnel file. These records are confidential. Aspire will safeguard them from disclosure and will divulge such information only 1) as allowed by law, or 2) to the employee's personal physician upon written request or permission of the employee.

2.2 Credential Requirements

Each person employed by Aspire for a position requiring certification shall hold a valid credential issued by the California Commission on Teacher Credentialing (CTC) authorizing the person to work in that position. Before employing persons for a position requiring such certification, Aspire shall determine what authorization is required and recommend steps the person needs to complete to be authorized by the CTC.

To learn more about certification and the process to become certified, contact credentials@aspirepublicschools.org or visit the California Commission on Teacher Credentialing website at www.ctc.ca.gov.

2.4 Fingerprinting, Background Check and Disclosure of Criminal Convictions

Before you can be employed by Aspire in California, you will be required to pay for and complete a LiveScan (fingerprinting) application, which will disclose all criminal records maintained by the Department of Justice and the Federal Bureau of Investigation. . To learn more about this process you may visit the Department of Justice website at https://oag.ca.gov/fingerprints/applicants. All information obtained through a background check will be conducted in accordance with applicable law.

Any employee who is arrested for or convicted of a criminal offense, whether during working hours or while off duty, must notify the Human Resources Department. Notice must be provided by the employee (or by someone else for the employee) within three (3) days of the arrest or conviction. If an employee (or his or her representative) fails to report an arrest or conviction within three (3) days of the conviction, the employee may be subject to discipline, up to and including termination. The purpose of the notice is to ensure that Aspire has information needed to manage the business, to protect pupils and staff, and to anticipate any staffing considerations.

A ***conviction*** means that the employee has been found guilty of a crime, or that the employee entered a guilty or a "no contest" plea or received a deferred adjudication on a guilty or "no contest" plea to an alleged crime. A ***crime*** means an activity that is a violation of a law, whether a felony or a misdemeanor, other than a minor traffic-related offense.

If an employee is arrested or convicted of a crime, Human Resources may suspend the employee to review and assess the employee's suitability for continued employment.

Volunteers Transitioning to Aspire Employment

Volunteers who become employees at Aspire Public Schools must complete a DOJ/fingerprints background screen.

Volunteers who become employees at Aspire Public Schools must provide a new TB test and/or TB Questionnaire if the TB test/questionnaire on file precedes the date they became volunteers by more than three (3) months.

Re-hired Employees

If there is a gap of greater than three (3) months between an employee's termination and rehiring, the employee must complete a new DOJ/fingerprints background screen.

If there is a gap of greater than three (3) months between an employee's termination and rehiring, the employee must complete a new TB test and/or TB Questionnaire.

3.6 Child Abuse Reporting

Aspire Public Schools is committed to the well-being and safety of all of our students and are very strict about the required reporting of child abuse. Section 11166.5 of the California Penal Code requires that any child care custodian who enters into employment after January 1, 1985, acknowledge that Section 11166 requires a child care custodian, non-medical practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom they know or reasonably suspect has been the victim of child abuse or neglect, to report the known or suspected instance of child abuse or neglect to a child protective agency immediately or as soon as is practically possible by telephone, and to prepare and send a written report to the child protective agency within 36 hours of receiving the information concerning the incident. Additionally, the report must be made to any police or sheriff's department (so long as it is not a school-based police or security department), the county welfare department, or the county probation department if designated by the county to receive mandated reports.

Note that this requirement applies to all Aspire employees, whether or not they work directly with students.

If you observe an instance that you suspect may require reporting, inform your Manager, Principal, a member of the Management team or Human Resources Department immediately. Experienced staff can help walk you through the reporting process, and prompt reporting may allow Aspire to take immediate action to investigate the issue.

4.1 Payroll Classifications

Meal and Rest Breaks

Aspire complies with federal and state legal requirements concerning meal and rest breaks. Aspire recognizes that employees perform at their best when they have the rest and nourishment they need. This policy explains when Aspire expects employees to take meal and rest breaks.

Meal Breaks

Aspire provides at least a 30-minute unpaid meal period to employees who work a shift longer than five hours and a second 30-minute meal period to employees who work a shift longer 10 hours in a workday,. Employees are required to take their meal breaks, although under certain circumstances, meal periods may be voluntarily waived in accordance with Aspire's policy and state law. The Employee Meal Break Waiver Form is provided at the end of this Addendum. Employees are relieved of all of their duties during meal periods and are allowed to leave the premises.

Aspire provides meal periods as follows:

Duration of Shift in Hours	# of 30-Minute Meal Periods	Comments
0 to $\leq$ 5.0	0	If an employee's shift is shorter than five (5) hours, no meal period is provided.
5.0 to $\leq$ 10.0	1	If an employee's shift is longer than five (5) hours but shorter than ten (10) hours, one 30-minute meal period is provided during that shift, subject to any meal period waiver in effect.
10.0 or more	2	. If an employee's shift is longer than ten (10) hours, two (2) separate 30-minute meal periods are provided, subject to any meal period waiver in effect. Any meal period waiver will be invalidated if the shift is longer than twelve hours.

Aspire does not pay nonexempt employees for meal periods, and consequently, nonexempt employees must record the start and stop times of their meal periods ("clock in and out").

Rest Breaks

Aspire authorizes and permits nonexempt employees to take a ten-minute (10-minute) paid rest break for every four (4) hours worked, or major fraction thereof, as follows:.

Duration of Shift in Hours	# of 10-Minute Rest Breaks	Comments
0 to < 3.5	0	If a nonexempt employee's shift is shorter than four (4) hours, no rest break is provided.

3.5 to ≤ 6	1	If a nonexempt employee's shift is longer than 4 hours but shorter than 6 hours, one 10-minute rest break is provided during that shift.
> 6.0 to ≤ 10.0	2	If a nonexempt employee's shift is longer than 6 hours but shorter than 10 hours, two (2) 10-minute rest breaks are provided during that shift.
> 10.0 to ≤ 14.0	3	If a nonexempt employee's shift is longer than 10 hours but shorter than 14 hours, three (3) 10-minute rest breaks are provided.[1]

Whenever practicable, rest breaks should be taken near the middle of each four-hour work period. Employees may not accumulate rest breaks or use rest breaks as a basis for starting work late, leaving work early, or extending a meal period.

Because rest breaks are paid, nonexempt employees should not clock out for them.

Supervisors are responsible for administering their department's meal and rest breaks.

Any nonexempt employee who is not provided with a meal period or authorized and permitted to take a rest break pursuant to the terms of this policy is immediately entitled to a meal or rest break premium. Supervisors will be responsible for authorizing meal or rest break premiums. The Meal Period and Rest Break Premium Authorization Form is located at the end of this Addendum. Any supervisor who knows or should reasonably know that a meal or rest period was not provided in accordance with this policy should arrange for a premium to issue to the employee. Employees are responsible for reporting to their Supervisor any meal break that was not provided or any rest break not authorized and permitted where the Supervisor would have no reason to otherwise know of this fact. Any employee who feels that he or she has earned, but has not received, a premium as a result of this policy, should report the missing premium immediately to his or her Supervisor.

Overtime

When operating requirements or other needs cannot be met during regular working hours, employees may be scheduled to work overtime. All overtime must be approved in advance by the employee's Supervisor. Working overtime without prior authorization may result in disciplinary action up to and including termination of employment.

All nonexempt employees in California will be paid a premium for overtime hours as follows:

1. One and one-half times their regular rate of pay for all hours worked in excess of eight (8) per workday, up to 12, or in excess of 40 in a workweek;

2. One and one-half times their regular rate of pay for the first eight (8) hours on the seventh consecutive day of work in a workweek; and

[1] Nonexempt employees who work more than 14 hours in a workday may be entitled to additional rest breaks.

3. Double the regular rate of pay for all hours worked in excess of 12 in a workday and after eight (8) hours on the seventh consecutive day of work in a workweek.

All nonexempt employees are entitled to at least one (1) day of rest every seven (7) days in a workweek unless certain exceptions apply as described in Aspire's Day of Rest Policy. An employee may independently and voluntarily choose not to take a day of rest and confirm such choice in writing with his or her Supervisor or Human Resources.

Discussion of Wages

No employee is prohibited from disclosing the amount of his or her wages. Aspire will not terminate, demote, suspend, or otherwise discriminate or retaliate against an employee who makes such a disclosure or because an employee exercises his or her rights, or aids or encourages other employees in exercising their rights, under California's Equal Pay Law.

This policy does not require disclosure of wages.

Day of Rest

In each workweek, Aspire will provide employees with at least one (1) day of rest for every seven (7) days within the workweek unless the total hours worked are 30 hours or fewer in the workweek and six (6) hours or fewer every day of the workweek. If the nature of the employee's work reasonably requires that the employee work seven (7) or more consecutive days, the day of rest requirement may be met by providing an average of one (1) day's rest for every seven (7) days on a monthly basis (e.g., four (4) days of rest per calendar month). An employee may also independently and voluntarily choose and confirm in writing not to take a day of rest. Day of Rest Confirmation Forms are available from Human Resources.

This policy does not apply in cases of emergency or to work performed in the protection of life or property from loss or destruction.

Aspire will reasonably accommodate an employee's observance of a Sabbath or other religious holy day, unless doing so would result in undue hardship to the conduct of Aspire business.

Employees will be paid for all hours worked in compliance with federal, state and local law.

Make-Up Time

Aspire allows the use of make-up time when nonexempt employees need time off to tend to personal obligations. Make-up time allows you to take time off and then make up the time later in the same workweek, or to work extra hours earlier in the workweek to make up for time that you will take off later in the workweek. Make-up time requests must be submitted in writing to your Supervisor or Principal before you work the time off. Requests will be considered for approval based on Aspire's legitimate business needs at the time the request is submitted. A separate written request is required each time you want to use make-up time. If you request time off that you intend to make up later in the week, you must submit your request at least 24 hours in advance of the desired time off. If you request to work make-up time first in order to take time off later in the week, you must submit your request at least 24 hours before working the make-up time. Your make-up time request must be approved in writing before you take the requested time off or work make-up time, whichever is first.

All make-up time must be worked in the same workweek as the time taken off. You may not work more than 11 hours in a day or 40 hours in a workweek as a result of making up time that was or would be lost due to a personal obligation.

If you take time off and are unable to work the scheduled make-up time for any reason, the hours you miss will normally be unpaid. However, your Supervisor or Principal may arrange with you another day to make up time if possible, based on scheduling needs. Once you work make-up time in advance of time you plan to take off, you must take that time off as planned, even if you become available to work.

Your use of make-up time is completely voluntary. Aspire does not encourage, discourage, or solicit the use of make-up time.

Travel Time

In addition to the Travel Time Policy in the Handbook, the following state-specific policies apply to nonexempt California employees.

One-Day Assignments to Another City

If an employee who regularly works in one city is given a one-day assignment in another city, which does not result in an overnight stay in that other city, the time spent traveling to/from the other city will be paid.

Out-of-Town Travel

Employees will be paid their regular rate of pay for all time spent on out-of-town travel, regardless of whether the travel occurs during or outside of normal working hours. Time spent driving, flying, or otherwise traveling to and from the out-of-town location is compensable, including time spent waiting to purchase a ticket, waiting for luggage, waiting for a plane to take off and other like circumstances. However, when an employee takes a break from travel to eat, sleep, or participate in other personal activities, such time is not compensable.

5.2 Benefit Eligibility

Regular full-time employees working a minimum of 30 hours per week become eligible for benefits on the first day of the month following their date of hire. Regular full-time employees who have been with Aspire for at least one year, have had a status change and work between 20 and 29 hours per week are eligible for partial benefits.

STRS/PERS Retirement Systems: The primary aim of the California State Teachers' Retirement System (CalSTRS) is to provide retirement-related benefits and services to teachers in public schools and community colleges. The California Public Employees' Retirement System (CalPERS) was established to allow public agency and classified school employees the opportunity to participate in state retirement services and Aspire participates to the extent permitted by law.

These are mandatory programs that California employees are automatically enrolled in. Both systems base the retirement allowance on the service years in the retirement program and include an employee contribution that Aspire matches. To be vested, you must be in the program for five years. If you leave the retirement program before five years, you will not get the employer match, nor will Aspire receive back its contribution.

Short Term Disability

Employees may be eligible for Short Term Disability under the California's Short Term Disability program when they are unable to work due to their own illness or injury. Please contact Human Resources for more information.

6.2 Sick Days

Paid Sick and Safe Time

This policy provides California employees with paid sick time pursuant to the requirements of the Healthy Workplaces, Healthy Families Act of 2014 (the Act).

Sick Time—All Employees

Employees become eligible for sick leave once they have worked for Aspire in California for 30 days within a year. Employees may begin to use accrued sick leave on their 90th day of employment with Aspire. Accrued unused sick time will not cap unless your classification is one of the following:

(1) Part-time (non-benefit eligible);

(2) Temporary; or

(3) Substitutes/Long Term Substitutes.

Under these classifications your sick time will carry over from year to year, but you may never have more than the maximum accrual amount (72 hours). When you hit this cap, accrual will stop and you will not accrue any additional sick time until your balance has dropped below 72 hours.

Number of Sick Days

Please refer to the Handbook or Accrual Chart, available on MyAspire.

Using Sick Days

Employees may request and use up to three (3) consecutive sick days. If sick time is taken for more than three (3) consecutive work days, Aspire may request that the employee provide reasonable supporting documentation establishing the need for and duration of sick time, including documentation from a licensed Health Care Provider. Employees who fraudulently use paid sick time for reasons other than those set forth here and in the Handbook may be subject to disciplinary action, up to and including termination of employment.

Per Aspire's policy an employee may only be paid if sick time has been accrued. Employees may use sick time for absence from work due to preventive care for themselves or a family member, as well as for the diagnosis, care, or treatment of their or their family member's existing health condition, including for an employee who is a victim of domestic violence, sexual assault, or stalking to seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.

For purposes of this Act, "family member" means a (1) child (as defined by the Act), (2) parent (as defined by the Act), (3) spouse, (4) registered domestic partner, (5) grandparent, (6) grandchild, or (7) sibling. Aspire shall also provide paid Sick Days for an employee who is a victim of domestic violence, sexual assault, or stalking, as defined by law.

The employee must provide reasonable advance notification, orally or in writing, of the need to use sick leave, if foreseeable. When the need for sick time is unforeseeable, an employee must provide notice as soon as practicable. Employees should make a reasonable effort to speak to their Manager directly to provide such notice; voicemail and/or email should be used only if an employee is unable to reach their Manager. Notice should be provided for each day sick time is used, unless you have provided notice of an extended absence. Aspire cannot and does not condition the use of sick leave on the employee finding someone to cover his/her work.

Any absence without notice for three (3) consecutive work days will be grounds for termination of employment.

Aspire may require an employee to provide written confirmation that sick time was used for the reasons set forth above. Sick leave is not for "personal" absences, and may not be used during holidays, vacations, or for hours of work outside an employee's regular schedule. If there is reason to believe that sick pay has been misused, sick pay may not be awarded.

Sick time is paid based on the employee's straight time pay rate in effect at the time the sick time is taken. Sick time is not considered time worked for the purpose of calculating overtime for the week in which the sick time was taken.

The guidelines set forth in this policy do not supersede applicable federal, state, or local law regarding leaves of absence, including leave taken under the Family and Medical Leave Act (FMLA), California Family Rights Act (CFRA) and/or as a reasonable accommodation under the Americans with Disabilities Act, or any other applicable federal, state, or local law, including those prohibiting discrimination and/or harassment.

Sick time will run concurrently with any leave taken under any federal, state or local law, including, but not limited to, leaves taken under the FMLA and/or CFRA.

When employment at Aspire ends for any reason, unused Sick Days are not paid out, but for California employees, sick time may be applied towards state retirement programs (CalSTRS or CalPERS), as provided by those plans.

Employees will not receive payment or other compensation for any accrued but unused paid sick time upon separation of employment for any reason.

Kin Care

Employees in California may take all of their legally mandated paid sick leave to care for a spouse, registered domestic partner, child, child of a registered domestic partner or parent who has an illness. This policy complies with California's Kin Care Act.

Discrimination & Retaliation Prohibited

Aspire prohibits discrimination and/or retaliation against employees who request or use paid sick and safe time for authorized circumstances protected by law or for making a complaint or informing a person about a suspected violation of the law. Likewise, Aspire prohibits discrimination and/or retaliation for cooperating with officials in investigating claimed violations of the law, cooperating or participating in any investigation, administrative hearing or judicial action regarding an alleged violation, opposing any policy or practice that is prohibited by the law, or informing any person of his or her potential rights under the law. Employees should contact Human Resources with any questions or complaints.

For Oakland Employees

This sick leave policy applies specifically to employees working in Oakland and supplements the policies set forth for California employees generally, and in Aspire's Handbook.

Permissible Uses

Eligible employees may take sick time for themselves and their eligible family members

- (a) for diagnosis, care or treatment of an existing medical condition;
- (b) for preventative care;
- (c) to attend a medical or dental appointment;
- (d) to attend to or provide care for a family member with a mental or physical illness; and/or
- (e) to recover or recuperate from an injury or health condition.

Eligible employees may also take "safe time" if the employee is a victim of domestic violence, sexual assault, or stalking, and time off is needed to attend to safety planning or other actions to assist the employee, such as judicial assistance, medical attention, counseling, etc.

Designated Person. In Oakland, a family member may also include a "designated person". If an eligible employee who works in Oakland does not have a spouse or registered domestic partner, the employee may designate one person as to whom the employee wishes to use sick time to aid or care for that person. Designation of this person must be done within ten (10) working days of the date the employee is provided an opportunity to designate. Thereafter, Aspire will provide to eligible employees an opportunity to re-designate a designated person on an annual basis.

For Los Angeles Employees

This sick leave policy applies specifically to employees working in Los Angeles and supplements the policies set forth above and in Aspire's Handbook.

Eligible employees may use sick leave for themselves and their eligible family members (a) for diagnosis, care or treatment of an existing medical condition; and/or (b) for preventive care.

Employees may also use sick leave if the employee is a victim of domestic violence, sexual assault or stalking and time off is needed to

- obtain or attempt to obtain any relief (e.g., a temporary restraining order, restraining order, or other injunctive relief) to help ensure the health, safety, or welfare of the victim or his or her child;
- seek medical attention for injuries caused by domestic violence, sexual assault, or stalking;
- obtain services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking;
- obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking; or
- participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

For purposes of this policy, “eligible family members" include

- spouse;
- biological, adopted or foster child, stepchild, legal ward or a child to whom the employee has legal responsibility similar to that of a parent (irrespective of a child’s age or dependency status);
- biological, adoptive or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner or a person who stood *in loco parentis* (in place of a parent) when the employee was a minor child;
- sibling;
- grandparent or grandchild;
- registered domestic partner (as defined by state or local law), as well as the child or parent of a registered domestic partner; and/or
- any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.

6.3 Paid Time Off

Aspire grants Paid Time Off (PTO) to provide benefit-eligible employees with the flexibility to meet both work and personal needs. You can use PTO for any reason (e.g., vacation, illness, medical appointments, personal business), subject to approval by your Supervisor. Your Supervisor may set “blackout dates” during which requests for PTO will be denied (for example: during STAR testing for classroom teachers and principals, or during scheduled audits for an accountant).

Accrual of PTO: Accruals are based on your job title and classification. Please refer to the Accrual Chart on the MyAspire portal.

- The amount of PTO is based on workweek schedules, job title and job classification.

- The maximum limit on the amount of PTO you may accrue is two times your annual accrual, except as set forth below. Once an employee reaches the maximum accrual cap, no additional PTO will accrue until the employee's PTO balance falls below the maximum. There will be no retroactive accrual for the time an employee spends at the maximum accrual cap. PTO will carry over from year to year, subject to the maximum cap on accrual set forth above.

- Employees who transfer into a new role in Aspire will retain their existing PTO accrual balance, and will start accruing at the PTO rate applicable to the new role, up to the maximum accrual cap.

- Aspire retains the right to schedule required use of PTO to meet student and operational needs.

Amount of PTO

PTO accrual rates and caps for employees are based on accrual chart:

- 249 and 235 Exempt (salary): 12 days per school year; provided pro rata at eight (8) hours per month.

- 196 Exempt (salary): three (3) days per school year; provided pro rata at two (2) hours per month.

- 249 and 235 Nonexempt (hourly): 12 days per school year; provided pro rata at 8 hours per month

- 187 -212: three (3) days per school year; provided pro rata at two (2) hours per month.

- Part-Time Benefitted: Exempt (salary) and Nonexempt (hourly): Half of full time accrual for your classification.

- Regular Part Time (scheduled hours between 1 and 29 a week), Temporary, Substitutes, Long Term Substitutes: Do not accrue PTO.

Using PTO

To use PTO, you must follow these procedures:

- Submit PTO requests through Aspire's Time and Attendance system.

- Notify your Supervisor or Office Manager as soon as possible and except under unusual circumstances no later than 2 weeks before your requested time off.

- Advise your Supervisor or Office Manager of your anticipated return date and the need for work coverage.

- Receive written approval from your Supervisor before you use PTO.

PTO Advances

PTO advances are not permitted.

Status Changes

Full-time employees who transfer to part-time status, and are not eligible for part-time benefits, will keep their PTO balance at the time of transfer, but Aspire will not provide them any additional PTO while in part time status. The PTO balance will remain on the books and will be available for them to use whenever they choose. Employees will continue to accrue paid sick leave as required by any applicable law.

Unused PTO at Termination

When your employment with Aspire ends, any accrued but unused PTO will be paid out at your base rate of pay at the time of separation.

6.6 Family and Medical Leave

California Family Rights Act Leave

The provisions of California's Family Rights Act (CFRA) supplement and may differ from the federal Family and Medical Leave Act (FMLA). Aspire will grant leave in accordance with the requirements of applicable state law in effect at the time the leave is granted.

To the extent CFRA leave and FMLA leave run concurrently therewith, Aspire's policy pertaining to the employee's FMLA leave shall also apply to the employee's CFRA leave except as noted below, where the CFRA shall govern.

To be eligible for CFRA Leave benefits, you must (1) have worked for Aspire for a total of at least 12 months; (2) have worked at least 1,250 hours over the previous 12 months as of the start of the leave; and (3) work at a location where at least 50 employees are employed by Aspire within 75 miles, as of the date the leave is requested.

Pursuant to the CFRA, an employee may take up to 12 weeks of unpaid leave for the birth of a child for purposes of bonding, for placement of a child in the employee's family for adoption or foster care, for the serious health condition of the employee's child, parent, or spouse, and for the employee's own serious health condition.

If CFRA leave is for the employee's own serious health condition, the employee may elect or the employer may require the employee to use any accrued PTO. Additionally, the employee may elect to use accrued sick leave for any other reason mutually agreed to by the employer.

Under the CFRA, "spouse" means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides, including common law marriage or same sex marriage in states where these marriages are recognized. Additionally, CFRA Leave is available to eligible employees to care for a registered domestic partner with a serious health condition.

The requirements and procedures for requesting and taking CFRA leave for this purpose are generally the same as for leave to care for other family members, as stated in the Family and Medical Leave policy in the Handbook (Section 6.7) except that the restrictions on intermittent leave for instructional employees do not apply to CFRA Leave. Instructional employees may take CFRA pursuant to the same rules and under the same circumstances as any other covered employee.

All leave time taken to care for a registered domestic partner will be counted against the employee's state family and medical leave law entitlement to the fullest extent permitted by law.

Although the federal ("FMLA") and state ("CFRA") laws have different names, Aspire refers to these types of leaves collectively as "FMLA Leave." No greater or lesser leave benefits will be granted than those set forth in such state or federal laws. In certain situations, the federal law requires that provisions of state law apply. In any case, employees will be eligible for the most generous benefits available under applicable law.

Pregnancy and Pregnancy Related Disabilities Leave and Accommodations

Any California employee who is disabled by pregnancy, childbirth, or a related medical condition is eligible for an unpaid Pregnancy Disability Leave. There is no length of service requirement.

For purposes of this policy, you are disabled from working when, in the opinion of your Health Care Provider, you cannot work at all or are unable to perform any one or more of the essential functions of your job or to perform them without undue risk to yourself, the successful completion of your pregnancy, or to other persons as determined by a Health Care Provider. This term also applies to certain pregnancy-related conditions, such as severe morning sickness or if you need to take time off for prenatal or postnatal care, bed rest, post-partum depression, and the loss or end of pregnancy (among other pregnancy-related conditions that are considered to be disabling).

Reasonable Accommodation for Pregnancy-Related Disabilities

Any employee who is affected by pregnancy may also be eligible for a temporary transfer or another accommodation. There is no length of service requirement. You are affected by pregnancy if you are pregnant or have a related medical condition, and because of pregnancy, your Health Care Provider has certified that it is medically advisable for you to temporarily transfer or to receive some other accommodation.

Aspire will provide a temporary transfer to a less strenuous or hazardous position or duties or other accommodation to an employee affected by pregnancy if

- she requests a transfer or other accommodation;
- the request is based upon the certification of her Health Care Provider as "medically advisable"; and
- the transfer or other requested accommodation can be reasonably provided pursuant to applicable law.

No additional position will be created and Aspire will not discharge another employee, transfer another employee with more seniority, or promote or transfer any employee who is not qualified to perform the new job as a part of the accommodation process.

Examples of reasonable accommodations include (1) modifying work schedules to provide earlier or later hours; (2) modifying work duties, practices, or policies; (3) providing time off; (4) providing furniture (such as stools) and modifying equipment and devices; and (5) providing additional break time for lactation or trips to the restroom. If time off or a reduction in hours is granted as a reasonable accommodation, Aspire will consider the reduced hours/time off as Pregnancy Disability Leave and deduct those hours from an employee's four-month leave entitlement.

Advance Notice and Medical Certification

To be approved for a Pregnancy Disability Leave, a temporary transfer or other reasonable accommodation, you must

- provide 30 days' advance notice before the leave of absence, transfer, or reasonable accommodation is to begin, if the need is foreseeable;
- provide as much notice as is practicable before the leave, transfer, or reasonable accommodation is to begin when 30 days' notice is not foreseeable; and
- Provide a signed medical certification from your Health Care Provider that states that you are disabled due to pregnancy or that it is medically advisable for you to be temporarily transferred or to receive some other requested accommodation.

Failure to provide Aspire with reasonable advance notice may result in the delay of leave, transfer or other requested accommodation.

Duration

Aspire will permit you a Pregnancy Disability Leave for the duration of your pregnancy-related disability for up to four (4) months. This leave may be taken intermittently or on a continuous basis, as certified by your Health Care Provider. The four months of leave available to an employee due to her pregnancy-related disability is defined as the number of days (and hours) the employee would normally work within four calendar months or 17.33 workweeks.

Aspire may require an employee to temporarily transfer to an available alternative position to meet the medical need of the employee to take intermittent leave or work on a reduced schedule as certified by the employee's Health Care Provider. The employee must be qualified for the alternative position, which will have an equivalent rate of pay and benefits, but not necessarily equivalent job duties.

Any temporary transfer or other reasonable accommodation provided to an employee affected by pregnancy will not reduce the amount of Pregnancy Disability Leave time the employee has available to her unless the temporary transfer or other reasonable accommodation involves a reduced work schedule or intermittent absences from work.

The length of the transfer will depend upon the employee's physical condition before and after childbirth. Aspire may require you to provide a new certification if you request an extension of time for your leave, transfer, or other requested accommodation.

Reinstatement

If you and Aspire have agreed upon a definite date of return from your leave of absence or transfer, you will be reinstated on that date if you notify Aspire that you are able to return on that date. If the length of the leave of absence or transfer has not been established, or if it differs from the original agreement, you will be returned to work within two (2) business days, where feasible, after you notify Aspire of your readiness to return.

Before you will be allowed to return to work in your regular job following a leave of absence or transfer, you must provide your Supervisor with a certification from your Health Care Provider that you can perform safely all of the essential duties of your position, with any reasonable accommodation. If you do not provide such a release prior to or upon reporting for work, you will be sent home until a release is provided. Any time before the release is provided will be unpaid.

You will be returned to the same or a comparable position upon the conclusion of your leave of absence or transfer. If the same position is not available on your scheduled return date, Aspire will provide you a comparable position on your scheduled return date or within 60 calendar days of that return date. However, you will not be entitled to any greater right to reinstatement than if you had not taken the leave. For example, you would have been laid off regardless of the leave, or you would not have been offered a comparable position, then you will not be entitled to reinstatement.

To the extent required by law, some extensions beyond an employee's pregnancy disability leave entitlement may be granted when the leave is necessitated by an employee's injury, illness or "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law.

Aspire will not discriminate or retaliate against employees because they request or make use of leave, a transfer, or other accommodations in accordance with this policy. This policy does not limit a pregnant employee's rights under any other policy or laws protecting gender, pregnancy and childbirth, or health conditions related to pregnancy or childbirth.

Integration with Other Benefits

Pregnancy Disability Leaves and accommodations that require you to work a reduced work schedule or to take time off from work intermittently are unpaid. You may elect to use accrued sick time and/or accrued PTO during the unpaid leave of absence. However, use of PTO will not extend the available leave of absence time. PTO and sick time hours will not accrue during any unpaid portion of the leave of absence, and you will not receive pay for official holidays that are observed during your leave of absence except during those periods when you are substituting PTO or sick time for unpaid leave.

California employees should apply for California State Disability insurance (SDI) benefits. SDI forms are available from Aspire or your Health Care Provider. Any SDI for which you are eligible will be integrated with accrued PTO, sick time, and/or other paid time off benefits so that you do not receive more than 100% of your regular pay.

Benefits

Aspire will maintain an employee’s health insurance benefits during an employee’s Pregnancy Disability Leave for a period of up to four months (as defined above) on the same terms as they were provided prior to the leave time. If you take additional time off following a Pregnancy Disability Leave that qualifies as CFRA Leave, Aspire will continue your health insurance benefits for up to a maximum of 12 workweeks in a 12-month period.

In some instances, Aspire may recover premiums it paid to maintain health insurance benefits if you fail to return to work following your Pregnancy Disability Leave for reasons other than taking additional leave afforded by law or Aspire policy or not returning due to circumstances beyond your control.

Family Temporary Disability Insurance (Paid Family Leave Benefits)

The Paid Family Leave (PFL) fund is administered by the California Employment Development Department (EDD), not Aspire, which means that employees must apply to the EDD to receive this benefit when the employee has been approved by Aspire for a leave of absence. In order to obtain approval for leave of absence for the reasons set forth below, the employee must contact the Human Resources Department. Leave to care for certain family members may be covered by applicable law for certain eligible employees. Leave that is not covered by applicable law may or may not be approved by Aspire, in Aspire's sole discretion. Nothing in this policy guarantees that Aspire will provide additional leaves of absence other than those already required by applicable law.

Through the PFL fund, the EDD will provide eligible employees with a wage supplement for a maximum of six (6) weeks within a 12-month period. PFL benefits may be available from the EDD for an otherwise Aspire-approved leave of absence for the following:

1. For the birth or placement of a child, as defined by the PFL law, for adoption or foster care within one year of the birth or placement of the child; or

2. To care for an immediate family member (spouse, registered domestic partner, child or parent, grandparent, grandchild, sibling and parent-in-law as defined by the PFL law) who is seriously ill and requires care.

PFL benefits will be coordinated with an otherwise authorized leave of absence. In such circumstances, the use of PFL benefits and/or PTO during the leave period will not extend the length of the leave beyond what is required by applicable law and/or Company policy. Employee benefits do not accrue during a leave of absence unless otherwise required by law or by applicable Company policies.

6.17 Military Leave

In addition to the federal protections included in Aspire's Handbook, employees in California who serve in the military are entitled to the rights and protections set forth in the California Military and Veteran's Code. Employees who are members of the National Guard or United States Reserve will be granted a temporary leave of absence without pay while engaged in military duty ordered for purposes of military training, drills, encampment, naval cruises, and special exercises or like activities. This leave is not to exceed 17 calendar days annually, including time involved in going to and returning from such duty. Collateral benefits will not be restricted or terminated because of an employee's temporary incapacity as a result of the employee's duty in the National Guard or Naval Militia, if the employee is ordered to duty or training for 52 weeks or less. Similarly, employees who are members of the state Military Reserve will be granted a temporary leave of absence without pay while engaged in military duty for purposes of military training, drills, unit training assemblies, or similar inactive duty training. This leave is not to exceed 15 calendar days annually, including time involved in going to and returning from that duty.

Employees who are members of California's National Guard or the National Guards of other states will be entitled to reinstatement upon return from a military leave for active service, so long as certain conditions are met. Employees returning from leave who were full-time employees will be restored to the same position or to a position of similar seniority, status and pay unless the employer's circumstances have so changed as to make it impossible or unreasonable to do so and part-time employees will be restored to the same position or to a position of similar seniority, status and pay, if any exists, so long as

- the employee is an officer or enlisted member of the National Guard of any state;
- the employee was called to active duty by the Governor of the state in which he or she serves in the National Guard or by the President of the United States;
- the employee received a certificate of satisfactory service in the National Guard;
- the employee is still qualified to perform the duties of the position;
- the employee made application for reinstatement to a full-time position within 40 days of being released from service;
- the employee made application for reinstatement to a part-time position within five (5) days of being released from service; and
- the employee's position was not temporary.

For one year following reemployment, Aspire will not discharge the employee without cause.

Aspire will not discriminate against members of the military or naval services of California or the United States.

Civil Air Patrol Leave

Aspire will not discriminate against an employee for membership in the Civil Air Patrol. Additionally, Aspire will not retaliate against an employee for requesting or taking Civil Air Patrol leave.

Aspire will provide not less than 10 days per year of leave but no more than three (3) days at a time to employees who are volunteer members of the California Wing of the Civil Air Patrol. Employees must have been employed by Aspire for at least 90 days immediately preceding the commencement of leave, and must be duly directed and authorized by a political entity that has the authority to authorize an emergency operational mission of the California Wing of the Civil Air Patrol.

Employees must request leave with as much notice as possible in order to respond to an emergency operational mission of the California Wing of the Civil Air Patrol.

Leave under this policy is unpaid. An employee taking leave under this policy will not be required to exhaust accrued PTO, sick time, or any other type of accrued leave prior to taking unpaid Civil Air Patrol Leave.

Following leave under this policy, an employee must return to work as soon as practicable and must provide evidence of the satisfactory completion of Civil Air Patrol service. If the employee complies with these requirements, the employee will be restored to their prior position without loss of status, pay, or other benefits.

Family Military Leave

Employees who are spouses/registered domestic partners of certain military personnel may receive up to ten (10) days of unpaid leave during a qualified leave period. For purposes of this policy, a “qualified leave

period" means the period during which the individual is on leave from deployment during a period of military conflict.

An employee is eligible for leave under this policy if he or she

1. is the spouse/registered domestic partner of a person who

    - is a member of the Armed Forces of the United States who has been deployed during a period of military conflict to an area designated as a combat theater or combat zone by the President of the United States, or

    - is a member of the National Guard or of the Reserves who has been deployed during a period of military conflict;

2. works for an average of 20 or more hours per week;

3. provides notice of his or her intention to take leave within two (2) business days of receiving notice that his or her spouse/registered domestic partner will be on leave from deployment; and

4. submits written documentation certifying that his or her spouse/registered domestic partner will be on leave from deployment during the time the leave is requested.

Military conflict means either a period of war declared by the United States Congress, or a period of deployment for which a member of a reserve component is ordered to active duty either by the Governor or the President of the United States.

Leave taken under this policy will not affect an employee's right to any other benefits, although an employee may elect to use accrued PTO during the leave.

Aspire will not discriminate against, or tolerate discrimination against, any employee who requests and/or takes leave under this policy.

For more information, please contact your Supervisor or a Human Resources representative.

School or Child Care Activities Leave

Aspire allows California employees who are parents to use their PTO (or unpaid time off if no PTO is available) to attend to certain school or child care activities. An employee who is a parent to one or more children who are of the age to attend a licensed child care provider, kindergarten or grades one through 12 may take up to 40 hours of time off per school year to participate in any of the following:

- Finding, enrolling or reenrolling the child in a school or with a licensed child care provider;

- Participating in school or child care-related activities; or

- Addressing a child care provider or school emergency.

"Parent" includes parent, guardian, stepparent, foster parent, grandparent, and persons who stand *in loco parentis* (in place of a parent) to a child.

Child care provider or school emergencies occur when the child cannot remain in school or with a child care provider due to one of the following:

- The school or child care provider has requested that the child be picked up or has an attendance policy (excluding planned holidays) that prohibits the child from attending or requires that the child be picked up from school or child care;
- Behavioral or discipline problems;
- Closure or unexpected unavailability of the school or child care provider (excluding planned holidays);
- A natural disaster (e.g., fire, earthquake, or flood).

Time off for reasons other than a child care provider or school emergency is limited to eight (8) hours per calendar month.

Employees wishing to take time off for a planned absence (e.g., to participate in scheduled school or child care provider activities or enroll a child in school or with a child care provider) must provide reasonable advance notice to their Supervisor. Employees needing time off to address a child care provider or school emergency must provide notice to their Supervisor as soon as practicable.

If both parents of a child work for Aspire, only one parent—the first to provide notice—may take the time off. Aspire may approve both parents taking time off simultaneously on a case-by-case basis upon written request.

Aspire may require employees to provide documentation from the school or child care provider verifying that the employee participated in the school or child care activity, including the date and time of the activity.

Employees must use accrued PTO for any part of this leave. Employees who do not have PTO available will be allowed time off without pay.

School Discipline Leave

California employees who are the parent or custodial guardian of a child in kindergarten or grades one through 12 may take time off to attend a school conference involving the possible suspension of their child.

For an employee o be eligible for this leave, the child must be living with the employee, and the employee must provide advance notice that his or her appearance at the school has been requested.

Aspire may require employees to provide documentation, including a copy of the school's notice or some other certification stating that the employee's presence at the school is mandatory.

Employees wishing to take such leave may utilize their accrued PTO.

School visits for other purposes may be covered under Aspire's general School or Child Care Activities Leave policy.

6.18 Jury Duty

Aspire encourages its employees to fulfill their civic obligations by performing jury service when called. Our Jury Duty Policy applies to all full-time and part-time regular staff members.

Aspire will grant a leave of absence for jury duty to any employee who has been notified to serve, subject to the following conditions:

- You must provide a copy of the jury duty notice to your Supervisor immediately after you are summoned for jury duty.
- You will be compensated for up to 10 days of jury duty.
- Compensation for each day of jury duty will be equal to your regular daily earnings.
- Aspire does not provide jury duty pay after the first 10 days of service. Following 10 days of service, jury duty will be unpaid. Employees may choose to use accrued PTO.
- You are expected to report to work for any full or partial day you are excused from jury duty.
- You must provide a copy of the jury duty payment stub once you have received it.

Under California law, you have a right to serve on a jury without fear of harassment, dismissal, or retaliation. While on an excused absence for jury duty, all benefits shall remain in effect and the employee will continue to accrue PTO and sick days.

6.19 Time Off to Vote

Aspire encourages all employees to fulfill their civic responsibilities and to vote in all public elections. Most employees' schedules provide sufficient time to vote either before or after working hours. Aspire also encourages employees to take advantage of early voting whenever possible to minimize disruption to the workplace.

If you do not have sufficient time outside of working hours to vote, you may receive up to two hours of paid time off to vote. Any additional time off will be without pay.

Employees must request time off from their Supervisor at least two working days before Election Day so that the necessary time off can be scheduled at the beginning or end of the work shift, whichever provides the least disruption to normal work schedules.

If approved for time off, you will not incur any attendance infractions for missing work in order to vote.

Election Officer Leave

Aspire will not terminate, suspend, or otherwise discriminate against employees who miss work to serve as an election officer on Election Day.

Aspire asks that employees provide reasonable advance notice of the need for time off to serve as an election official, so that the time off can be scheduled to minimize disruption to normal work schedules.

Time off under this policy will be unpaid. Proof of having served as an election official may be required.

Time Off for Bone Marrow Donation

Employees will be provided a leave of absence to undergo a medical procedure to donate bone marrow to another person. The combined length of bone marrow leave may not exceed five (5) workdays in any one-year period. To qualify for this leave, the employee must submit verification by a physician detailing that there is a medical necessity for the donation, as well as the length of each leave requested. Employees must use earned sick time/PTO concurrently with this time off. If an employee does not have enough earned sicktime/PTO to cover the leave, the remaining days of leave will be with pay by Aspire. Use of this leave will not be counted against any available FMLA/CFRA time. This is also not considered a break in service for purposes of benefits or seniority.

While an employee is on leave for bone marrow donation, Aspire will maintain all group health insurance benefits as if he or she were still at work.

In most circumstances, upon return from this leave, an employee will be reinstated to his or her original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. However, an employee has no greater right to reinstatement than if he or she did not take a leave. For example, if an employee on leave for bone marrow donation would have been laid off had he or she not taken a leave, or if the employee's job is eliminated during the leave and no equivalent or comparable job is available, then the employee would not be entitled to reinstatement.

Time Off for Organ Donation

Employees will be provided a leave of absence to undergo a medical procedure to donate an organ to another person. The combined length of the leaves may not exceed 30 business days in any one-year period. To qualify for this leave, the employee must submit verification by a physician detailing that there is a medical necessity for the donation, as well as the length of each leave requested. Employees must use their available sick time/PTO during the first two weeks of leave, and the remaining days of leave, if any, will be with pay by Aspire. Use of this leave will be not be counted against any available FMLA/CFRA time. This is also not considered a break in continuous service for purposes of benefits or seniority.

While an employee is on leave for organ donation, Aspire will maintain all group health insurance benefits as if he or she were still at work.

In most circumstances, upon return from this leave, an employee will be reinstated to his or her original job or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. However, an employee has no greater right to reinstatement than if he or she did not take a leave. For example, if an employee on leave for organ donation would have been laid off had he or she not taken a leave, or if the employee's job is eliminated during the leave and no equivalent or comparable job is available, then the employee would not be entitled to reinstatement.

Time Off for Domestic Violence Victims

Aspire will provide time off to any California employee who is a victim of domestic violence and/or a victim of sexual assault and/or victim of stalking so that the employee may obtain or attempt to obtain relief, and to help ensure the health, safety, or welfare of the employee or the employee's child. The relief that may be sought includes, but is not limited to, a temporary restraining order, restraining order, or other injunctive

relief. When taking such leave, the employee should give Aspire reasonable notice of the leave, unless advance notice is not feasible. Aspire also may require the employee to provide written verification of the need for the time off, such as a police report, court order or documentation from a medical professional, etc.

Aspire will make reasonable accommodations for any employee who reports that he or she is the victim of domestic violence, sexual assault, or stalking, and requests that Aspire accommodate his or her safety while at work, unless undue hardship to Aspire would result. See Section 1.10 of the Handbook and of this Addendum.

Additionally, an employee who is a victim of domestic violence and/or a victim of sexual assault may take time off to attend to any of the following:

(1) to seek medical attention for injuries caused by domestic violence;

(2) to obtain service from a domestic violence shelter, program, or rape crisis center;

(3) to obtain psychological counseling; and/or

(4) to participate in safety planning and to take other actions to increase safety from future domestic violence or sexual assault, including temporary or permanent relocation.

Confidentiality regarding the situation, including the employee's request for time off, will be maintained to the greatest extent possible. Employees may use accrued benefits, such as PTO, in order to receive compensation during the time taken off from work.

Crime Victim Leave for Certain Felonies

Leave To Attend Court Proceedings for Serious Crimes

Aspire prohibits discrimination against an employee who wishes to take time off from work to attend judicial proceedings related to certain violent, serious, or theft/embezzlement-related felonies committed against the employee, the employee's immediate family member, the employee's registered domestic partner, or a child of the employee's registered domestic partner.

"Immediate family member" is defined as an employee's spouse, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father or stepfather.

Before an employee may be absent from work to attend a judicial proceeding, the employee must give his or her Supervisor a copy of the notice of each scheduled proceeding that is provided to the victim by the agency responsible for providing notice, unless advance notice is not feasible. When advance notice is not feasible or an unscheduled absence occurs, the employee must provide within reasonable time documentation evidencing the judicial proceeding from (1) the court or government agency setting the hearing; (2) the district attorney or prosecuting attorney's office; or (3) the victim/witness office that is advocating on behalf of the victim.

Confidentiality regarding the situation, including an employee's request for time off, will be maintained to the greatest extent possible.

Employees may use accrued benefits, such as PTO time or sick time, in order to receive compensation during the time taken off from work.

Leave To Appear in Court

Aspire prohibits discrimination against an employee who is a victim of certain serious criminal offenses and wishes to take time off to appear in court to be heard at any proceeding, including any delinquency proceeding, involving a post-arrest release decision, plea, sentencing, or post-conviction release decision or any proceeding in which a right of the victim is at issue.

A "victim" means any employee who suffers direct or threatened physical, psychological or financial harm as a result of the commission or attempted commission of a serious criminal offense. The term "victim" also includes the employee's spouse, registered domestic partner, parent, child, sibling or guardian.

Before employees may take time off under this policy, they must provide Aspire with reasonable advance notice of their intention to take time off, unless the advance notice is not feasible.

If an employee must take an unscheduled absence due to victimization from a serious criminal offense, the employee must provide Aspire with a certification within a reasonable time. The types of certification to account for an unscheduled absence include a police report indicating the employee was a victim of one of the specified serious criminal offenses; a court order protecting or separating the employee from the perpetrator of one or more of the specified offenses, or other evidence from the court or prosecuting attorney that the employee has appeared in court.;

Confidentiality regarding the situation, including an employee's request for time off, will be maintained to the greatest extent possible.

Employees may use accrued benefits, such as PTO or sick leave, in order to receive compensation during the time taken off from work.

Volunteer Firefighters, Reserve Peace Officers, or Emergency Rescue Personnel Emergency Responder Leave

Aspire will not terminate or discipline any California employee who is a volunteer firefighter, reserve peace officer or emergency rescue personnel because the employee takes time off to perform emergency duty or engages in fire, law enforcement, or emergency rescue training. In the event you need to take time off for this type of emergency duty, please alert your Supervisor as soon as practicable and/or before leaving Aspire's premises, if the emergency arises during your scheduled work hours.

A "volunteer firefighter" includes any person registered as a volunteer member of a regularly organized fire department of a city, county, city and county, or district having official recognition of the government of the city, county, or district in which the department is located, or a regularly organized fire department of an unincorporated town.

"Emergency rescue personnel" includes any volunteer or paid officers, employees, or members of a fire department or fire protection or firefighting agency who perform first aid and medical services, rescue procedures and transportation or other related activities necessary to insure the health or safety of a person in immediate danger. Such personnel include those who work for the (1) federal or state government; (2) city, county, city and county, district or other public or municipal corporation or political subdivision of

this state; (3) sheriff's department, police department, or private fire department; or (4) disaster medical response entity sponsored or requested by the state.

Employees will also be allowed up to 14 calendar days of leave per year to engage in fire, law enforcement or emergency rescue training.

All time off taken under this policy is unpaid, except that exempt employees will be paid when required under applicable law.

7.8 Workers' Compensation

Aspire will grant eligible employees a Workers' Compensation Disability Leave in accordance with state law if you incur an occupational illness or injury. As an alternative, Aspire may offer you modified work. Leave taken under the Workers' Compensation Disability Policy runs concurrently with Family and Medical Leave under both federal and state law.

You must report all accidents, injuries and illnesses that occur while on Aspire property or while performing Aspire-compensated work or services, no matter how minor, to your immediate supervisor.

Should the injury require the attention of a doctor, please seek help immediately. In case of an emergency, you should call 911 or go to the nearest hospital emergency room for treatment, and then utilize the workplace clinics if additional treatment is necessary. Please contact your Office Manager or a Human Resources Representative who can provide you with a list of the nearest Kaiser-on-the-job clinics. This information is also located on MyAspire.

8.3 Final Paycheck

If you resign with at least 72 hours' notice, you will receive your final paycheck on the last day of employment. If you resign with fewer than 72 hours' notice, your final paycheck will be available in the Human Resources office within 72 hours after your last day of work. Upon request, your final paycheck may be mailed to you.

8.5 Unemployment Compensation

For unemployment insurance purposes, a "school employee" is an individual who works or provides services for a public or private nonprofit school employer. School employees may not be eligible for unemployment compensation during school recess periods, such as summer break, if they have a "reasonable assurance" of being "rehired" at the start of the next term. Questions on eligibility for unemployment compensation should be directed to the nearest office of the Employment Development Department (EDD), or visit www.edd.ca.gov/unemployment for more information.

