

Foster Care Websites and Mobile Apps

- [Foster Care to Success](#)

An online portal for foster youth trying to navigate college.

- [Foster Club](#)

An online community and resource guide for current and former foster youth.

- [TeenParent.net](#)

Developed by Public Counsel and the Alliance for Children's Rights, which is geared towards pregnant and parenting foster youth.

- [KnowB4UGo](#)

A mobile app to help foster youth make decisions about their future in health and work.

- [Think of Us](#)

A website that helps foster youth make decisions about their future in health and work.

- [iFoster](#)

An online hub for foster families, foster care professionals and youth, which provides among other things, a "digital locker" where foster youth can store all their vital records.

- [FOCUS on Foster Families](#)

An app geared towards helping both foster youth and their caregivers, whether kin or foster parents.