* Aspire Public Schools' mission is to serve high need low-income students and families. Aspire Public Schools participates in the National School Lunch Program (Free and Reduced Lunch Program, or FRL). Generally, a household income of less than $46,000/year for a household of 4 qualifies you for FRL. Families automatically qualify for FRL if receiving food stamps (SNAP), CalFresh, CalWORKs, Kin-GAP, or FDPIR or other public assistance. A foster child is categorically eligible for free meals. 18-19 K-8 Assessment Overview (STILL IN DEVELOPMENT)*

Assessment (Grades)	Primary Purpose	Timing	Description
STAR Ren Reading (2 – 8)	Screener BOY and Evaluative/ Predictive the rest of the year	Fall and EOY Required Recommended at least 4x for progress monitoring	STAR Ren will provide an empirical measure of student reading levels. In the fall it will be a diagnostic measure that can be used for RTI services as well as an instructional measure for differentiation and acceleration. STAR Ren will be used for progress monitoring in the fall and winter and to measure reading growth at the end of the year. This will be administered via the STAR Ren portal.
English Language Proficiency Assessments for CA (ELPAC) (K-8 ELs)	Diagnostic/ Evaluative	ELPAC Initial Fall and ELPAC Summative Spring	The Initial ELPAC will be used in the fall to diagnose the English skills for students who have not been tested on the ELPAC/ previously (e.g. TKs, K, and newcomers). All English Learners will take the Summative ELPAC in the winter/spring to determine their English skills and growth from the prior year. The ELPAC will be administered using official test booklets.
Fall Math Interim	Evaluative	Fall (post week ??)	The Fall Math Interim is an evaluative assessment designed to see determine progress around Eureka content covered to date. It will be given on-line in Illuminate.
Optional SBAC ELA Performance Task (3-8)	Instructional	Any point during the school year	Created by SBAC, the ELA PT will increase understanding of what is expected on the PT as well as give students the opportunity to practice before the SBAC summative test in the spring. The ELA PT provides key information on students' writing skills based on the SBAC rubrics. The ELA PT will be administered online in Illuminate.
SBAC ELA/Math Interim, Comprehensive, Assessments (3-8)	Predictive Instructional	Late Winter	These are SBAC created interims designed using the same blueprint specifications as the summative tests. They will provide target and standard level strengths and skill gaps, an opportunity for students to practice for SBAC, and predictions of students' SBAC performance. The ICAs are currently planned to be administered online in Illuminate.
2nd Grade Aspire ELA Interims (2)	Instructional	Optional December & Late Winter	The 2nd grade ELA interims are designed to identify students' standard level strengths and skill gaps as well as provide an opportunity to practice online testing. These tests are optional for 18-19. They will be administered on-line in Illuminate.
SBAC ELA and Math (3-8)	Evaluative	Spring	SBAC is designed to assess students' mastery of the Common Core standards. It consists of the Computer Adaptive Test and Performance Task in ELA and Math. Given online in the CAASPP system.

CA Science Test (CAST) (5th & 8th)	Evaluative	Spring	Scores for the CAST science tests in grades 5 and 8 will count in 18-19. The CAST will be used to test students' mastery of CA's Next Generation Science Standards. GIven online in the CAASPP system.

ENGLISH LEARNERS MASTER PLAN

Introduction

Who we are. Aspire Public Schools is a charter management organization (CMO) that operates 40 high-performing, college-preparatory public charter schools serving 16,000 students in underserved communities across California and in Memphis, Tennessee. Founded in 1998, Aspire is one of the nation's largest open-enrollment public charter school systems serving predominantly low-income students, and delivering a rigorous College for Certain education to students in grades K-12.

Our mission is to open and operate small, high-quality charter schools in low income neighborhoods, in order to: share successful practices with other forward-thinking educators, increase the academic performance of underserved students, develop effective educators and catalyze change in public schools.

EL Vision. This EL Master Plan describes the guidelines for schools, parents, teachers and administrators for: a) maintaining compliance with Federal and state laws, b) ensuring that ELs have access to rigorous, standards-based curriculum and c) develop students' English proficiency to support success in college and beyond.

This Master Plan reflects our broader equity vision. At Aspire we assert the following equity beliefs:

- Understand the significant difference between equity and equality. Every student deserves to receive what he/she needs to succeed (equity), not that every student receives the same amount of resources, instruction, attention, etc. (equality).
- Develop school environments where all students are actively and meaningfully engaged in rigorous instruction.
- Interrupt the "school to prison pipeline" – policies and practices that are directly and indirectly pushing the most at risk students out of school and on a pathway to the juvenile and criminal justice systems.
- Engage families as partners in meaningful ways in our work.
- Build the capacity of diverse teams that are more reflective of our students.
- Nurture an open, collaborative, and trusting environment because the work is enormous, deeply personal, emotional and often difficult.

We believe that language is the vehicle for understanding academic content and essential for all students to meet their highest potential. Access to language and literature widens perspectives, illuminates the human experience, and deepens understandings of self and others (Framework, 2015). Language proficiency enables our students to prepare for college and career goals. However, we

recognize that ELs bear the additional curricular burden of learning language and content and require additional support in both explicit language instruction and content.

Aspire is committed to ensuring academic success in college and life for our EL population by utilizing evidence-based instructional methods and placing a high value on the knowledge and contributions of our EL students.

Our commitments. In service of this commitment, Aspire pairs high quality instruction using Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) in the general education classroom with EL-specific methodology, provided in both a designated and integrated model. Using robust data systems for teachers, coaches, administrators and district-level staff to monitor academic progress of our ELs throughout the school year and after they have reached reclassification. We utilize interim assessments, curriculum-based assessment and walkthroughs to adjust and refine instruction. We respond to our progress monitoring with professional development for administrators, teachers and instructional assistants to help all school staff support the learning of ELs in our schools.

In accordance with the California ELA/ELD Framework (2015), we believe that by the time a student who is EL has graduated from Aspire, they have:

- developed the readiness for college, careers, and civic life;
- attained the capacities of literate individuals;
- become broadly literate;
- acquired the skills for living and learning in the 21st century

We know that ELs come to our Aspire schools from all over the world, and from within California, with a range of cultural and linguistic backgrounds, experiences and formal schooling. As educators, we must always approach keeping in mind that language develops alongside a student's cognitive development (Framework, 2015). Thus, when older students matriculate we acknowledge that these students bring funds of knowledge in their native language, have attained a level of native language literacy, knowledge of oral vocabulary, language structures that inform the learning of English.

We believe that biliteracy is an asset that deserves frequent appreciation in order to promote student competence and confidence. We believe that our ELs deserve an educational environment that honors the asset of biliteracy, utilizes data to inform the instructional program, promote student awareness and affirms home languages.

We want our ELs to experience rigorous curriculum while accessing appropriate linguistic supports, including access to projects, field trip, service activities to the extent of their general education peers. In addition, activities in their native language can also enhance feelings of inclusion and competence in the educational setting.

This master plan, an embodiment of our equity beliefs, outlines the required legal processes for assessment, designation, academic programming and reclassification of our scholars learning English..

Section 1: Initial Identification, Assessment, Parent Notification

GLOSSARY OF TERMS

The following are operational definitions from CDE that help teachers, parents and administrators understand the policies and instructional guidelines:

CALPADS: California Longitudinal Pupil Achievement Data System is a longitudinal data system used to maintain individual-level data including student demographics, course data, discipline, assessments, staff assignments, and other data for state and federal reporting.

TOMS: Test Operations Management System is a secure Web site that permits local educational agency (LEA) CAASPP (California Assessment of Student Performance and Progress) coordinators to perform a number of tasks for the CAASPP System, which comprises the Smarter Balanced Online Summative Assessments for English language arts/literacy (ELA) and mathematics; the California Alternate Assessments (CAAs) for ELA, mathematics, and science (Pilot 2 of embedded performance tasks); the California Science Test field test; and, for the selected LEAs, the pilot of the California Spanish Assessment. Starting with the 18-19 SY, TOMS will will be used for ELPAC testing as well.

English Language Proficiency Assessments of California (ELPAC): The English Language Proficiency Assessments for California (ELPAC) is the successor to the California English Language Development Test (CELDT). Beginning in 2017–18, the ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English.

Initial Assessment: Initial identification of students as English learners

Summative Assessment: An annual summative assessment to measure an English learner's progress in learning English and to identify the student's ELP level

Initial Fluent English Proficient (IFEP): Student demonstrates proficiency from the ELPAC initial assessment.

English Learner (EL): A student in kindergarten through grade 12 for whom there is a report of a language other than English on the Home Language Survey and who, upon initial assessment (ELPAC) and from additional information when appropriate, is determined to lack the clearly defined English language skills of listening, speaking, reading, and/or writing necessary to succeed in the school's regular instructional programs

English Learner "At-Risk" of Becoming a Long-Term English Learner ("At-Risk"): An English learner (EL) student to which all of the following apply: (1) is enrolled on Census Day (the first Wednesday in October) in grades 3 to 12, inclusive; and (2) has been enrolled in a U.S. school for four or five years; and (3) has scored at the intermediate level or below on the prior year administration of the CELDT; and (4) for students in grades 4 to 9,

inclusive, has scored in the fourth or fifth year at the "Standard Not Met" level on the prior year administration of the CAASPP-ELA

English Only (EO): A student in kindergarten through grade 12 for whom the only language reported on the Home Language Survey (HLS) is English or American Sign Language.

"Ever-EL": A student who is currently an English learner (EL) or who was formerly designated as an EL, but who has now been reclassified fluent English proficient (RFEP).

Initial Fluent English Proficient (IFEP): A student in kindergarten through grade 12 for whom a language other than English is reported on the Home Language Survey and who, upon initial assessment in California using an appropriate state assessment (currently the California English Language Development Test (CELDT)) and from additional information when appropriate, is determined to be proficient in English.

Long-Term English Learner (LTEL): An English learner (EL) student to which all of the following apply:

(1) is enrolled on Census Day (the first Wednesday in October) in grades 6 to 12, inclusive; and
(2) has been enrolled in a U.S. school for six or more years; and
(3) has remained at the same English language proficiency level for two or more consecutive prior years, or has regressed to a lower English language proficiency level, as determined by the CELDT; and
(4) for students in grades 6 to 9, inclusive, has scored at the "Standard Not Met" level on the prior year administration of the CAASPP-ELA. In addition, please note the following: (1) students for whom one or more of the required testing criteria are not available are categorically determined to be an LTEL; and (2) the assessment component of LTEL determination for students in grades 10 – 12, inclusive, is based solely on the CELDT criteria outlined above. For more information see Education Code 313.1

Reclassified Fluent English Proficient (RFEP): A student in kindergarten through grade 12 who, upon entering public school in California, is identified as an English learner (EL) and subsequently reclassified/redesignated in California, per Education Code 313, as proficient in English.

To Be Determined (TBD): A student in kindergarten through grade 12 for whom there is a report of a primary language other than English on the Home Language Survey and for whom the district has not completed the assessment process. The assessment process must be completed within 30 days of initial enrollment.

Home Language Survey

The School administers the home language survey (HLS) upon a student's initial enrollment into the School. The HLS is embedded within Aspire enrollment forms. Students in the country less than twelve months are given the state's Designated Primary Language Test, the Initial ELPAC, to determine the student's academic proficiency when tested in his/her home language.

The HLS consists of the following questions:

1. What language did the student learn when he or she first began to talk?
2. What language does the student most frequently use at home?

3. What language do you use most frequently to speak to this student?
4. Which language is most often used by the adults at home (parents, guardians, grandparents, or any other adults)?

The school site will use the results of the HLS to determine as follows:

- English Only (EO) if the answers all of the four questions on the HLS are "English." The student will be categorized as English Only.

or

- Possible English Learner if the answers to any of the first four questions on the HLS indicate a language other than English, or a combination of English and another language. Thus, the child will be assessed to measure his/her level of English proficiency using the Initial ELPAC. Until language classification is determined, "TBD" will be entered into the student's profile in Powerschool.

Parents hold the right to amend their response to the HLS at any time. However, if the student has already been administered the Initial ELPAC, any changes to the HLS will not affect the student's official language classification. If the parent amends the HLS prior to Initial ELPAC administration, the school must honor the changes made.

Transfers

Students who transfer from local district schools, private schools, out of the state or out of the country will follow the guidelines outlines below. Regardless of the sending school, all updates to student information must be entered into Powerschool by the school staff. "TBD" will be used in Powerschool until accurate information is obtained by the school, as outlined below. Regardless of the sending school, all students will be looked up in the State longitudinal data system called Cal Pads before assessing the student with the Initial ELPAC.

Transfers from other California public school districts. Student records, including the cumulative file, will be requested by the receiving Aspire school upon enrollment. Upon receipt of records, the receiving Aspire school must review all records carefully in order to determine that the student is properly placed in the appropriate instructional programs. Cumulative files will ideally include the HLS, state assessment scores, report cards, and language classification (EO, IFEP, EL, RFEP). Student information will be cross-referenced with CALPADS. School staff will meet with the parent to discuss program placement.

Transfers from private schools. Student records will be requested by the receiving Aspire school upon student enrollment. The initial identification and assessment process will be used for students entering from a private school. Student will be placed in the grade level assigned with the student age, and/or based on student transcripts. School staff will look up the student in CALPADS to verify if the student was enrolled in a public school setting at any time.

Transfers from out-of-country schools and out-of-state schools. Students enrolling at an Aspire school from outside of California or outside of the country will go through the initial identification and

assessment process. Student will be placed in the grade level assigned with the student age, and/or based on student transcripts. Staff will look up the student in CALPADS to verify if the student was enrolled in a California public school setting at any time.

Assessment - Initial ELPAC

State and Federal regulations require that if a student's HLS indicates a language other than English is used at home, the student's English language proficiency level must be assessed so that the school team can address the linguistic needs of the student within 30 days of student enrollment.

To ensure accuracy, it is imperative that all student records are verified in CALPADS prior to test administration so that students are not mis-identified. If CALPADS indicates that the student has already received the CELDT or Initial ELPAC, the student should not be re-tested unless the school site identifies a reason to do so.

Starting in the 2018-2019 school year, the ELPAC will take the place of the California English Language Development Test (CELDT). The Initial ELPAC will be used for students who have not yet taken the CELDT or ELPAC and who have not yet been classified as an English Learner. Prior to administration, teachers will be trained in administering and scoring the Initial ELPAC.

Timeline. Assessment will occur within 30 calendar days at the beginning of the school year or within 2 weeks of the student's enrollment if the student enrolls mid-year.

- Students are given the the Initial ELPAC within 30 days of initial enrollment[1]
- the initial ELPAC is locally scored by the school site
- Based on the student's overall performance on the initial ELPAC, they may be classified as
    - An English Learner (EL) and must be annually assessed with the Summative ELPAC until the student meets the eligibility criteria for reclassification and is Reclassified to Fluent English Proficient (RFEP).
    - Initially Fluent English Proficient (IFEP)

Parents are notified using the initial parent notification letter (see Appendix) when the student's scores and classification are determined by the site, within 30 days of enrollment (20 United States Code (U.S.C.) Section 6312).

Assessment - Summative ELPAC

The Summative ELPAC will be used to annually assess EL students' progress towards mastery of the English language and reclassification, and will be used to fulfill the requirements under the Every Student Succeeds Act (ESSA) for annual English proficiency testing.

The Summative ELPAC will be administered every spring between February and May until they are reclassified as English proficient.

[1] The thirty day requirement applies to students who are entering a California public school for the first time or for students who have not yet been CELDT (ELPAC) tested. All other students who have indicated a home language other than English will continue with annual CELDT (ELPAC) testing based upon the date last tested at the prior school of enrollment.

The four areas tested by the ELPAC are Listening, Speaking, Reading and Writing and the overall scaled score falls within levels one through four. The figure below illustrates how ELPAC performance levels correlate with the 2012 California Framework in which EL students fall within one of three performance levels, Emerging, Expanding and Bridging.[2] The Appendix includes descriptions for each ELPAC level and Framework Level.

Emerging: Students at this level typically progress very quickly, learning to use English for immediate needs as well as beginning to understand and use academic vocabulary and other features of academic language.

Expanding: Students at this level are challenged to increase their English skills in more contexts and learn a greater variety of vocabulary and linguistic structures, applying their growing language skills in more sophisticated ways that are appropriate to their age and grade level.

Bridging: Students at this level continue to learn and apply a range of high-level English language skills in a wide variety of contexts, including comprehension and production of highly technical texts. The "bridge" alluded to is the transition to full engagement in grade-level academic tasks and activities in a variety of content areas without the need for specialized ELD instruction. However, ELs at all levels of English language proficiency fully participate in grade-level tasks in *all* content areas with varying degrees of scaffolding in order to develop both content knowledge and English.

The three levels represent the stages of English language development, describing expectations for how well students can understand and use the English language at each level as they continue to build on existing language skills and knowledge. [3]

Regardless of proficiency-level, all ELs are capable of high-level thinking and can engage in complex, cognitively demanding social and academic activities requiring language, as long as they are provided appropriate linguistic support. The extent of support needed varies depending on the familiarity and complexity of the task and topic, as well as on the student's English language proficiency level. Three corresponding levels of support match each language level: substantial, moderate, and light. The

[3] https://www.cde.ca.gov/sp/el/er/documents/eldstndspublication14.pdf

descriptors for these general levels of support are intended to signal the extent of linguistic scaffolding most likely needed for appropriately implementing the CA ELD Standards at each proficiency level. However, the descriptors are not intended to prescribe program placement or curriculum choices; schools are encouraged to utilize multiple sources of data to develop a linguistic support program for each EL student.

Students with Disabilities

Students with disabilities will take the Initial and Summative ELPAC tests and have access to the universal tools, designated supports, accommodations, updated annually by the California Department of Education (CDE).[4]

Primary Language Assessments

Students designated as ELs on the basis of the Initial ELPAC are not automatically assessed in their primary language. On a case-by-case basis, EL students may be given a primary language assessment (i.e., Aprenda in Spanish), based on the recommendation of the school site. The purpose of a primary language assessment is to determine proficiency in content area topics in the student's home language and to guide instructional programming. Assessment, whether formal or informal, in a student's primary language can indicate a student's content knowledge, high order thinking and can serve to demonstrate a student's assets coming into the classroom.

Parental Notification of Initial Assessment Results and Program Placement

All Parents of EL students who are administered the annual ELPAC receive official notification within 30 calendar days, informing them of their child's:

- Annual English language proficiency level (provisional, then official when results become available) and how it was assessed
- Official language classification

In addition to the above, parents also receive information regarding the:

- English language proficiency level from annual assessment, and how it was assessed
- Instructional program, educational strategies, and educational materials to be used in each program
- Progress expectations for the student's program option
- Reclassification, or program exit criteria
- Instructional program for ELs with a disability (with an Individualized Education Program [IEP]) and how such program will meet the objectives of the IEP
- Expected rate of graduation for ELs

[4] https://www.cde.ca.gov/ta/tg/ai/elpacmatrix4.asp

Parents of ELs and IFEP students are informed of the above information via the school's Initial Parent Notification of Language Test Results letter and the Parent Notification of Reclassification Criteria (See Appendix A). Parents are advised to contact the school if they should need additional information.

Parent Confirmation of Program Placement

After parents are informed of the initial ELPAC results, the Initial Parent Notification of Language Test Results is returned to the school with the parent's signature. By signing this letter, the parent confirms receipt of the assessment results and program placement. If the parent does not agree with the program placement or has questions regarding the assessment results, he/she may request a conference with the school administrator to discuss the information contained in the letter. The signed letter is filed in the student's cumulative record.

Parental Exception Waivers

Per EC Section 310, the requirement to place an EL in an English Language classroom may be waived with prior written informed consent, to be provided annually, of the child's parent or legal guardian. The forms are available at the school office and must be submitted to the school office. At any time during the school year, a parent may request a change in program or placement into a general education English language classroom.

The school grants the Parental Exception Waivers unless the school principal and educational staff has substantial evidence, such as formal assessments, that the alternative program would not be in the best interest of the child. If a waiver is denied, the reason is documented and provided to the parent in writing. Parents may appeal the school's decision by contacting the Vice President of Education at Aspire Public Schools in writing.

Annual Language Classification/Status

Parents of ELs are notified each year of their child's current language classification along with the annual assessment results. A student remains an EL until he or she has met the criteria for reclassification.

Section 2: Instructional Program

Introduction

This section of the master plan will describe how Aspire schools will adopt curricular and programmatic strategies to support EL students' mastery of the English language, Common Core State Standards (CCSS), Next Generation Science Standards (NGSS) and access to college and career readiness. 2012 ELD standards were written to correspond to the Common Core ELA standards, and highlight and amplify the critical knowledge about language and skills required to reach the rigor of the new CCSS standards. A major difference from the previous State ELD standards, is that the new 2012 Framework requires fewer, clearer and higher targets for EL students.

ELs deserve engaging, meaningful and relevant, and intellectually rich and challenging learning activities across curriculum and throughout the day. These learning experiences must be appropriately scaffolded in order to provide strategic support that moves learners toward independence, builds content knowledge and academic, values and builds on primary language and culture and other forms of primary knowledge.[5]

It is critical that all educators hold a belief in the academic and cognitive potential of each language learner, acknowledging the marriage of language acquisition and the rigor of CCSS and NGSS. In the spirit of this 'marriage,' the 2012 Framework and ESSA goals demand that our ELs meet high levels of achievement as well as master the English language.

As such, this section will also address the criteria and procedures for reclassifying students as Redesignated Fluent English Proficient (RFEP).

Student Achievement Goals & Accountability

In accordance with federal ESSA requirements, the achievement of ELs will be annually reported to the state and published as part of the CDE California Dashboard. The English Learner Progress Indicator (ELPI) measures the percent of EL students who are making progress towards language proficiency and the number of ELs who were reclassified from EL to RFEP in the previous year

In addition to the ELPI measures, Aspire sites are required to track academic achievement and reclassification as a requirement of LCAP.

1. Academic Achievement – ELs must show evidence of academic achievement at the same rate or higher as measured by Aspire-made assessments and benchmarks, StarRen, ICA Assessments, Eureka Math Interims for K-8, and the California Common Core State Standards Assessment (SBAC). Each school's individual charter and LCAP provide specific growth targets.

[5] ELD Framework for California Public Schools, (2014)

2. Reclassification- All English Learners who meet established criteria are reclassified and their progress is monitored for up to 4 years.

English Language Development (ELD) Placement and Instructional Design

Support for English Learners varies as much as the individual student. English learners' needs can vary based on age, grade, native language, language proficiency levels and quality of previous schooling, but each child also brings unique strength to meet those needs. By having a common understanding of students' needs and the goals for all students, the school provides a needed consistent program no matter the adult working with a child.

The tenets of the Aspire ELD program include these guiding principles:[6]

- The priority for instruction is language learning and exploration.
- Upon frequent analysis of formative and summative data, students are grouped by proficiency level. Data includes: Star Ren, DRA, SBAC, Eureka Math module assessments, Interim assessments, EL Achieve end-of-unit assessments, writing samples, oral language samples.
- Language tasks are relevant to students and applicable to the real world.
- Provides a systematic method for language instruction based on the 2012 ELD standards to address gaps in language proficiency.

Students are placed in the appropriate English Language Development (ELD) program based on assessment data from CELDT, ELPAC, SBAC and Aspire-wide assessments. Student placement can change throughout the course of the school year based on progress monitoring or by parental waiver.

Aspire schools provide a general education English instructional placement for all ELs, taught by staff with the appropriate authorization to each ELs.

ELD is the catch-all term that describes all instructional supports for English learners. The purpose of ELD instruction is to advance English learners' knowledge and use of English in increasingly sophisticated ways.[7]

ELD instruction both embedded into grade level standards and includes explicit language instruction tied to the ELD framework (2014). Current research evidence indicates that providing explicit ELD instruction is valuable for ELs, and there is evidence that ELD instruction should include interactive activities that require critical thinking and collaboration among students. [8] Further, EL instruction

should build upon the funds of knowledge within students and apply culturally relevant activities based on student interests.[9]

The tenets of a high quality program include these guiding principles[10]

- The priority for instruction is language learning and exploration.
- Upon frequent analysis of formative and summative data, students are grouped by proficiency level. Data includes: Star Ren, DRA, SBAC, Eureka Math module assessments, Interim assessments, EL Achieve end-of-unit assessments, writing samples, oral language samples.
- Language tasks are relevant to students and applicable to the real world.
- Provides a systematic method for language instruction based on the 2012 ELD standards to address gaps in language proficiency, including foundational reading.

Integrated ELD is regular class time where teachers with ELs in their classrooms use the 2012 **ELD** Standards in tandem with the focal standards—Common Core State Standards for ELA/Literacy and mathematics, or CA Next Generation Science Standards for Science.

Designated ELD is a protected time during the regular school day when teachers use the 2012 **ELD** Standards as the focal standards. This allows students to develop critical English language skills, knowledge, and abilities needed for content learning in English.

All ELs participate in ***Integrated ELD***, which occurs in all core content areas during core instruction and taught be credentialed staff with EL authorization. Language objectives, vocabulary supports and formal and informal language practice engages English learners with their non-EL peers through collaboration, interpretation and production of the English Language.

English Learners at all levels also participate in a ***Designated ELD*** program. At Aspire, we have adopted the EL Achieve® curriculum for Designated ELD, which include daily lessons in ELD ranging from 20-60 minutes, taught by a teacher holding EL authorization. In the elementary schools, these ELD lessons occur in a small group setting within the general education classroom. In the secondary setting, these ELD classes are built into the master schedule and reported on transcripts as *Academic Literacy.* The following sections describe our two programs in greater detail.

Designated ELD

As stated in the CDE ELD Framework, "designated ELD is a protected time during the regular school day when teachers use the CA ELD Standards as the focal standards…" Aspire adheres to this philosophy by offering Designated English Development during the regular school day at all of its schools.

TK-5th Grade. In Transitional Kindergarten (TK) through 5th grade all general education teachers with ELs in their classroom provide a 20-60 minute block of designated ELD instruction daily. Students are grouped based on grade-level or grade-span, and then further grouped language proficiency level. Students are grouped within one level of their proficiency level. Schools utilize lessons based on ELD Standards. In Los Angeles, the EL Achieve® is utilized during this time and focuses on structured student talk, giving language learners opportunities to build speaking and listening abilities in the English language.

Student progress is monitored through formative and summative assessments. For example, EL Achieve® includes end-of-module assessments that provide formative progress on listening, speaking, reading and writing domains. Teachers analyze assessment data to provide differentiated learning targets and supports within each proficiency level. For example, students at the late stages of the emerging level are taught more advanced vocabulary and language frames than students at the early stages of the emerging level within the same designated ELD class. Supports are given and removed according to a student's proficiency within that level.

Progress of ELs on internal Aspire assessments in ELA and Math helps sites and the regional office determine if ELs are making adequate progress on CCSS grade level content.

Secondary. In 6th through 12th grade, Designated ELD is built into the schools' master schedules, taught by teachers with proper authorization and often students receive letter grades for the courses. The overall goal of our EL program in secondary, whose student population is mainly comprised of Long Term English Learners (LTEL)s and the occasional Newcomer, is to a) reclassify students as RFEP and b) to prepare students to fully participate in the A-G courses and to graduate from high school prepared for college level coursework and careers.

At minimum, students at all ELD levels are programmed into a designated ELD course called Academic Literacy. These Academic Literacy courses correspond to EL level with students are grouped within one level of their proficiency; curriculum and lessons are based on the ELD standards, and include opportunities to speak informally and using academic language. The focus on secondary designated ELD is how language works within the content areas. Designated ELD classes do cover content area topics and vocabulary. Curriculum tools can include Study Sync ELD guides aligned to ELD standards, and the state-adopted programs such as English 3D, APEX literacy program. In addition, teacher-made lessons with a focus on oral language development supplants the standards-based instruction from the other courses in the students' schedule.

During the quarterly data review, EL students' progress is measured against Aspire reclassification criteria. In addition, progress of ELs is monitored through analyzing subgroup data on Aspire interim

assessments in Math and ELA. Data analysis indicates which students may be on track to reclassify, and which students may need additional supports and scaffolds to master language in the content areas.

Integrated English Language Development

All EL students in TK – 12th grade participate in Integrated ELD in which students fully participate and access the general education curriculum using CCSS standards. In Designated ELD the focus is the ELD standards. However, in Integrated ELD, the curricular focus is the CCSS or NGSS standards. As outlined by the State, Key components of Integrated ELD include:

"effective instructional experiences for ELs throughout the day and across disciplines, are interactive and engaging, meaningful and relevant and intellectually rich and challenging, are appropriately scaffolded in order to provide strategic support that moves learners toward independence, builds both content knowledge and English value and builds on primary language and culture and other forms of prior knowledge."[11]

Academic understandings and skills are underpinned by language, both in terms of understanding concepts and procedures that are subject-specifics. [12] To supplant the curriculum with language instruction, educators integrate research-based strategies[13] such as:

- Realia: real objects and materials
- Manipulatives: drawings, posters, brainstorming-clusters, graphs, tables, maps, props, multimedia presentations, storyboards, storymaps
- Visuals: study-prints, textbook illustrations, overheads-projected prints, reproductions of paintings and documents, and documents
- Graphic organizers: matrices, Venn diagrams and webs
- Planned opportunities for interaction between all individuals in the classrooms: creating a skit and acting it out, cooperative learning, collaborative groups and student-generated writing based on personal experience
- Embedded language instruction while students are learning content
- Opportunities for learning that are meaningful and relevant
- Explicit instruction of key vocabulary and cognates
- The use of Word Walls and anchor charts in every classroom
- Scaffolding text, such as anticipatory pre-reading of text

- Daily use of leveled reading material during Reading Workshop
- Accountable Talk framework teachers explicitly model the type of language students are expected to use, providing appropriate supports for ELs, such as sentence starters, word banks and leveled questions.
- Primary language support as needed.

English Language Arts

Specific strategies are used to support English Learners as they tackle the CCSS in Language Arts[14] and the ELD Standards. The school provides instruction in units of study to assist students in building vocabulary. Different sources on one topic help build context and accelerate vocabulary acquisition. To support writing, students are exposed to different types of writing, assignments are meaningful to the student and assessment is focused on content and not only mechanics. Speaking and listening for English learners requires instructional strategies such as academic discourse, Think-Pair-Share and extensive collaboration.

Teachers support students in accessing complex texts through building background knowledge, explicitly teaching academic vocabulary, and teaching metacognitive strategies for understanding texts. Teachers engage students in the close reading process to first read for clarity and address misconceptions, understand what the author is saying and why, and to integrate their understanding with other texts and topics. English learners are supported through the use of texts that capitalize on their background knowledge and experiences. Academic instruction techniques are implemented such as Marzano's 6 steps for vocabulary acquisition as well as frequent opportunities to practice the language in context with structured oral language activities. Instruction is embedded in content units in which students have repeated exposure to content vocabulary over time. Teachers also utilize Guided Language Acquisition Design (GLAD) or Constructing Meaning (EL Achieve) strategies where applicable in supporting students as they work toward mastery of the grade level common core state standards.

Mathematics

During mathematics instruction, the overall focus is on mathematical thinking and not accuracy in language. This oral discourse is key for ELs as noted in the ELA/ELD Framework. Just as teachers focus on meaningful and engaging activities designed to build content knowledge before strategically delving into specifics about the language of this content, the CA ELD Standards are organized with the focus on

[14] Language Demands and Opportunities in Relation to Next Generation Science Standards for ELLs: Helen Quinn, Okhee Lee, and Guadalupe Valdes;
Mathematics, the Common Core, and Language: Judit Moschkovich;

meaning and interaction first and the focus on knowledge about the English language and how it works afterward.

This meaning making takes place during Student Debrief, Closing, or Problem Solving. Mathematical vocabulary is taught within the context and not in isolation. Finally, the software used in our blended learning program (i.e., Dreambox, TenMarks) allows students to manipulate models and hear feedback orally in a differentiated way.

When learning new concepts, students are given functional language frames and academic vocabulary to enable them to use the language of the standard in their discussions with each other. Students explore concepts first through 3-D models and manipulatives followed by pictorial representations and finally symbolic expression and algorithms. Mathematical problems involve real-world scenarios that are meaningful and relevant to students and their communities. Students engage in problem solving sessions 1-2 times per module in which they are required to collaborate with others, explain their thinking with evidence, and build upon and challenge the ideas of others. During this time, teachers support ELs with the Interacting in Meaningful Ways ELD standards, giving them visual supports and language frames as needed to strengthen their discussions. Students are encouraged to prove their solutions to others using a variety of methodas and models. Comparative discussions of the strategies used in the classroom give students increased opportunities to deepen their conceptual understanding.

One practice used in many Aspire integrated ELD math lessons is the Three-Phase Lesson strategy,[15] which increases student independence with solving word problems. In this strategy, students engage in a process in which they 1) read to understand the story, 2) read to understand the math, and 3) read to make a plan. Between each read, students are provided with sentence frames (as needed) to appropriately ask and respond to questions through structured student-to-student discourse protocols. The Three-Phase Lesson allows students to engage with the language demands of a rigorous, grade level problem while solving it.

Next Generation Science Standards (NGSS)

Integrated instruction in science involves support through extensive models and diagrams. This strategy allows learners to describe functions and relationships before acquiring the technical vocabulary. Additionally, English Learners have extensive academic discourse to build their ability to reason orally before moving onto written. As ELs progress along the ELD continuum, teachers can adjust the level of support they provide students in the academic vocabulary of science. Finally, examples of journal, reports and other written assignments along with opportunities to revise language supports learners as they master the Next Generation Science Standards.

[15] https://achieve.lausd.net/Page/11671#spn-content

Students engage in inquiry-based learning as their teachers take them through 5E lesson plans. In this method, students engage in hands-on experiences and build their schema around a topic at the start of each unit. Inquiry lessons connect to real-life issues that are relevant to students and their communities. Repeated exposure to the same topic over an extended amount of time support students with learning related vocabulary terms within that discipline. As part of the inquiry process, students collaborate, ask and answer questions, and challenge the ideas of other students. They are required to closely read scientific texts and use evidence to support their conjectures. Teachers provide supports to students as needed based on their level of proficiency. These might include reading a text aloud to students, providing additional language frames and models, or providing additional visual supports (e.g. GLAD and Constructing Meaning strategies). By using the inquiry method, EL students engage in productive academic struggle which will simultaneously support the development of their proficiency in English.

Social Studies

Schools build the competence of students in ELD and content aligned with the Common Core State Standards for History-Social Science. This preparation includes practice with academic discourse, units of study, extensive use of maps and graphic organizers.

Social studies is taught within content units of study that last approximately six weeks. During this time, students learn the language of a topic through reading multiple texts on the same topic. Students are exposed to first- and second-hand accounts, including primary and secondary documents, of historical events through a variety of genres. Throughout the units of study, students participate in structured language practice while receiving constructive feedback from their teacher and peers. Students may participate in culminating projects in which they demonstrate their understanding through an artistic, written, or oral presentation for an audience. EL's receive supports as needed, including differentiated levels of texts, functional language frames, and visual supports.

Long Term English Learners (LTELs)

The state defines Long Term English Learners (LTEL)s as students who have been in school in the US longer than five years (i.e., in the sixth year of schooling) and have not met the criteria for reclassification. Many LTEL students have strong social language, however require more intensive and individualized services to access the academic language demands of secondary content. LTELs are more likely to be in middle and high schools, struggle academically, less likely to be engaged in school and less likely to graduate from high school. [16] In order to meet the needs of these learners, Aspire creates dashboards to make identification of long term English learners easier for teachers. A screenshot from our data portal is below.

Once identified, teachers make significant adjustments in their instruction. These strategies identified as being effective for long term English Learners include:

- Specialized small group instruction or separate classes for long term English learners
- Explicit language and literacy development across the curriculum
- A flexible RtI process that makes sure students are progressing or getting additional supports
- A focus on engagement and study skills during Advisory

Intervention specialist teachers and Deans of Instruction monitor the progress of LTEL students throughout the year to ensure that they are making adequate progress towards standards, pass classes and stay engaged in school. The ultimate goal is for our LTEL population to reclassify, to ensure their engagement in school and boost their self-efficacy and to actualize their pathway to college.

Newcomers

A newcomer as defined by Aspire is a student enrolled in a US school fewer than two years and whose language proficiency falls in the Emerging or Expanding category, per the Initial ELPAC assessment. Students brand new to the country and/or English have unique and personal needs; they may have limited literacy or formal schooling in their native language or may have extensive educational

experiences in their native language. Great care must be taken to acculturate these students into life in the US and California. Research on students new to the country identifies five important elements for their success[17]. Aspire schools implement the following for newcomer students:

1. Formal and informal data collection – In addition to the Initial ELPAC, a formal assessment, students may experience informal assessment such as observations, interviews, work samples so that educators can ascertain their language ability and content knowledge in their home language
2. Warm and welcoming environment – School personnel find a staff member who can speak with the student and parent in their home language in order to explain EL policies, programming and make the student feel comfortable in the new school setting.
3. Heterogeneous Grouping - Because our schools are small, newcomers in general education classrooms with students at varying levels of language acquisition, peers model the use of English in instructional and social settings. Peer buddies may provide translation if appropriate.
4. Extended Instructional Time - All of our schools run longer school years and longer school days. Additionally, after school program can include support for English Language Development for all newcomers.
5. Targeted Resources for Language and Literacy Development - Newcomers receiving supplemental designated ELD and other supports via their Personalized Learning Plan use ELD curriculum such as APEX or Rosetta Stone. This curriculum includes specific programs for newcomers. Teachers providing the support receive the appropriate professional development.

Progress Monitoring

English Learners have the same thorough ongoing assessment as all of our non-English Learners. This is primarily done through our Multi-tiered support system (MTSS) team and our cycles of inquiry.. The school-site RtI team meets on a monthly basis to determine any students who may not be making adequate progress. They analyze data by subgroups and look for any students requiring intervention. These supports are then provided in the classroom or a small group setting outside of the classroom.

In addition, Aspire's Data and Assessment team at the home office developed a student progress monitoring dashboard that allows school sites to continuously monitor the progress of their EL students achievement on SBAC, ELPAC, Star Ren, DRA, and other criteria that affect the outcome of students. A screenshot of the Dashboard is provided below:

Redesignation Procedures & Reclassification (Exit) Criteria

Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following

State Criteria	'18-'19 Aspire Policy
Assessment of English Language Proficiency	**Using ELPAC:** 1. Overall score of Level 3 (or higher) 2. Oral Language score and Written Language score of Level 3 (or higher)
Teacher Evaluation	Teacher (ELA teacher in upper grades), agrees the student should be reclassified based on classroom evidence of academic performance

Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified
Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	Scored at or above on one of the following academic indicators (see table here for academic indicator cut points by grade): 1. Nearly Met level (Level 2) or higher on the ELA SBAC. 2. Nearly Met level (Level 2) or higher on the ELA ICA 3. One level below DRA/F&P independent grade level cut off. For K-1 EOY DRA, kinders and 1st graders can be 2 levels below (scoring 2 and 12 and above, respectively). 4. Below Grade Level on STAR Ren (Grades 2-12) or lexile of -104 for K and 1

After receiving the ELPAC results each year, the Data & Assessment team at Home Office generates a list of possible students for redesignation based on these criteria. Parents are notified by school sites and given the option to review and express an opinion on redesignation.

After a student is redesignated as RFEP, student achievement is reviewed by the Response to Intervention team every six to eight weeks. Formal assessments happen each year with a review of the student achievement of reclassified students. Reclassified students must be monitored for continued progress for 4 years.

Reclassifying English Learners with Disabilities

An EL student with a disability may be reclassified as RFEP using the guidance below. The IEP team must consider how the EL student would compare to another student with a similar disability who is not identified as EL.

State Criteria	'18-'19 Aspire Policy
Assessment of English Language Proficiency (ELPAC Test Results)	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. Home Office Recommendation: Score at Somewhat Developed (Level 2) Overall (to be modified by IEP teams based on student's disability)
Teacher Evaluation	Ed Specialist and ELA/ELD teacher agrees the student should be reclassified based on classroom evidence of academic performance
Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified
Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. The range of criteria offered below aims to give students with disabilities several options for demonstrating ability. 1. Nearly Met level (Level 2) or higher on the ELA SBAC. 2. Nearly Met level (Level 2) or higher on the ELA ICA 3. Two levels below DRA/F&P independent grade level cut off. For K-1 EOY DRA, kinders and 1st graders can be 2 levels below (scoring 2 and 12 and above, respectively). 4. STAR Ren level at the average of an English Only student with a similar disability, see table 5. The IEP team can use results from another valid and reliable assessment that can compare the basic skills of English Learners with disabilities to native speakers of English with similar disabilities of the same grade level to determine sufficient mastery of the basic skills for reclassification. Assessments must be given by appropriately credentialed staff. (ex: WJ, KTEA, WIAT-III)

For Students with Disabilities on Alternate Curriculum

State Criteria	'17-'18 and '18-'19 Aspire Policy (no change)
Assessment of English Language Proficiency	VCCALPS assessment with a score of 49 or above
Teacher Evaluation	Education Specialist agrees the student should be reclassified based on evidence of academic performance
Parent Opinion and Consultation	Parent receives notice of reclassification eligibility and is given an opportunity to indicate if they disagree that the student be reclassified
Comparison of student performance in basic skills against an empirically established range of performance in basic skills based on the performance of English proficient students of the same age.	The IEP team must discuss the individualized criteria and write the chosen criteria into the student's IEP, keeping in mind that the student's performance in basic skills may be impacted by their disability. Basic Skills assessment used in IEP testing (ie., OWLs, WJ or WIAT)

Instructional Program for ELs with Disabilities

ELD instruction is mandatory for all English Learners, including those with IEPs, and occurs daily until they are reclassified. English Learners with disabilities receive ELD in the general education classroom with students of like age/grade and language proficiency whenever possible. For English Learners with IEPs, the opportunity to have access to non-disabled peers is essential to their growth and development. The requirements for instructional time and grouping previously described for designated and integrated ELD apply to English Learners with disabilities.

The IEP team decide placement of English Learners with special needs based on individual student needs. At the IEP meeting, the team discusses the instructional components that have been identified to meet the student's individual needs and monitors the student's progress in ELD, which include IEP goals in the area of English Language Development, as well as accommodations/supports and services. In order to determine whether a student is making adequate progress in ELD, the IEP team uses assessments used by the classroom teacher and others appropriate for the student's disability. If the team determines that the student is not making adequate progress in ELD due to the impact of disability, the IEP team reviews and revises the student's individualized goals, as well as accommodations/supports and services, including consideration of whether the student should receive ELD in a specialized education setting.

College Readiness Measures for English Learners

Aspire holds a mission to prepare all students for college upon graduation from an Aspire high school, and has internal metrics are used to track student preparedness to transition to a university setting. College readiness at Aspire is defined as:

- ACT: Scoring 22+ on English and 23+ on Math
- SBAC: Level 3 meeting on both ELA and Math
- Pass ***any*** college course or Pass ***any*** AP exam
- Participate in an SEL program

All English Learners receive support to meet the A-G requirements for admission to a California public university and access and pass the college courses or AP classes. High school teachers and counselors have pre-designated time to support ELs struggling with any of these requirements and a process exists to waive requirements when appropriate, as long as the student meets the California minimum graduation requirements.

Students who are EL may also apply for accommodations on the ACT annually during the testing administration through the school site testing coordinator.

CAASSP accommodations, designated supports and universal supports are provided to EL students in their 11th grade year to meet the Level 3 score on SBAC. [18]

Data for scoring college ready by every metric is disaggregated by subgroups including English Learners throughout the year to identify any patterns or needs before the master schedule is created at our secondary schools.

Some secondary school sites have opted into the State Seal of Biliteracy program[19] that honors those students who graduate from high school mastering listening, speaking, reading and writing in English and one other language. If a student meets the State criteria, the state affords the student a special seal to be affixed on the high school diploma. For those students who were ELs, this program celebrates the students' mastery of their home language and acquisition and mastery of English as well, as biliteracy is a compentence that will enhance college and career opportunities.

Section 3: Program Monitoring, Evaluation and Professional Development

Monitoring and Evaluation of Program Effectiveness

This section focuses on the ways that Aspire will monitor the implementation of processes and procedures, as outlined in this Master Plan. The ultimate outcome of ongoing monitoring is the timely progress of EL students towards reclassification and to ensure that effective instructional programs are implemented, however the goals outlined below also engage community stakeholders, home office support staff and front office staff. Ultimately, timely reclassification reflects our coordinated efforts to bolster academic achievement and language acquisition in our EL scholars.

This section also outlines the system-wide accountability procedures that will ensure Aspire EL programs are effective in meeting the needs of our EL population.

EL Program Goals & Measures

Aspire Public Schools will monitor the following goals to ensure implementation of EL programs and student progress.

Goal 1. Implement the Aspire Public Schools EL Master Plan fully and consistently across all Aspire sites in California.

Goal 2. Establish and conduct ELAC meetings at all Aspire sites that require an ELAC, per State law.

Goal 3. Establish a DELAC and hold DELAC meetings to gather feedback and input on the EL programs and processes from a variety of stakeholders including parents, students, administrators, teachers and home office staff.

Goal 4. Establish clear processes and associated training for front office staff in ascertaining accurate demographic data on incoming students.

Goal 5. Implement designated and integrated ELD instructional programs, as outlined in this Master Plan, across all California Aspire sites.

Goal 6. Create and maintain data systems to track academic growth of EL students. Use data systems to monitor academic progress of ELs and reclassified students.

These goals will be revisited annually to evaluate the progress of Master Plan implementation and to assess the effectiveness of instructional programs and supports.

Professional Development and Implementation of English Language Development strategies

Teachers receive ongoing professional development on serving English Learners in many ways.

1. Teachers new to Aspire receive a week of professional development that includes English Learner strategies in the content area as well as the English Language Development standards.
2. All teachers in their first two years of teaching receive Induction support which offers a module on teaching English Learners.
3. Each school has devoted time for professional development. That time is devoted to strategies for teaching English Learners.
4. New teachers receive ongoing coaching in teaching English Learners.

The implementation of these strategies is done through formal and informal observations of instructional practice. Teachers receive frequent observations from a trained observer throughout the year grounded in Aspire's instructional rubric, the Aspire Student Learning Framework (ASLF). Originally based on TNTP's Core Teaching Rubric[20], the ASLF includes five domains that describe student academic behaviors and outcomes in effective Aspire classrooms. Each domain includes a separate list of instructional strategies, known as Core Teacher Skills, that teachers may utilize to improve student performance in the given area of focus.

The ASLF identifies that the needs of subgroups such as English Learners be specifically addressed in the Essential Content, Academic Ownership, Demonstration of Learning, and Culturally Responsive Teaching domains and associated Core Teacher Skills. These same domains include discrete language related to instructional differentiation for subgroups in both lesson planning and classroom pedagogy.

Scores on these indicators inform a principal, Area Superintendent, and teacher on their success in meeting the needs of English Learners and the strategies taught during professional development.

Section 4: Family Engagement

Aspire believes that parents and guardians are the most important partners in the educational achievement and outcomes for our students. Our families bring diverse experiences that strengthen each of our school communities; the hopes and dreams of each family drive our commitment to educating our scholars. Aspire's standards for purposeful family engagement are:

> **Strong Family and Community Ties**: Families are encouraged and invited to build strong relationships with teachers, school staff and other parent communities. Schools create welcoming environments and help to deepen relationships across diverse groups of students, staff members and families.
>
> **Meaningful Communication**: Families and schools engage in meaningful two-way communication practices that are centered on their student's wellbeing and academic success. Schools provide clear structures and expectations that support mutual communication with families.
>
> **Authentic Voice & Leadership**: Families work together with schools to authentically help inform policy and decision making. Schools invite families to participate in activities as equal partners to help shape school vision, student culture and strengthen student learning.
>
> **Empowered Student Success**: Families are acknowledged as their student's first teacher and empowered to support student growth. Schools work with families to inform, encourage and support learning at home and in school, to make college for certain.
>
> **Equity Centered Dialogue**: Families help identify, discuss, and address equity issues impacting students, schools, and their surrounding community. Schools provide families with opportunities that help students receive what he/she needs to succeed.

We know that families of ELs seek opportunities to ask questions, learn about instructional programming and be thoughtful decision-makers in their student's lives. We believe that in making our systems know-able, linguistically appropriate and culturally relevant, in effort to familiarize families with structures that may seem unfamiliar. To this ends, several processes enable active participation for families of El students.

Communication with Parents

Required written parent notifications include the following:

- Initial Identification
- Program Options
- Program Placement
- Progress expectations at each grade level
- Annual ELPAC data
- Reclassification criteria
- Graduation requirements

Translation and Interpreters

Communication with all parents of ELs in their primary language is essential to upholding our standards of parent engagement. In addition, per State law, if 15% of the student population or more speak a single primary language other than English, all notices and records sent to the parent must be in the primary language (EC 48985a). This includes written parent communication such as progress reports, IEPs, discipline notices, school board meeting agendas and notices. Oral interpretation will be provided to families so that they can meaningfully access important information for the schools. School sites have processes for offering oral interpretation to site-based activities. Regional and Home office staff will ensure that oral translation is provided for regional events.

ELAC

In accordance with State law EC 35147, any school that has 20 or more ELs must have an English Learner Advisory Council (ELAC) to produce recommendations regarding EL programs and services. The ELAC reviews programs, procedures and budgetary components of a school site's EL plan. At least 50% of the committee should be comprised of parents of ELs. Parents that are employees of the school may not sit on the ELAC. The ELAC is responsible for advising the principal on programs and services for ELs, advises on the School Site Council (SSC) on development of the LEAP, LCAP and budget, assists with a school needs assessment and builds parent awareness. The responsibilities of the ELAC are:

- Advise, review, and comment on the development of the school's program for English Learners at the school site, including expenditures of Title III funds
- Assist in the development of Needs Assessment Document for English Learners, resulting in a written plan that accesses their needs
- Assist in the development of the Annul Language Census Form
- Promote among parents the importance of student regular attendance to school.

Elected ELAC officers include a president, vice-president and secretary. The Executive ELAC team is elected at the start of each school year and votes are collected from EL parents. Meeting calendars should include allotted times to discuss the responsibilities named above.

Other topics may include: reclassification criteria, uniform complaint procedures, parent waiver information, ELPAC and ELPAC results, the school improvement plan.

Schools are encouraged to hold ELAC meetings at times that are beneficial to parents and provide childcare.

DELAC

Each California public school district with more than 50 ELs and at least 15% ELs must form a District English Language Advisory Committee (DELAC) unless a subcommittee such as an ELAC is already in place (EC 35147, 52062(a)(2), 52063(b), 52069, 62002.5, and 64001(a). For schools with an ELAC, they may elect a representative to participate in the district-wide DELAC. The DELAC must be comprised of a majority (51% or more) parents. Other members of the DELAC can include teachers, school admins and home office staff.

The major responsibilities of DELAC include:

1. Development of a district master plan for education programs and services for English learners. The district master plan will take into consideration the school site master plans.
2. Conducting of a district wide needs assessment on a school-by-school basis.

3. Establishment of district program, goals, and objectives for programs and services for English learners.
4. Development of a plan to ensure compliance with any applicable teacher and/or teacher aide requirements.
5. Review and comment on the school district reclassification procedures.
6. Review and comment on the written notifications required to be sent to parents and guardians.
7. If the DELAC acts as the English learner parent advisory committee under California *Education Code* Section 52062(a)(2), the DELAC shall also review and comment on the development or annual update of the Local Control and Accountability Plan (LCAP).

Creation of the EL Master Plan

This Master Plan was created in collaboration with various stakeholders across our California network, including teachers, office staff, leaders and regional and central office administration. Over the course of the 17-18 school year, we met regularly to revisit the last iteration of the EL Master Plan and add and delete sections based on updated policies and identified gaps and challenges.

Our continued dialogues led to the initial draft of the EL Master Plan, which was shared with the school administrators, executive directors, and the board of directors. Our DELAC provided feedback and input into the plan.

Feedback was reviewed and, where appropriate, incorporated into the draft.

APPENDIX D: PERFORMANCE LEVEL DESCRIPTORS

1. ELPAC

Level	Description
4	English learners at this level have **well developed** oral (listening and speaking) and written (reading and writing) skills. They can use English to learn and communicate in meaningful ways that are appropriate to different tasks, purposes, and audiences in a variety of social and academic contexts. They may need occasional linguistic support to engage in familiar social and academic contexts; they may need light support to communicate on less familiar tasks and topics. This test performance level corresponds to the upper range of the "Bridging" proficiency level as described in the 2012 California English Language Development Standards, Kindergarten Through Grade 12 (CA ELD Standards).
3	English learners at this level have **moderately developed** oral (listening and speaking) and written (reading and writing) skills. They can sometimes use English to learn and communicate in meaningful ways in a range of topics and content areas. They need light-to-minimal linguistic support to engage in familiar social and academic contexts; they need moderate support to communicate on less familiar tasks and topics. This test performance level corresponds to the upper range of the "Expanding" proficiency level through the lower range of the "Bridging" proficiency level as described in the CA ELD Standards.
2	English learners at this level have **somewhat developed** oral (listening and speaking) and written (reading and writing) skills. They can use English to meet immediate communication needs but often are not able to use English to learn and communicate on topics and content areas. They need moderate-to-light linguistic support to engage in familiar social and academic contexts; they need substantial-to-moderate support to communicate on less familiar tasks and topics. This test performance level corresponds to the low- to mid-range of the "Expanding" proficiency level as described in the CA ELD Standards.
1	English learners at this level have **minimally developed** oral (listening and speaking) and written (reading and writing) English skills. They tend to rely on learned words and phrases to communicate meaning at a basic level. They need substantial-to-moderate linguistic support to communicate in familiar social and academic contexts; they need substantial linguistic support to communicate on less familiar tasks and topics. This test performance level corresponds to the "Emerging" proficiency level as described in the CA ELD Standards.

2. 2012 California Framework Levels of English Proficiency Descriptors

Emerging: Students at this level typically progress very quickly, learning to use English for immediate needs as well as beginning to understand and use academic vocabulary and other features of academic language.

Expanding: Students at this level are challenged to increase their English skills in more contexts and learn a greater variety of vocabulary and linguistic structures, applying their growing language skills in more sophisticated ways that are appropriate to their age and grade level.

Bridging: Students at this level continue to learn and apply a range of high-level English language skills in a wide variety of contexts, including comprehension and production of highly technical texts. The "bridge" alluded to is the transition to full engagement in grade-level academic tasks and activities in a variety of content areas without the need for specialized ELD instruction. However, ELs at all levels of English language proficiency fully participate in grade-level tasks in *all* content areas with varying degrees of scaffolding in order to develop both content knowledge and English.

Section 504 Process and Procedure Guide: Introduction

Let's be honest, 504s can be complicated, confusing and often anxiety producing. The goal of this guide is to give step by step directions for the 504 process to alleviate these things on a basic level. The 504 decision process will still be a difficult one as each student's needs will be different, but 504 compliance is directly related to how well a school follows proper procedures during the 504 process.

What this guide will not do, what no guide can do, is tell you exactly when a child will qualify for a 504 or what accommodations to give to a child based on their particular disability. Each child is different and his or her disability may affect them differently. For example, two girls with ADHD in second grade may have drastically different needs. One may be able to access her education with basic classroom accommodations, the other may require more significant accommodations and a 504 plan.

The final decision around what 504 protections may be required rests on your 504 team and their experience as educators, which is one of the strengths you bring to this process.

Please see the next page for the sections of this guide, but as always, if you have a particular concern, complicated 504s, questions about your SST process or anything else, please contact the Aspire Director of Student Services and we will be happy to help!

Pre - 504 Meeting Process Steps

There are actually steps before you jump into a 504 meeting for a student. The Pre-Meeting Process steps are typically related to referrals and permissions and are vital to the 504 documentation process.

Step 1: 504 Referral

Step 2: Determine Evaluation Evidence Needed

Once the 504 designee receives the referral for new 504s/notice of an existing 504 evaluation, he/she must determine what types of evaluative materials are needed for the 504 team to effectively determine eligibility.

- Transcripts/Grades/Test Scores - Attendance - Classroom observations - Teacher Reports - Educational reports
- Non-classroom observations (cafeteria, play-yard, etc.) - Discipline data
- Observations or other data on disability specific issues (ex: needs of blind student accessing for written text)
- Information from outside professionals familiar with student (must have signed Authorization from parent)

Step 3: Parent Permission for Evaluation

The 504 designee has **10 school days** from time of referral/notice to send the following to the parents to get permission for specific evaluation evidence and speak to outside professionals. Documents should be in parents' primary language:

Form_2a_504_Parent_Permission
Form_2c_504_General_Information
Form_2d_504_Release_of_Information

Parent/Guardian returns forms with permission to evaluate

Parent/Guardian returns forms, but does not give permission to evaluate

Parent/Guardian does not return forms

Step 4: Meeting Scheduling and Parent Invitation

Once the parent returns the form to the school, schedule the 504 Team to meet for a 504 Eligibility Determination.

Meeting should be scheduled for within 30 school days of receiving permission to evaluate.

Send an invite to the parent/guardian using the following form:

Form_4_504_Parent_Invite

Evaluation for a 504 Plan and protections **cannot occur** without parental consent.

Send the following form to the parents:

Form_2e_504_Parent_Permission_Refusal

Continue to support the child using regular school-based accommodations.

Place copies of all documents in 504 evaluation folder for the student.

Evaluation for a 504 Plan and protections **cannot occur** without parental consent.

Document attempts to contact parents.

At **30 days**, send the following to the parents:

Form_2e_504_Parent_Permission_Refusal

Continue to support the child using regular school-based accommodations.

Place copies of all documents in 504 evaluation folder for the student.

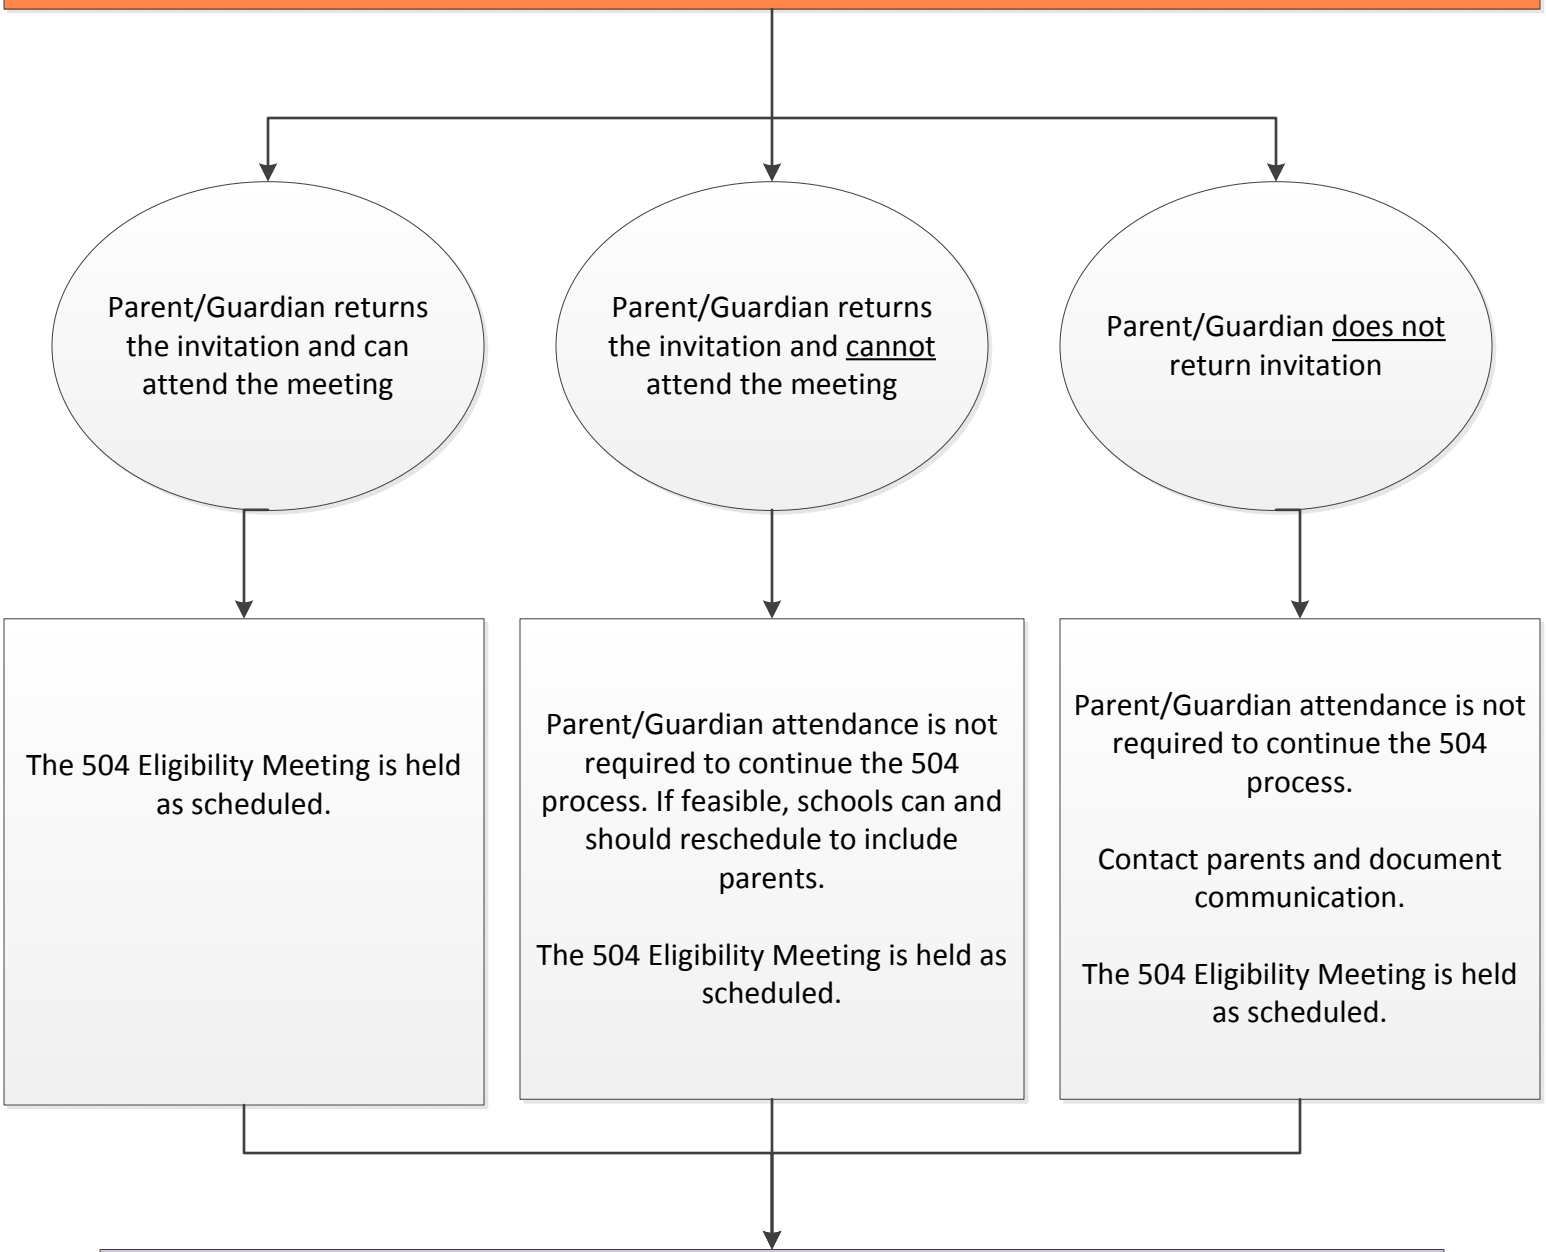

Continue to page 3 for next steps.

Step 5: Gather Data on Disability and Impact on Educational Access

Between time permission to evaluate is given by parent and before the 504 meeting, members of the 504 teams should gather pertinent data about the child's educational access. Examples of data include, but are not limited to:

- Transcripts/Grades/Test Scores
- Attendance
- Classroom observations
- Teacher Reports
- Non-classroom observations (cafeteria, play-yard, etc.)
- Discipline data
- Educational reports
- Observations or other data on disability specific issues (ex: needs of blind student accessing for written text)
- Information from outside professionals familiar with student (must have signed Authorization from parent)

Step 6: Final Scheduling the Meeting

Go to Page 4 for 504 Eligibility Determination Meeting Process

504 Eligibility Determination Meeting Process Steps

The Basics of 504 Eligibility Determinations:

The 504 Team meets and uses Form_5a_504_Eligibility Determination to determine whether or not there is **documented evidence** of the following:

1) The student has a diagnosed disability

AND

2) This disability directly and substantially affects the students ability to access school activities or curriculum

If you have questions about the basics of 504 eligibility, please contact the Director of Student Services! You are not alone ☺

For all 504 Eligibility Determinations, the following form should be used:

Form_5a_504_Eligibility_Determination_form

Step 1: Fill Out Necessary Identifying Information

Fill out student information, 504 Team members in attendance (including parents, students, non-Aspire staff)

Step 2: Check correct box for the purpose of the meeting

Initial Evaluation

The student has never had a 504 or was exited from a previous 504.

Review Evaluation

The student has a 504, but is being evaluated to see if they still qualify. This should be done at least every 3 years.

Removal/Dismissal Evaluation

It is believed the student may no longer qualify for a 504.

Step 3: Due Process Rights

Give Parents a Copy of their Due Process Rights

This form prints out at the end of Form_5a_504_Eligibility document, but you may also print it out separately as Form_2b_504_Due_Process_Rights

Have parents sign on the appropriate line of Form_5a_504_Eligibility_Determination that they have received their Due Process Rights

Continue to page 5

Step 4: Review the Evidence of Disability

- Evidence does not support presence of disability
- Evidence supports presence of disability in the past, but not currently
  Note: Does not include disabilities that are current, but episodic, such as epilepsy
- Evidence supports current presence of one or more disabilities

Evidence does not support / Evidence supports presence of disability in the past, but not currently:

- Student is not eligible for a current 504
- Fill out "Part I: Determination of Impairment" on Form_5a_504_Eligibility
- Attach copies of evidence to 504 documentation
- Skip to Eligibility Step 6

Evidence supports current presence of one or more disabilities:

- Student may be eligible for a 504
- Fill out "Part I: Determination of Impairment" on Form_5a_504_Eligibility
- Attach copies of evidence to 504 documentation

Step 5: Review Evidence of Impact of Disability on a Major Life Function

In reviewing the evidence, the 504 team must determine whether or not the evidence shows that the disability substantially affects a major life function compared to that of the average student in the general population.

Additionally, the impact must have been in evidence for at least 6 months

- Evidence shows disability does not substantially affect a major life function
- Evidence shows disability substantially affects a major life function

Evidence shows disability does not substantially affect a major life function:

- Student is not eligible for a current 504
- Fill out "Part II: Determination of Impact to Major Life Function" on Form_5a_504_Eligibility
- Attach copies of evidence to 504 documentation

Evidence shows disability substantially affects a major life function:

- Student may be eligible for a 504
- Fill out "Part II: Determination of Impact to Major Life Function" on Form_5a_504_Eligibility
- Attach copies of evidence to 504 documentation

Continue to Page 6

Step 6: 504 Eligibility Decision

The 504 Team determines that the student meets both eligibility criteria and therefore is eligible for 504 protections and a 504 plan. **Check the appropriate box.**

- Parents agree with the 504 Team's decision
- Parents disagree with the 504 Team's decision

The 504 Team determines that the student does not meet **both** eligibility criteria and therefore is not eligible for 504 protections and a 504 plan. **Check the appropriate box.**

- Parents disagree with the 504 Team's decision
- Parents agree with the 504 Team's decision

Continue to accommodate for student utilizing normal school-based accommodations

Refer the parent to the Director of Student Services immediately

Contact the Director of Student Services after the meeting to discuss and pass on copies of documentation

Step 7: Signatures and Documentation

- Dates for future review are determined
- All parties sign the 504 document.
- Copies of all 504 documentation is kept on file for the student in both the student's cumulative file and a separate 504 file.

Parents refuse to sign 504 Evaluation document. State this in the comments section of the Evaluation document. Place copies of all 504 documentation in student's cum file and separate 504 file. Refer parents to the Direct of Student Services

Continue to page 8 for 504 Accommodation Plan if student qualifies for a 504

504 Accommodation Plan Review Process Steps

For students who need their 504 plan reviewed, but do not require a full 504 evaluation update, the following steps should be taken to review the 504 plan and determine changes.

Pre-504 Meeting Step 2: Meeting Scheduling and Parent Invitation

1) The 504 team schedules a 504 Plan Review.
2) Send an invite to the parent/guardian using the following form:

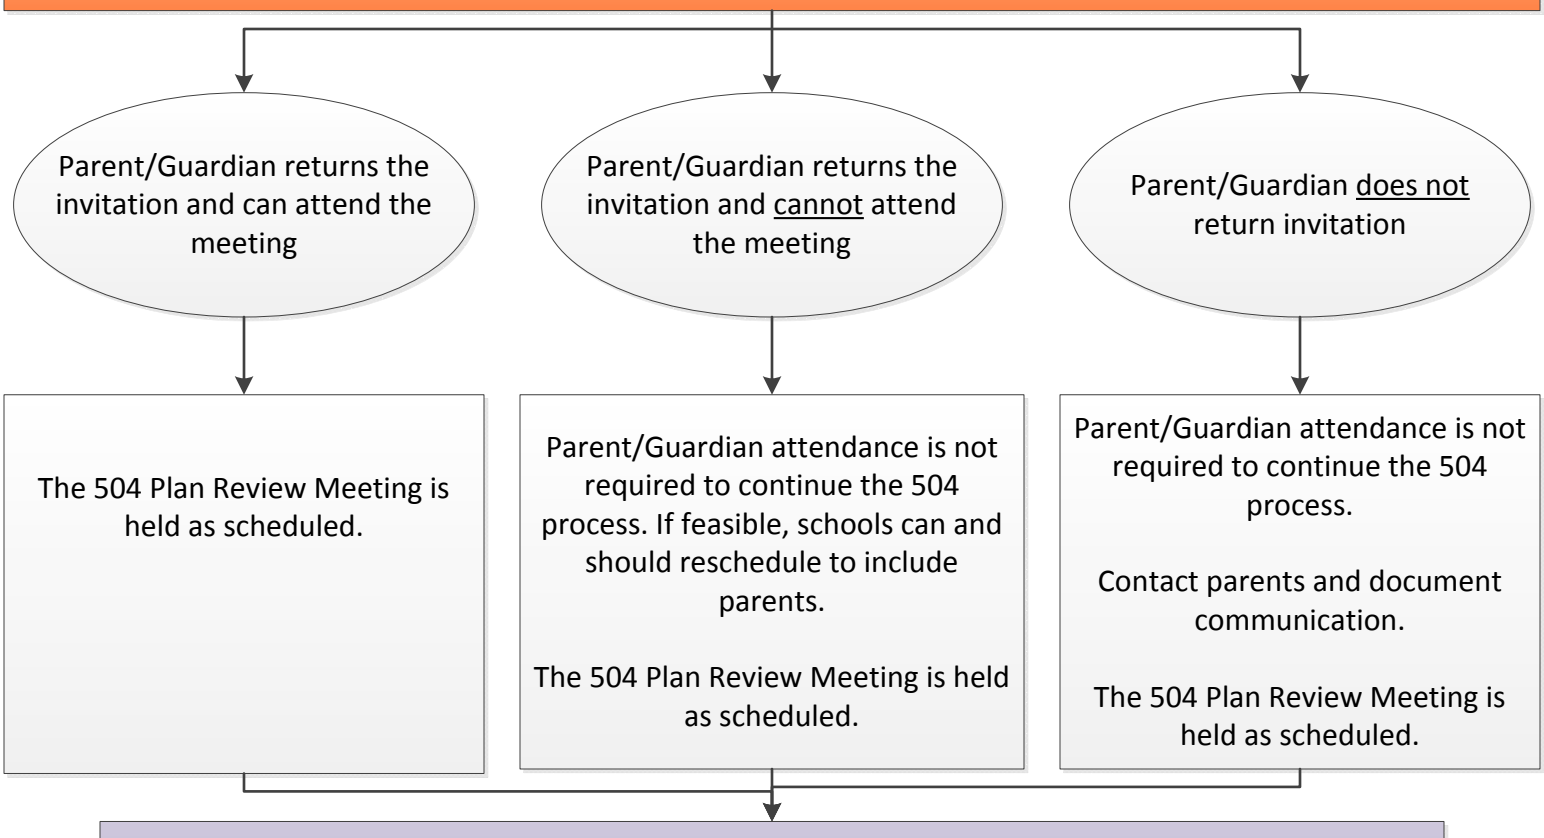

Form_4_504_Parent_Invite

Pre-504 Meeting Step 3: Gather Data on Accommodation Implementation and Successes/Concerns

Members of the 504 teams should gather pertinent data about the current 504 accommodations written into the student's plan and the success of those accommodations. Examples of data include, but are not limited to:

- Transcripts/Grades/Test Scores
- Attendance
- Classroom observations
- Teacher Reports
- Non-classroom observations (cafeteria, play-yard, etc.)
- Discipline data
- Educational reports
- Observations or other data on disability specific issues (ex: needs of blind student accessing for written text)

Pre-504 Meeting Step 6: Final Scheduling the Meeting

Go to Page 8 for 504 Accommodation Plan Process Steps

504 Accommodation Plan Process Steps

The Basics of 504 Accommodation Plans:

1) Accommodations should be specific to the identified student and his/her disability(ies)

2) Accommodation plans should be written for each separate disability (for students with multiple disabilities)

3) Accommodations must alleviate barriers to student access of education

4) Accommodations are not required to address specific academic achievement

If you have questions about the basics of 504 accommodations, please contact the Director of Student Services! You are not alone ☺

For all 504 Accommodation Plans, the following form should be used:

Form_5b_504_Plan

Step 1: Fill Out Necessary Identifying Information

Step 2: Check correct box for the purpose of the meeting

Initial Plan

The student was just found eligible for a 504 and needs an accommodation plan created

Review Plan

The student has a plan, but the plan needs to be reviewed
(Should occur at least 1x per year)

Step 3: Due Process Rights

Give Parents a Copy of their Due Process Rights

This form prints out at the end of Form_5b_504_Plan document, but you may also print it out separately as Form_2b_504_Due_Process_Rights

Have parents sign on the appropriate line of Form_5b_504_Plan that they have received their Due Process Rights

Continue to page 9

Step 4: Data/Information Reviewed

The 504 team reviews data/evidence for each proposed/current accommodation and determines what accommodations are necessary to help ameliorate the student's disability's affect on his/her access to education. Accommodations must be grounded in data in order to ensure proper progress monitoring.

Step 5: Writing the Plan

The Basics of 504 Accommodation Plans:

1) Accommodations should be specific to the identified student and his/her disability(ies) and based on data

2) Accommodation plans should be written for each separate disability (for students with multiple disabilities)

3) Accommodations must alleviate barriers to student access of education

4) Accommodations are not required to address specific academic achievement

The 504 team writes an accommodation plan based on recommendations from the team and available and pertinent evidence from other sources.

Parents agree with the 504 accommodation plan as written

Parents disagree with the 504 accommodation plan as written

Continue to accommodate for student utilizing normal school-based accommodations

Refer the parent to the Director of Student Services immediately

Contact the Director of Student Services after the meeting to discuss and pass on copies of documentation

Step 5: Signatures

All parties sign the 504 document. Copies of all 504 documentation is kept on file for the student in both the student's cumulative file and a separate 504 file.

Parents refuse to sign 504 accommodation plan. State this in the comments section of the Evaluation document. Place copies of all 504 documentation in student's cum file and separate 504 file. Refer parents to the Direct of Student Services.

Continue to page 10

Step 6: Plan Implementation

Once the plan has been written and signed by the team, it needs to be implemented as written. The steps for implementation include:

1) Holding a team meeting to inform all necessary staff of their role in implementation and giving them a copy of the 504 accommodation plan only

2) Training staff on necessary accommodations that require it (ex: how to use an epi-pen or necessary procedures if a student has a seizure)

3) Provide teachers and staff with necessary resources to create/maintain accommodations (ex: if teacher needs to wear an FM transmitter for a student with limited hearing, providing the equipment to the teacher).

Step 7: Progress Monitoring/Review

Part of the accommodation plan is also the progress monitoring/review of the plan AND it's implementation. Scheduled reviews should be written into the 504 plan.

When the deadline for progress monitoring/review is coming up, go to page 1 of this guide:

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the **Aspire Public Schools("Aspire").**

All other individuals holding designated positions must file their statements with **Aspire.** All statements must be made available for public inspection and reproduction under Government Code Section 81008.

Aspire Public Schools' Uniform Complaint Procedures

UNIFORM COMPLAINT POLICY

The Board of Directors of Aspire Public Schools ("Aspire") recognizes that Aspire is responsible for complying with applicable state and federal laws and regulations governing educational programs. We have established Uniform Complaint Procedures (UCP) to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs, the charging of unlawful pupil fees and the non-compliance of our Local Control and Accountability Plan (LCAP). The UCP shall be used for any program or activity conducted by Aspire, which is funded directly by, or that receives or benefits from any state financial assistance.

This section contains rules and instructions about the filing, investigation and resolution of a UCP complaint.

A UCP complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, bullying or charging pupil fees for participation in an educational activity or non-compliance with the requirements of our LCAP. A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging any of the above listed UCP complaint reasons. If the complainant is unable to put the complaint in writing, due to a disability or illiteracy, we shall assist the complainant in the filing of the complaint.

Aspire shall follow UCP for all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group as identified in Education Code section 200 and 220 and Government Code section 11135. This includes any actual or perceived characteristics as set forth in Penal Code section 422.55 or on the basis or a person's association with a person or group with one or more of these actual or perceived characteristics. This list may be updated as required by law.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in: After School Education and Safety, Child Nutrition, Consolidated Categorical Aid, Course Periods without Educational Content, Education of Pupils in Foster Care and Pupils who are Homeless, Every Student Succeeds Act / No Child Left Behind, Local Control Accountability Plans (LCAP), Migrant Education, Pupil Fees[1,2], Reasonable Accommodations to a Lactating Pupil, School Safety Plans and Special Education. This list may be updated as required by law.

Complaints *other* than issues relating to pupil fees must be filed in writing with the following designated to receive complaints:

Uniform Complaint Officer
c/o Regional Manager of Student Services

Insert Regional Office Phone and Fax Number here

Any pupil fees complaint should be filed with the principal of a school.

[1] A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

[2] A pupil fee complaint shall be filed no later than one year from the date the alleged violation occurred.

ASSURANCES

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the CEO or CEO's designee on a case-by-case basis.

A pupil fees or LCAP complaint may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint.

The CEO or CEO's designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the CEO or CEO's designee.

The Board prohibits retaliation in any form for participating in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of those involved.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try to resolve their problem through mediation, the CEO or CEO's designee shall initiate mediation. The CEO or CEO's designee shall ensure that mediation results are consistent with state and federal laws and regulations.

This policy shall be disseminated annually to students, employees, parents or guardians of its students, school and district advisory committees, and other interested parties.

Aspire designates its General Counsel as the compliance officer. The compliance officer shall receive and investigate complaints and ensure compliance with the law. A designee appointed by General Counsel may conduct the investigation.

INITIATION OF COMPLAINT

A complaint shall be presented in writing by way of an Aspire Uniform Complaint Investigation document and the complaint must be initiated no later than six (6) months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination, unless the CEO or CEO's designee grants an extension of time.

Within five (5) days of receiving the complaint, the compliance officer or designee shall informally discuss with the complainant the possibility of using non-binding mediation, and if the informal mediation does not resolve the problem within the parameters of the law, the compliance officer or designee shall proceed with his or her investigation of the complaint.

INVESTIGATION OF COMPLAINT

The compliance officer or designee shall hold an investigative meeting within ten (10) days of receiving the complaint or an unsuccessful attempt to informally mediate the complaint. The investigative meeting shall provide an opportunity for the complainant and/or his or her representative to repeat the complaint orally. The complainant and/or his or her representative shall have an opportunity to present information relevant to the complaint. Parties to the complaint may discuss the complaint and question each other or each other's witnesses.

RESPONSE/RESOLUTION

An investigation shall be completed, resolved and decision rendered within sixty (60) days after receiving a request for direct intervention or an appeal request, unless the complainant agrees in writing to an extension of time. The complaint officer or designee shall prepare and send to the complainant a written report of the investigation and decision. The written report shall contain: Findings and disposition of the

complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal with Aspire's Student Services Office. If requested, the Area Superintendent for Student Services or designee will complete an additional investigation and prepare and send to the complainant a written report of his or her investigation and decision. The Area Superintendent for Student Services' written report shall contain findings and disposition of the complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal within fifteen (15) days of receiving the written report to the California Department of Education (CDE). The appeal to the CDE must include a copy of the originally filed complaint and a copy of our decision.

MEDIATION

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

CIVIL LAW REMEDIES

Nothing in this policy precludes a complainant from pursuing available civil law remedies outside of Aspire's complaint procedures. Such remedies may include mediation centers, public/private interest attorneys, injunctions, restraining orders, etc. For discrimination complaints in California, however, a complainant must wait until sixty (60) days has elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if Aspire has appropriately, and in a timely manner, apprised the complainant of his or her right to file a complaint.

Any parent or student who believes that the student has been subjected to discrimination (including harassment) based on race, color, national origin, religion, gender, sexual orientation, or physical or mental disability, in any Aspire Public Schools' ("Aspire") program or activity may file a complaint under this procedure.

Aspire prohibits retaliation in any form for the filing of a complaint, the reporting or instances of discrimination, or for participation in complaint procedures.

Aspire acknowledges and respects students' and employees' rights to privacy. Complaints shall be investigated in a manner that protects these rights. The identity of any complainant shall be kept confidential as appropriate.

The Chief Executive Officer shall ensure that employees designated to receive and investigate complaints are knowledgeable about applicable laws and regulations. Such employee may have access to legal counsel as determined by the Chief Executive Officer or designee.

How to File a Complaint
Aspire schools are committed to providing a safe learning environment for all students. Any student who believes that he/she has been subjected to discrimination, or harassment (including bullying, intimidation, or retaliation) based on race, color, national origin, religion, gender, sexual orientation, or physical or mental disability in any Aspire program or activity should immediately contact the school principal to file a complaint. Any parent can contact the school principal to file a discrimination/harassment complaint on behalf of their child. The following steps will be taken when a complaint is filed:

Procedures

1. The principal or designee shall promptly investigate all complaints of discrimination or harassment in a confidential, and respectful manner. In doing so, he/she shall talk individually with:
   - The student who is complaining
   - The person accused
   - Anyone who saw the incident or conduct take place
   - Anyone mentioned as having related information

2. The student who is complaining shall have an opportunity to describe the incident, present witnesses and other evidence, and put his/her complaint in writing.

3. The principal or designee shall discuss the complaint only with the people described above. When necessary to carry out his/her investigation or for other good reasons that apply to the particular situation, the principal or designee also may discuss the complaint with the following persons:
   - The Chief Executive Officer or designee
   - The parent/guardian of the student who complained
   - The parent/guardian of the person accused of the discrimination or harassing conduct
   - The school resource officer(s)

- A teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth
- Child protective agencies responsible for investigating child abuse reports
- Legal counsel for Aspire

4. When the parent or student who complained and the person accused so agree, the principal or designee may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided.

5. In reaching a decision about the complaint, the principal or designee may take into account:
   - Statements made by the persons identified above
   - The details and consistency of each person's account
   - Evidence of how the complaining student reacted to the incident
   - Evidence of past instances of discrimination or harassment by the accused person
   - Evidence of past complaints

6. If the principal or designee determines that discrimination/harassment has taken place, he/she will take immediate action to protect the safety of the student who has been discriminated against or harassed. To judge the severity of harassment, the principal may take into consideration:
   - How the misconduct affected one or more students' education
   - The type, frequency, and duration of the misconduct
   - The number of persons involved
   - The age and sex of the person accused of harassment
   - The subject(s) of harassment
   - The place and situation where the incident occurred
   - Other incidents at the school, including incidents of discrimination/harassment

7. If the principal or designee determines that discrimination/harassment has taken place, he/she will take every step necessary (during and/or following the investigation, as appropriate) to prevent further discrimination/harassment. For example, a review of policy with students and staff and/or letter(s) to parents may be among the steps taken.

8. Within 10 days of receiving the complaint, the principal or designee shall write a report of his/her findings, decision, and reasons for the decision and shall present this report to the student who complained and the person accused. If he/she verifies that discrimination/harassment occurred, this report shall describe the actions he/she took to end the harassment, address the effects of the discrimination or harassment on the person who was subject to it, and prevent retaliation or further discrimination or harassment.

9. The principal or designee shall give the Chief Executive Officer or designee a written report of the complaint and investigation. Within two weeks after issuing his/her findings, the principal or designee shall determine whether or not the student who complained has been further harassed or discriminated against. The principal or designee shall keep a record of this information and shall continue this follow-up at his/her discretion.

The Charter School's Principal Biography

School Leader Bio

Liliana Garcia is the current principal of Aspire Antonio Maria Lugo Academy. After earning her Bachelor of Arts degree in Education from Loyola Marymount University, Mrs. Garcia continued her education at Loyola Marymount earning a Masters in School Leadership and Administration, followed by her clear credential through Cal State University Dominguez Hills. She founded and taught for 4 years in the classroom at a sister Aspire School (Junior Collegiate Academy) before moving into a reading specialist position focused on serving students through deep data analysis and response through strategic small reading intervention groups. After six years at Aspire she was given the opportunity to serve at the school as interim principal before moving to an official leadership role. In her seventh year at Aspire she supported her principal in opening Centennial College Preparatory Academy as dean of culture. Advancing one year she was given the opportunity to take the principal position at Aspire Huntington Park charter a K-5 school in Huntington Park which in the following year merged with and took on the name of Aspire Antonio Maria Lugo Academy where she is currently entering her fifth year in principalship, twelfth year at Aspire in a beautiful new modular facility. Mrs. Garcia holds a clear Multiple Subject teaching credential as well as a preliminary Administrative Services credential, clearing this Spring 2019.

Mrs. Garcia believes strongly in the Maya Angelou quote, “People will forget what you said, people will forget what you did, but people will not forget how you made them feel.” This philosophy drives her approach to teaching and leading. As an educator, Mrs. Garcia implemented a new social/emotional learning curriculum as well as partnered with LACOE to strengthen the PBIS program and supports at her school site. This initiative continues as a primary school goal in relationship with deeper learning around restorative practices, parent education, and strengthening her educators’ skills in trauma informed practices. She believes in ensuring that each student who enters Aspire Antonio Maria Lugo Academy is both nourished and challenged mentally and emotionally therefore across the past five years worked strategically and intentionally to grow the opportunities and programs offered after school with the purpose of inspiring diverse students’ passions and enhancing student confidence and self-esteem, therefore leading to students independent learners. As a leader of adults, she leads with empathy and focus on equity reminding her staff regularly of their purpose which results in little to no turn over and very deep teacher student relationships developed over time.

Mrs. Garcia’s former third grades students were selected to be featured on Oprah……. She has also been invited to serve as an advisor for students in the Loyola Marymount University School Leadership program this fall.

Aspire Public Schools Student Leadership Framework

Aspire Student Learning Framework (SY 2018-19)

A tool to support student learning and educator development at Aspire Public Schools

What is the purpose of the Student Learning Framework?

The Aspire Student Learning Framework (ASLF) was created to support student learning and educator development at Aspire. Adapted from TNTP's CORE Teaching Rubric, the ASLF is grounded in three instructional principles:

1. An explicit focus on student academic behaviors
2. Alignment of instructional activities (ie. student task) to rigorous content standards
3. Culturally Responsive Teaching

What are the key components of the rubric?

- The rubric includes five discrete **domains**: Culture of Learning, Essential Content, Academic Ownership, Demonstration of Learning, and Culturally Responsive Teaching
- **Essential questions** that are the core questions to answer about the particular domain. In an effective teacher's classroom, the answer to each essential question is "yes."
- **Descriptor language** in each domain is used to differentiate five levels of performance. Descriptors focus on observable student actions and responses.
- **Core Teacher Skills:** A non-exhaustive list of the teacher skills and behaviors that contribute to the student outcomes in each domain. After each observation, we recommend that teachers and observers identify one or two Core Teacher Skills (or identify a skill not listed) to prioritize for the next coaching cycle.

How was the rubric developed?

- After reviewing several research-based rubrics from high-performing CMOs, districts, and other sources, TNTP's Core Teaching Rubric was selected as a foundation for the Aspire Student Learning Framework based on its focus on observable student academic behaviors, alignment with Common Core and other rigorous content standards, and alignment with Hammond's Ready for Rigor Framework.
- A guiding team of regional Aspire leaders and an advisory team of teachers and administrators provided input on TNTP's original rubric and crafted the Culturally Responsive Teaching domain to align with Aspire values and instructional priorities.
- In this version of the rubric, descriptor language and core teaching skills have been coded to illustrate alignment between the rubric and culturally responsive teaching practices.

How does the rubric support culturally responsive teaching practices?

Although there are many ways to approach culturally responsive teaching, we have chosen the four practice areas from Zaretta Hammond's *Ready for Rigor Framework* as a guide to highlight alignment with the rubric domains. Elements of the rubric that directly align with the Ready for Rigor Framework are tagged according to the key at the bottom of each page.

What are the general performance descriptor percentages?

Aspire educators have calibrated on the following suggested percentages related to common descriptor language in the domains - *"Does not" = 1-24%, "Some" = 25-59%, "Most" = 60-84%, "All/Almost all" = 85-100%.* While these percentages are intended to offer general guidance to educators regarding equitable application of the rubric, they are not "set in stone" - observers are encouraged to use appropriate discretion in applying the framework language to serve both students and teachers.

CULTURE OF LEARNING *Are all students engaged in the work of the lesson from start to finish?*

INEFFECTIVE	MINIMALLY EFFECTIVE	DEVELOPING	PROFICIENT	SKILLFUL
Very few or no students complete instructional tasks, volunteer responses and/or ask appropriate questions. Very few or no students follow behavioral expectations and/or directions Students do not execute transitions, routines and procedures in an orderly manner. (CL) Students are left without work to do for a significant portion of the class period. (CL)	Some students complete instructional tasks, volunteer responses and/or ask appropriate questions. Some students follow behavioral expectations and/or directions Students execute transitions, routines and procedures in an orderly and efficient manner only some of the time and/or require substantial direction from the teacher. (CL) Students are idle while waiting for the teacher or left with nothing to do for one or two minutes at a time. (CL)	Most students complete instructional tasks, volunteer responses and/or ask appropriate questions. Most students follow behavioral expectations and/or directions Students execute transitions, routines and procedures in an orderly and efficient manner most of the time, though they may require some direction from the teacher. (CL) Students are idle for short periods of time (less than one minute at a time) while waiting for the teacher to provide directions, when finishing assigned work early, or during transitions. (CL)	All or almost all students complete instructional tasks, volunteer responses and/or ask appropriate questions. All or almost all students follow behavioral expectations and/or directions. Students execute transitions, routines and procedures in an orderly and efficient manner with minimal direction or narration from the teacher. (CL) Class has a quick pace and students are engaged in the work of the lesson from start to finish. Students who finish assigned work early engage in meaningful learning without interrupting other students' learning. (CL)	All descriptors for Proficient are met, and at least one of the following types of evidence is demonstrated: Students assume responsibility for routines and procedures and execute them in an orderly, efficient and self-directed manner, requiring no direction or narration from the teacher. (CL) Students demonstrate a sense of ownership of behavioral expectations by holding each other accountable for meeting them. (CL)

Core Teacher Skills: Culture of Learning

Maintaining High Behavior Expectations

- Providing specific, concrete, sequential, and observable directions for behavior and academics
- Addressing all negative and off-task student behavior immediately and in a way that does not slow or disrupt lesson momentum
- Issuing logical and appropriate consequences as needed without hesitation, such that consequences are successful in changing student behavior
- Using voice and presence to maintain authority and convey caring for students (LP)
- Investing time in knowing individual students and in forming relationships to best support their learning (LP)
- Developing an active interest in students' well-being and demonstrating that interest through his/her engagement with students

Maximizing Instructional Time

- Using efficient techniques for starting and ending lessons
- Using efficient routines and procedures
- Responding to student requests without interrupting instruction
- Planning for and providing work for students to "say yes to" and using strategies to maintain a quick pace throughout the lesson

ESSENTIAL CONTENT *Are all students working with content aligned to the appropriate standards for their subject and grade?*

INEFFECTIVE	MINIMALLY EFFECTIVE	DEVELOPING	PROFICIENT	SKILLFUL
The lesson does not focus on content that advances students toward grade-level standards or expectations and/or IEP goals. Most of the activities students engage in are not aligned to the stated or implied learning goal(s) or to each other. Instructional materials students use, such as texts, questions, problems, exercises and assessments, are not appropriately demanding for the grade/course and time in the school-year, based on guidance in the standards and/or students' IEP goals (ex. Lexile level and complexity of text).	The lesson partially focuses on content that advances students toward grade-level standards or expectations and/or IEP goals. Only some activities students engage in are aligned to the stated or implied learning goal(s). Some instructional materials students use, such as texts, questions, problems, exercises and assessments, are not appropriately demanding for the grade/course and time in the school-year, based on guidance in the standards and/or students' IEP goals (ex. Lexile level and complexity of text).	The lesson focuses on content that advances students toward grade-level standards or expectations and/or IEP goals. Most activities students engage in are aligned to the stated or implied learning goal(s) are well-sequenced and move students toward mastery of the grade-level standard(s) and/or IEP goal(s). Most instructional materials students use, such as texts, questions, problems, exercises and assessments, are appropriately demanding for the grade/course and time in the school-year, based on guidance in the standards and/or students' IEP goals (ex. Lexile level and complexity of text).	The lesson focuses on content that advances students toward grade-level standards or expectations and/or IEP goals. All activities students engage in are aligned to the stated or implied learning goal(s) and are well-sequenced and build on each other to move students toward mastery of the grade-level standard(s) and/or IEP goals. All instructional materials students use, such as texts, questions, problems, exercises and assessments, are high-quality and appropriately demanding for the grade/course and time in the school-year, based on guidance in the standards and/or students' IEP goals (ex. Lexile level and complexity of text).	All descriptors for Proficient are met, and the following evidence is demonstrated: Students make connections between what they are learning and other content across disciplines. Students independently connect lesson content to real-world situations.

Core Teacher Skills: Essential Content

Planning and Delivering Lessons Effectively

- Allocating instructional time to address the most important content for the grade or course
- Developing and clearly communicating a well-framed, standards-aligned and appropriately rigorous objective to describe the goal(s) of the lesson
- Teacher delivers lesson content clearly, accurately, and with coherence. No inaccurate information is conveyed.
- Developing and/or using appropriately demanding instructional materials, such as texts, questions, problems, exercises and assessments
- Developing a vision for student success and standards-aligned, big goal(s) that are ambitious, measurable and appropriate for all students
- Developing and/or using a long-term, sequential plan that leads to mastery of the most important content for the grade or course
- Developing and/or using daily lesson activities that are well sequenced and move students toward mastery of grade-level standards
- Developing and providing accommodations and modifications as needed to ensure all students are able to attain learning goals
- Considering students' IEP goals and other specific learning needs in developing learning goals and preparing lessons (where applicable)
- Anticipating common student misunderstandings given the content, and ensuring strategies are in place to overcome those misunderstandings

***Note to observers**: When assessing the content of the lesson, your goal is to first examine what students are being asked to do during the lesson, and with what materials. Then, compare this to the expectation of the relevant Common Core or state standard for that particular subject/grade to assess whether or not the students are working with appropriately rigorous content.*

ACADEMIC OWNERSHIP *Are all students responsible for doing the thinking in this classroom?*

INEFFECTIVE	MINIMALLY EFFECTIVE	DEVELOPING	PROFICIENT	SKILLFUL
Students complete very little of the cognitive work during the lesson, such as reading, writing, discussion, analysis, computation, or problem solving; the teacher completes all or almost all of the cognitive work. (IP) Very few or no students provide meaningful oral or written evidence to support their thinking. Students respond negatively to their peers' thinking, ideas, or answers. No students or very few students try hard to complete challenging academic work or answer questions.	Students complete some of the cognitive work during the lesson, such as reading, writing, discussion, analysis, computation, or problem solving, but the teacher or a very small number of students complete most of the cognitive work. (IP) Some students provide meaningful oral or written evidence to support their thinking. Students do not respond to their peers' thinking, ideas, or answers, or do not provide feedback. Some students try hard to complete challenging academic work and answer questions.	Most students complete an appropriately challenging amount of the cognitive work during the lesson, such as reading, writing, discussion, analysis, computation, or problem solving, given the focus of the lesson the teacher completes some of the cognitive work (i.e.: expands on student responses) that students could own. (IP) Most students provide meaningful oral or written evidence to support their thinking. Students respond to their peers' thinking, ideas or answers, and provide feedback to their classmates. Most students try hard to complete academic work and answer questions, even if the work is challenging.	All or almost all students complete an appropriately challenging amount of the cognitive work during the lesson, such as reading, writing, discussion, analysis, computation, or problem solving, given the focus of the lesson. The teacher rarely finishes any of the cognitive work that students could own. (IP) All or almost all students provide meaningful oral or written evidence to support their thinking. Students respond to and build on their peers' thinking, ideas or answers. Students routinely provide constructive feedback to their classmates and respond productively when a peer answers a question incorrectly or when they do not agree with the response. All or almost all students consistently try hard to complete academic work and answer questions, even if the work is challenging.	All descriptors for Proficient are met, and at least one of the following types of evidence is demonstrated: Students synthesize diverse perspectives or points of view during the lesson. Students independently show enthusiasm and interest in taking on advanced or more challenging content.

<u>Core Teacher Skills: Academic Ownership</u>
Maintaining High Academic Expectations

- Promoting student persistence to get correct, defended responses
- Using an appropriate tone when responding to student answers
- Requiring that students use complete sentences, correct grammar and academic language

Building Thinking Skills

- Structuring and delivering lesson activities so that students do an appropriate amount of the thinking required by the lesson
- Posing questions or providing lesson activities that require students to cite evidence to support their thinking
- Providing opportunities for students to respond to and build on their peers' ideas
- Providing support necessary for students to complete instructional tasks requiring higher-order thinking skills

DEMONSTRATION OF LEARNING *Do all students demonstrate that they are learning?*

INEFFECTIVE	MINIMALLY EFFECTIVE	DEVELOPING	PROFICIENT	SKILLFUL
Questions, tasks or assessments do not yield data that allow the teacher to assess students' progress toward learning goals. Students have very few or no opportunities to express learning through academic writing and/or explanations using academic language. (A) Very few or no students demonstrate how well they understand lesson content and their progress toward learning goals. Student responses, work and interactions demonstrate that most students are not on track to achieve stated or implied learning goals. Student responses, work and interactions demonstrate that most students are on track to achieve stated or implied learning goals.	Questions, tasks or assessments yield data that allow the teacher to assess students' progress toward learning goals and help pinpoint where understanding breaks down. Students have extensive opportunities to express learning through academic writing and/or explanations using academic language. (A) All students demonstrate how well they understand lesson content and their progress toward learning goals through their work and/or responses. (A) Student responses, work and interactions demonstrate that all or almost all students are on track to achieve stated or implied grade-level and/or IEP aligned learning goals.	All descriptors for Proficient are met, and at least one of the following types of evidence is demonstrated: Students self-assess whether they have achieved the lesson objective and provide feedback to the teacher. (A) Students demonstrate that they make connections between what they are learning and how it advances their personal and professional goals.(A) Students monitor their own progress, identify their own errors and seek additional opportunities for practice. (A)

Core Teacher Skills: Demonstration of Learning

Leading Instruction

- Conveying or providing accurate content and all content necessary for students to achieve the learning goal(s)
- Using explanations of content that are clear, coherent and support student understanding of content
- Differentiating instruction as needed in response to student learning needs, including enrichment and extra support

Checking for Understanding of Content

- Accurately checking for whether students understand the key content needed to master the lesson at key moments in the lesson (e.g. during direct instruction, before independent practice, at a transition and with an exit ticket at the end of a lesson)
- Developing and/or using informal and formal assessments that yield useable data on students' progress toward grade-level standards

Responding to Student Misunderstanding

- Providing feedback that affirms correctly understood content and student progress toward the lesson objective, and clarifies misunderstood content
- Recognizing the root of student errors and re-teaching or re-framing content to address the underlying cause of student misunderstanding

***Note to observers**: Your goal is to examine what students produce throughout the lesson and to assess the extent to which all students receive the opportunity to demonstrate their learning and the extent to which all students make progress towards learning goals. This includes students' oral responses and written work and should reflect most students, not just a sampling*

Culturally Responsive Teaching *Are all students and their communities valued for their individual and collective strengths?*

INEFFECTIVE	MINIMALLY EFFECTIVE	DEVELOPING	PROFICIENT	SKILLFUL
Class does not exhibit a familial warmth and no evidence exists of intentional and culturally relevant social-emotional learning. Students get little or no opportunity to feel their identity, experience, and culture is valued by the teacher and it is not reflected in the learning environment. Little or no explicit focus on building rapport or trust, emotional support is limited, and instructional scaffolding is ineffective. (LP)	Class somewhat exhibits a familial warmth and some evidence exists of intentional and culturally relevant social-emotional learning. Students have few opportunities to feel their identity, experience, and culture is valued by the teacher and is somewhat reflected in the learning environment. Some focus on building rapport or trust, some emotional support is provided, and instructional scaffolding is somewhat effective. (LP)	Most of the class exhibits a familial warmth and evidence exists of intentional and culturally relevant social-emotional learning. (LP)	Class exhibits a familial warmth and evidence exists of intentional and culturally relevant social-emotional learning. All students feel their identity, experience, and culture is valued by the teacher and it is reflected in the learning environment. All students respond to instructor being a warm demander due to emotional support and instructional scaffolding to move towards learner independence. (LP)	All descriptors for Proficient are met, and at least one of the following types of evidence is demonstrated: Student interactions are caring and supportive of each other's social-emotional growth. With minimal teacher support, students use proactive social-emotional language and conflict resolution strategies to manage conflicts and relationships. Teacher actively seeks to learn about the contexts and cultural backgrounds/experiences of individual and groups of students, in order to build alliances and bridges across similarities and difference. (A)

Core Teacher Skills: Culturally Responsive Teaching

Instruction

- Develop meaningful relationships that promote mutual trust and academic risk-taking
- Use local language and cultural knowledge as a foundation for the rest of the curriculum
- Explicitly teach the knowledge and behaviors that play a role in a person's success within the school culture while still validating students' culture and home language
- Help students make connections between what they are learning in school and their personal experiences
- Value multiple perspectives of historic and current events

Habits of Mind & Attitudes

- Cultivate habits of mind to actively address equity issues, such as checking implicit bias, practicing social-emotional awareness, and holding an inquiry stance regarding the impact of our interactions on students
- Is aware and reflects on key personal triggers that cause them to move up the ladder of inference
- Collaborate with a diverse range of educators to solicit multiple perspectives and deepen understandings of how systems of oppression impact students and families

Aspire Public Schools is committed to maintaining safe and secure campuses for all of its pupils and staff. To that end, this Comprehensive School Safety Plan covers Aspire's policies and expectations regarding the practices of each school in maintaining the security of the physical campus, responding appropriately to emergencies, increasing the safety and protection of students and staff, and creating a safe and orderly environment that is conducive to learning.

All school employees should receive training regarding the Comprehensive School Safety Plan upon joining the school, and should review any changes to the Plan annually.

CAMPUS SAFETY AND SECURITY

Each school and its staff members will maintain policies, practices and procedures so that the campus is physically secure and safe.

Entrances and Exits

The school principal and office manager should develop procedures so that students, staff, parents and community members can enter and exit the building in a safe and orderly way, and that the building is secure from unauthorized entry during non-school hours, as follows:

- Designating individuals to lock the school building and/or grounds when not in use
- Training school staff members to maintain the security of the building when working during non-regular working hours (e.g. not propping doors open, re-securing the building after leaving)
- Maintaining a practice of locking doors that are not being regularly used, even during school hours

- Posting signs requesting that visitors sign in at the main office
- Establishing a culture in which any adults without a visitor or staff badge and any children not enrolled at the school are escorted immediately to the main office

- Periodically testing the security system according the manufacturer or vendor instructions, to ensure it is functioning
- Creating a dismissal plan and student pick-up traffic plan to avoid congestion of the parking lot and local streets, and to prevent students from crossing traffic unnecessarily

Releasing Students

Aspire employees are responsible for releasing students to parents, legal guardians or other persons designated by parents or legal guardians, unless formally modified by a court order served to the school.

In the event that employees are uncertain of the propriety of releasing a student, they should locate or contact the school principal, principal's designee or Aspire counsel before releasing the student.

Visitors Policy

Aspire encourages interested members of the community to visit our schools. To avoid potential disruptions to learning, to provide visitors with the information they need, and for the safety of students and staff, ALL visitors should register immediately upon entering any school building or grounds. Visitors shall sign in at the beginning of their visit, receive a visitor badge, and sign out at the end of their visit. Students from other schools as well as students who have ended their school day are not to be on campus unless accompanied by parents/guardians or with the permission of the site administrator.

In registering as a visitor, the sign-in form should include spaces for the following information:

- Name
- His/her purpose for entering school grounds
- Destination within the school
- Time in and out

At his/her discretion, the principal, office manager or designee may also request

- proof of identity
- address
- occupation and company affiliation
- age (if less than 21); and any other information consistent with law

Parents and guardians visiting during the school day for any purpose other than picking up at or dropping off a child at the beginning or end of the school day as part of the normal school day schedule should also be requested to sign into the visitor log or a special log for parents. This applies to parents and guardians who are picking up a student early (e.g. for a medical reason) or dropping off a student late (e.g. tardy), as well as parents and guardians who are on campus to volunteer in their child's classroom.

Aspire employees from school campuses and the Home Office are strongly encouraged to notify the office manager and principal upon arrival and should wear badges signifying that they are Aspire employees. However, formal visitor registration is at the discretion of the school principal or designee.

VIP Visitors accompanied by any Aspire management team member (Vice-President level and above only) may be requested to register as a visitor at the discretion of the accompanying Aspire management team member.

Students not enrolled at the school who wish to use the school grounds for recreation during the school day are, at the discretion of the principal, also subject to Aspire's visitor policy.

The principal or designee may refuse to register any visitor if he or she reasonably concludes that the visitor's/outsider's presence would disrupt the school, students or employees, would result in damage to property, or would result in the distribution or use of a controlled substance. (Penal Code 627.4).

The principal or designee may request that a visitor/outsider who has failed to register, or whose registration privileges have been denied or revoked, to promptly leave school grounds. If necessary, the principal or designee may call the local police to enforce the departure of the visitor/outsider. When a visitor/outsider is directed to leave, the principal or designee shall inform the visitor/outsider that if he or she reenters the school within seven (7) days, he or she will be guilty of a misdemeanor and subject to a fine and/or imprisonment. (Penal Code 627.7).

All schools shall inform parents annually about the school's policies regarding visitors/outsiders, and remind parents that to maximize safety and security they should also register when visiting the school.

This visitor/outsider policy is subject to the further terms and conditions contained in Aspire's Registered Sex Offender Policy, set forth below.

Fingerprinting Policy

For the protection of students, California State law requires criminal background checks for all public school employees, as well as any individual working alone with minors in a school setting. In most cases, fingerprinting is completed with a "Live Scan" machine which takes an electronic picture of the fingerprints (rather than using an ink pad). The fingerprints are then compared to the Federal Bureau of Investigations (FBI) and/or Department of Justice (DOJ) databases.

Who should be fingerprinted

All new school site employees must be fingerprinted and cleared before they begin work. Individuals who were previously fingerprinted when they worked in another school district must be fingerprinted again to ensure that Aspire is notified if the person subsequently commits a felony or misdemeanor.

In addition, any volunteers who have the occasion to be alone with an Aspire pupil while not in the presence of a credentialed Aspire employee must receive fingerprint clearance prior to volunteering on campus. Volunteers do not have to be fingerprinted only if they are working under the direct and continual supervision of a credentialed school employee in the same room, and will have no occasion to be alone with an Aspire pupil. This policy also applies to parents/guardians of Aspire students who volunteer at the school and may have the occasion to be alone with an Aspire pupil other than their own child.

The actual background check depends on the individual's residency history. If the individual has resided in the state of California for more than 5 years, only DOJ check is required. If the individual has resided in the state of California for less than 5 years, DOJ and FBI checks are both required.

Note that most DOJ background checks take less than seven days, sometimes more. FBI background checks take considerably longer. Individuals who wish to work or volunteer at Aspire schools should plan to get fingerprinted as quickly as possible to avoid delays in commencing work or volunteer activities.

Who pays for fingerprinting

Aspire pays for Live Scan (fingerprinting) services for employees, using school general funds. Volunteers are requested to cover the cost of their own fingerprinting. If a potential volunteer is not able to pay for such fingerprinting, then the cost of the fingerprinting may be paid by the school's booster club. If that entity does not have funds available, the cost will be paid by Aspire Home Office.

Please see complete Fingerprinting Policy & Procedure for specific details about how to get fingerprinted.

Registered Sex Offender Policy

For the protection of pupils while they are traveling to and from school, attending school, or at a school-related activity, principals and their designees should respond appropriately when apprised of information that a registered sex offender resides or works within two (2) miles of an Aspire school, or otherwise may be likely to attempt to visit an Aspire school for any reason whatsoever.

In accordance with "Megan's Law", the principal or designee shall notify parents/guardians annually of the availability of information related to registered sex offenders. Since 2004, the public has been able to view information on sex offenders required to register with local law enforcement under California's Megan's Law. Previously, the information was available only by personally visiting police stations and sheriff offices or by calling a 900 toll-free number. Now, information about registered sex offenders may be obtained from the California Attorney General's Megan's Law website, found at http://meganslaw.ca.gov, (Penal Code 290.4), subject to the disclaimer found on said website.

Aspire and its employees shall be immune from liability for the good faith dissemination of sex offender information so long as the dissemination is in the manner and to the extent authorized by law. (Penal Code 290).

When a school has received information about a registered sex offender from any source, the principal or designee may, on a case-by-case basis, notify staff, including but not limited to, campus supervisors, bus drivers, staff who may be involved in visitor/outsider registration, and teachers. If the principal or designee informs any staff member of the information about a registered sex offender, the principal or designee shall also inform the staff member of the following:

a) Aspire schools will share public registered sex offender information with staff members of a particular school to assist in identifying a danger;
b) Any person who uses registered sex offender information to commit a felony will be subject to criminal penalties; and
c) Staff is not permitted to notify any parents or any other members of the community of any information received pursuant to this policy without the written permission of the principal or designee.

If a suspected registered sex offender is seen on or nearby school grounds, and is not a parent or guardian of a pupil at the school, staff members shall immediately inform the principal or designee. When the principal or designee receives information that a suspected registered sex offender may be on or nearby school grounds or around any pupil, he or she will determine whether the suspected registered sex offender has received written permission for the entry onto school grounds, is a parent or guardian of a pupil at the school, and if possible, is actually a registered sex offender. Any such registered sex offender who does not have written permission for the entry onto school grounds or is not a parent or guardian of a pupil attending the school will be promptly directed to leave by the principal, who will notify law enforcement immediately. Law enforcement will determine if the registered sex offender is in violation of parole or probation conditions.

If a school learns or is notified that a registered sex offender is a parent/guardian of one or more pupils who attend the school, the principal or designee should attempt to schedule a meeting with the parent/guardian for the following purposes:

a) To establish a positive, cooperative working relationship to the extent possible;
b) To discuss the incident(s) leading to the registration requirement, (Aspire recognizes that the parent/guardian is not required to discuss any criminal or personal history with representatives of Aspire);

c) To explain the limitations placed upon the parent's/guardian's participation in school programs, activities or visits, as specified in this policy;
d) To advise the parent/guardian that the regulations limiting his/her access to children at school will be strictly enforced with the assistance of law enforcement personnel, if required;
e) To develop joint strategies with the parent/guardian for "normalizing" the educational experience of his/her children to the fullest extent possible; and

f) To be advised of any judicial restraining orders or conditions of probation or parole that may limit the parent's/guardian's ability to participate in school activities.

This meeting shall be held on school grounds unless there is a concern for the safety or welfare of pupils or staff, and in that event, it may be held at a location within the principal's or designee's discretion. If this meeting with the parent is not held, the principal or designee shall notify the parent/guardian in writing of the information contained in this policy. Aspire recognizes the following rights of the parent/guardian to participate in his/her child's education:

a) To transport his/her child to and from school;
b) To attend regularly scheduled parent conferences with the teacher, principal or other school official; and
c) To attend a regularly scheduled school program or activity in which their child is a participant.

The parent/guardian may not extend their presence at school beyond what is reasonable to exercise the aforesaid parental rights, and to that end, a registered sex offender shall not:

a) Serve as a school or class volunteer;
b) Act as a chaperone on a school field trip;
c) Be in the presence of children for any reason other than for the parent rights stated herein; and
d) Make individual contact with any student other than his/her own while at school or during a school activity.

Staff shall provide observation and/or supervision of a parent/guardian registered sex offender who is visiting a school or participating in a school activity defined herein.

When a parent/guardian is a registered sex offender, the school will make an effort to preserve the confidentiality of information obtained pursuant to the Megan's Law notification process to the fullest degree possible. School officials may share relevant information with employees as needed but will not share the information with unauthorized employees, other parents or with the community at large. In order to avoid a breach of confidentiality, copies of forms, materials or information distributed or used in connection with the implementation of this policy should be collected and/or destroyed. Under no circumstances is it appropriate to post notices, photographs, or the identity of a parent/guardian registered sex offender on school bulletin boards.

All schools shall inform parents annually about the existence of this policy regarding registered sex offenders. All schools shall cooperate to the fullest extent possible with local law enforcement for receiving, communicating and disseminating information concerning registered sex offenders.
NOTE: Pursuant to California Penal Code 290.45(e)(1), any person who uses registered sex offender information to commit a felony will receive a five-year state prison term; pursuant to California Penal Code 290.45(e)(2), any person who uses registered sex offender information to commit a misdemeanor will be fined at least $500 and not more than $1000.

EMERGENCY PREPAREDNESS

Every school should have emergency preparedness procedures readily on hand, including a list of up to date emergency contact numbers. This information should be discussed and disseminated before school starts, ideally at an all school staff meeting just when the teachers return to duty.

Staff Training Schedule

Please fill out the staff-training schedule with any emergency preparedness/drill/safety trainings that will be held this school year.

Drills

Drills are designed to prepare students and staff for real world crisis situations but in no way can account for all possible varieties of catastrophe or threat. It is the principal's responsibility to schedule emergency drills throughout the year, and record the date and time of each drill. The Office Manager may be asked to help out. Those drills are:

- **Fire Drill:** CA Ed Code (section 32001) requires fire drills to be conducted at the following intervals:
    - **Elementary:** once per month
    - **Middle school:** four times per school year
    - **Secondary:** twice per school year
    - Fire drills should be conducted in which all pupils, teachers, and other employees are required to vacate the building(s). Current student rosters and/or roll sheets serve to account for all evacuated students and staff.
- **Lockdown/Shelter in Place**: Although not required by Ed Code, it is recommended that each school conducts a Lockdown/Shelter in Place Drill at least:
    - **Elementary:** once per quarter
    - **Secondary:** once per semester
    - Lockdown/Shelter in Place drills should be run according with a procedure established by the individual school site. The drill is designed to prepare students and staff for situations in which the classroom or school campus affords the best protection from criminal threats.
- **Earthquake/Evacuation Drill:** An Earthquake/Evacuation Drill should be conducted:
    - **Elementary**: once per quarter
    - **Secondary**: Once per semester
    - Not to be confused with a Fire Drill, Evacuation Drills are designed to prepare students and staff for situations in which the school campus is no longer a safe area due to natural/man-made disaster or criminal activity. A pre-designated site serves as the rally point for the all-out relocation of students and staff during a perceived crisis or threat via established routes of travel. Current student rosters and/or roll sheets serve to account for all students and staff relocated.

  Situations may/will arise during a crisis that require a combination of actions be taken such as "lockdown" followed by "evacuation". While constructing a safety plan it is important to keep this in mind. Prepare and drill in a manner in which flexibility and adaptability come into play as the dynamics of a potential crisis evolve.

Homeland Security Procedures

Homeland Security procedures are established to promote the safety of children and adults during a period of national or local emergency. The DHS(FEMA) and California OES are responsible for coordinating disaster planning among the cities in your area. It is through this coordination that information and warning notifications are communicated.

The Emergency Alert System (EAS) is a national public warning system that requires TV and radio broadcasters, cable television systems, wireless cable systems, satellite digital audio radio service (SDARS) providers, direct broadcast satellite (DBS) service providers and wireline video service providers to offer to the President the communications capability to address the American public during a national emergency. The system also may be used by state and local authorities to deliver important emergency information such as AMBER (missing children) alerts and emergency weather information targeted to a specific area. EAS also includes a system of sirens strategically positioned throughout the school's area that can serve as a warning of impending disaster.

Announcements made via the EAS include:

1. This is a Test
2. Severe Thunderstorm Warning
3. Tornado Warning
4. Hurricane Preparations Ordered
5. Evacuation Ordered
6. Shelter-in-Place for a Security Incident
7. Shelter-in-Place for a Hazardous Material Incident
8. All Clear

Reverse 911 is a relatively new method in which local authorities can send out emergency messages that target specific geographic areas via phone. Determine if this is a service provided in your school's community by contacting your local law enforcement agency or fire department.

Alert Signals

The ability to respond quickly and efficiently when a major disaster strikes is important so that we are able to provide protection for students and school staff. In order to be better prepared, the staff, students and parents should be informed of their responsibilities following a major disaster.

At the announcement/sound of an EAS "Alert" signal:

- All students in transit between classrooms, in restrooms, etc., will walk to their assigned classrooms.
- Children on the playground or library will return to their assigned classrooms.
- Office Manager will tune to local news via applicable means.
- Each teacher will stay in the classroom with his/her students.
- Each custodian will report to the school office for instructions.

At the announcement of an EAS "Shelter in Place" message:

- Children on the playground or library will return to their assigned classrooms.
- If necessary, teachers will direct students and themselves under desks or tables.
- Close all doors and windows.

At the announcement/sound of an EAS "All Clear" signal:

- Children will resume their regular class activities.
- When a building is unsafe to resume classroom instruction or if the situation has made the streets and sidewalks hazardous, the superintendent (or designee) will declare the premises unsafe.
- If an evacuation is found necessary, the principal will post on a conspicuous place, the new location of the students. A notice or letter to parents designating a site as well as procedures should be included in the first day packet going home with students.

Situational Communication Plans

In the event of any emergency situation during school hours, what communication procedures are in place on your site? Develop a clear plan for the following aspects of emergency response.

<table>
<tr><td>911 Calls</td><td>• When placing a 911 call: give your name, school name, and school address
• Give specific location of shooter, intruder, fire, hazardous material or other emergency
• Indicate location of incident command post</td></tr>
<tr><td rowspan="2">Mass Notification to Parents</td><td>During an emergency:
Parent Square</td></tr>
<tr><td>After an emergency:
Written</td></tr>
</table>

Emergency Procedures

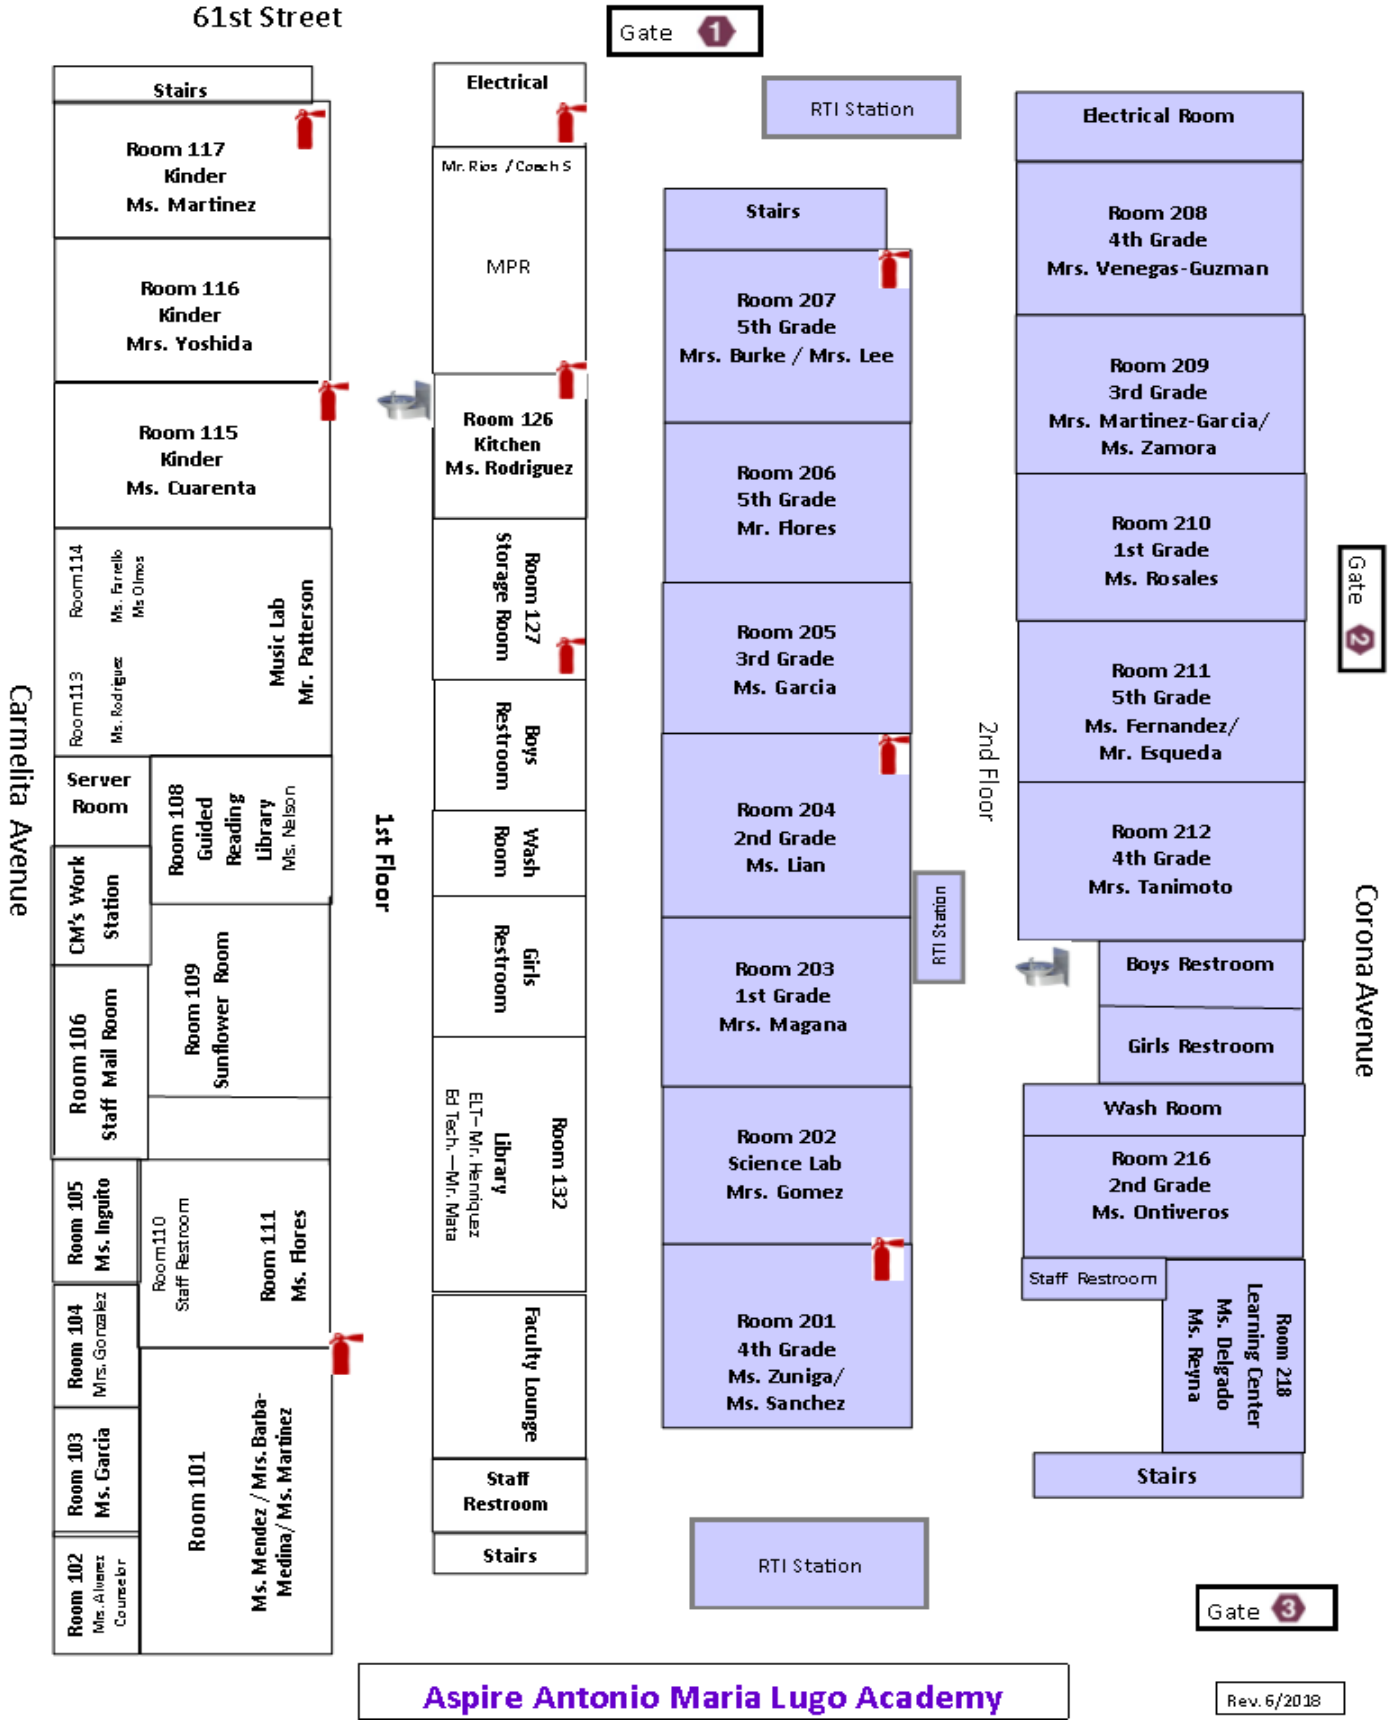

All classrooms should have the evacuation plan & maps posted near the door(s). In the case of an emergency, every adult should be aware of his/her role and responsibilities. Below are suggested roles and procedures:

1. Principal assesses the situation.
2. Principal notifies all staff of the emergency via applicable communications device(s).
3. Assigned person calls 911.
4. Assigned person notifies APS headquarters.
5. Principal or assigned person meets with emergency crews.
6. Assigned person(s) ensures all classrooms, hallways and restrooms on first floor are empty after escorting students their students to assigned location.
7. Assigned person(s) ensures all classrooms, hallways and restrooms on second floor are empty after escorting students their students to assigned location
8. Assigned person(s) ensures the cafeteria and gym are empty.
9. Assigned person(s) greet, organize and comfort students outside the building.
10. Each teacher takes role and Lead Teachers pick up the names of any missing students and report these names to the emergency crew chief and the Principal.
11. Assigned person(s) will direct students who need first aid to an assigned location.
12. The Principal determines, in consultation with the emergency crews, whether to release students to their homes or to return students to classes and makes announcement via applicable communications device(s).
13. If students and staff are dismissed for the day, an assigned person(s) will be responsible for securing the building against vandalism and theft.
14. All classroom teachers will ensure that students are released to guardians' care.
15. In the case that counseling services are subsequently needed by any students, the Principal and an assigned person will coordinate that effort.
16. In the case that media coverage is an issue, the Principal and an assigned person will control and organize press releases and media requests. Pre made media packages/documents are recommended for distribution to concerned sources/media personnel. Such packages will include general information about the school location, number of students, grade levels, layout, etc.

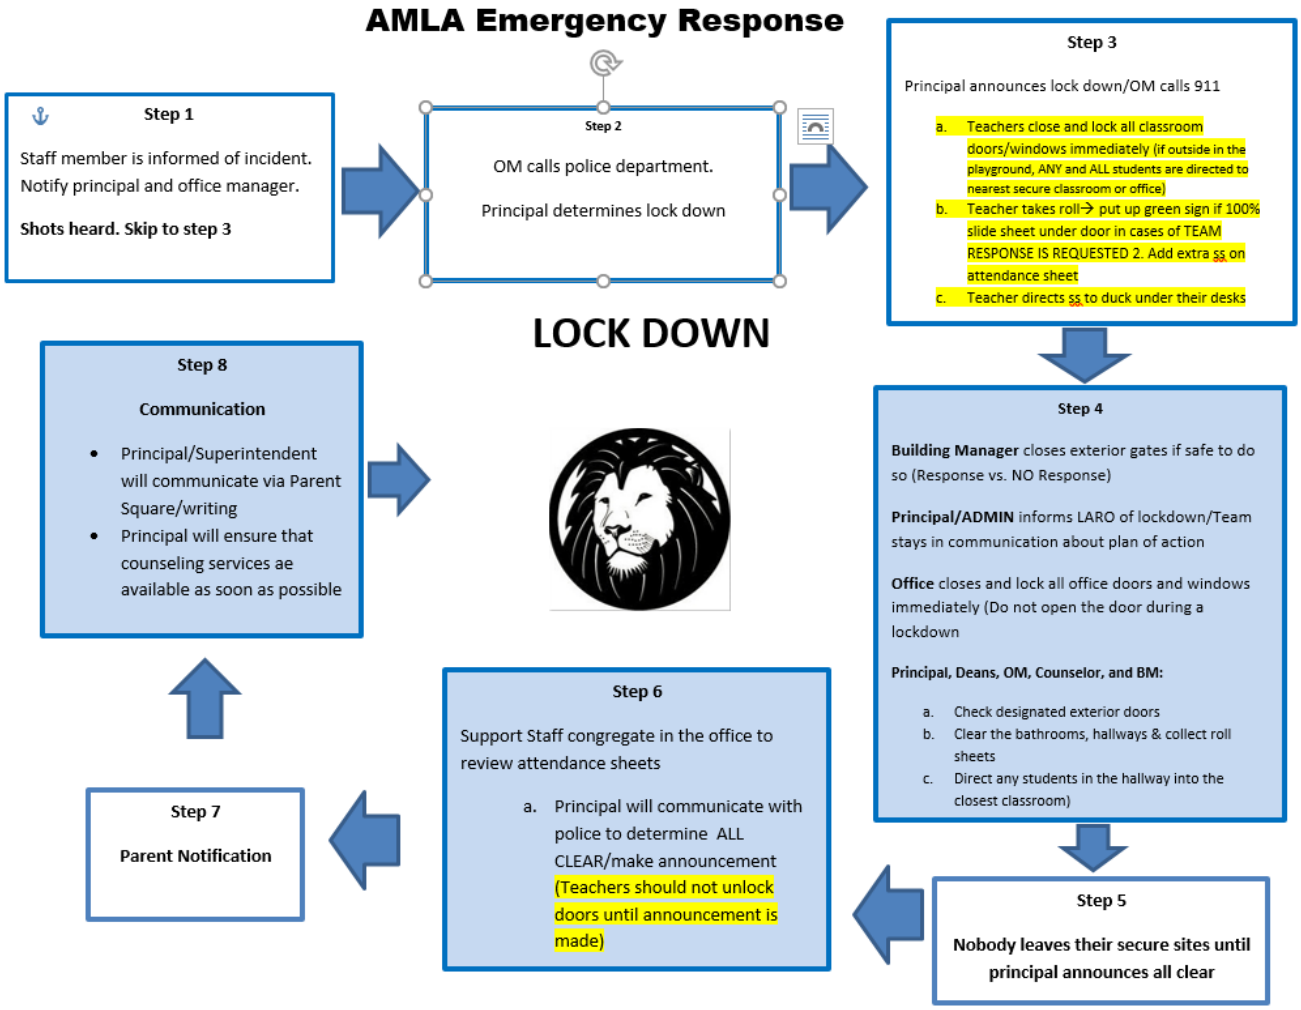

First Aid

The First Aid area should be located at an assigned place and properly stocked at all times.
The First Aid team will consist of individuals assigned by the principal or designee.

Site Emergency Procedures for Special Needs Students

1. Procedures for special needs students may need to be implemented in emergency situations such as fire, earthquake, bomb threats, etc.

2. At the beginning of each school year, an Individual Emergency Procedures Plan must be completed to accommodate each student who requires additional assistance due to a disability. This includes students with physical impairments who may require:
   - a wheelchair on a daily basis
   - specialized equipment
   - physical assistance to evacuate in a timely manner

3. Each plan requires that support staff be designated as specialized assistants during times of emergency.

4. The Site Safety Specialist is responsible for:
   - identifying all students who will require additional assistance
   - working with the designated certificated staff (classroom teachers) and the principal to ensure that coverage and a plan is completed for each student

*** Since new students may arrive at any time during the school year, this assignment will be continuous throughout the year.**

5. Use the format below to complete an Individual Emergency Procedures Plan for each special needs student. Place a copy of the plans in the Site Emergency Operations Plan and with the individual classroom teacher's emergency materials. (class roster, etc.)

DISASTER PLANS

Whenever there is any type of disaster, the primary concern is the safety of the students. The following general guidelines will offer assistance in a variety of disaster situations. Each teacher should also display Disaster Plan guidelines prominently in each classroom. Nothing in these guidelines should discourage a teacher or staff member from immediately contacting 911 themselves should a life and death emergency exist. Seconds count in time of crisis. Emergency personnel must be alerted as soon as possible to mitigate disaster.

Fire

1. Principal, custodians and/or office manager will determine the location of the fire.
2. Office manager will phone 911, picks up emergency card binder and student medication and leaves the building prepared to phone parents of any injured child.
3. Custodian or principal will sound the fire alarms.
4. Staff will follow evacuation procedures previously described.
5. Students should leave the room in a single file, walk briskly but carefully, and stay in their class group when they reach their designated spot.

Earthquake

If indoors:

1. Utilize solid desks and tables for cover from falling objects and debris.
2. Turn away from windows.
3. Utilize solid interior walls and archways.
4. Cover head with arms or hold to the cover and be prepared to move with it.
5. Hold the position until the ground stops shaking.
6. When initial shaking stops, principal or office manager sounds alarms to evacuate the building.
7. Staff to follow evacuation procedures previously described.

If outdoors:

1. Move away from buildings, poles and overhead wires.
2. Lie down or crouch low to the ground.
3. Look out for dangers that demand movement.
4. Be prepared to seek cover again soon after initial quake due to after shocks.
5. Staff to follow evacuation procedures previously described.

Flood/ Severe Weather

Warnings of severe weather are usually received via the EAS. If time and conditions permit, students may be sent home. However, if the weather conditions develop during school hours, without sufficient warning, students should be held at school.

The principal will assess the situation and make an announcement via applicable communication device(s) to A) evacuate, B) stay in classes or C) release students to go home.
See emergency procedures previously described for evacuation directions.

(UTILITY SERVICE FAILURE – custodial staff should familiarize themselves with the appropriate service provider numbers and websites. Be able to identify pole numbers and which service provider is using them, i.e. electric company versus cable company, etc.)

Electrical Failure

1. Principal and/or custodian notify the appropriate electrical company (PG&E, SMUD, etc.).
2. Office staff and classroom teachers turn off computers and other equipment that might be damaged by a power surge when the service is restored.

Gas Line Break

1. Principal and/or custodian notify PG&E.
2. Principal and/or custodian notify the Fire Department.

3. Staff to follow the evacuation procedures previously described.

Water Main Break

1. Principal and/or custodian immediately notifies the local water control authority.
2. Custodian shuts off water.
3. Principal determines if it is necessary to follow the emergency procedures to evacuate students and staff.

Water Contamination

1. Instruct teachers to move students away from drinking fountains and sinks.
2. Notify school office and APS headquarters.
3. Have custodian turn off pressure to drinking fountains and sinks.

Chemical Spill/ Incident

If Indoors:

1. Block or rope off area – DO NOT TOUCH ANYTHING.
2. Evacuate room and TURN OFF air conditioning system.
3. Notify school office and Head Custodian of the incident - contact 911 if necessary.
4. Head Custodian should check for chemical safety data to determine clean up procedure.

If Outdoors:

1. Upon hearing of a chemical leak (usually from the fire department or other city office) the principal will determine if students should be evacuated.
2. Move away from buildings, poles and overhead wires.
3. Close doors and windows and TURN OFF air conditioning system.
4. If it is necessary to leave the site, move crosswind, never more directly with or against the wind which may carry fumes.
5. Give first aid.
6. Staff to follow the emergency procedures previously described.

Lockdown/Active Shooter

Several strategies/philosophies exist in relation to how to properly respond to school site violence (i.e. A.L.I.C.E., Run- Hide-Fight, etc.). In the wake of many notable campus shootings, both public and private entities have devised different courses of action to take in the event of the "worst case scenario" (refer to list of sources located at the beginning of the Emergency Preparedness section). It is incumbent upon the Principal to adopt a well thought out plan of action, to stick with it (consistency), develop it (seek training and customize the plan to serve a particular school site) and practice it regularly. Which option the school leader chooses is based on where you are when you hear the shots or when you are made aware that there is a perpetrator on site prepared to discharge a firearm. **Aspire Public Schools directs that if a shooting takes place the first priority is to shelter students and staff from danger.**

Upon hearing shots or being alerted to an event involving serious violence on campus:

1. ALERT 911. Nothing should discourage a teacher or staff member from immediately contacting 911 themselves should they find themselves in a life and death situation. Seconds count in time of crisis. Law enforcement must be alerted as soon as possible to mitigate the threat.
2. Institute "lockdown" or "evacuation" protocol.

1. If the threat on the inside is greater than the threat on the outside – evacuate (run)
2. If the threat on the outside is greater than the threat on the inside – lockdown (hide)
3. If the lockdown is defeated, at that time a decision will need to be made whether to engage the perpetrator (fight)

Once a decision has been made to lockdown, do not break lockdown protocol until the entire lockdown has been released.

3. Teachers direct students as to the plan of action for their specific classes (i.e. run, hide, fight, etc.).
4. Staff must immediately and continually communicate with other staff and students via all applicable devices the source/location/status of the threat. This will allow for more appropriate courses of actions, i.e. shelter instead of evacuate, vice versa, etc. Continually provide updates as practical until the threat no longer exists.
   Note: Communication should only take place if it is safe to do so. In some instances a lockdown will require radio silence and for cell phones to be muted or off.
5. At the conclusion of such an event, an assigned person(s) will control, organize media and distribute media packages.
   Note: Have pre-scripted press releases on file. Ensure the person communicating with the media has been trained.
6. Shortly after the conclusion of an event, an assigned person(s) will ensure that counseling services are available as soon as possible.

Bomb Threat

There are two primary ways a bomb threat may arise. One is through a phone call or written letter in which a bomb is discussed. The other is through the sighting of a suspicious object. Threats should be handled quickly and efficiently as if they were real and life threatening.

If there is a phone call or written threat of a bomb on campus, the person who took the call or read the note will:

1. Notify Principal immediately.
2. Immediately notify law enforcement via 911. Never use alternate numbers to contact law enforcement as a bomb threat is considered a "crime in progress". Danger may be imminent. Emergency responders need as much for warning as possible.
3. Try to obtain information from the caller such as where the bomb is, where it is set to explode, what it looks like, what kind of bomb it is, why it is there and who the caller is. Note any identifying features about the caller (i.e. gender, speech patterns).

If there is a sighting of a suspicious object, the person would:

1. Notify Principal immediately.
2. Do not touch the object but note any identifying features to describe it to the Principal and emergency crews.

In all cases:

1. If the Principal determines the need to evacuate, staff follows emergency procedures previously described.
2. Before emergency crews are on campus, do not search for any bomb, or explosive. Search only for people who should be evacuated. However, a staff member may be asked to accompany emergency responders to assist in pointing out any suspicious/unfamiliar objects or packages.

3. If you see any suspicious object, steer clear of it and report it to the Principal and/or emergency responders. Follow the directives of all emergency responders.
4. NEVER use devices that transmit radio frequencies such as cellular phones or walkie-talkies as the frequencies may set off an explosive device(s).

Explosion

If indoors:

1. Take cover within, next to, or under solid objects or walls. Solid materials such as concrete walls can serve as adequate shelter in a blast. Be familiar with possible areas of indoor cover at your school site ahead of time.
2. Turn away from glass windows.
3. Take cover under a desk or table or against an interior wall.
4. Cover head with arms of hold to the cover.
5. Hold the position until directed to evacuate the building.
6. Staff will follow the emergency procedures previously described.

If outdoors:

1. Move away from buildings, poles and overhead wires.
2. Lie down or crouch low to the ground. Solid materials such as concrete parking lot/playground curbs and planters can serve as adequate shelter in a blast. Be familiar with those possible areas of outdoor cover at your school site ahead of time.
3. Look out for dangers that demand movement.
4. Staff to follow emergency procedures previously described.

Death/Suicide

1. Principal will be notified in the event of a death or suicide on campus.
2. Assigned person(s) will phone 911.
3. Assigned person(s) will phone APS headquarters.
4. Principal will notify teachers to keep students in their classrooms until informed otherwise.
5. Assigned person(s) will control and organize media. Distribute media packages and/or make references to the appropriate school website that contains media information.
6. Assigned person(s) will notify relatives where the victim(s) have been taken and not divulge unnecessary details.
7. Assigned person(s) will ensure that counseling services are available as soon as possible.

Intruders/ Vicious Animals

1. Institute lockdown or evacuation protocol.
2. Nothing should discourage a teacher or staff member from immediately contacting 911 themselves should a life and death emergency exist. Seconds count in time of crisis. Emergency personnel must be alerted as soon as possible to mitigate disaster.
3. If it is unclear as whether or not an unfamiliar person is authorized on campus or an animal is truly vicious, contact the main office to assist with confirmation/clarification. Office staff can take appropriate action at that point (i.e., contact Police or animal control agency).

Allergic Reaction

There are many types of medical conditions that may trigger an allergic reaction, among them anaphylactic shock, diabetes and sickle cell anemia. Possible symptoms of an allergic reaction include skin irritation or itching, rash, hives, nasal itching or sneezing, localized swelling, swollen tongue, restlessness, sweating,

fright, shock, shortness of breath, vomiting, cough and hoarseness. School nurses have a specialized health care plan for certain conditions and should be contacted for any sign of allergic reaction.

STAFF ACTIONS:

1. If imminent risk, call 911.
2. Send for immediate help (Firs Aid, CPR, medical) and medication kit (for known allergies).
3. Notify principal.
4. Assist in getting "Epi" (Epinephrine) pen for individuals who carry them (usually in backpack), and prescription medications (kept by school nurse).
5. If an insect sting, remove stinger immediately.
6. Assess situation and help student/staff member to be comfortable.
7. Move student or adult only for safety reasons.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

1. If imminent risk, call 911 (always call 911 if using "Epi" pen).
2. Notify parent or guardian.
3. Administer medication, by order of a doctor, if appropriate; apply ice pack to affected area, keep victim warm or take other actions as indicated.
4. Observe for respiratory difficulty.
5. Attach a label to the person's clothing indicating: time & site of insect sting or food ingested, name of medicine, dosage and time administered.

OTHER PREVENTATIVE/SUPPORTIVE ACTIONS:

1. Keep an "Epi" pen in the school office and notify staff as to location.
2. Emergency health card should be completed by parents for each child and should be easily accessible by school personnel.
3. Provide bus drivers with information sheets for all known acute allergic reactors.

CAMPUS ENVIRONMENT

Notice of Regulations

The Aspire School's administration shall ensure that students and their parents/ guardians are notified in writing upon enrollment of all discipline policies, rules and procedures. This handbook satisfies this requirement by describing expectations for student behavior, plans for managing student behavior and consequences for not adhering to expectations.

Behavior Management Cycle

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. These rules and procedures will clearly describe the Aspire School's discipline expectations, and it will be printed and distributed as part of the annual notifications that are sent to each student at the beginning of the school year. Discipline includes, but is not limited to, advising and conferring with students, conferring with parents/guardians, detention during and after school hours, use of alternative educational environments, suspension and expulsion. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of these regulations, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

Behavior Expectation Guidelines

Students must remember that they are responsible for their own actions and will have to abide by the consequences, both positive and negative, of those actions. Students will be held accountable for their behavior in school and during any school sponsored activity. The staff will be responsible for positive reinforcement, consistency, and modeling appropriate behavior. Students will learn to be effective decision makers and problem solvers who demonstrate elements of self-direction, responsibility, and self-discipline. This entire process is built on respect with every adult and student viewed as a person who has dignity and worth as an individual. Each school will be a safe and orderly place for our students to receive a quality education. Students, parents, and school staff must share equal responsibility for creating the best possible educational setting. Open, honest communication with students, parents, and school staff is the best way to achieve this goal.

In order to reach the goals and objectives of this school, you are expected to:
• BE RESPONSIBLE, BE RESPECTFUL, AND BE SAFE by carrying yourself with respect and showing respect to others.
• ABIDE by all Federal, State, County, and City Laws.
• ABSTAIN from the possession, use, distribution or being under the influence of drugs (illegal or prescription) or alcohol.
• REFRAIN from the possession, use, or distribution of tobacco products or cigarettes.
16-17 Aspire Student Family Handbook 9
• DESIST from the possession or use of firearms, weapons, explosives, fireworks, or any other item capable of harming any person or property (or any items that could create the impression of such harm).
• KEEP AWAY from gang related activities, such as "throwing signs" and group intimidation or gang affiliation.
• MAINTAIN A PEACEFUL LEARNING ENVIRONMENT by avoiding fighting, horsing around, hitting, loud noise, or threats towards any person.
• PROTECT SCHOOL PROPERTY by not wasting, damaging, defacing, or destroying any school property or property belonging to another person. Graffiti is prohibited. Don't destroy or write on school buildings, grounds, or property.
• RESPECT THE LEARNING SPACE by not littering on school property and keeping food, drinks, and gum out of classrooms and hallways. Eat only in approved areas and have only water in classrooms.
• DESIST from carrying beeper devices, music devices, and cell phones.
• FOLLOW ADDITIONAL DISCIPLINE PROCEDURES contained in the Student Family Handbook and as developed by the Advisory School Council.
• FOLLOW RULES that apply to specific classes and subjects. These rules will be made known to students and parents, in writing, at the beginning of the school year.

School-Wide Expectations for Student Success

Each school has adopted common rules that apply across all classrooms and at all times. These common rules are:

1) FOLLOW DIRECTIONS OF ALL STAFF AT ALL TIMES.
2) LOOK PROFESSIONAL AT ALL TIMES: No sagging, headwear, sunglasses, etc.

Each school is a closed campus. All students are required to remain on school grounds during the regularly scheduled school day, including lunch period. It is unlawful for anyone to take a student away from school during the regular school day without parent and/or guardian permission and notification of the School Office.

SUSPENSION

Suspension is the temporary removal of a student from class instruction for adjustment or disciplinary reasons.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students who come to school during the term of their suspension or expulsion may receive further disciplinary action.

Except in cases where suspension for a first offense is warranted in accordance with law, each school site shall consider suspension from school only when other means of correction have not been successful or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority to Suspend

1. A teacher may suspend a student only from his/her classroom for the day of the suspension plus the following school day.
2. The Principal or his/her designee may suspend a student from class, classes or the school campus for a period not to exceed five school days.
3. The CEO or designee may extend a student's suspension pending final decision by the Aspire Administrative Panel on a recommendation for expulsion.
4. A student with an IEP being considered for expulsion may be suspended for ten (10) consecutive days pending assessment and an IEP Team meeting. The suspension may also be extended pending final decision by the Aspire Administrative Panel on a recommendation for expulsion. In the event that a special education student's cumulative suspensions in the school year exceed 10 days, the LEA is required to provide FAPE during any subsequent days of suspension. The IEP team determines the appropriate offer of FAPE for the student

Jurisdiction

A student may be suspended or expelled for prohibited misconduct if the act 1) occurred on Aspire property or at an Aspire-sponsored event; 2) is related to an Aspire school activity, and/or 3) To or from activities described in #1 or #2.

Suspension Alternatives

As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal's designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil's non-school hours. For the purposes of this section, "community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action. [Education Code 48900.6]

Procedures in Cases Requiring Suspension

1. Incident Investigation- The school site administrator or teacher investigates the incident and determines whether or not it merits suspension.

2. Determination of Length of Suspension- The school site administrator determines the appropriate length of the suspension in conjunction with local school policy and school-specific disciplinary management plans (maximum of five consecutive school days). [Education Code 48911 (a)]
The total number of days for which a student may be suspended from school shall not exceed 20 school days in any school year. [Education Code 48903 (a)]

3. Legal Notifications-Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245 [Education Code 48902].

The principal or designee also shall notify appropriate city or county law enforcement authorities of

any student acts that may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. [Education Code 48902]

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind. 5. Notice of Suspension- The Principal or designee must complete an Aspire Notice of Suspension form. The parent will be given written notice of the suspension using this form. The Aspire Notice of Suspension serves as written notification of the student's suspension and indicates the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school.

A copy of this form is stored in the OnCourse discipline system– suspension notices should not be placed in the student's cumulative file.

Appeals Process

A student or the student's parents/guardians may appeal those disciplinary actions, other than expulsion, imposed upon a student for his/her school related offenses.

- Appeals must be made first in writing at the school level, and should be directed to the principal. The principal or principal's designee will attempt to resolve the appeal with a written response within ten (10) school days.
- After appeal at the school level, if further appeal is desired, the appeal should be made to the Aspire Home Office and should be directed to the CEO or designee (Regional Manager of Student Services) for resolution with a written response within fifteen (15) school days.
- After appeal at the Aspire administrative level, if further review is desired, the appeal may be forwarded to the Aspire Executive Committee for resolution with a written response within 20 school days.

If any appeal is denied, the parent may place a written rebuttal to the action in the student's file.

EXPULSION

Expulsion is the involuntary removal of a student from all Aspire schools and Aspire programs for acts of specified misconduct.

Except for single acts of a grave nature [enumerated in Education Code 48915 (a) or (c)], expulsion should only be used when:

- there is a history of misconduct,
- other forms of discipline (including suspension) have failed to bring about proper conduct;
- or when the student's presence causes a continuing danger to other students.

Authority to Expel

A student may be expelled by the Aspire Administrative Panel. The Administrative Panel will consist of at least three members who are certificated and neither a teacher or principal of the pupil nor a member of the Aspire Board of Directors. The Aspire Administrative Panel may recommend expulsion of any student found to have committed a suspendable or expellable offense.

While under expulsion, a student cannot enroll in another Aspire school without approval of the Aspire Board of Directors. At the conclusion of an expelled student's term of expulsion, a student cannot enroll in an Aspire school without approval of the Aspire Board of Directors through the readmission process.

Educational placement of an expelled student during their term of expulsion is at the discretion of the District of Residence or the authorizing district.

SUSPENSION AND EXPULSION OF SPECIAL EDUCATION STUDENTS AND STUDENTS WITH 504S: MANIFESTATION DETERMINATION

If a student with a disability (IDEA or Section 504 qualified) is suspended for ten or more school days (including both in and out of school suspension) or is recommended for expulsion, procedural safeguards for the student require a team to convene. In School Suspensions are not counted towards the ten days of removal if all three the following conditions apply: 1) The student can continue to progress in the general education curriculum; 2) The student receives the services listed in their IEP; and 3) The student can participate with their general education peers to the extent dictated by their IEP. The "Manifestation Determination IEP/504 Meeting" will determine whether the misconduct was directly caused by the student's disability and/or whether the IEP or 504 plan was being properly implemented. If it is determined at the meeting that the disability had no direct causal effect on the misconduct, and the IEP/504 was being properly implemented, then the student may be disciplined in the same manner as a non-disabled student

- Staff and students will strive to properly address students with their preferred name and appropriate gender-based pronoun in all communication. Persistent failure to consistently refer to the student will be interpreted as denial of a student's gender identity and a form of harassment.
- All students may use the bathroom that corresponds to their gender identity at school. Any student may use a gender neutral bathroom as well.
- If classes are gender specific, students will be placed in the section that corresponds to their gender identity.
- Participation in athletics will be governed by the rules and policies set forth in sponsoring organizations.

SEARCHES

A student's attire, personal property, vehicle or school property, including books, desks and school lockers, may be searched by a principal or a principal designee who has reasonable suspicion that a student possesses illegal items or illegally obtained items. These may include illegal substances, drug paraphernalia, weapons or other objects or substances which may be injurious to the student or to others. **Illegally possessed items shall be confiscated and may be turned over to the police.**

POSSESSION OF WEAPONS OR DANGEROUS OBJECTS

It is a violation of state law and Aspire Public School policies and regulations for any person to carry a firearm, weapon, or other dangerous object on school premises, school provided transportation or areas of other facilities being used for school activities.

Student in possession of any firearm, knife, explosive or other dangerous object will be suspended and possibly recommended for expulsion. State law mandates expulsion for students who knowingly possess a firearm or brandish a knife at another person.

DRUG, ALCOHOL, AND TOBACCO FREE

Aspire Public Schools recognizes the need for a Drug free, Alcohol free and Tobacco free environment. Smoking is prohibited in all Aspire buildings, facilities and vehicles. Aspire Public Schools support abstinence from alcohol, tobacco, and other drugs for all students in order that their development can reach full intellectual, emotional, social, and physical potentials. Students are subject to disciplinary action, up to and including, a recommendation for expulsion for drug, alcohol, or tobacco related offenses. Students found using or in possession of controlled substances may be suspended. Students found selling controlled substances will be recommended for expulsion.

OTHER PROHIBITED ITEMS

Students are not allowed to bring any games, toys, or trading cards to school for use during the school day (including break and lunch). Cell phones, MP3 players, personal handheld devices are also subject to be taken away. Prohibited items will be returned only to a parent and/or guardian. Repeated offences will result in items being taken away and not returned until the end of the school year.

DRESS CODE

Learning deserves an environment of respect and freedom from distraction. Aspire Board policy requires that all students enrolled in Aspire Public Schools comply with the school's uniform policy. Students who are out of uniform will be subject to disciplinary action. All uniforms should be marked with the student's name. Uniforms (including shoes) are to be clean, maintained, appropriately sized, and worn as they are designed to be worn. The uniform reflects a positive pride in self and school.

Uniform Policy

The purpose of uniform dress at the school is:
• To focus students on school as a professional workplace
• To focus students away from clothing as a competition
• To symbolize our united effort on the road to college

• To develop and enhance a sense of school pride
• To enhance school safety
Outer garments must be appropriate for the comfort and normal activities of students while in school. All items must be worn in traditional and appropriate fashion. A top must cover a student's chest and midriff. Bottoms must cover a student's hips and buttocks. All clothing must be worn in the student's appropriate size.

Clothing must be in good condition and cannot be bleached, stained, ripped, torn, frayed, etc. If a color or item of clothing becomes a safety issue or a distraction from learning, the student may be asked to remove the article, or substitute with something more appropriate. This includes accessories such as shoes, shoelaces, hats, scrunches, etc. We reserve the right to update the dress code as needed at any time and provide a copy to families, students, and staff.

Casual/Free Dress Days
"Casual Dress" means non-uniform; however, students wishing to remain in uniform on non-uniform days may do so. Dress may be casual, but should still adhere to the Dress Code policy and reflect personal and school pride. Clothing should be neat, clean, un-torn, and appropriate for school. Any student in non-uniform must ensure that the choice of dress covers at least as much of the body as would the uniform. Students whose clothing is inappropriate may be sent home for the remainder of the day. The administration reserves the right to determine which clothing is inappropriate.

SAFETY BEFORE AND AFTER SCHOOL

For the safety of students, parents or guardians are not to drop students off, nor are students to arrive at school, prior to 30 minutes before the start of school, unless the student is involved in a regular school activity, meeting, or community program. Similarly, it is the responsibility of the parents or guardians to arrange to have their student leave or be picked up right after school, unless the student is involved in a regular school activity, meeting, or community program or is staying at the request of school personnel. In case of emergency, all students should go directly to the school office at any time before or after school.

Students who cannot comply with these requirements are placing all those at the school at risk by disregarding safety considerations. Students placing themselves or others at risk by violating the above policies may be subject to disciplinary action, including suspension and expulsion.

PROCEDURES FOR NOTIFYING TEACHERS OF DANGEROUS PUPILS

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended, site leadership will send a notification out to the relevant teachers with required information. The teacher can also access the suspension by looking at the student's discipline screen. The information provided is for the student's current teachers only. All information regarding suspension and expulsion is CONFIDENTIAL, is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court notifies the Superintendent of the school's authorizing district regarding students who have engaged in certain criminal conduct. This information is forwarded to the site Principal. The site Principal is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student's counselor.

ANTI-DISCRIMINATION AND ANTI-HARASSMENT POLICY

Aspire Public Schools (APS) does not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code.

Students, parents, guardians, or any other individuals having questions or concerns regarding Aspire's "Discrimination Harassment Policy" or who wish to file a discrimination or harassment complaint should complete Aspire's "Community Complaint Form", and should contact the Principal at the school or the Chief Operating Officer of Aspire at (510) 434-5000. More information on Aspire's Community Complaint and Discrimination Harassment procedures is included later in this handbook.

PREVENTION OF CHILD ABUSE POLICY

Any teacher, or other staff member, who suspects that a student has been subjected to physical injuries, neglect, sexual abuse or emotional maltreatment, is mandated by the Child Abuse Reporting Law to notify the proper authorities. For additional information about California's child abuse reporting requirements for teachers and other school staff, please contact the front office.

In addition, Kate has received two Educator of the Year awards.

Kimi Kean, Area Superintendent – Bay Area

Kimi Kean has been honored to serve as the Bay Area Superintendent at Aspire Public Schools since June 2014. Kimi was raised in the Bay Area, in both East Palo Alto and Oakland. She is a former high school drop out who used her energy and determination to return to community college and eventually earn degrees from UC Berkeley and Columbia University Teachers College. Since 1996, Kimi has worked in youth development, leading college awareness and academic support programs for off-track adolescents before teaching English in Japan. Kimi taught in a dual language program in NYDOE, before founding a small school in East Oakland, where she eventually served as principal for five years. Acorn Woodland Elementary was one of the highest improving schools in California and was designated a California Distinguished School in 2010. Kimi was recognized for Leadership Excellence by New Leaders and as Principal of the Year by OUSD in 2007. Kimi is a proud fellow of New Leaders Cohort 4 and built on her passion for school leadership through serving as the Regional Executive Officer for 24 elementary and middle schools in Oakland Unified School District.

Excited about new possibilities in the charter school movement, Kimi transitioned to Aspire Public Schools in 2014. As the Area Superintendent, Kimi manages the performance of all 11 Aspire Bay Area schools to achieve our AspireForward targets through providing our scholars

with an extraordinary, college-ready educational experience. As Area Superintendent, Kimi supervises and coaches regional leaders to cascade leadership practices and instructional/cultural systems across our schools. At Aspire Bay Area, Kimi manages the regional priorities and strategy and directly supports all 6-12 secondary sites and our post-secondary success initiatives. Kimi's best days are those spent in school coaching school leaders in the practices of leading content, observation and feedback and data meetings.

Kimi loves Aspire because of our phenomenal school leaders, our dedicated educators and talented team. Her love of Aspire is predicated on the ability to focus intensively and relentlessly on the important and hard work of improving the quality of teaching in our classrooms. She breathes the urgency of improving learning and results for our scholars every day. Two fun facts about Kimi are 1) her obsession with bitmoji and 2) reading intense non-fiction. Outside of work, Kimi loves being a mom to two wonderful daughters, 11 and 15 years old and supporting her partner in his new endeavor – Paulista Brazilian Kitchen and Taproom. To keep up her energy she practices the Dailey Method and is always ready to drop it down low for a turned-out-squats challenge.

WELCOME FROM THE CEO

Dear Aspire Families,

From all of us here at Aspire, welcome to the 2018-19 school year!

Aspire was founded in 1998, making this year our **20th anniversary!** For twenty years, we have had the privilege of partnering with families to ensure that every Aspire student receives an excellent education. From day one, our vision has always been ***College for Certain***. We promise to work hard each day to prepare your child for a future filled with choices, and we thank you for partnering with us to make that happen. You, family members, are the wonderful champions, cheerleaders, and coaches for your children - and we could not do this work without you.

This year, there are **over 17,000 Aspire students** across California and Tennessee, and our goal is for each and every one of them to be **prepared for success in college and in life.** From TK through 12th grade, we are **helping students gain the knowledge and skills they need** to tackle any problem - not just problems on a worksheet or a test, but real problems that matter to them, to the people they love, and to the communities they live in and serve, both now and in the future.

We believe that **there is no more important work than education** and no greater accomplishment than seeing students reach their goals. Whether this is your family's first year with Aspire or you have been with us for many years, we want you to know what an honor it is for us to work with you and your child (or children!) in our schools.

Thank you for your partnership, and let's have a wonderful year!

Sincerely,

Carolyn Hack
Aspire Public Schools CEO

ASPIRE-WIDE VISION

Every student is prepared to earn a college degree.

ASPIRE-WIDE MISSION

To open and operate small, high-quality charter schools in low-income neighborhoods, in order to:

- Increase the academic performance of underserved students
- Develop effective educators
- Share successful practices with other forward-thinking educators, and
- Catalyze change in public schools.

ANNUAL NOTIFICATION AND GUIDELINES

This Student Family Handbook enumerates sections of the Education Code that require annual parent and/or guardian notification. [Education Code § 48980[a]]

California state law governs the basic operation of public schools, and the legislature regularly passes new laws affecting the quality and availability of education, as well as laws mandating that local school districts undertake new responsibilities.

These laws often require that Aspire adequately inform parents of the opportunities and protection to which they are entitled. Aspire complies with this by providing families with this Annual Notification in the Student Family Handbook at the beginning of each school year and by issuing the same publication to new families as they enter Aspire schools during the year.

The following contains a summary of state law provisions with which all parents and guardians should be familiar. In some cases, the laws have been summarized, and the precise code number has been provided should parents require more detailed information.

The Student Family Handbook will be published annually. All registered families of Aspire Public Schools will indicate their willingness to be governed by the Student Family Handbook by signing annually a written statement to that effect. The Administration reserves the right to amend the Handbook at any time for just cause. Parents of Aspire Public Schools students will be notified of the changes, in writing, in a timely manner.

ASPIRE ANTONIO MARIA LUGO ACADEMY INFORMATION AND POLICIES

LETTER FROM THE PRINCIPAL

Dear AMLA familia,

Welcome back to the 2018-2019 school year!! We hope you had a wonderful and restful summer and are ready for another exciting year of learning and exploration.

For those of you who are new to AMLA I would like to start with a few brief introductions of myself, and my ADMIN team (deans) who will continue to support our students this year. This year I will be entering my 12th year at Aspire after serving several Aspire LA schools in different capacities. I started off my career as a classroom teacher, then as a K-5 reading literacy specialist, dean at a middle school, and now entering my 5th year as principal. It has been a pleasure getting to work in the Huntington Park community and being a driver for change and advancement for your children.

This year we also welcome back Mrs. Krystal Gonzalez (3-5) and Mrs. Dea Inguito (K-2) who will continue to serve as a wonderful support around instruction/culture. Together they have over 20 years of experience in the classroom, 16 being at Aspire. Our goals together this year are to elevate the instructional program as well as the culture of the school.

Below you will find a few goals for this academic school year:

- Increase our attendance percentage (meeting our goal of 98%)
- Continue to inspire a love of reading and overall joy factor at school
- Elevate our PBIS (Positive Behavior Interventions and Supports) program with the support of a new SEL (Social Emotional Learning) curriculum which was launched this past Spring
- Enhance the focus and support for our English Language Learners
- Ensure that Science is more present in our daily academic program
- Deepen the learning around our new and more rigorous K-5 Math curriculum launched K-5 last year
- Expand our Music and Physical Education program
- Expand the opportunities for our parents to get involved

Looking forward to a tremendous year. Please feel welcome at any time to join us in any of our efforts. The more collaboration and integration of all stakeholders the better for our kids.

Educationally Yours,
Mrs. Garcia

ABOUT THE SCHOOL

Aspire Antonio Maria Lugo Academy is home to 400 students and families. This year we will serve students in grade K-5 with a total of 15 classrooms. Our student population consists of 98% Hispanic, 94% FRL, and 45% ELLs. Currently we are maintaining a 96.5% attendance rate or higher by implementing initiatives and parent education.

AMLA proudly has a very active partnership with parents, which has served to expand our programs and better serve our students. Currently all students participate in Universal Language Blast time, which means that students are given 30 minutes a day (4 x week) to further develop their English Language. Students who are English only or RFEP are also participating in higher-level language development at this time. We are also very proud of the efforts made in our social emotional curriculum, which include strong emphasis in positive reinforcement for our TIER 1 while also including differentiated supports for students with emotional/behavioral needs in Tier 2/3. Evidence that this program is successful includes AMLA proudly holding a zero suspension rate for the past 2 years.

Overall, we feel that at AMLA students are provided with a rigorous and differentiated academic experience as the opportunity to cultivate their character and passion through our continuously

expanding enrichment programs. At AMLA we believe that all stakeholders are key to college for certain. AMLA is part of the Aspire Public Schools (APS), a non-profit 501(c)(3). The Home Office of Aspire Public Schools serves AMLA through business services, professional development and other operational support.

SCHOOL SITE MISSION AND VISION

We will create lifelong learners who think critically, accept new challenges with courage, and contribute positively to their community.

Drop Off Time and Procedures: Doors open for breakfast at 7:55 am, School starts @ 8:30 am
Morning Program available for special circumstances. See office for application.

Pick-Up Procedures

3:30 pm (M-Th) / 1:30 pm (Friday)

Early Pick-Up Policies and Procedures: At AMLA we believe every minute counts. From beginning to end yours child's learning consists of vital skills that will be crucial to them staying on track in order to reach their goal of "College for Certain". With that say pulling your child out of school early directly impacts their academic success. Kids should be picked up at 3:30 M-Th / 1:30 Fri. Excessive early pick-ups may result in a mandatory meeting with Teacher, Counselor and/or Principal.

For the safety of students, parents or guardians are not to drop students off, nor are students to arrive at school, prior to 30 minutes before the start of school, unless the student is involved in a regular school activity, meeting, or community program. Similarly, it is the responsibility of the parents or guardians to arrange to have their student leave or be picked up right after school, unless the student is involved in a regular school activity, meeting, or community program or is staying at the request of school personnel. In case of emergency, all students should go directly to the school office at any time before or after school.

Students who cannot comply with these requirements are placing all those at the school at risk by disregarding safety considerations. Students placing themselves or others at risk by violating the above policies may be subject to disciplinary action, including suspension and expulsion.

CLOSED CAMPUS

Each school is a closed campus. All students are required to remain on school grounds during the regularly scheduled school day, including lunch period. It is unlawful for anyone to take a student away from school during the regular school day without parent and/or guardian permission and notification of the School Office.

PARENT/FAMILY CONTACT INFORMATION

Parents are asked to notify the office in writing as soon as any change of contact information (telephone numbers, address, etc.) occurs. This will ensure that all communication will be received without delay or interruption. Every student must have complete and up-to-date Emergency Contact Information, properly signed and on file in the school Office. **Student may only leave campus with an adult whose name is listed on the emergency contact information.**

CUSTODY ORDERS, POWER OF ATTORNEY OR CAREGIVER AFFIDAVITS

We recognize that all families are unique. If you have family situations which involve specific custody or other legal documents, please let the school know so that we can support your child and family.

TELEPHONES AND CALLS TO STUDENTS

The office telephone is for school business only. Students using the phones inappropriately will be subject to disciplinary action.

If it becomes necessary for you to reach your child during school hours, or if it becomes necessary for your child to reach you during school hours, all communications should be relayed through the main office. **Only emergency messages will be relayed.** As appropriate, the office staff and administration will determine if a message is an emergency.

MEDICATION

If your child needs to take any prescription medications, you must have:

1) a doctor's written and signed note (Parent/Physician Statement) detailing the method, amount, and time schedules for such mediation, **and**
2) a written and signed note (Parent/Physician Statement) from the parent indicating his/her desire that the school assist the student as set forth by the physician in his/her statement.

For safety reasons, children are not allowed to have medicine in their classrooms, lunchboxes, or in their pockets. All medication must be dispensed through the office. You may also come and administer medication to your child, if needed. From time to time some parents request that their child be able to take Tylenol or Advil at school. This is permissible only with written parent and doctor permission (Parent/Physician Statement) and the medication must be in its original container.

ENROLLMENT

ENROLLMENT

Parents of all enrolled students will receive an Acceptance letter and either an Enrollment Confirmation form or Registration Packet; enrollment is not considered complete until that Enrollment Confirmation Form or Registration Packet has been completed and returned. Failure to return the Enrollment Confirmation Form or Registration Packet by the specified deadline may result in the spot being given to the next student on the waitlist.

RE-ENROLLMENT

Before new students can be enrolled, current families are asked to complete a Re-Enrollment Form, indicating whether they plan to return the following school year.

CLASS PLACEMENT

Class placements are carefully considered and created at Aspire Public Schools, with a goal of balancing classes based on a variety of factors. Parents are welcome to submit a letter describing their child's learning styles and interest, but parent requests for specific teachers are not accepted.

FOREIGN EXCHANGE STUDENTS

Aspire Public Schools does not accept or enroll foreign exchange students.

IMMUNIZATION REQUIREMENTS

Students who do not comply with the vaccination requirements shall be excluded from school, meaning, 'No shots, no school'. State law requires that for unconditional admission to school, all students under 18 shall be fully immunized according to the requirements of the California Department of Public Health. All entering students must be up-to-date with immunizations according to Aspire policy and the schedule provided by the California Department of Public Health. As of January 1, 2016, exemptions based on personal beliefs, including religious beliefs, will no longer be an option for the vaccines that are currently required for entry into school in California. If you have a previous personal belief exemption, please reach out to your school to discuss next steps. Students may be exempted from this requirement for medical reasons only. In the event of an outbreak of a disease for which the child has not been immunized, he or she will be excluded from school for the period of communicability.

Students who do not comply with the requirements shall be excluded from school. The immunization requirements do not prohibit pupils from accessing special education and related services required by their individualized education programs. If you have questions about your child's immunization record and/or admission status, please contact your child's school.

TK and Kindergarten students must bring their vaccination records from their doctor on or before the first day of school. Students who do not bring their vaccination records will not be permitted to attend school, per state law. More information can be found here: http://www.shotsforschool.org

ATTENDANCE

Aspire Public Schools (APS) believes that only through daily participation in classroom activities can students achieve success and progress in their academic and social growth. Regular attendance is also preparation for entry into the world of employment. All students and parents are accountable for regular class attendance and daily assignments.

EXCUSED ABSENCES

A student not present in class for any reason is considered absent. Students must be excused from compulsory attendance if they are to miss school; a student will be excused for an absence if 1) the reason for the absence is listed below **and** 2) the **absence is communicated to the school within 5 days** of the absence: [Education Code § 48205(a) and § 48205(c)]

(1) Due to the pupil's illness.
(2) Due to quarantine under the direction of a county or city health officer.
(3) For the purpose of having medical, dental, optometric, or chiropractic services rendered.
(4) For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
(5) For the purpose of jury duty in the manner provided for by law.
(6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
(7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats (for purposes of this section, attendance at religious retreats shall not exceed four hours per semester), attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the student's absence has been requested in writing by the parent or guardian and approved by the principal or a designee.
(8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
(9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty

for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.

(10) For the purposes of attending the pupil's naturalization ceremony to become a US Citizen.

MAKE-UP WORK FOR STUDENTS WHO WERE ABSENT

Students who are absent from school for any of the excused reasons stated under "Excused Absences," as well as suspension, shall be allowed to complete all assignments and tests. Upon satisfactory completion, the student shall be given full credit for completed work. Local school procedures will guide, pursuant to the regulations of APS, what assignments the student shall make-up and in what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. [Education Code § 48205]

GENERAL TARDINESS

Any student who arrives to school after the opening-school bell has rung or the official start of the school day, yet less than 30 minutes into the instructional school day, will be considered "tardy." Once the school day has begun, students who are not present and actively engaged in the learning activities at the start of a class period and or when the opening class bell has rung are also considered "tardy."

Individual schools shall create and publish procedures to govern the admission of students that are tardy to school, including, but not limited to those described in the following section.

SCHOOL SITE ATTENDANCE AND TARDY PROCEDURES

Regular, on-time attendance is important for your child's success. In the event your child is absent or tardy, please follow the procedures below.

If your child is **absent**, please call the school office to report the absence **within 5 days** and ask for makeup work so that your child does not fall behind.

If your child is **tardy**, please have them come to the office to sign in for the day and obtain a "tardy pass" before they go to class.

If children fail to attend school regularly, they miss out on fundamental reading and math skills needed to succeed in college and beyond.
Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade (Attendance Works, 2014).

Hence, at AMLA we are committed to establishing good attendance habits by implementing the following policy below to address excessive tardies and truancies. This is in addition to the truancy consequences outlined in the next section.

Therefore, please review the following:

- 5 tardies = parents will be required to attend a parent workshop regarding attendance
- 1 truancy = parents will be required to attend a parent workshop about attendance.
- If the student continues to have excessive tardies or parent fails to attend workshop, students may be required to make up the work they have missed during recess.
- Home Visit: Note if a family fails to meet the above requirements a home visit may be initiated.

CHRONIC ABSENTEEISM

Any student who has been absent from school (excused or unexcused) for 10% or more of the total days of attendance for that school year may be required by the school principal to provide an official medical or judicial verification in order to excuse an absence. Students with such an excess of absences will be notified in writing of the official verification requirement.

Any teacher may change the grade of a student who has accrued 10 unexcused absences per semester to a failing grade for their courses at the marking period (grade of "F" or "NC"). [Education Code § 49067]

Students with excessive absences may be referred to the school's Truancy Abatement Program as a way to remediate the excessive absences. The abatement program may include Weekend Makeup School.

WITHDRAWAL DUE TO EXCESSIVE UNVERIFIED ABSENCES (AWOL)

In rare circumstances, students will be disenrolled from an Aspire school for multiple consecutive days without attempting to notify the school of the absences or without responding to school inquiries (phone, fax, and mail) about the student absence.

TRUANCY

A student is considered truant when the student is:

- absent from school without a valid excuse three school days in one school year,
- tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or
- any combination thereof.

Truancy is for unexcused absences not cleared within 5 days. To avoid truancy, please always inform the office if your child's absence or tardy is for an excusable reason as defined above.

NOTIFICATIONS OF TRUANCY

If your child is classified as truant under the California Education Code, you will receive notification from the school that includes information required by the state. The first notification will come to you once your child has accrued three truancy events. Please reach out to the school on this first notification, as it will allow the school to work with you in support of your child's attendance. You will receive additional notifications after six and then again after seven total truancy events. [Education Code §§ 48260, 48261, 48262]

First Notification of Truancy or Excessive Absences

- Letter #1 sent regular and/or delivery confirmation mail when a student has accrued **three (3) truancy events.**
- Student may be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to Weekend Makeup School.

Second Notification of Truancy or Excessive Absences

- Letter #2 sent regular and/or delivery confirmation mail.
- A student must be notified a **second time** once they have accrued at least **six (6) truancy events**.
- Student may be assigned, with or without parent consent, to the school's truancy abatement program.

NOTIFICATION OF DETERMINATION OF HABITUAL TRUANCY AND SART

Once your child has received a third notification of truancy after accruing a seventh truancy event, the California Education Code identifies your child as a habitual truant. At this point, the school is required to hold a School Attendance Review Team (SART) meeting with you. At that meeting an attendance contract, including supports, will be discussed and signed and your child will be assigned to the school's truancy abatement program. [Education Code §§ 48260, 48261, 48262]

Notification of Determination as an Habitual Truant

- Letter #3 sent regular and delivery confirmation mail. In addition, a parent may be asked to sign the letter in person.
- A student must be notified a **third time** once they have accrued a **seventh (7) truancy event**. Student is identified as a **Habitual Truant**.

- SART meeting held with student, parent, teacher advisor, and Principal. If not already on file, an Attendance Contract must be signed at this meeting.
- Student will be assigned, with or without parent consent, to the school's truancy abatement program.
- If the parent and/or guardian fails to respond in 10 days or does not attend the scheduled conference, the matter may be referred to the Aspire Student Attendance Review Board (SARB).

The school's SART will consist of:

- The principal;
- The student's teacher from the school in which the student is enrolled; and
- Other relevant members, such as another Aspire administrator, an Aspire Home Office representative, other teachers or staff as appropriate, counselor, etc.

NOTIFICATION OF CONTINUED TRUANCY AND REFERRAL TO ASPIRE SARB

Once a student reaches an 8th truancy event, you will receive notification that the student has been referred to the Aspire Student Attendance Review Board process, which is a final attempt to help resolve truancy issues before more stringent consequences are considered, including, but not limited to: referral to the District Attorney. [Education Code §§ 48260, 48261, 48262]

Notification of Continued Truancy – Referral to Aspire SARB

- Letter #4 sent regular and registered delivery confirmation mail from the Regional Office. In addition, a parent may be asked to sign the letter in person.
- A student must be notified a **fourth time** once they have reached an **eighth (8) truancy event.**
- Principal refers student to Aspire SARB with required attachments.
- Student will be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to Weekend Makeup School.
- If the parent fails to respond within 10 days or attend the scheduled conference, the matter may be referred to the District Attorney's office and other appropriate actions.

The APS SARB will consist of:

- The school principal or their administrative designee;
- A teacher from the school in which the student is enrolled;
- The CEO's designee from the Aspire Home Office; and
- Other relevant members, such as local school district representative, District Attorney representative, special education representative, counselor, local police official, etc.

ACADEMICS

ACADEMIC INTEGRITY

Aspire Public Schools believes in academic integrity. Students are expected to do their own homework, to test without external resources, and to submit original work for all assignments. Aspire students are expected to deny all requests to copy from their own work.

CONSEQUENCES FOR VIOLATING ACADEMIC INTEGRITY

1. All test papers, quizzes, or assignments will be taken from the student(s) violating the policy.
2. A student found cheating may receive, at the discretion of the teacher, a grade of "F" or a zero for the test, quiz, or assignment. This may lower a quarter or semester grade substantially.
3. Parents will be notified and a parent conference will be arranged if the teacher deems it necessary.
4. The Principal will be notified.
5. An incident of cheating and or plagiarism will result in removal from the Honor Roll for that quarter.
6. Repeated violations or a single serious violation may lead to more serious disciplinary actions.

GRADING POLICIES AND PROCEDURES

When grades are given for any course of instruction, the grade given to each student shall be the grade determined by the teacher of record for the course, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetence the grade shall be final [Education Code §49066a].

Teachers may make changes to grades until they have been stored in PowerSchool. After grades are stored, teachers are prohibited from changing grades without securing the approval of the school site principal and the Area Superintendent. All grade changes will be documented in student's cumulative folder using the official Aspire "Grade Change" form and requests for changes will only be accepted for 21 school days after the official close of the marking period. Teachers wishing to change a student's grade after grades have been stored should apply the following criteria:

- The student had extenuating circumstances that prohibited the student from completing the course on time (example: automobile accident, serious illness).
- The student did not receive adequate materials to complete the course (example: textbook)
- The grade should not be changed if the student made little or no effort to complete the assignments or solicit support during the time span of the course

Aspire Antonio Maria Lugo Academy uses a standards based grading policy, which is a method where teachers measure how a student is doing in reaching a specific learning goal or standard. Students receive a 1-4 with the following definitions:

Grading Key	
4	Exceeding the grade level standard
3	Meeting the grade level standard
2	Approaching the grade level standard
1	Below the grade level standard
\	Standard not addressed

Please note, not all standards are assessed during every grading period. If you have questions about what your child is learning or how they are progressing, please reach out to your child's teacher.

More information will be shared at back to school events.

INSTRUCTIONAL MATERIALS

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation as part of any applicable (instructional) program shall be available for inspection by the parents or guardians of students [20 USC 1232h(a)].

TEXTBOOKS AND MATERIALS

Students are responsible for all books and school materials issued to them. All textbooks are to be protected with sturdy book covers, no contact (adhesive) or other permanent book covers allowed. Students will be fined for unusual wear or damage to books. Students will be charged a replacement fee for all lost books, technology or other school materials issued to them, including library books.

REQUIRED RESTITUTION

Student grades, diplomas, and transcripts may be withheld from students and parents or guardians when a student has damaged, destroyed, or not returned loaned property of the school and restitution has not been made. The records are withheld from the student and parent and/or guardian, but will not be withheld from a requesting school. [Education Code § 48904(b)]

CALIFORNIA MATHEMATICS PLACEMENT ACT

In accordance with the California Mathematics Placement Act of 2015, Aspire Public School has adopted the "Enhanced Pathway" in the *California Mathematics Framework, 2013* as it allows students to develop

a solid foundation on key middle school mathematical concepts, and also gives students time to make key choices on their mathematics pathway. For additional information, please visit www.aspirepublicschools.org.

TESTING

California students are required by state law to take multiple assessments to measure their progress and mastery of the CA adopted Common Core standards. These include, but are not limited to, the:

- Smarter Balanced Achievement Consortium Tests in grades 3 – 8 and 11
- English Language Proficiency Assessments for CA (ELPAC) for English Learners in K-12
- California Science Test (CAST) in 5, 8, and at least one high school grade
- California Alternative Assessment (CAA) for students who qualify based on disability
- Additional benchmark and interim tests are administered for internal Aspire purposes including an internal reading diagnostic assessment
- Other federal, state and local tests as required

FAMILY LIFE/HIV/AIDS EDUCATION

The Family Life Education program is designed to help students understand the biological, psychological, social, moral, and ethical aspects of human sexuality. The program provides information on human growth and development, physical and emotional changes that occur during adolescence, and responsibility. Each school district shall ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and HIV prevention education from instructors trained in the appropriate courses. Each pupil shall receive this instruction at least once in junior high or middle school and at least once in high school. [Education Code § 51934]

The Family Life Education Program includes age appropriate instruction about Acquired Immune Deficiency Syndrome (AIDS) and Human Immunodeficiency Virus (HIV). The course will include information on AIDS and its effects on the human body, HIV transmission and prevention, community resources, decision-making and refusal skills, and public health issues. The Family Life and HIV/AIDS instruction programs follow the guidelines set forth by the California Education Code. Parents and/or guardians may contact the Principal if they would like to preview the classroom materials.

DRESS CODE

Learning deserves an environment of respect and freedom from distraction. Aspire Board policy requires that all students enrolled in Aspire Public Schools comply with the school's uniform policy. Students who are out of uniform will be subject to disciplinary action. All uniforms should be marked with the student's name. Uniforms (including shoes) are to be clean, maintained, appropriately sized, and worn as they are designed to be worn. The uniform reflects a positive pride in self and school.

Uniform Policy

The purpose of uniform dress at the school is:

- To focus students on school as a professional workplace
- To focus students away from clothing as a competition
- To symbolize our united effort on the road to college
- To develop and enhance a sense of school pride
- To enhance school safety

Outer garments must be appropriate for the comfort and normal activities of students while in school. All items must be worn in traditional and appropriate fashion. A top must cover a student's chest and midriff. Bottoms must cover a student's hips and buttocks. All clothing must be worn in the student's appropriate size.

Clothing must be in good condition and cannot be bleached, stained, ripped, torn, frayed, etc. If a color or item of clothing becomes a safety issue or a distraction from learning, the student may be asked to remove the article, or substitute with something more appropriate. This includes accessories such as shoes, shoelaces, hats, sunglasses, scrunches, earrings, etc. We reserve the right to update the dress code as needed at any time and provide a copy to families, students, and staff.

Casual/Free Dress Days

"Casual Dress" means non-uniform; however, students wishing to remain in uniform on non-uniform days may do so. Dress may be casual, but should still adhere to the Dress Code policy and reflect personal and school pride. Clothing should be neat, clean, un-torn, and appropriate for school. Any student in non-uniform must ensure that the choice of dress covers at least as much of the body as would the uniform. Students whose clothing is inappropriate may be sent home for the remainder of the day. The administration reserves the right to determine which clothing is inappropriate.

Those students should complete a new application during the first week of school each year. See the cafeteria manager or office for the application form. Students must present their student I.D. in order to obtain lunch.

Here at Aspire Antonio Maria Lugo we follow a healthy food policy. Our policy around food, birthday celebrations, and parties is posted outside our main office and will be included in our first day packet.

EMPLOYMENT OF STUDENTS - WORK PERMIT

While school and preparation for university must always be a student's first priority, students, over the age of 14, are encouraged to consider employment to enhance their academic portfolio, to prepare for university, and to gain valuable life skills and experiences. In order for a minor (anyone under the age of 18) to work, he/she must obtain a Work Permit from the school.

In order for a student to be eligible to obtain a work permit, the student must:

a. maintain a minimum progress toward meeting the high school graduation requirements as prescribed by Aspire's Board of Directors policy.

b. maintain, during the previous grading period (by quarter), at least a 2.0 GPA.

c. not receive a failing mark in any core academic subject the previous grading period (by quarter).

Any student wishing to seek employment is encouraged to meet with the Dean of Students or Academic Counselor to discuss the California legal requirements, eligibility requirements, and procedures outlined below. State law places restrictions on the amount of time minors may work and requires that it not interfere with their academic progress. In accordance with Aspire Public Schools Administrative Regulations and CA Education Code § 49164 - "The CEO or designee shall revoke a student's work permit whenever he/she determines that employment is impairing the student's health or education, that any provision or condition of the permit is being violated, or that the student is performing work in violation of law." Academic supports focus on English Language Arts and Math intervention for students performing below grade level, as well as daily homework assistance and college readiness supports for older students. Enrichment activities are designed to foster creativity, teamwork and physical activity, while reinforcing key academic skills and giving students opportunities to explore their interests and talents – and have fun. If you have questions about your school's afterschool program, please contact the school office.

STUDENT BEHAVIOR AND DISCIPLINE

NOTICE OF REGULATIONS

This handbook satisfies this requirement by describing expectations for student behavior, plans for managing student behavior and consequences for not adhering to expectations.

POSITIVE BEHAVIOR SUPPORT SYSTEMS

Aspire Antonio Maria Lugo Academy is committed to supporting all students through the implementation of systems that build a positive school culture. This includes both overarching intervention frameworks as well as specific culture and positive behavior building programs. Some specific systems we use include:

Multi-tiered Systems of Support (MTSS): MTSS is the next evolution of Response to Intervention, which focuses much more on the whole child and creating a tiered system of supports that takes into account not just academic or behavioral needs, but also the impact of environment on these needs.

Positive Behavior Interventions and Supports (PBIS): PBIS is a problem-solving framework that supports schools in determining behavioral interventions and support at all tiers within an MTSS system.

Restorative Practices (RP): RP promote positive relationships and community building while providing meaningful opportunities for members of the school community to share the responsibility for making our schools a safe and nurturing environment. Restorative Practices are used throughout all tiers of support and intervention to create positive school culture, alternative discipline and change.

SOCIAL-EMOTIONAL LEARNING (SEL)

Our approach to Social and Emotional Learning (SEL) is to create positive school climate and culture and foster the social and emotional growth of our scholars and teammates through adopting an intentional focus on the integration of SEL throughout our entire instructional pyramid and beyond. Aspire will be moving forward with an Aspire-wide TK-12 adoption and roll out of SEL principles and programming in 2018-2019. Our Social and Emotional Learning Program is a key element in advancing our Equity efforts at Aspire, by ensuring each scholar is receiving the types and appropriate level of supports they need to reach their potential.

Aspire is committed to supporting our students' social and emotional development to be caring and productive citizens. We engage in culturally responsive and equitable practices in our communities of students, families, and teammates to cultivate the following lifelong skills in each Aspire scholar and educator:

- Managing emotions and behaviors
- Feeling and expressing empathy and compassion for others
- Making responsible decisions
- Setting and achieving positive goals

Aspire Antonio Maria Lugo Academy utilizes proven SEL programs and other techniques to include SEL in our regular day program. This program is in addition to the many other culture and skill building opportunities occurring at your child's school.

Paths: The PATHS® program is a PreK-6 curriculum designed to reduce aggression and behavior problems by promoting the development of social-emotional competence.

Please reach out to us if you would like to learn more about the systems and programs our school uses.

BEHAVIOR MANAGEMENT CYCLE

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. These rules and procedures will clearly describe the Aspire School's discipline expectations, and it will be printed and distributed as part of the annual notifications that are sent to each student at the beginning of the school year.

Students will be held accountable for their behavior in school and during any school sponsored activity. The staff will be responsible for positive reinforcement, consistency, and modeling appropriate behavior. Students will learn to be effective decision makers and problem solvers who demonstrate elements of self-direction, responsibility, and self-discipline. This entire process is built on respect with every adult and student viewed as a person who has dignity and worth as an individual.

Each school will be a safe and orderly place for our students to receive a quality education. ALTERNATIVES TO SUSPENSION

Suspension shall be imposed only when other means of correction fail to bring about proper conduct. However, a pupil, including an individual with exceptional needs, as defined in Section 56026, may be suspended for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Education Code Section 48900 (see below under grounds for suspension for details) or that the pupil’s presence causes a danger to persons. [Education Code § 48900.5]

SUSPENSION

Suspension is the temporary removal of a student from class instruction for adjustment or disciplinary reasons.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students who come to school during the term of their suspension or expulsion may receive further disciplinary action.

Except in cases where suspension for a first offense is warranted in accordance with law, each school site shall consider suspension from school only when other means of correction have not been successful or where the student's presence would constitute a danger to persons or property or seriously disrupt the educational process.

Authority to Suspend

1. A teacher may suspend a student only from the teacher's classroom for the day of the suspension plus the following school day.
2. The Principal or the Principal's designee may suspend a student from class, classes or the school campus for a period not to exceed five school days.
3. The CEO or designee may extend a student's suspension pending final decision by the Aspire Administrative Panel on a recommendation for expulsion.
4. A student with an IEP being considered for expulsion may be suspended for ten (10) consecutive days pending assessment and an IEP Team meeting. The suspension may also be extended pending final decision by the Aspire Administrative Panel on a recommendation for expulsion. In the event that a special education student's cumulative suspensions in the school year exceed 10 days, the LEA is required to provide FAPE during any subsequent days of suspension. The IEP team determines the appropriate offer of FAPE for the student

If a student with a disability (IDEA or Section 504 qualified) is suspended for ten or more school days (including both in and out of school suspension) or is recommended for expulsion, procedural safeguards for the student require a team to convene. In School Suspensions are not counted towards the ten days of removal if all three the following conditions apply: 1) The student can continue to progress in the general education curriculum; 2) The student receives the services listed in their IEP; and 3) The student can participate with their general education peers to the extent dictated by their IEP. The "Manifestation Determination IEP/504 Meeting" will determine whether the misconduct was directly caused by the student's disability and/or whether the IEP or 504 plan was being properly implemented. If it is determined at the meeting that the disability had no direct causal effect on the misconduct, and the IEP/504 was being properly implemented, then the student may be disciplined in the same manner as a non-disabled student.

HARASSMENT POLICY

SPECIAL EDUCATION

Aspire Public Schools serves all students, regardless of their disability, and provides Special Education services to students who are found eligible under the Individuals with Disabilities Education Act. Schools are obligated to provide a "free appropriate public education" (FAPE) in the least restrictive environment (LRE). Referral for special education eligibility and services may come from teachers, parents, agencies, appropriate professional persons, and from other members of the public. Special Education referrals will be coordinated with school site procedures for referral of students with needs that cannot be met with modifications of the regular instructional program, including referrals from student intervention teams, such as the Student Study Team (SST). A student shall be referred for special education and services after the resources of the regular education program have been considered and, where appropriate, utilized. [For more information on the Special Education referral process, see the section *Child Find and Special Education Notification]*

CHILD FIND AND SPECIAL EDUCATION NOTIFICATION

Many programs for the children in Aspire Public Schools are provided at no cost to you. Our schools offer special education programs and services such as specialized instruction, behavioral services, speech therapy, physical and occupational therapy, and other special education related services. Developmental screening and or comprehensive assessments for children who are suspected of having a disability which could adversely affect their educational development are available at no cost to you.

A student must be evaluated and identified as having a disability under the Individuals with Disabilities Education Act (IDEA) to be eligible for special education programs and related services. Assessment is the process to determine a student's needs and eligibility for an Individualized Education Plan. No single procedure is used as the sole criterion for determining an appropriate educational program for an individual with exceptional needs. Assessments must address all areas related to the suspected disability and be conducted by a multi-disciplinary team, including the parent. The evaluation will result in a written report consistent with *California Education Code Section 56327*. Whenever a parent provides a request for assessment, the LEA has 15 days to review the request and respond in writing. If the LEA determines that assessment is appropriate, an assessment plan will be developed and a copy given to the parents. Parents have 15 days to respond to the proposed assessment plan. The assessment will begin upon receipt of parent's written consent to Individual Assessment Plan. The assessment must be completed and the IEP meeting held within 60 days of receipt of parent's written consent. If there is denial of the request for assessment, prior written notice will be provided to the parents, consistent with *Title 34, CFR Section 300.503,* providing *rationale* for denial of the request.

If any Aspire Public Schools family has questions or concerns with regard to an enrolled student receiving special education services, you have the right to request assistance in addition to copies of policies, procedures, evaluations, plans and reports by contacting the Aspire Special Education office. Appointments or further information can be obtained by contacting the Aspire Special Education office at 510-434-5000 or by requesting information from your local school principal.

SPECIAL EDUCATION COMPLAINTS

An individual may file a complaint alleging that the school is not in compliance with IDEA policies and procedures. An individual may file the complaint by contacting the Aspire Regional Office Director of Special Education, either verbally or in writing. If the complaint is made verbally, the receiving staff should request to have the complaint in writing, and assist the parent to put the complaint in writing, if needed. Within 15 calendar days of receipt of the complaint (tolled for school breaks in excess of 5 days), the parent will be contacted and provided with a copy of Special Education Parent's Procedural Safeguards. The Regional Director of Special Education will investigate the nature of the complaint by interviewing the parent, school site team and reviewing the student's special education and cumulative file. If an Individual Education Plan meeting is appropriate to address the complaint, it will be scheduled within 30 calendar days (tolled for school breaks in excess of 5 days) of receipt of the complaint.

If the complaint is not resolved by the Regional Office, the individual may contact the Senior Director of Special Education at the Aspire Home Office. The Senior Director of Special Education will review the measures taken to address the complaint by the Regional Office, and contact the parent within 5 days of receipt of their complaint (tolled for school breaks in excess of 5 days). The Senior Director of Special Education will discuss the Parent's Procedural Safeguards with the parent, which include the Informal Dispute Resolution process, state complaint procedures and due process procedures, as appropriate.

HOMELESS CHILDREN AND YOUTH (MCKINNEY-VENTO REAUTHORIZATION OF 2002)

As required by Federal law (McKinney-Vento), Aspire Public Schools ensures that homeless children and youth are provided equal access to the same free, appropriate public education as provided to other children and youth. For additional information concerning services for homeless children and youth, please contact the Regional Manager of Student Services. Contact information for the RM may be obtained through your school's main office.

FOSTER CHILDREN AND YOUTH

As required by State law, Aspire Public Schools ensures that all educational decisions for foster youth shall be made to ensure that each foster pupil has the opportunity to meet the same academic achievement standards to which all pupils are held. For additional information concerning services for foster children and youth, please contact the Regional Manager of Student Services. Contact information for the RM may be obtained through your school's main office.

ENGLISH LANGUAGE LEARNERS

Aspire provides a variety of programs to help students who need support in their speaking, reading, writing or understanding of English as a result of English not being their home language. If you are interested in these supports for your child, please contact your school's main office.

GENDER DIVERSE STUDENT SUPPORTS

Aspire is committed to providing a safe and supportive environment for all students and ensuring that all students have equal access to Aspire's educational programs and activities. Aspire requires that all schools and all personnel promote acceptance and respect among students and staff. Aspire is a place where each student's gender identity is accepted and valued as an important part of the whole child. If you are interested in discussing specific supports for your child, please contact your school's main office.

STUDENT SUCCESS TEAM (SST)

The Student Success Team is an efficient and effective way to bring together all resources, human and programmatic, to support students having difficulties in regular classes. This is a concentrated solution-seeking meeting where all the needed persons, including the student and parent, are present at the same time. The SST is an expression of the school's concern for students and provides a supportive atmosphere for students to become actively involved in determining their own needs and in implementing strategies designed to help them.

AGREEMENT TO CONTINUE STUDENT IN KINDERGARTEN

Kindergarten is an important place for children to develop the pre-requisite skills they need to be successful in 1st grade. If a student is struggling to develop those pre-requisite skills we work with families to determine if students should progress or repeat kindergarten. Students will not repeat kindergarten without the agreement of parents to postpone 1st grade [Education Code §48011].

INDEPENDENT STUDY

Independent Study is an instructional strategy that responds to a student's individual needs. It is an alternative to classroom instruction consistent with Aspire's course of study and is not an alternative curriculum.

Acceptable reasons for requesting Independent Study include excused or warranted absence from school for five (5) or more consecutive school days. Written requests for independent study should be directed to the principal at least two weeks before the anticipated departure.

Permission to grant Independent Study is up to the discretion of the principal. If the student has been on Independent Study before and has not completed the work as assigned, it is up to the Administrator Principal as to whether he or she should be allowed to participate in the program again. No student with exceptional needs may participate in Independent Study unless the Individualized Education Program (IEP) specifically provides for participation.

HOME HOSPITAL INSTRUCTION

The purpose of Home and Hospital Instruction (HHI) is to provide instruction to a student with a *temporary* disability in the student's home or in a hospital or other residential health facility, excluding state hospitals. The temporary disability must make attendance at Aspire impossible or inadvisable. Please reach to your school's main office if you would like to discuss HHI for your student.

SOCIAL-EMOTIONAL SCHOOL COUNSELING PROGRAMS

This section provides general information about the counseling services at Aspire schools. It is not intended to be an exhaustive list of the particular requirements for counseling at a specific school nor do all Aspire schools have the capacity to provide counseling services. Please contact the school's main office to determine specific protocols at this school site.

School-based, social-emotional counseling is available on a limited basis through our school counseling department. However, the scope of practice for a school counselor is much more limited than that of an outside therapy agency or provider. School counselors' work with students focuses on issues that are present during the school day, specifically working to ameliorate presenting problems' impact on a student's educational achievement. **Counseling in the school setting is not meant to replace therapeutic interventions or treatment from outside agencies or providers for mental health concerns.** Parents should not expect the level of counseling at a school site to be sufficient to support the needs of students with significant mental health issues. Additionally, school counseling services are only available during regular school days and times.

Counseling services are not guaranteed for students. Students referred for services may be placed on a waiting list until such time as the counseling staff has an opening. Students may be moved on the wait-list based on school discretion and applicable State and Federal laws. As stated above, however, school counseling resources are limited and counseling services are not guaranteed for every referral received.

EMERGENCY MEDICAL CARE

All students must have an emergency information card filled out and signed by the parent or guardian at the beginning of each school year. This card delineates what care the parent desires for their child in the event of an emergency, along with noting the current medical and emergency information.

CONTAGIOUS OR INFECTIOUS DISEASE

A child may be sent home, if for a good reason, he or she is believed to be suffering from a recognized contagious or infectious disease. The child shall not be permitted to return until the school authority is satisfied that any contagious or infectious disease does not exist.

EMERGENCY PREPAREDNESS AT ASPIRE PUBLIC SCHOOLS

Aspire Public Schools is committed to maintaining safe and secure campuses for our students and staff. We work diligently to make sure that students and staff are prepared for emergencies. To that end, every school has a comprehensive school safety plan that covers Aspire's policies and expectations regarding the practices of each school in maintaining the security of the physical campus, responding appropriately to emergencies, increasing the safety and protection of students and staff, and creating a safe and orderly environment that is conducive to learning. Every school conducts regular emergency drills that at a minimum, meets the state mandated requirements. These drills include: Fire, Earthquake, and Lockdown/Shelter in Place.

Parents are asked to make sure that their students actively participate and take emergency drills seriously. These drills help make sure students are well prepared in an event of an emergency. Each school also stocks emergency supplies to sustain students and staff. These supplies include the following: water, food, first aid supplies, search and rescue supplies, and sanitation items. These supplies are checked regularly by school staff.

Parents should be familiar with the school's emergency procedures and update contact information whenever it changes. Keep your cell phone with you to receive recorded updates on the emergency. Knowing where to go to pick up your child will save time and reduce anxiety. Parents should remember that schools have emergency procedures in place to protect all the students and that schools will follow these procedures during an emergency.

CHILD ABUSE REPORTING

Any teacher, or other staff member, who suspects that a student has been subjected to physical injuries, neglect, sexual abuse or emotional maltreatment, is mandated by the Child Abuse Reporting Law to notify the proper authorities. For additional information about California's child abuse reporting requirements for teachers and other school staff, please contact the front office.

FAMILY AND COMMUNITY ENGAGEMENT

SCHOOL-HOME COMMUNICATION

At school we depend on our parents and guardians to work as our partners in supporting their children's education. It is always best to first contact your child's teacher to address any concerns which you may have. All staff at Aspire can be reached by email and phone provided by the school site.

FAMILY ENGAGEMENT ACTIVITIES

Children learn best when their parents are engaged every step of the way, creating a bridge of learning from the classroom to the home. Below are some examples of what Aspire does to help parents and guardians become great coaches for their children:

Special Saturday Classes: Scheduled at specific Saturdays during the school year, these half-day sessions allow parents to attend school with their children and get to know the school site better. We believe it's important for them to see, feel, and experience the space that their children spend so much time in.

Guidance for At-home Support: Aspire coaches parents on how to structure reading at home (20+ min per day K-5), providing the right level of help with homework, participating in projects, and playing games that reinforce learning.

Participation in School Decision-making: Aspire includes two parent representatives on the School Site Council (previously Advisory School Council) of each school, as well as parent participation on the school's Teacher Hiring Committee.

- SSC Monthly Meetings
- Coffee with Principal Monthly Meetings
- Parent Suggestion Box
- ELAC four times a year
- LCAP Survey
- Family Survey
- SST's (Student Success Team)

VISITOR POLICY

Guests are welcome! **Any visitor entering the school grounds must register in the Office, identify themselves and the nature of their business, and receive a Visitor's Pass.**

Parents and guardians are encouraged to visit school sites and classrooms to observe and support the work of the schools. This is one of the essential vehicles for a school-parent partnership. Each school has various ways to engage with parents and make them comfortable in the school including Saturday Schools, School Site Councils (previously Advisory School councils), volunteer opportunities and site specific events.

All visitors to a school site must report to the office when entering and receive authorization to visit elsewhere in the school site. A principal or designee may direct a visitor to leave the school and not return for a designated time if it is determined that the visitor has interfered with the good order or peaceful conduct of the school. Additionally, no electronic listening or recording devices may be used in the classroom without the prior consent of the teacher and principal of the school.

Unauthorized persons will not be permitted in school buildings or on school grounds. School principals or designees are authorized to take appropriate action to prevent such persons from entering buildings and from loitering on grounds. Such persons will be prosecuted to the full extent of the law, including but not limited to, Education Code section 32211.

VISITOR GUIDELINES

All campus visitors must have the consent and approval of the principal/designee. Permission to visit must be given at the time requested if at all possible or within a reasonable period of time following the request. Children who are not enrolled at the school are not to be on the campus unless prior approval of the principal has been obtained.

Visitors may not interfere with, disrupt or cause substantial disorder in any classroom or school activity, including, but not limited to, lunch, recess or after-school.

Visitors are expected to:

- Follow the established school policy in requesting a classroom visitation
- Complete a visitor's permit upon arrival at the site
- Enter and leave the classroom as quietly as possible
- Not converse with the students, teacher and/or instructional aides during the visitation
- Not interfere with any school activity
- Keep the length and frequency of classroom visits reasonable
- Follow the school's established procedures for meeting with the teacher and/or principal after the visit, if needed
- Learn and follow the school-wide behavioral expectations
- Return the visitor's permit to the point of origin before leaving the campus.

Any individual who disrupts a school site or fails to follow school rules and/or procedures is subject to removal from the school site and may be further restricted from visiting the school.

VOLUNTEERS

Volunteers help enrich students' education and provide extra assistance for teachers and school staff. Volunteers are typically on campus for longer periods or with larger amounts of responsibility than standard visitors are. Because of this, there are additional requirements for volunteers beyond those for basic visitors and key volunteer requirements are discussed below, but please review the full volunteer handbook for a complete list of requirements.

Potential volunteers are urged to contact the school if they can offer time or services to help with any part of the school program. **Volunteers are placed with teachers or other staff members who have requested volunteer assistance. Schools reserve the right to assign volunteers to classrooms/activities as needed and to decline a volunteer's services at any time.** All visitors,

including volunteers, must sign in at the front desk and receive a "Visitor Badge" as identification. They must also sign out when leaving the premises. This is for the safety of the children and staff as well as the visitor in case of an emergency. For the safety of all students, all volunteers must have:

- A negative TB test on file in the school office within the past four years before starting to work with students.
- A background check, if working with students in unsupervised settings. Unsupervised volunteers who need to be fingerprinted include coaches, after school program staff, business mentors, tutors, and chaperones on field trips – anyone who is working with a student(s) without supervision. The results of the background check are **confidential** and will not be discussed with other staff members and or parents.

Volunteer Drivers

- The driver must have a valid California Driver's License.
- The parent or adult driver must have a current "**Driver's Liability Insurance Statement**" on file in the school office with the following minimum coverage: $15,000 per person, $30,000 per occurrence, $5,000 property damage (15 30 5).
- Vehicles for transporting children must be in a safe and operable condition. The number of passengers in the vehicle must not exceed the number of seat belts. Cars with passenger side air bags **cannot** have a student occupying that space.
- Children weighing less than 40 pounds must ride in a car seat with seat belt.
- Drivers must have clear driving records. Drivers who have been convicted of a misdemeanor or felony drunk driving will not be authorized to drive students. Drivers cited with more than one moving violation within the past year will not be authorized to drive students.
- The sponsoring program will pay bridge tolls and admissions. No mileage will be paid to parents.

ASPIRE FAMILY RIGHTS AND RESPONSIBILITIES

NOTICE FOR DIRECTORY INFORMATION

Under FERPA, Aspire must get parents' or eligible students' written consent prior to the disclosure of personally identifiable information from students' records.

However, Aspire may disclose designated "directory information" (as defined below) without prior written consent, unless a parent or eligible student has advised Aspire that the parent or student does not want such "directory information" disclosed. Every parent and eligible student must be notified about what information constitutes "directory information," must be informed that they may opt-out of having this information provided about the student, and must provide Aspire with the decision to opt out within a reasonable amount of time from when the "directory information" notice was provided. At the start of every school year, parents and eligible students will be provided this "directory information" notice and will be provided a reasonable period of time to opt-out.

Directory information, if released, is generally not considered harmful or an invasion of privacy. Aspire defines directory information to include:

- Student's full name
- Grade enrolled
- Degrees, honors and awards received
- Club participation
- Sports participation, including athlete's height and/or weight

The primary purpose of directory information is to allow Aspire to include information about students in certain school publications, such as but not limited to:

- Yearbooks

- Graduation programs
- Honor roll and other awards/recognition lists
- Club activity announcements
- Sports activity rosters, which may include height and weight of athletes

Additionally, federal laws require Aspire Public Schools, because we receive assistance under the Elementary and Secondary Education Act of 1965 (ESEA), to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless parents or eligible students have advised Aspire that they do not want this information disclosed without their prior written consent.

If you do not want Aspire to disclose any or all directory information, as defined above, from your child's education records (or your educational records, if you are 18 years old or older) without your prior written consent, you must notify Aspire in writing. Aspire provides an "Opt-Out" form at the start of every school year, as part of its annual FERPA/Directory Information Notification. You may use this form or you may submit other written notification within a reasonable amount of time from the date you were informed of what is included as "directory information."

NON-DISCRIMINATION AND TITLE IX POLICY

Aspire Public Schools is committed to equal opportunity for all individuals in education. Aspire Public Schools (APS) does not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code.
Aspire will follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on age, sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability in any program or activity that receives or benefits from state financial assistance.

Students, parents, guardians, or any other individuals having questions or concerns regarding Aspire's "Discrimination Harassment Policy" should contact the principal of the school and Aspire recommends individuals work with their schools when they have concerns.

Parents who wish to file a discrimination or harassment complaint should complete Aspire's "Uniform Complaint Investigation Request" Form (located at the back of this handbook), and should contact the Principal at the school or their Regional Manager of Student Services. More information on Aspire's Uniform Complaint procedures is included later in this handbook.

ASPIRE STUDENT DATA PRIVACY POLICY

Aspire is committed to protecting the privacy of our student data. As an organization, we believe that data is a powerful tool and utilize data extensively to monitor and improve student outcomes. We recognize that there are risks in the collection and usage of this data and in order to protect the privacy of our students, we have enacted the following policies:

- Aspire limits the collection, usage, and sharing of student data to only those data points which are required by law or useful in improving student outcomes.
- Student data is only made available to parties that have an immediate, legitimate need to access the data.
- Aspire ensures that both our internal systems and the systems of our vendors use proper technological safeguards to protect student data and are legally bound to prevent the use of student data for marketing or sales purposes.
- When Aspire ends our relationship with a student data vendor, we ensure that the data is removed from their systems.
- We abide by all state and federal student data regulatory laws including:
    - Family Educational Rights Privacy Act (FERPA)
    - Protection of Pupil Rights Amendment (PPRA)
    - Children's Online Privacy Protection Act (COPPA).

For more information about our student data policies, please contact the Aspire Home Office at 510-434-5000.

FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA), a federal law, affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. **The right to inspect and review** the student's education records within 45 days of the day the Aspire receives a request for access. Parents or eligible students should submit to the Aspire principal a written request that identifies the record(s) they wish to inspect. The Aspire principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. **The right to request amendment** of the student's education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Aspire to amend a record they believe is inaccurate or misleading. They should write the Aspire principal to clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the Aspire principal will notify, in writing, the parent or eligible student of the decision and advise them of their right to a hearing with the Aspire Director of Student Services regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. **The right to consent** to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by Aspire as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Aspire Board of Directors; a person or company with whom Aspire has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing the official's tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill the official's professional responsibility.

Upon request, Aspire discloses education records without prior written consent to officials of another school district in which a student seeks or intends to enroll. Student records shall be released to another school district where the student has enrolled or intends to enroll, upon official request from that district. If such transfer of education records is made, Aspire will make a reasonable attempt to notify the parent or eligible student of the records request.

At the time of transfer of records, the parent/guardian, custodian or adult-age student may receive a copy of the records at his/her/their expense ($0.25 per page), if requested, and shall have an opportunity to challenge the contents of the records.

4. **The right to file a complaint** with the U.S. Department of Education concerning alleged failures by Aspire to comply with the requirements of FERPA. The name/address of the office that administers FERPA and receives grievances is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

If you have concerns at a school site, please see below for the Parent Concern Process that should be followed for your site.

Aspire Public Schools encourages students, parents, and staff to discuss their concerns and complaints through informal conferences with the appropriate teacher, principal, or other campus staff.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Step 1- Meeting/discussion with the specific staff member
Step 2- Meeting/discussion with the person's supervisor (if applicable)
Step 3- Meeting/discussion with the Principal, Phone#: 323-585-1153
Step 4- Meeting/discussion with the Area Superintendent or Associate Superintendent

-----Contact information available from the school office-----

If an informal conference regarding a concern fails to reach an outcome that is satisfactory to the staff member, student, or parent, he/she may initiate the formal process by filing a written complaint. The form is available at the end of this handbook. Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

UNIFORM COMPLAINT POLICY

The Board of Directors of Aspire Public Schools ("Aspire") recognizes that Aspire is responsible for complying with applicable state and federal laws and regulations governing educational programs. We have established Uniform Complaint Procedures (UCP) to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs, the charging of unlawful pupil fees and the non-compliance of our Local Control and Accountability Plan (LCAP). The UCP shall be used for any program or activity conducted by Aspire, which is funded directly by, or that receives or benefits from any state financial assistance.

This section contains rules and instructions about the filing, investigation and resolution of a UCP complaint.

A UCP complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation, bullying or charging pupil fees for participation in an educational activity or non-compliance with the requirements of our LCAP. A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging any of the above listed UCP complaint reasons. If the complainant is unable to put the complaint in writing, due to a disability or illiteracy, we shall assist the complainant in the filing of the complaint.

Aspire shall follow UCP for all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group as identified in Education Code sections 200 and 220 and Government Code section 11135. This includes any actual or perceived characteristics as set forth in Penal Code section 422.55 or on the basis or a person's association with a person or group with one or more of these actual or perceived characteristics. This list may be updated as required by law.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in: After School Education and Safety, Child Nutrition, Consolidated Categorical Aid, Course Periods without Educational Content, Education of Pupils in Foster Care and Pupils who are Homeless, Every Student Succeeds Act / No Child Left Behind, Local Control Accountability Plans (LCAP), Migrant Education, Pupil Fees[1,2], Reasonable Accommodations to a Lactating Pupil, School Safety Plans and Special Education. This list may be updated as required by law.

Complaints *other* than issues relating to pupil fees must be filed in writing with the following designated to receive complaints:

Uniform Complaint Officer
c/o Regional Director of Student Services
5901 E. Slauson Avenue
Commerce, CA 90043
323-837-9920 p / 323-837-9921 f

Any pupil fees complaint should be filed with the principal of a school.

[1] A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

[2] A pupil fee complaint shall be filed no later than one year from the date the alleged violation occurred.

ASSURANCES

The Board acknowledges and respects every individuals right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the CEO or CEO's designee on a case-by-case basis.

A pupil fees or LCAP complaint may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint.

The CEO or CEO's designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the CEO or CEO's designee.

The Board prohibits retaliation in any form for participating in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of those involved.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try to resolve their problem through mediation, the CEO or CEO's designee shall initiate mediation. The CEO or CEO's designee shall ensure that mediation results are consistent with state and federal laws and regulations.

This policy shall be disseminated annually to students, employees, parents or guardians of its students, school and district advisory committees, and other interested parties.

Aspire designates its CAO/CSO as the compliance officers. The compliance officers shall receive and investigate complaints and ensure compliance with the law. A designee appointed by CAO/CSO may conduct the investigation.

INITIATION OF COMPLAINT

A complaint shall be presented in writing by way of an Aspire Uniform Complaint Form and the complaint must be initiated no later than six (6) months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination, unless the CEO or CEO's designee grants an extension of time.

Within five (5) days of receiving the complaint, the compliance officer or designee shall informally discuss with the complainant the possibility of using non-binding mediation, and if the informal mediation does not resolve the problem within the parameters of the law, the compliance officer or designee shall proceed with his or her investigation of the complaint.

INVESTIGATION OF COMPLAINT

The compliance officer or designee shall hold an investigative meeting within ten (10) days of receiving the complaint or an unsuccessful attempt to informally mediate the complaint. The investigative meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally. The complainant and/or the complainant's representative shall have an opportunity to present information relevant to the complaint. Parties to the complaint may discuss the complaint and question each other or each other's witnesses.

RESPONSE/RESOLUTION

An investigation shall be completed, resolved and decision rendered within sixty (60) days after receiving a request for direct intervention or an appeal request, unless the complainant agrees in writing to an extension of time. The complaint officer or designee shall prepare and send to the complainant a written report of the investigation and decision. The written report shall contain: Findings and disposition of the complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal with Aspire's Student Services Office. If requested, the CAO/CSO or CEO designee will complete

an additional investigation and prepare and send to the complainant a written report of the investigation and decision. The CAO/CSO's written report shall contain findings and disposition of the complaint; corrective actions (if any); rationale for such disposition; and procedures for initiating an appeal, which are as follows:

1. Notify CAO/CSO or CEO designee in writing of the decision to appeal within fifteen (15) days of receiving the written report
2. Submit a letter to the California Department of Education (CDE) along with the originally filed complaint and a copy of Aspire's decision to CA Department of Education, 1430 N Street., Sacramento, CA 95814. Additionally, department specific information can be found here: https://www.cde.ca.gov/re/cp/uc/ucpcontacts.asp
3. The appeal to the CDE must specify the reason for the appeal and whether Aspire's facts are incorrect and/or the law is misapplied.

MEDIATION

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

CIVIL LAW REMEDIES

Nothing in this policy precludes a complainant from pursuing available civil law remedies outside of Aspire's complaint procedures. Such remedies may include mediation centers, public/private interest attorneys, injunctions, restraining orders, etc. For discrimination complaints in California, however, a complainant must wait until sixty (60) days has elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if Aspire has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint.

BIENVENIDA DE LA GERENTE GENERAL

Queridas familias de Aspire:

En nombre de todos los que integramos Aspire, les doy la bienvenida al año escolar 2018-2019.

Aspire fue fundada en 1998, por lo que **¡este año es nuestro vigésimo aniversario!** Durante veinte años, hemos tenido el privilegio de trabajar codo a codo con las familias para garantizar que cada uno de los estudiantes de Aspire reciba una educación de excelencia. Desde el primer día, nuestra visión siempre ha sido Universidad garantizada. Prometemos trabajar arduamente todos los días para preparar a sus hijos para un futuro lleno de opciones y les agradecemos su colaboración con nosotros para hacerlo realidad. Son ustedes, los familiares, los maravillosos campeones, alentadores y entrenadores de sus hijos, y no podríamos hacer este trabajo sin ustedes.

Este año, hay **más de 17,000 estudiantes** de Aspire en California y Tennessee y nuestra meta es que todos y cada uno de ellos estén **preparados para el éxito en la universidad y en la vida.** Desde la transición al jardín de infantes y hasta el duodécimo grado**, estamos preparando a los estudiantes con el conocimiento y las competencias que necesitan** para resolver cualquier problema, no tan solo problemas en un ejercicio o una evaluación, sino problemas reales que son importantes para ellos, para las personas que aman y las comunidades en las que viven y trabajan, tanto ahora como en el futuro.

Estamos convencidos de que no hay trabajo más importante que el de educar y no hay mayor logro que ver a los estudiantes alcanzar sus metas. Sea este el primer año de sus familias con Aspire o si ya hace muchos años que están con nosotros, queremos que sepan el gran honor que es para nosotros trabajar con ustedes y con sus hijos en nuestras escuelas.

¡Gracias por su colaboración; espero que tengamos un año maravilloso!

Atentamente.

Carolyn Hack
Gerente General de Aspire Public Schools

VISIÓN DE LAS ESCUELAS PUBLICAS ASPIRE

Todos los alumnos están preparados para obtener un título de educación superior.

MISIÓN DE LAS ESCUELAS PUBLICAS ASPIRE

Abrir y operar escuelas autónomas, pequeñas y de alta calidad en vecindarios de bajos recursos, para:

- Mejorar el desempeño académico de alumnos marginados.
- Desarrollar educadores eficaces.
- Compartir prácticas exitosas con otros educadores innovadores.
- Catalizar el cambio en las escuelas públicas.

PAUTAS Y NOTIFICACIÓN ANUAL

Este Manual para el alumno y su familia enumera las secciones del Código de Educación que requieren notificación anual de padres o tutores. [Código de Educación § 48980[a]]

Las leyes del Estado de California rigen la operación básica de las escuelas públicas y la legislatura aprueba, de forma regular, nuevas leyes que afectan la calidad y la disponibilidad de la educación, así como leyes que exigen que los distritos escolares locales se comprometan con nuevas responsabilidades.

Por lo general, estas leyes requieren que Aspire les informe de forma correcta a los padres sobre las oportunidades y la protección a la que tienen derecho. Aspire cumple con esto al proporcionarle a las familias esta Notificación Anual en el Manual para el Alumno y su Familia al comienzo de cada año escolar y al entregar la misma publicación a las nuevas familias a medida que ingresan a las escuelas Aspire durante el año.

La siguiente información contiene un resumen de las disposiciones legales estatales con las que padres y tutores deben estar familiarizados. En algunos casos, se resumieron las leyes y se proporcionó el número de código preciso en caso de que los padres requieran más información detallada.

El Manual para el Alumno y su Familia se publicará de forma anual. Todas las familias registradas de Aspire Public Schools indicarán su deseo de estar regidas por el Manual para el Alumno y su Familia al firmar una declaración escrita anual a tal efecto. La Administración se reserva el derecho de modificar el manual en cualquier momento por una causa justa. Los padres de los alumnos de Aspire Public Schools recibirán, en el momento que se considere oportuno, una notificación por escrito de los cambios.

INFORMACIÓN Y POLÍTICAS DE ANTONIO MARIA LUGO ACADEMY

CARTA DE LA DIRECTORA

Querida familia AMLA,

¡Bienvenidos al año escolar 2018-2019! Esperamos que haya tenido un verano maravilloso y tranquilo y esté listo para otro año emocionante de aprendizaje y exploración.

Para aquellos de ustedes que son nuevos en AMLA, me gustaría comenzar con algunas breves presentaciones de mí misma y de mi equipo Administrativo (decanos) que continuarán apoyando a nuestros estudiantes este año. Este año entraré a mi 12 ° año en Aspire después de servir en varias escuelas de Aspire LA en diferentes capacidades. Empecé mi carrera como maestra de salón, luego como especialista en lectoescritura K-5, decano en una escuela intermedia y ahora ingresé a mi quinto año como directora. Ha sido un placer trabajar en la comunidad de Huntington Park y ser un conductor para el cambio y el progreso de sus hijos.

Este año también le damos la bienvenida a la Sra. Krystal Gonzalez (3-5) y la Sra. Dea Inguito (K-2) quienes continuarán sirviendo como un apoyo maravilloso en cuanto a instrucción / cultura. Juntos tienen más de 20 años de experiencia en el aula, 16 de ellos en Aspire. Nuestras metas juntas este año son elevar el programa de instrucción así como la cultura de la escuela.

A continuación encontrará algunas metas para este año académico:

• Incrementar nuestro porcentaje de asistencia (alcanzando nuestro objetivo del 98%)
• Continuar inspirando el amor por la lectura y el factor de alegría en la escuela
• Elevar nuestro programa PBIS (Intervenciones y Apoyo de Comportamiento Positivo) con el apoyo de un nuevo plan de estudios SEL (Aprendizaje Socioemocional) que se lanzó la primavera pasada.
• Mejorar el enfoque y el apoyo para nuestros estudiantes del idioma inglés
• Asegurar que la ciencia esté más presente en nuestro programa académico diario
• Profundizar el aprendizaje en torno a nuestro nuevo y más riguroso plan de estudios K-5 de Matemáticas lanzado K-5 el año pasado
• Expandir nuestro programa de Música y Educación Física
• Ampliar las oportunidades para que nuestros padres se involucren

Esperando un año formidable. Por favor, siéntete bienvenido en cualquier momento para unirte a nosotros en cualquiera de nuestros esfuerzos. Cuanta más colaboración e integración de todos los interesados, mejor para nuestros hijos.

Educativamente tuyo,
Sra. García

ACERCA DE LA ESCUELA

Aspire Antonio Maria Lugo Academy es el hogar de 400 estudiantes y sus familias. Este año vamos a servir a los estudiantes de Kinder a 5to grados con un total de 15 aulas. Nuestra población estudiantil está conformada por 98% de hispanos, 94% de FRL y 45% de ELLs. Actualmente estamos manteniendo una tasa de asistencia del 97% o mayor implementando iniciativas y educación para padres.

AMLA tiene una asociación muy activa con los padres, lo que ha servido para expandir nuestros programas y servir mejor a nuestros estudiantes. Actualmente, todos los estudiantes participan en el tiempo de Explosión de Lenguaje Universal, lo que significa que los estudiantes reciben 30 minutos al día (4 veces por semana) para desarrollar su idioma Inglés. Los estudiantes que hablan sólo Inglés o RFEP también están participando en el desarrollo del lenguaje de nivel superior en este momento. También estamos muy orgullosos de los esfuerzos realizados en nuestro currículo emocional social, que incluye un fuerte énfasis en el refuerzo positivo para nuestro Nivel 1, incluyendo también apoyos diferenciados para los estudiantes con necesidades emocionales / de comportamiento en el Nivel 2/3. La evidencia de que este programa es exitoso incluye en que AMLA orgullosamente ha mantenido una tasa de suspensión de cero durante los últimos 2 años.

En general, sentimos que a los estudiantes de AMLA se les proporciona una experiencia académica rigurosa y diferenciada como la oportunidad de cultivar su carácter y pasión a través de nuestros programas de enriquecimiento, continuamente en expansión. En AMLA creemos que todos los interesados son claves para la universidad. AMLA es parte de Aspire Public Schools (APS), una organización sin fines de lucro 501 (c) (3). El Ministerio del Interior de Aspire Public Schools sirve a AMLA a través de servicios empresariales, desarrollo profesional y otro apoyo operacional.

MISIÓN Y VISIÓN DE LA ESCUELA

Ante una emergencia, todos los alumnos deben dirigirse directamente a la oficina escolar en cualquier momento antes o después de la escuela.

Los alumnos que no puedan cumplir con estos requisitos ponen en riesgo a todos de demás dentro de la escuela por desacato de las consideraciones de seguridad. Al contravenir estas políticas, los alumnos ponen en riesgo a los demás y a sí mismos, y quedarán sujetos a medidas disciplinarias, incluida la suspensión y la expulsión.

CAMPUS CERRADO

Cada escuela es un campus cerrado. Se solicita a todos los alumnos que permanezcan en el área de la escuela durante el horario escolar regular, incluido el periodo del almuerzo. 2. una nota escrita y firmada por uno de los padres (Declaración padre/médico) que indique su deseo de que la escuela asista al alumno según lo establece el médico en su declaración.

Por razones de seguridad, no se permite que los niños tengan medicamentos en las aulas, las loncheras o sus bolsillos. Todos los medicamentos se deberán administrar por medio de la oficina. Si es necesario, puede acudir a la escuela para administrarle el medicamento a su hijo. De tanto en tanto, algunos padres solicitan que su hijo tome Tylenol o Advil en la escuela. Esto solo es posible con un permiso escrito de los padres y del médico (Declaración padre/médico) y el medicamento se debe encontrar en su envase original.

INSCRIPCIÓN

INSCRIPCIÓN

Los padres de todos los alumnos inscritos recibirán una Carta de aceptación y un formulario de Confirmación de inscripción o un Paquete de registro; la inscripción no se considera completa hasta que se haya completado y devuelto el formulario de Confirmación de inscripción o el Paquete de registro. Si no se devuelve el formulario de Confirmación de inscripción o el Paquete de registro para la fecha límite especificada, se corre el riesgo de que se proporcione el lugar al siguiente alumno en la lista de espera.

REINSCRIPCIÓN

Antes de que se puedan inscribir nuevos alumnos, se les solicita a las familias actuales que completen un formulario de Reinscripción, que indique si planean volver el siguiente año escolar.

UBICACIÓN EN LA CLASE

Las ubicaciones en las clases son cuidadosamente consideradas y generadas en Aspire Public Schools, con el objetivo de equilibrar las clases en función de una variedad de factores. Los padres pueden enviar una carta en la que describan los estilos de aprendizaje e intereses de sus hijos, pero no se aceptarán sus solicitudes para que sus hijos tengan maestros específicos.

ALUMNOS DE INTERCAMBIO EXTRANJEROS

Aspire Public Schools no acepta alumnos de intercambio extranjeros.

REQUISITOS DE INMUNIZACIÓN

Los alumnos que no cumplan con los requisitos de vacunación serán excluidos de la escuela. Es decir, "sin vacunas, no hay escuela". Las leyes estatales exigen que, para una admisión incondicional a la escuela, todos los alumnos menores de 18 años estén completamente inmunizados de acuerdo con los requerimientos del Departamento de Salud Pública de California. Todos los alumnos que ingresen deben contar con las inmunizaciones actualizadas según la política de Aspire y el cronograma que proporciona el Departamento de Salud Pública de California. Los alumnos solo pueden ser eximidos de este requerimiento por razones médicas. A partir del 1 de enero de 2016, las exenciones basadas en creencias personales, incluidas creencias religiosas, ya no serán una opción para las vacunas que se exigen en la actualidad para ingresar a una escuela en California. Si tiene una exención previa por creencias personales, comuníquese con su escuela para hablar sobre los próximos pasos. En el caso de un brote de una enfermedad que el niño no ha sido vacunado, él o ella será excluida de la escuela durante el periodo de comunicabilidad.

Los alumnos que no cumplan con los requerimientos serán excluidos de la escuela. Los requisitos de inmunización no prohíben que los alumnos accedan a una educación especial y a los servicios relacionados requeridos por los Programas de Educación Individualizados. Si tiene consultas acerca de los registros de inmunización del niño o de la condición de la admisión, comuníquese con la escuela del niño.

TK y Kindergarten Los estudiantes deben traer sus registros de vacunación de su médico antes o primer dia de escuela. A los estudiantes que no lleven sus registros de vacunación no se les permitirá asistir a la escuela, por ley estatal. Más información puede ser encontrada aquí: http://www.shotsforschool.org

ASISTENCIA

En las Aspire Public Schools (APS) creemos que solo mediante la participación diaria en las actividades del aula los alumnos pueden lograr el éxito y progreso en su crecimiento académico y social. La asistencia regular también representa una preparación para ingresar al mundo del empleo. Todos los estudiantes y padres son responsables de la asistencia regular a clases y del cumplimiento de las tareas diarias.

FALTAS JUSTIFICADAS

El alumno que no asista a clases por cualquier motivo es considerado ausente. Si el alumno debe faltar a la escuela, se debe justificar la ausencia; se justificará si 1) la razón de la ausencia se indica a continuación y 2) la ausencia se **comunica a la escuela dentro de los 5 días de la falta**: [Código de Educación § 48205(a) y § 48205(c)]

(1) Debido a una enfermedad del alumno.
(2) Debido a una cuarentena por orden de un funcionario de salud del condado o la ciudad.
(3) Para recibir atención de servicios médicos, dentales, oftalmológicos o quiroprácticos.
(4) Para asistir a un funeral de un miembro de su familia inmediata, siempre que la ausencia no sea de más de un día, en caso de que el funeral se realice en California, y de no más de tres días si el funeral se realiza fuera de California.
(5) Para cumplir con el deber de jurado según lo dicta la ley.

(6) Debido a una enfermedad o cita médica, durante las horas de clases, de un niño del cual el alumno sea padre custodio.
(7) Por razones personales justificables, incluidas, entre otras, comparecencia ante un tribunal, presencia en un funeral, conmemoración de un día religioso o ceremonia de su culto, asistencia a un retiro religioso (en esta sección, la asistencia a retiros religiosos no debe superar las cuatro horas por semestre), asistencia a una conferencia de empleo, o asistencia a una conferencia educativa en un proceso legislativo o judicial que ofrezca una organización sin fines de lucro, en casos en que uno de los padres o el tutor haya solicitado la ausencia del alumno por escrito y el Director, o la persona que este designe, la haya aprobado.
(8) Para cumplir la función de miembro de una junta directiva electoral de conformidad con la Sección 12302 del Código Electoral.
(9) Para pasar tiempo con un miembro de la familia inmediata de un alumno, que sea un miembro del servicio uniformado activo, como se define en la Sección 49701, y que deba presentarse para sus obligaciones, esté de licencia, o haya vuelto inmediatamente, de un despliegue de una zona de combate o una posición de apoyo de combate. Las ausencias justificadas en virtud de este párrafo serán otorgadas por un periodo de tiempo que será determinado según el criterio del Superintendent (inspector del distrito escolar).
(10) A los efectos de asistir a la ceremonia de naturalización del alumno para convertirse en ciudadano de los EE. UU.

TRABAJO DE "RECUPERACIÓN" PARA LOS ALUMNOS QUE ESTUVIERON AUSENTES

Los alumnos que no hayan asistido a la escuela por alguno de los motivos que se indican en "Faltas justificadas", incluida la suspensión, deben tener la posibilidad de completar todas las tareas y pruebas. Después de completarlas de forma satisfactoria, se le debe otorgar al alumno todos los créditos correspondientes por haber completado el trabajo. Los procedimientos de la escuela local indicarán, de acuerdo con las normas de APS, cuáles son las tareas que el alumno debe recuperar y en qué periodo de tiempo el alumno debe completar dichas tareas. Las pruebas y tareas deben ser razonablemente equivalentes, pero no necesariamente idénticas, a las pruebas y tareas que el alumno no pudo realizar durante su ausencia. [Código de Educación §48205]

LLEGADAS TARDE GENERALES

Cualquier alumno que llegue a la escuela después de que haya sonado el timbre que indica el comienzo de la jornada o el inicio oficial del día escolar, pero menos de 30 minutos de iniciada la jornada de enseñanza escolar, será considerado como que "llegó tarde". Una vez que se inicia la jornada escolar, los alumnos que no estén presentes o no participen activamente en las actividades de aprendizaje al comienzo del periodo de clases o cuando haya sonado el timbre que indica el comienzo de la clase, también serán considerados como que "llegaron tarde".

Las escuelas individuales deben crear y publicar procedimientos para regir la admisión de los alumnos que lleguen tarde a la escuela.

ASISTENCIA A LA ESCUELA Y PROCEDIMIENTOS PARA LLEGADAS TARDE

La asistencia regular y puntual es importante para el éxito de su hijo. En caso de que su hijo esté ausente o llegue tarde, siga los procedimientos que se indican a continuación.

Si su hijo está **ausente**, por favor llame a la oficina escolar para comunicar la ausencia dentro de los **5 días** de la falta y pedir un trabajo de recuperación para que su hijo no se retrase.

Si su hijo **llega tarde**, por favor pídale que se dirija a la oficina para firmar el registro de asistencia y obtener un "Permiso de llegada tarde" antes de ir a la clase.

Si los niños no pueden asistir regularmente a la escuela, pierden las habilidades de lectura y matemáticas fundamentales y necesarias para tener éxito en la universidad y más allá.
Los datos preliminares de un estudio de California encontraron que los niños que estaban crónicamente ausentes en kinder y 1er grado eran mucho menos propensos a leer con soltura al final del 3er grado (Asistencia Works, 2014).

Desde ahora, en AMLA estamos comprometidos a establecer buenos hábitos de asistencia mediante la aplicación de la siguiente política de abajo para abordar las tardanzas y ausencias injustificadas excesivas.

Por lo tanto, por favor revise lo siguiente:

- 5 tardanzas = Se requerirá a los padres a asistir a un taller para padres sobre la asistencia.
- 1 ausentismo = se requerirá a los padres a asistir a un taller para padre sobre la asistencia.
- Si el estudiante continúa obteniendo tardanzas excesivas o padre de familia no asiste al taller, los estudiantes pueden ser requeridos compensar el trabajo que han perdido durante el recreo.
- Visita a Casa: Nota si una familia no cumple con los requisitos anteriores, se puede iniciar una visita domiciliaria.

AUSENCIAS EXCESIVAS

Es posible que el Director de la escuela le solicite a cualquier alumno que haya estado ausente de la escuela (de forma justificada o injustificada) durante un 10 % o más de los días totales de asistencia de ese año escolar, que proporcione una verificación médica o judicial para justificar la ausencia. Se notificará por escrito a los alumnos con dichos excesos de ausencias sobre el requisito de verificación oficial.

Durante el periodo de calificación de su curso, cualquier maestro puede cambiar a desaprobado la calificación de un alumno que haya acumulado 10 ausencias injustificadas por semestre (calificación de "F" o "NC" [Sin créditos]). [Código de Educación § 49067]

Los alumnos con ausencias excesivas pueden ser remitidos al Programa para la reducción del ausentismo escolar como una forma de remediar las ausencias excesivas. El programa de reducción puede incluir clases de recuperación durante los fines de semana.

RETIRO A CAUSA DE AUSENCIAS EXCESIVAS INJUSTIFICADAS (AWOL)

En casos excepcionales, se interrumpirá la inscripción de los alumnos en la escuela Aspire si transcurren varios días consecutivos sin intentar notificar a la escuela sobre las ausencias o sin responder a las consultas de la escuela (teléfono, fax y correo) sobre la ausencia del alumno.

AUSENTISMO ESCOLAR

Se considera que un alumno está <u>ausente sin permiso</u> cuando:

- Está ausente de la escuela sin una justificación válida durante tres días <u>en un año escolar</u>.
- Llega tarde o está ausente por más de un periodo de 30 minutos durante la jornada escolar sin una justificación válida en tres ocasiones <u>en un año escolar</u>.
- Cualquier combinación de las anteriores.

El ausentismo es para ausencias injustificadas no excusadas dentro de los 5 días de producidas. Para evitar el ausentismo, por favor informe siempre a la oficina si la ausencia o tardanza de su hijo es por una razón justificada, como se define anteriormente.

NOTIFICACIONES DE AUSENTISMO ESCOLAR

Si su hijo es clasificado como ausente por el Código de Educación de CA, usted recibirá una notificación de la escuela que incluye información requerida por el estado. La primera notificación le llegará una vez que su hijo haya acumulado tres eventos de ausentismo escolar. Por favor, comuníquese con la escuela al recibir la primera notificación para que trabajen juntos en favor de la asistencia de su hijo. Recibirá notificaciones adicionales después de seis eventos de ausentismo y luego otra vez después de siete eventos en total. [Código de Educación §§ 48260, 48261, 48262]

<u>Primera notificación de ausentismo escolar o ausentismos excesivos</u>

- La Carta n.°1 se envía por correo con confirmación de entrega regular cuando un alumno haya acumulado **tres (3) eventos de ausentismo escolar.**
- Se lo puede asignar al alumno, con o sin consentimiento del padre, al programa para la reducción de ausentismo escolar, incluidas, entre otras, las clases de recuperación durante los fines de semana.

Segunda notificación de ausentismo escolar o ausentismos excesivos

- La Carta n.°2 se envía por correo con confirmación de entrega regular.
- Se debe notificar al alumno una **segunda vez**, una vez que haya acumulado al menos **seis (6) eventos de ausentismo escolar**.
- Se lo puede asignar al alumno, con o sin consentimiento del padre, al programa para la reducción de ausentismo escolar, incluidas, entre otras, las clases de recuperación durante los fines de semana.

NOTIFICACIÓN DE DETERMINACIÓN DE AUSENTISMO HABITUAL Y SART

Una vez que su hijo recibe una tercera notificación de ausentismo después de acumular siete eventos de ausentismo, el Código de Educación de California identifica a su hijo como un ausente habitual. Cuando esto suceda, la escuela debe organizar una reunión entre el Equipo de Revisión de Asistencia Escolar (SART) y usted. En esa reunión se discutirá y firmará un contrato de asistencia, que incluye apoyos, y se asignará a su hijo al programa para la reducción de ausentismo. [Código de Educación §§ 48260, 48261, 48262]

Notificación de determinación como ausente habitual

- La Carta n.°3 se envía por correo con confirmación de entrega registrada y regular. Además, es posible que se le solicite a uno de los padres que la firme en persona.
- Se debe notificar al alumno una **tercera vez,** una vez que haya acumulado al menos **siete (7) eventos de ausentismo escolar**. Se identifica al alumno como un **Ausente habitual**.
- Realizar una reunión del SART con el alumno, los padres, el consejero, el maestro y el Director. Si aún no se encuentra en los archivos, se debe firmar un Contrato de asistencia en esta reunión.
- Se lo asignará al alumno, con o sin consentimiento del padre, al programa para la reducción de ausentismo escolar, incluidas, entre otras, las clases de recuperación durante los fines de semana.
- Si el padre o tutor no responde en 10 días o no asiste a la conferencia programada, es posible que el asunto se derive a la Reunión de la Junta de Revisión de Asistencia Escolar (SARB) de Aspire.

El SART de la escuela estará compuesto por:

- El Director.
- El maestro de la escuela en la que está matriculado el alumno.
- Otros miembros relevantes, incluidos: Otros administradores de Aspire, un representante de la Oficina central de Aspire, otros maestros o personal según corresponda, consejero, etc.

NOTIFICACIÓN DE CONTINUIDAD DEL AUSENTISMO Y DERIVACIÓN A LA SARB DE ASPIRE

Una vez que un alumno llegue al 8.º evento de ausentismo, usted recibirá una notificación de que el alumno ha sido remitido al proceso de la Junta de Revisión de Asistencia Escolar de Aspire. Este es un último intento para ayudar a resolver problemas de ausentismo antes de tomar medidas más estrictas, que pueden incluir, entre otras, la derivación al Representante legal del distrito. [Código de Educación §§ 48260, 48261, 48262]

Notificación de continuidad del ausentismo. Derivación a la SARB de Aspire

- La Carta n.°4 se envía por correo con confirmación de entrega registrada y regular desde la Oficina regional. Además, es posible que se le solicite a uno de los padres que la firme en persona.
- Se debe notificar al alumno una **cuarta vez,** una vez que haya acumulado al menos **ocho (8) eventos de ausentismo escolar**.
- El Director deriva al alumno a la SARB de Aspire con la documentación solicitada.
- Se lo asignará al alumno, con o sin consentimiento del padre, al programa para la reducción de ausentismo escolar, incluidas, entre otras, las clases de recuperación durante los fines de semana.
- Si el padre no responde en 10 días o no asiste a la conferencia programada, es posible que el asunto se derive a la oficina del Representante legal del distrito y que se tomen otras acciones apropiadas.

La SARB de APS estará compuesta por:

- El Director principal o la persona encargada de la administración a la que este designe.
- Un maestro de la escuela en la que está matriculado el alumno.

- La persona designada por el CEO (Gerente general) de la Oficina central de Aspire.
- Otros miembros relevantes, incluidos: El representante del distrito escolar local, el Representante legal del distrito, el representante de educación especial, el consejero, un oficial de la policía local, etc.

ACADÉMICOS

INTEGRIDAD ACADÉMICA

Las Aspire Public Schools creen en la integridad académica. Se espera que los alumnos cumplan con sus propias tareas, que realicen las evaluaciones sin recursos externos y que entreguen trabajos originales para todas las tareas asignadas. Se espera que los alumnos de Aspire rechacen toda solicitud para copiar de sus propios trabajos.

CONSECUENCIAS DE LAS INFRACCIONES CONTRA LA INTEGRIDAD ACADÉMICA

1. A los alumnos que infrinjan la política se les retirarán todos los documentos de evaluación, cuestionarios o tareas.
2. Los alumnos que sean descubiertos copiando podrán quedar sujetos, a criterio de cada maestro, de una calificación de "F" o un cero para esa evaluación, cuestionario o tarea. Esto podría disminuir considerablemente la calificación de todo un trimestre o semestre.
3. Los padres recibirán una notificación y se coordinará una conferencia con los padres en el caso de que el maestro lo considere necesario.
4. Se notificará al Director.
5. Un incidente de un alumno que copie o cometa plagio desencadenará la eliminación de la Nómina de honor para ese trimestre.
6. La reincidencia en infracciones o una única infracción grave pueden desencadenar medidas disciplinarias más graves.

POLÍTICAS Y PROCEDIMIENTOS DE CALIFICACIÓN DE LA ESCUELA PRIMARIA

Cuando se asignan calificaciones para algún curso de enseñanza, la calificación que cada alumno obtiene será la calificación determinada por el maestro de registro del curso y, en ausencia de errores mecánicos o administrativos, fraudes, mala fe o incompetencia, la calificación será definitiva (Código de Educación 49066a).

Los maestros podrán realizar cambios en las calificaciones hasta que se hayan almacenado en PowerSchool. Una vez que las calificaciones se almacenan, los maestros no pueden modificar las calificaciones sin obtener de antemano la autorización del Director del establecimiento educativo, del Inspector del área y del Director general de la escuela secundaria preuniversitaria. Todos los cambios de calificaciones quedarán documentados en el expediente histórico del alumno mediante el formulario oficial de "Cambio de calificación" de Aspire ya que los cambios se aceptarán solamente durante 21 días escolares después del cierre oficial del período de calificaciones. Aquellos maestros que deseen modificar la calificación de un alumno después de que las calificaciones hayan sido almacenadas deberán satisfacer los siguientes criterios:

- El alumno atravesó circunstancias extenuantes que le impidieron completar el curso en tiempo y forma (por ejemplo: accidente automovilístico, enfermedad grave).
- El alumno no recibió los materiales adecuados para completar el curso (por ejemplo: el libro de texto)

La calificación no debe modificarse si el alumno puso poco o nulo empeño en completar los trabajos asignados o solicitar apoyo mientras duró el cursado.

La escuela debe mostrar las opciones disponibles para que el alumno que no logró el requisito para la graduación pueda recuperar el cursado básico: repetir el curso, inscribirse en una clase de educación superior, escuela de verano o curso en línea.

AMLA utiliza una política de calificación basada en estándares, un método en el que los maestros miden qué tan bien se desempeña un alumno en el logro de una meta o un estándar de aprendizaje específico. Los estudiantes reciben una calificación de 1 a 4 en base a las siguientes definiciones:

Claves de calificaciones	
4	Excede el estándar de nivel de grado
3	Cumple con el estándar de nivel de grado
2	Se acerca al estándar de nivel de grado
1	Se desempeña por debajo del estándar de nivel de grado
\	Estándar no tratado

Tenga en cuenta que no se evalúan todos los estándares en todos los periodos de calificación. Si tiene alguna pregunta sobre qué está aprendiendo su hijo o cómo está progresando, comuníquese con el maestro de su hijo.

MATERIAL DE ENSEÑANZA

Todo el material de enseñanza, incluidos los manuales de enseñanza, películas, grabaciones u otros materiales complementarios que se utilicen en relación con un examen, análisis o evaluación en el marco de un programa (de enseñanza) correspondiente deberá ponerse a disposición para inspección por parte de los padres o tutores de los alumnos [20 USC 1232h(a)].

LIBROS DE TEXTO

Los alumnos son responsables de todos los libros y materiales escolares que se les entreguen. Todos los libros de texto deben estar protegidos con una cubierta resistente para libros. No se permiten cubiertas adhesivas u otras cubiertas permanentes para libros. Se aplicará una multa a los alumnos que dañen o maltraten los libros de texto. Se les cobrará una tasa de reposición a los alumnos que pierdan libros u otros materiales escolares, incluidos los libros de la biblioteca.

RESTITUCIÓN OBLIGATORIA

Se podrán retener las calificaciones, diplomas y certificados analíticos en lugar de entregárselos al alumno, a los padres o tutores, si el alumno ha dañado, destruido u omitido devolver propiedad de la escuela en préstamo y la restitución está pendiente. En esta situación, los registros no se entregarán a los alumnos ni a los padres o tutores, pero sí se entregarán a una escuela solicitante. [Código de Educación §§ 48904(b)]

LEY DE COLOCACIÓN DE MATEMÁTICAS DE CALIFORNIA (CALIFORNIA MATHEMATICS PLACEMENT ACT)

De acuerdo con la Ley de Colocación de Matemáticas de California de 2015, Aspire Public School adoptó el "Camino mejorado" en el *Marco de Matemáticas de California de 2013*, ya que les permite a los estudiantes desarrollar una base sólida asentada en conceptos matemáticos claves del nivel medio y también les da tiempo para tomar decisiones claves sobre el sendero a seguir en matemáticas. Para obtener información adicional, visite www.aspirepublicschools.org"

EVALUACIONES

Estas incluyen, entre otras:

- Las pruebas adicionales de referencia e interinas se administran para fines internos de Aspire, incluida la evaluación interna para diagnóstico de lectura
- Otras evaluaciones federales, estatales y locales según sea necesario

EDUCACIÓN SOBRE VIDA FAMILIAR, VIH/SIDA

El programa de Educación sobre vida familiar está diseñado para ayudar a los alumnos a comprender los aspectos biológicos, psicológicos, sociales, morales y éticos de la sexualidad humana. El programa proporciona información sobre el crecimiento y el desarrollo de los seres humanos, los cambios físicos y emocionales que se producen en la adolescencia y los aspectos de responsabilidad. Cada distrito escolar deberá asegurarse de que todos los alumnos de los grados 7.° a 12.°, inclusive, reciban educación integral sobre salud sexual y educación para la prevención del VIH de instructores capacitados en los cursos apropiados. Cada alumno deberá recibir esta instrucción al menos una vez en la escuela media y al menos una vez en la escuela secundaria. [Código de Educación §51934]

El programa de Educación sobre vida familiar contempla educación específica para cada edad sobre el Síndrome de Inmunodeficiencia Adquirida (SIDA) y el Virus de inmunodeficiencia humana (VIH). El curso abarca información sobre el SIDA y sus efectos en el cuerpo humano, las vías de transmisión del VIH y su prevención, los recursos comunitarios, las habilidades de toma de decisiones y de negación, y la problemática para la salud pública. Los programas de enseñanza sobre vida familiar y VIH/SIDA siguen las pautas que establece el Código de Educación de California. Los padres y/o tutores pueden comunicarse con el Director si desean revisar el material de estudio con antelación.

CÓDIGO DE VESTIMENTA

El aprendizaje merece un entorno de respeto, libre de distracciones. Es política de la Junta de Aspire que todos los alumnos inscritos en Aspire Public Schools cumplan con la política de uniformes de la escuela. Los alumnos que no lleven uniforme quedarán sujetos a medidas disciplinarias. Todos los uniformes deben llevar el nombre del alumno a quien pertenecen. Los uniformes (incluido el calzado) deben estar

limpios, bien mantenidos, deben ser del tamaño adecuado y se deben utilizar de la manera en que su diseño ha sido previsto. El uniforme refleja un orgullo positivo de la persona y de la escuela.

Política de uniformes

El objetivo de la vestimenta con uniforme en la escuela es:

- Lograr que los alumnos se concentren en la escuela como un lugar de trabajo profesional
- Lograr que los alumnos no se preocupen por la vestimenta a modo de elemento de competencia
- Para simbolizar nuestro esfuerzo mancomunado en el camino hacia la educación superior
- Para desarrollar y mejorar un sentido de orgullo escolar
- Para mejorar la seguridad de la escuela

La vestimenta externa debe ser adecuada para la comodidad y las actividades normales de los alumnos dentro de la escuela. Todas las prendas deben usarse de la manera tradicional y adecuada. La prenda superior debe cubrir el pecho y la línea media de las costillas de los alumnos. La prenda inferior debe cubrir las caderas y los glúteos de los alumnos. Toda la vestimenta debe ser del talle correspondiente para el alumno.

La vestimenta debe estar en buenas condiciones y no podrá tratarse con blanqueador, ni tener manchas, estar desgarrada, retorcida o deshilachada, etc. Si un color o una prenda se convierte en un problema para la seguridad o una distracción del aprendizaje, es posible que se le solicite al alumno que se quite esa prenda o que la reemplace por alguna otra más apropiada. Esto incluye accesorios como calzado, cordones, sombreros, ligas para el cabello, etc. nos reservamos el derecho de actualizar este código de vestimenta según sea necesario en cualquier momento, y les entregaremos copias a las familias, a los alumnos y al personal.

Días de vestimenta informal o libre

"Vestimenta informal" significa sin uniforme; no obstante, los alumnos que deseen usar el uniforme en días sin uniforme podrán hacerlo así. La vestimenta puede ser informal, pero debe acatar las políticas del Código de vestimenta y reflejar el orgullo personal y de la escuela. La vestimenta debe estar prolija, limpia, sin desgarros y ser apropiada para la escuela. Todos los alumnos que acudan sin uniforme deben garantizar que la elección de vestimenta cubra, como mínimo, la misma parte del cuerpo que el uniforme cubre. Los alumnos cuya vestimenta se considere inapropiada podrán ser enviados de regreso a casa durante el resto del día. La administración se reserva el derecho de determinar qué vestimenta se considera inapropiada.

CÓDIGO DE VESTIMENTA ESPECÍFICO DE LA ESCUELA

Aspire Antonio Maria Lugo Academy requiere que todos los estudiantes usen uniformes. A continuación, se presentan los requisitos de uniforme específicos para los estudiantes.

ACTIVIDADES

Los alumnos deben mantener un promedio general de calificaciones (GPA) de al menos 2.0 en todos los trabajos que entreguen en los cursos o deben aprobar todas las clases para poder participar en cualquier actividad extracurricular. La elegibilidad para las actividades y el atletismo se detalla específicamente en las Políticas y reglamentos administrativos de la Junta de Aspire (§6145.2). Las actividades extracurriculares se definen como programas que pueden estar vinculados con el plan de estudios en un aula normal y que cumplan con los siguientes criterios:

- El programa está supervisado o financiado por la escuela.
- Los alumnos que participan en él representan a la escuela.
- El programa contempla tanto la preparación como el desempeño ante una audiencia o un grupo de espectadores.

En esencia, para que un alumno se considere elegible para las actividades:

- El alumno debe estar actualmente inscrito en **al menos** 30 créditos semestrales de trabajos académicos escolares, **Y**
- El alumno debe haber acumulado el equivalente de al menos 25 créditos semestrales de trabajos académicos al finalizar el período de calificaciones más reciente, Y
- El alumno debe mantener un progreso mínimo respecto del logro de los requisitos de graduación de escolaridad secundaria tal como lo indica la Junta directiva de Aspire; Y
- El alumno debe mantener, desde el trimestre anterior, inclusive, un GPA de al menos 2.0 (en una escala de GPA de 4.0, *incluidos* los créditos de centros comunitarios de educación terciaria) en todos los cursos en que esté inscrito.

ATLETISMO

Además de la política anterior, las Aspire Public Schools respetan las pautas establecidas en el manual azul de la federación interescolar de California (CIF Blue Book).

1. Los atletas deben cumplir los requisitos de elegibilidad de Aspire.
2. Los alumnos deben mantener el promedio mínimo de calificaciones de 2.0 del período de calificación previo para permanecer elegibles. De acuerdo con la CIF, los alumnos que tienen un promedio por debajo de 2.0 podrán quedar sujetos a un período de prueba de un trimestre. Además, los atletas deben cumplir con los requisitos de elegibilidad de Aspire.
3. Los alumnos deben demostrar una actitud ciudadana y una conducta satisfactorias en el campo y fuera de él.
4. Los alumnos deben respetar todas las normas estipuladas en la edición vigente del CIF Blue Book.
5. Los alumnos deben aprobar todos los exámenes físicos administrados por un médico.
6. Los alumnos pueden proporcionar evidencia de su propio seguro personal, pero no es necesario que tengan un seguro personal. El seguro de responsabilidad civil de Aspire Public Schools brinda una cobertura limitada de manera que todos los alumnos puedan participar en programas de atletismo.

ASISTENCIA DIARIA Y PARTICIPACIÓN EN ACTIVIDADES

Los estudiantes deben asistir a clases el día en que se lleve a cabo una actividad o evento escolar para poder participar en ellos. A los que no asistan durante el día a clases en la fecha del evento o de la actividad, incluso si el evento es por la tardecita, se les puede denegar el privilegio de asistir a ellos.

ALMUERZOS ESCOLARES

Además del programa de servicio alimentario normal, los alumnos pueden considerarse elegibles para participar en el programa de almuerzos reducidos o sin cargo. Dichos alumnos deben completar una nueva solicitud durante la primera semana de clases cada año. Consulte con la oficina o el administrador de la cafetería para obtener el formulario de solicitud. Los alumnos deben presentar su identificación de estudiante para poder obtener el almuerzo.

Aquí en Aspire Antonio Maria Lugo seguimos una política de alimentación saludable. Nuestra política sobre alimentos, celebraciones de cumpleaños y fiestas se publica fuera de nuestra oficina principal y se incluirá en nuestro paquete del primer día.

ALUMNOS CON EMPLEO: PERMISO DE TRABAJO

Si bien la escolaridad y la preparación para una carrera universitaria deben ser siempre las principales prioridades de los alumnos, se insta a los alumnos mayores de 14 años a evaluar la posibilidad de obtener un empleo como medio para mejorar su cartera académica, para prepararse para la universidad y para conquistar valiosa habilidades para la vida y experiencias. Para que un menor (toda persona menor de 18 años) pueda trabajar, debe obtener un Permiso de trabajo de la escuela.

Y para que un alumno sea considerado elegible para obtener un permiso de trabajo, los siguientes criterios son necesarios:

a. El alumno debe mantener un progreso mínimo respecto del logro de los requisitos de graduación de escolaridad secundaria tal como lo indica la política de la Junta directiva de Aspire.

b. El alumno debe mantener un GPA de 2.0 como mínimo durante el período de calificación previo (por trimestre).

c. El alumno no debe recibir ninguna calificación reprobatoria en las materias académicas básicas durante el período de calificación previo (por trimestre).

Se insta a todos los alumnos que deseen buscar empleo a reunirse con el Decano estudiantil o el Consejero académico para conversar sobre los requisitos legales vigentes en California, los requisitos de elegibilidad y los procedimientos que se bosquejan a continuación. La ley estatal determina ciertas restricciones sobre la cantidad de tiempo que se les permite trabajar a las personas menores de edad, y exige que el trabajo no interfiera con su progreso académico. De acuerdo con las reglamentaciones administrativas de Aspire Public Schools y el Código de Educación de CA 49164: "El CEO, o la persona que este designe, estará facultado para revocar el permiso de trabajo de una persona si se determina que el empleo perjudica la salud o la educación del alumno, que alguna de las condiciones o disposiciones del permiso está siendo infringida o que el alumno está trabajando en una situación de infracción de la ley". PROGRAMAS DE APRENDIZAJE EXTENDIDO/DOBLE ESCOLARIDAD

El programa de aprendizaje extendido de Aspire Public Schools abarca las horas después de clase para brindarles a nuestros alumnos apoyo académico adicional y acceso a actividades de cultura general como música, arte, deportes y otras actividades extracurriculares en grupo. El apoyo académico se centra en la intervención en Artes de la Lengua Inglesa y Matemática para alumnos que tienen un desempeño por debajo del nivel del grado, además de asistencia con las tareas diarias y apoyo para la preparación para la educación superior dirigido a alumnos de grados superiores. Las actividades de cultura general apuntan a fomentar la creatividad, el trabajo en equipo y la actividad física, sin desatender las habilidades académicas clave, y les brinda a los alumnos la oportunidad de explorar intereses y talentos (¡y de divertirse!). Si tiene alguna pregunta sobre el programa de doble escolaridad de su escuela, comuníquese con la oficina escolar.

DISCIPLINA Y COMPORTAMIENTO DEL ESTUDIANTE

NOTIFICACIÓN DE NORMAS

La administración de la escuela Aspire debe asegurarse de que se notifique por escrito a los alumnos y sus padres/tutores al momento de la inscripción sobre todos los procedimientos, las reglas y las políticas de disciplina. Este manual cumple con este requerimiento al describir las expectativas de comportamiento de

los alumnos, los planes para gestionar los comportamientos de los alumnos y las consecuencias de no cumplir con las expectativas.

SISTEMAS DE APOYO AL COMPORTAMIENTO POSITIVO

Antonio Maria Lugo Academy está comprometida a apoyar a todos los estudiantes a través de la implementación de sistemas que construyan una cultura escolar positiva. Esto incluye tanto estrategias generales de intervención como programas específicos de cultura y de desarrollo del comportamiento positivos. Algunos sistemas específicos que utilizamos incluyen:

Sistemas de apoyo de múltiples niveles (MTSS): El MTSS es la evolución de la respuesta a la intervención y se centra mucho más en el niño como un todo y en la creación de un sistema de niveles de apoyo que tiene en cuenta no solo las necesidades académicas o de conducta, sino también el impacto del entorno en estas necesidades.

Intervenciones y apoyo para el comportamiento positivo (PBIS): PBIS es un marco de resolución de problemas que ayuda a las escuelas en la determinación de intervenciones y apoyo para el comportamiento en todos los niveles dentro de un MTSS.

Prácticas compensatorias (RP): Las RP promueven las relaciones positivas y la construcción de la comunidad, y brindan oportunidades significativas para que los miembros de la comunidad escolar compartan la responsabilidad de hacer de nuestras escuelas un ambiente seguro y enriquecedor. Las prácticas compensatorias se usan en todos los niveles de apoyo e intervención para promover una cultura escolar positiva, la disciplina alternativa y el cambio.

APRENDIZAJE SOCIOEMOCIONAL (SEL)

Nuestro abordaje del Aprendizaje socioemocional (SEL) es crear un clima y una cultura escolar positivos y fomentar el crecimiento socioemocional de nuestros alumnos y compañeros de equipo mediante la adopción de un enfoque intencional en la integración del SEL que comprenda toda nuestra pirámide educativa y la exceda. En 2018-2019, Aspire avanzará con la adopción e implementación de los principios y la programación del SEL desde el jardín de infantes de transición al duodécimo grado, en todo Aspire. Nuestro Programa de aprendizaje socioemocional es un elemento clave para avanzar en nuestros esfuerzos de equidad en Aspire, ya que nos asegura que cada estudiante reciba los tipos y el nivel apropiado de apoyo que necesita para alcanzar su potencial.

Aspire se compromete a apoyar el desarrollo socioemocional de nuestros estudiantes para que sean ciudadanos solidarios y productivos. Participamos en prácticas culturalmente sensibles y equitativas en nuestras comunidades de estudiantes, familias y compañeros de equipo para cultivar en cada alumno y educador de Aspire las siguientes habilidades de por vida:

- Control de emociones y comportamientos
- Sentimiento y expresión de empatía y compasión por los demás
- Toma de decisiones responsables
- Establecimiento y logro de metas positivas

Aspire Antonio Maria Lugo academy utiliza programas y otros métodos probados de SEL para incluir este tipo de aprendizaje en nuestro programa regular diario. Este programa se suma a las demás oportunidades varias de desarrollo cultural y de habilidades que se proporcionan en la escuela de su hijo.

Paths: El programa PATHS® es un plan de estudios que abarca desde prejardín al sexto grado, diseñado para reducir la agresión y los problemas de conducta mediante el fomento del desarrollo de la competencia socioemocional.

Comuníquese con nosotros si desea obtener más información sobre los sistemas y programas que utiliza nuestra escuela.

CICLO DE GESTIÓN DEL COMPORTAMIENTO

El personal debe hacer cumplir procedimientos y reglas disciplinarios de forma justa y uniforme para todos los alumnos. Estos procedimientos y reglas describirán de forma clara las expectativas de disciplina de la escuela Aspire, y se imprimirán y distribuirán como parte de las notificaciones anuales que se envían a cada alumno al comienzo del año escolar.

La disciplina incluye, de forma no taxativa, la consejería y la consulta con los alumnos, las consultas con los padres o tutores, la detención durante y después de los horarios escolares, el uso de entornos educativos alternativos, la suspensión y la expulsión.

Está prohibido el uso del castigo corporal como medida disciplinaria en contra de los alumnos. El castigo corporal incluye el hecho de infligir voluntariamente dolor físico a un alumno o causar voluntariamente que se inflija dicho dolor. Estas normas no contemplan que el castigo corporal incluya el uso de la fuerza por parte de un empleado que sea razonable y necesaria para proteger a empleados, alumnos, personal o a otras personas o para evitar daños materiales en la escuela.

PAUTAS DE EXPECTATIVAS DE COMPORTAMIENTO

Los alumnos deben recordar que son responsables de sus propias acciones y que tendrán que atenerse a las consecuencias, tanto positivas como negativas, de esas acciones. Los alumnos serán responsables de su comportamiento en la escuela y durante cualquier actividad patrocinada por la escuela. El personal será responsable del aliento positivo, la uniformidad y la ejemplificación adecuada del comportamiento. Los alumnos aprenderán a tomar buenas decisiones y resolver los problemas de forma eficiente, y podrán demostrar aptitudes de autonomía, responsabilidad y autodisciplina. Todo este proceso se construye sobre el respeto por cada alumno y adulto considerado como una persona digna y valiosa.

Cada escuela será un lugar seguro y ordenado para que nuestros alumnos reciban una educación de calidad. Los alumnos, los padres y el personal de la escuela deben compartir una responsabilidad equitativa para crear el mejor entorno de educación posible. La comunicación abierta y honesta con alumnos, padres y el personal de la escuela es la mejor forma de lograr este objetivo.

Para alcanzar las metas y los objetivos de esta escuela, esperamos que:

- Sea responsable, respetuoso y se mantenga seguro, comportándose con respeto hacia usted mismo y hacia los demás.
- Acate todas las leyes federales, estatales, del condado y de la ciudad.
- Siga los procedimientos de disciplina adicionales que se encuentran en el Manual para la familia del alumno según lo desarrolló el Consejo Escolar (anteriormente Consejo de Asesoría Escolar).
- Siga las reglas que se aplican para las clases y las materias específicas. Estas reglas, por escrito, se darán a conocer a alumnos y padres al comienzo del año escolar.

No se permite lo siguiente:

- La posesión, el uso, la distribución o el estar bajo la influencia de drogas (ilegales o recetadas) o de alcohol.
- La posesión, el uso o la distribución de cigarrillos o productos de tabaco.
- La posesión o el uso de armas de fuego, armas blancas, explosivos, pirotecnia o cualquier otro elemento capaz de dañar a cualquier persona o propiedad (o cualquier elemento que pueda crear la impresión de dicho daño).
- Las actividades relacionadas con pandillas, como señas identificatorias, intimidación grupal o afiliación a pandillas.
- Las peleas, las payasadas, los golpes, los ruidos fuertes o las amenazas.
- El desperdicio, el daño, la desfiguración o la destrucción de cualquier propiedad escolar o propiedad que pertenezca a otra persona. Están prohibidos los grafitis o las pintadas. No destruya ni escriba sobre edificios, pisos o propiedad de la escuela.

- El arrojar basura dentro de la propiedad de la escuela y tener comida, bebidas y chicles en las aulas y pasillos. Solo se puede comer en áreas permitidas y tener agua en las aulas.

EXPECTATIVAS ESCOLARES GENERALES PARA EL ÉXITO DE LOS ALUMNOS

Cada escuela ha adoptado reglas comunes que se aplican a todas las aulas y en todo momento. Estas reglas comunes son:

1) SEGUIR LAS INSTRUCCIONES DE TODO EL PERSONAL EN TODO MOMENTO.
2) VERSE DE FORMA PROFESIONAL EN TODO MOMENTO.
3) USAR LENGUAJE POSITIVO: No provocar, intimidar, decir obscenidades o insultar, etc.
4) No molestar con las manos ni con los pies y mantener los objetos con usted: No pelear ni provocar, etc.
5) CUIDARSE DE LA ESCUELA, ASÍ COMO CUIDAR LA PROPIEDAD DE OTRAS PERSONAS: no arrojar basura, masticar chicle ni destruir la propiedad. Solo coma en áreas permitidas y tenga solo agua en el aula.

ALTERNATIVAS DE SUSPENSIÓN

La suspensión se impondrá solo cuando otros medios de corrección no logren generar la conducta adecuada. Sin embargo, un alumno (incluida una persona con necesidades excepcionales), como se define en la Sección 56026, puede ser suspendido por cualquiera de las razones enumeradas en la Sección 48900 al cometer la primera infracción, si el director o el inspector de escuelas determina que el alumno cometió una infracción contra la subdivisión (a), (b), (c), (d), o (e) de la Sección 48900 del Código de Educación (consulte abajo las causales de suspensión para obtener más detalles) o que la presencia del alumno genera un peligro para las personas. [Código de Educación *§* 48900.5]

SUSPENSIÓN

La suspensión es el retiro temporal de un alumno de la clase por motivos de adaptación o disciplinarios.

Los alumnos suspendidos o expulsados deben ser excluidos de todas las actividades escolares y relacionadas con la escuela, a menos que se acuerde lo contrario durante el periodo de suspensión o expulsión. Los alumnos que asistan a la escuela durante el periodo de suspensión o expulsión pueden recibir medidas disciplinarias adicionales.

Excepto en los casos en que se justifica una suspensión por primer delito de acuerdo con la ley, cada escuela debe considerar la suspensión de la escuela solo cuando no hayan funcionado otros medios de corrección o cuando la presencia del alumno constituya un peligro para las personas o la propiedad o perturbe gravemente el proceso de educación.

Autoridad para suspender

1. Un maestro puede suspender a un alumno de su clase durante el día de la suspensión y el día siguiente.
2. El Director, o la persona que este designe, puede suspender a un alumno de una o varias clases o del campus de la escuela por un periodo que no exceda los cinco días escolares.
3. El CEO, o la persona que este designe, puede extender la suspensión del alumno, dejando la decisión final pendiente para la Junta administrativa de Aspire sobre la recomendación de expulsión.
4. Un alumno con un IEP que esté bajo consideración de expulsión puede ser suspendido durante diez (10) días consecutivos, dejando pendiente la evaluación y la reunión del equipo del IEP. La suspensión también puede extenderse, con la decisión final pendiente para la Junta administrativa de Aspire sobre la recomendación de expulsión. En casos en que las suspensiones acumulativas de un alumno de educación especial excedan los 10 días del año escolar, se debe requerir que la Agencia Local de Educación (LEA) proporcione una educación pública gratuita y apropiada (FAPE) en casos en que, en el futuro, deba cumplir días de suspensión. El equipo del IEP determina la oferta apropiada de FAPE para el alumno

Jurisdicción

Se puede suspender o expulsar a un alumno por mala conducta prohibida si el acto 1) ocurrió en la propiedad de Aspire o en un evento patrocinado por Aspire; 2) está relacionado con una actividad escolar de Aspire, o 3) tiene lugar hacia o desde las actividades que se describen en n.°1 o n.°2.

Causales de suspensión y expulsión (Código de Educación de CA)

En esta subdivisión, "ritos de iniciación" no incluye eventos deportivos o eventos aprobados por la escuela.

r) Se involucró en un acto de intimación. En esta subdivisión, los siguientes términos tienen los significados que se detallan a continuación:

1. "Intimidación" significa cualquier acto o conducta física o verbal grave o generalizado, incluidas las comunicaciones escritas a través actos por medios electrónicos e incluido uno o más actos que haya cometido un alumno o un grupo de alumnos, según se define en la Sección 48900.2, 48900.3 o 48900.4, dirigida hacia uno o más alumnos de los cuales se ha predicho que tiene o se puede predecir de forma razonable que tendrá uno o más de los siguientes efectos:

    A. Atemorizar a uno o más alumnos razonables sobre la posibilidad de daños hacia la persona o la propiedad de dicho alumno o dichos alumnos.

un verdadero alumno que no sea el alumno que creó el perfil falso.

2. B) Independientemente de lo que se indique en el párrafo (1) y en el subpárrafo (A), un acto por medios electrónicos no constituirá una conducta generalizada solo por el hecho de que ha sido transmitido por Internet o que esté, actualmente, publicado en Internet.

Además de los fundamentos que se establecen en las Secciones 48900, un alumno de Aspire inscrito en algún grado entre 4.º y 12.º, inclusive, podrá ser suspendido de la escuela o recomendado para expulsión si el CEO, quien este designe, o el Director de la escuela en la cual está inscrito el alumno determina que el alumno ha:

[Código de Educación § 48900.4]
- Realizó amenazas terroristas en contra de funcionarios de la escuela o la propiedad de la escuela. [Código de Educación § 48900.7]

[Código de Educación § 48901.5 (a)]

Procedimientos en casos que requieren suspensión

1. Investigación de incidentes: el administrador del establecimiento escolar o el maestro investigará el incidente y determinará el mérito para suspensión o no.
2. Determinación de la duración de la suspensión: El administrador del establecimiento escolar determina la duración adecuada de la suspensión en conjunto con las políticas y los planes de gestión disciplinaria específicos de la escuela local (como máximo cinco días escolares consecutivos). [Código de Educación § 48911 (a)]

   La cantidad total de días durante los que se puede suspender de la escuela a un alumno no deben exceder las 20 jornadas escolares en cualquier año escolar. [Código de Educación § 48903 (a)]
3. Notificaciones legales: antes de la suspensión o expulsión de un alumno, el Director o la persona a quien este designe, deberá notificar a las autoridades responsables del cumplimiento de la ley correspondientes a la ciudad o al condado sobre todos aquellos actos de ataque que un alumno haya cometido en infracción del Código Penal § 245. [Código de Educación § 48902]

   El Director, o la persona a quien este designe, deberá notificar de forma adecuada a las autoridades responsables del cumplimiento de la ley de la ciudad o el condado sobre cualquier acción del alumno que pueda involucrar la posesión o venta de narcóticos o sustancias controladas o la posesión de

armas blancas o armas de fuego que infrinja el Código Penal *§§* 626.9 y 626.10. [Código de Educación *§* 48902]

Dentro del siguiente día escolar después de la suspensión o expulsión de un alumno, el Director, o a quien este designe, deberá notificar debidamente a las autoridades responsables del cumplimiento de la ley de la ciudad o el estado, por teléfono u otros medios adecuados, sobre la acción de cualquier alumno que pueda haber infringido el Código de Educación *§*48900(c) o (d), en relación con la posesión, el uso, la oferta o venta de sustancias controladas, alcohol o estupefacientes de cualquier tipo. [Código de Educación *§* 48902]

Cuando el Director u otro funcionario de la escuela se desvincule de un alumno derivándolo a un agente del orden para que lo retire del predio escolar (después de la desvinculación), el Director u otro funcionario escolar debe tomar medidas inmediatas para notificar a los padres, tutores o familiares responsable del alumno sobre el retiro del menor y el lugar donde, según consta, se esté llevando al menor. **Nota**: La responsabilidad de notificar a los padres, tutores u otros familiares responsables sobre la desvinculación de un alumno no aplica para la desvinculación de un alumno que sea puesto bajo custodia como víctima de un supuesto abuso infantil. [Código de Educación *§* 48906]

4. Conferencia sobre suspensión: las suspensiones deberán ser precedidas, dentro de lo posible, por una conferencia a cargo del Director, o de una persona que este designe, con el alumno y sus padres y, de ser factible, el maestro, el supervisor o el empleado de la escuela que remitió el alumno al Director.
5. Notificación de suspensión: el Director, o la persona que este designe, debe completar un formulario de Notificación de suspensión de Aspire. Se les proporcionará a los padres una notificación escrita de la suspensión mediante este formulario. La Notificación de suspensión de Aspire cumple la función de notificación escrita de la suspensión del alumno e indica la fecha de regreso luego de la suspensión. Esta notificación debe indicar la infracción específica que cometió el alumno. Además, la notificación también puede indicar la fecha y hora en que el alumno puede volver a la escuela.

   Se almacenará una copia de este formulario en el sistema disciplinario OnCourse: las notificaciones de suspensión no deben guardarse en el expediente histórico del alumno.

Proceso de apelación

Un alumno o los padres/tutores de un alumno pueden apelar esas medidas disciplinarias, aparte de la expulsión, que se impongan sobre un alumno por sus infracciones relacionadas con la escuela.

- Las apelaciones primero se deben realizar por escrito a la escuela, y deben estar dirigidas al Director. El Director, o la persona a la que este designe, intentará resolver la apelación con una respuesta escrita dentro de los diez (10) días escolares.
- Después de una apelación en el marco escolar, si se desea proseguir con el proceso de apelaciones, la siguiente instancia será en la Oficina central de Aspire, y deberá estar dirigida al CEO, o a la persona que este designe (Gerente regional de servicios estudiantiles) para su resolución mediante respuesta por escrito dentro de los quince (15) días escolares.
- Después de la apelación en el marco administrativo en Aspire, si aún se desea realizar una revisión, es posible reenviar la apelación al Comité Ejecutivo de Aspire para su resolución mediante respuesta escrita dentro de los 20 días escolares.

Si se deniega alguna apelación, el padre puede adjuntar una impugnación escrita al archivo del alumno.

EXPULSIÓN

La expulsión es el retiro involuntario de un alumno de todas las escuelas Aspire y los programas Aspire a causa de actos de mala conducta específica.

Salvo en los actos únicos de naturaleza grave [que se enumeran en el Código de Educación 48915 (a) o (c)], solo se debe hacer uso de la expulsión cuando:

- haya un historial de mala conducta,
- otras formas de medida disciplinaria (inclusive la suspensión) no han logrado generar la conducta adecuada;
- o cuando la presencia del alumno genera un peligro continuo para otros alumnos.

Autoridad para expulsiones

La Junta administrativa de Aspire está facultada para expulsar a un alumno. La Junta administrativa contará con al menos tres miembros certificados, ninguno de los cuales podrá ser maestro o director del alumno ni miembro de la Junta directiva de Aspire. La Junta administrativa de Aspire podrá recomendar la expulsión de un alumno que se determine responsable de un acto pasible de suspensión o expulsión.

Durante el plazo de su expulsión, el alumno no puede inscribirse en ninguna otra escuela Aspire sin la aprobación de la Junta directiva de Aspire. Al finalizar el plazo de expulsión de un alumno, este no podrá inscribirse en una escuela Aspire sin la aprobación de la Junta directiva de Aspire a través del proceso de readmisión.

Durante el plazo de su expulsión, la ubicación educativa de un alumno expulsado queda a criterio del Distrito de residencia o del distrito que autoriza.

INFRACCIONES PASIBLES DE EXPULSIÓN

- *Expulsión obligatoria*

  El Director o CEO (o quien este designe) deberá suspender de forma inmediata y recomendar la expulsión de un alumno a quien se haya determinado la responsabilidad de alguno de los siguientes actos en la escuela o en una actividad patrocinada por la escuela estando bajo jurisdicción de la escuela. La Junta administrativa de Aspire también deberá proceder con la expulsión del alumno.

  La expulsión obligatoria no requiere de una segunda determinación de evidencia. [Código de Educación § 48915(c)]

  - Poseer, vender o proporcionar de forma alguna un arma de fuego, salvo que el alumno haya obtenido el permiso previo para poseer el arma de fuego de un empleado certificado de la escuela
  - Amenazar a otra persona con un cuchillo
  - Vender ilegalmente una sustancia controlada que figure en la lista del Código de Salud y Seguridad §§ 11053-11058
  - Cometer o intentar cometer una agresión sexual o cometer un abuso sexual
  - Estar en posesión de un explosivo

- Recomendación obligatoria para expulsión

  El Director o CEO (o quien este designe) deberá suspender de forma inmediata y recomendar la expulsión de un alumno a quien se haya determinado la responsabilidad de alguno de los siguientes actos en la escuela o en una actividad patrocinada por la escuela estando bajo jurisdicción de la escuela. La Junta administrativa de Aspire podrá ordenar la expulsión del alumno.

  La recomendación obligatoria de expulsión requiere de una segunda determinación de evidencia. [Código de Educación § 48915(a)]

  - Provocar una lesión física de gravedad a otra persona, salvo que sea en defensa propia [Cód. de Educación § 48900(a)].
  - Poseer un cuchillo como se define en el Código de Educación § 48915(g) u objeto peligroso cuya utilidad no sea razonable para el alumno.
  - Poseer ilegalmente alguna sustancia controlada que figure en la lista del Código de Salud y Seguridad §§ 11053-11058, salvo por la primera infracción de posesión de no más de una onza avoirdupois de marihuana, que no sea concentrado de cannabis. [Cód. de Educación § 48900(c)]
  - Robo o extorsión. [Cód. de Educación § 48900(g)]
  - Agresión o abuso contra algún empleado de la escuela, tal como se define en el [Código Penal §§ 240 y 242]

- *La recomendación de expulsión con autorización requiere de una segunda determinación de evidencia.*

Si el Director o CEO (o quien este designe) así lo recomienda, la Junta administrativa de Aspire puede ordenar la expulsión de un alumno si se descubre que este, en la escuela o en una actividad patrocinada por la escuela o en predios externos a la escuela, incurre en alguna infracción pasible de suspensión que se enumera en la lista de suspensión.

SUSPENSIÓN Y EXPULSIÓN DE ALUMNOS DE EDUCACIÓN ESPECIAL Y ALUMNOS DE ESCUELAS ESPECIALES 504: DETERMINACIÓN DE MANIFESTACIÓN

Si un alumno con una discapacidad (que califique para IDEA o la Sección 504) es suspendido durante diez o más días escolares (esto incluye suspensiones en la escuela y fuera de ella) o si recibe una recomendación de expulsión, las garantías procesales para el alumno exigen la conformación de un equipo. Las suspensiones en la escuela no se toman en cuenta respecto de los diez días de remoción si se confirman las tres condiciones siguientes: 1) El alumno puede continuar avanzando en el plan de estudios de educación general; 2) El alumno recibe los servicios enumerados en su Programa de Educación Personalizado (IEP); y 3) El alumno puede participar con sus compañeros de educación general en la medida contemplada en su IEP. La "Reunión para determinación de manifestación IEP/504" decidirá si la mala conducta fue provocada directamente por la discapacidad del alumno y/o si el IEP o el plan 504 se estaba implementando correctamente. Si en la reunión se determina que la discapacidad no tiene efecto causal directo en la mala conducta, y que el IEP/plan 504 se estaba implementando correctamente, el alumno podrá quedar sujeto a medidas disciplinarias de la misma forma que un alumno sin discapacidad.

POLÍTICA DE HOSTIGAMIENTO

Estamos comprometidos con brindar un entorno educativo libre de cualquier tipo de hostigamiento. Está prohibido el hostigamiento contra un alumno o un miembro del personal por parte de otro alumno o miembro del personal. La escuela tratará con severidad los supuestos hostigamientos y analizará e investigará tales acusaciones de manera inmediata, confidencial y exhaustiva.

El hostigamiento se produce cuando una persona está sujeta a un trato o entorno escolar hostil o intimidatorio por causa de la raza, el credo, el color, la nacionalidad, una discapacidad física, la orientación sexual, el género o el sexo de la persona. El hostigamiento puede producirse en cualquier momento durante la jornada escolar o durante una actividad relacionada con la escuela. Incluye, de forma no taxativa, cualquiera de las siguientes situaciones:

Hostigamiento verbal

Cualquier lenguaje escrito o verbal o gesto físico dirigido a un miembro del personal o alumno que se considere insolente, peyorativo, abusivo, o que sugiera, explícita o implícitamente, una amenaza de daño físico se considerará totalmente inaceptable y será clasificado como hostigamiento y tratado como tal.

Hostigamiento cibernético

Cualquier lenguaje escrito, imagen o video dirigido a un miembro del personal o alumno que se considere insolente, peyorativo, abusivo, o que sugiera, explícita o implícitamente, una amenaza de daño físico será totalmente inaceptable y será clasificado como hostigamiento y tratado como tal. Esto incluye plataformas de redes sociales, entre otras, Snapchat, Facebook, Instagram y Twitter, etc.

Hostigamiento físico

Los roces y contactos físicos no deseados, los ataques que deliberadamente impiden o bloquean el movimiento, o una intimidación que interfiera con el trabajo o el movimiento normal.

Acoso sexual

Incluye todo avance sexual no deseado u otras conductas físicas o verbales de índole sexual cuando se cumpla alguno de los siguientes criterios o todos ellos:

1. La sumisión a tal conducta se formula explícita o implícitamente como un término o condición para el progreso o condición académicos del alumno.
2. La sumisión o el rechazo ante dicha conducta por parte del alumno se utiliza como fundamento de decisiones académicas que afectan a la persona.

3. Dicha conducta tiene por propósito o efecto una interferencia no razonable en el desempeño académico de la persona o la creación de un entorno educativo intimidatorio, hostil u ofensivo.

Es responsabilidad de la escuela:

1. Implementar esta política a través de reuniones regulares con todo el personal, garantizando que comprenda la política y su importancia.
2. Concientizar a todo el personal, el alumnado y los padres sobre la política y sobre el compromiso que la escuela mantiene con su estricta implementación.
3. Mantenerse alerta para detectar condiciones que generen o puedan desencadenar un entorno escolar ofensivo u hostil.
4. Establecer prácticas diseñadas para crear un entorno escolar libre de discriminación, intimidación u hostigamiento.

Es responsabilidad de cada alumno:

1. Comportarse de manera tal que contribuya con un entorno escolar positivo.
2. Evitar cualquier actividad que pueda considerarse discriminatoria, intimidatoria u hostigadora.
3. Considerar informarle inmediatamente a cualquier persona que esté hostigándolo o acosándolo que su conducta es ofensiva y no deseada.
4. Informar sobre todos los incidentes de discriminación u hostigamiento al Director.
5. Si se informa que un alumno participa en una conducta discriminatoria, intimidatoria, acosadora o no deseada, el alumno deberá erradicar de inmediato tal conducta.

Acoso por transgénero

En virtud del Código de Educación (§ 221.5), las Aspire Public Schools garantizan que los jóvenes transgénero reciban protección contra el hostigamiento, inclusive:

- El derecho a la privacidad en lo referente a que ningún miembro del personal de la escuela compartirá la información personal del alumno con los demás alumnos.
- El derecho a debatir y expresar abiertamente su identidad y expresión de género, y a decidir cuándo, con quién y qué grado de información desean compartir.
- Todos los registros oficiales de la escuela deben mantener el nombre y el género del alumno que le fueron asignados al nacer a menos que se entregue a la escuela un documento legal emitido por un tribunal.
- Se utilizará el nombre de preferencia del alumno para dirigirse a él en registros no oficiales, si se completa el formulario de Igualdad de género (disponible a pedido). Los padres pueden solicitar que se inscriba a un alumno con su nombre y género de preferencia.
- El personal y los alumnos se esmerarán por dirigirse correctamente a los alumnos mediante su nombre de preferencia y el pronombre de género correspondiente en todas las comunicaciones. Un incumplimiento sostenido de referirse al alumno de manera consecuente se considerará como una negación de la identidad de género del alumno y, por tanto, una forma de hostigamiento.
- Todos los alumnos pueden utilizar el baño que corresponda a su identidad de género en la escuela. Además, los alumnos también pueden utilizar un baño de género neutro.
- Si las clases son específicas para un género, los alumnos se asignarán a la sección que corresponda a su identidad de género.
- La participación en clases de atletismo se regirá por las reglas y políticas de las organizaciones patrocinantes.
- La participación en clubes y actividades estará abierta a todos los alumnos.
- El código de vestimenta es neutro respecto del género, y los alumnos transgénero pueden vestir de acuerdo con un su identidad de género.

- La intimidación relacionada con la identidad transgénero se resolverá de inmediato, y se considerará una infracción del Cód. de Ed. § 48900(r) que se describe más arriba.

BÚSQUEDAS

La vestimenta, la propiedad personal y los vehículos o la propiedad escolar de un alumno, incluidos los libros, pupitres y casilleros escolares, podrán estar sujetos a revisión a cargo del Director o de una persona designada por el Director ante una duda razonable de que el alumno esté en posesión de artículos ilegales u obtenidos de manera ilegal. Esto puede incluir sustancias ilegales, artefactos relacionados con las drogas, armas u otros objetos o sustancias que podrían ser dañinas para el alumno o para los demás. **Los artículos de posesión ilegal serán confiscados y podrán entregarse a la policía.**

POSESIÓN DE ARMAS Y OBJETOS PELIGROSOS

Constituye una infracción de las leyes estatales y de las políticas y normas de las Aspire Public Schools la portación de un arma de fuego, arma blanca u otro objeto peligroso dentro de las instalaciones escolares, en el transporte provisto por la escuela o en las áreas de otras instalaciones que se utilizan para actividades escolares.

LIBRE DE DROGAS, ALCOHOL Y TABACO

Las Aspire Public Schools reconocen la necesidad de un entorno libre de drogas, de alcohol y de tabaco. Se prohíbe fumar en todos los edificios, instalaciones y vehículos de Aspire. Las Aspire Public Schools respaldan la abstinencia de alcohol, tabaco y otras drogas de todos los alumnos para que su desarrollo pueda alcanzar el máximo potencial intelectual, emocional, social y físico. Los alumnos están sujetos a medidas disciplinarias, hasta una recomendación de expulsión inclusive, por infracciones relacionadas con el tabaco, el alcohol y las drogas.

OTROS ELEMENTOS PROHIBIDOS

No se permite que los alumnos traigan juegos, juguetes o tarjetas de colección intercambiables a la escuela para ser usadas durante la jornada escolar (inclusive el recreo y el almuerzo). También es posible que se les retiren los teléfonos celulares, reproductores de MP3 y dispositivos personales manuales. Los elementos prohibidos se devolverán solamente a un padre o tutor. La reincidencia en esta infracción desencadenará que los elementos retirados no sean devueltos hasta el final del año escolar.

RESPONSABILIDAD PERSONAL POR LOS ARTÍCULOS

Los estudiantes son responsables de cuidar sus artículos personales. Aspire no es responsable por la pérdida o rotura de los artículos personales del estudiante en la escuela, a menos que dichos artículos estén en posesión de un miembro del personal de Aspire en el momento en que se pierdan o se rompan.

RESPALDOS Y PROTECCIONES PARA LOS ALUMNOS

PLAN DE LA SECCIÓN 504

La Sección 504 de la Ley de rehabilitación de 1973 establece que en Estados Unidos, ninguna persona con una discapacidad calificada. . . puede, por causa exclusiva de su discapacidad, ser excluida de la participación, ser privada de los beneficios o quedar sujeta a discriminación en programa o actividad alguno que reciba asistencia financiera del Estado. (29 USC 794)

- Cumplimiento monitoreado por la Oficina de derechos civiles.
- Rige para todas las instituciones que reciben asistencia financiera del estado federal, como es el caso de las escuelas públicas.
- Las escuelas tienen la obligación de brindar una "educación pública gratuita y apropiada" (FAPE) a los niños con discapacidades.

La Sección 504 prohíbe la discriminación y garantiza que los alumnos con discapacidades reciban oportunidades educativas y beneficios equivalentes a los que reciben los alumnos sin discapacidades. Si

desea obtener más información acerca de los planes de 504 u otros tipos de asistencia disponibles para su alumno, contáctese con el Director de su escuela.

EDUCACIÓN ESPECIAL

Las Aspire Public Schools prestan servicios a todos los alumnos, independientemente de su discapacidad, y ofrecen servicios de Educación especial a aquellos alumnos que se consideren elegibles en virtud de la Ley de Educación de Personas con Discapacidad. Las escuelas tienen la obligación de brindar una "educación pública gratuita y apropiada" (FAPE) con el entorno menos restrictivo (LRE). Las recomendaciones de servicios y elegibilidad para Educación especial pueden ser emitidas por maestros, padres, agencias, profesionales pertinentes y por otros miembros de la comunidad. Las recomendaciones para Educación especial se coordinarán con los procedimientos del establecimiento escolar para la recomendación de alumnos con necesidades que no puedan satisfacerse mediante modificaciones del programa de enseñanza regular, inclusive las recomendaciones de equipos de intervención de alumnos, como el Equipo de Estudio del Alumno (SST). Para proceder a recomendar a un alumno para Educación especial y los servicios pertinentes, será necesario que se hayan considerado y, donde corresponda, utilizado, los recursos del programa de educación normal. [Si desea más información sobre el proceso de recomendación para Educación especial, consulte la sección *Notificación de detección de alumno para educación especial]*

- **Garantías procesales para padres:** Las Garantías procesales (también conocidas como Derechos parentales), deben conferirse a los padres de un niño con discapacidad como mínimo (a) ante la recomendación inicial para evaluación; (b) ante cada notificación de una reunión de IEP; (c) ante una revaluación del niño; (d) de conformidad con los procedimientos disciplinarios y (e) ante la recepción de una solicitud de proceso debido.

NOTIFICACIÓN DE DETECCIÓN DE ALUMNO PARA EDUCACIÓN ESPECIAL (CHILD FIND)

Muchos programas para los niños que concurren a Aspire Public Schools se brindan sin costo alguno para usted. Nuestras escuelas ofrecen programas y servicios de educación especial, como enseñanza especializada, servicios conductuales, terapia del habla, terapia física y ocupacional y otros servicios relacionados con la educación especial. Las evaluaciones de desarrollo o los exámenes integrales de los niños en quienes se sospecha la presencia de alguna discapacidad que podría afectar negativamente su desarrollo educativo se brindan sin costo alguno para usted.

Es necesario evaluar al alumno para identificar si tiene alguna discapacidad como estipula la Ley de Educación de Personas con Discapacidad (IDEA) para poder considerarlo elegible para los programas de educación especial y los servicios relacionados. La evaluación es el proceso que se utiliza para determinar las necesidades del alumno y su elegibilidad para un Programa de Educación Individualizado (IEP). No se utiliza ningún procedimiento como criterio único para determinar un programa educativo adecuado para una persona que presenta necesidades excepcionales. Las evaluaciones deben cubrir todas las áreas relacionadas con la supuesta discapacidad, y su ejecución estará a cargo de un equipo multidisciplinario que incluirá a los padres. La evaluación concluirá en un informe escrito de conformidad con el *Código de Educación de California, Sección 56327.* Si un padre presenta una solicitud de evaluación, la Agencia Local de Educación (LEA) tendrá 15 días para revisar la solicitud y responder a ella por escrito. Si la LEA determina que corresponde realizar la evaluación, se desarrollará un plan de evaluación y se les entregará una copia del plan a los padres. Los padres tendrán 15 días para responder a la propuesta de plan de evaluación. La evaluación comenzará cuando se reciba el consentimiento escrito de los padres sobre el Plan de evaluación individual. El plazo para completar la evaluación y realizar la reunión del IEP es de 60 días a partir de la recepción del consentimiento escrito de los padres. Ante una denegación de la solicitud de evaluación, se deberá enviar una notificación escrita con anticipación a los padres, de conformidad con el *Título 34, del CFR, Sección 300.503,* indicando los *fundamentos* de la denegación de la solicitud.

Si una familia de una Aspire Public School tiene dudas o inquietudes respecto de un alumno inscrito que recibe servicios de educación especial, tiene derecho a solicitar asistencia además de las copias de las políticas, los procedimientos, las evaluaciones, los planes y los informes contactándose con la oficina de Educación especial de Aspire. Es posible solicitar una cita o más información llamando a la oficina de Educación especial de Aspire al 510-434-5000 o solicitar información al Director de su escuela local.

Reclamo de Educación especial

Una persona puede presentar un reclamo alegando que la escuela no cumple con las políticas y los procedimientos de la ley IDEA. Una persona puede presentar un reclamo comunicándose con el Director de Educación especial de la Oficina regional de Aspire, ya sea verbalmente o por escrito. Si el reclamo se formula verbalmente, el personal de recepción debe solicitar que efectúe el reclamo por escrito, y asistir a los padres a manifestar el reclamo por escrito si es necesario. Dentro de los 15 días calendario a partir de la recepción del reclamo (con suspensión en los recesos escolares que superen los 5 días), se contactará a los padres y se les entregará una copia de las Garantías procesales para padres en relación con la Educación especial. El Director regional de Educación especial investigará la naturaleza del reclamo entrevistando a los padres y al equipo del establecimiento escolar y revisando el expediente histórico y de educación especial del alumno. Si corresponde realizar una reunión del Programa Educativo Individualizado para resolver el reclamo, esta se programará dentro de los 30 días calendario (con suspensión en los recesos escolares que superen los 5 días) posteriores a la recepción del reclamo.

Si el reclamo no se resuelve en la Oficina regional, la persona puede contactarse con el Director en jefe de Educación especial en la Oficina central de Aspire. El Director en jefe de Educación especial revisará las medidas que tomó la Oficina regional para resolver el reclamo y se comunicará con los padres dentro de los 5 días a partir de la recepción de su reclamo (con suspensión en los recesos escolares que superen los 5 días). El Director en jefe de Educación especial debatirá las Garantías procesales parentales con los padres, que pueden incluir el proceso de Resolución informal de disputas, los procedimientos estatales de reclamos y los procedimientos de proceso debido, según corresponda.

Niños y jóvenes sin vivienda (Reautorización según la Ley McKinney-Vento de 2002)

Tal como lo exige la ley federal (McKinney-Vento), las Aspire Public Schools garantizan que los niños y jóvenes sin vivienda reciban el mismo acceso a la educación pública apropiada y gratuita que reciben los demás niños y jóvenes. Si desea información adicional acerca de los servicios para niños y jóvenes sin vivienda, comuníquese con el Gerente regional de servicios estudiantiles. Solicite la información de contacto del Gerente regional (RM) en la oficina principal de su escuela.

Niños y jóvenes en custodia tutelar

Tal como lo exige la ley estatal, Aspire Public Schools garantiza que se tomarán todas las decisiones educativas con el fin de asegurar que cada estudiante en custodia tutelar tenga la oportunidad de cumplir con los mismos estándares de rendimiento académico que todos los alumnos tienen. Si desea información adicional acerca de los servicios para niños y jóvenes sin vivienda, comuníquese con el Gerente regional de servicios estudiantiles. Solicite la información de contacto del Gerente regional (RM) en la oficina principal de su escuela.

Estudiantes que están aprendiendo inglés (ELL)

Aspire ofrece una variedad de programas para ayudar a los estudiantes que necesitan apoyo para hablar, leer, escribir o comprender el inglés debido a que este no es su idioma materno. Si está interesado en que su hijo reciba este apoyo, por favor comuníquese con la oficina principal de su escuela.

Apoyo para estudiantes de género diverso

Aspire se compromete a proporcionar un entorno seguro y de contención para todos los estudiantes y a garantizar que todos tengan acceso igualitario a los programas y actividades educativos de Aspire. Aspire exige que todas las escuelas y todo el personal fomenten la aceptación y el respeto entre los estudiantes y el personal. Aspire es un lugar donde la identidad de género de cada estudiante se acepta y valora como una parte importante integral del niño. Si está interesado en conversar sobre tipos de apoyo específicos para su hijo, por favor, comuníquese con la oficina principal de su escuela.

EQUIPO DE ÉXITO ESTUDIANTIL (SST)

El Equipo de éxito del Alumno constituye una manera eficiente y eficaz de reunir todos los recurso, humanos y de programas, para brindar apoyo a los alumnos que presenten dificultades en las clases normales. Se trata de una reunión concentrada para buscar soluciones en donde todas las personas necesarias, inclusive el alumno y sus padres, están presentes simultáneamente. El SST es una expresión de la inquietud que la escuela tiene por sus alumnos y proporciona un entorno de apoyo para que los alumnos participen activamente en la determinación de sus propias necesidades y en la implementación de estrategias diseñadas para ayudarlos.

ESTUDIO INDEPENDIENTE

El Estudio independiente es una estrategia de enseñanza que responde a las necesidades individuales de un alumno. Es una alternativa a la enseñanza en el aula congruente con el programa de aprendizaje de Aspire, y no corresponde a un plan de estudios alternativo.

Entre las razones aceptables para solicitar un Estudio independiente se incluyen las faltas justificadas por cinco (5) o más días consecutivos a la escuela. Se debe enviar la solicitud escrita de estudio independiente al Director al menos dos semanas antes de la salida anticipada.

Queda a discreción del Director otorgar el permiso de Estudio independiente. Si anteriormente se le ha otorgado el permiso de Estudio independiente al alumno y no ha completado el trabajo como se le asignó, queda a discreción del Director administrador la decisión de si podrá participar en el programa nuevamente. Ningún alumno con necesidades excepcionales puede participar en el programa de Estudio independiente a menos que el Programa de Educación Individualizada (IEP) requiera de forma específica la participación.

INSTRUCCIÓN EN EL HOGAR Y EL HOSPITAL

El propósito de la Instrucción en el hogar y el hospital (HHI) es proporcionar instrucción a un estudiante con una discapacidad *temporal* en su hogar, un hospital u otro centro residencial de salud, excepto hospitales estatales. La discapacidad temporal debe impedir o hacer desaconsejable la asistencia a Aspire. Por favor, comuníquese con la oficina principal de su escuela si desea hablar sobre la posibilidad de que su hijo reciba HHI.

PROGRAMAS DE CONSEJERÍA SOCIOEMOCIONAL EN LA ESCUELA

Esta sección brinda información general sobre los servicios de consejería en las escuelas Aspire. No pretende ser una lista exhaustiva de los requisitos particulares de la consejería en cada escuela puntual, y cabe destacar que no todas las escuelas Aspire tienen la capacidad de brindar servicios de consejería. Comuníquese con la escuela de su hijo para determinar los protocolos específicos que rigen en ese establecimiento. Las escuelas que no cuentan con un consejero no pueden proporcionar servicios de consejería a menos que se estipule lo contrario en el documento de un IEP o plan de 504.

La consejería socioemocional en la escuela se ofrece de modo limitado a través del Departamento de consejería de nuestra escuela. No obstante, el alcance de la práctica de un consejero escolar es mucho más limitado que el de una agencia o proveedor externos. El trabajo de los consejeros escolares con los alumnos se focaliza en los problemas que se presentan durante la jornada escolar, específicamente trabajando para mejorar la presentación del impacto de los problemas en el logro educativo del alumno. **La consejería en el contexto escolar no pretende reemplazar las intervenciones terapéuticas ni los tratamientos de agencias o proveedores externos para resolver problemas de salud mental.** Los padres no deben esperar que el nivel de consejería en un establecimiento escolar sea suficiente para respaldar las necesidades de los alumnos con problemas considerables de salud mental. Además, los servicios de consejería escolar están solamente disponibles en los días y horarios en que funciona la escuela.

No se garantizan los servicios de consejería para los alumnos. Además, es posible que los alumnos recomendados para estos servicios se agreguen a una lista de espera hasta que el personal de consejería tenga una vacante. El lugar asignado al alumno en la lista de espera puede variar a criterio de la escuela y según lo exijan las leyes estatales y federales. No se aplican cargos por el apoyo de consejería

brindado en la escuela. No obstante, como se indica anteriormente, los recursos de consejería de la escuela son limitados y sus servicios no están garantizados para cada recomendación o alumno.

ATENCIÓN MÉDICA DE EMERGENCIA

Todos los alumnos deben tener una tarjeta de información para emergencias completa y firmada por uno de sus padres o tutor al inicio del año escolar. Esta tarjeta establece qué tipo de atención desea el padre que su hijo reciba ante una emergencia, además de dejar constancia sobre la información médica actual y de emergencias.

ENFERMEDADES CONTAGIOSAS O INFECCIOSAS

Es posible que un alumno sea enviado de regreso a su casa si, por un buen motivo, se cree que padece de una enfermedad contagiosa o infecciosa reconocida. No se permitirá el regreso del alumno a la escuela hasta que la autoridad escolar tenga la certeza de que no existe tal enfermedad infecciosa o contagiosa.

PREPARACIÓN PARA CASOS DE EMERGENCIA EN ASPIRE PUBLIC SCHOOLS

Aspire Public Schools se compromete a mantener campus seguros y protegidos para nuestros estudiantes y personal. Trabajamos diligentemente para asegurarnos de que los estudiantes y el personal estén preparados para casos de emergencias. Con ese fin, cada escuela tiene un plan integral de seguridad escolar que cubre las políticas y expectativas de Aspire con respecto a las prácticas de cada escuela para mantener la seguridad del campus físico, responder adecuadamente a las emergencias, aumentar la seguridad y protección de los estudiantes y el personal, así como crear un entorno seguro y ordenado propicio para el aprendizaje. Cada escuela lleva a cabo simulacros de emergencia regulares que, como mínimo, cumplen los requisitos establecidos por el estado. Estos simulacros incluyen: Incendios, terremotos y confinamiento/refugio en el lugar.

Se les pide a los padres que se aseguren de que sus hijos participen activamente y tomen en serio los simulacros de emergencia. Estos simulacros ayudan a garantizar que los estudiantes estén bien preparados en caso de una emergencia. Cada escuela también almacena suministros para casos de emergencia con el fin de mantener a los estudiantes y el personal. Estos suministros incluyen lo siguiente: agua, alimentos, suministros de primeros auxilios, suministros de búsqueda y rescate y artículos de saneamiento. El personal de la escuela revisa regularmente estos suministros.

Los padres deben estar familiarizados con los procedimientos de emergencia de la escuela y actualizar la información de contacto cada vez que cambie. Mantenga su teléfono celular con usted para recibir actualizaciones grabadas sobre la emergencia. Saber dónde ir para recoger a su hijo ahorrará tiempo y reducirá la ansiedad. Los padres deben recordar que las escuelas implementan procedimientos de emergencia para proteger a todos los estudiantes y que seguirán estos procedimientos durante una emergencia.

DENUNCIAS DE ABUSO INFANTIL

Todo maestro u otro miembro del personal que sospeche que un alumno ha sido víctima de lesiones físicas, malos tratos, abuso sexual o maltrato emocional está obligado por la Ley de Denuncia de Abuso Infantil a notificar a las autoridades pertinentes. Para obtener información adicional sobre los requisitos para denunciar abuso infantil en California que rigen para maestros y otros miembros del personal escolar, contáctese con la recepción.

COMPROMISO CON LA FAMILIA Y LA COMUNIDAD

COMUNICACIÓN ENTRE LA ESCUELA Y EL HOGAR

En la escuela, contamos con que los padres y tutores cumplan su función de ser nuestros aliados en pos del respaldo de la educación de sus hijos. Siempre es mejor comunicarse con el maestro de sus hijos para resolver las inquietudes que pueda tener. Todo el personal de Aspire está a disposición para ser contactado por medio del correo electrónico y el teléfono que le brinda el establecimiento escolar.

ACTIVIDADES DE COMPROMISO DE LA FAMILIA

Los niños aprenden mejor cuando sus padres se comprometen con cada paso del camino creando un puente de aprendizaje entre el aula y el hogar. A continuación, se presentan algunos ejemplos de lo que Aspire hace para ayudar a los padres y tutores a convertirse en grandes maestros para sus hijos:

Clases especiales de los sábados: Estas sesiones de medio día programadas en sábados específicos durante el año escolar permiten a los padres asistir a la escuela con sus hijos y conocer mejor el establecimiento. Creemos que es importante para ellos ver, sentir y experimentar el espacio en el que sus hijos pasan tanto tiempo.

Guía de apoyo en el hogar: Aspire instruye a los padres sobre cómo incorporar la lectura en casa (20 minutos o más por día desde jardín de infantes hasta 5.° grado), proporcionar el nivel de ayuda adecuado con la tarea, participar en proyectos y realizar juegos que refuercen el aprendizaje.

Participación en la toma de decisiones de la escuela: Aspire incluye a dos representantes de los padres en el Consejo Escolar (anteriormente Consejo de Asesoría Escolar) de cada escuela, al igual que la participación de los padres en el Comité de Contratación de Maestros de la escuela.

- Juntas Mensuales del Comite de SSC
- Juntas Mensuales de Café con la Directora
- Caja de Sugerencias para Padres
- ELAC se reúne cuatro veces por año escolar
- Encuesta de LCAP
- Enciesta Familiar
- SST's (Equipo de éxito estudiantil)

POLÍTICA DE VISITAS

¡Los visitantes son siempre bienvenidos! **Todos los visitantes que ingresen en el predio de la escuela deben registrarse en la Oficina, identificarse e indicar la naturaleza de la visita, y obtener el pase como visitante.**

Se insta a los padres y tutores a visitar el establecimiento escolar y las aulas para observar y apoyar el trabajo de la escuela. Esto constituye uno de los medios esenciales de la relación de la escuela con los padres. Cada escuela tiene diferentes maneras de hacer participar a los padres y hacerlos sentir cómodos en la escuela, inclusive los sábados en la escuela, la participación en el Consejo Escolar (anteriormente Consejo de Asesoría Escolar), las oportunidades de voluntariado y los eventos particulares.

Todos los visitantes en un establecimiento escolar deben informar su llegada en la Oficina al entrar y recibir autorización para visitar el resto del establecimiento escolar. Es posible que un Director, o una persona que este designe, le pida a un visitante que abandone la escuela y que no regrese por un cierto tiempo si se determina que ha interferido con el buen orden o la conducta pacífica de la escuela. Además, no se permite el uso de artefactos electrónicos para reproducir o grabar en el aula sin el consentimiento previo del maestro y del Director de la escuela.

Las personas no autorizadas no podrán ingresar en los edificios de la escuela ni en el predio escolar. El Director de la escuela, o una persona que este designe, tiene la autoridad para tomar las medidas pertinentes tendientes a impedir el ingreso de estas personas al edificio o que merodeen en el predio. Estas personas se someterán a acciones legales en su máxima expresión, inclusive, de forma no taxativa, lo prescrito en el Código de Educación, sección 32211.

REGLAS PARA LOS VISITANTES

Todos los visitantes del campus deben tener el consentimiento y la aprobación del director o la persona que este designe. El permiso de visita debe otorgarse, si es posible, en el momento que se solicita o dentro de un plazo razonable después de la solicitud. Los niños que no están inscritos en la escuela no deben estar en el campus, a menos que se haya obtenido una aprobación previa del director.

Los visitantes no pueden interferir, interrumpir o causar un desorden sustancial en clases o actividades escolares, incluidos, entre otros, el almuerzo, el recreo o actividades posteriores al horario escolar.

Se espera que los visitantes:
a. cumplan con la política escolar establecida para solicitar una visita al aula;
b. completen un permiso de visitante al llegar al establecimiento;
c. entren y salgan del aula lo más silenciosamente posible;
d. no conversen con los alumnos, maestros o ayudantes de instrucción durante la visita;
e. no interfieran con ninguna actividad escolar;
f. sean razonables en la duración y frecuencia de las visitas al aula;
g. sigan los procedimientos establecidos por la escuela para reunirse con el maestro o el director después de la visita, si es necesario;
h. conozcan y cumplan las expectativas de comportamiento de toda la escuela y
i. devuelvan el permiso de visitante al lugar de origen antes de salir del campus.

Cualquier persona que perturbe un establecimiento escolar o no cumpla las reglas o procedimientos de la escuela está sujeta a ser retirada de la escuela y a posibles restricciones a futuras visitas al establecimiento.

VOLUNTARIOS

Los voluntarios ayudan a enriquecer la educación de los alumnos y proporcionan una ayuda adicional a los maestros y al personal de la escuela. Los voluntarios suelen estar en el campus por más tiempo o con mayor cantidad de responsabilidades que los visitantes comunes. Debido a esto, existen requisitos adicionales para los voluntarios además de aquellos para los visitantes comunes. Los requisitos clave de los voluntarios se indican a continuación, pero por favor revise el manual de voluntarios para conocer todos los requisitos.

Los posibles voluntarios deben comunicarse con la escuela si pueden ofrecer tiempo o servicios para colaborar con cualquier parte del programa escolar. **Los voluntarios se asignan a maestros u otros miembros del personal que han solicitado asistencia de voluntarios. Las escuelas se reservan el derecho de asignar voluntarios a las aulas/actividades según corresponda y de rechazar los servicios de un voluntario en cualquier momento.** Todos los visitantes, incluidos los voluntarios, deben registrarse en la recepción de la escuela y recibir su credencial de "Visitante" como identificación. También deben registrarse a la salida, al abandonar el predio escolar. Estas medidas son para la seguridad de los niños y del personal, además de preservar al visitante en caso de una emergencia. Por la seguridad de todos los alumnos, todos los visitantes deben:

- Tener un análisis de tuberculosis con resultado negativo en su expediente en la oficina escolar, realizado dentro de los últimos cuatro años antes de comenzar a trabajar con alumnos.
- Tener una evaluación de antecedentes si su trabajo prevé que interactúe con alumnos en entornos sin supervisión. Los voluntarios sin supervisión que deben someterse a registro de sus huellas dactilares incluyen los siguientes: entrenadores, personal del programa de doble escolaridad, mentores de negocios, tutores y chaperones en los viajes de estudio (toda persona que trabaje con alumnos sin supervisión). Los resultados de la evaluación de antecedentes se consideran **confidenciales** y no se divulgarán a otros miembros del personal o a los padres.

Conductores voluntarios

- Cada conductor debe tener una licencia de conducir de California válida.
- Los conductores adultos o padres deben tener una "**Declaración de seguro por responsabilidad como conductor**" vigente en su expediente en la oficina escolar, con la siguiente cobertura mínima: $15,000 por persona, $30,000 por siniestro, $5,000 por daño a la propiedad (15 30 5).
- Los vehículos para transporte de niños deben estar en condiciones seguras y operativas. La cantidad de pasajeros en el vehículo no debe superar la cantidad de cinturones de seguridad. Los vehículos con bolsas de aire laterales para los pasajeros **no pueden** llevar a un alumno en ese lugar.
- Los niños que pesan menos de 40 libras deben ir en un asiento de seguridad para vehículo con cinturón de seguridad.
- Los conductores deben tener registros de conducción impecables. Los conductores que hayan sido condenados a una pena por delito menor o conducción en estado de ebriedad no podrán obtener autorización para trasladar alumnos. Los conductores que hayan sido citados por más de una infracción de tránsito en el último año no podrán obtener autorización para trasladar alumnos.
- El programa de patrocinio pagará los peajes de los puentes y las entradas. No se pagará kilometraje a los padres.

DERECHOS Y RESPONSABILIDADES DE LAS FAMILIAS

NOTIFICACIÓN DE INFORMACIÓN DEL DIRECTORIO

Conforme FERPA, Aspire debe obtener el consentimiento por escrito de los padres o de los estudiantes elegibles antes de la divulgación de información proveniente de los registros de los estudiantes que los identifiquen personalmente.

Sin embargo, Aspire puede divulgar la "información del directorio" (como se define a continuación) sin consentimiento previo por escrito, a menos que un padre o estudiante elegible haya notificado a Aspire que no desea que se divulgue dicha "información del directorio". Se debe notificar a todos los padres y estudiantes elegibles sobre qué información constituye "información del directorio", se les debe informar que pueden optar por excluirse voluntariamente de la divulgación de esta información sobre su estudiante (o sobre sí mismo, si es mayor de 18 años) y estos deben proporcionar a Aspire su decisión de optar por excluirse de la divulgación de la información dentro de un período de tiempo razonable a partir del momento en que se les proporcionó el aviso de "información del directorio". Al comienzo de cada año escolar, los padres y estudiantes elegibles recibirán este aviso de "información del directorio" y se les proporcionará un período de tiempo razonable para que informen si desean excluirse voluntariamente de la divulgación de dicha información.

La información del directorio, si se divulga, generalmente no se considera perjudicial o una invasión de la privacidad. Aspire define la información del directorio como:

- Nombre completo del estudiante
- Grado en el que está inscrito
- Títulos, honores y premios recibidos
- Participación en clubes
- Participación deportiva, incluida la altura y/o el peso del atleta

El propósito principal de la información del directorio es permitir que Aspire incluya información sobre los estudiantes en ciertas publicaciones escolares, como, entre otras, las siguientes:

- Anuarios
- Programas de graduación
- Cuadros de honor y otros premios/listas de reconocimiento
- Anuncios de actividades del club
- Listas de actividades deportivas, que pueden incluir la altura y el peso de los atletas

Además, las leyes federales les exigen a las Aspire Public Schools, puesto que recibimos asistencia en virtud de la Ley de Educación Primaria y Secundaria de 1965 (ESEA), que proporcionen a los reclutadores

militares, ante su solicitud, tres categorías de información del directorio (nombres, direcciones y teléfonos), a menos que los padres o los estudiantes elegibles les hayan indicado a Aspire que no desean que se divulgue esta información sin su consentimiento escrito previo.

Si no desea que Aspire divulgue parte de la información del directorio o ninguna información, como se define arriba, de los registros educativos de su hijo (o de sus registros educativos, si tiene 18 años o más) sin su consentimiento previo por escrito, debe notificar a Aspire por escrito. Aspire proporciona un formulario de "Exclusión voluntaria" al comienzo de cada año escolar, como parte de su Notificación anual de información del directorio/FERPA. Puede usar este formulario o puede enviar otra notificación por escrito dentro de un período de tiempo razonable a partir de la fecha en que le informaron de lo que se incluye como "información del directorio".

POLÍTICA DE NO DISCRIMINACIÓN Y TÍTULO IX

Aspire Public Schools está comprometida con la igualdad de oportunidades para todos los individuos en la educación. Las Aspire Public Schools (APS) no discriminan a los alumnos por discapacidad, género, identidad de género, expresión de género, nacionalidad, raza o etnia, religión, orientación sexual ni ninguna otra característica cubierta por la definición de delitos xenófobos que estipula la Sección 422.55 del Código Penal.

Aspire respetará los procedimientos universales de reclamo al responder a reclamos que aleguen discriminación ilegal por motivos de edad, sexo, orientación sexual, género, identificación con un grupo étnico, raza, descendencia, nacionalidad, religión, color o discapacidad mental o física en cualquier programa o actividad que reciba o utilice asistencia financiera del estado.

Los alumnos, padres, tutores o cualquier persona que desee formular una pregunta o plantear una inquietud acerca de la "Política sobre hostigamiento y discriminación" de Aspire debe ponerse en contacto con el director de la escuela. Aspire recomienda que las familias se comuniquen con sus escuelas cuando tengan inquietudes.

Los padres que deseen presentar un reclamo por discriminación u hostigamiento deben completar el formulario de procedimientos universales de reclamo de Aspire (que se encuentra al final de este manual), y deben comunicarse con el Director de la escuela o con su Gerente regional de servicios estudiantiles. Más adelante en el manual se detalla más información acerca de los procedimientos universales de reclamo de Aspire.

POLÍTICA SOBRE PRIVACIDAD DE LOS DATOS DE LOS ALUMNOS DE ASPIRE

LEY DE DERECHOS DE LA FAMILIA SOBRE LA EDUCACIÓN Y PRIVACIDAD

La Ley de Derechos de la Familia sobre la Educación y Privacidad (FERPA) les confiere a los padres y alumnos mayores de 18 años ("estudiantes elegibles") ciertos derechos en relación con los registros educativos del alumno. Estos derechos incluyen los siguientes:

1. **El derecho de inspeccionar y revisar** los registros educativos del alumno dentro de los 45 días a partir del día en que la escuela reciba una solicitud de acceso. Los padres o alumnos elegibles deben presentarle al Director de la escuela una solicitud por escrito que identifique el registro que desean inspeccionar. El Director de la escuela deberá coordinar el acceso y notificar a los padres o al estudiante elegible la fecha y el lugar en que podrán proceder a inspeccionar los registros.
2. **El derecho a solicitar una enmienda** del registro educativo del alumno en la información que los padres o el estudiante elegible consideren que son inexactos. Los padres o alumnos elegibles podrán solicitar a la escuela que enmiende un registro que consideren que es inexacto. Deben escribirle al Director de la escuela para identificar claramente la parte del registro que desean modificar, y especificar por qué se considera inexacto. Si la escuela decide no enmendar el registro que los padres o el estudiante elegible han solicitado enmendar, la escuela les notificará a los padres o al estudiante elegible la decisión y les recordará su derecho a una audiencia ante el Director de servicios estudiantiles de Aspire en relación con la solicitud de enmienda. Se entregará información adicional sobre los procedimientos de las audiencias a los padres o alumnos elegibles al notificárseles el derecho a audiencia.
3. **El derecho a proporcionar consentimiento** para la divulgación de información del registro educativo del alumno que identifica a la persona, excepto en la medida en que la ley FERPA autorice la divulgación sin consentimiento. Una excepción, que permite la divulgación sin consentimiento, es la divulgación a funcionarios escolares con intereses educativos legítimos. Un funcionario escolar es una persona empleada de la escuela que obra como administrador, supervisor, instructor o miembro del personal de apoyo (inclusive el personal médico o de salud y el personal de la unidad legal); una persona que se desempeña en la Junta directiva de Aspire; una persona o empresa con quien la escuela mantiene un contrato para ejecutar una tarea particular (como un abogado, auditor, consultor médico o terapeuta); o un padre o alumno que se desempeña en un comité oficial, como un comité de resolución de quejas o comité disciplinario, o que asiste a otro funcionario escolar en sus tareas. Se considera que los funcionarios escolares tienen un interés educativo legítimo si necesitan revisar el registro educativo para cumplir con su responsabilidad profesional.

   A pedido, la escuela divulgará los registros educativos sin consentimiento a funcionarios de otro distrito escolar en el cual el alumno desee o pretenda inscribirse. Los registros del alumno se divulgarán a otro distrito escolar donde el alumno se haya inscrito o pretenda inscribirse, a pedido de un funcionario de tal distrito. Al momento de la transferencia de los registros, alguno de los padres/tutores, custodios o alumno mayor de edad podrá recibir una copia de los registros a su cargo ($0.25 por página), si así lo requiere, y tendrá la posibilidad de cuestionar los contenidos de los registros.
4. **El derecho a presentar un reclamo** ante el Departamento de Educación de los Estados Unidos en relación con supuestos incumplimientos por parte del Distrito escolar de los requisitos de la ley FERPA. El nombre y la dirección de la Oficina que administra la aplicación de la ley FERPA son los siguientes:

   Family Policy Compliance Office
   U.S. Department of Education

Las Aspire Public Schools animan a los estudiantes, padres y al personal a compartir sus inquietudes y reclamos a través de reuniones informales con el maestro correspondiente, el director u otros miembros del personal escolar.

Las inquietudes deben plantearse lo antes posible para facilitar su pronta resolución en el nivel administrativo más bajo posible.

Paso 1: Reunión o conversación con el miembro del personal específico
Paso 2: Reunión o conversación con el supervisor de la persona (si corresponde)
Paso 3: Reunión o conversación telefónica con el Director: 323-585-1153
Paso 4: Reunión o conversación con el Inspector del área o el Superintendente adjunto

----- Información de contacto disponible en la oficina de la escuela -----

Si una reunión informal acerca de una inquietud no es suficiente para alcanzar un resultado que sea satisfactorio para el miembro del personal, el estudiante o los padres, estos últimos puede iniciar el proceso formal presentando un reclamo por escrito. El formulario está disponible al final de este manual. Incluso después de iniciar el proceso formal de reclamo, se anima a los estudiantes y a los padres a buscar una solución informal a sus inquietudes. Aquellos estudiantes o padres cuyas inquietudes se resuelvan pueden retirar el reclamo formal en cualquier momento.

POLÍTICA Y PROCEDIMIENTOS UNIVERSALES PARA RECLAMOS

La Junta directiva de Aspire Public Schools ("Aspire") reconoce que Aspire es responsable de cumplir con las leyes y normas estatales y federales pertinentes que rigen los programas educativos. Hemos establecido Procedimientos universales de reclamo (UCP) para tratar las acusaciones de discriminación, hostigamiento, intimidación y agresión ilegales; los reclamos que aleguen infracción de las leyes estatales o federales que rigen los programas educativos; el cobro de cuotas ilícitas a los alumnos y el incumplimiento de nuestro Plan local de control y responsabilidad (LCAP). Los UCP se utilizarán en cualquier programa o actividad llevada a cabo por Aspire, que reciba asistencia financiera directa del Estado o que se beneficie de esta.

Esta sección contiene reglas e instrucciones sobre la presentación, investigación y resolución de un reclamo amparado por los UCP.

Un reclamo amparado por los UCP es una declaración escrita y firmada por un reclamante que alega la infracción de leyes o normas federales o estatales, que puede incluir una acusación de discriminación, hostigamiento, intimidación o agresión ilegales; el cobro de cuotas ilícitas a los alumnos por participar en una actividad educativa o el incumplimiento de los requisitos de nuestro LCAP. Un reclamante es cualquier persona, incluido el representante debidamente autorizado de una persona o un tercero interesado, una agencia pública o una organización que presenta un reclamo por escrito alegando cualquiera de las razones de reclamo de los UCP mencionadas anteriormente. Si el reclamante no puede efectuar el reclamo por escrito, debido a discapacidad o analfabetismo, lo asistiremos en la presentación del reclamo.

Aspire seguirá los UCP para todas las acusaciones de discriminación, hostigamiento, intimidación o agresión ilegales de cualquier grupo protegido, como se define en las secciones 200 y 220 del Código de Educación y en la sección 11135 del Código de Gobierno. Las causas de dichas ofensas incluyen todas las características reales o percibidas establecidas en la sección 422.55 del Código Penal o la asociación del afectado con una persona o un grupo que tenga una o más de estas características. Esta lista podrá actualizarse cuando lo requiera la ley.

Los UCP también se usarán cuando se presenten reclamos por incumplimiento de las leyes estatales o federales en: la educación y la seguridad extracurriculares, la nutrición infantil, la ayuda categórica consolidada, la provisión de cursos sin contenido educativo, la educación de los alumnos que estén bajo custodia tutelar y los alumnos sin hogar, la Ley Cada Estudiante tiene Éxito o la Ley Que Ningún Niño se Quede Atrás, el Plan local de control y responsabilidad (LCAP), la educación para inmigrantes, las cuotas impuestas a los alumnos [1,2], las adaptaciones razonables para alumnas lactantes, los planes de seguridad escolar y la educación especial. Esta lista podrá actualizarse cuando lo requiera la ley.

Los reclamos *distintos* de los relacionados con las cuotas impuestas a los alumnos deben presentarse por escrito ante las siguientes personas designadas para recibir reclamos:

Uniform Complaint Officer
c/o Regional Director of Student Services
5901 E. Slauson Avenue
Commerce, CA 90043
323-837-9920 p / 323-837-9921 f

Cualquier reclamo relacionado con las cuotas impuestas a los alumnos deberá presentarse ante el director de una escuela.

[1] Las cuotas impuestas a los alumnos incluyen, entre otros, cualquiera de los siguientes casos:

1. Una cuota que se cobra a un alumno como condición para inscribirse en la escuela o las clases, o para participar en una clase o actividad extracurricular, independientemente de si la clase o actividad es electiva u obligatoria, o es para obtener créditos.
2. Un depósito de garantía u otro tipo de pago que se exige a un alumno para obtener un candado, un casillero, un libro, un aparato para la clase, un instrumento musical, ropa u otros materiales o equipos.
3. Una compra que se exige a un alumno para obtener materiales, suministros, ropa o equipos asociados con una actividad educativa.

[2] Un reclamo sobre cuotas impuestas a los alumnos se deberá presentar antes de que transcurra un año desde la fecha en que ocurrió la presunta infracción.

GARANTÍAS

La Junta reconoce y respeta el derecho de cada persona a la privacidad. Los reclamos de discriminación se investigarán de manera tal que se proteja la confidencialidad de las partes y de los hechos. Esto incluye preservar la confidencialidad de la identidad del reclamante, salvo cuando su divulgación sea necesaria para llevar a cabo la investigación o los procesos pertinentes, según lo determine el Gerente general, o a quien este designe, en cada caso puntual.

Los reclamos relacionados con las cuotas impuestas a los alumnos o con el LCAP se pueden presentar en forma anónima si el reclamante proporciona pruebas o datos que sustenten el reclamo.
El CEO, o la persona a quien este designe, deberá garantizar que los empleados asignados a la investigación de reclamos tengan el conocimiento necesario de las leyes y programas de los cuales son responsables. Esos empleados pueden tener acceso a asesoramiento legal según lo determine el CEO o la persona a quien este designe.

La Junta prohíbe las represalias de cualquier índole por la participación en procedimientos de reclamo, inclusive, de forma no taxativa, la presentación de un reclamo o la denuncia de instancias de discriminación. Dicha participación no podrá afectar de manera alguna el estado, las calificaciones o la asignación de trabajos del reclamante.

La Junta reconoce que un mediador neutral puede, con frecuencia, sugerir un compromiso que sea aceptable para ambas partes de la disputa. De conformidad con los procedimientos universales de reclamo, siempre que todas las partes de un reclamo estén de acuerdo en intentar resolver el problema con mediación, el CEO, o la persona a quien este designe, deberá iniciar el proceso de mediación. El CEO, o la persona a quien este designe, debe garantizar que los resultados de la mediación sean coherentes con las leyes y normas estatales y federales.

Esta política se distribuirá anualmente entre los alumnos, empleados, padres o tutores de los alumnos, los comités asesores de la escuela y del distrito, y entre las demás partes interesadas.

Aspire designa a su CAO/CSO como los funcionarios de cumplimiento. Los funcionarios de cumplimiento recibirá e investigará los reclamos y se asegurará de que la ley se cumpla. El CAO/CSO podrá designar a una persona para que lleve a cabo la investigación.

PROCEDIMIENTOS DEL PROCESO UNIVERSAL DE RECLAMOS

Se presentará un reclamo por escrito mediante el formulario de Reclamo comunitario de Aspire y el reclamo se iniciará a más tardar seis (6) meses a partir de la fecha en que se produjo la supuesta discriminación o cuando el reclamante tuvo conocimiento por primera vez de los hechos de la supuesta discriminación, a menos que el CEO, o la persona a quien este designe, concedan una prórroga.

Dentro de los cinco (5) días a partir de la recepción del reclamo, el funcionario de cumplimiento, o la persona a quien este designe, deberá discutir informalmente con el reclamante la posibilidad de utilizar una instancia de mediación no vinculante y, si la mediación informal no resuelve el problema dentro de los parámetros de la ley, el funcionario de cumplimiento, o la persona a quien este designe, deberá proceder con su investigación del reclamo.

INVESTIGACIÓN DE RECLAMOS

El funcionario de cumplimiento, o la persona a quien este designe, deberá realizar una reunión de investigación dentro de los diez (10) días a partir de la recepción del reclamo o de un intento infructuoso de mediación informal sobre el reclamo. La reunión de investigación brindará la oportunidad para que el reclamante, o su representante, repita oralmente el reclamo. El reclamante, o su representante, tendrá la posibilidad de presentar información relevante para el reclamo. Las partes del reclamo podrán debatir sobre el reclamo y cuestionarse entre sí y a los testigos de la otra parte.

RESPUESTA/RESOLUCIÓN

La investigación deberá estar completa y resuelta, con el pronunciamiento de la decisión dentro de los sesenta (60) días a partir de la recepción de la solicitud de intervención directa o de la solicitud de apelación, a menos que el reclamante acuerde por escrito una prórroga. El funcionario del reclamo, o la persona a quien este designe, deberá preparar y enviarle al reclamante un informe escrito que detalle la investigación y la decisión. El informe escrito deberá contener: Los hallazgos y la disposición del reclamo; las medidas correctivas (de haberlas); los fundamentos de tal disposición y los procedimientos para iniciar una apelación ante la Oficina de servicios estudiantiles de Aspire. El CAO/CSO o la persona que este designe realizará una investigación adicional y preparará y le enviará al reclamante un informe escrito que detalle la investigación y la decisión. El informe escrito del CAO/CSO deberá contener los hallazgos y la disposición de la queja, las medidas correctivas (si las hay), los fundamentos para tal disposición y los procedimientos para iniciar una apelación, que son los siguientes:

1. Notifique al Inspector del área por escrito la decisión de apelar dentro de los quince (15) días posteriores a la recepción del informe escrito
2. Presente una carta al Departamento de Educación de California (CDE) junto con la queja presentada originalmente y una copia de la decisión de Aspire, dirigida a CA Department of Education, 1430 N Street., Sacramento, CA 95814. Además, la información específica del departamento se puede encontrar aquí: https://www.cde.ca.gov/re/cp/uc/ucpcontacts.asp
3. La apelación al CDE debe especificar el motivo de la apelación y si los hechos de Aspire son incorrectos y/o si la ley se ha aplicado de manera incorrecta.

MEDIACIÓN

Nada de lo expuesto en este documento prohíbe a las personas involucradas en el reclamo utilizar métodos alternativos para resolver las acusaciones, tales como la mediación. Tampoco se nos prohíbe resolver reclamos antes de su presentación formal por escrito. La mediación es una actividad de resolución de problemas mediante la cual un tercero ayuda a las partes en la disputa a resolver el reclamo.

RESARCIMIENTOS SEGÚN LA LEY CIVIL

Ningún punto de la presente política le impide a un reclamante la procura de resarcimientos disponibles en el marco de la ley civil externos a los procedimientos de reclamo de Aspire. Estos resarcimientos pueden incluir centros de mediación, abogados de intereses públicos o privados, medidas cautelares, órdenes de restricción, etc. En el caso de reclamos por discriminación en California, no obstante, los reclamantes deben esperar que hayan pasado los sesenta (60) días de la presentación de una apelación ante el Departamento de Educación de California antes de procurar resarcimientos según la ley civil. La moratoria no rige para las medidas cautelares y se aplica solamente si Aspire le ha ratificado al reclamante, apropiadamente y en tiempo y forma, el derecho de presentar un reclamo.

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Aspire Antonio Maria Lugo Academy is home to 400 students and families. To date, we serve students in grade TK-5 with a total of 15 classrooms. Our student population consists of 98% Hispanic, 94% FRL, and 45% ELLs. Currently we are approaching our 97% attendance rate or higher currently standing at 96.5% by implementing initiatives and parent education. For families with special circumstances by counselor and team are meeting regularly and providing individualized support to better secure our school maintaining this percentage for end of year.

AMLA proudly has a very active partnership with parents, which has served to expand our programs and better serve our students. Currently all students participate in Universal Language Blast time, which means that students are given 30 minutes a day (4 x week) to further develop their English Language. Students who are English only or RFEP are also participating in higher-level language development at this time. We are also very proud of the efforts made in our social emotional programming, which include our new partnership with LACOE to establish ourselves as an official PBIS school site serving to strengthen our emphasis in positive reinforcement for our TIER 1 expectations and curriculum along with the launch of a new social/emotional curriculum (PATHs) offering developmentally appropriate lessons for all students. Furthermore, we have continued to develop our differentiated supports and programming for students in need of Tier 2/3 emotional/behavioral support.

Evidence that this program is successful includes AMLA still proudly holding a zero suspension/expulsion rate for the past 3 years. Overall, we feel that at AMLA students are provided with a rigorous and differentiated academic experience as well as the opportunity to cultivate their character and passion through our continuously expanding enrichment programs. At AMLA we believe that all stakeholders are key to college for certain. AMLA is part of the Aspire Public Schools (APS), a non-profit 501(c)(3). The Home Office of Aspire Public Schools serves AMLA through business services, professional development and other operational support.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The LCAP is created with input from all stakeholders. The information gathered, along with quantitative data, drive the goals and actions in this plan. The year's LCAP has total of four goals. The goals focus on instructional priorities, school climate, and building 21st century college and career skills. You will see a wonderful range of opportunities for students to engage in enrichment activities before, during, and after school as well as plentiful opportunities for parents to get involved as well. Academically you will also see school-wide implementation of a both Eureka Math curriculum and our new social/emotional curriculum Paths.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

We are very proud that we have been able to maintain a zero suspension rate (BLUE rating on CA School Dashboard). This continues to be due to strong Tier 1, 2, and 3 interventions and collaboration with various stakeholders such as parents and extensive support staff. Our SPED team meets weekly to ensure that a proactive approach is being taken to support students both academically and social/emotionally. Our counselor also meets with teachers regularly to support with Tier 2 students through our Mighty Lions program in which students work with their teachers to meet weekly goals. This program is grounded in students being able to communicate their needs as well as learn from their mistakes.

AMLA ended the last school year with a 47% SBAC in Math, despite our transition to a new very rigorous curriculum. Math not only continues to be a focus for our specific school site, but for the region. Last year we had two grade levels take on a new Math curriculum (Eureka Math) and this year the remainder of the grade levels took on the rigorous Common Core aligned curriculum as well. Overall, we had a successful year launching the program school-wide with teacher receiving regular support with planning from deans as well as 4 math walkthroughs led by the regional instructional leaders. This allowed for teachers to have thought partners to support with curriculum internalization, planning, differentiation, and data analysis to inform instruction. In conjunction with the math curriculum was the opportunity for students to work at their individual pace with the grade level curriculum using an online math program entitled Zearn. This allowed for teachers to have another source of data, smaller groups during mini lesson, as well as time to pull math groups for support. Teachers were also provided support from our Blended Learning Technician which attended regular data talks and lead meetings to offer teachers and the intervention team with a deeper dive into data and support with data dashboards.

At AMLA we also continue to be very proud of the RTI program which is now supported by two instructional deans. This year my K-2 dean supported one of our IAs to provide regular support to our students and teachers within grade level span. Our second dean focused on supporting another IA with dispatching support for grades 3-5 by both preparing small groups as well as engaging parents in student support team meetings. As mentioned at AMLA we held 4 data talks this year in which our dean led and our teachers and IA's were

given the opportunity to collaborate and communicate in order to study the data to make necessary changes and recommendations. As a whole, with our IA's pulling our students who are approaching proficiency allowed teachers to have more focus on students who were below or far below grade level.

Two years ago (2015-2016) we had two teachers pilot the EL Achieve program in K and 1. This is now our second year implementing a daily 30 minute block of time dedicated to systematic English Language development (ELD) instruction in grades K-5. Students who are designated as English Language Learners (ELL) receive daily instruction at their ELD level. All implementing and integrated ELD experience throughout the day. Being that our focus continues to be around increasing EL performance on the SBAC we continue to feel this support is demonstrating students making gains as well as meeting the goal of reclassification.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

This year we continue to identify English Language Learners as the subgroup with the greatest need being that our EL subgroup has still not reached proficiency. Although we did see growth from last year's data we still aim to progress monitor and support these students. To follow are some data highlights from the past two years: (2% increase from 2014-2015 SBAC to 2015-2016) (15% increase in ELA from 2015-2016 to 2016-2017 and 4% increase in Math). Our latest data placed ELs at 21% in ELA and 29% in Math, which was also included as a focus in our school action plan. Further actions we have taken have included "Universal Language Blast Time" in which all EL students receive designated instruction at their precise EL level being that teachers are set to work in cohorts. These teams or cohorts are also expected to meet every two months to reflect on the EL Achieve curriculum and planning, communicate progress of all students and make changes as needed.

While the designated ELD time was an effective structure from the start, this year we followed through with being more strategic with having ELD time be at the very start of the day to ensure that students are fresh an engaged and to minimize and possible interruptions caused by school-wide programs.

In addition, we also continued to hold parent workshops in which parents could deepen their understanding of students' language levels by addressing this topic at our school site and supporting with strategies for helping their children at home. In fact, being that there were significant changes around assessment for English language learners (CELDT to ELPAC) we were very content with being able to keep kids informed through several parent meetings and open forums.

Furthermore, it will also continue to be a priority to center professional development for teachers around building the capacity of our teachers to be able to work with ELs both in designated times as well as through the use of integrated strategies such as GLAD. Also, similar to this year we intend to once again assign our most veteran teachers to work with our lowest performing ELLs.

In K-2 we also held school assemblies that aligned with ELD units as well as aligned and expanded social/emotional curriculum in K to provide an additional opportunity for EL to practice their learning from prior lessons. Overall, with this years implementation of EL Achieve we hope to see gains in our reclassification rate as well as an increased performance on SBAC (Move from red to orange/yellow rating on CA School Dashboard).

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

According to our most recent subgroup data one area of focus for AMLA will need to be performance for our EL students being that they are still not performing at the same rate as the EO peers (See above). Some considerations for supporting this subgroup include implementing strategies such as colored equity sticks and deep equity discussions at our summer retreat and regular PDs. Furthermore, we hope to consider expanding our enrichment programs with a focus around English language development, such as our art club with an emphasis on speaking and listening standards. Furthermore, we continue to reserve space for regular feedback and opportunities for resources to be shared at parent meetings and events. But above all, we continue to hold this subgroup as a primary topic at our data talks and lead meetings so to keep this subgroup and our support top of mind.

Another subgroup of focus revealed by data is our SPED group achieving only 15% proficient or advanced, indicating a 10% decrease. As we projected we have taken the necessary steps to become an official PBIS school through LACOE to ensure SPED students are being supported socially/emotionally resulting in an increase in instructional minutes. In addition, at AMLA we will continue strengthening relationship of SPED teachers with general instruction teachers by having SPED attend teacher planning, continue attendance at data talks, as well as attend student led conferences so that communication with parents is consistent. Moreover, it is also important to continue SPED workshops/parent education classes to keep engagement high to support academic progress. As the school leader I aim to collaborate with program specialist so that we are aligned with SPED development and capacity of our instructional minute providers. This includes taking our vision of creating independent learners into practice by redefining strategies and execution of SPED minutes. Lastly, our team is dedicated to providing students with as much support as possible with filling our students technology gaps by ensuring there are several opportunities throughout the year.

Increased or Improved services

The school will continue to provide the support of two deans (one focused on K-2 and one focused on 3-5) as well as intervention teachers dedicated to students needing additional academic support. This intervention team is dedicated to tracking data, complementing instruction in the classrooms, and increasing student achievement.

The EL Achieve curriculum will also continue to support students at their individual English Language learner level on a daily basis.

In addition, Common Core Standards based curriculum will continue to be implemented, and refined to meet each student’s needs in all subject areas.

Increase parent attendance/involvement by 15% through creatively engaging new population of parents to strengthen home to school connection/better our programs	We are very encouraged by the results we have had for a variety of school events this year. Ticket sales for multiple events tripled this year resulting increased fundraising profits. We have also seen our parent volunteer group consistently donate, support, and attend school events. According to our ticket sales, dependent on event, we have seen a steady increase of 15%-20% attendance.
Increase ELAC attendance by 10% by creatively engaging parents who consist of 45% demographic	We are still working on reaching this attendance goal for ELAC meetings. We are currently seeing less than 10 families attend each meeting.
Maintain and increase attendance rate by 10% creatively engaging parents to promote continuous partnership	We are still working on increasing the number of parents who attend workshops as well as coffee with principal (approximately 10 families)/SSC meetings (still around 30 families). We are currently seeing
Improve the quality of our before and after school enrichment programs by solidifying a grant opportunity	We did not establish a grant tied to our before and after school program, but we were still able to get creative with funding and

Describe the overall implementation of the actions/services to achieve the articulated goal.

The parent goal around AMLA attendance was partially met. We still continue to see a high number of families attend for non-academic events, but are still working on increasing attendance for events/workshops addressing academic school focus. Due to the increased effort of the AMLA staff, parent engagement has continued to stay positive with the success of having several new parents join our regular group of parent volunteers. Furthermore, we have had consistently positive participation and feedback at SSC and ELAC meetings.

This year we also proud offered various new parent centered events. Our counseling program offered workshops around a.) bullying vs. conflict b.) Talking to students about growth and development (by Planned Parenthood) c) Jump start to kinder workshop d) cookies with counselor. Our SPED department offered a) Transition to middle school b) understanding students with special needs c) coffee with the SPED team d) Pi Day e) RTI home to school connection (offering tools to create a home classroom). Additionally, our parent coordinator executed cultural events including a) Fall Festival b) Cinco De Mayo c) Spring show d) Winter show e) Movie night f) coffee with principal

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

With an increased focus on community feedback, there has been more consistent communication between all stakeholders. This has resulted in increased trust and parent presence on campus, despite volunteer hours not being tracked. Our AMLA parents have also extended their impact by attending various community events and received praise for their support with the charter movement. As a result, we have had a strong ongoing relationship with CCSA and other organizations and community partners.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Our team has consistently attended PBIS training offered by LACOE, created goals, and communicated tier one initiatives for the school. Our culture team consisting of (principal, 2 deans, and counselor) also met on a bi-weekly basis to reflect on progress of school goals and culture of school. As a team support was offered based on need to initiate tier 2/3 interventions.

Our team has also had regular meetings with the intervention team (including general education IA's as well as special education IAs). As a team data is reviewed which supports with goals around students present needs around phonics.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Our team is very content with the offerings from PBIS LACOE trainings and the opportunity it has given our school to step back and analyze the effectiveness of our Tier one school supports. We have communicated major shifts to teams, but are still working on spending more time sharing the knowledge learned through regular team meetings/check ins. Our goal will be to spend an entire day at our summer retreat with a train the trainers' model. Furthermore, as suggested by LACOE, we hope to send a campus monitor as well as a couple of teachers to training next year as well.

Thus far we have seen much success around students making progress towards reaching their grade level reading goals. With both deans being new to this role and both returning next year we are confident that the intervention team will only get stronger. We are very happy with the steps we have initially take to slowly approach our school taking on a prevention model. In a few years we hope to spend the most energy and attention in grades Tk-2 (especially since our enrollment projection shows this is where our numbers will grow).

Describe the overall implementation of the actions/services to achieve the articulated goal.

We are very proud of the work and focus around the implementation of the math curriculum. Along with the support of regional instructional leaders our deans, teachers, and teammates were given several opportunities a week to deepen their understanding of the curriculum, get feedback, and plan together. Often times our content specialists would join our grade level teams to support with planning and data analysis which really deepened the understanding of math standards.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Thus far we are pleased with the progress we have seen in this focus area. Our teachers are meeting on a regular basis to discuss modules, data, and, student work. Teachers are gaining confidence in their fluency with the program and are slowly better able differentiate and adapt to specific subgroups.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-2019**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 1,050,000	34 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

[In the 2018-2019 school year, $1,050,000 of the school's LCFF revenues are derived from the supplemental and concentration grants. These funds will be expended in a school-wide manner because the school's unduplicated pupil count as a percent of enrollment is above the 40 percent threshold required to expend funds school-wide. These funds are supporting Instructional Deans, social/emotional counseling support, technology, instructional materials, books, and other supports that meet the needs of these students.

In the 2018-2019 school year, the minimum proportionality percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils is 34%. This proportionality percentage will be met through a combination of targeting the increased LCFF funds towards supports that disproportionately target unduplicated pupils and through improving the effectiveness of the intervention support already provided.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2017-2018**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 850,000	29%

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

In the 2017-2018 school year, $850,000 of the school's LCFF revenues are derived from the supplemental and concentration grants. These funds will be expended in a school-wide manner because the school's unduplicated pupil count as a percent of enrollment is above the 40 percent threshold required to expend funds school-wide. Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year**: This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual (*http://www.cde.ca.gov/fg/ac/sa/*)*. (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow

the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)

- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.
- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)
- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter “LEA-wide.”
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter “schoolwide”.
- If the action/service being funded and provided is limited to the unduplicated students identified in “Students to be Served”, enter “Limited to Unduplicated Student Group(s)”.

For charter schools and single-school school districts, “LEA-wide” and “Schoolwide” may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use “LEA-wide” to refer to all schools under the charter and use “Schoolwide” to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use “LEA-wide” or “Schoolwide” provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
    - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the

action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any

schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in 5 *CCR* Section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

(1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).
